Mr. Ellis questioned whether the Program had on-site construction representation for the older
Program Loans. Mr. Chebra responded that they did and that the Program has been very successful over the last 2 years reducing the total number of loans older than three (3) years with active projects to just 25.

B. Mr. Chebra discussed the SFY2017 Combined Financing Loan Programs:

Mr. Chebra explained that the Program’s new rolling application model, while introducing more applications that are light on project information, has been very successful in bringing in more projects ready for financing than the Program would have done otherwise.

C. Executive Director Zimmer reported on the status of the Trust’s outstanding Requests for Proposals (RFPs):

While there were no outstanding RFPs, the Board would be asked to act on a proposed RFP for Software Component Outsourcing Services later in the Agenda under Item 8D.
D. Executive Director Zimmer next reported on the Trust’s SAIL Loan Program:

The Trust issued a SAIL Loan to PVSC on October 5, 2016 for Project No. S340689-25 for $9.1 M to refurbish PVSC’s Administration building which was heavily damaged during Superstorm Sandy. The interest rate on the short-term disaster relief loan is 0.0% and the term is until October 4, 2018.

E. Executive Director Zimmer next reported on the status of the Construction Loan Program, which now includes SAIL Disaster Loan figures:

  - The Trust has received 80 Construction Loan applications to-date totaling $463.4 M.

There were no comments or questions.

Unanticipated excess cash flow

Mr. Hansbury asked if there were any comments or questions. Hearing none, Treasurer Ellis requested a motion for approval.
The resolution was moved for adoption by Mr. Griffin and seconded by Mr. Longo. The motion was carried 6 to 0 with 0 abstentions.

B. Executive Director Zimmer introduced Resolution No. 16-46 authorizing a Direct Program Loan to Lake Glenwood Village Homeowners Association (LGV) for Project No. 1922010-008 to rehabilitate two drinking water wells. The project is expected to cost approximately $900,000. LGV serves a population less than or equal to 500. As such, it qualifies as a Very Small Drinking Water System and, pursuant to Resolution No. 16-32, is eligible for a Financing Program NANO-Lite loan, meaning it will receive a Principal Forgiveness Loan provided it self-funds $88,235 in project costs. This resolution authorizes a Trust Direct Loan to LGV-HOA for an amount equal to 25% of the residual project costs in an amount not to exceed $78,000.

Executive Director Zimmer asked if there were any comments or questions. Treasurer Ellis inquired about a previous credit issue with a different Homeowners Association (HOA) borrower loan and what the Trust was doing to mitigate such risk. Executive Director Zimmer responded that the Trust’s Credit Policy now requires, as a precondition to loan closing, that a HOA’s Board adopt a Resolution to:

- approve, on behalf of the homeowners, the incurrence of indebtedness by LGV in connection with Program financing for this project, and
- approve and implement a capital improvement assessment upon all homeowners in an amount sufficient to ensure the timely and full payment of the semi-annual debt service obligations of LGV after accounting for the $500,000 NANO-Lite PFL and self-funded monies.

Receipt of both of these items will serve as evidence of compliance with the Credit Policy.

Hearing no additional comments or questions, Treasurer Ellis requested a motion for approval. The resolution was moved for adoption by Mr. Longo and seconded by Mr. Cunningham. The motion was carried 6 to 0 with 0 abstentions.

C. Executive Director Zimmer requested Vice Chairman Briant, Chair of the Trust’s Audit Committee, to introduce Resolution No. 16-47 approving the New Jersey Environmental Infrastructure Trust’s SFY2016 Audited Financials. Mr. Briant reported that the audit report did not reveal any significant findings and showed that the Trust had performed in-line with accepted accounting standards. RSM had three (3) minor suggestions for improvement and the Trust was in the process of addressing these issues.

Vice Chairman Briant asked if there were any comments or questions. Mr. Cunningham asked which staff member was responsible for putting the Financials together and what if any lesson the Trust had learned going forward? Executive Director Zimmer responded that CFO Lauren Kaltman was ultimately responsible for the Trust’s Financials and Accountant and staff member Maria Andujar worked on the financials day to day. Ms. Andujar noted new procedures are being implemented which will make reporting faster and more efficient such as creating quarterly financial reports to facilitate the creation of the year-end report. Executive Director Zimmer noted that he was planning
for implementation of additional modules to Trust’s MS Dynamics accounting software, to be completed by July 2017.

