The Board discussed the sizeable Program expected for this year in terms of both project number and amount as well as the timeline of the finance process.

C. Executive Director Zimmer requested CFO Lauren Kaltman to discuss the status of the Aged Inventory Report and the progress since the last Trust Board meeting. The NJEIT and DEP have focused efforts on closing out projects from 2008 and prior. Progress has been made on the joint effort regarding notification to the borrowers who have not drawn down their remaining project funds. At the November Board meeting, 35 such projects were outstanding. Since the November meeting, one project has been closed out and 14 additional projects are in the process of closing out. The Board requested an explanation of the Program’s 30 day notification process. The Trust and the DEP are in the process of working on the remaining projects with the goal to have a significant amount of these projects closed by the end of the 1st quarter of 2014.

D. Executive Director Zimmer reported on the status of the Trust’s outstanding Requests For Proposals (RFPs):

- **RFP for Internal Controls Audit**
  Pursuant to Resolution No. 13-52, the Trust issued an RFP and received proposals from six (6) firms. The Review Committee is in the process of reviewing and ranking the six proposals and anticipates a recommendation for contract award to be presented to the Board for consideration at the January, 2014 Board meeting.

- **RFP for Engineering Consulting Services**
  Pursuant to Resolution No. 13-56, on November 19, 2013, the Trust received proposals from four (4) pre-qualified firms. This item was presented for consideration and award under Agenda Item 8B.

E. Executive Director Zimmer next reported on the status of the Interim Financing Program (IFP):

- The Trust received 2 new applications from the previous month; both drinking water projects from Old Bridge MUA. The Trust currently has a total of 20 IFP loan applications totaling $28,638,784.
• The Trust has closed on 13 IFP loans applications totaling of $18,780,882.

• Nine (9) projects have received IFP loan disbursements from the Trust to-date totaling $5,425,883.

The IFP report was provided to the Board of Directors of the Trust in satisfaction of the requirements of Section 6 of the authorizing Resolution No. 12-61 adopted on December 13, 2012.

There were no comments or questions.

8. NEW BUSINESS:

A. Executive Director Zimmer requested that the Trust’s Chief Budget Officer, John Hansbury, introduce Resolution No. 13-65 accepting the November 2013 Treasurer’s Reports.

Mr. Hansbury presented the Report announcing that in November 2013, the Trust received revenues from fees of $53,542.50 and paid bills totaling $119,128.77 and that the Trust had received and is reviewing bills for payment totaling $141,785.59.

Mr. Hansbury asked if there were any comments or questions. Hearing none, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Briant and seconded by Mr. Barrack. The motion was carried 6 to 0 with 0 abstentions.

The breakdown of pending bills was presented to the board in written form as follows:

B. Executive Director Zimmer introduced Resolution No. 13-66 and recommended the appointment of Grant Thornton to provide Engineering Consulting Services for oversight of FEMA project applications, design, construction and expense requisition processes. Under Resolution No. 13-56, the Trust authorized the distribution of an RFP to contract such services for a period not to exceed three years, with years 2 and 3 as extensions at the option of the Board. The Trust received and reviewed four responses, of which Grant Thornton’s proposal ranked the highest and provided the lowest cost estimate to review, approve and manage 18 hypothetical projects. The contract will commence in December 2013 and continue until November 8, 2016.

Mr. Briant identified the contract line “extra expense” and questioned what type of expense would fall under this category. Mr. Zimmer responded that the “extra expense” line was created to reimburse travel expenses incurred, with an estimate cost of $60,000.

Hearing no additional comments, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Barrack and seconded by Mr. Requa. The motion was carried 6 to 0 with 0 abstentions.

C. Executive Director Zimmer requested that Assistant Director Scangarella introduce Resolution No. 13-67. This Resolution approves for the SFY2014 Financing Program: (i) Borrower’s master forms of Trust Loan Agreements, (ii) Borrower’s Escrow Agreements, (iii) authorizes the Trust to conduct a TEFRA hearing in accordance with Internal Revenue Service requirements, if necessary, and (iv) authorizes the submission by the Trust to acquire the proper approvals from the Director of the Division of Investment, Department of Treasury necessary for the investment of bond proceeds. All actions serve to establish Program requirements and policies as well as communicate these policies and requirements to Program participants.

Copies of all forms are available at [http://www.njeit.org/mtgdates.htm](http://www.njeit.org/mtgdates.htm).
Mr. Scangarella asked if there were any comments or questions. Hearing none, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Briant and seconded by Mr. Requa. The motion was carried 6 to 0 with 0 abstentions.

D. Executive Director Zimmer requested CFO Kaltman to introduce the next three Program approvals.

Ms. Kaltman introduced Resolution No. 13-68 approving the SFY2015 Interim Financing Program (IFP) which enables the Trust to make short-term, temporary loans to qualified Borrowers in order to finance all or a portion of costs of the project in anticipation of long-term financing through the SFY2015 Financing Program. Changes to the Program include extending the maximum term of the IFP loans to up to three full fiscal years or as long as 47 months and charging interest at 25% of the market-rate on the loan. The remainder of this Resolution is consistent with the requests and approvals for past IFP Program years including a maximum loan size limit of $10 million. This Resolution also authorizes an RFP for the procurement of a line-of-credit or other commercial credit instrument that may be required for funding the Program.

Mr. Chebra inquired as to the specifics of the 25% market-rate loan and any borrower outreach efforts by the Trust. Mr. Scangarella clarified that the Resolution allowed for “up to 25%” market-rate loans, and that outreach efforts with borrowers were planned.

Ms. Kaltman asked if there were any further comments or questions. Hearing none, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Chebra and seconded by Ms. Campbell. The motion was carried 6 to 0 with 0 abstentions.

E. CFO Kaltman then introduced Resolution No. 13-69 authorizing the implementation of the SFY2015 Supplemental Financing Program (SFP) for those borrowers requiring additional funding for eligible project cost in excess of the legislative appropriated amount. The SFP enables the Trust to provide short-term, temporary funding to outstanding Program projects with a maximum principal amount of each SFP loan not to exceed $300,000 and the total principal amount of the SFP Program not to exceed $2,000,000 at any given time. SFP loans will bear interest rates of 0% for loans to local government units and water utilities serving fewer than 10,000 residents, and an interest rate of 2% to water utilities serving greater than 10,000 residents as well as any other private person or local government on behalf of a private person.

Ms. Kaltman asked if there were any comments or questions. Hearing none, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Requa and seconded by Mr. Chebra. The motion was carried 6 to 0 with 0 abstentions.
F. CFO Kaltman then introduced Resolution No. 13-70 authorizing the renewal of the Planning & Design (P&D) Financing Program for SFY2015. The re-authorization of this Program is consistent with previous years and includes a maximum individual loan amount of $500,000 and a maximum outstanding Program limitation of $2,000,000 at any given time. P&D loans will bear interest rates of 0% for loans to local government units and water utilities serving fewer than 10,000 residents, and an interest rate of 2% to water utilities serving greater than 10,000 residents as well as any other private person or local government on behalf of a private person.

Ms. Kaltman asked if there were any comments or questions. Hearing none, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Briant and seconded by Mr. Chebra. The motion was carried 6 to 0 with 0 abstentions.

G. Executive Director Zimmer requested that Assistant Director Scangarella introduce Resolution No. 13-71 authorizing the dissolution of the Atlantic Highlands-Highlands RSA and the assumption of certain duties and obligations by the Boroughs of Highlands and Atlantic Highlands for outstanding Program debt repayment obligations. Once dissolved, the financial obligations will pass separately to the two municipalities. The Trust required an advanced independent credit rating prior to the dissolution. Both the Borough of Atlantic Highlands and the Borough of Highlands received an investment grade rating from S&P. The RSA still needs to receive approval from the Local Finance Board (LFB) to move forward with the dissolution. As such, this Resolution is subject to the RSA receiving approval from the LFB to dissolve. Otherwise this Resolution will expire.

Mr. Scangarella asked if there were any comments or questions. Hearing none, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Barrack and seconded by Mr. Requa. The motion was carried 6 to 0 with 0 abstentions.

H. Executive Director Zimmer introduced Resolution No. 13-72 authorizing the execution of a Memorandum of Agreement (MOA) between the NJ Department of Environmental Protection regarding the H2LOans Technology staffing assistance and additional technology purchases.

The MOU provides that DEP will supply two hourly employees to assist the Trust in this work and also authorizes the purchase by the Trust of additional technology totaling $760,260 including GIS software and licensing, not to exceed $319,320; infrastructure hardware totaling $371,255 and software licensing not to exceed $69,685. Each separate procurement will require prior approval by the Board.

Mr. Barrack praised the technology efforts and innovation by both staffs as well as the evidence of the high levels of cooperation and participation amongst the Trust and the DEP.
Mr. Victor asked for a status update on the ability to protect software created by staff. Mr. Zimmer and Mr. Scangarella updated the Board as to the copyright protection and patent consideration efforts that are in process.

Mr. Zimmer asked if there were any further comments or questions. Hearing none, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Chebra and seconded by Mr. Barrack. The motion was carried 6 to 0 with 0 abstentions.

I. Executive Director Zimmer requested Mr. Eugene Chebra of the DEP to discuss the Program’s annual January Report, which is required to be submitted to both Houses of the NJ Legislature by January 15th of each year according to N.J.S.A. 58:11B-20 and 20.1. The January Report describes the DEP’s priority ranking system for the Program, lists all possible projects considered for funding during the upcoming year and describes the policies for management of Federal SRF monies and Principal Forgiveness grants for the upcoming State Fiscal Year. For those applicants that missed the Program’s Letter of Intent (LOI) deadline, a Track-II LOI project submittal is being considered to allow additional project requests for Program funding. A draft Report was presented to the Board and is currently being reviewed by DEP Commissioner Martin.

J. Executive Director Zimmer requested Assistant Director Scangarella to introduce Resolution No. 13-73 approving the Second Amended and Restated Resolution of the Disaster Relief Emergency Financing Program. The Board was presented with the previous Resolution No. 13-47 in a black-lined version to compare the changes to the Resolution being adopted. The amendment provides a means for interest to be charged if the Trust’s funds are used as well as provides certification of two projects to be undertaken by South Monmouth Regional Sewerage Authority.

Mr. Scangarella discussed the changes and asked if there were any comments or questions, hearing none, Chairman Victor requested a motion for approval.

The resolution was moved for adoption by Mr. Briant and seconded by Mr. Barrack. The motion was carried 6 to 0 with 0 abstentions.

9. EXECUTIVE SESSION:

Chairman Victor asked if there was a need for an Executive Session. Executive Director Zimmer responded there was a need for an Executive Session to discuss contract/litigation matters.

Chairman Victor introduced Resolution No. 13-74 to conduct an Executive Session.

The resolution was moved for adoption by Mr. Chebra and seconded by Mr. Briant. The motion was carried 6 to 0 with 0 abstentions.
The Board convened Executive Session at 11:17 p.m.

Public session was reconvened at 12:18 p.m. Minutes of the Executive Session will be available when the need for confidentiality is no longer necessary.

Chairman Victor asked Executive Director Zimmer if there was any future action required by the Board. Mr. Zimmer answer there was not.

Chairman Victor then asked for a motion for an adjournment.

Mr. Chebra moved to adjourn the meeting. The motion was seconded by Ms. Campbell. The motion was carried 6 to 0 with 0 abstentions.

The FIRM shall defend, indemnify and otherwise hold harmless the TRUST, its directors, officers and employees, and any officers and employees of the State of New Jersey authorized to render services to the TRUST, from any and all claims or actions at law of any and all kinds or nature including the costs of defense (1) which arise from acts or omissions whether negligent or not of the FIRM or its agents, employees, servants, subcontractors, materialmen or others working for or on behalf of the FIRM, irrespective of whether such risks are directly within the control of the FIRM, or (2) which arise from any failure to perform the FIRM'S obligations under this Agreement or any improper performance of said obligations.

It is expressly agreed and understood that any approval by the TRUST of the services performed and/or reports or other productions items provided by the FIRM shall not operate to limit the obligations of the FIRM assumed in this Agreement. Furthermore, the FIRM expressly understands and agrees that the provisions of the preceding indemnification clause shall in no way limit the FIRM'S obligations assumed in this Agreement, nor shall they be construed to relieve the FIRM from any liability, nor preclude the TRUST from taking any other actions available to it under any other provisions of this Agreement or otherwise at law. The FIRM will be liable to the TRUST for any reasonable costs incurred by the TRUST to correct, modify or redesign any technical information or production item submitted by the FIRM that is found to be defective or not in accordance with the provisions of this Agreement as a result of negligent act, error or omission on the part of the FIRM, its officers, agents, servants, employees, consultants or subcontractors. The FIRM shall be given a reasonable opportunity to correct any deficiency.

G. During the performance of this Agreement, the FIRM agrees as follows:

1. The FIRM will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status or sex. The FIRM will take affirmative action to ensure that applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The FIRM agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. The FIRM shall insert a similar provision in all subcontracts.

2. The FIRM will, in all solicitations or advertisements for employees placed by or on behalf of the FIRM, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin ancestry, marital status or sex;
3. The FIRM will send to each labor union or representative of workers with which it has a collective bargaining Agreement or other contract or understanding, a notice advising the labor union or worker's representative of the FIRM'S commitments under this Agreement and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

H. The FIRM hereby agrees that the TRUST shall be the sole and exclusive owner of all right, title and interest in and to any technology or works of authorship (collectively, referred to herein as the “Technology”) developed by the FIRM pursuant to this temporary staffing agreement, and all derivative works thereof, and the sole owner of all intellectual property rights associated with the Technology, including any and all copyrights, patents, trademarks, trade secrets, and other proprietary rights therein. Ownership of the Technology and all associated intellectual property rights shall be vested in the FIRM from the date of creation of the Technology, and, to the extent that the Technology constitutes copyrightable subject matter, the Technology shall be deemed to be “works made for hire” within the meaning of the Copyright Act of 1976, as amended.

To the extent any rights in the Technology, including any and all intellectual property rights associated therewith, are deemed under any applicable law to vest initially with the FIRM, the FIRM hereby assigns to the TRUST all right, title, and interest in and to the Technology and all related intellectual property rights, without further consideration, free from any claim, lien for balance due, or rights of retention thereof on the part of the FIRM. The FIRM shall fully disclose and deliver the object code and source code (if applicable) for the Technology to the TRUST, promptly upon creation or fixation in a tangible medium of expression, and shall promptly, upon the TRUST's request, execute and deliver any and all lawful, worldwide patent, copyright, or other applications, assignments, and other documents that the TRUST may request for protecting the Technology.

J. The FIRM does hereby warrant and represent that this Agreement has not been solicited or secured, directly or indirectly, in a manner contrary to the laws of the STATE OF NEW JERSEY and that said laws have not been violated and shall not be violated as they relate to the procurement or the performance of this Agreement by any conduct, including the paying or giving of any fee, commission, compensation, gift, gratuity or consideration of any kind, directly, or indirectly, to any State employee, officer or official or to any Special State officer or employee as defined in N.J.S.A. 52:13D-13.
K. The FIRM warrants and represents that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any Agreement or understanding for a commission, percentage, brokerage or contingent fee excepting bona fide employees or bona fide established commercial or selling agencies maintained by the FIRM for the purpose of securing business.

L. Unless it has already done so as part of its response to the RFP, the FIRM agrees to complete the attached Stockholder Disclosure Form before executing this Agreement.

M. It is agreed and understood that the TRUST reserves the right under this Agreement to determine whether a conflict of interest or the appearance of a conflict of interest exists which would under State law adversely affect the Agreement, or would otherwise be contrary to the best interest of the TRUST and the State of New Jersey.

N. The FIRM and TRUST agree that any claims asserted against the TRUST shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq. and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. (except for section 9 of the Contractual Liability Act, N.J.S.A. 59:13-9), notwithstanding that the Contractual Liability Act is not applicable by its provisions to claims arising under contracts with the TRUST.

O. The FIRM does hereby warrant and represent that it is qualified by training and experience to perform the required services in the manner and on the terms and conditions set forth herein.

P. Invalidation of any one of the provisions of this Agreement, by judgement or court order, shall in no way affect any other provisions herein contained, which provisions shall remain in full force and effect.

Q. This Agreement may only be amended, modified or supplemented in writing consented to by the parties hereto.

R. This Agreement may be executed by the parties hereto in two counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart, which together shall constitute but one and the same Agreement.

S. For the purpose of this Agreement, “Confidential Information” shall mean all confidential and proprietary information disclosed prior to, as of and following the date of this Agreement, concerning the Technology and/or any services provided to the TRUST by the FIRM, including, without limitation, all financial information, potential customers, business plans, forecasts, marketing plans, processes, procedures, designs, drawings, documents, software (including object code and source code), diagrams, flowcharts, technical documentation, and any and all other information; marketing materials, product concepts, and in each instance whether
disclosed in writing or orally.

T. All Confidential Information:

a. shall not be copied, distributed, disclosed, modified or disseminated in any way to any third party by the FIRM without the prior written consent of the TRUST, which may be withheld in the TRUST’S sole discretion;

b. shall be maintained in confidence, and may only be disclosed to those employees, consultants and legal representatives of the FIRM (collectively, “FIRM Agents”) who have a need to know such Confidential Information, and provided further that all such FIRM Agents have been advised of the confidentiality obligations imposed hereby, and have agreed in writing to be so bound; and

c. shall not be used by the FIRM for its own benefit, nor for the benefit of any third party, for any purposes except as those uses expressly permitted by this Agreement.

U. The obligations of paragraph T shall not apply to any information that:

a. is already in the public domain at the time of disclosure or becomes available to the public through no breach of this Agreement by the FIRM or any FIRM Agent; or

b. was, as between the FIRM and the TRUST, lawfully within the FIRM’S possession prior to receipt from the TRUST without obligation of confidentiality.

For purposes of this paragraph U, Confidential Information shall not be deemed to be in the public domain merely because any part of said information is embodied in general disclosures or because individual features, components or a combination thereof are now known to the public. Additionally, if the FIRM receives a subpoena or other order from a court or other governing body with jurisdiction demanding disclosure of Confidential Information, the FIRM shall immediately notify the TRUST, affording the TRUST the opportunity to challenge the sought disclosure, with which effort the FIRM shall cooperate at the TRUST’S expense.

V. The FIRM shall take all precautions, at least as great as the precautions it takes to protect its own most confidential information, but no less than reasonable care, to keep confidential the Confidential Information.

W. Unless mutually agreed otherwise in writing, the parties hereto agree that no representations or warranties of any kind are given by the TRUST with respect to the Confidential Information or any use thereof. In no way will the foregoing limit the TRUST’S right of recourse against the FIRM for disclosure, use or retention of Confidential Information in violation of this Agreement.
X. The FIRM acknowledges and agrees that: (a) the Confidential Information is proprietary to and valuable information of the TRUST, and (b) the TRUST derives economic value from the Confidential Information not being generally known to other persons who can obtain economic value from its disclosure or use. The FIRM agrees that any breach of this Agreement shall cause immediate and irreparable harm to the TRUST, for which monetary damages would be inadequate or difficult to ascertain. The FIRM therefore agrees that upon the existence of any such breach or threatened breach, the TRUST shall be entitled to immediately obtain a temporary restraining order and a permanent injunction as well as any other appropriate equitable relief from any court having jurisdiction over the matter, without the need to post a bond or to prove actual damages. This paragraph will not limit the TRUST’S right to obtain monetary damages in addition to such equitable relief.

Y. The FIRM’S obligations hereunder with respect to each item of Confidential Information shall remain in full force and effect notwithstanding the termination of this Agreement or the negotiations contemplated herein for any reason. Upon such termination or sooner upon request from the TRUST, the FIRM shall immediately return all Confidential Information to the TRUST, including all copies, excerpts, extracts, summaries or analyses thereof or therefrom, regardless of the media on or in which such Confidential Information was received or maintained, including without limitation those provided to the FIRM Agents.

Z. For the term of this Agreement, and for a period of time extending two (2) years from the dates of either (a) satisfaction or (b) termination of this Agreement, neither party to this Agreement shall solicit, recruit, employ, or offer to employ any employee of the other party.

ARTICLE V

In accordance with Public Law 2005, Chapter 92, the FIRM covenants and agrees that all services performed under this Agreement by the FIRM shall be performed within the United States of America.

Pursuant to Public Law 2005 (Chapter 51) State departments, agencies and authorities are precluded from awarding contracts exceeding $17,500 to vendors who make certain political contributions on and after October 15, 2004, to avoid any appearance that the selection of State FIRMs is based on the FIRMs' political contributions. The FIRM agrees to complete the attached Chapter 51 Disclosure Form (Exhibit B), execute, and submit same with this Agreement to the Trust. Chapter 51 also requires the disclosure of all contributions to any political organization organized under 26 U.S.C. 527 that also meet the definition of a "continuing political committee" within the meaning of N.J.S.A 19:44A-3(n) and N.J.A.C. 19:25-1.7. If the FIRM fails to fully comply with Chapter 51 upon contract execution, this contract is void ab initio, as a material defect that invalidates this Agreement. If the FIRM solicits or makes any Chapter 51 political contributions prior to the completion of this Contract, such act shall constitute a material breach of this Agreement.
Pursuant to Public Law 2005, Chapter 271 (Chapter 271) the FIRM is required to disclose its (and its principals') political contributions within the immediately preceding twelve (12) month period as set forth in the attached Chapter 271 disclosure statement. The FIRM agrees to complete the attached Chapter 271 Disclosure Form (Exhibit C) execute, and submit same with this Agreement to the Trust. The FIRM also has a continuing duty to immediately report any Chapter 271 political contributions it makes during the term of this Agreement to the TRUST. The FIRM will not be precluded from entering a contract with the TRUST by virtue of the information provided in the Chapter 271 disclosure provided the form is fully and accurately completed. If the FIRM fails to fully comply with Chapter 271 upon contract execution, this Agreement is void ab initio, as a material defect that invalidates this Agreement.

The FIRM represents and warrants that all information, certifications and disclosure statements previously provided in connection with Public Law 2005, Chapter 51 and Executive Order No. 117 (2008) (“EO 117”), are true and correct as of the date hereof and all such statements have been made with full knowledge that the TRUST and the State of New Jersey (the “State”) will rely upon the truth of the statements contained therein in engaging FIRM. The FIRM agrees that it shall maintain continued compliance with Public Law 2005, Chapter 51, EO 117 and regulations promulgated thereunder during the term of this Agreement. The FIRM acknowledges that upon its failure to make required filings thereunder or the making of a contribution prohibited thereunder, the Trust may terminate this Agreement and any remedies available to the Trust may be exercised against FIRM at law or in equity.

Please also be advised of your responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to N.J.S.A. 19:44A-20.13 (P.L. 2005, c. 271 section 3) if the FIRM receives contracts in excess of $50,000 from a public entity during a calendar year. It is the FIRM’S responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or www.elec.state.nj.us.

WHEREAS, pursuant to Section 5(i) and Section 6(a) of the New Jersey Environmental Infrastructure Trust Act, constituting Chapter 334 of the Pamphlet Laws of 1985 of the State of New Jersey (the “State”), as amended and supplemented (N.J.S.A. 58:11B-1 et seq.) (the “Act”), the New Jersey Environmental Infrastructure Trust, a public body corporate and politic under the laws of the State, created pursuant to the Act (the “Trust”), is authorized to issue its bonds (the “Trust Bonds”) in any principal amounts (subject to the limitations of Section 6(g) of the Act) as in its judgment shall be necessary to provide funds sufficient for any of its corporate purposes, including, without limitation, the making of loans (each a “Trust Loan”) to project sponsors (each a “Project Sponsor”) to finance a portion of the costs of the respective environmental infrastructure system projects thereof (each a “Project”); and

WHEREAS, pursuant to Section 5(m) and Section 9(a) of the Act, the Trust is authorized to make and contract to make Trust Loans to Project Sponsors to finance a portion of the costs of the respective Projects thereof, which Project Sponsors may lawfully undertake or acquire and for which they are authorized by law to borrow funds, subject to such terms and conditions as the Trust shall determine to be consistent with the purposes thereof; and

WHEREAS, the Board of Directors of the Trust (the “Board”) currently is scheduled to consider, as part of its agenda at its February 12, 2014 meeting, the Project applications of certain Project Sponsors for Trust Loans from the Trust, which Trust Loans, if so approved, would be made, pursuant to the provisions of the Act, by the Trust to such Project Sponsors from the proceeds of Trust Bonds, to be issued pursuant to the State Fiscal Year 2014 Environmental Infrastructure Financing Program of the Trust (the “Program”); and
WHEREAS, each Trust Loan made by the Trust to a Project Sponsor pursuant to the Program shall be made pursuant to the terms and provisions of a loan agreement, by and between the Trust and the respective Project Sponsor (the “Trust Loan Agreement”); and

WHEREAS, the Trust, in consultation with its professional advisors, has prepared master forms of the Trust Loan Agreement, such forms being attached hereto as Exhibit A and made a part hereof; and

WHEREAS, the Trust Loan Agreement contains all of the terms and conditions that are applicable to the receipt by the Project Sponsors of Trust Loans from the Trust, including, without limitation, specific terms and conditions with which certain Project Sponsors must comply prior to receipt of Trust Loans from the Trust, but do not contain those terms and conditions that cannot be determined until completion of the sale of the Trust Bonds or until further evaluation of information to be received by the Trust from the Project Sponsors; and

WHEREAS, pursuant to the terms and provisions of the Program and subject to (i) satisfaction in full of the conditions precedent set forth in the hereinafter defined Escrow Agreement and (ii) the final certification of the respective Project pursuant to the regulations and procedures of the New Jersey Department of Environmental Protection (the “NJDEP”), the Trust and each Project Sponsor shall deposit into escrow (the “Escrow Closing”) the duly authorized, executed and delivered Trust Loan Agreement (subject to completion to the extent of those terms and conditions that cannot be determined until completion of the sale of the Trust Bonds or until further evaluation of information to be received by the Trust from the Project Sponsor) and certain other Program-related documents (collectively, the “Escrowed Program Documents”), which Escrowed Program Documents shall be held in escrow by a national banking association or a banking corporation with trust and fiduciary powers in the State, duly appointed by the Board as escrow agent (the “Escrow Agent”), pursuant to the terms and provisions of an escrow agreement (the “Escrow Agreement”) to which the Trust, the respective Project Sponsor and the Escrow Agent, inter alia, shall be parties, which Escrow Agreement shall establish the terms and conditions governing the holding in escrow and administering by the Escrow Agent of the Escrowed Program Documents, including, without limitation, the completion of those terms and conditions of the Trust Loan Agreement that cannot be determined until completion of the sale of the Trust Bonds or until the further evaluation of information to be received by the Trust from the Project Sponsor; and

WHEREAS, the Trust, in consultation with its professional advisors, has prepared master forms of the Escrow Agreement, such forms being attached hereto as Exhibit B and made a part hereof; and

WHEREAS, in furtherance of the intent and goals of the Program, the Board currently is scheduled to consider, as part of its agenda at its meeting to be held on or about April 10, 2014, the adoption of one or more Environmental Infrastructure Bond Resolutions (collectively, the “Trust Bond Resolution”), which Trust Bond Resolution shall authorize, inter alia, (i) the marketing, issuance and sale by the Trust of its Trust Bonds, (ii) the allocation of the proceeds of the Trust Bonds to the Projects of the respective Project Sponsors pursuant to the terms of the
respective Trust Loan Agreement, (iii) the investment of the proceeds of the Trust Bonds until expenditure thereof pursuant to the terms of the Trust Bond Resolution, and (iv) certain other matters as shall be set forth in the Trust Bond Resolution; and

**WHEREAS**, prior to consideration by the Board of the Trust Bond Resolution, as part of the agenda of its meeting to be held on or about April 10, 2014, in furtherance of the intent and purposes of the Program, it will be necessary for the Trust to implement certain elements of the Program, including, without limitation, (i) the completion of an Escrow Closing with respect to the Trust Loan to be made by the Trust to each qualifying Project Sponsor from the proceeds of the Trust Bonds, (ii) the conduct, if necessary, of a hearing (the “TEFRA Hearing”) with respect to the Trust Bonds pursuant to the requirements of Section 147(f) of the Internal Revenue Code of 1986, as amended (the “Code”), and (iii) the submission of a written request by the Trust (the “Investment Authorization Request”) to the Director of the Division of Investments in the New Jersey Department of the Treasury (the “Director”) for approval of the investment by the Trust of proceeds of the Trust Bonds pursuant to, among other investment instruments that may be deemed appropriate and advantageous, a repurchase agreement that does not conform with State Investment Council regulations, which approval by the Director is dependent upon a finding thereby that such investment is consistent with the corporate purposes of the Trust; and

**WHEREAS**, it is the desire of the Board, in furtherance of the intent and purposes of the Program, that the Executive Director of the Trust, or any other person or persons designated by the Board by resolution to act on behalf of the Trust (each, an “Authorized Officer”), each be severally authorized to act on behalf of the Trust and implement in furtherance of the Program (i) the completion of an Escrow Closing with respect to the Trust Loan to be made by the Trust to each qualifying Project Sponsor from the proceeds of the Trust Bonds, (ii) the conduct, if determined to be necessary by any Authorized Officer, of a TEFRA Hearing with respect to the Trust Bonds pursuant to the requirements of the Code, (iii) the submission of the Investment Authorization Request to the Director, and (iv) such other actions in connection with the foregoing or such other actions as shall be necessary in furtherance of the intent and purposes of the Program.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the New Jersey Environmental Infrastructure Trust, as follows:

**Section 1.** In furtherance of the intent and purposes of the Program, the Board hereby approves the execution and delivery of Escrow Closing (but only upon (i) satisfaction in full of the conditions precedent to Escrow Closing set forth in the respective Escrow Agreement and (ii) the final certification of the respective Project pursuant to the regulations and procedures of the NJDEP) of a Trust Loan Agreement with respect to each Trust Loan to be made by the Trust to each Project Sponsor in connection with the respective Project thereof, each such Trust Loan Agreement to be in substantially the form attached hereto as Exhibit A and made a part hereof, with such revisions and modifications thereto as shall be approved by any Authorized Officer, after consultation with counsel to the Trust, such approval to be evidenced by the execution thereof by such Authorized Officer; provided, however, that each Trust Loan Agreement
executed and delivered at Escrow Closing pursuant to the authorization of the Board set forth herein shall be exclusive of the following terms, which terms shall be completed, upon completion of the sale of the Trust Bonds and further evaluation of information to be received by the Trust from the Project Sponsors, by any Authorized Officer in a manner (i) consistent with the provisions of the Trust Bond Resolution and (ii) pursuant to the provisions of the respective Escrow Agreement relating to the completion of such terms: (a) the principal and interest repayment schedules and adjusted principal amount reflecting, as applicable and without limitation, capitalized interest, reserve capacity, administrative fees and issuance expenses, including, without limitation, bond insurance premiums, if any, which cannot be finally determined until completion of the sale of the Trust Bonds; (b) if applicable, provisions requiring additional forms of security, such as a deficiency agreement, a letter of credit or a special reserve fund securing the timely repayment of the Trust Loan; and (c) provisions relating to the satisfaction of the “funds available” or “cash on hand” requirement pertaining to the funding of unallowable Project costs or that portion of allowable Project costs not financed with proceeds of the Trust Bonds through the Trust Loan Agreement and the corresponding fund loan agreement entered into by and between the NJDEP and the Project Sponsor.

**Section 2.** In furtherance of the intent and purposes of the Program, the Board hereby approves the execution and delivery at Escrow Closing (but only upon (i) satisfaction in full of the conditions precedent to Escrow Closing set forth in the respective Escrow Agreement and (ii) the final certification of the respective Project pursuant to the regulations and procedures of the NJDEP) of an Escrow Agreement with respect to each Trust Loan to be made by the Trust to each Project Sponsor in connection with the respective Project thereof, each such Escrow Agreement to be in substantially the form attached hereto as Exhibit B and made a part hereof, with such revisions and modifications thereto as shall be approved by any Authorized Officer, after consultation with counsel to the Trust, such approval to be evidenced by the execution thereof by such Authorized Officer.

**Section 3.** In furtherance of the intent and purposes of the Program, the Board hereby authorizes any Authorized Officer to engage in an Escrow Closing (but only upon (i) satisfaction in full of the conditions precedent to Escrow Closing set forth in the respective Escrow Agreement and (ii) the final certification of the respective Project pursuant to the regulations and procedures of the NJDEP), pursuant to the terms and procedures of the Escrow Agreement, with respect to each Trust Loan to be made by the Trust to each Project Sponsor in connection with the respective Project thereof. The Board hereby authorizes any Authorized Officer, upon consultation with counsel to the Trust, (i) to determine the Escrow Closing schedule and (ii) to undertake any other action in furtherance of the Escrow Closing, relating to the Trust Loan made by the Trust to each Project Sponsor in connection with the respective Project thereof, as such Authorized Officer shall determine to be necessary.

**Section 4.** In furtherance of the intent and purposes of the Program, the Board hereby authorizes (but only upon (i) satisfaction in full of the conditions precedent to Escrow Closing set forth in the respective Escrow Agreement and (ii) the final certification of the respective Project pursuant to the regulations and procedures of the NJDEP) that (i) the Trust
Loan Agreement, the Escrow Agreement, any other Escrowed Program Documents to which the Trust is a party, and any other document required to be executed by the Trust in connection with the undertaking and completion of the Escrow Closing shall be executed in the name of the Trust by the manual signature of the Chairman or any Authorized Officer of the Trust, and (ii) if required by the terms of such document, its corporate seal shall be impressed, imprinted or otherwise reproduced thereon and attested by the manual signature of the Secretary or Assistant Secretary or other Authorized Officer of the Trust.

Section 5. In furtherance of the intent and purposes of the Program, the Board hereby authorizes any Authorized Officer, after consultation with counsel to the Trust, to take such other actions and to execute such other documents and instruments as may be necessary or appropriate (and not inconsistent with the terms and provisions of this Resolution) to effect the consummation of an Escrow Closing with respect to each Trust Loan made by the Trust to each Project Sponsor in connection with the respective Project thereof.

Section 6. In furtherance of the intent and purposes of the Program, the Board hereby authorizes any Authorized Officer, after consultation with counsel to the Trust, to conduct the TEFRA Hearing with respect to the Trust Bonds at such time in such manner as any Authorized Officer, after consultation with counsel to the Trust, shall determine to be necessary, convenient or desirable in order to satisfy the requirements of the Code.

Section 7. In furtherance of the intent and purposes of the Program, the Board hereby authorizes any Authorized Officer, after consultation with counsel to the Trust, to submit the Investment Authorization Request to the Director for approval and to undertake any other action necessary in connection with (i) the approval by the Director of the investment by the Trust of a portion of the proceeds of the Trust Bonds pursuant to, among other investment instruments that may be deemed appropriate and advantageous, a repurchase agreement that does not conform with State Investment Council regulations and (ii) the finding by the Director that such investment is consistent with the corporate purposes of the Trust.

Section 8. The Board hereby authorizes any Authorized Officer, after consultation with counsel to the Trust, to take such other actions, to execute such other instruments and to seek such other consents as may be necessary or appropriate (and not inconsistent with the terms and provisions of this Resolution) to further the intent and purposes of the Program.

WITNESSETH THAT:

WHEREAS, the Borrower is undertaking to obtain loans from both the Trust and the State (a “Trust Loan” and “Fund Loan,” respectively) under the “State Fiscal Year 2014 New Jersey Environmental Infrastructure Financing Program”; and

WHEREAS, as one of the preconditions to the making of such Trust Loan and Fund Loan, the Trust and the State are requiring that the Borrower execute and attest the loan agreements required in connection with such loans, and produce validly executed and attested bonds evidencing such loans, prior to the Trust undertaking to publish the notice of sale for the bonds it intends to issue to fund the Trust Loan (the “Trust Bonds”).

NOW, THEREFORE, for and in consideration of the mutual duties, covenants, obligations and agreements set forth herein, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:
1. Appointment of Escrow Agent

The Escrow Agent agrees to act as agent for the Trust, the State and the Borrower and shall possess and administer the Escrowed Documents (as defined in Section 2 hereof) in accordance with the instructions set forth in this Escrow Agreement. Certain capitalized terms used herein shall have the meanings ascribed to such terms in Schedule A attached hereto and made a part hereof. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in both the Trust Loan Agreement and the Fund Loan Agreement (as hereinafter defined).

Failure of the Escrow Agent to so release and deliver any one of the Escrowed Documents after satisfaction of the above-mentioned conditions shall be considered a failure to release and deliver all of the Escrowed Documents.
4. **Cancellation of Escrowed Documents**

In the event that any of the conditions precedent to the release of the Escrowed Documents set forth in Section 3 hereof shall remain unsatisfied for any reason as of the Loan Closing or if the Escrowed Documents are not released and delivered as of the Loan Closing, the Escrow Agent shall on said date mark the Escrowed Documents “CANCELED”, and shall return (1) the Trust Loan Bond and the Fund Loan Bond to the Borrower, (2) the Trust Loan Agreement to the Trust, and (3) the Fund Loan Agreement to the State. The Trust and the State hereby acknowledge that upon receipt of said agreements marked “CANCELED” the obligations of the Borrower thereunder are without effect.

5. **Modifications to Loan Agreements**

The Trust, the State and the Borrower acknowledge that, in connection with (1) the sale, issuance and delivery of the Trust Bonds and (2) any Fund Loans funded with the proceeds of any State Bonds (as may be defined in the Fund Loan Agreement) hereafter issued by the State, it may be necessary, subsequent to the date hereof and prior to the Loan Closing, to modify the Trust Loan Agreement and the Fund Loan Agreement for the purposes set forth, respectively, in Sections 2.02(o) thereof, including, without limitation, for the purpose of assuring that the interest on the Trust Bonds and the State Bonds is not includable in gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder. In such event, the Trust and, if applicable, the State will make such modifications by amending Exhibit F to the Trust Loan Agreement and, if applicable, the Fund Loan Agreement and delivering the amended Exhibit F to the Borrower and the Escrow Agent on or prior to the Loan Closing.

Any modifications to the Trust Loan Agreement and the Fund Loan Agreement by amending Exhibit F thereto pursuant to this Section 5 shall not affect in any way the Borrower’s covenant and agreement made in Section 2.02(e)(i) of each of the Trust Loan Agreement and, if applicable, the Fund Loan Agreement.

6. **Liability of Escrow Agent**

The Escrow Agent shall have no duties or responsibilities as Escrow Agent under this Escrow Agreement other than those expressly set forth herein, and shall have no duty to enforce any obligation of any person to perform any act. The Escrow Agent may rely conclusively and shall be protected in acting upon any order, notice, demand, direction, certificate, opinion and advice of counsel (including counsel selected by the Escrow Agent), statement, instrument, report or other instrument or document (not only as to its due execution and the validity and effectiveness thereof, but also as to the truth and accuracy of any information therein contained) that is believed by the Escrow Agent to be genuine and to be signed by the proper person.

The Escrow Agent agrees that it (1) shall be responsible to the State, the Trust and the Borrower for the proper and faithful observance and performance of the duties, covenants, obligations and agreements required of it pursuant hereto, for the fidelity and integrity of its officers, employees and agents employed in any undertaking hereunder, and for any and all loss or damage that may result from any failure to observe and perform or from any improper or
incorrect observance or performance of its duties, covenants, obligations and agreements hereunder, and (2) shall save harmless the State, the Trust and the Borrower, or any trustee, employee or officer thereof, from any and all loss or damage caused thereby, except in the event of loss or damage resulting from their own negligence or willful misconduct.

7. Acknowledgments and Liability of Borrower

Based upon the Borrower’s execution and delivery into escrow of the Trust Loan Agreement and the Fund Loan Agreement in accordance with the terms hereof and further based upon the Borrower’s execution, attestation and delivery of this Escrow Agreement, the Borrower has irrevocably committed to borrow (1) from the Trust, the Trust Loan Amount, pursuant to the terms and conditions of the Trust Loan Agreement, and (2) from the State, the Fund Loan Amount, pursuant to the terms and conditions of the Fund Loan Agreement. Notwithstanding the foregoing, the Trust Loan Amount and the Fund Loan Amount may only be changed subsequent to the date hereof in accordance with Section 2(a)(2) hereof.

The Borrower acknowledges (1) that the Trust and the State are relying upon the Borrower’s execution and attestation of the Escrowed Documents and related execution, attestation and delivery of this Escrow Agreement, as well as the execution of the commitment letters set forth as Exhibit A hereto (delivered to the Trust and the State on the date hereof) relating to the delivery of the opinions required to close the Trust Loan and the Fund Loan; (2) that such reliance by the Trust is the basis upon which the Trust will determine the aggregate principal amount of, and undertake all actions necessary to issue, the Trust Bonds; (3) that, in consideration of (1) and (2) above, the Trust has tentatively scheduled the mailing of the Preliminary Official Statement for the Trust Bonds on or about April __, 2014, the initial publication of its Notice of Sale for the Trust Bonds on or about April __, 2014, and the sale of the Trust Bonds on or about May __, 2014; (4) that the aggregate principal amount of and the interest payable on that portion of the Trust Loan set forth in Exhibit A-2 to the Trust Loan Agreement shall be based upon and reflect, among other things, the interest rate on the Trust Bonds established at the sale thereof; and (5) that the Trust’s ability to make the Trust Loan at the rate so established, and the State’s ability to make the Fund Loan, are subject to and dependent upon the release and delivery of the Escrowed Documents pursuant to Section 3 hereof.

The Borrower agrees that, subject to the provisions of the immediately succeeding sentence, in the event the Escrow Agent shall fail to release and deliver or shall cancel the Escrowed Documents for any reason (including, but not limited to, the failure of the Borrower to satisfy any of the preconditions to its due authorization, execution, attestation and delivery of the Trust Loan Bond or the Fund Loan Bond or the failure of general counsel or bond counsel to the Borrower to deliver its respective opinion required in connection with the closing of the Trust Loan or the Fund Loan), the Borrower shall be responsible to the Trust, the State and the Borrowers for any and all expenses, losses or damages, monetary and otherwise (including, but not limited to, all costs of issuance and all legal costs of the Trust, the State and the Borrowers incurred in connection with the Trust’s proposed bond issue to fund the Trust Loan and the proposed making of the Trust Loan and the Fund Loan for financing a portion of the Costs of the Borrower’s environmental infrastructure project), to the Trust, the State and the Borrowers, respectively, arising from such failure or cancellation. Notwithstanding the provisions of the
immediately preceding sentence to the contrary, in the event that the Escrow Agent shall fail to release and deliver or shall cancel the Escrowed Documents and such failure or such cancellation is the result of the gross negligence or willful misconduct of the Trust, the Borrower shall not be responsible to the Trust or the State for any expenses, losses or damages, monetary or otherwise, incurred by the Trust or the State, respectively, and arising as a result of such failure or such cancellation, and such expenses, losses or damages, monetary or otherwise, of the Trust and the State, respectively, shall be the sole responsibility of the Trust; provided, however, that in the event of such failure or such cancellation as a result of the gross negligence or willful misconduct of the Trust, the Borrower shall remain responsible for its own expenses, losses or damages, monetary or otherwise (including, but not limited to, all costs of issuance and all legal costs of the Borrower incurred in connection with the Trust’s proposed bond issue to fund the Trust Loan and the proposed making of the Trust Loan and the Fund Loan for financing a portion of the Costs of the Borrower’s environmental infrastructure project). The Borrower’s obligation under this paragraph shall be continuing notwithstanding such failure or cancellation by the Escrow Agent.

Notwithstanding the foregoing, nothing herein shall prevent the Borrower from pursuing any claims, including any claims the Trust or the State may have, against any third party for any default, cancellation or failure to perform under this Escrow Agreement; provided, however, that no such claim of the Trust or the State may be pursued by the Borrower without the express written consent of the Trust or the State, respectively, which consent shall not be unreasonably withheld.

8. Escrow Agent’s Compensation

The Trust shall pay the Escrow Agent a total fee for the services performed under this Escrow Agreement in accordance with the terms of the Escrow Agent’s proposal to the Trust dated April 9, 2013 and the Trust’s Resolution 13-34 adopted on June 13, 2013 to accept such proposal, subject to the execution, attestation and delivery of this Escrow Agreement.

9. Miscellaneous Trust and State Requirements

10. **Useful Life of Project Financed with Trust Loan**

RE:  [Name of Borrower]  
Application for Loans from New Jersey Environmental Infrastructure Trust and State of New Jersey; State Fiscal Year 2014 New Jersey Environmental Infrastructure Financing Program

Ladies and Gentlemen:

In our capacity as [bond] [general] counsel to the [Name of Borrower] (the “Borrower”), we have reviewed (i) a copy of the authorized, executed and attested loan agreement (the “Trust Loan Agreement”) to be delivered to the New Jersey Environmental Infrastructure Trust (the “Trust”) and (ii) an authorized, executed and attested general obligation bond of the Borrower to be delivered to the Trust (the “Trust Loan Bond”), each exclusive of the principal and partial interest repayment schedule applicable thereto, for and evidencing a loan from the Trust in connection with the captioned program (the “Program”). We have also reviewed (i) a copy of the authorized, executed and attested loan agreement (the “Fund Loan Agreement”, and together with the Trust Loan Agreement, the “Loan Agreements”) to be delivered to the State of New Jersey, acting by and through the New Jersey Department of Environmental Protection (the “State”), and (ii) an authorized, executed and attested general obligation bond of the Borrower to be delivered to the State (the “State Loan Bond”, and together with the Trust Loan Bond, the “Borrower Bonds”), each exclusive of the principal repayment schedule applicable thereto, for and evidencing a loan from the State in connection with the Program. We understand that these Loan Agreements and Borrower Bonds will be placed in escrow on the date hereof and will be released from escrow in completed form and delivered to the Trust and the State, respectively, on the date of closing on the Trust’s bond issue for the Program, which is estimated to occur on or about May 21, 2014 (the “Loan Closing”).

We have also reviewed a copy of the Escrow Agreement dated the date hereof by and among the Trust, the State, the Borrower and U.S. Bank National Association, as Escrow Agent (the “Escrow Agreement”), which sets forth the terms and conditions upon which the Escrowed Documents (as defined in the Escrow Agreement) shall be released and delivered, or canceled.

Based upon the foregoing, we are of the opinion that the Escrow Agreement has been duly and validly authorized by the Borrower and executed, attested and delivered by the authorized officers of the Borrower; and assuming that the Trust, the State and the Escrow Agent
each has the requisite power and authority to authorize, execute, attest and deliver, and each has
duly and validly authorized, executed, attested and delivered, the Escrow Agreement, the Escrow
Agreement constitutes a legal, valid and binding obligation of the Borrower, enforceable against
the Borrower in accordance with its terms, except as the enforcement thereof may be limited or
modified by bankruptcy, insolvency or other laws or legal or equitable principles affecting the
enforcement of creditors’ rights and remedies.

In addition, based upon our review of such information, certificates of the Borrower,
statutes and other matters of law as we deem relevant, we are of the opinion that, as of the date
hereof, there exist on the part of the Borrower no legal impediments to the release and delivery
of the Escrowed Documents at the Loan Closing pursuant to the provisions of the Escrow
Agreement or to the delivery of our opinions in favor of the Trust and the State at such time,
substantially in the forms attached hereto as Exhibit A and Exhibit B, as required by Section 2.02
of each of the Trust Loan Agreement and the Fund Loan Agreement, respectively.

We hereby authorize McCarter & English, LLP, acting as bond counsel to the Trust, and
the Attorney General of the State of New Jersey, acting as general counsel to the Trust, to rely on
this opinion as if we had addressed this opinion to them in addition to you.

Very truly yours,

I, [____________________], an authorized representative of the [NAME OF BORROWER] (the "Borrower"), a [municipal corporation duly created and validly existing under the laws of the State of New Jersey, located in the County of [_____________]] [political subdivision duly created and validly existing under the laws of the State of New Jersey], DO HEREBY CERTIFY the following:

A portion of the proceeds of the loan (the “Trust Loan”) made by the New Jersey Environmental Infrastructure Trust (the “Trust”) to the Borrower out of the proceeds of the Trust’s Environmental Infrastructure Bonds, Series 2014[__] (the “Trust Bonds”), in accordance with the Loan Agreement dated as of May 1, 2014 by and between the Trust and the Borrower (the “Loan Agreement”), will be used to reimburse the Borrower for expenditures paid prior to the date hereof for Costs of the Project (as such terms are defined in the Loan Agreement), such expenditures being more fully described in Schedule A attached hereto. With respect to such reimbursements:

(a) All allocations of the proceeds of the Trust Bonds and the Trust Loan to the reimbursement of expenditures for Costs of the Project made prior to the issuance of the Trust Bonds satisfy the criteria set forth in either clauses (i), (ii) or (iii) [circle one or more as applicable]:

(i) The Costs of the Project to be reimbursed were paid by the Borrower (A) subsequent to [DATE] (the date of adoption of a Declaration of Official Intent, as hereinafter defined) or (B) not more than 60 days prior to the date of adoption of the Declaration of Official Intent with equity of the Borrower as advances in anticipation of long-term tax-exempt financing by the Trust, as provided in a resolution declaring the Borrower’s official intent in accordance with Treasury Regulations §1.150-2 (or Treasury Regulations §1.103-18(f), if adopted by the Borrower between January 27, 1992 and June 30, 1993) (the “Declaration of Official Intent”);

(ii) The Costs of the Project to be reimbursed were paid by the Borrower for “preliminary expenditures” (within the meaning of Treasury Regulations §150-2(f)(2)) including architectural, engineering, surveying, soil testing, reimbursement bond issuance and similar costs that were incurred prior to commencement of construction, rehabilitation or acquisition of the Project, other than land acquisition, site preparation and similar costs incident to commencement of construction, which do not exceed 20 percent of the issue price of the Trust Loan that finances the Project; or

(iii) The Costs of the Project to be reimbursed were paid by the Borrower prior to March 3, 1992 and after September 8, 1989 for which there is objective evidence that, at the time the expenditure was paid, the Borrower expected to reimburse the expenditure with the proceeds of a borrowing, and because of the timing of the expenditure and such objective evidence, a basis exists for reimbursement under Treasury Regulations §1.150-
2 independent of the official intent requirement described in clause (i) above or the preliminary expenditure exception described in clause (ii) above.

(b) On the date of the Declaration of Official Intent, in the case of reimbursements described in clause (i) of paragraph (a) above, or the date of payment, in the case of reimbursements described in clause (iii) of paragraph (a) above, the Borrower had a reasonable expectation (within the meaning of Treasury Regulations §1.150-2(e)) that it would reimburse the equity it advanced with the proceeds of a borrowing of debt obligations.

(c) All reimbursement allocations, other than reimbursement allocations for “preliminary expenditures” (as described in clause (ii) of paragraph (a) above), will occur not later than 18 months after the later of (i) the date on which the expenditure is paid or (ii) the date the Project is “placed in service” (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

(d) No reimbursement allocation will employ an “abusive arbitrage device” under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Internal Revenue Code of 1986, as amended (the “Code”).

(e) The proceeds of the Trust Bonds used to reimburse the Borrower for Costs of the Project, or funds corresponding to such amounts, will not be used in a manner that results in the creation of “replacement proceeds”, including “sinking funds”, “pledged funds” or funds subject to a “negative pledge” (as such terms are defined in Treasury Regulations §1.148-1), of the Trust Bonds or another issue of debt obligations, other than amounts deposited into a “bona fide debt service fund” (as defined in Treasury Regulations §1.148-1).

(f) The Costs of the Project to be reimbursed with the proceeds of the Trust Bonds will be “capital expenditures” within the meaning of Treasury Regulations §1.150-1(b).

IN WITNESS WHEREOF, I have hereunto set my hand on May 21, 2014.

THIS ESCROW AGREEMENT (the “Escrow Agreement”), made and entered into on the Escrow Closing Date (as hereinafter defined) by and among NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST, a public body corporate and politic with corporate succession duly created and validly existing under the laws of the State of New Jersey (the “Trust”), THE STATE OF NEW JERSEY, acting by and through the New Jersey Department of Environmental Protection (the “State”), the BORROWER (as hereinafter defined), the BORROWER’S TRUSTEE (as hereinafter defined), if any, and U.S. Bank National Association, a national banking association duly organized and validly existing under the laws of the United States of America, as Escrow Agent (the “Escrow Agent”);

WITNESSETH THAT:

WHEREAS, the Borrower is undertaking to obtain loans from both the Trust and the State (a “Trust Loan” and “Fund Loan,” respectively) under the “State Fiscal Year 2014 New Jersey Environmental Infrastructure Financing Program”; and

WHEREAS, as one of the preconditions to the making of such Trust Loan and Fund Loan, the Trust and the State are requiring that the Borrower execute and attest the loan agreements required in connection with such loans, and produce validly executed, attested and authenticated bonds evidencing such loans, prior to the Trust undertaking to publish the notice of sale for the bonds it intends to issue to fund the Trust Loan (the “Trust Bonds”).

NOW, THEREFORE, for and in consideration of the mutual duties, covenants, obligations and agreements set forth herein, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

Certain capitalized terms used herein shall have the meanings ascribed to such terms in Schedule A attached hereto and made a part hereof. Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in both the Trust Loan Agreement and the Fund Loan Agreement (as hereinafter defined).

2. **Escrowed Documents**

On the date hereof, the Trust, the State, the Borrower and the Borrower’s Trustee have jointly delivered the following documents (together with the Borrower’s counsel opinions referred to in this Section 2, the “Escrowed Documents”) to the Escrow Agent in the respective forms described below:

(a) a fully authorized, executed and attested loan agreement with respect to the Fund Loan by and between the State and the Borrower, which will be dated as of May 1, 2014 (the “Fund Loan Agreement”), which Fund Loan Agreement is true, accurate and complete in all respects, except for (1) Exhibit A-2 thereto with respect to the principal amount of and the semiannual principal repayment schedule for the Fund Loan to be made under the Fund Loan Agreement and (2) to the extent the Borrower requests and the State and the Trust consent to an adjustment to the principal amount of the Fund Loan prior to the bid blackout date, which is the date of Borrower’s escrow closing, then also except for the principal amount of the Fund Loan and the corresponding changes to Exhibits B and C thereto (which Exhibit A-2 and if applicable, which Fund Loan principal amount shall be provided to the Escrow Agent by the Trust pursuant to Section 3 hereof);

(b) a fully authorized, executed, attested and authenticated bond of the Borrower to the State (the “Fund Loan Bond”), which will be dated the date of the Trust Loan Bond (as hereinafter defined), evidencing the Fund Loan to be made by the State to the Borrower under the Fund Loan Agreement, which Fund Loan Bond has been so authorized, executed and attested by the Borrower and authenticated (but not delivered) by the Borrower’s Trustee pursuant to the provisions of the Borrower’s Bond Resolution, and which Fund Loan Bond is true, accurate and complete in all respects except as to its date and if applicable in accordance with Section 2(a)(2) hereof, except as to its principal amount (which date and if applicable, which Fund Loan principal amount shall be provided to the Escrow Agent by the Trust pursuant to Section 3 hereof);
(c) A fully authorized, executed and attested loan agreement with respect to the Trust Loan by and between the Trust and the Borrower, which will be dated as of May 1, 2014 (the “Trust Loan Agreement”), which Trust Loan Agreement is true, accurate and complete in all respects, except for Exhibit A-2 thereto with respect to the principal amount of and the Trust Bond Loan Repayments (as defined in the Trust Loan Agreement) schedule for the Trust Loan to be made under said Trust Loan Agreement and if applicable in accordance with Section 2(a)(2) hereof, except as to the corresponding changes to Exhibits B and C thereto (which Exhibit A-2 (including the Trust Loan principal amount) shall be provided to the Escrow Agent by the Trust pursuant to Section 3 hereof); and

(i) the authentication and delivery by U.S. Bank National Association, as trustee, of the Trust Bonds pursuant to Section 2.03 of the Bond Resolution (as defined in the Trust Loan Agreement and sometimes referred to herein as the “Trust Bond Resolution”); and

(f) a written certification of the Trust acknowledging receipt by the State of the Fund Loan Bond.
Failure of the Escrow Agent to so release and deliver any one of the Escrowed Documents after satisfaction of the above-mentioned conditions shall be considered a failure to release and deliver all of the Escrowed Documents.

4. Cancellation of Escrowed Documents

In the event that any of the conditions precedent to the release of the Escrowed Documents set forth in Section 3 hereof shall remain unsatisfied for any reason as of the Loan Closing or if the Escrowed Documents are not released and delivered as of the Loan Closing, the Escrow Agent shall on said date mark the Escrowed Documents “CANCELED”, and shall return (1) the Trust Loan Bond and the Fund Loan Bond to the Borrower, (2) the Trust Loan Agreement to the Trust, and (3) the Fund Loan Agreement to the State. The Trust and the State hereby acknowledge that upon receipt of said agreements marked “CANCELED” the obligations of the Borrower thereunder are without effect.

5. Modifications to Loan Agreements

The Trust, the State and the Borrower acknowledge that, in connection with (1) the sale, issuance and delivery of the Trust Bonds and (2) any Fund Loans funded with the proceeds of any State Bonds (as may be defined in the Fund Loan Agreement) hereafter issued by the State, it may be necessary, subsequent to the date hereof and prior to the Loan Closing, to modify the Trust Loan Agreement and the Fund Loan Agreement for the purposes set forth, respectively, in Section 2.02(q) and Section 2.02(p) thereof, including, without limitation, for the purpose of assuring that the interest on the Trust Bonds and the State Bonds is not includable in gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder. In such event, the Trust and, if applicable, the State will make such modifications by amending Exhibit F to the Trust Loan Agreement and, if applicable, the Fund Loan Agreement and delivering the amended Exhibit F to the Borrower and the Escrow Agent on or prior to the Loan Closing.

Any modifications to the Trust Loan Agreement and the Fund Loan Agreement by amending Exhibit F thereto pursuant to this Section 5 shall not affect in any way the Borrower’s covenant and agreement made in Section 2.02(f)(i) of each of the Trust Loan Agreement and, if applicable, the Fund Loan Agreement.

6. Liability of Escrow Agent

The Escrow Agent shall have no duties or responsibilities as Escrow Agent under this Escrow Agreement other than those expressly set forth herein, and shall have no duty to enforce any obligation of any person to perform any act. The Escrow Agent may rely conclusively and shall be protected in acting upon any order, notice, demand, direction, certificate, opinion and advice of counsel (including counsel selected by the Escrow Agent), statement, instrument, report or other instrument or document (not only as to its due execution and the validity and effectiveness thereof, but also as to the truth and accuracy of any information therein contained) that is believed by the Escrow Agent to be genuine and to be signed by the proper person.

The Escrow Agent agrees that it (1) shall be responsible to the State, the Trust, the Borrower and the Borrower’s Trustee for the proper and faithful observance and performance of
the duties, covenants, obligations and agreements required of it pursuant hereto, for the fidelity and integrity of its officers, employees and agents employed in any undertaking hereunder, and for any and all loss or damage that may result from any failure to observe and perform or from any improper or incorrect observance or performance of its duties, covenants, obligations and agreements hereunder, and (2) shall save harmless the State, the Trust, the Borrower and the Borrower’s Trustee, or any trustee, employee or officer thereof, from any and all loss or damage caused thereby, except in the event of loss or damage resulting from their own negligence or willful misconduct.

7. Acknowledgments and Liability of Borrower

Based upon the Borrower’s execution and delivery into escrow of the Trust Loan Agreement and the Fund Loan Agreement in accordance with the terms hereof and further based upon the Borrower’s execution, attestation and delivery of this Escrow Agreement, the Borrower has irrevocably committed to borrow (1) from the Trust, the Trust Loan Amount, pursuant to the terms and conditions of the Trust Loan Agreement, and (2) from the State, the Fund Loan Amount, pursuant to the terms and conditions of the Fund Loan Agreement. Notwithstanding the foregoing, the Trust Loan Amount and the Fund Loan Amount may only be changed subsequent to the date hereof in accordance with Section 2(a)(2) hereof.

The Borrower acknowledges (1) that the Trust and the State are relying upon the Borrower’s execution and attestation of the Escrowed Documents and related execution, attestation and delivery of this Escrow Agreement, as well as the execution of the commitment letters set forth as Exhibit A hereto (delivered to the Trust and the State on the date hereof) relating to the delivery of the opinions required to close the Trust Loan and the Fund Loan; (2) that such reliance by the Trust is the basis upon which the Trust will determine the aggregate principal amount of, and undertake all actions necessary to issue, the Trust Bonds; (3) that, in consideration of (1) and (2) above, the Trust has tentatively scheduled the mailing of the Preliminary Official Statement for the Trust Bonds on or about April __, 2014, the initial publication of its Notice of Sale for the Trust Bonds on or about April __, 2014, and the sale of the Trust Bonds on or about May __, 2014; (4) that the aggregate principal amount of and the interest payable on that portion of the Trust Loan set forth in Exhibit A-2 to the Trust Loan Agreement shall be based upon and reflect, among other things, the interest rate on the Trust Bonds established at the sale thereof; and (5) that the Trust’s ability to make the Trust Loan at the rate so established, and the State’s ability to make the Fund Loan, are subject to and dependent upon the release and delivery of the Escrowed Documents pursuant to Section 3 hereof.

The Borrower agrees that, subject to the provisions of the immediately succeeding sentence, in the event the Escrow Agent shall fail to release and deliver or shall cancel the Escrowed Documents for any reason (including, but not limited to, the failure of the Borrower to satisfy any of the preconditions to its due authorization, execution, attestation and delivery of the Trust Loan Bond or the Fund Loan Bond or the failure of general counsel or bond counsel to the Borrower to deliver its respective opinion required in connection with the closing of the Trust Loan or the Fund Loan), the Borrower shall be responsible to the Trust, the State and the Borrowers for any and all expenses, losses or damages, monetary and otherwise (including, but not limited to, all costs of issuance and all legal costs of the Trust, the State and the Borrowers
incurred in connection with the Trust’s proposed bond issue to fund the Trust Loan and the proposed making of the Trust Loan and the Fund Loan for financing a portion of the Costs of the Borrower’s environmental infrastructure project), to the Trust, the State and the Borrowers, respectively, arising from such failure or cancellation. Notwithstanding the provisions of the immediately preceding sentence to the contrary, in the event that the Escrow Agent shall fail to release and deliver or shall cancel the Escrowed Documents and such failure or such cancellation is the result of the gross negligence or willful misconduct of the Trust, the Borrower shall not be responsible to the Trust or the State for any expenses, losses or damages, monetary or otherwise, incurred by the Trust or the State, respectively, and arising as a result of such failure or such cancellation, and such expenses, losses or damages, monetary or otherwise, of the Trust and the State, respectively, shall be the sole responsibility of the Trust; provided, however, that in the event of such failure or such cancellation as a result of the gross negligence or willful misconduct of the Trust, the Borrower shall remain responsible for its own expenses, losses or damages, monetary or otherwise (including, but not limited to, all costs of issuance and all legal costs of the Borrower incurred in connection with the Trust’s proposed bond issue to fund the Trust Loan and the proposed making of the Trust Loan and the Fund Loan for financing a portion of the Costs of the Borrower’s environmental infrastructure project). The Borrower’s obligation under this paragraph shall be continuing notwithstanding such failure or cancellation by the Escrow Agent.

Notwithstanding the foregoing, nothing herein shall prevent the Borrower from pursuing any claims, including any claims the Trust or the State may have, against any third party for any default, cancellation or failure to perform under this Escrow Agreement; provided, however, that no such claim of the Trust or the State may be pursued by the Borrower without the express written consent of the Trust or the State, respectively, which consent shall not be unreasonably withheld.