Hearing no additional comments or questions, Treasurer Ellis requested a motion for approval.

Mr. Briant, as Committee Chairman, moved the Resolution for adoption. Mr. Griffin seconded the motion. The motion was carried 6 to 0 with 0 abstentions.

D. Executive Director Zimmer requested I.T. Manager Victor Tsai introduce Resolution No. 16-48 authorizing the issuance of an RFP for Software Component Outsourcing Services. The RFP requests development services for two (2) immediate software projects involving the creation of Optical Character Recognition functionality and exporting data from H2LOans to Excel for reporting purposes. The contract term is for 2 years with 1 additional year at the option of the Board.

Mr. Tsai asked if there were any comments or questions. Mr. Kennedy commented this would add value to the program and allows for further leverage of existing staff and resources.

Hearing no additional comments or questions, Treasurer Ellis requested a motion for approval

The resolution was moved for adoption by Mr. Longo and seconded by Mr. Cunningham. The motion was carried 6 to 0 with 0 abstentions.

9. **EXECUTIVE SESSION:**

Treasurer Ellis asked if there was a need for an Executive Session. Executive Director Zimmer responded there was not.

Treasurer Ellis asked Executive Director Zimmer if there was any further action required by the Board. Mr. Zimmer answered there was not.

Treasurer Ellis then asked for a motion for an adjournment.

Mr. Longo moved to adjourn the meeting. The motion was seconded by Mr. Ellis. The motion was carried 6 to 0 with 0 abstentions.

The meeting was adjourned at 10:40 a.m.

RESOLUTION OF THE NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST AUTHORIZING A DIRECT LOAN TO ONE BORROWER PARTICIPATING IN THE STATE FISCAL YEAR 2017 SMALL SYSTEM (NANO) NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE FINANCING PROGRAM

WHEREAS, pursuant to Section 5(m) and Section 9(a) of the New Jersey Environmental Infrastructure Trust Act, constituting Chapter 334 of the Pamphlet Laws of 1985 of the State of New Jersey (the “State”), as amended and supplemented (N.J.S.A. 58:11B-1 et seq.) (the “Act”), the New Jersey Environmental Infrastructure Trust, a public body corporate and politic under the laws of the State, created pursuant to the Act (the “Trust”), is authorized to make and contract to make loans (each, a “Trust Loan”) to project sponsors (each, a “Project Sponsor”) to finance a portion of the costs of the respective environmental infrastructure system projects thereof (each, a “Project”), which Project Sponsors may lawfully undertake or acquire and for which they are authorized by law to borrow funds, subject to such terms and conditions as the Trust shall determine to be consistent with the Act and the purposes of the Trust; and

WHEREAS, on July 14, 2016, the Board of Directors of the Trust (the “Board”) adopted Resolution No. 16-32 entitled “Resolution of the New Jersey Environmental Infrastructure Trust Authorizing the State Fiscal Year 2017 Small System Loan Program” (the “NLP Authorizing Resolution”); capitalized terms used and not otherwise defined in this Resolution shall have the respective meanings ascribed thereto in the NLP Authorizing Resolution), establishing the Small System Loan Program (the “NLP”) of the Trust, including the qualifications for “Very Small Water Systems” which serve a population of less than or equal to 500, for State Fiscal Year 2017 as a funding mechanism for improvements to Small Water Systems while also addressing the credit risks posed by such Financing Program applicants; and

WHEREAS, the Project Sponsor set forth in Schedule I attached hereto (a “Nano Loan Borrower”) has sought financial assistance from the Trust in connection with the respective Project thereof that bears the corresponding numeric designations set forth in Schedule I attached hereto (a “NANO Loan Project”); and

WHEREAS, the Nano Loan Borrower satisfies the criteria for participation in the NLP as a Very Small Water System as set forth in the NLP Authorizing Resolution; and