8. Escrow Agent’s Compensation

RE:  [Name of Borrower]
Application for Loans from New Jersey Environmental Infrastructure Trust and State of New Jersey; State Fiscal Year 2014 New Jersey Environmental Infrastructure Financing Program

Ladies and Gentlemen:

In our capacity as [bond] [general] counsel to [the] [Name of Borrower] (the “Borrower”), we have reviewed (i) a copy of the authorized, executed and attested loan agreement (the “Trust Loan Agreement”) to be delivered to the New Jersey Environmental Infrastructure Trust (the “Trust”) and (ii) an authorized, executed, attested and authenticated revenue bond of the Borrower to be delivered to the Trust (the “Trust Loan Bond”), each exclusive of the principal and partial interest repayment schedule applicable thereto, for and evidencing a loan from the Trust in connection with the captioned program (the “Program”). We have also reviewed (i) a copy of the authorized, executed and attested loan agreement (the “Fund Loan Agreement”, and together with the Trust Loan Agreement, the “Loan Agreements”) to be delivered to the State of New Jersey, acting by and through the New Jersey Department of Environmental Protection (the “State”), and (ii) an authorized, executed, attested and authenticated revenue bond of the Borrower to be delivered to the State (the “State Loan Bond”, and together with the Trust Loan Bond, the “Borrower Bonds”), each exclusive of the principal repayment schedule applicable thereto, for and evidencing a loan from the State in connection with the Program. We understand that these Loan Agreements and Borrower Bonds will be placed in escrow on the date hereof and will be released from escrow in completed form and delivered to the Trust and the State, respectively, on the date of closing on the Trust’s bond issue for the Program, which is estimated to occur on or about May 21, 2014 (the “Loan Closing”).

We have also reviewed a copy of the Escrow Agreement dated the date hereof by and among the Trust, the State, the Borrower, the Borrower’s Trustee, and U.S. Bank National Association, as Escrow Agent (the “Escrow Agreement”), which sets forth the terms and conditions upon which the Escrowed Documents (as defined in the Escrow Agreement) shall be released and delivered, or canceled.

Based upon the foregoing, we are of the opinion that the Escrow Agreement has been duly and validly authorized by the Borrower and executed, attested and delivered by the authorized officers of the Borrower; and assuming that the Trust, the State, the Borrower’s
Trustee and the Escrow Agent each has the requisite power and authority to authorize, execute, attest and deliver, and each has duly and validly authorized, executed, attested and delivered, the Escrow Agreement, the Escrow Agreement constitutes a legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms, except as the enforcement thereof may be limited or modified by bankruptcy, insolvency or other laws or legal or equitable principles affecting the enforcement of creditors’ rights and remedies.

In addition, based upon our review of such information, certificates of the Borrower, statutes and other matters of law as we deem relevant, we are of the opinion that, as of the date hereof, there exist on the part of the Borrower no legal impediments to the release and delivery of the Escrowed Documents at the Loan Closing pursuant to the provisions of the Escrow Agreement or to the delivery of our opinions in favor of the Trust and the State at such time, substantially in the forms attached hereto as Exhibit A and Exhibit B, as required by Section 2.02 of each of the Trust Loan Agreement and the Fund Loan Agreement, respectively.

We hereby authorize McCarter & English, LLP, acting as bond counsel to the Trust, and the Attorney General of the State of New Jersey, acting as general counsel to the Trust, to rely on this opinion as if we had addressed this opinion to them in addition to you.

Very truly yours,

CERTIFICATE REGARDING REIMBURSEMENTS

I, [_______________________], an authorized representative of [NAME OF BORROWER] (the “Borrower”), located in the County of [____________], New Jersey, DO HEREBY CERTIFY the following:

A portion of the proceeds of the loan (the “Trust Loan”) made by the New Jersey Environmental Infrastructure Trust (the “Trust”) to the Borrower out of the proceeds of the Trust’s Environmental Infrastructure Bonds, Series 2014[___] (the “Trust Bonds”), in accordance with the Loan Agreement dated as of May 1, 2014 by and between the Trust and the Borrower (the “Loan Agreement”), will be used to reimburse the Borrower for expenditures paid prior to the date hereof for Costs of the Project (as such terms are defined in the Loan Agreement), such expenditures being more fully described in Schedule A attached hereto. With respect to such reimbursements:

(a) All allocations of the proceeds of the Trust Bonds and the Trust Loan to the reimbursement of expenditures for Costs of the Project made prior to the issuance of the Trust Bonds satisfy the criteria set forth in either clauses (i), (ii) or (iii) [circle one or more as applicable]:

(i) The Costs of the Project to be reimbursed were paid by the Borrower (A) subsequent to [DATE] (the date of adoption of a Declaration of Official Intent, as hereinafter defined) or (B) not more than 60 days prior to the date of adoption of the Declaration of Official Intent with equity of the Borrower as advances in anticipation of long-term tax-exempt financing by the Trust, as provided in a resolution declaring the Borrower’s official intent in accordance with Treasury Regulations §1.150-2 (or Treasury Regulations §1.103-18(f), if adopted by the Borrower between January 27, 1992 and June 30, 1993) (the “Declaration of Official Intent”);

(ii) The Costs of the Project to be reimbursed were paid by the Borrower for “preliminary expenditures” (within the meaning of Treasury Regulations §150-2(f)(2)) including architectural, engineering, surveying, soil testing, reimbursement bond issuance and similar costs that were incurred prior to commencement of construction, rehabilitation or acquisition of the Project, other than land acquisition, site preparation and similar costs incident to commencement of construction, which do not exceed 20 percent of the issue price of the Trust Loan that finances the Project; or

(iii) The Costs of the Project to be reimbursed were paid by the Borrower prior to March 3, 1992 and after September 8, 1989 for which there is objective evidence that, at the time the expenditure was paid, the Borrower expected to reimburse the expenditure with the proceeds of a borrowing, and because of the timing of the expenditure and such objective evidence, a basis exists for reimbursement under Treasury Regulations §1.150-2 independent of the official intent requirement described in clause (i) above or the preliminary expenditure exception described in clause (ii) above.
(b) On the date of the Declaration of Official Intent, in the case of reimbursements described in clause (i) of paragraph (a) above, or the date of payment, in the case of reimbursements described in clause (iii) of paragraph (a) above, the Borrower had a reasonable expectation (within the meaning of Treasury Regulations §1.150-2(e)) that it would reimburse the equity it advanced with the proceeds of a borrowing of debt obligations.

(c) All reimbursement allocations, other than reimbursement allocations for “preliminary expenditures” (as described in clause (ii) of paragraph (a) above), will occur not later than 18 months after the later of (i) the date on which the expenditure is paid or (ii) the date the Project is “placed in service” (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

(d) No reimbursement allocation will employ an “abusive arbitrage device” under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Internal Revenue Code of 1986, as amended (the “Code”).

(e) The proceeds of the Trust Bonds used to reimburse the Borrower for Costs of the Project, or funds corresponding to such amounts, will not be used in a manner that results in the creation of “replacement proceeds”, including “sinking funds”, “pledged funds” or funds subject to a “negative pledge” (as such terms are defined in Treasury Regulations §1.148-1), of the Trust Bonds or another issue of debt obligations, other than amounts deposited into a “bona fide debt service fund” (as defined in Treasury Regulations §1.148-1).

(f) The Costs of the Project to be reimbursed with the proceeds of the Trust Bonds will be “capital expenditures” within the meaning of Treasury Regulations §1.150-1(b).

IN WITNESS WHEREOF, I have hereunto set my hand on May 21, 2014.

Failure of the Escrow Agent to so release and deliver any one of the Escrowed Documents after satisfaction of the above-mentioned conditions shall be considered a failure to release and deliver all of the Escrowed Documents.

4. Cancellation of Escrowed Documents

In the event that any of the conditions precedent to the release of the Escrowed Documents set forth in Section 3 hereof shall remain unsatisfied for any reason as of the Loan Closing or if the Escrowed Documents are not released and delivered as of the Loan Closing, the Escrow Agent shall on said date mark the Escrowed Documents “CANCELED”, and shall return (1) the Trust Loan Bond and the Fund Loan Bond to the Borrower, (2) the Trust Loan Agreement to the Trust, and (3) the Fund Loan Agreement to the State. The Trust and the State hereby acknowledge that upon receipt of said agreements marked “CANCELED” the obligations of the Borrower thereunder are without effect.

5. Modifications to Loan Agreements

The Trust, the State and the Borrower acknowledge that, in connection with (1) the sale, issuance and delivery of the Trust Bonds and (2) any Fund Loans funded with the proceeds of any State Bonds (as may be defined in the Fund Loan Agreement) hereafter issued by the State, it may be necessary, subsequent to the date hereof and prior to the Loan Closing, to modify the Trust Loan Agreement and the Fund Loan Agreement for the purposes set forth, respectively, in Section 2.02(q) and Section 2.02(p) thereof, including, without limitation, for the purpose of assuring that the interest on the Trust Bonds and the State Bonds is not includable in gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder. In such event, the Trust and, if applicable, the Fund will make such modifications by amending Exhibit F to the Trust Loan Agreement and, if applicable, the Fund Loan Agreement and delivering the amended Exhibit F to the Borrower and the Escrow Agent on or prior to the Loan Closing.

Any modifications to the Trust Loan Agreement and the Fund Loan Agreement by amending Exhibit F thereto pursuant to this Section 5 shall not affect in any way the Borrower’s covenant and agreement made in Section 2.02(f)(i) of each of the Trust Loan Agreement and, if applicable, the Fund Loan Agreement.

6. Liability of Escrow Agent

The Escrow Agent shall have no duties or responsibilities as Escrow Agent under this Escrow Agreement other than those expressly set forth herein, and shall have no duty to enforce any obligation of any person to perform any act. The Escrow Agent may rely conclusively and shall be protected in acting upon any order, notice, demand, direction, certificate, opinion and advice of counsel (including counsel selected by the Escrow Agent), statement, instrument, report or other instrument or document (not only as to its due execution and the validity and effectiveness thereof, but also as to the truth and accuracy of any information therein contained) that is believed by the Escrow Agent to be genuine and to be signed by the proper person.

The Escrow Agent agrees that it (1) shall be responsible to the State, the Trust, the Borrower and the Borrower’s Trustee for the proper and faithful observance and performance of
the duties, covenants, obligations and agreements required of it pursuant hereto, for the fidelity and integrity of its officers, employees and agents employed in any undertaking hereunder, and for any and all loss or damage that may result from any failure to observe and perform or from any improper or incorrect observance or performance of its duties, covenants, obligations and agreements hereunder, and (2) shall save harmless the State, the Trust, the Borrower and the Borrower’s Trustee, or any trustee, employee or officer thereof, from any and all loss or damage caused thereby, except in the event of loss or damage resulting from their own negligence or willful misconduct.

7. Acknowledgments and Liability of Borrower

Based upon the Borrower’s execution and delivery into escrow of the Trust Loan Agreement and the Fund Loan Agreement in accordance with the terms hereof and further based upon the Borrower’s execution, attestation and delivery of this Escrow Agreement, the Borrower has irrevocably committed to borrow (1) from the Trust, the Trust Loan Amount, pursuant to the terms and conditions of the Trust Loan Agreement, and (2) from the State, the Fund Loan Amount, pursuant to the terms and conditions of the Fund Loan Agreement. Notwithstanding the foregoing, the Trust Loan Amount and the Fund Loan Amount may only be changed subsequent to the date hereof in accordance with Section 2(a)(2) hereof.

The Borrower acknowledges (1) that the Trust and the State are relying upon the Borrower’s execution and attestation of the Escrowed Documents and related execution, attestation and delivery of this Escrow Agreement, as well as the execution of the commitment letters set forth as Exhibit A hereto (delivered to the Trust and the State on the date hereof) relating to the delivery of the opinions required to close the Trust Loan and the Fund Loan; (2) that such reliance by the Trust is the basis upon which the Trust will determine the aggregate principal amount of, and undertake all actions necessary to issue, the Trust Bonds; (3) that, in consideration of (1) and (2) above, the Trust has tentatively scheduled the mailing of the Preliminary Official Statement for the Trust Bonds on or about April __, 2014, the initial publication of its Notice of Sale for the Trust Bonds on or about April __, 2014, and the sale of the Trust Bonds on or about May __, 2014; (4) that the aggregate principal amount of and the interest payable on that portion of the Trust Loan set forth in Exhibit A-2 to the Trust Loan Agreement shall be based upon and reflect, among other things, the interest rate on the Trust Bonds established at the sale thereof; and (5) that the Trust’s ability to make the Trust Loan at the rate so established, and the State’s ability to make the Fund Loan, are subject to and dependent upon the release and delivery of the Escrowed Documents pursuant to Section 3 hereof.

The Borrower agrees that, subject to the provisions of the immediately succeeding sentence, in the event the Escrow Agent shall fail to release and deliver or shall cancel the Escrowed Documents for any reason (including, but not limited to, the failure of the Borrower to satisfy any of the preconditions to its due authorization, execution, attestation and delivery of the Trust Loan Bond or the Fund Loan Bond or the failure of general counsel or bond counsel to the Borrower to deliver its respective opinion required in connection with the closing of the Trust Loan or the Fund Loan), the Borrower shall be responsible to the Trust, the State and the Borrowers for any and all expenses, losses or damages, monetary and otherwise (including, but not limited to, all costs of issuance and all legal costs of the Trust, the State and the Borrowers
incurred in connection with the Trust’s proposed bond issue to fund the Trust Loan and the proposed making of the Trust Loan and the Fund Loan for financing a portion of the Costs of the Borrower’s environmental infrastructure project), to the Trust, the State and the Borrowers, respectively, arising from such failure or cancellation. Notwithstanding the provisions of the immediately preceding sentence to the contrary, in the event that the Escrow Agent shall fail to release and deliver or shall cancel the Escrowed Documents and such failure or such cancellation is the result of the gross negligence or willful misconduct of the Trust, the Borrower shall not be responsible to the Trust or the State for any expenses, losses or damages, monetary or otherwise, incurred by the Trust or the State, respectively, and arising as a result of such failure or such cancellation, and such expenses, losses or damages, monetary or otherwise, of the Trust and the State, respectively, shall be the sole responsibility of the Trust; provided, however, that in the event of such failure or such cancellation as a result of the gross negligence or willful misconduct of the Trust, the Borrower shall remain responsible for its own expenses, losses or damages, monetary or otherwise (including, but not limited to, all costs of issuance and all legal costs of the Borrower incurred in connection with the Trust’s proposed bond issue to fund the Trust Loan and the proposed making of the Trust Loan and the Fund Loan for financing a portion of the Costs of the Borrower’s environmental infrastructure project). The Borrower’s obligation under this paragraph shall be continuing notwithstanding such failure or cancellation by the Escrow Agent.

Notwithstanding the foregoing, nothing herein shall prevent the Borrower from pursuing any claims, including any claims the Trust or the State may have, against any third party for any default, cancellation or failure to perform under this Escrow Agreement; provided, however, that no such claim of the Trust or the State may be pursued by the Borrower without the express written consent of the Trust or the State, respectively, which consent shall not be unreasonably withheld.

8. Escrow Agent’s Compensation

The Trust shall pay the Escrow Agent a total fee for the services performed under this Escrow Agreement in accordance with the terms of the Escrow Agent’s proposal to the Trust dated April 9, 2013 and the Trust’s Resolution No. 13-34 adopted on June 13, 2013 to accept such proposal, subject to the execution, attestation and delivery of this Escrow Agreement.

(iii) the Escrow Agent will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status or sex. The Escrow Agent will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status or sex. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. RE: [Name of Borrower]
Application for Loans from New Jersey Environmental Infrastructure Trust and State of New Jersey; State Fiscal Year 2014 New Jersey Environmental Infrastructure Financing Program

Ladies and Gentlemen:

In our capacity as [bond] [general] counsel to [Name of Borrower] (the “Borrower”), we have reviewed (i) a copy of the authorized, executed and attested loan agreement (the “Trust Loan Agreement”) to be delivered to the New Jersey Environmental Infrastructure Trust (the “Trust”) and (ii) an authorized, executed, attested and, if applicable, authenticated revenue bond or note of the Borrower to be delivered to the Trust (the “Trust Loan Bond”), each exclusive of the principal and partial interest repayment schedule applicable thereto, for and evidencing a loan from the Trust in connection with the captioned program (the “Program”). We have also reviewed (i) a copy of the authorized, executed and attested loan agreement (the “Fund Loan Agreement”, and together with the Trust Loan Agreement, the “Loan Agreements”) to be delivered to the State of New Jersey, acting by and through the New Jersey Department of Environmental Protection (the “State”), and (ii) an authorized, executed, attested and, if applicable, authenticated revenue bond or note of the Borrower to be delivered to the State (the “State Loan Bond”, and together with the Trust Loan Bond, the “Borrower Bonds”), each exclusive of the principal repayment schedule applicable thereto, for and evidencing a loan from the State in connection with the Program. We understand that these Loan Agreements and Borrower Bonds will be placed in escrow on the date hereof and will be released from escrow in completed form and delivered to the Trust and the State, respectively, on the date of closing on the Trust’s bond issue for the Program, which is estimated to occur on or about May 21, 2014 (the “Loan Closing”).

We have also reviewed a copy of the Escrow Agreement dated the date hereof by and among the Trust, the State, the Borrower, the Borrower’s Trustee, and U.S. Bank National Association, as Escrow Agent (the “Escrow Agreement”), which sets forth the terms and conditions upon which the Escrowed Documents (as defined in the Escrow Agreement) shall be released and delivered, or canceled.

Based upon the foregoing, we are of the opinion that the Escrow Agreement has been duly and validly authorized by the Borrower and executed, attested and delivered by the
authorized officers of the Borrower; and assuming that the Trust, the State, the Borrower’s Trustee and the Escrow Agent each has the requisite power and authority to authorize, execute, attest and deliver, and each has duly and validly authorized, executed, attested and delivered, the Escrow Agreement, the Escrow Agreement constitutes a legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms, except as the enforcement thereof may be limited or modified by bankruptcy, insolvency or other laws or legal or equitable principles affecting the enforcement of creditors’ rights and remedies.

In addition, based upon our review of such information, certificates of the Borrower, statutes and other matters of law as we deem relevant, we are of the opinion that, as of the date hereof, there exist on the part of the Borrower no legal impediments to the release and delivery of the Escrowed Documents at the Loan Closing pursuant to the provisions of the Escrow Agreement or to the delivery of our opinions in favor of the Trust and the State at such time, substantially in the forms attached hereto as Exhibit A and Exhibit B, as required by Section 2.02 of each of the Trust Loan Agreement and the Fund Loan Agreement, respectively.

We hereby authorize McCarter & English, LLP, acting as bond counsel to the Trust, and the Attorney General of the State of New Jersey, acting as general counsel to the Trust, to rely on this opinion as if we had addressed this opinion to them in addition to you.

Very truly yours,

CERTIFICATE REGARDING REIMBURSEMENTS

I, [_______________________], an authorized representative of [NAME OF BORROWER] (the “Borrower”), a corporation of the State of New Jersey, HEREBY CERTIFY the following:

A portion of the proceeds of the loan (the “Trust Loan”) made by the New Jersey Environmental Infrastructure Trust (the “Trust”) to the Borrower out of the proceeds of the Trust’s Environmental Infrastructure Bonds, Series 2014[___] (the “Trust Bonds”), in accordance with the Loan Agreement dated as of May 1, 2014 by and between the Trust and the Borrower (the “Loan Agreement”), will be used to reimburse the Borrower for expenditures paid prior to the date hereof for Costs of the Project (as such terms are defined in the Loan Agreement), such expenditures being more fully described in Schedule A attached hereto. With respect to such reimbursements:

(a) All allocations of the proceeds of the Trust Bonds and the Trust Loan to the reimbursement of expenditures for Costs of the Project made prior to the issuance of the Trust Bonds satisfy the criteria set forth in either clauses (i), (ii) or (iii) [circle one or more as applicable]:

(i) The Costs of the Project to be reimbursed were paid by the Borrower (A) subsequent to [DATE] (the date of adoption of a Declaration of Official Intent, as hereinafter defined) or (B) not more than 60 days prior to the date of adoption of the Declaration of Official Intent with equity of the Borrower as advances in anticipation of long-term tax-exempt financing by the Trust, as provided in a resolution declaring the Borrower’s official intent in accordance with Treasury Regulations §1.150-2 (or Treasury Regulations §1.103-18(f), if adopted by the Borrower between January 27, 1992 and June 30, 1993) (the “Declaration of Official Intent”);

(ii) The Costs of the Project to be reimbursed were paid by the Borrower for “preliminary expenditures” (within the meaning of Treasury Regulations §150-2(f)(2)) including architectural, engineering, surveying, soil testing, reimbursement bond issuance and similar costs that were incurred prior to commencement of construction, rehabilitation or acquisition of the Project, other than land acquisition, site preparation and similar costs incident to commencement of construction, which do not exceed 20 percent of the issue price of the Trust Loan that finances the Project; or

(iii) The Costs of the Project to be reimbursed were paid by the Borrower prior to March 3, 1992 and after September 8, 1989 for which there is objective evidence that, at the time the expenditure was paid, the Borrower expected to reimburse the expenditure with the proceeds of a borrowing, and because of the timing of the expenditure and such objective evidence, a basis exists for reimbursement under Treasury Regulations §1.150-2 independent of the official intent requirement described in clause (i) above or the preliminary expenditure exception described in clause (ii) above.
(b) On the date of the Declaration of Official Intent, in the case of reimbursements described in clause (i) of paragraph (a) above, or the date of payment, in the case of reimbursements described in clause (iii) of paragraph (a) above, the Borrower had a reasonable expectation (within the meaning of Treasury Regulations §1.150-2(e)) that it would reimburse the equity it advanced with the proceeds of a borrowing of debt obligations.

(c) All reimbursement allocations, other than reimbursement allocations for “preliminary expenditures” (as described in clause (ii) of paragraph (a) above), will occur not later than 18 months after the later of (i) the date on which the expenditure is paid or (ii) the date the Project is “placed in service” (within the meaning of Treasury Regulations §1.150-2) or abandoned, but in no event more than 3 years after the expenditure is paid.

(d) No reimbursement allocation will employ an “abusive arbitrage device” under Treasury Regulations §1.148-10 to avoid the arbitrage restrictions or to avoid the restrictions under Sections 142 through 147, inclusive, of the Internal Revenue Code of 1986, as amended (the “Code”).

(e) The proceeds of the Trust Bonds used to reimburse the Borrower for Costs of the Project, or funds corresponding to such amounts, will not be used in a manner that results in the creation of “replacement proceeds”, including “sinking funds”, “pledged funds” or funds subject to a “negative pledge” (as such terms are defined in Treasury Regulations §1.148-1), of the Trust Bonds or another issue of debt obligations, other than amounts deposited into a “bona fide debt service fund” (as defined in Treasury Regulations §1.148-1).

(f) The Costs of the Project to be reimbursed with the proceeds of the Trust Bonds will be “capital expenditures” within the meaning of Treasury Regulations §1.150-1(b).

IN WITNESS WHEREOF, I have hereunto set my hand on May 21, 2014.

The Borrower is not in violation of, and has not received notice of any claimed violation of, any term of any agreement or other instrument to which it is a party or by which it, its Environmental Infrastructure System or its properties may be bound, which violation would materially adversely affect the properties, activities, prospects or condition (financial or otherwise) of the Borrower or its Environmental Infrastructure System or the ability of the Borrower to make all Loan Repayments, to pay all other amounts due hereunder or otherwise to observe and perform its duties, covenants, obligations and agreements under this Loan Agreement and the Borrower Bond.

(f) Governmental Consent. The Borrower has obtained all permits and approvals required to date by any governmental body or officer for the authorization, execution, attestation and delivery of this Loan Agreement and the Borrower Bond, for the sale of the Borrower Bond to the Trust for the making, observance and performance by the Borrower of its duties, covenants, obligations and agreements under this Loan Agreement and the Borrower Bond and for the undertaking or completion of the Project and the financing or refinancing thereof, including, but not limited to, the approval by the Local Finance Board in the Division of Local Government Services in the New Jersey Department of Community Affairs (the “Local Finance Board”) of the issuance by the Borrower of the Borrower Bond to the Trust, as required by Section 9a of the Act, and any other approvals required therefor by the Local Finance Board; and the Borrower has complied with all applicable provisions of law requiring any notification, declaration, filing or registration with any governmental body or officer in connection with the making, observance and performance by the Borrower of its duties, covenants, obligations and agreements under this Loan Agreement and the Borrower Bond or with the undertaking or
completion of the Project and the financing or refinancing thereof. No consent, approval or authorization of, or filing, registration or qualification with, any governmental body or officer that has not been obtained is required on the part of the Borrower as a condition to the authorization, execution, attestation and delivery of this Loan Agreement and the Borrower Bond, the sale of the Borrower Bond to the Trust, the undertaking or completion of the Project or the consummation of any transaction herein contemplated.

(g) Compliance with Law. The Borrower:

(i) is in compliance with all laws, ordinances, governmental rules and regulations to which it is subject, the failure to comply with which would materially adversely affect (A) the ability of the Borrower to conduct its activities or to undertake or complete the Project, (B) the ability of the Borrower to make the Loan Repayments and to pay all other amounts due hereunder, or (C) the condition (financial or otherwise) of the Borrower or its Environmental Infrastructure System; and

(ii) has obtained all licenses, permits, franchises or other governmental authorizations presently necessary for the ownership of its properties or for the conduct of its activities that, if not obtained, would materially adversely affect (A) the ability of the Borrower to conduct its activities or to undertake or complete the Project, (B) the ability of the Borrower to make the Loan Repayments and to pay all other amounts due hereunder, or (C) the condition (financial or otherwise) of the Borrower or its Environmental Infrastructure System.

(h) Use of Proceeds. The Borrower will apply the proceeds of the Loan from the Trust as described in Exhibit B attached hereto and made a part hereof (i) to finance or refinance a portion of the Costs of the Borrower’s Project; and (ii) where applicable, to reimburse the Borrower for a portion of the Costs of the Borrower’s Project, which portion was paid or incurred in anticipation of reimbursement by the Trust and is eligible for such reimbursement under and pursuant to the Regulations, the Code and any other applicable law. All of such costs constitute Costs for which the Trust is authorized to make Loans to the Borrower pursuant to the Act and the Regulations.

(i) Official Statement. The descriptions and information set forth in the Borrower Appendices, if any, contained in the Official Statement relating to the Borrower, its operations and the transactions contemplated hereby, as of the date of the Official Statement, were and, as of the date of delivery hereof, are true and correct in all material respects, and did not and do not contain any untrue statement of a material fact or omit to state a material fact that is necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

(j) Preliminary Official Statement. As of the date of the Preliminary Official Statement, the descriptions and information set forth in the Borrower Appendices, if any, contained in the Preliminary Official Statement relating to the Borrower, its operations and the transactions contemplated hereby (i) were “deemed final” by the Borrower for the purposes and within the meaning of Rule 15c2-12 and (ii) were true and correct in all material respects, and did not contain any untrue statement of a material fact or omit to state a material fact necessary
to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

SECTION 2.02. Particular Covenants of Borrower.

(a) Full Faith and Credit Pledge. The Borrower unconditionally and irrevocably pledges its full faith and credit and covenants to exercise its unlimited taxing powers for the punctual payment of the principal and redemption premium, if any, of the Borrower Bond, the Interest on the Borrower Bond and all other amounts due under the Borrower Bond, which Borrower Bond shall secure the Loan Repayments and all other amounts due under this Loan Agreement according to its terms. The Borrower acknowledges that to assure the continued operation and solvency of the Trust and to further secure the Trust Bonds, the Trust may, pursuant to and in accordance with Section 12a of the Act, require that if the Borrower fails or is unable to pay promptly to the Trust in full any Loan Repayments, an amount sufficient to satisfy such deficiency shall be paid by the New Jersey State Treasurer to the Trust from State-aid otherwise payable to the Borrower.

(b) Performance Under Loan Agreement; Rates. The Borrower covenants and agrees (i) to comply with all applicable state and federal laws, rules and regulations in the performance of this Loan Agreement; (ii) to cooperate with the Trust in the observance and performance of the respective duties, covenants, obligations and agreements of the Borrower and the Trust under this Loan Agreement; and (iii) to establish, levy and collect rents, rates and other charges for the products and services provided by its Environmental Infrastructure System, which rents, rates and other charges, together with any other moneys available for the purpose, shall be at least sufficient to comply with all covenants pertaining thereto contained in, and all other provisions of, any bond ordinance, resolution, trust indenture or other security agreement, if any, relating to any bonds, notes or other evidences of indebtedness issued or to be issued by the Borrower, including without limitation rents, rates and other charges, together with other available moneys, sufficient to pay the principal of and Interest on the Borrower Bond, plus all other amounts due hereunder.

(c) Completion of Project and Provision of Moneys Therefor. The Borrower covenants and agrees (i) to exercise its best efforts in accordance with prudent environmental infrastructure utility practice to complete the Project and to accomplish such completion on or before the estimated Project completion date set forth in Exhibit G hereof and made a part hereof; (ii) to comply with the terms and provisions contained in Exhibit G hereof; and (iii) to provide from its own fiscal resources all moneys, in excess of the total amount of loan proceeds it receives under the Loan and Fund Loan, required to complete the Project.

(d) Disposition of Environmental Infrastructure System. The Borrower shall not sell, lease, abandon or otherwise dispose of all or substantially all of its Environmental Infrastructure System except on ninety (90) days’ prior written notice to the Trust, and, in any event, shall not so sell, lease, abandon or otherwise dispose of the same unless the following conditions are met: (i) the Borrower shall, in accordance with Section 4.02 hereof, assign this Loan Agreement and the Borrower Bond and its rights and interests hereunder and thereunder to the purchaser or lessee of the Environmental Infrastructure System, and such purchaser or lessee shall assume all duties, covenants, obligations and agreements of the Borrower under this Loan Agreement and
the Borrower Bond; and (ii) the Trust shall by appropriate action determine, in its sole discretion, that such sale, lease, abandonment or other disposition will not materially adversely affect (A) the Trust’s ability to meet its duties, covenants, obligations and agreements under the Bond Resolution, (B) the value of this Loan Agreement or the Borrower Bond as security for the payment of Trust Bonds and the interest thereon, or (C) the excludability from gross income for federal income tax purposes of the interest on Trust Bonds then outstanding or that could be issued in the future.

(e) Exclusion of Interest from Federal Gross Income and Compliance with Code.

(i) The Borrower covenants and agrees that it shall not take any action or omit to take any action that would result in the loss of the exclusion of the interest on any Trust Bonds now or hereafter issued from gross income for purposes of federal income taxation as that status is governed by Section 103(a) of the Code.

(ii) The Borrower shall not take any action or omit to take any action that would cause its Borrower Bond or the Trust Bonds (assuming solely for this purpose that the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Trust Bonds) to be “private activity bonds” within the meaning of Section 141(a) of the Code. Accordingly, unless the Borrower receives the prior written approval of the Trust, the Borrower shall not (A) permit any of the proceeds of the Trust Bonds loaned to the Borrower or the Project financed or refinanced with the proceeds of the Trust Bonds loaned to the Borrower to be used (directly or indirectly) in any manner that would constitute “private business use” within the meaning of Section 141(b)(6) of the Code, (B) use (directly or indirectly) any of the proceeds of the Trust Bonds loaned to the Borrower to make or finance loans to persons other than “governmental units” (as such term is used in Section 141(c) of the Code), or (C) use (directly or indirectly) any of the proceeds of the Trust Bonds loaned to the Borrower to acquire any “nongovernmental output property” within the meaning of Section 141(d)(2) of the Code.

(iii) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds (or amounts replaced with such proceeds) or any other funds or take any action or omit to take any action that would cause the Trust Bonds (assuming solely for this purpose that the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Trust Bonds) to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

(iv) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to pay the principal of or the interest or redemption premium on or any other amount in connection with the retirement or redemption of any issue of state or local governmental obligations (“refinancing of indebtedness”), unless the Borrower shall (A) establish to the satisfaction of the Trust, prior to the issuance of the Trust Bonds, that such refinancing of indebtedness will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds, and (B) provide to the Trust an opinion of Bond Counsel to that effect in form and substance satisfactory to the Trust.
(v) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to reimburse the Borrower for an expenditure with respect to Costs of the Borrower’s Project paid by the Borrower prior to the issuance of the Trust Bonds, unless (A) the allocation by the Borrower of the proceeds of the Trust Bonds to reimburse such expenditure complies with the requirements of Treasury Regulations §1.150-2 necessary to enable the reimbursement allocation to be treated as an expenditure of the proceeds of the Trust Bonds for purposes of applying Sections 103 and 141-150, inclusive, of the Code, or (B) such proceeds of the Trust Bonds will be used for refinancing of indebtedness that was used to pay Costs of the Borrower’s Project or to reimburse the Borrower for expenditures with respect to Costs of the Borrower’s Project paid by the Borrower prior to the issuance of such indebtedness in accordance with a reimbursement allocation for such expenditures that complies with the requirements of Treasury Regulations §1.150-2.

(vi) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to pay any costs which are not Costs of the Borrower’s Project that constitute (A) a “capital expenditure,” within the meaning of Treasury Regulations §1.150-1, or (B) interest on the Trust Bonds accruing during a period commencing on the date of issuance of the Trust Bonds and ending on the date that is the later of (I) three years from the date of issuance of the Trust Bonds or (II) one year after the completion date with respect to the Project, as set forth in Exhibit G hereto.

(vii) The Borrower shall not use the proceeds of the Trust Bonds (assuming solely for this purpose that the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Trust Bonds) in any manner that would cause the Trust Bonds to be considered “federally guaranteed” within the meaning of Section 149(b) of the Code or “hedge bonds” within the meaning of Section 149(g) of the Code.

(viii) The Borrower shall not issue any debt obligations that (A) are sold at substantially the same time as the Trust Bonds and finance or refinance the Loan made to the Borrower, (B) are sold pursuant to the same plan of financing as the Trust Bonds and finance or refinance the Loan made to the Borrower, and (C) are reasonably expected to be paid out of substantially the same source of funds as the Trust Bonds and finance or refinance the Loan made to the Borrower.

(ix) Neither the Borrower nor any “related party” (within the meaning of Treasury Regulations §1.150-1) shall purchase Trust Bonds in an amount related to the amount of the Loan.

(x) The Borrower will not issue or permit to be issued obligations that will constitute an “advance refunding” of the Borrower Bond within the meaning of Section 149(d)(5) of the Code without the express written consent of the Trust, which consent may only be delivered by the Trust after the Trust has received notice from the Borrower of such contemplated action no later than sixty (60) days prior to any such contemplated action, and which consent is in the sole discretion of the Trust.
(xi) The Borrower will not invest amounts held in any reserve or replacement fund of the Borrower (within the meaning of Section 148(d)(1) of the Code) that are allocable to the Borrower Bond evidencing the Loan at a yield in excess of the yield on the Trust Bonds, all in accordance with the instructions of the Trust, except for any period such amounts constitute proceeds of indebtedness of the Borrower the interest on which is excluded from gross income for purposes of federal income taxation and such amounts have not been reallocated to the Trust Bonds as "gross proceeds" of the Trust Bonds (in accordance with Treasury Regulations §1.148-6(b) or successor Treasury Regulations applicable to the Trust Bonds).

(xii) No “gross proceeds” of the Trust Bonds held by the Borrower (other than amounts in a “bona fide debt service fund”) will be held in a “commingled fund” (as such terms are defined in Treasury Regulations §1.148-1(b)).

(xiii) Based upon all of the objective facts and circumstances in existence on the date of issuance of the Trust Bonds used to finance the Project, (A) within six months of the date of issuance of the Trust Bonds used to finance the Project, the Borrower will incur a substantial binding obligation to a third party to expend on the Project at least five percent (5%) of the “net sale proceeds” (within the meaning of Treasury Regulations §1.148-1) of the Loan used to finance the Project (treating an obligation as not being binding if it is subject to contingencies within the control of the Borrower, the Trust or a “related party” (within the meaning of Treasury Regulations §1.150-1)), (B) completion of the Project and the allocation to expenditures of the “net sale proceeds” of the Loan used to finance the Project will proceed with due diligence, and (C) all of the proceeds of the Loan used to finance the Project (other than amounts deposited into the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution) allocable to that portion of the Loan used to finance reserve capacity, if any) and investment earnings thereon will be spent prior to the period ending three (3) years subsequent to the date of issuance of the Trust Bonds used to finance the Project. Accordingly, the proceeds of the Loan deposited in the Project Loan Account used to finance the Project will be eligible for the 3-year arbitrage temporary period since the expenditure test, time test and due diligence test, as set forth in Treasury Regulations §1.148-2(e)(2), will be satisfied.

(xiv) The weighted average maturity of the Loan does not exceed 120% of the average reasonably expected economic life of the Project financed or refinanced with the Loan, determined in the same manner as under Section 147(b) of the Code. Accordingly, the term of the Loan will not be longer than is reasonably necessary for the governmental purposes of the Loan within the meaning of Treasury Regulations §1.148-1(c)(4).

(xv) The Borrower shall only enter into service contracts (including management contracts), with respect to any portion of the Project financed by the Trust Bonds, with a “governmental unit” (within the meaning of Section 141 of the Code) or only when such contracts comply with Rev. Proc. 97-13, 1997-1 C.B. 632, or successor provisions applicable to the Trust Bonds; provided, that the Borrower delivers an opinion of Bond Counsel, in form and substance satisfactory to the Trust, to the effect that the
entering into of such contracts by the Borrower will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds.

(xvi) The Borrower shall, within 30 days of date the Borrower concludes that no additional proceeds of the Loan will be required to pay costs of the Project, provide to the Trust a certificate of the Borrower evidencing such conclusion.

For purposes of this subsection and subsection (g) of this Section 2.02, quoted terms shall have the meanings given thereto by Section 148 of the Code, including, particularly, Treasury Regulations §§1.148-1 through 1.148-11, inclusive, as supplemented or amended, to the extent applicable to the Trust Bonds, and any successor Treasury Regulations applicable to the Trust Bonds.

(f) Operation and Maintenance of Environmental Infrastructure System. The Borrower covenants and agrees that it shall, in accordance with prudent environmental infrastructure utility practice, (i) at all times operate the properties of its Environmental Infrastructure System and any business in connection therewith in an efficient manner, (ii) maintain its Environmental Infrastructure System in good repair, working order and operating condition, and (iii) from time to time make all necessary and proper repairs, renewals, replacements, additions, betterments and improvements with respect to its Environmental Infrastructure System so that at all times the business carried on in connection therewith shall be properly and advantageously conducted.

(g) Records and Accounts.

(i) The Borrower shall keep accurate records and accounts for its Environmental Infrastructure System (the “System Records”) separate and distinct from its other records and accounts (the “General Records”). Such System Records shall be audited annually by an independent registered municipal accountant or certified public accountant, which may be part of the annual audit of the General Records of the Borrower. Such System Records and General Records shall be made available for inspection by the Trust at any reasonable time upon prior written notice, and a copy of such annual audit(s) therefor, including all written comments and recommendations of such accountant, shall be furnished to the Trust within 150 days of the close of the fiscal year being so audited or, with the consent of the Trust, such additional period as may be provided by law.

(ii) Within 30 days following receipt of any Loan proceeds, including without limitation the “Allowance for Administrative Costs” or the “Allowance for Planning and Design” set forth in Exhibit B hereto, the Borrower shall allocate such proceeds to expenditures in a manner that satisfies the requirements of Treasury Regulation §1.148-6(d) and transmit a copy of each such allocation to the Trust. No portion of the Allowance for Administrative Costs will be allocated to a cost other than a cost described in N.J.A.C. 7:22-5.11(a) 3, 4, 5 or 6. No portion of the Allowance for Planning and Design will be allocated to a cost other than a cost described N.J.A.C. 7:22-5.12, or other costs of the Borrower’s Environmental Infrastructure System which are “capital expenditures,” within the meaning of Treasury Regulations §1.150-1. The Borrower
shall retain records of such allocations for at least until the date that is three years after the scheduled maturity date of the Trust Bonds. The Borrower shall make such records available to the Trust within 15 days of any request by the Trust.

(iii) Unless otherwise advised in writing by the Trust, in furtherance of the covenant of the Borrower contained in subsection (f) of this Section 2.02 not to cause the Trust Bonds to be arbitrage bonds, the Borrower shall keep, or cause to be kept, accurate records of each investment it makes in any “nonpurpose investment” acquired with, or otherwise allocated to, “gross proceeds” of the Trust Bonds not held by the Trustee and each “expenditure” it makes allocated to “gross proceeds” of the Trust Bonds. Such records shall include the purchase price, including any constructive “payments” (or in the case of a “payment” constituting a deemed acquisition of a “nonpurpose investment” (e.g., a “nonpurpose investment” first allocated to “gross proceeds” of the Trust Bonds after it is actually acquired because it is deposited in a sinking fund for the Trust Bonds)), the “fair market value” of the “nonpurpose investment” on the date first allocated to the “gross proceeds” of the Trust Bonds, nominal interest rate, dated date, maturity date, type of property, frequency of periodic payments, period of compounding, yield to maturity, amount actually or constructively received on disposition (or in the case of a “receipt” constituting a deemed disposition of a “nonpurpose investment” (e.g., a “nonpurpose investment” that ceases to be allocated to the “gross proceeds” of the Trust Bonds because it is removed from a sinking fund for the Trust Bonds)), the “fair market value” of the “nonpurpose investment” on the date it ceases to be allocated to the “gross proceeds” of the Trust Bonds, the purchase date and disposition date of the “nonpurpose investment” and evidence of the “fair market value” of such property on the purchase date and disposition date (or deemed purchase or disposition date) for each such “nonpurpose investment”. The purchase date, disposition date and the date of determination of “fair market value” shall be the date on which a contract to purchase or sell the “nonpurpose investment” becomes binding, i.e., the trade date rather than the settlement date. For purposes of the calculation of purchase price and disposition price, brokerage or selling commissions, administrative expenses or similar expenses shall not increase the purchase price of an item and shall not reduce the amount actually or constructively received upon disposition of an item, except to the extent such costs constitute “qualified administrative costs”.

(iv) Within thirty (30) days of the last day of the fifth and each succeeding fifth “bond year” (which, unless otherwise advised by the Trust, shall be the five-year period ending on the date five years subsequent to the date immediately preceding the date of issuance of the Trust Bonds and each succeeding fifth “bond year”) and within thirty (30) days of the date the last bond that is part of the Trust Bonds is discharged (or on any other periodic basis requested in writing by the Trust), the Borrower shall (A) calculate, or cause to be calculated, the “rebate amount” as of the “computation date” or “final computation date” attributable to any “nonpurpose investment” made by the Borrower and (B) remit the following to the Trust: (1) an amount of money that when added to the “future value” as of the “computation date” of any previous payments made to the Trust on account of rebate equals the “rebate amount”, (2) the calculations supporting the “rebate amount” attributable to any “nonpurpose investment” made by the Borrower allocated to “gross proceeds” of the Trust Bonds, and (3) any other information
requested by the Trust relating to compliance with Section 148 of the Code (e.g., information related to any “nonpurpose investment” of the Borrower for purposes of application of the “universal cap”).

(v) The Borrower covenants and agrees that it will account for “gross proceeds” of the Trust Bonds, investments allocable to the Trust Bonds and expenditures of “gross proceeds” of the Trust Bonds in accordance with Treasury Regulations §1.148-6. All allocations of “gross proceeds” of the Trust Bonds to expenditures will be recorded on the books of the Borrower kept in connection with the Trust Bonds no later than 18 months after the later of the date the particular Costs of the Borrower’s Project is paid or the date the portion of the project financed by the Trust Bonds is placed in service. All allocations of proceeds of the Trust Bonds to expenditures will be made no later than the date that is 60 days after the fifth anniversary of the date the Trust Bonds are issued or the date 60 days after the retirement of the Trust Bonds, if earlier. Such records and accounts will include the particular Costs paid, the date of the payment and the party to whom the payment was made.

(vi) From time to time as directed by the Trust, the Borrower shall provide to the Trust a written report demonstrating compliance by the Borrower with the provisions of Section 2.02(e) of this Loan Agreement, each such written report to be submitted by the Borrower to the Trust in the form of a full and complete written response to a questionnaire provided by the Trust to the Borrower. Each such questionnaire shall be provided by the Trust to the Borrower not less than fourteen (14) days prior to the date established by the Trust for receipt from the Borrower of the full and complete written response to the questionnaire.

(h) Inspections; Information. The Borrower shall permit the Trust and the Trustee and any party designated by any of such parties, at any and all reasonable times during construction of the Project and thereafter upon prior written notice, to examine, visit and inspect the property, if any, constituting the Project and to inspect and make copies of any accounts, books and records, including (without limitation) its records regarding receipts, disbursements, contracts, investments and any other matters relating thereto and to its financial standing, and shall supply such reports and information as the Trust and the Trustee may reasonably require in connection therewith.

(i) Insurance. The Borrower shall maintain or cause to be maintained, in force, insurance policies with responsible insurers or self-insurance programs providing against risk of direct physical loss, damage or destruction of its Environmental Infrastructure System at least to the extent that similar insurance is usually carried by utilities constructing, operating and maintaining Environmental Infrastructure Facilities of the nature of the Borrower’s Environmental Infrastructure System, including liability coverage, all to the extent available at reasonable cost but in no case less than will satisfy all applicable regulatory requirements.

(j) Costs of Project. The Borrower certifies that the building cost of the Project, as listed in Exhibit B hereto and made a part hereof, is a reasonable and accurate estimation thereof, and it will supply to the Trust a certificate from a licensed professional engineer authorized to
practice in the State stating that such building cost is a reasonable and accurate estimation and that the useful life of the Project exceeds the maturity date of the Borrower Bond.

(k) **Delivery of Documents.** Concurrently with the delivery of this Loan Agreement (as previously authorized, executed and attested) at the Loan Closing, the Borrower will cause to be delivered to the Trust and the Trustee each of the following items:

(i) an opinion of the Borrower’s bond counsel substantially in the form of Exhibit E hereto; provided, however, that the Trust may permit portions of such opinion to be rendered by general counsel to the Borrower and may permit variances in such opinion from the form set forth in Exhibit E if, in the opinion of the Trust, such variances are not to the material detriment of the interests of the holders of the Trust Bonds;

(ii) counterparts of this Loan Agreement as previously executed and attested by the parties hereto;

(iii) copies of those ordinances and/or resolutions finally adopted by the governing body of the Borrower and requested by the Trust, including, without limitation, (A) the resolution of the Borrower authorizing the execution, attestation and delivery of this Loan Agreement, (B) the ordinances and resolutions of the Borrower authorizing the execution, attestation, sale and delivery of the Borrower Bond to the Trust, (C) the resolution of the Borrower, if any, confirming the details of the sale of the Borrower Bond to the Trust, (D) the resolution of the Borrower, if any, declaring its official intent to reimburse expenditures for the Costs of the Project from the proceeds of the Trust Bonds, each of said ordinances and resolutions of the Borrower being certified by an Authorized Officer of the Borrower as of the date of the Loan Closing, (E) the resolution of the Local Finance Board approving the issuance by the Borrower of the Borrower Bond to the Trust and setting forth any other approvals required therefor by the Local Finance Board, and (F) any other Proceedings;

(iv) if the Loan is being made to reimburse the Borrower for all or a portion of the Costs of the Borrower’s Project or to refinance indebtedness or reimburse the Borrower for the repayment of indebtedness previously incurred by the Borrower to finance all or a portion of the Costs of the Borrower’s Project, an opinion of Bond Counsel, in form and substance satisfactory to the Trust, to the effect that such reimbursement or refinancing will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds; and

(v) the certificates of insurance coverage as required pursuant to the terms of Section 3.06(d) hereof and such other certificates, documents, opinions and information as the Trust may require in Exhibit F hereto, if any.

(l) **Execution and Delivery of Borrower Bond.** Concurrently with the delivery of this Loan Agreement at the Loan Closing, the Borrower shall also deliver to the Trust the Borrower Bond, as previously executed and attested, upon the receipt of a written certification of the Trust that a portion of the net proceeds of the Trust Bonds shall be deposited in the Project Loan Account simultaneously with the delivery of the Borrower Bond.
(m) Notice of Material Adverse Change. The Borrower shall promptly notify the Trust of any material adverse change in the properties, activities, prospects or condition (financial or otherwise) of the Borrower or its Environmental Infrastructure System, or in the ability of the Borrower to make all Loan Repayments and otherwise to observe and perform its duties, covenants, obligations and agreements under this Loan Agreement and the Borrower Bond.

(n) Continuing Representations. The representations of the Borrower contained herein shall be true at the time of the execution of this Loan Agreement and at all times during the term of this Loan Agreement.

(o) Additional Covenants and Requirements. (i) No later than the Loan Closing and, if necessary, in connection with the Trust’s issuance of the Trust Bonds or the making of the Loan, additional covenants and requirements have been included in Exhibit F hereto and made a part hereof. Such covenants and requirements may include, but need not be limited to, the maintenance of specified levels of Environmental Infrastructure System rates, the issuance of additional debt of the Borrower, the use by or on behalf of the Borrower of certain proceeds of the Trust Bonds as such use relates to the exclusion from gross income for federal income tax purposes of the interest on any Trust Bonds, the transfer of revenues and receipts from the Borrower’s Environmental Infrastructure System, compliance with Rule 15c2-12, Rule 10b-5 and any other applicable federal or state securities laws, and matters in connection with the appointment of the Trustee under the Bond Resolution and any successors thereto. The Borrower hereby agrees to observe and comply with each such additional covenant and requirement, if any, included in Exhibit F hereto as if the same were set forth herein in its entirety. (ii) Additional defined terms, covenants, representations and requirements have been included in Schedule A attached hereto and made a part hereof. Such additional defined terms, covenants, representations and requirements are incorporated in this Loan Agreement by reference thereto as if set forth in full herein and the Borrower hereby agrees to observe and comply with each such additional term, covenant, representation and requirement included in Schedule A as if the same were set forth in its entirety where reference thereto is made in this Loan Agreement.

(p) Continuing Disclosure Covenant. To the extent that the Trust, in its sole discretion, determines, at any time prior to the termination of the Loan Term, that the Borrower is a material “obligated person”, as the term “obligated person” is defined in Rule 15c2-12, with materiality being determined by the Trust pursuant to criteria established, from time to time, by the Trust in its sole discretion and set forth in a bond resolution or official statement of the Trust, the Borrower hereby covenants that it will authorize and provide to the Trust, for inclusion in any preliminary official statement or official statement of the Trust, all statements and information relating to the Borrower and deemed material by the Trust for the purpose of satisfying Rule 15c2-12 as well as Rule 10b-5 promulgated pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto (“Rule 10b-5”), including certificates and written representations of the Borrower evidencing its compliance with Rule 15c2-12 and Rule 10b-5; and the Borrower hereby further covenants that the Borrower shall execute and deliver the Continuing Disclosure Agreement, in substantially the form attached hereto as Exhibit H, with such revisions thereto prior to execution and delivery thereof as the Trust shall determine to be necessary, desirable or convenient, in its sole
discretion, for the purpose of satisfying Rule 15c2-12 and the purposes and intent thereof, as Rule 15c2-12, its purposes and intent may hereafter be interpreted from time to time by the SEC or any court of competent jurisdiction; and pursuant to the terms and provisions of the Continuing Disclosure Agreement, the Borrower shall thereafter provide on-going disclosure with respect to all statements and information relating to the Borrower in satisfaction of the requirements set forth in Rule 15c2-12 and Rule 10b-5, including, without limitation, the provision of certificates and written representations of the Borrower evidencing its compliance with Rule 15c2-12 and Rule 10b-5.
ARTICLE III

LOAN TO BORROWER; AMOUNTS PAYABLE; GENERAL AGREEMENTS

SECTION 3.01. Loan; Loan Term. The Trust hereby agrees to make the Loan as described in Exhibit A-2 hereof and to disburse proceeds of the Loan to the Borrower in accordance with Section 3.02 and Exhibit C hereof, and the Borrower hereby agrees to borrow and accept the Loan from the Trust upon the terms set forth in Exhibit A-2 attached hereto and made a part hereof; provided, however, that the Trust shall be under no obligation to make the Loan if (a) at the Loan Closing, the Borrower does not deliver to the Trust a Borrower Bond and such other documents required under Section 2.02(k) hereof, or (b) an Event of Default has occurred and is continuing under the Bond Resolution or this Loan Agreement. Although the Trust intends to disburse proceeds of the Loan to the Borrower at the times and up to the amounts set forth in Exhibit C to pay a portion of the Costs of the Project, due to unforeseen circumstances there may not be a sufficient amount on deposit in the Project Fund on any date to make the disbursement in such amount. Nevertheless, the Borrower agrees that the amount actually deposited in the Project Loan Account at the Loan Closing plus the Borrower’s allocable share of (i) certain costs of issuance and underwriter’s discount for all Trust Bonds issued to finance the Loan; (ii) capitalized interest during the Project construction period, if applicable; and (iii) that portion of the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution) attributable to the cost of funding reserve capacity for the Project, if applicable, shall constitute the initial principal amount of the Loan (as the same may be adjusted downward in accordance with the definition thereof), and neither the Trust nor the Trustee shall have any obligation thereafter to loan any additional amounts to the Borrower.

The Borrower shall use the proceeds of the Loan strictly in accordance with Section 2.01(h) hereof.

The payment obligations created under this Loan Agreement are secured by the Borrower Bond. The obligations to pay the principal of the Borrower Bond, Interest on the Borrower Bond and other amounts due under the Borrower Bond are each direct, general, irrevocable and unconditional obligations of the Borrower payable from any source legally available to the Borrower, including, without limitation, the general tax revenues of the Borrower, and the Borrower shall, if necessary, levy ad valorem taxes upon all the taxable property within the Borrower for the payment of such obligations, without limitation as to rate or amount.

SECTION 3.02. Disbursement of Loan Proceeds.

(a) The Trustee, as the agent of the Trust, shall disburse the amounts on deposit in the Project Loan Account to the Borrower upon receipt of a requisition executed by an Authorized Officer of the Borrower, and approved by the Trust, in a form meeting the requirements of Section 5.02(3) of the Bond Resolution.

(b) The Trust and Trustee shall not be required to disburse any Loan proceeds to the Borrower under this Loan Agreement, unless:
(i) the proceeds of the Trust Bonds shall be available for disbursement, as determined solely by the Trust;

(ii) in accordance with the Bond Act, and the Regulations, the Borrower shall have timely applied for, shall have been awarded and, prior to or simultaneously with the Loan Closing, shall have closed a Fund Loan for a portion of the Allowable Costs (as defined in such Regulations) of the Project in an amount not in excess of the amount of Allowable Costs of the Project financed by the Loan from the Trust;

(iii) the Borrower shall have funds available to pay for the greater of (A) that portion of the total Costs of the Project that is not eligible to be funded from the Fund Loan or the Loan, or (B) that portion of the total Costs of the Project that exceeds the actual amounts of the loan commitments made by the State and the Trust, respectively, for the Fund Loan and the Loan; and

(iv) no Event of Default nor any event that, with the passage of time or service of notice or both, would constitute an Event of Default shall have occurred and be continuing hereunder.

SECTION 3.03. Amounts Payable.

(a) The Borrower shall repay the Loan in installments payable to the Trustee as follows:

(i) the principal of the Loan shall be repaid annually on the Principal Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof, as the same may be amended or modified by any credits applicable to the Borrower as set forth in the Bond Resolution;

(ii) the Interest Portion described in clause (i) of the definition thereof shall be paid semiannually on the Interest Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof, as the same may be amended or modified by any credits applicable to the Borrower as set forth in the Bond Resolution; and

(iii) the Interest Portion described in clause (ii) of the definition thereof shall be paid upon the date of optional redemption or acceleration, as the case may be, of the Trust Bonds allocable to any prepaid or accelerated Trust Bond Loan Repayment.

The obligations of the Borrower under the Borrower Bond shall be deemed to be amounts payable under this Section 3.03. Each Loan Repayment, whether satisfied through a direct payment by the Borrower to the Trustee or (with respect to the Interest Portion) through the use of Trust Bond proceeds and income thereon on deposit in the Interest Account (as defined in the Bond Resolution) to pay interest on the Trust Bonds, shall be deemed to be a credit against the corresponding obligation of the Borrower under this Section 3.03 and shall fulfill the Borrower’s obligation to pay such amount hereunder and under the Borrower Bond. Each payment made to the Trustee pursuant to this Section 3.03 shall be applied first to the Interest Portion then due and
payable, second to the principal of the Loan then due and payable, third to the payment of the Administrative Fee, and finally to the payment of any late charges hereunder.

(b) The Interest on the Loan described in clause (iii) of the definition thereof shall (i) consist of a late charge for any Trust Bond Loan Repayment that is received by the Trustee later than the tenth (10th) day following its due date and (ii) be payable immediately thereafter in an amount equal to the greater of twelve percent (12%) per annum or the Prime Rate plus one half of one percent per annum on such late payment from its due date to the date it is actually paid; provided, however, that the rate of Interest on the Loan, including, without limitation, any late payment charges incurred hereunder, shall not exceed the maximum interest rate permitted by law.

(c) The Borrower shall receive, as a credit against its semiannual payment obligations of the Interest Portion, the amounts certified by the Trust pursuant to Section 5.10 of the Bond Resolution. Such amounts shall represent the Borrower’s allocable share of the interest earnings on certain funds and accounts established under the Bond Resolution, calculated in accordance with Section 5.10 of the Bond Resolution.

(d) In accordance with the provisions of the Bond Resolution, the Borrower shall receive, as a credit against its Trust Bond Loan Repayments, the amounts set forth in the certificate of the Trust filed with the Trustee pursuant to Section 5.02(4) of the Bond Resolution.

(e) The Interest on the Loan described in clause (ii) of the definition thereof shall be paid by the Borrower in the amount of one-half of the Administrative Fee, if any, to the Trustee semiannually on each February 1 and August 1, commencing August 1, 2014.

(f) In the event that the Borrower fails or is unable to pay promptly to the Trust in full any Loan Repayment or any other payment required under this Loan Agreement when due, the Borrower hereby acknowledges that the Trust may exercise its right under and in accordance with Section 12a of the Act to satisfy such deficiency from State-aid payable to the Borrower. The amount of State-aid so paid to the Trust shall be deemed to be a credit against the obligations of the Borrower under this Section 3.03, and any such payment made to the Trust shall fulfill the Borrower's obligation to pay such amount under this Loan Agreement and the Borrower Bond. Each such payment of State-aid so made to the Trust shall be applied first to the Interest Portion then due and payable, second, to the extent available, to the principal of the Loan then due and payable, third, to the extent available, to the Administrative Fee, fourth, to the extent available, to the payment of any late charges incurred hereunder, and finally, to the extent available, to any other payment required under this Loan Agreement.

(g) Upon thirty (30) days prior written notice to the Borrower, an Authorized Officer of the Trust may, in the sole discretion of such Authorized Officer, prescribe the particular method by which payments pursuant to, and in satisfaction of, this Section 3.03 shall be made by the Borrower. Such method as prescribed by an Authorized Officer of the Trust may include, without limitation, the automatic debit by the Trust or the Trustee of the respective amounts of such payments, as required by this Section 3.03, from an account that shall be identified by the Borrower in writing and recorded on file with the Trust and the Trustee. In the absence of any such written notice to the Borrower by an Authorized Officer of the Trust pursuant to this
subsection (g), the Borrower shall implement the payments required pursuant to, and in satisfaction of, this Section 3.03 either via electronic transfer of immediately available funds or via check.

SECTION 3.03A. Amounts on Deposit in Project Loan Account After Completion of Project Draws.

(a) If, on the date which is one hundred eighty (180) days following the final date for which a disbursement of Loan proceeds is scheduled to be made pursuant to Exhibit C hereto, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower must provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a revised draw schedule, in a form similar to Exhibit C hereto and approved by the Department.

(b) If, on the date which is one hundred eighty (180) days following the final date for which a disbursement of Loan proceeds is scheduled to be made pursuant to a revised draw schedule certified to the Trust and the Department in accordance with Section 3.03A(a) hereof, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower must provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a revised draw schedule, in a form similar to Exhibit C hereto and approved by the Department.

(c) If the Borrower fails to provide the certificate described in paragraphs (a) or (b) of this Section 3.03A, when due, or if such certificate, or a certificate provided pursuant to Section 2.02(e)(xvi) hereof, states that the Borrower does not require all or any portion of the amount on deposit in the Project Loan Account to complete the Project, such amounts on deposit in the Project Loan Account which are not certified by an Authorized Officer of the Borrower as being required to complete the Project (“Excess Project Funds”) shall be applied as follows:

(i) If the Excess Project Funds are less than or equal to the greater of (A) $250,000 or (B) the amount of Loan Repayments due from the Borrower to the Trust in the next succeeding calendar year, the Excess Project Funds shall be applied by the Trust toward the Borrower’s obligation to make the Loan Repayments next coming due; or

(ii) If the Excess Project Funds are greater than the greater of (A) $250,000 or (B) the amount of Loan Repayments due from the Borrower to the Trust in the next succeeding calendar year, the Excess Project Funds shall be applied by the Trust as a prepayment of the Borrower’s Loan Repayments, and shall be applied to the principal payments (including premium, if any) on the Loan in inverse order of their maturity.

SECTION 3.04. Unconditional Obligations. The direct, general obligation of the Borrower to make the Loan Repayments and all other payments required hereunder and the obligation to perform and observe the other duties, covenants, obligations and agreements on its
part contained herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever while any Trust Bonds remain outstanding or any Loan Repayments remain unpaid, for any reason, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project or Environmental Infrastructure System, commercial frustration of the purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any governmental authority, any failure of the Trust or the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Project, this Loan Agreement or the Bond Resolution, or any rights of set-off, recoupment, abatement or counterclaim that the Borrower might otherwise have against the Trust, the Trustee or any other party or parties; provided, however, that payments hereunder shall not constitute a waiver of any such rights. The Borrower shall not be obligated to make any payments required to be made by any other Borrowers under separate Loan Agreements or the Bond Resolution.

The Borrower acknowledges that payment of the Trust Bonds by the Trust, including payment from moneys drawn by the Trustee from the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution), does not constitute payment of the amounts due under this Loan Agreement and the Borrower Bond. If at any time the amount in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Requirement as the result of any transfer of moneys from the Debt Service Reserve Fund to the Debt Service Fund (as all such terms are defined in the Bond Resolution) as the result of a failure by the Borrower to make any Trust Bond Loan Repayments required hereunder, the Borrower agrees to replenish (i) such moneys so transferred and (ii) any deficiency arising from losses incurred in making such transfer as the result of the liquidation by the Trust of Investment Securities (as defined in the Bond Resolution) acquired as an investment of moneys in the Debt Service Reserve Fund, by making payments to the Trust in equal monthly installments for the lesser of six (6) months or the remaining term of the Loan at an interest rate to be determined by the Trust necessary to make up any loss caused by such deficiency.

The Borrower acknowledges that payment of the Trust Bonds from moneys that were originally received by the Trustee pursuant to Section 5.04(1) of the Bond Resolution from repayments by the Borrowers of loans made to the Borrowers by the State, acting by and through the Department, pursuant to loan agreements dated as of May 1, 2014 by and between the Borrowers and the State, acting by and through the Department, to finance or refinance a portion of the Costs of the Environmental Infrastructure Facilities of the Borrowers, does not constitute payment of the amounts due under this Loan Agreement and the Borrower Bond.

SECTION 3.05. Loan Agreement to Survive Bond Resolution and Trust Bonds. The Borrower acknowledges that its duties, covenants, obligations and agreements hereunder shall survive the discharge of the Bond Resolution applicable to the Trust Bonds and shall survive the payment of the principal and redemption premium, if any, of and the interest on the Trust Bonds until the Borrower can take no action or fail to take any action that could adversely affect the exclusion from gross income of the interest on the Trust Bonds for purposes of federal
SECTION 3.06. Disclaimer of Warranties and Indemnification.

(a) The Borrower acknowledges and agrees that (i) neither the Trust nor the Trustee makes any warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the Environmental Infrastructure System or the Project or any portions thereof or any other warranty or representation with respect thereto; (ii) in no event shall the Trust or the Trustee or their respective agents be liable or responsible for any incidental, indirect, special or consequential damages in connection with or arising out of this Loan Agreement or the Project or the existence, furnishing, functioning or use of the Environmental Infrastructure System or the Project or any item or products or services provided for in this Loan Agreement; and (iii) to the fullest extent permitted by law, the Borrower shall indemnify and hold the Trust and the Trustee harmless against, and the Borrower shall pay any and all, liability, loss, cost, damage, claim, judgment or expense of any and all kinds or nature and however arising and imposed by law, which the Trust and the Trustee may sustain, be subject to or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, or upon or arising out of contracts entered into by the Borrower, the Borrower’s ownership of the Environmental Infrastructure System or the Project, or the acquisition, construction or installation of the Project.

(b) It is mutually agreed by the Borrower, the Trust and the Trustee that the Trust and its officers, agents, servants or employees shall not be liable for, and shall be indemnified and saved harmless by the Borrower in any event from, any action performed under this Loan Agreement and any claim or suit of whatsoever nature, except in the event of loss or damage resulting from their own negligence or willful misconduct. It is further agreed that the Trustee and its directors, officers, agents, servants or employees shall not be liable for, and shall be indemnified and saved harmless by the Borrower in any event from, any action performed pursuant to this Loan Agreement, except in the event of loss or damage resulting from their own negligence or willful misconduct.

(c) The Borrower and the Trust agree that all claims shall be subject to and governed by the provisions of the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. (except for N.J.S.A. 59:13-9 thereof), although such Act by its express terms does not apply to claims arising under contract with the Trust.

(d) In connection with its obligation to provide the insurance required under Section 2.02(i) hereof: (i) the Borrower shall include, or cause to be included, the Trust and its directors, employees and officers as additional “named insureds” on (A) any certificate of liability insurance procured by the Borrower (or other similar document evidencing the liability insurance coverage procured by the Borrower) and (B) any certificate of liability insurance procured by any contractor or subcontractor for the Project, and from the later of the date of the Loan Closing or the date of the initiation of construction of the Project until the date the Borrower receives the written certificate of Project completion from the Trust, the Borrower shall maintain said liability insurance covering the Trust and said directors, employees and officers in good standing; and (ii)
the Borrower shall include the Trust as an additional “named insured” on any certificate of insurance providing against risk of direct physical loss, damage or destruction of the Environmental Infrastructure System, and during the Loan Term the Borrower shall maintain said insurance covering the Trust in good standing.

The Borrower shall provide the Trust with a copy of each of any such original, supplemental, amendatory or reissued certificates of insurance (or other similar documents evidencing the insurance coverage) required pursuant to this Section 3.06(d).

SECTION 3.07.  Option to Prepay Loan Repayments.  The Borrower may prepay the Trust Bond Loan Repayments, in whole or in part (but if in part, in the amount of $100,000 or any integral multiple thereof), upon prior written notice to the Trust and the Trustee not less than ninety (90) days in addition to the number of days’ advance notice to the Trustee required for any optional redemption of the Trust Bonds, and upon payment by the Borrower to the Trustee of amounts that, together with investment earnings thereon, will be sufficient to pay the principal amount of the Trust Bond Loan Repayments to be prepaid plus the Interest Portion described in clause (ii) of the definition thereof on any such date of redemption; provided, however, that, with respect to any prepayment other than those required by Section 3.03A hereof, any such full or partial prepayment may only be made (i) if the Borrower is not then in arrears on its Fund Loan, (ii) if the Borrower is contemporaneously making a full or partial prepayment of the Fund Loan such that, after the prepayment of the Loan and the Fund Loan, the Trust, in its sole discretion, determines that the interests of the owners of the Trust Bonds are not adversely affected by such prepayments, and (iii) upon the prior written approval of the Trust. In addition, if at the time of such prepayment the Trust Bonds may only be redeemed at the option of the Trust upon payment of a premium, the Borrower shall add to its prepayment of Trust Bond Loan Repayments an amount, as determined by the Trust, equal to such premium allocable to the Trust Bonds to be redeemed as a result of the Borrower’s prepayment. Prepayments shall be applied first to the Interest Portion that accrues on the portion of the Loan to be prepaid until such prepayment date as described in clause (ii) of the definition thereof and then to principal payments (including premium, if any) on the Loan in inverse order of their maturity.

SECTION 3.08.  Priority of Loan and Fund Loan.

(a)  The Borrower hereby acknowledges that, to the extent allowed by law, any Loan Repayments then due and payable on the Loan shall be satisfied by the Trustee before any loan repayments on the Borrower’s Fund Loan shall be satisfied by the Trustee. The Borrower agrees not to interfere with any such action by the Trustee.

(b)  The Borrower hereby acknowledges that in the event the Borrower fails or is unable to pay promptly to the Trust in full any Trust Bond Loan Repayments under this Loan Agreement when due, then any (i) Administrative Fee paid hereunder, (ii) late charges paid hereunder, and (iii) loan repayments paid by the Borrower on its Fund Loan under the related loan agreement therefor, any of which payments shall be received by the Trustee during the time of any such Trust Bond Loan Repayment deficiency, shall be applied by the Trustee first to satisfy such Trust Bond Loan Repayment deficiency as a credit against the obligations of the Borrower to make payments of the Interest Portion under the Loan and the Borrower Bond, second, to the extent available, to make Trust Bond Loan Repayments of principal hereunder and
payments of principal under the Borrower Bond, *third*, to the extent available, to pay the Administrative Fee, *fourth*, to the extent available, to pay any late charges hereunder, *fifth*, to the extent available, to satisfy the repayment of the Borrower’s Fund Loan under its related loan agreement therefor, and *finally*, to the extent available, to satisfy the repayment of the administrative fee under any such related loan agreement.

(c) The Borrower hereby further acknowledges that any loan repayments paid by the Borrower on its Fund Loan under the related loan agreement therefor shall be applied according to the provisions of the Master Program Trust Agreement.

**SECTION 3.09. Approval of the New Jersey State Treasurer.** The Borrower and the Trust hereby acknowledge that prior to or simultaneously with the Loan Closing the New Jersey State Treasurer, in satisfaction of the requirements of Section 9a of the Act, issued the “Certificate of the New Jersey State Treasurer Regarding the Approval of the Trust Loan and the Fund Loan” (the “Treasurer’s Certificate”). Pursuant to the terms of the Treasurer’s Certificate, the New Jersey State Treasurer approved the Loan and the terms and conditions thereof as established by the provisions of this Loan Agreement.
ARTICLE IV

ASSIGNMENT OF LOAN AGREEMENT AND BORROWER BOND

SECTION 4.01. Assignment and Transfer by Trust.

(a) The Borrower hereby expressly acknowledges that, other than the provisions of Section 2.02(c)(ii) hereof, the Trust’s right, title and interest in, to and under this Loan Agreement and the Borrower Bond have been assigned to the Trustee as security for the Trust Bonds as provided in the Bond Resolution, and that if any Event of Default shall occur, the Trustee or any Bond Insurer (as such term may be defined in the Bond Resolution), if applicable, pursuant to the Bond Resolution, shall be entitled to act hereunder in the place and stead of the Trust. The Borrower hereby acknowledges the requirements of the Bond Resolution applicable to the Trust Bonds and consents to such assignment and appointment. This Loan Agreement and the Borrower Bond, including, without limitation, the right to receive payments required to be made by the Borrower hereunder and to compel or otherwise enforce observance and performance by the Borrower of its other duties, covenants, obligations and agreements hereunder, may be further transferred, assigned and reassigned in whole or in part to one or more assignees or subassignees by the Trustee at any time subsequent to their execution without the necessity of obtaining the consent of, but after giving prior written notice to, the Borrower.

The Trust shall retain the right to compel or otherwise enforce observance and performance by the Borrower of its duties, covenants, obligations and agreements under Section 2.02(c)(ii) hereof; provided, however, that in no event shall the Trust have the right to accelerate the Borrower Bond in connection with the enforcement of Section 2.02(c)(ii) hereof.

(b) The Borrower hereby approves and consents to any assignment or transfer of this Loan Agreement and the Borrower Bond that the Trust deems to be necessary in connection with any refunding of the Trust Bonds or the issuance of additional bonds under the Bond Resolution or otherwise, all in connection with the pooled loan program of the Trust.

SECTION 4.02. Assignment by Borrower. Neither this Loan Agreement nor the Borrower Bond may be assigned by the Borrower for any reason, unless the following conditions shall be satisfied: (i) the Trust and the Trustee shall have approved said assignment in writing; (ii) the assignee shall have expressly assumed in writing the full and faithful observance and performance of the Borrower’s duties, covenants, obligations and agreements under this Loan Agreement and, to the extent permitted under applicable law, the Borrower Bond; (iii) immediately after such assignment, the assignee shall not be in default in the observance or performance of any duties, covenants, obligations or agreements of the Borrower under this Loan Agreement or the Borrower Bond; and (iv) the Trust shall have received an opinion of Bond Counsel to the effect that such assignment will not adversely affect the security of the holders of the Trust Bonds or the exclusion of the interest on the Trust Bonds from gross income for purposes of federal income taxation under Section 103(a) of the Code.
ARTICLE V

EVENTS OF DEFAULT AND REMEDIES

SECTION 5.01. Events of Default. If any of the following events occur, it is hereby defined as and declared to be and to constitute an “Event of Default”:

(a) failure by the Borrower to pay, or cause to be paid, any Trust Bond Loan Repayment required to be paid hereunder when due, which failure shall continue for a period of fifteen (15) days;

(b) failure by the Borrower to pay, or cause to be paid, the Administrative Fee or any late charges incurred hereunder or any portion thereof when due or to observe and perform any duty, covenant, obligation or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in subsection (a) of this Section 5.01 or other than the obligations of the Borrower contained in Section 2.02(c)(ii) hereof and in Exhibit F hereto, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower by the Trustee, unless the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in such notice is correctable but cannot be corrected within the applicable period, the Trustee may not unreasonably withhold its consent to an extension of such time up to 120 days from the delivery of the written notice referred to above if corrective action is instituted by the Borrower within the applicable period and diligently pursued until the Event of Default is corrected;

(c) any representation made by or on behalf of the Borrower contained in this Loan Agreement, or in any instrument furnished in compliance with or with reference to this Loan Agreement or the Loan, is false or misleading in any material respect;

(d) a petition is filed by or against the Borrower under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Loan Agreement or thereafter enacted, and/or any proceeding with respect to such petition and/or pursuant to any such law shall occur or be pending (including, without limitation, the operation and administration of the Borrower pursuant to any plan of reorganization approved and implemented under any such law), unless in the case of any such petition filed against the Borrower or any such proceeding such petition and such proceeding shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal or the further jurisdiction of any court; or the Borrower shall become insolvent or bankrupt or shall make an assignment for the benefit of its creditors; or a custodian (including, without limitation, a receiver, liquidator or trustee, but not including a takeover by the Division of Local Government Services in the New Jersey Department of Community Affairs) of the Borrower or any of its property shall be appointed by court order or take possession of the Borrower or its property or assets if such order remains in effect or such possession continues for more than thirty (30) days;

(e) the Borrower shall generally fail to pay its debts as such debts become due; and
(f) failure of the Borrower to observe or perform such additional duties, covenants, obligations, agreements or conditions as are required by the Trust and specified in Exhibit F attached hereto and made a part hereof.

SECTION 5.02. Notice of Default. The Borrower shall give the Trustee and the Trust prompt telephonic notice of the occurrence of any Event of Default referred to in Section 5.01(d) or (e) hereof and of the occurrence of any other event or condition that constitutes an Event of Default at such time as any senior administrative or financial officer of the Borrower becomes aware of the existence thereof.

SECTION 5.03. Remedies on Default. Whenever an Event of Default referred to in Section 5.01 hereof shall have occurred and be continuing, the Borrower acknowledges the rights of the Trustee and of any Bond Insurer to direct any and all remedies in accordance with the terms of the Bond Resolution, and the Borrower also acknowledges that the Trust shall have the right to take, or to direct the Trustee to take, any action permitted or required pursuant to the Bond Resolution and to take whatever other action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce the observance and performance of any duty, covenant, obligation or agreement of the Borrower hereunder.

In addition, if an Event of Default referred to in Section 5.01(a) hereof shall have occurred and be continuing, the Trust shall, to the extent allowed by applicable law and to the extent and in the manner set forth in the Bond Resolution, have the right to declare, or to direct the Trustee to declare, all Loan Repayments and all other amounts due hereunder (including, without limitation, payments under the Borrower Bond) together with the prepayment premium, if any, calculated pursuant to Section 3.07 hereof to be immediately due and payable, and upon notice to the Borrower the same shall become due and payable without further notice or demand.

SECTION 5.04. Attorneys’ Fees and Other Expenses. The Borrower shall on demand pay to the Trust or the Trustee the reasonable fees and expenses of attorneys and other reasonable expenses (including, without limitation, the reasonably allocated costs of in-house counsel and legal staff) incurred by either of them in the collection of Trust Bond Loan Repayments or any other sum due hereunder or in the enforcement of the observation or performance of any other duties, covenants, obligations or agreements of the Borrower upon an Event of Default.

SECTION 5.05. Application of Moneys. Any moneys collected by the Trust or the Trustee pursuant to Section 5.03 hereof shall be applied (a) first, to pay any attorneys’ fees or other fees and expenses owed by the Borrower pursuant to Section 5.04 hereof, (b) second, to the extent available, to pay the Interest Portion then due and payable, (c) third, to the extent available, to pay the principal due and payable on the Loan, (d) fourth, to the extent available, to pay the Administrative Fee, any late charges incurred hereunder or any other amounts due and payable under this Loan Agreement, and (e) fifth, to the extent available, to pay the Interest Portion and the principal on the Loan and other amounts payable hereunder as such amounts become due and payable.
SECTION 5.06.  No Remedy Exclusive; Waiver; Notice.  No remedy herein conferred upon or reserved to the Trust or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity.  No delay or omission to exercise any right, remedy or power accruing upon any Event of Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient.  In order to entitle the Trust or the Trustee to exercise any remedy reserved to it in this Article V, it shall not be necessary to give any notice other than such notice as may be required in this Article V.

SECTION 5.07.  Retention of Trust’s Rights.  Notwithstanding any assignment or transfer of this Loan Agreement pursuant to the provisions hereof or of the Bond Resolution, or anything else to the contrary contained herein, the Trust shall have the right upon the occurrence of an Event of Default to take any action, including (without limitation) bringing an action against the Borrower at law or in equity, as the Trust may, in its discretion, deem necessary to enforce the obligations of the Borrower to the Trust pursuant to Section 5.03 hereof.

Attention:  Corporate Trust Department

Ladies and Gentlemen:

We have acted as counsel to the [Name of Borrower], a [municipal corporation] [political subdivision] of the State (the “Borrower”), which has entered into a Loan Agreement (as hereinafter defined) with the New Jersey Environmental Infrastructure Trust (the “Trust”), and have acted as such in connection with the authorization, execution, attestation and delivery by the Borrower of its Loan Agreement and Borrower Bond (as hereinafter defined).  All capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Loan Agreement.

In so acting, we have examined the Constitution and laws of the State of New Jersey, including, without limitation, the “Local Bond Law”, P.L. 1960, c. 169, as amended (N.J.S.A. 40A:2-1 et seq.), the “Municipal Qualified Bond Act”, P.L. 1976, c. 38, as amended (N.J.S.A. 40A:3-1 et seq.), and the various ordinances and resolutions of the Borrower identified herein. We have also examined originals, or copies certified or otherwise identified to our satisfaction, of the following:

(a) the Trust's “Environmental Infrastructure Bond Resolution, Series 2014[_]”, adopted by the Board of Directors of the Trust on April __, 2014;

(b) the Loan Agreement dated as of May 1, 2014 (the “Loan Agreement”) by and between the Trust and the Borrower;

(c) the proceedings of the governing body of the Borrower relating to the approval of the Loan Agreement and the execution, attestation and delivery thereof on behalf of the Borrower and the authorization of the undertaking and completion of the Project;

(d) the Borrower Bond dated May 21, 2014 (the “Borrower Bond”) issued by the Borrower to the Trust to evidence the Loan; and

(e) the proceedings (together with the proceedings referred to in clause (c) above and Section 5 below, the “Proceedings”) of the governing body of the Borrower, including, without
limitation, [a] bond ordinance[s] of the Borrower finally adopted on […………] [and [……],
respectively,] and [respectively] entitled “[TITLE OF ORDINANCE]” [and “[TITLE OF
ORDINANCE]”], and [a] resolution[s] of the Borrower adopted pursuant to the provisions of
N.J.S.A. [40A:2-26 (f) and] 40A:2-27 on [……] [and [……], respectively,] and [respectively]
entitled “[TITLE OF RESOLUTION]” [and “[TITLE OF RESOLUTION]”] (collectively, the
“Borrower Bond Proceedings”), all relating to the authorization of the Borrower Bond and the
sale, execution, attestation and delivery thereof to the Trust (the Loan Agreement and the
Borrower Bond are referred to herein collectively as the “Loan Documents”).

We have also examined and relied upon originals, or copies certified or otherwise
authenticated to our satisfaction, of such other records, documents, certificates and other
instruments, and have made such investigation of law as in our judgment we have deemed
necessary or appropriate, to enable us to render the opinions expressed below.

We are of the opinion that:

1. The Borrower is a [municipal corporation] [political subdivision] duly created and
validly existing under and pursuant to the Constitution and statutes of the State of New Jersey,
with the legal right to carry on the business of its Environmental Infrastructure System as
currently being conducted and as proposed to be conducted.

2. The Borrower has full legal right and authority to execute, attest and deliver the
Loan Documents, to sell the Borrower Bond to the Trust, to observe and perform its duties,
covenants, obligations and agreements under the Loan Documents and to undertake and
complete the Project.

3. The acting officials of the Borrower who are contemporaneously herewith
performing or have previously performed any action contemplated in the Loan Agreement are,
and at the time any such action was performed were, the duly appointed or elected officials of the
Borrower empowered by applicable New Jersey law and authorized by ordinance or resolution of
the Borrower to perform such actions.

4. The Borrower has unconditionally and irrevocably pledged its full faith and credit
and covenanted to exercise its unlimited taxing powers for the punctual payment of the principal
and redemption premium, if any, of the Borrower Bond, Interest on the Borrower Bond and all
other amounts due under the Borrower Bond, which Borrower Bond secures the Loan
Repayments and all other amounts due under the Loan Documents according to their respective
terms. [The Borrower Bond is entitled to the benefits of the Municipal Qualified Bond Act.]

5. The proceedings of the Borrower's governing body (i) approving the Loan
Documents, (ii) authorizing their execution, attestation and delivery on behalf of the Borrower,
(iii) with respect to the Borrower Bond only, authorizing its sale by the Borrower to the Trust,
(iv) authorizing the Borrower to consummate the transactions contemplated by the Loan
Documents, (v) authorizing the Borrower to undertake and complete the Project, and (vi)
authorizing the execution and delivery of all other certificates, agreements, documents and
instruments in connection with the execution, attestation and delivery of the Loan Documents, have each been duly and lawfully adopted and authorized in accordance with applicable law and applicable ordinances or resolutions of the Borrower, including, without limitation and where applicable, the Local Bond Law [and the Municipal Qualified Bond Act], the Borrower Bond Proceedings and the other Proceedings, which Proceedings constitute all of the actions necessary to be taken by the Borrower to authorize its actions contemplated by clauses (i) through (vi) above and which Proceedings were duly approved and published, where necessary, in accordance with applicable New Jersey law at a meeting or meetings duly called pursuant to necessary public notice and held in accordance with applicable New Jersey law and at which quorums were present and acting throughout.

6. The Loan Documents have been duly authorized, executed, attested and delivered by the Authorized Officers of the Borrower and the Borrower Bond has been duly sold by the Borrower to the Trust; and assuming in the case of the Loan Agreement that the Trust has the requisite power and authority to authorize, execute, attest and deliver, and has duly authorized, executed, attested and delivered, the Loan Agreement, the Loan Documents constitute the legal, valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms, subject, however, to the effect of, and to restrictions and limitations imposed by or resulting from, bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally. No opinion is rendered as to the availability of any particular remedy.

7. The authorization, execution, attestation and delivery of the Loan Documents by the Borrower and the sale of the Borrower Bond to the Trust, the observation and performance by the Borrower of its duties, covenants, obligations and agreements thereunder, the consummation of the transactions contemplated therein, and the undertaking and completion of the Project do not and will not (i) result in any breach of any of the terms, conditions or provisions of, or (ii) constitute a default under, any existing ordinance or resolution, outstanding debt or lease obligation, trust agreement, indenture, mortgage, deed of trust, loan agreement or other instrument to which the Borrower is a party or by which the Borrower, its Environmental Infrastructure System or any of its properties or assets may be bound, nor will such action result in any violation of the provisions of the charter or other document pursuant to which the Borrower was established or any laws, ordinances, injunctions, judgments, decrees, rules, regulations or existing orders of any court or governmental or administrative agency, authority or person to which the Borrower, its Environmental Infrastructure System or its properties or operations is subject.

8. All approvals, consents or authorizations of, or registrations of or filings with, any governmental or public agency, authority or person required to date on the part of the Borrower in connection with the authorization, execution, attestation, delivery and performance of the Loan Documents, the sale of the Borrower Bond and the undertaking and completion of the Project have been obtained or made.

9. There is no litigation or other proceeding pending or, to our knowledge, after due inquiry, threatened in any court or other tribunal of competent jurisdiction (either state or
10. The Borrower has no bonds, notes or other debt obligations outstanding that are superior or senior to the Borrower Bond as to lien on, and source and security for payment thereof from, the general tax revenues of the Borrower.

11. To the best of our knowledge, upon due inquiry, (i) all representations made by the Borrower contained within subsections (e) and (g) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement are true, accurate and complete, and (ii) all expectations contained therein are reasonable, and we know of no reason why the Borrower would be unable to comply on a continuing basis with the covenants contained within subsections (e) and (g) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement.

12. Assuming that (i) the Borrower complies on a continuing basis with the covenants contained in subsections (e) and (g) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement, (ii) interest on the Trust Bonds is otherwise excluded from gross income of the holders thereof for federal income tax purposes under the Internal Revenue Code of 1986, as amended, and (iii) the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Loan for their intended purposes will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds and no portion of the Trust Bonds will be used in a private use, within the meaning of Section 141 of the Code.

We hereby authorize McCarter & English, LLP, acting as bond counsel to the Trust, and the Attorney General of the State of New Jersey, acting as general counsel to the Trust, to rely on this opinion as if we had addressed this opinion to them in addition to you.

Very truly yours,

(iv) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to pay the principal of or the interest or redemption premium on or any other amount in connection with the retirement or redemption of any issue of state or local governmental obligations (“refinancing of indebtedness”), unless the Borrower shall (A) establish to the satisfaction of the Trust, prior to the issuance of the Trust Bonds, that such refinancing of indebtedness will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds, and (B) provide to the Trust an opinion of Bond Counsel to that effect in form and substance satisfactory to the Trust.

(v) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to reimburse the Borrower for an expenditure with respect to Costs of the Borrower’s Project paid by the Borrower prior to the issuance of the Trust Bonds, unless (A) the allocation by the Borrower of the proceeds of the Trust Bonds to reimburse such expenditure complies with the requirements of Treasury Regulations §1.150-2 necessary to enable the reimbursement allocation to be treated as an expenditure of the proceeds of the Trust Bonds for purposes of applying Sections 103 and 141-150, inclusive, of the Code, or (B) such proceeds of the Trust Bonds will be used for refinancing of indebtedness that was used to pay Costs of the Borrower’s Project or to reimburse the Borrower for expenditures with respect to Costs of the Borrower’s Project paid by the Borrower prior to the issuance of such indebtedness in accordance with a reimbursement allocation for such expenditures that complies with the requirements of Treasury Regulations §1.150-2.

(vi) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to pay any costs which are not Costs of the Borrower’s Project that constitute (A) a “capital expenditure,” within the meaning of Treasury Regulations §1.150-1, or (B) interest on the Trust Bonds accruing during a period commencing on the date of issuance of the Trust Bonds and ending on the date that is the later of (I) three years from the date of issuance of the Trust Bonds or (II) one year after the completion date with respect to the Project, as set forth in Exhibit G hereto.

(vii) The Borrower shall not use the proceeds of the Trust Bonds (assuming solely for this purpose that the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Trust Bonds) in any manner that would cause the
Trust Bonds to be considered “federally guaranteed” within the meaning of Section 149(b) of the Code or “hedge bonds” within the meaning of Section 149(g) of the Code.

(viii) The Borrower shall not issue any debt obligations that (A) are sold at substantially the same time as the Trust Bonds and finance or refinance the Loan made to the Borrower, (B) are sold pursuant to the same plan of financing as the Trust Bonds and finance or refinance the Loan made to the Borrower, and (C) are reasonably expected to be paid out of substantially the same source of funds as the Trust Bonds and finance or refinance the Loan made to the Borrower.

(ix) Neither the Borrower nor any “related party” (within the meaning of Treasury Regulations §1.150-1) shall purchase Trust Bonds in an amount related to the amount of the Loan.

(x) The Borrower will not issue or permit to be issued obligations that will constitute an “advance refunding” of the Borrower Bond within the meaning of Section 149(d)(5) of the Code without the express written consent of the Trust, which consent may only be delivered by the Trust after the Trust has received notice from the Borrower of such contemplated action no later than sixty (60) days prior to any such contemplated action, and which consent is in the sole discretion of the Trust.

(xi) See Section 2.02(f)(xi) as set forth in Schedule A attached hereto, made a part hereof and incorporated in this Section 2.02(f)(xi) by reference as if set forth in full herein.

(xii) No “gross proceeds” of the Trust Bonds held by the Borrower (other than amounts in a “bona fide debt service fund”) will be held in a “commingled fund” (as such terms are defined in Treasury Regulations §1.148-1(b)).

(xiii) Based upon all of the objective facts and circumstances in existence on the date of issuance of the Trust Bonds used to finance the Project, (A) within six months of the date of issuance of the Trust Bonds used to finance the Project, the Borrower will incur a substantial binding obligation to a third party to expend on the Project at least five percent (5%) of the “net sale proceeds” (within the meaning of Treasury Regulations §1.148-1) of the Loan used to finance the Project (treating an obligation as not being binding if it is subject to contingencies within the control of the Borrower, the Trust or a “related party” (within the meaning of Treasury Regulations §1.150-1)), (B) completion of the Project and the allocation to expenditures of the “net sale proceeds” of the Loan used to finance the Project will proceed with due diligence, and (C) all of the proceeds of the Loan used to finance the Project (other than amounts deposited into the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution) allocable to that portion of the Loan used to finance reserve capacity, if any) and investment earnings thereon will be spent prior to the period ending three (3) years subsequent to the date of issuance of the Trust Bonds used to finance the Project. Accordingly, the proceeds of the Loan deposited in the Project Loan Account used to finance the Project will be eligible for the 3-year arbitrage temporary period since
the expenditure test, time test and due diligence test, as set forth in Treasury Regulations §1.148-2(e)(2), will be satisfied.

(xiv) The weighted average maturity of the Loan does not exceed 120% of the average reasonably expected economic life of the Project financed or refinanced with the Loan, determined in the same manner as under Section 147(b) of the Code. Accordingly, the term of the Loan will not be longer than is reasonably necessary for the governmental purposes of the Loan within the meaning of Treasury Regulations §1.148-1(c)(4).

(xv) The Borrower shall only enter into service contracts (including management contracts), with respect to any portion of the Project financed by the Trust Bonds, with a “governmental unit” (within the meaning of Section 141 of the Code) or only when such contracts comply with Rev. Proc. 97-13, 1997-1 C.B. 632, or successor provisions applicable to the Trust Bonds; provided, that the Borrower delivers an opinion of Bond Counsel, in form and substance satisfactory to the Trust, to the effect that the entering into of such contracts by the Borrower will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds.

(xvi) The Borrower shall, within 30 days of date the Borrower concludes that no additional proceeds of the Loan will be required to pay costs of the Project, provide to the Trust a certificate of the Borrower evidencing such conclusion.

For purposes of this subsection and subsection (h) of this Section 2.02, quoted terms shall have the meanings given thereto by Section 148 of the Code, including, particularly, Treasury Regulations §§1.148-1 through 1.148-11, inclusive, as supplemented or amended, to the extent applicable to the Trust Bonds, and any successor Treasury Regulations applicable to the Trust Bonds.

(g) Operation and Maintenance of Environmental Infrastructure System. The Borrower covenants and agrees that it shall, in accordance with prudent environmental infrastructure utility practice, (i) at all times operate the properties of its Environmental Infrastructure System and any business in connection therewith in an efficient manner, (ii) maintain its Environmental Infrastructure System in good repair, working order and operating condition, and (iii) from time to time make all necessary and proper repairs, renewals, replacements, additions, betterments and improvements with respect to its Environmental Infrastructure System so that at all times the business carried on in connection therewith shall be properly and advantageously conducted.

(h) Records and Accounts.

(i) The Borrower shall keep accurate records and accounts for its Environmental Infrastructure System (the “System Records”) separate and distinct from its other records and accounts (the “General Records”). Such System Records shall be audited annually by an independent registered municipal accountant or certified public accountant, which may be part of the annual audit of the General Records of the Borrower. Such System Records and General Records shall be made available for inspection by the Trust at any reasonable time upon prior written notice, and a copy of
such annual audit(s) therefore, including all written comments and recommendations of
such accountant, shall be furnished to the Trust within 150 days of the close of the fiscal
year being so audited or, with the consent of the Trust, such additional period as may be
provided by law.

(ii) Within 30 days following receipt of any Loan proceeds, including without
limitation the “Allowance for Administrative Costs” or the “Allowance for Planning and
Design” set forth in Exhibit B hereto, the Borrower shall allocate such proceeds to an
expenditures in a manner that satisfies the requirements of Treasury Regulation
§1.148-6(d) and transmit a copy of each such allocation to the Trust. No portion of the
Allowance for Administrative Costs will be allocated to a cost other than a cost described
in N.J.A.C. 7:22-5.11(a) 3, 4, 5 or 6. No portion of the Allowance for Planning and
Design will be allocated to a cost other than a cost described N.J.A.C. 7:22-5.12, or other
costs of the Borrower’s Environmental Infrastructure System which are “capital
expenditures,” within the meaning of Treasury Regulations §1.150-1. The Borrower
shall retain records of such allocations for at least until the date that is three years after
the scheduled maturity date of the Trust Bonds. The Borrower shall make such records
available to the Trust within 15 days of any request by the Trust.

(iii) Unless otherwise advised in writing by the Trust, in furtherance of the
covenant of the Borrower contained in subsection (f) of this Section 2.02 not to cause the
Trust Bonds to be arbitrage bonds, the Borrower shall keep, or cause to be kept, accurate
records of each investment it makes in any “nonpurpose investment” acquired with, or
otherwise allocated to, “gross proceeds” of the Trust Bonds not held by the Trustee and
each “expenditure” it makes allocated to “gross proceeds” of the Trust Bonds. Such
records shall include the purchase price, including any constructive “payments” (or in the
case of a “payment” constituting a deemed acquisition of a “nonpurpose investment”
(e.g., a “nonpurpose investment” first allocated to “gross proceeds” of the Trust Bonds
after it is actually acquired because it is deposited in a sinking fund for the Trust Bonds)),
the “fair market value” of the “nonpurpose investment” on the date first allocated to the
“gross proceeds” of the Trust Bonds, nominal interest rate, dated date, maturity date, type
of property, frequency of periodic payments, period of compounding, yield to maturity,
amount actually or constructively received on disposition (or in the case of a “receipt”
constituting a deemed disposition of a “nonpurpose investment” (e.g., a “nonpurpose
investment” that ceases to be allocated to the “gross proceeds” of the Trust Bonds
because it is removed from a sinking fund for the Trust Bonds)), the “fair market value”
of the “nonpurpose investment” on the date it ceases to be allocated to the “gross
proceeds” of the Trust Bonds, the purchase date and disposition date of the “nonpurpose
investment” and evidence of the “fair market value” of such property on the purchase
date and disposition date (or deemed purchase or disposition date) for each such
“nonpurpose investment”. The purchase date, disposition date and the date of
determination of “fair market value” shall be the date on which a contract to purchase or
sell the “nonpurpose investment” becomes binding, i.e., the trade date rather than the
settlement date. For purposes of the calculation of purchase price and disposition price,
brokerage or selling commissions, administrative expenses or similar expenses shall not
increase the purchase price of an item and shall not reduce the amount actually or
constructively received upon disposition of an item, except to the extent such costs constitute “qualified administrative costs”.

(iv) Within thirty (30) days of the last day of the fifth and each succeeding fifth “bond year” (which, unless otherwise advised by the Trust, shall be the five-year period ending on the date five years subsequent to the date immediately preceding the date of issuance of the Trust Bonds and each succeeding fifth “bond year”) and within thirty (30) days of the date the last bond that is part of the Trust Bonds is discharged (or on any other periodic basis requested in writing by the Trust), the Borrower shall (A) calculate, or cause to be calculated, the “rebate amount” as of the “computation date” or “final computation date” attributable to any “nonpurpose investment” made by the Borrower and (B) remit the following to the Trust: (1) an amount of money that when added to the “future value” as of the “computation date” of any previous payments made to the Trust on account of rebate equals the “rebate amount”, (2) the calculations supporting the “rebate amount” attributable to any “nonpurpose investment” made by the Borrower allocated to “gross proceeds” of the Trust Bonds, and (3) any other information requested by the Trust relating to compliance with Section 148 of the Code (e.g., information related to any “nonpurpose investment” of the Borrower for purposes of application of the “universal cap”).

(v) The Borrower covenants and agrees that it will account for “gross proceeds” of the Trust Bonds, investments allocable to the Trust Bonds and expenditures of “gross proceeds” of the Trust Bonds in accordance with Treasury Regulations §1.148-6. All allocations of “gross proceeds” of the Trust Bonds to expenditures will be recorded on the books of the Borrower kept in connection with the Trust Bonds no later than 18 months after the later of the date the particular Costs of the Borrower’s Project is paid or the date the portion of the project financed by the Trust Bonds is placed in service. All allocations of proceeds of the Trust Bonds to expenditures will be made no later than the date that is 60 days after the fifth anniversary of the date the Trust Bonds are issued or the date 60 days after the retirement of the Trust Bonds, if earlier. Such records and accounts will include the particular Costs paid, the date of the payment and the party to whom the payment was made.

(vi) From time to time as directed by the Trust, the Borrower shall provide to the Trust a written report demonstrating compliance by the Borrower with the provisions of Section 2.02(f) of this Loan Agreement, each such written report to be submitted by the Borrower to the Trust in the form of a full and complete written response to a questionnaire provided by the Trust to the Borrower. Each such questionnaire shall be provided by the Trust to the Borrower not less than fourteen (14) days prior to the date established by the Trust for receipt from the Borrower of the full and complete written response to the questionnaire.

(i) Inspections; Information. The Borrower shall permit the Trust and the Trustee and any party designated by any of such parties, at any and all reasonable times during construction of the Project and thereafter upon prior written notice, to examine, visit and inspect the property, if any, constituting the Project and to inspect and make copies of any accounts, books and records, including (without limitation) its records regarding receipts, disbursements,
contracts, investments and any other matters relating thereto and to its financial standing, and shall supply such reports and information as the Trust and the Trustee may reasonably require in connection therewith.

(j) Insurance. The Borrower shall maintain or cause to be maintained, in force, insurance policies with responsible insurers or self-insurance programs providing against risk of direct physical loss, damage or destruction of its Environmental Infrastructure System at least to the extent that similar insurance is usually carried by utilities constructing, operating and maintaining Environmental Infrastructure Facilities of the nature of the Borrower’s Environmental Infrastructure System, including liability coverage, all to the extent available at reasonable cost but in no case less than will satisfy all applicable regulatory requirements.

(k) Costs of Project. The Borrower certifies that the building cost of the Project, as listed in Exhibit B hereto and made a part hereof, is a reasonable and accurate estimation thereof, and it will supply to the Trust a certificate from a licensed professional engineer authorized to practice in the State stating that such building cost is a reasonable and accurate estimation and that the useful life of the Project exceeds the maturity date of the Borrower Bond.

(l) Delivery of Documents. Concurrently with the delivery of this Loan Agreement (as previously authorized, executed and attested) at the Loan Closing, the Borrower will cause to be delivered to the Trust and the Trustee each of the following items:

(i) an opinion of the Borrower’s bond counsel substantially in the form of Exhibit E hereto; provided, however, that the Trust may permit portions of such opinion to be rendered by general counsel to the Borrower and may permit variances in such opinion from the form set forth in Exhibit E if, in the opinion of the Trust, such variances are not to the material detriment of the interests of the holders of the Trust Bonds;

(ii) counterparts of this Loan Agreement as previously executed and attested by the parties hereto;

(iii) copies of those resolutions finally adopted by the governing body of the Borrower and requested by the Trust, including, without limitation, (A) the resolution of the Borrower authorizing the execution, attestation and delivery of this Loan Agreement, (B) the Borrower Bond Resolution, as amended and supplemented as of the date of the Loan Closing, authorizing the execution, attestation, authentication, sale and delivery of the Borrower Bond to the Trust, (C) the resolution of the Borrower, if any, confirming the details of the sale of the Borrower Bond to the Trust, (D) the resolution of the Borrower, if any, declaring its official intent to reimburse expenditures for the Costs of the Project from the proceeds of the Trust Bonds, each of said resolutions of the Borrower being certified by an Authorized Officer of the Borrower as of the date of the Loan Closing, (E) the resolution of the Local Finance Board approving the issuance by the Borrower of the Borrower Bond to the Trust and setting forth any other approvals required therefor by the Local Finance Board, and (F) any other Proceedings;

(iv) if the Loan is being made to reimburse the Borrower for all or a portion of the Costs of the Borrower’s Project or to refinance indebtedness or reimburse the
Borrower for the repayment of indebtedness previously incurred by the Borrower to finance all or a portion of the Costs of the Borrower’s Project, an opinion of Bond Counsel, in form and substance satisfactory to the Trust, to the effect that such reimbursement or refinancing will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds;

(v) the certificates of insurance coverage as required pursuant to the terms of Section 3.06(d) hereof and such other certificates, documents, opinions and information as the Trust may require in Exhibit F hereto, if any; and

(vi) See Section 2.02(l)(vi) as set forth in Schedule A attached hereto, made a part hereof and incorporated herein by reference as if set forth in full herein.

(m) Execution and Delivery of Borrower Bond. Concurrently with the delivery of this Loan Agreement at the Loan Closing, the Borrower shall also deliver to the Trust the Borrower Bond, as previously executed, attested and authenticated, upon the receipt of a written certification of the Trust that a portion of the net proceeds of the Trust Bonds shall be deposited in the Project Loan Account simultaneously with the delivery of the Borrower Bond.

(n) Notice of Material Adverse Change. The Borrower shall promptly notify the Trust of any material adverse change in the properties, activities, prospects or condition (financial or otherwise) of the Borrower or its Environmental Infrastructure System, or in the ability of the Borrower to make all Loan Repayments and otherwise to observe and perform its duties, covenants, obligations and agreements under this Loan Agreement and the Borrower Bond.

(o) Continuing Representations. The representations of the Borrower contained herein shall be true at the time of the execution of this Loan Agreement and at all times during the term of this Loan Agreement.

(p) Continuing Disclosure Covenant. To the extent that the Trust, in its sole discretion, determines, at any time prior to the termination of the Loan Term, that the Borrower is a material “obligated person”, as the term “obligated person” is defined in Rule 15c2-12, with materiality being determined by the Trust pursuant to criteria established, from time to time, by the Trust in its sole discretion and set forth in a bond resolution or official statement of the Trust, the Borrower hereby covenants that it will authorize and provide to the Trust, for inclusion in any preliminary official statement or official statement of the Trust, all statements and information relating to the Borrower and, if applicable, any Underlying Government Unit and Indirect Underlying Government Unit, deemed material by the Trust for the purpose of satisfying Rule 15c2-12 as well as Rule 10b-5 promulgated pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto (“Rule 10b-5”), including certificates and written representations of the Borrower evidencing its compliance with Rule 15c2-12 and Rule 10b-5; and the Borrower hereby further covenants that the Borrower shall execute and deliver the Continuing Disclosure Agreement, in substantially the form attached hereto as Exhibit H, with such revisions thereto prior to execution and delivery thereof as the Trust shall determine to be necessary, desirable or convenient, in its sole discretion, for the purpose of satisfying Rule 15c2-12 and the purposes and intent thereof, as
Rule 15c2-12, its purposes and intent may hereafter be interpreted from time to time by the SEC or any court of competent jurisdiction; and pursuant to the terms and provisions of the Continuing Disclosure Agreement, the Borrower shall thereafter provide on-going disclosure with respect to all statements and information relating to the Borrower and, if applicable, any Underlying Government Unit and Indirect Underlying Government Unit, in satisfaction of the requirements set forth in Rule 15c2-12 and Rule 10b-5, including, without limitation, the provision of certificates and written representations of the Borrower evidencing its compliance with Rule 15c2-12 and Rule 10b-5.

(q) Additional Covenants and Requirements. (i) No later than the Loan Closing and, if necessary, in connection with the Trust’s issuance of the Trust Bonds or the making of the Loan, additional covenants and requirements have been included in Exhibit F hereto and made a part hereof. Such covenants and requirements may include, but need not be limited to, the requirement that the Borrower enter into and execute or produce a validly existing Service Agreement, the maintenance of specified levels of Environmental Infrastructure System rates, the issuance of additional debt of the Borrower, the use by or on behalf of the Borrower of certain proceeds of the Trust Bonds as such use relates to the exclusion from gross income for federal income tax purposes of the interest on any Trust Bonds, the transfer of Revenues from the Borrower’s Environmental Infrastructure System, compliance with Rule 15c2-12, Rule 10b-5 and any other applicable federal or state securities laws, and matters in connection with the appointment of the Trustee under the Bond Resolution and any successors thereto. The Borrower hereby agrees to observe and comply with each such additional covenant and requirement, if any, included in Exhibit F hereto as if the same were set forth herein in its entirety. (ii) Additional defined terms, covenants, representations and requirements have been included in Schedule A attached hereto and made a part hereof. Such additional defined terms, covenants, representations and requirements are incorporated in this Loan Agreement by reference thereto as if set forth in full herein and the Borrower hereby agrees to observe and comply with each such additional term, covenant, representation and requirement included in Schedule A as if the same were set forth in its entirety where reference thereto is made in this Loan Agreement.
ARTICLE III

LOAN TO BORROWER; AMOUNTS PAYABLE; GENERAL AGREEMENTS

SECTION 3.01. Loan; Loan Term. The Trust hereby agrees to make the Loan as described in Exhibit A-2 hereof and to disburse proceeds of the Loan to the Borrower in accordance with Section 3.02 and Exhibit C hereof, and the Borrower hereby agrees to borrow and accept the Loan from the Trust upon the terms set forth in Exhibit A-2 attached hereto and made a part hereof; provided, however, that the Trust shall be under no obligation to make the Loan if (a) at the Loan Closing, the Borrower does not deliver to the Trust a Borrower Bond and such other documents required under Section 2.02(l) hereof, or (b) an Event of Default has occurred and is continuing under the Bond Resolution or this Loan Agreement. Although the Trust intends to disburse proceeds of the Loan to the Borrower at the times and up to the amounts set forth in Exhibit C to pay a portion of the Costs of the Project, due to unforeseen circumstances there may not be a sufficient amount on deposit in the Project Fund on any date to make the disbursement in such amount. Nevertheless, the Borrower agrees that the amount actually deposited in the Project Loan Account at the Loan Closing plus the Borrower’s allocable share of (i) certain costs of issuance and underwriter’s discount for all Trust Bonds issued to finance the Loan; (ii) capitalized interest during the Project construction period, if applicable; and (iii) that portion of the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution) attributable to the cost of funding reserve capacity for the Project, if applicable, shall constitute the initial principal amount of the Loan (as the same may be adjusted downward in accordance with the definition thereof), and neither the Trust nor the Trustee shall have any obligation thereafter to loan any additional amounts to the Borrower.

The Borrower shall use the proceeds of the Loan strictly in accordance with Section 2.01(h) hereof.

The payment obligations created under this Loan Agreement and the obligations to pay the principal of the Borrower Bond, Interest on the Borrower Bond and other amounts due under the Borrower Bond are each special obligations of the Borrower payable solely from the Revenues in accordance with the terms of and to the extent provided in the Borrower Bond Resolution.

SECTION 3.02. Disbursement of Loan Proceeds.

(a) The Trustee, as the agent of the Trust, shall disburse the amounts on deposit in the Project Loan Account to the Borrower upon receipt of a requisition executed by an Authorized Officer of the Borrower, and approved by the Trust, in a form meeting the requirements of Section 5.02(3) of the Bond Resolution.

(b) The Trust and Trustee shall not be required to disburse any Loan proceeds to the Borrower under this Loan Agreement, unless:

(i) the proceeds of the Trust Bonds shall be available for disbursement, as determined solely by the Trust;
(ii) in accordance with the Bond Act, and the Regulations, the Borrower shall have timely applied for, shall have been awarded and, prior to or simultaneously with the Loan Closing, shall have closed a Fund Loan for a portion of the Allowable Costs (as defined in such Regulations) of the Project in an amount not in excess of the amount of Allowable Costs of the Project financed by the Loan from the Trust;

(iii) the Borrower shall have on hand moneys to pay for the greater of (A) that portion of the total Costs of the Project that is not eligible to be funded from the Fund Loan or the Loan, or (B) that portion of the total Costs of the Project that exceeds the actual amounts of the loan commitments made by the State and the Trust, respectively, for the Fund Loan and the Loan; and

(iv) no Event of Default nor any event that, with the passage of time or service of notice or both, would constitute an Event of Default shall have occurred and be continuing hereunder.

SECTION 3.03. Amounts Payable.

(a) The Borrower shall repay the Loan in installments payable to the Trustee as follows:

(i) the principal of the Loan shall be repaid annually on the Principal Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof, as the same may be amended or modified by any credits applicable to the Borrower as set forth in the Bond Resolution;

(ii) the Interest Portion described in clause (i) of the definition thereof shall be paid semiannually on the Interest Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof, as the same may be amended or modified by any credits applicable to the Borrower as set forth in the Bond Resolution; and

(iii) the Interest Portion described in clause (ii) of the definition thereof shall be paid upon the date of optional redemption or acceleration, as the case may be, of the Trust Bonds allocable to any prepaid or accelerated Trust Bond Loan Repayment.

The obligations of the Borrower under the Borrower Bond shall be deemed to be amounts payable under this Section 3.03. Each Loan Repayment, whether satisfied through a direct payment by the Borrower to the Trustee or (with respect to the Interest Portion) through the use of Trust Bond proceeds and income thereon on deposit in the Interest Account (as defined in the Bond Resolution) to pay interest on the Trust Bonds, shall be deemed to be a credit against the corresponding obligation of the Borrower under this Section 3.03 and shall fulfill the Borrower’s obligation to pay such amount hereunder and under the Borrower Bond. Each payment made to the Trustee pursuant to this Section 3.03 shall be applied first to the Interest Portion then due and payable, second to the principal of the Loan then due and payable, third to the payment of the Administrative Fee, and finally to the payment of any late charges hereunder.
(b) The Interest on the Loan described in clause (iii) of the definition thereof shall (i) consist of a late charge for any Trust Bond Loan Repayment that is received by the Trustee later than the tenth (10th) day following its due date and (ii) be payable immediately thereafter in an amount equal to the greater of twelve percent (12%) per annum or the Prime Rate plus one half of one percent per annum on such late payment from its due date to the date it is actually paid; provided, however, that the rate of Interest on the Loan, including, without limitation, any late payment charges incurred hereunder, shall not exceed the maximum interest rate permitted by law.

(c) The Borrower shall receive, as a credit against its semiannual payment obligations of the Interest Portion, the amounts certified by the Trust pursuant to Section 5.10 of the Bond Resolution. Such amounts shall represent the Borrower’s allocable share of the interest earnings on certain funds and accounts established under the Bond Resolution, calculated in accordance with Section 5.10 of the Bond Resolution.

(d) In accordance with the provisions of the Bond Resolution, the Borrower shall receive, as a credit against its Trust Bond Loan Repayments, the amounts set forth in the certificate of the Trust filed with the Trustee pursuant to Section 5.02(4) of the Bond Resolution.

(e) The Interest on the Loan described in clause (ii) of the definition thereof shall be paid by the Borrower in the amount of one-half of the Administrative Fee, if any, to the Trustee semiannually on each February 1 and August 1, commencing August 1, 2014.

(f) See Section 3.03(f) as set forth in Schedule A attached hereto, made a part hereof and incorporated herein by reference as if set forth in full herein.

(g) Upon thirty (30) days prior written notice to the Borrower, an Authorized Officer of the Trust may, in the sole discretion of such Authorized Officer, prescribe the particular method by which payments pursuant to, and in satisfaction of, this Section 3.03 shall be made by the Borrower. Such method as prescribed by an Authorized Officer of the Trust may include, without limitation, the automatic debit by the Trust or the Trustee of the respective amounts of such payments, as required by this Section 3.03, from an account that shall be identified by the Borrower in writing and recorded on file with the Trust and the Trustee. In the absence of any such written notice to the Borrower by an Authorized Officer of the Trust pursuant to this subsection (g), the Borrower shall implement the payments required pursuant to, and in satisfaction of, this Section 3.03 either via electronic transfer of immediately available funds or via check.

SECTION 3.03A. Amounts on Deposit in Project Loan Account After Completion of Project Draws.

(a) If, on the date which is one hundred eighty (180) days following the final date for which a disbursement of Loan proceeds is scheduled to be made pursuant to Exhibit C hereto, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower must provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to
complete the Project, and (iv) providing a revised draw schedule, in a form similar to Exhibit C hereto and approved by the Department.

(b) If, on the date which is one hundred eighty (180) days following the final date for which a disbursement of Loan proceeds is scheduled to be made pursuant to a revised draw schedule certified to the Trust and the Department in accordance with Section 3.03A(a) hereof, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower must provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a revised draw schedule, in a form similar to Exhibit C hereto and approved by the Department.

(c) If the Borrower fails to provide the certificate described in paragraphs (a) or (b) of this Section 3.03A, when due, or if such certificate, or a certificate provided pursuant to Section 2.02(e)(xvi) hereof, states that the Borrower does not require all or any portion of the amount on deposit in the Project Loan Account to complete the Project, such amounts on deposit in the Project Loan Account which are not certified by an Authorized Officer of the Borrower as being required to complete the Project (“Excess Project Funds”) shall be applied as follows:

(i) If the Excess Project Funds are less than or equal to the greater of (A) $250,000 or (B) the amount of Loan Repayments due from the Borrower to the Trust in the next succeeding calendar year, the Excess Project Funds shall be applied by the Trust toward the Borrower’s obligation to make the Loan Repayments next coming due; or

(ii) If the Excess Project Funds are greater than the greater of (A) $250,000 or (B) the amount of Loan Repayments due from the Borrower to the Trust in the next succeeding calendar year, the Excess Project Funds shall be applied by the Trust as a prepayment of the Borrower’s Loan Repayments, and shall be applied to the principal payments (including premium, if any) on the Loan in inverse order of their maturity.

SECTION 3.04. Unconditional Obligations. The obligation of the Borrower to make the Loan Repayments and all other payments required hereunder and the obligation to perform and observe the other duties, covenants, obligations and agreements on its part contained herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever while any Trust Bonds remain outstanding or any Loan Repayments remain unpaid, for any reason, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project or Environmental Infrastructure System, commercial frustration of the purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any governmental authority, any failure of the Trust or the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Project, this Loan Agreement or the Bond Resolution, or any rights of set-off, recoupment, abatement or counterclaim that the Borrower might otherwise have against the Trust, the Trustee or any other
party or parties; provided, however, that payments hereunder shall not constitute a waiver of any such rights. The Borrower shall not be obligated to make any payments required to be made by any other Borrowers under separate Loan Agreements or the Bond Resolution.

The Borrower acknowledges that payment of the Trust Bonds by the Trust, including payment from moneys drawn by the Trustee from the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution), does not constitute payment of the amounts due under this Loan Agreement and the Borrower Bond. If at any time the amount in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Requirement as the result of any transfer of moneys from the Debt Service Reserve Fund to the Debt Service Fund (as all such terms are defined in the Bond Resolution) as the result of a failure by the Borrower to make any Trust Bond Loan Repayments required hereunder, the Borrower agrees to replenish (i) such moneys so transferred and (ii) any deficiency arising from losses incurred in making such transfer as the result of the liquidation by the Trust of Investment Securities (as defined in the Bond Resolution) acquired as an investment of moneys in the Debt Service Reserve Fund, by making payments to the Trust in equal monthly installments for the lesser of six (6) months or the remaining term of the Loan at an interest rate to be determined by the Trust necessary to make up any loss caused by such deficiency.

The Borrower acknowledges that payment of the Trust Bonds from moneys that were originally received by the Trustee pursuant to Section 5.04(1) of the Bond Resolution from repayments by the Borrowers of loans made to the Borrowers by the State, acting by and through the Department, pursuant to loan agreements dated as of May 1, 2014 by and between the Borrowers and the State, acting by and through the Department, to finance or refinance a portion of the Costs of the Environmental Infrastructure Facilities of the Borrowers, does not constitute payment of the amounts due under this Loan Agreement and the Borrower Bond.

SECTION 3.05. Loan Agreement to Survive Bond Resolution and Trust Bonds.

The Borrower acknowledges that its duties, covenants, obligations and agreements hereunder shall survive the discharge of the Bond Resolution applicable to the Trust Bonds and shall survive the payment of the principal and redemption premium, if any, of and the interest on the Trust Bonds until the Borrower can take no action or fail to take any action that could adversely affect the exclusion from gross income of the interest on the Trust Bonds for purposes of federal income taxation, at which time such duties, covenants, obligations and agreements hereunder shall, except for those set forth in Sections 3.06(a) and (b) hereof, terminate.

SECTION 3.06. Disclaimer of Warranties and Indemnification.

(a) The Borrower acknowledges and agrees that (i) neither the Trust nor the Trustee makes any warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the Environmental Infrastructure System or the Project or any portions thereof or any other warranty or representation with respect thereto; (ii) in no event shall the Trust or the Trustee or their respective agents be liable or responsible for any incidental, indirect, special or consequential damages in connection with or arising out of this Loan Agreement or the Project or the existence, furnishing, functioning or use of the Environmental Infrastructure System or the Project or any item or products or services provided for in this Loan Agreement; and (iii) to the fullest extent
permitted by law, the Borrower shall indemnify and hold the Trust and the Trustee harmless against, and the Borrower shall pay any and all, liability, loss, cost, damage, claim, judgment or expense of any and all kinds or nature and however arising and imposed by law, which the Trust and the Trustee may sustain, be subject to or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, or upon or arising out of contracts entered into by the Borrower, the Borrower’s ownership of the Environmental Infrastructure System or the Project, or the acquisition, construction or installation of the Project.

(b) It is mutually agreed by the Borrower, the Trust and the Trustee that the Trust and its officers, agents, servants or employees shall not be liable for, and shall be indemnified and saved harmless by the Borrower in any event from, any action performed under this Loan Agreement and any claim or suit of whatsoever nature, except in the event of loss or damage resulting from their own negligence or willful misconduct. It is further agreed that the Trustee and its directors, officers, agents, servants or employees shall not be liable for, and shall be indemnified and saved harmless by the Borrower in any event from, any action performed pursuant to this Loan Agreement, except in the event of loss or damage resulting from their own negligence or willful misconduct.

(c) The Borrower and the Trust agree that all claims shall be subject to and governed by the provisions of the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. (except for N.J.S.A. 59:13-9 thereof), although such Act by its express terms does not apply to claims arising under contract with the Trust.

(d) In connection with its obligation to provide the insurance required under Section 2.02(j) hereof: (i) the Borrower shall include, or cause to be included, the Trust and its directors, employees and officers as additional “named insureds” on (A) any certificate of liability insurance procured by the Borrower (or other similar document evidencing the liability insurance coverage procured by the Borrower) and (B) any certificate of liability insurance procured by any contractor or subcontractor for the Project, and from the later of the date of the Loan Closing or the date of the initiation of construction of the Project until the date the Borrower receives the written certificate of Project completion from the Trust, the Borrower shall maintain said liability insurance covering the Trust and said directors, employees and officers in good standing; and (ii) the Borrower shall include the Trust as an additional “named insured” on any certificate of insurance providing against risk of direct physical loss, damage or destruction of the Environmental Infrastructure System, and during the Loan Term the Borrower shall maintain said insurance covering the Trust in good standing.

The Borrower shall provide the Trust with a copy of each of any such original, supplemental, amendatory or reissued certificates of insurance (or other similar documents evidencing the insurance coverage) required pursuant to this Section 3.06(d).

SECTION 3.07. Option to Prepay Loan Repayments. The Borrower may prepay the Trust Bond Loan Repayments, in whole or in part (but if in part, in the amount of $100,000 or any integral multiple thereof), upon prior written notice to the Trust and the Trustee not less than ninety (90) days in addition to the number of days’ advance notice to the Trustee required for any optional redemption of the Trust Bonds, and upon payment by the Borrower to the
Trustee of amounts that, together with investment earnings thereon, will be sufficient to pay the principal amount of the Trust Bond Loan Repayments to be prepaid plus the Interest Portion described in clause (ii) of the definition thereof on any such date of redemption; provided, however, that, with respect to any prepayment other than those required by Section 3.03A hereof, any such full or partial prepayment may only be made (i) if the Borrower is not then in arrears on its Fund Loan, (ii) if the Borrower is contemporaneously making a full or partial prepayment of the Fund Loan such that, after the prepayment of the Loan and the Fund Loan, the Trust, in its sole discretion, determines that the interests of the owners of the Trust Bonds are not adversely affected by such prepayments, and (iii) upon the prior written approval of the Trust. In addition, if at the time of such prepayment the Trust Bonds may only be redeemed at the option of the Trust upon payment of a premium, the Borrower shall add to its prepayment of Trust Bond Loan Repayments an amount, as determined by the Trust, equal to such premium allocable to the Trust Bonds to be redeemed as a result of the Borrower’s prepayment. Prepayments shall be applied first to the Interest Portion that accrues on the portion of the Loan to be prepaid until such prepayment date as described in clause (ii) of the definition thereof and then to principal payments (including premium, if any) on the Loan in inverse order of their maturity.

SECTION 3.08. Priority of Loan and Fund Loan.

(a) The Borrower hereby acknowledges that, to the extent allowed by law, any Loan Repayments then due and payable on the Loan shall be satisfied by the Trustee before any loan repayments on the Borrower’s Fund Loan shall be satisfied by the Trustee. The Borrower agrees not to interfere with any such action by the Trustee.

(b) The Borrower hereby acknowledges that in the event the Borrower fails or is unable to pay promptly to the Trust in full any Trust Bond Loan Repayments under this Loan Agreement when due, then any (i) Administrative Fee paid hereunder, (ii) late charges paid hereunder, and (iii) loan repayments paid by the Borrower on its Fund Loan under the related loan agreement therefor, any of which payments shall be received by the Trustee during the time of any such Trust Bond Loan Repayment deficiency, shall be applied by the Trustee first to satisfy such Trust Bond Loan Repayment deficiency as a credit against the obligations of the Borrower to make payments of the Interest Portion under the Loan and the Borrower Bond, second, to the extent available, to make Trust Bond Loan Repayments of principal hereunder and payments of principal under the Borrower Bond, third, to the extent available, to pay the Administrative Fee, fourth, to the extent available, to pay any late charges hereunder, fifth, to the extent available, to satisfy the repayment of the Borrower’s Fund Loan under its related loan agreement therefor, and finally, to the extent available, to satisfy the repayment of the administrative fee under any such related loan agreement.

The Borrower hereby acknowledges the requirements of the Bond Resolution applicable to the Trust Bonds and consents to such assignment and appointment. This Loan Agreement and the Borrower Bond, including, without limitation, the right to receive payments required to be made by the Borrower hereunder and to compel or otherwise enforce observance and performance by the Borrower of its other duties, covenants, obligations and agreements hereunder, may be further transferred, assigned and reassigned in whole or in part to one or more assignees or subassignees by the Trustee at any time subsequent to their execution without the necessity of obtaining the consent of, but after giving prior written notice to, the Borrower.

The Trust shall retain the right to compel or otherwise enforce observance and performance by the Borrower of its duties, covenants, obligations and agreements under Section 2.02(d)(ii) hereof; provided, however, that in no event shall the Trust have the right to accelerate the Borrower Bond in connection with the enforcement of Section 2.02(d)(ii) hereof.

(b) The Borrower hereby approves and consents to any assignment or transfer of this Loan Agreement and the Borrower Bond that the Trust deems to be necessary in connection with any refunding of the Trust Bonds or the issuance of additional bonds under the Bond Resolution or otherwise, all in connection with the pooled loan program of the Trust.

SECTION 4.02. Assignment by Borrower. Neither this Loan Agreement nor the Borrower Bond may be assigned by the Borrower for any reason, unless the following conditions shall be satisfied: (i) the Trust and the Trustee shall have approved said assignment in writing; (ii) the assignee shall have expressly assumed in writing the full and faithful observance and performance of the Borrower’s duties, covenants, obligations and agreements under this Loan Agreement and, to the extent permitted under applicable law, the Borrower Bond; (iii) immediately after such assignment, the assignee shall not be in default in the observance or performance of any duties, covenants, obligations or agreements of the Borrower under this Loan Agreement or the Borrower Bond; and (iv) the Trust shall have received an opinion of Bond Counsel to the effect that such assignment will not adversely affect the security of the holders of the Trust Bonds or the exclusion of the interest on the Trust Bonds from gross income for purposes of federal income taxation under Section 103(a) of the Code.

SECTION 5.03. Remedies on Default. Whenever an Event of Default referred to in Section 5.01 hereof shall have occurred and be continuing, the Borrower acknowledges the rights of the Trustee and of any Bond Insurer to direct any and all remedies in accordance with the terms of the Bond Resolution, and the Borrower also acknowledges that the Trust shall have the right to take, or to direct the Trustee to take, any action permitted or required pursuant to the Bond Resolution and to take whatever other action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce the observance and performance of any duty, covenant, obligation or agreement of the Borrower hereunder.

In addition, if an Event of Default referred to in Section 5.01(a) hereof shall have occurred and be continuing, the Trust shall, to the extent allowed by applicable law and to the extent and in the manner set forth in the Bond Resolution, have the right to declare, or to direct the Trustee to declare, all Loan Repayments and all other amounts due hereunder (including, without limitation, payments under the Borrower Bond) together with the prepayment premium, if any, calculated pursuant to Section 3.07 hereof to be immediately due and payable, and upon notice to the Borrower the same shall become due and payable without further notice or demand.

SECTION 5.04. Attorneys’ Fees and Other Expenses. The Borrower shall on demand pay to the Trust or the Trustee the reasonable fees and expenses of attorneys and other reasonable expenses (including, without limitation, the reasonably allocated costs of in-house counsel and legal staff) incurred by either of them in the collection of Trust Bond Loan Repayments or any other sum due hereunder or in the enforcement of the observation or performance of any other duties, covenants, obligations or agreements of the Borrower upon an Event of Default.

SECTION 5.05. Application of Moneys. Any moneys collected by the Trust or the Trustee pursuant to Section 5.03 hereof shall be applied (a) first, to pay any attorneys’ fees or other fees and expenses owed by the Borrower pursuant to Section 5.04 hereof, (b) second, to the extent available, to pay the Interest Portion then due and payable, (c) third, to the extent available, to pay the principal due and payable on the Loan, (d) fourth, to the extent available, to pay the Administrative Fee, any late charges incurred hereunder or any other amounts due and
payable under this Loan Agreement, and (e) *fifth*, to the extent available, to pay the Interest Portion and the principal on the Loan and other amounts payable hereunder as such amounts become due and payable.

**SECTION 5.06. No Remedy Exclusive; Waiver; Notice.** No remedy herein conferred upon or reserved to the Trust or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any Event of Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trust or the Trustee to exercise any remedy reserved to it in this Article V, it shall not be necessary to give any notice other than such notice as may be required in this Article V.

**SECTION 5.07. Retention of Trust’s Rights.** Notwithstanding any assignment or transfer of this Loan Agreement pursuant to the provisions hereof or of the Bond Resolution, or anything else to the contrary contained herein, the Trust shall have the right upon the occurrence of an Event of Default to take any action, including (without limitation) bringing an action against the Borrower at law or in equity, as the Trust may, in its discretion, deem necessary to enforce the obligations of the Borrower to the Trust pursuant to Section 5.03 hereof.

This Loan Agreement, the Service Agreement and the Borrower Bond have each been duly authorized by the Borrower and duly executed, attested and delivered by Authorized Officers of the Borrower, and the Borrower Bond has been duly sold by the Borrower to the Trust, duly authenticated by the trustee or paying agent under the Borrower Bond Resolution and duly issued by the Borrower in accordance with the terms of the Borrower Bond Resolution; and assuming that the other parties to this Loan Agreement and the Service Agreement have all the requisite power and authority to authorize, execute, attest and deliver, and have duly authorized, executed, attested and delivered, this Loan Agreement and the Service Agreement, and assuming further that this Loan Agreement and the Service Agreement are the legal, valid and binding obligations of the other parties thereto, enforceable against such other parties in accordance with their
respective terms, each of this Loan Agreement, the Service Agreement and the Borrower Bond constitutes a legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its respective terms, except as the enforcement thereof may be affected by bankruptcy, insolvency or other laws or the application by a court of legal or equitable principles affecting creditors’ rights; and the information contained under “Description of Loan” in Exhibit A-2 attached hereto and made a part hereof is true and accurate in all respects.

OR

[NO SERVICE AGREEMENT]

This Loan Agreement and the Borrower Bond have each been duly authorized by the Borrower and duly executed, attested and delivered by Authorized Officers of the Borrower, and the Borrower Bond has been duly sold by the Borrower to the Trust, duly authenticated by the trustee or paying agent under the Borrower Bond Resolution and duly issued by the Borrower in accordance with the terms of the Borrower Bond Resolution; and assuming that the Trust has all the requisite power and authority to authorize, execute, attest and deliver, and has duly authorized, executed, attested and delivered, this Loan Agreement, and assuming further that this Loan Agreement is the legal, valid and binding obligation of the Trust, enforceable against the Trust in accordance with its terms, each of this Loan Agreement and the Borrower Bond constitutes a legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its respective terms, except as the enforcement thereof may be affected by bankruptcy, insolvency or other laws or the application by a court of legal or equitable principles affecting creditors’ rights; and the information contained under “Description of Loan” in Exhibit A-2 attached hereto and made a part hereof is true and accurate in all respects.

SECTION 2.02(a)(ii):

[SERVICE AGREEMENT]

The Borrower acknowledges that to assure the continued operation and solvency of the Trust and to further secure the Trust Bonds, the Trust may, pursuant to and in accordance with Section 12a of the Act, require that if the Borrower fails or is unable to pay promptly to the Trust in full any Loan Repayments, an amount sufficient to satisfy such deficiency shall be paid by the New Jersey State Treasurer to the Trust from State-aid otherwise payable to the Underlying Government Unit [(other than an Authority Underlying Government Unit)].

OR

[NO SERVICE AGREEMENT]

Section 2.02(a)(ii) is not applicable to this Loan Agreement.
SECTION 2.02(c):

[JUNIOR LIEN BONDS ONLY]

Notwithstanding anything to the contrary in Section 2.02(c) of this Loan Agreement, the Trust and the State hereby acknowledge that revenues as defined under the Senior Lien Bond Resolution have a prior lien on revenues of the System to the revenues defined under the junior lien bond resolution.

OR

Section 2.02(c) shall not include any additional provisions.

SECTION 2.02(f)(xi):

[NO RESERVE OR REPLACEMENT FUND]

The Borrower will not have a reserve or replacement fund (within the meaning of Section 148(d)(1) of the Code) allocable to the Borrower Bond evidencing the Loan.

OR

[RESERVE OR REPLACEMENT FUND]

The Borrower has a reserve or replacement fund (within the meaning of Section 148(d)(1) of the Code) that is allocable to the Borrower Bond evidencing the Loan, and such reserve or replacement fund is financed with indebtedness of the Borrower, the interest on which is excluded from gross income for purposes of federal income taxation. Accordingly, amounts held in the reserve or replacement fund allocable to the Borrower Bond evidencing the Loan shall be invested by the Borrower at a yield not in excess of the yield on the Trust Bonds throughout the term of the Loan, unless the Borrower receives prior written approval of the Trust. The amount so paid to the Trustee shall be deemed to be a credit against the obligations of the Borrower under this Section 3.03, and any such payment made to the Trustee shall fulfill the Borrower’s obligation to pay such amount under this Loan Agreement and the Borrower Bond. Each such payment so made to the Trustee shall be applied first to the Interest Portion then due and payable, second, to the extent available, to the principal of the Loan then due and payable, third, to the extent available, to the Administrative Fee, fourth, to the extent available, to the payment of any late charges incurred hereunder, and finally, to the extent available, to any other payment required under this Loan Agreement.

(ii) In the event that the Borrower fails or is unable to pay promptly to the Trust in full any Loan Repayment or any other payment required under this Loan Agreement when due and the Underlying Government Unit (other than an Authority Underlying Government Unit), which has entered into the Service Agreement with the Borrower, fails to satisfy the resulting payment deficiency when due, the Borrower hereby acknowledges that the Trust may exercise its right under and in accordance with Section 12a of the Act to satisfy such deficiency from State-aid payable to the Underlying Government Unit (other than an Authority Underlying Government Unit). The amount of State-aid so paid to the Trustee shall be deemed to be a credit against the obligations of the Borrower under this Section 3.03, and any such payment made to the Trustee shall fulfill the Borrower’s obligation to pay such amount under this Loan Agreement and the Borrower Bond. Each such payment of State-aid so made to the Trustee shall be applied first to the Interest Portion then due and payable, second, to the extent available, to the principal of the Loan then due and payable, third, to the extent available, to the Administrative Fee, fourth, to the extent available, to the payment of any late charges incurred hereunder, and finally, to the extent available, to any other payment required under this Loan Agreement.

In so acting, we have examined the Constitution and laws of the State of New Jersey, including, without limitation, the Borrower Enabling Act and the ordinance(s) of [_________] creating the Borrower and the by-laws of the Borrower. We have also examined originals, or copies certified or otherwise identified to our satisfaction, of the following:

[(IF JUNIOR LIEN BOND RESOLUTION) [(f) [(g)] [(i)] the bond resolution of the Borrower (the “Senior Lien Bond Resolution”) authorizing the issuance of bonds, notes or other debt obligations outstanding that are superior or senior to the Borrower Bond as to lien on, and source and security for payment thereof from, the Revenues (the “Senior Lien Bonds”).]

We have also examined and relied upon originals, or copies certified or otherwise authenticated to our satisfaction, of such other records, documents, certificates and other instruments, and have made such investigation of law as in our judgment we have deemed necessary or appropriate, to enable us to render the opinions expressed below.

We are of the opinion that:

1. The Borrower is a [municipal/county utilities authority] [sewerage authority] [political subdivision] duly created and validly existing under and pursuant to the Constitution and statutes of the State of New Jersey, including the Borrower Enabling Act, with the legal right to carry on the business of its Environmental Infrastructure System as currently being conducted and as proposed to be conducted.

2. The Borrower has full legal right and authority to execute, attest and deliver the Loan Documents, to sell the Borrower Bond to the Trust, to cause the authentication of the
Borrower Bond, to observe and perform its duties, covenants, obligations and agreements under the Loan Documents and to undertake and complete the Project.

3. The acting officials of the Borrower who are contemporaneously herewith performing or have previously performed any action contemplated in the Loan Agreement are, and at the time any such action was performed were, the duly appointed or elected officials of the Borrower empowered by applicable New Jersey law and authorized by ordinance or resolution of the Borrower to perform such actions.

4. In accordance with the terms of the Resolution and to the extent provided therein, the Borrower has unconditionally and irrevocably pledged the Revenues of its Environmental Infrastructure System for the punctual payment of the Loan Repayments and all other amounts due under the Loan Documents according to their respective terms.

5. The proceedings of the Borrower’s governing body (i) approving the Loan Documents, (ii) authorizing their execution, attestation and delivery on behalf of the Borrower, (iii) with respect to the Borrower Bond only, authorizing its sale by the Borrower to the Trust and authorizing its authentication on behalf of the Borrower, (iv) authorizing the Borrower to consummate the transactions contemplated by the Loan Documents, (v) authorizing the Borrower to undertake and complete the Project, [(vi) authorizing the approval of the inclusion in the Official Statement of the Borrower Appendices,] and (vi) [(vii)] authorizing the execution and delivery of all other certificates, agreements, documents and instruments in connection with the execution, attestation and delivery of the Loan Documents, [including, without limitation, the designation of the Borrower Appendices portion of the Preliminary Official Statement as “deemed final” for the purposes and within the meaning of Rule 15c2-12(b)(1) of the Securities Exchange Act of 1934, as amended, as promulgated by the Securities and Exchange Commission,] have each been duly and lawfully adopted and authorized in accordance with applicable law and applicable resolutions of the Borrower, including, without limitation, the Resolution, the other Proceedings, the Borrower Enabling Act and the Local Authorities Fiscal Control Law, which Proceedings constitute all of the actions necessary to be taken by the Borrower to authorize its actions contemplated by clauses (i) through (vi) [(vii)] above and which Proceedings, including, without limitation, the Resolution, were duly adopted and published, where necessary, in accordance with applicable New Jersey law at a meeting or meetings duly called pursuant to necessary public notice and held in accordance with applicable New Jersey law and at which quorums were present and acting throughout.

6. The Loan Documents have been duly authorized, executed, attested and delivered by the Authorized Officers of the Borrower, the Borrower Bond has been duly sold by the Borrower to the Trust, and the Borrower Bond has been duly authenticated by the trustee or paying agent under the Resolution; and assuming in the case of the Loan Agreement that the Trust has the requisite power and authority to authorize, execute, attest and deliver, and has duly authorized, executed, attested and delivered, the Loan Agreement, the Loan Documents constitute the legal, valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms, subject, however, to the effect of, and to restrictions and limitations imposed by or resulting from, bankruptcy, insolvency, moratorium,
reorganization or other similar laws affecting creditors’ rights generally. No opinion is rendered as to the availability of any particular remedy.

7. The authorization, execution, attestation and delivery of the Loan Documents by the Borrower and, in the case of the Borrower Bond only, the authentication thereof by the trustee or paying agent under the Resolution and the sale thereof to the Trust, the observation and performance by the Borrower of its duties, covenants, obligations and agreements thereunder, the consummation of the transactions contemplated therein, and the undertaking and completion of the Project do not and will not (i) result in any breach of any of the terms, conditions or provisions of, or (ii) constitute a default under, any existing ordinance or resolution, outstanding debt or lease obligation, trust agreement, indenture, mortgage, deed of trust, loan agreement or other instrument to which the Borrower is a party or by which the Borrower, its Environmental Infrastructure System or any of its properties or assets may be bound, nor will such action result in any violation of the provisions of the charter or other document pursuant to which the Borrower was established or any laws, ordinances, injunctions, judgments, decrees, rules, regulations or existing orders of any court or governmental or administrative agency, authority or person to which the Borrower, its Environmental Infrastructure System or its properties or operations is subject.

8. All approvals, consents or authorizations of, or registrations of or filings with, any governmental or public agency, authority or person required to date on the part of the Borrower in connection with the authorization, execution, attestation, delivery and performance of the Loan Documents, the sale of the Borrower Bond and the undertaking and completion of the Project have been obtained or made.

[9. The Borrower and the Underlying Government Unit had and have the right and power under the Constitution and statutes of the State of New Jersey to enter into and execute the Service Agreement and to observe and perform all of their respective duties, covenants, obligations and agreements thereunder, and the Service Agreement has been duly executed and delivered by the Borrower and the Underlying Government Unit and constitutes a valid and legally binding obligation of each of them, enforceable against each of them in accordance with its terms, and obligates the Underlying Government Unit to make payment to the Borrower of Annual Charges as defined in and when due under the Service Agreement.]
their respective duties, covenants, obligations and agreements thereunder, and the Indirect Service Agreement has been duly executed and delivered by the Authority Underlying Government Unit and the Indirect Underlying Government Unit and constitutes a valid and legally binding obligation of each of them, enforceable against each of them in accordance with its terms, and obligates the Indirect Underlying Government Unit to make payment to the Authority Underlying Government Unit of Annual Charges (the “Indirect Annual Charges”) as defined in and when due under the Indirect Service Agreement.]

[10. The Annual Charges payable by the Underlying Government Unit under the Service Agreement constitute valid, binding, direct and general obligations of the Underlying Government Unit [in accordance with the Borrower Enabling Act], and the Underlying Government Unit has the power and is obligated, if necessary, to levy \textit{ad valorem} taxes upon all the taxable property located in the Underlying Government Unit for the payment of such Annual Charges as the same become due, without limitation as to rate or amount.]

[10. The Annual Charges payable by the Underlying Government Unit under the Service Agreement constitute valid, binding, direct and general obligations of the Municipal Underlying Government Unit and valid, binding and direct obligations of the Authority Underlying Government Unit, and the Municipal Underlying Government Unit has the power and is obligated, if necessary, to levy \textit{ad valorem} taxes upon all the taxable property located in the Municipal Underlying Government Unit for the payment of such Annual Charges as the same become due, without limitation as to rate or amount.

The Indirect Annual Charges payable by the Indirect Underlying Government Unit under the Indirect Service Agreement constitute valid, binding, direct and general obligations of the Indirect Underlying Government Unit, and the Indirect Underlying Government Unit has the power and is obligated, if necessary, to levy \textit{ad valorem} taxes upon all the taxable property located in the Indirect Underlying Government Unit for the payment of such Indirect Annual Charges as the same become due, without limitation as to rate or amount.]

[11.][9.] There is no litigation or other proceeding pending or, to our knowledge, after due inquiry, threatened in any court or other tribunal of competent jurisdiction (either state or federal) (i) questioning the creation, organization or existence of the Borrower[,][or] [the Underlying Government Unit] [or the Indirect Underlying Government Unit], (ii) questioning the validity, legality or enforceability of the Resolution, the Loan[,] [or] the Loan Documents[,] [or] [the Service Agreement] [or the Indirect Service Agreement], (iii) questioning the undertaking or completion of the Project, (iv) otherwise challenging the Borrower’s ability to consummate the transactions contemplated by the Loan[,] [or] the Loan Documents[,] [or] [the Service Agreement] [or the Indirect Service Agreement], ((v) questioning the imposition or collection of the Annual Charges [or the Indirect Annual Charges],) or [(v)] [(vi)] that, if adversely decided, would have a materially adverse impact on the financial condition of the Borrower.

[12.] [10.] [(IF JUNIOR LIEN BONDS) Other than any Senior Lien Bonds,] [T]he Borrower has no bonds, notes or other debt obligations outstanding that are superior or senior to the Borrower Bond as to lien on, and source and security for payment thereof from, the Revenues.
[13.] To the best of our knowledge, upon due inquiry, (i) all representations made by the Borrower contained within subsections (f) and (h) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement are true, accurate and complete, and (ii) all expectations contained therein are reasonable, and we know of no reason why the Borrower would be unable to comply on a continuing basis with the covenants contained within subsections (f) and (h) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement.

[14.] Assuming that (i) the Borrower complies on a continuing basis with the covenants contained in subsections (f) and (h) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement, (ii) interest on the Trust Bonds is otherwise excluded from gross income of the holders thereof for federal income tax purposes under the Internal Revenue Code of 1986, as amended, and (iii) the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Loan for their intended purposes will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds and no portion of the Trust Bonds will be used in a private use, within the meaning of Section 141 of the Code.

We hereby authorize McCarter & English, LLP, acting as bond counsel to the Trust, and the Attorney General of the State of New Jersey, acting as general counsel to the Trust, to rely on this opinion as if we had addressed this opinion to them in addition to you.

Very truly yours,

(vi) The Borrower shall not use the proceeds of the Trust Bonds (assuming solely for this purpose that the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Trust Bonds) in any manner that would cause the Trust Bonds to be considered “federally guaranteed” within the meaning of Section 149(b) of the Code or “hedge bonds” within the meaning of Section 149(g) of the Code.

(vii) The Borrower shall not issue any debt obligations that (A) are sold at substantially the same time as the Trust Bonds and finance or refinance the Loan made to the Borrower, (B) are sold pursuant to the same plan of financing as the Trust Bonds and finance or refinance the Loan made to the Borrower, and (C) are reasonably expected to be paid out of substantially the same source of funds as the Trust Bonds and finance or refinance the Loan made to the Borrower.

The Borrower shall make such records available to the Trust within 15 days of any request by the Trust.

(iii) Unless otherwise advised in writing by the Trust, in furtherance of the covenant of the Borrower contained in subsection (f) of this Section 2.02 not to cause the Trust Bonds to be arbitrage bonds, the Borrower shall keep, or cause to be kept, accurate records of each investment it makes in any “nonpurpose investment” acquired with, or otherwise allocated to, “gross proceeds” of the Trust Bonds not held by the Trustee and each “expenditure” it makes allocated to “gross proceeds” of the Trust Bonds. Such records shall include the purchase price, including any constructive “payments” (or in the case of a “payment” constituting a deemed acquisition of a “nonpurpose investment” (e.g., a “nonpurpose investment” first allocated to “gross proceeds” of the Trust Bonds after it is actually acquired because it is deposited in a sinking fund for the Trust Bonds)), the “fair market value” of the “nonpurpose investment” on the date first allocated to the “gross proceeds” of the Trust Bonds, nominal interest rate, dated date, maturity date, type of property, frequency of periodic payments, period of compounding, yield to maturity, amount actually or constructively received on disposition (or in the case of a “receipt” constituting a deemed disposition of a “nonpurpose investment” (e.g., a “nonpurpose investment” that ceases to be allocated to the “gross proceeds” of the Trust Bonds because it is removed from a sinking fund for the Trust Bonds)), the “fair market value” of the “nonpurpose investment” on the date it ceases to be allocated to the “gross proceeds” of the Trust Bonds, the purchase date and disposition date of the “nonpurpose investment” and evidence of the “fair market value” of such property on the purchase date and disposition date (or deemed purchase or disposition date) for each such “nonpurpose investment”. The purchase date, disposition date and the date of determination of “fair market value” shall be the date on which a contract to purchase or sell the “nonpurpose investment” becomes binding, i.e., the trade date rather than the settlement date. For purposes of the calculation of purchase price and disposition price, brokerage or selling commissions, administrative expenses or similar expenses shall not increase the purchase price of an item and shall not reduce the amount actually or constructively received upon disposition of an item, except to the extent such costs constitute “qualified administrative costs”.

-14-
(iv) Within thirty (30) days of the last day of the fifth and each succeeding fifth “bond year” (which, unless otherwise advised by the Trust, shall be the five-year period ending on the date five years subsequent to the date immediately preceding the date of issuance of the Trust Bonds and each succeeding fifth “bond year”) and within thirty (30) days of the date the last bond that is part of the Trust Bonds is discharged (or on any other periodic basis requested in writing by the Trust), the Borrower shall (A) calculate, or cause to be calculated, the “rebate amount” as of the “computation date” or “final computation date” attributable to any “nonpurpose investment” made by the Borrower and (B) remit the following to the Trust: (1) an amount of money that when added to the “future value” as of the “computation date” of any previous payments made to the Trust on account of rebate equals the “rebate amount”, (2) the calculations supporting the “rebate amount” attributable to any “nonpurpose investment” made by the Borrower allocated to “gross proceeds” of the Trust Bonds, and (3) any other information requested by the Trust relating to compliance with Section 148 of the Code (e.g., information related to any “nonpurpose investment” of the Borrower for purposes of application of the “universal cap”).

(v) The Borrower covenants and agrees that it will account for “gross proceeds” of the Trust Bonds, investments allocable to the Trust Bonds and expenditures of “gross proceeds” of the Trust Bonds in accordance with Treasury Regulations §1.148-6. All allocations of “gross proceeds” of the Trust Bonds to expenditures will be recorded on the books of the Borrower kept in connection with the Trust Bonds no later than 18 months after the later of the date the particular Costs of the Borrower’s Project is paid or the date the portion of the project financed by the Trust Bonds is placed in service. All allocations of proceeds of the Trust Bonds to expenditures will be made no later than the date that is 60 days after the fifth anniversary of the date the Trust Bonds are issued or the date 60 days after the retirement of the Trust Bonds, if earlier. Such records and accounts will include the particular Costs paid, the date of the payment and the party to whom the payment was made.

(vi) From time to time as directed by the Trust, the Borrower shall provide to the Trust a written report demonstrating compliance by the Borrower with the provisions of Section 2.02(f) of this Loan Agreement, each such written report to be submitted by the Borrower to the Trust in the form of a full and complete written response to a questionnaire provided by the Trust to the Borrower. Each such questionnaire shall be provided by the Trust to the Borrower not less than fourteen (14) days prior to the date established by the Trust for receipt from the Borrower of the full and complete written response to the questionnaire.

(i) Inspections; Information. The Borrower shall permit the Trust and the Trustee and any party designated by any of such parties, at any and all reasonable times during construction of the Project and thereafter upon prior written notice, to examine, visit and inspect the property, if any, constituting the Project and to inspect and make copies of any accounts, books and records, including (without limitation) its records regarding receipts, disbursements, contracts, investments and any other matters relating thereto and to its financial standing, and shall supply such reports and information as the Trust and the Trustee may reasonably require in connection therewith.
(j) **Insurance.** The Borrower shall maintain or cause to be maintained, in force, insurance policies with responsible insurers or self-insurance programs providing against risk of direct physical loss, damage or destruction of its Environmental Infrastructure System at least to the extent that similar insurance is usually carried by utilities constructing, operating and maintaining Environmental Infrastructure Facilities of the nature of the Borrower’s Environmental Infrastructure System, including liability coverage, all to the extent available at reasonable cost but in no case less than will satisfy all applicable regulatory requirements.

(k) **Costs of Project.** The Borrower certifies that the building cost of the Project, as listed in Exhibit B hereto and made a part hereof, is a reasonable and accurate estimation thereof, and it will supply to the Trust a certificate from a licensed professional engineer authorized to practice in the State stating that such building cost is a reasonable and accurate estimation and that the useful life of the Project exceeds the maturity date of the Borrower Bond.

(l) **Delivery of Documents.** Concurrently with the delivery of this Loan Agreement (as previously authorized, executed and attested) at the Loan Closing, the Borrower will cause to be delivered to the Trust and the Trustee each of the following items:

(i) an opinion of the Borrower’s bond counsel substantially in the form of Exhibit E hereto; provided, however, that the Trust may permit portions of such opinion to be rendered by general counsel to the Borrower and may permit variances in such opinion from the form set forth in Exhibit E if, in the opinion of the Trust, such variances are not to the material detriment of the interests of the holders of the Trust Bonds;

(ii) counterparts of this Loan Agreement as previously executed and attested by the parties hereto;

(iii) copies of those resolutions finally adopted by the board of directors of the Borrower and requested by the Trust, including, without limitation, (A) the resolution of the Borrower authorizing the execution, attestation and delivery of this Loan Agreement, (B) the Borrower Bond Resolution, as amended and supplemented as of the date of the Loan Closing, authorizing the execution, attestation, authentication, sale and delivery of the Borrower Bond to the Trust, (C) the resolution of the Borrower, if any, confirming the details of the sale of the Borrower Bond to the Trust, (D) the resolution of the Borrower, if any, declaring its official intent to reimburse expenditures for the Costs of the Project from the proceeds of the Trust Bonds, each of said resolutions of the Borrower being certified by an Authorized Officer of the Borrower as of the date of the Loan Closing, (E) the resolution of the BPU approving the issuance by the Borrower of the Borrower Bond to the Trust and setting forth any other approvals required therefor by the BPU, if applicable, and (F) any other Proceedings;

(iv) if the Loan is being made to reimburse the Borrower for all or a portion of the Costs of the Borrower’s Project or to refinance indebtedness or reimburse the Borrower for the repayment of indebtedness previously incurred by the Borrower to finance all or a portion of the Costs of the Borrower’s Project, an opinion of Bond Counsel, in form and substance satisfactory to the Trust, to the effect that such
reimbursement or refinancing will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds; and

(v) the certificates of insurance coverage as required pursuant to the terms of Section 3.06(d) hereof and such other certificates, documents, opinions and information as the Trust may require in Exhibit F hereto, if any.

(m) Execution and Delivery of Borrower Bond. Concurrently with the delivery of this Loan Agreement at the Loan Closing, the Borrower shall also deliver to the Trust the Borrower Bond, as previously executed, attested and, if applicable, authenticated, upon the receipt of a written certification of the Trust that a portion of the net proceeds of the Trust Bonds shall be deposited in the Project Loan Account simultaneously with the delivery of the Borrower Bond.

(n) Notice of Material Adverse Change. The Borrower shall promptly notify the Trust of any material adverse change in the properties, activities, prospects or condition (financial or otherwise) of the Borrower or its Environmental Infrastructure System, or in the ability of the Borrower to make all Loan Repayments and otherwise to observe and perform its duties, covenants, obligations and agreements under this Loan Agreement and the Borrower Bond.

(o) Continuing Representations. The representations of the Borrower contained herein shall be true at the time of the execution of this Loan Agreement and at all times during the term of this Loan Agreement.

(p) Continuing Disclosure Covenant. To the extent that the Trust, in its sole discretion, determines, at any time prior to the termination of the Loan Term, that the Borrower is a material “obligated person”, as the term “obligated person” is defined in Rule 15c2-12, with materiality being determined by the Trust pursuant to criteria established, from time to time, by the Trust in its sole discretion and set forth in a bond resolution or official statement of the Trust, the Borrower hereby covenants that it will authorize and provide to the Trust, for inclusion in any preliminary official statement or official statement of the Trust, all statements and information relating to the Borrower deemed material by the Trust for the purpose of satisfying Rule 15c2-12 as well as Rule 10b-5 promulgated pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto (“Rule 10b-5”), including certificates and written representations of the Borrower evidencing its compliance with Rule 15c2-12 and Rule 10b-5; and the Borrower hereby further covenants that the Borrower shall execute and deliver the Continuing Disclosure Agreement, in substantially the form attached hereto as Exhibit H, with such revisions thereto prior to execution and delivery thereof as the Trust shall determine to be necessary, desirable or convenient, in its sole discretion, for the purpose of satisfying Rule 15c2-12 and the purposes and intent thereof, as Rule 15c2-12, its purposes and intent may hereafter be interpreted from time to time by the SEC or any court of competent jurisdiction; and pursuant to the terms and provisions of the Continuing Disclosure Agreement, the Borrower shall thereafter provide on-going disclosure with respect to all statements and information relating to the Borrower in satisfaction of the requirements set forth in Rule 15c2-12 and Rule 10b-5, including, without limitation, the provision of certificates and written representations of the Borrower evidencing its compliance with Rule 15c2-12 and Rule 10b-5.
(q) **Additional Covenants and Requirements.** (i) No later than the Loan Closing and, if necessary, in connection with the Trust’s issuance of the Trust Bonds or the making of the Loan, additional covenants and requirements have been included in Exhibit F hereto and made a part hereof. Such covenants and requirements may include, but need not be limited to the maintenance of specified levels of Environmental Infrastructure System rates, the issuance of additional debt of the Borrower, the use by or on behalf of the Borrower of certain proceeds of the Trust Bonds as such use relates to the exclusion from gross income for federal income tax purposes of the interest on any Trust Bonds, the transfer of revenues and receipts from the Borrower’s Environmental Infrastructure System, compliance with Rule 15c2-12, Rule 10b-5 and any other applicable federal or state securities laws, and matters in connection with the appointment of the Trustee under the Bond Resolution and any successors thereto. The Borrower hereby agrees to observe and comply with each such additional covenant and requirement, if any, included in Exhibit F hereto as if the same were set forth herein in its entirety. (ii) Additional defined terms, covenants, representations and requirements have been included in Schedule A attached hereto and made a part hereof. Such additional defined terms, covenants, representations and requirements are incorporated in this Loan Agreement by reference thereto as if set forth in full herein and the Borrower hereby agrees to observe and comply with each such additional term, covenant, representation and requirement included in Schedule A as if the same were set forth in its entirety where reference thereto is made in this Loan Agreement.
ARTICLE III

LOAN TO BORROWER; AMOUNTS PAYABLE; GENERAL AGREEMENTS

SECTION 3.01. Loan; Loan Term. The Trust hereby agrees to make the Loan as described in Exhibit A-2 hereof and to disburse proceeds of the Loan to the Borrower in accordance with Section 3.02 and Exhibit C hereof, and the Borrower hereby agrees to borrow and accept the Loan from the Trust upon the terms set forth in Exhibit A-2 attached hereto and made a part hereof; provided, however, that the Trust shall be under no obligation to make the Loan if (a) at the Loan Closing, the Borrower does not deliver to the Trust a Borrower Bond and such other documents required under Section 2.02(l) hereof, or (b) an Event of Default has occurred and is continuing under the Bond Resolution or this Loan Agreement. Although the Trust intends to disburse proceeds of the Loan to the Borrower at the times and up to the amounts set forth in Exhibit C to pay a portion of the Costs of the Project, due to unforeseen circumstances there may not be a sufficient amount on deposit in the Project Fund on any date to make the disbursement in such amount. Nevertheless, the Borrower agrees that the amount actually deposited in the Project Loan Account at the Loan Closing plus the Borrower’s allocable share of (i) certain costs of issuance and underwriter’s discount for all Trust Bonds issued to finance the Loan; (ii) capitalized interest during the Project construction period, if applicable; and (iii) that portion of the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution) attributable to the cost of funding reserve capacity for the Project, if applicable, shall constitute the initial principal amount of the Loan (as the same may be adjusted downward in accordance with the definition thereof), and neither the Trust nor the Trustee shall have any obligation thereafter to loan any additional amounts to the Borrower.

The Borrower shall use the proceeds of the Loan strictly in accordance with Section 2.01(h) hereof.

The payment obligations created under this Loan Agreement and the obligations to pay the principal of the Borrower Bond, Interest on the Borrower Bond and other amounts due under the Borrower Bond are direct, general irrevocable and unconditional obligations of the Borrower payable from any source legally available to the Borrower in accordance with the terms of and to the extent provided in the Borrower Bond Resolution.

SECTION 3.02. Disbursement of Loan Proceeds.

(a) The Trustee, as the agent of the Trust, shall disburse the amounts on deposit in the Project Loan Account to the Borrower upon receipt of a requisition executed by an Authorized Officer of the Borrower, and approved by the Trust, in a form meeting the requirements of Section 5.02(3) of the Bond Resolution.

(b) The Trust and Trustee shall not be required to disburse any Loan proceeds to the Borrower under this Loan Agreement, unless:

(i) the proceeds of the Trust Bonds shall be available for disbursement, as determined solely by the Trust;
(ii) in accordance with the Bond Act, and the Regulations, the Borrower shall have timely applied for, shall have been awarded and, prior to or simultaneously with the Loan Closing, shall have closed a Fund Loan for a portion of the Allowable Costs (as defined in such Regulations) of the Project in an amount not in excess of the amount of Allowable Costs of the Project financed by the Loan from the Trust;

(iii) the Borrower shall have on hand moneys to pay for the greater of (A) that portion of the total Costs of the Project that is not eligible to be funded from the Fund Loan or the Loan, or (B) that portion of the total Costs of the Project that exceeds the actual amounts of the loan commitments made by the State and the Trust, respectively, for the Fund Loan and the Loan; and

(iv) no Event of Default nor any event that, with the passage of time or service of notice or both, would constitute an Event of Default shall have occurred and be continuing hereunder.

SECTION 3.03. Amounts Payable.

(a) The Borrower shall repay the Loan in installments payable to the Trustee as follows:

(i) the principal of the Loan shall be repaid annually on the Principal Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof, as the same may be amended or modified by any credits applicable to the Borrower as set forth in the Bond Resolution;

(ii) the Interest Portion described in clause (i) of the definition thereof shall be paid semiannually on the Interest Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof, as the same may be amended or modified by any credits applicable to the Borrower as set forth in the Bond Resolution; and

(iii) the Interest Portion described in clause (ii) of the definition thereof shall be paid upon the date of optional redemption or acceleration, as the case may be, of the Trust Bonds allocable to any prepaid or accelerated Trust Bond Loan Repayment.

The obligations of the Borrower under the Borrower Bond shall be deemed to be amounts payable under this Section 3.03. Each Loan Repayment, whether satisfied through a direct payment by the Borrower to the Trustee or (with respect to the Interest Portion) through the use of Trust Bond proceeds and income thereon on deposit in the Interest Account (as defined in the Bond Resolution) to pay interest on the Trust Bonds, shall be deemed to be a credit against the corresponding obligation of the Borrower under this Section 3.03 and shall fulfill the Borrower’s obligation to pay such amount hereunder and under the Borrower Bond. Each payment made to the Trustee pursuant to this Section 3.03 shall be applied first to the Interest Portion then due and payable, second to the principal of the Loan then due and payable, third to the payment of the Administrative Fee, and finally to the payment of any late charges hereunder.
(b) The Interest on the Loan described in clause (iii) of the definition thereof shall (i) consist of a late charge for any Trust Bond Loan Repayment that is received by the Trustee later than the tenth (10th) day following its due date and (ii) be payable immediately thereafter in an amount equal to the greater of twelve percent (12%) per annum or the Prime Rate plus one half of one percent per annum on such late payment from its due date to the date it is actually paid; provided, however, that the rate of Interest on the Loan, including, without limitation, any late payment charges incurred hereunder, shall not exceed the maximum interest rate permitted by law.

(c) The Borrower shall receive, as a credit against its semiannual payment obligations of the Interest Portion, the amounts certified by the Trust pursuant to Section 5.10 of the Bond Resolution. Such amounts shall represent the Borrower’s allocable share of the interest earnings on certain funds and accounts established under the Bond Resolution, calculated in accordance with Section 5.10 of the Bond Resolution.

(d) In accordance with the provisions of the Bond Resolution, the Borrower shall receive, as a credit against its Trust Bond Loan Repayments, the amounts set forth in the certificate of the Trust filed with the Trustee pursuant to Section 5.02(4) of the Bond Resolution.

(e) The Interest on the Loan described in clause (ii) of the definition thereof shall be paid by the Borrower in the amount of one-half of the Administrative Fee, if any, to the Trustee semiannually on each February 1 and August 1, commencing August 1, 2014.

(f) The Borrower hereby agrees to pay to the Trust at the Loan Closing a “Security Review Fee” in the amount necessary to reimburse the Trust for all of its costs and expenses incurred in connection with reviewing the additional security securing the Trust Loan as set forth in Exhibit F hereto, if any, including without limitation the fees and expenses of any professional advisers hired by the Trust in connection therewith.

(g) Upon thirty (30) days prior written notice to the Borrower, an Authorized Officer of the Trust may, in the sole discretion of such Authorized Officer, prescribe the particular method by which payments pursuant to, and in satisfaction of, this Section 3.03 shall be made by the Borrower. Such method as prescribed by an Authorized Officer of the Trust may include, without limitation, the automatic debit by the Trust or the Trustee of the respective amounts of such payments, as required by this Section 3.03, from an account that shall be identified by the Borrower in writing and recorded on file with the Trust and the Trustee. In the absence of any such written notice to the Borrower by an Authorized Officer of the Trust pursuant to this subsection (g), the Borrower shall implement the payments required pursuant to, and in satisfaction of, this Section 3.03 either via electronic transfer of immediately available funds or via check.

SECTION 3.03A. Amounts on Deposit in Project Loan Account After Completion of Project Draws.

(a) If, on the date which is thirty (30) days following the final date for which a disbursement of Loan proceeds is scheduled to be made pursuant to Exhibit C hereto, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower must provide
to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a revised draw schedule, in a form similar to Exhibit C hereto and approved by the Department.

(b) If, on the date which is thirty (30) days following the final date for which a disbursement of Loan proceeds is scheduled to be made pursuant to a revised draw schedule certified to the Trust and the Department in accordance with Section 3.03A(a) hereof, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower must provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a revised draw schedule, in a form similar to Exhibit C hereto and approved by the Department.

(c) If, on the date which the Borrower has completed the Project, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower must within thirty (30) days following such date provide to the Trust and the Department a certificate (i) stating that the Project is complete and (ii) setting forth the remaining costs, if any, of the Project for which a disbursement of Loan will be required.

(d) If the Borrower fails to provide the certificate described in paragraphs (a), (b) or (c) of this Section 3.03A, when due, or if such certificate states that the Borrower does not require all or any portion of the amount on deposit in the Project Loan Account to complete the Project, such amounts on deposit in the Project Loan Account which are not certified by an Authorized Officer of the Borrower as being required to complete the Project (“Excess Project Funds”) shall be applied as follows:

(i) If Trust Bonds can be redeemed within sixty (60) days of the date the Borrower is required to provide the certificate described in paragraphs (a), (b) or (c) of this Section 3.03A, the Excess Project Funds shall be used by the Trust within such sixty (60) day period to redeem Trust Bonds, including payment of any pre-payment premium. The Trust Bonds shall be redeemed in inverse order of their maturity. The amount of any maturity redeemed shall not exceed the same proportion as the Loan bears to all Loans made from proceeds of the Trust Bonds rounded down to whole denominations or any integral multiple. The aggregate amount of Trust Bonds so redeemed shall not be less than the amount of nonqualfied bonds allocable to the Borrower under Treasury Regulations §1.142-12. The Excess Project Funds used to redeem Trust Bonds shall be applied by the Trust as a prepayment of the Borrower’s Loan Repayments with respect to the redeemed bonds. Any excess shall be held by Trust invested at a yield which does not exceed the yield on the Trust Bonds.

(ii) If Trust Bonds can not be redeemed within sixty (60) days of the date the Borrower is required to provide the certificate described in paragraphs (a), (b) or (c) of this Section 3.03A, the Trust shall, within such sixty (60) day period, (A) deposit all of the Excess Project Funds in a defeasance escrow established to defease Trust Bonds in
inverse order of their maturity, in the same proportion as the Loan bears to all Loans made from proceeds of the Trust Bonds, (B) provide the notice to the Internal Revenue Service required pursuant to Treasury Regulations §1.142-2(c)(2), or any successor income tax regulations, and (C) apply the Excess Project Funds as a prepayment of the Borrower’s Loan Repayments for the defeased Trust Bonds. The aggregate amount of Trust Bonds so defeased shall not be less than the amount of nonqualified bonds allocable to the Borrower under Treasury Regulations §1.142-12

SECTION 3.04. Unconditional Obligations. The obligation of the Borrower to make the Loan Repayments and all other payments required hereunder and the obligation to perform and observe the other duties, covenants, obligations and agreements on its part contained herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever while any Trust Bonds remain outstanding or any Loan Repayments remain unpaid, for any reason, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project or Environmental Infrastructure System, commercial frustration of the purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any governmental authority, any failure of the Trust or the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Project, this Loan Agreement or the Bond Resolution, or any rights of set-off, recoupment, abatement or counterclaim that the Borrower might otherwise have against the Trust, the Trustee or any other party or parties; provided, however, that payments hereunder shall not constitute a waiver of any such rights. The Borrower shall not be obligated to make any payments required to be made by any other Borrowers under separate Loan Agreements or the Bond Resolution.

The Borrower acknowledges that payment of the Trust Bonds by the Trust, including payment from moneys drawn by the Trustee from the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution), does not constitute payment of the amounts due under this Loan Agreement and the Borrower Bond. If at any time the amount in the Debt Service Reserve Fund shall be less than the Debt Service Reserve Requirement as the result of any transfer of moneys from the Debt Service Reserve Fund to the Debt Service Fund (as all such terms are defined in the Bond Resolution) as the result of a failure by the Borrower to make any Trust Bond Loan Repayments required hereunder, the Borrower agrees to replenish (i) such moneys so transferred and (ii) any deficiency arising from losses incurred in making such transfer as the result of the liquidation by the Trust of Investment Securities (as defined in the Bond Resolution) acquired as an investment of moneys in the Debt Service Reserve Fund, by making payments to the Trust in equal monthly installments for the lesser of six (6) months or the remaining term of the Loan at an interest rate to be determined by the Trust necessary to make up any loss caused by such deficiency.

The Borrower acknowledges that payment of the Trust Bonds from moneys that were originally received by the Trustee from repayments by the Borrowers of loans made to the Borrowers by the State, acting by and through the Department, pursuant to loan agreements dated as of May 1, 2014 by and between the Borrowers and the State, acting by and through the
Department, to finance or refinance a portion of the Costs of the Environmental Infrastructure Facilities of the Borrowers, and which moneys were upon such receipt by the Trustee deposited in the Trust Bonds Security Account (as defined in the Bond Resolution) does not constitute payment of the amounts due under this Loan Agreement and the Borrower Bond.

SECTION 3.05. Loan Agreement to Survive Bond Resolution and Trust Bonds. The Borrower acknowledges that its duties, covenants, obligations and agreements hereunder shall survive the discharge of the Bond Resolution applicable to the Trust Bonds and shall survive the payment of the principal and redemption premium, if any, of and the interest on the Trust Bonds until the Borrower can take no action or fail to take any action that could adversely affect the exclusion from gross income of the interest on the Trust Bonds for purposes of federal income taxation, at which time such duties, covenants, obligations and agreements hereunder shall, except for those set forth in Sections 3.06(a) and (b) hereof, terminate.

SECTION 3.06. Disclaimer of Warranties and Indemnification.

(a) The Borrower acknowledges and agrees that (i) neither the Trust nor the Trustee makes any warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the Environmental Infrastructure System or the Project or any portions thereof or any other warranty or representation with respect thereto; (ii) in no event shall the Trust or the Trustee or their respective agents be liable or responsible for any incidental, indirect, special or consequential damages in connection with or arising out of this Loan Agreement or the Project or the existence, furnishing, functioning or use of the Environmental Infrastructure System or the Project or any item or products or services provided for in this Loan Agreement; and (iii) to the fullest extent permitted by law, the Borrower shall indemnify and hold the Trust and the Trustee harmless against, and the Borrower shall pay any and all, liability, loss, cost, damage, claim, judgment or expense of any and all kinds or nature and however arising and imposed by law, which the Trust and the Trustee may sustain, be subject to or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, or upon or arising out of contracts entered into by the Borrower, the Borrower’s ownership of the Environmental Infrastructure System or the Project, or the acquisition, construction or installation of the Project.

(b) It is mutually agreed by the Borrower, the Trust and the Trustee that the Trust and its officers, agents, servants or employees shall not be liable for, and shall be indemnified and saved harmless by the Borrower in any event from, any action performed under this Loan Agreement and any claim or suit of whatsoever nature, except in the event of loss or damage resulting from their own negligence or willful misconduct. It is further agreed that the Trustee and its directors, officers, agents, servants or employees shall not be liable for, and shall be indemnified and saved harmless by the Borrower in any event from, any action performed pursuant to this Loan Agreement, except in the event of loss or damage resulting from their own negligence or willful misconduct.

(c) The Borrower and the Trust agree that all claims shall be subject to and governed by the provisions of the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. (except
for N.J.S.A. 59:13-9 thereof), although such Act by its express terms does not apply to claims arising under contract with the Trust.

(d) In connection with its obligation to provide the insurance required under Section 2.02(j) hereof: (i) the Borrower shall include, or cause to be included, the Trust and its directors, employees and officers as additional “named insureds” on (A) any certificate of liability insurance procured by the Borrower (or other similar document evidencing the liability insurance coverage procured by the Borrower) and (B) any certificate of liability insurance procured by any contractor or subcontractor for the Project, and from the later of the date of the Loan Closing or the date of the initiation of construction of the Project until the date the Borrower receives the written certificate of Project completion from the Trust, the Borrower shall maintain said liability insurance covering the Trust and said directors, employees and officers in good standing; and (ii) the Borrower shall include the Trust as an additional “named insured” on any certificate of insurance providing against risk of direct physical loss, damage or destruction of the Environmental Infrastructure System, and during the Loan Term the Borrower shall maintain said insurance covering the Trust in good standing.

The Borrower shall provide the Trust with a copy of each of any such original, supplemental, amendatory or reissued certificates of insurance (or other similar documents evidencing the insurance coverage) required pursuant to this Section 3.06(d).

SECTION 3.07. Option to Prepay Loan Repayments. The Borrower may prepay the Trust Bond Loan Repayments, in whole or in part (but if in part, in the amount of $100,000 or any integral multiple thereof), upon prior written notice to the Trust and the Trustee not less than ninety (90) days in addition to the number of days’ advance notice to the Trustee required for any optional redemption of the Trust Bonds, and upon payment by the Borrower to the Trustee of amounts that, together with investment earnings thereon, will be sufficient to pay the principal amount of the Trust Bond Loan Repayments to be prepaid plus the Interest Portion described in clause (ii) of the definition thereof on any such date of redemption; provided, however, that, with respect to any prepayment other than those required by Section 3.03A hereof, any such full or partial prepayment may only be made (i) if the Borrower is not then in arrears on its Fund Loan, (ii) if the Borrower is contemporaneously making a full or partial prepayment of the Fund Loan such that, after the prepayment of the Loan and the Fund Loan, the Trust, in its sole discretion, determines that the interests of the owners of the Trust Bonds are not adversely affected by such prepayments, and (iii) upon the prior written approval of the Trust. In addition, if at the time of such prepayment the Trust Bonds may only be redeemed at the option of the Trust upon payment of a premium, the Borrower shall add to its prepayment of Trust Bond Loan Repayments an amount, as determined by the Trust, equal to such premium allocable to the Trust Bonds to be redeemed as a result of the Borrower’s prepayment. Prepayments shall be applied first to the Interest Portion that accrues on the portion of the Loan to be prepaid until such prepayment date as described in clause (ii) of the definition thereof and then to principal payments (including premium, if any) on the Loan in inverse order of their maturity.

SECTION 3.08. Priority of Loan and Fund Loan.

(a) The Borrower hereby acknowledges that, to the extent allowed by law or the Borrower Bond Resolution, any Loan Repayments then due and payable on the Loan shall be
satisfied by the Trustee before any loan repayments on the Borrower’s Fund Loan shall be satisfied by the Trustee. The Borrower agrees not to interfere with any such action by the Trustee.

(b) The Borrower hereby acknowledges that in the event the Borrower fails or is unable to pay promptly to the Trust in full any Trust Bond Loan Repayments under this Loan Agreement when due, then any (i) Administrative Fee paid hereunder, (ii) late charges paid hereunder, and (iii) loan repayments paid by the Borrower on its Fund Loan under the related loan agreement therefor, any of which payments shall be received by the Trustee during the time of any such Trust Bond Loan Repayment deficiency, shall be applied by the Trustee first to satisfy such Trust Bond Loan Repayment deficiency as a credit against the obligations of the Borrower to make payments of the Interest Portion under the Loan and the Borrower Bond, second, to the extent available, to make Trust Bond Loan Repayments of principal hereunder and payments of principal under the Borrower Bond, third, to the extent available, to pay the Administrative Fee, fourth, to the extent available, to pay any late charges hereunder, fifth, to the extent available, to satisfy the repayment of the Borrower’s Fund Loan under its related loan agreement therefor, and finally, to the extent available, to satisfy the repayment of the administrative fee under any such related loan agreement.

(c) The Borrower hereby further acknowledges that any loan repayments paid by the Borrower on its Fund Loan under the related loan agreement therefor shall be applied according to the provisions of the Master Program Trust Agreement.

SECTION 3.09. Approval of the New Jersey State Treasurer. The Borrower and the Trust hereby acknowledge that prior to or simultaneously with the Loan Closing the New Jersey State Treasurer, in satisfaction of the requirements of Section 9a of the Act, issued the “Certificate of the New Jersey State Treasurer Regarding the Approval of the Trust Loan and the Fund Loan” (the “Treasurer’s Certificate”). Pursuant to the terms of the Treasurer’s Certificate, the New Jersey State Treasurer approved the Loan and the terms and conditions thereof as established by the provisions of this Loan Agreement.
ARTICLE IV

ASSIGNMENT OF LOAN AGREEMENT AND BORROWER BOND

SECTION 4.01. Assignment and Transfer by Trust.

(a) The Borrower hereby expressly acknowledges that, other than the provisions of Section 2.02(d)(ii) hereof, the Trust’s right, title and interest in, to and under this Loan Agreement and the Borrower Bond have been assigned to the Trustee as security for the Trust Bonds as provided in the Bond Resolution, and that if any Event of Default shall occur, the Trustee or any Bond Insurer (as such term may be defined in the Bond Resolution), if applicable, pursuant to the Bond Resolution, shall be entitled to act hereunder in the place and stead of the Trust. The Borrower hereby acknowledges the requirements of the Bond Resolution applicable to the Trust Bonds and consents to such assignment and appointment. This Loan Agreement and the Borrower Bond, including, without limitation, the right to receive payments required to be made by the Borrower hereunder and to compel or otherwise enforce observance and performance by the Borrower of its other duties, covenants, obligations and agreements hereunder, may be further transferred, assigned and reassigned in whole or in part to one or more assignees or subassignees by the Trustee at any time subsequent to their execution without the necessity of obtaining the consent of, but after giving prior written notice to, the Borrower.

The Trust shall retain the right to compel or otherwise enforce observance and performance by the Borrower of its duties, covenants, obligations and agreements under Section 2.02(d)(ii) hereof; provided, however, that in no event shall the Trust have the right to accelerate the Borrower Bond in connection with the enforcement of Section 2.02(d)(ii) hereof.

(b) The Borrower hereby approves and consents to any assignment or transfer of this Loan Agreement and the Borrower Bond that the Trust deems to be necessary in connection with any refunding of the Trust Bonds or the issuance of additional bonds under the Bond Resolution or otherwise, all in connection with the pooled loan program of the Trust.

SECTION 4.02. Assignment by Borrower. Neither this Loan Agreement nor the Borrower Bond may be assigned by the Borrower for any reason, unless the following conditions shall be satisfied: (i) the Trust and the Trustee shall have approved said assignment in writing; (ii) the assignee shall have expressly assumed in writing the full and faithful observance and performance of the Borrower’s duties, covenants, obligations and agreements under this Loan Agreement and, to the extent permitted under applicable law, the Borrower Bond; (iii) immediately after such assignment, the assignee shall not be in default in the observance or performance of any duties, covenants, obligations or agreements of the Borrower under this Loan Agreement or the Borrower Bond; and (iv) the Trust shall have received an opinion of Bond Counsel to the effect that such assignment will not adversely affect the security of the holders of the Trust Bonds or the exclusion of the interest on the Trust Bonds from gross income for purposes of federal income taxation under Section 103(a) of the Code.
ARTICLE V
EVENTS OF DEFAULT AND REMEDIES

SECTION 5.01. Events of Default. If any of the following events occur, it is hereby defined as and declared to be and to constitute an “Event of Default”:

(a) failure by the Borrower to pay, or cause to be paid, any Trust Bond Loan Repayment required to be paid hereunder when due, which failure shall continue for a period of fifteen (15) days;

(b) failure by the Borrower to make, or cause to be made, any required payments of principal, redemption premium, if any, and interest on any bonds, notes or other obligations of the Borrower issued under the Borrower Bond Resolution (other than the Loan and the Borrower Bond) or otherwise secured by all or a portion of the property pledged under the Borrower Bond Resolution, after giving effect to the applicable grace period;

(c) failure by the Borrower to pay, or cause to be paid, the Administrative Fee or any late charges incurred hereunder or any portion thereof when due or to observe and perform any duty, covenant, obligation or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in subsection (a) of this Section 5.01 or other than the obligations of the Borrower contained in Section 2.02(d)(ii) hereof and in Exhibit F hereto, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower by the Trustee, unless the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in such notice is correctable but cannot be corrected within the applicable period, the Trustee may not unreasonably withhold its consent to an extension of such time up to 120 days from the delivery of the written notice referred to above if corrective action is instituted by the Borrower within the applicable period and diligently pursued until the Event of Default is corrected;

(d) any representation made by or on behalf of the Borrower contained in this Loan Agreement, or in any instrument furnished in compliance with or with reference to this Loan Agreement or the Loan, is false or misleading in any material respect;

(e) a petition is filed by or against the Borrower under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Loan Agreement or thereafter enacted, and/or any proceeding with respect to such petition and/or pursuant to any such law shall occur or be pending (including, without limitation, the operation and administration of the Borrower pursuant to any plan of reorganization approved and implemented under any such law), unless in the case of any such petition filed against the Borrower or any such proceeding such petition and such proceeding shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal or the further jurisdiction of any court; or the Borrower shall become insolvent or bankrupt or shall make an assignment for the benefit of its creditors; or a custodian (including, without limitation, a receiver, liquidator or trustee of the Borrower or any of its property) shall be appointed by court order or take possession of the
Borrower or its property or assets if such order remains in effect or such possession continues for
more than thirty (30) days;

(f) the Borrower shall generally fail to pay its debts as such debts become due; and

(g) failure of the Borrower to observe or perform such additional duties, covenants,
obligations, agreements or conditions as are required by the Trust and specified in Exhibit F
attached hereto and made a part hereof.

SECTION 5.02. Notice of Default. The Borrower shall give the Trustee and the
Trust prompt telephonic notice of the occurrence of any Event of Default referred to in Section
5.01(d) or (e) hereof and of the occurrence of any other event or condition that constitutes an
Event of Default at such time as any senior administrative or financial officer of the Borrower
becomes aware of the existence thereof.

SECTION 5.03. Remedies on Default. Whenever an Event of Default referred to
in Section 5.01 hereof shall have occurred and be continuing, the Borrower acknowledges the
rights of the Trustee and of any Bond Insurer to direct any and all remedies in accordance with
the terms of the Bond Resolution, and the Borrower also acknowledges that the Trust shall have
the right to take, or to direct the Trustee to take, any action permitted or required pursuant to the
Bond Resolution and to take whatever other action at law or in equity may appear necessary or
desirable to collect the amounts then due and thereafter to become due hereunder or to enforce
the observance and performance of any duty, covenant, obligation or agreement of the Borrower
hereunder.

In addition, if an Event of Default referred to in Section 5.01(a) hereof shall have
occurred and be continuing, the Trust shall, to the extent allowed by applicable law and to the
extent and in the manner set forth in the Bond Resolution, have the right to declare, or to direct
the Trustee to declare, all Loan Repayments and all other amounts due hereunder (including,
without limitation, payments under the Borrower Bond) together with the prepayment premium,
if any, calculated pursuant to Section 3.07 hereof to be immediately due and payable, and upon
notice to the Borrower the same shall become due and payable without further notice or demand.

SECTION 5.04. Attorneys’ Fees and Other Expenses. The Borrower shall on
demand pay to the Trust or the Trustee the reasonable fees and expenses of attorneys and other
reasonable expenses (including, without limitation, the reasonably allocated costs of in-house
counsel and legal staff) incurred by either of them in the collection of Trust Bond Loan
Repayments or any other sum due hereunder or in the enforcement of the observation or
performance of any other duties, covenants, obligations or agreements of the Borrower upon an
Event of Default.

SECTION 5.05. Application of Moneys. Any moneys collected by the Trust or the
Trustee pursuant to Section 5.03 hereof shall be applied (a) first to pay any attorneys’ fees or
other fees and expenses owed by the Borrower pursuant to Section 5.04 hereof, (b) second, to the
extent available, to pay the Interest Portion then due and payable, (c) third, to the extent
available, to pay the principal due and payable on the Loan, (d) fourth, to the extent available, to
pay the Administrative Fee, any late charges incurred hereunder or any other amounts due and
payable under this Loan Agreement, and (e) *fifth*, to the extent available, to pay the Interest Portion and the principal on the Loan and other amounts payable hereunder as such amounts become due and payable.

SECTION 5.06. NO REMEDY EXCLUSIVE; WAIVER; NOTICE. No remedy herein conferred upon or reserved to the Trust or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any Event of Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trust or the Trustee to exercise any remedy reserved to it in this Article V, it shall not be necessary to give any notice other than such notice as may be required in this Article V.

SECTION 5.07. RETENTION OF TRUST’S RIGHTS. Notwithstanding any assignment or transfer of this Loan Agreement pursuant to the provisions hereof or of the Bond Resolution, or anything else to the contrary contained herein, the Trust shall have the right upon the occurrence of an Event of Default to take any action, including (without limitation) bringing an action against the Borrower at law or in equity, as the Trust may, in its discretion, deem necessary to enforce the obligations of the Borrower to the Trust pursuant to Section 5.03 hereof.

SCHEDULE A

Certain Additional Loan Agreement Provisions

In addition to the terms defined in subsection (a) of Section 1.01 of this Loan Agreement, certain additional capitalized terms used in this Loan Agreement shall, unless the context clearly requires otherwise, have the meanings ascribed to such additional capitalized terms in this Schedule A.

Additional Definitions:

“Borrower” means ______________________, a corporation duly created and validly existing under the laws of the State of New Jersey.

“Bond Resolution” means the “Environmental Infrastructure Trust Bond Resolution, Series 2014[____]”, as adopted by the Board of Directors of the Trust on or about April __, 2014, authorizing the issuance of the Trust Bonds, and all further amendments and supplements thereto adopted in accordance with the provisions thereof.

“Borrower Bond Resolution” means the [resolution] [indenture] of the Borrower entitled “[________________]”, [adopted by the Borrower on] [dated] [_______], as amended and supplemented from time to time, in particular by a supplemental [resolution] [indenture] detailing the terms of the Borrower Bond [adopted by the Borrower on] [dated] [_______] and entitled “[________________]”, pursuant to which the Borrower Bond has been issued.

“Interest Payment Dates” means February 1 and August 1 of each year, commencing on ________ 1, 201_.

“Loan” means the loan made by the Trust to the Borrower to finance or refinance a portion of the Cost of the Project pursuant to this Loan Agreement. For all purposes of this Loan Agreement, the amount of the Loan at any time shall be the initial aggregate principal amount of the Borrower Bond (which amount equals the amount actually deposited in the Project Loan Account at the Loan Closing plus the Borrower's allocable share of [(i)] certain costs of issuance, and underwriter's discount for all Trust Bonds issued to finance the Loan[,] (and (ii) capitalized interest during the Project construction period)), less any amount of such principal amount that has been repaid by the Borrower under this Loan Agreement and less any adjustment made pursuant to the provisions of the Bond Resolution, including, without limitation, Section 5.02(4) thereof, N.J.A.C. 7:22-4.26 and the appropriations act of the State Legislature authorizing the expenditure of Trust Bond proceeds to finance a portion of the Costs of the Project.

“Principal Payment Dates” means August 1 of each year, commencing on August 1, 201_.

SECTION 2.02(e)

Disposition of Environmental Infrastructure System. The Borrower shall not permit the disposition of all or substantially all of its Environmental Infrastructure System, directly or
indirectly, including, without limitation, by means of sale, lease, abandonment, sale of stock, statutory merger or otherwise (collectively, a “Disposition”), except on ninety (90) days’ prior written notice to the Trust, and, in any event, shall not permit a Disposition unless the following conditions are met: (i) the Borrower shall, in accordance with Section 4.02 hereof, assign this Loan Agreement and the Borrower Bond and its rights and interests hereunder and thereunder to the purchaser or lessee of the Environmental Infrastructure System, and such purchaser or lessee shall assume all duties, covenants, obligations and agreements of the Borrower under this Loan Agreement and the Borrower Bond; and (ii) the Trust shall by appropriate action determine, in its sole discretion, that such sale, lease, abandonment or other disposition will not adversely affect (A) the Trust’s ability to meet its duties, covenants, obligations and agreements under the Bond Resolution, (B) the value of this Loan Agreement or the Borrower Bond as security for the payment of Trust Bonds and the interest thereon, or (C) the excludability from gross income for federal income tax purposes of the interest on Trust Bonds then outstanding or that could be issued in the future.

SECTION 2.02(f)(x)

[NO RESERVE OR REPLACEMENT FUND]

The Borrower will not have a reserve or replacement fund (within the meaning of Section 148(d)(1) of the Code) allocable to the Borrower Bond evidencing the Loan.

OR

[RESERVE OR REPLACEMENT FUND FUNDED BY BONDS OF THE BORROWER]

The Borrower has a reserve or replacement fund (within the meaning of Section 148(d)(1) of the Code) that is allocable to the Borrower Bond evidencing the Loan, and such reserve or replacement fund is financed with indebtedness of the Borrower the interest on which is excluded from gross income for purposes of federal income taxation. Accordingly, amounts held in the reserve or replacement fund allocable to the Borrower Bond evidencing the Loan shall be invested by the Borrower at a yield not in excess of the yield on the Trust Bonds throughout the term of the Loan, unless the Borrower receives prior written approval of the Trust. Amounts in the reserve or replacement fund allocable to the Borrower Bond evidencing the Loan will be held in a segregated account and invested separately from any other moneys so that such amounts will not be held in a “commingled fund” (within the meaning of Treasury Regulations §1.148-1(b)). The investment restrictions contained in this subsection shall not apply in the event the Trust receives an opinion of Bond Counsel to the effect that non-compliance with such restrictions will not affect the exclusion from gross income of the interest on the Trust Bonds.

OR

[RESERVE OR REPLACEMENT FUND NOT FUNDED BY BONDS OF THE BORROWER]

The Borrower has a reserve or replacement fund (within the meaning of Section 148(d)(1) of the Code) that is allocable to the Borrower Bond evidencing the Loan, and such reserve or replacement fund is not financed with indebtedness of the Borrower the interest on which is
excluded from gross income for purposes of federal income taxation. Accordingly, amounts held in the reserve or replacement fund allocable to the Borrower Bond evidencing the Loan shall be invested by the Borrower at a yield not in excess of the yield on the Trust Bonds throughout the term of the Loan, unless the Borrower receives prior written approval of the Trust. Amounts in the reserve or replacement fund allocable to the Borrower Bond evidencing the Loan will be held in a segregated account and invested separately from any other moneys so that such amounts will not be held in a “commingled fund” (within the meaning of Treasury Regulations §1.148-1(b)). Such assignment has been made as security for the payment of the Trust Bonds (as defined in the Loan Agreement) issued to finance or refinance the Loan and as otherwise described in the Loan Agreement. and in the amounts, provided in Section 3.07 of the Loan Agreement. To the extent allowed by
applicable law, this Borrower Bond may be subject to acceleration under the terms and
conditions, and in the amounts, provided in Section 5.03 of the Loan Agreement.

In so acting, we have examined the Constitution and laws of the State of New Jersey, including, without limitation, the Business Corporation Law, and the certificate of incorporation and by-laws of the Borrower. We have also examined originals, or copies certified or otherwise identified to our satisfaction, of the following:

(a) the Trust’s “Environmental Infrastructure Bond Resolution, Series 2014[__]” adopted by the Board of Directors of the Trust on April __, 2014;

(b) the Loan Agreement dated as of May 1, 2014 (the “Loan Agreement”) by and between the Trust and the Borrower;

(d) the Borrower Bond dated May 21, 2014 (the “Borrower Bond”) issued by the Borrower to the Trust to evidence the Loan; and
We have also examined and relied upon originals, or copies certified or otherwise authenticated to our satisfaction, of such other records, documents, certificates and other instruments, and have made such investigation of law as in our judgment we have deemed necessary or appropriate, to enable us to render the opinions expressed below.

We are of the opinion that:

1. (b) Based upon receipt of the foregoing and the representations, covenants and warranties of the Municipalities set forth therein and herein, the Trust hereby gives its consent to the Assumption and the Conveyance.