WHEREAS, the Nano Loan Borrower will receive a NJEIFP Small System Loan (a “NJDEP Loan”) from the State, acting by and through the New Jersey Department of Environmental Protection (the “NJDEP”) for a portion of the Project in the amount of $500,000, one hundred percent (100%) of which is subject to principal forgiveness pursuant to the terms available to Very Small Water Systems under the NLP Authorizing Resolution; and

WHEREAS, pursuant to the terms of the NLP Authorizing Resolution, including the terms as they relate to Very Small Water Systems, the Nano Loan Borrower will be required to self-fund the project in an amount equal to 15% of the total Small System Loan financing package; and
WHEREAS, it currently is estimated that the portion of the total cost of the Nano Loan Borrower’s respective Nano Loan Project to be financed by the Trust through the NLP in the form of a Trust Loan (a “Nano Trust Loan”) will not exceed the amount set forth under the heading “Maximum Trust Loan Amount” in Schedule I attached hereto with respect to the respective and corresponding Nano Loan Project of the Nano Loan Borrower (a “Maximum Trust Loan Amount”) and with additional financial assistance to be provided to the Nano Loan Borrower for the balance of the cost of its respective Nano Loan Project, after taking into account any principal forgiveness funds, Trust funds and self-funded monies, in the form of a loan (a “NJDEP Loan”) from the State, acting by and through the NJDEP; and

WHEREAS, the NLP Authorizing Resolution provides that the initial source of funds for each Nano Trust Loan made by the Trust during SFY 2017 pursuant to the NLP shall consist of one or both of (i) operating funds of the Trust that are not required for, or committed to, the operations of the Trust for State Fiscal Years 2017 and 2018 (“Available Funds”), and/or (ii) bonds to be issued by the Trust (“Trust Bonds”); and

WHEREAS, it is the desire of the Trust, subject to the terms and provisions of the Act, the NLP Authorizing Resolution and this Resolution, to authorize the Nano Trust Loan to the Nano Loan Borrower in an amount not to exceed the Maximum Trust Loan Amount (all as identified in Schedule I attached hereto and made a part hereof) for the purpose of financing a portion of the cost of the respective Nano Loan Project thereof (as identified in Schedule I attached hereto and made a part hereof), pursuant to the respective terms and provisions of the Nano Trust Loan Agreement.

Section 2. Each Authorized Officer is hereby severally authorized and directed to execute (i) the Nano Trust Loan Agreement and (ii) any certificates, instruments or documents contemplated therein or otherwise related to the making of the Nano Trust Loan by the Trust to the respective Nano Loan Borrower.

Section 3. Upon execution of the Nano Trust Loan Agreement by an Authorized Officer, the Secretary and the Assistant Secretary of the Trust are each hereby severally authorized and directed, where required, to affix the corporate seal of the Trust, and to attest to the signature of such Authorized Officer, thereon and on any certificates, instruments or documents contemplated therein or related thereto and to the making of the Nano Trust Loan by the Trust to the Nano Loan Borrower.

(iv) no Event of Default nor any event that, with the passage of time or service of notice or both, would constitute an Event of Default shall have occurred and be continuing hereunder.

(c) Notwithstanding any provision of this Loan Agreement to the contrary, at the request of the Borrower but at the sole discretion of the Trust, may disburse Loan proceeds to the Borrower either prior to or subsequent to the scheduled date for disbursement thereof as such scheduled date is identified in the disbursement schedule set forth in Exhibit C hereof, provided that (A) the Borrower has otherwise satisfied the requirements of this Section 3.02, and (B) such disbursement, in a manner that is inconsistent with the disbursement schedule as set forth in Exhibit C hereof, does not conflict with any restrictions set forth in the Regulations.

In the event that, in the submission of its requisition(s), the Borrower fails to comply with the disbursement schedule as set forth in Exhibit C hereof, and such non-compliance by the Borrower consists of (i) a failure to timely seek disbursement of Loan proceeds which failure results in an amount of non-disbursed funds remaining on deposit with the Trust, subsequent to the date on which such funds should have been disbursed pursuant to the disbursement schedule set forth in Exhibit C hereof, that, in the aggregate, represents twenty-five percent (25%) of the original principal amount of the Loan, or (ii) a failure to timely seek disbursement of Loan proceeds which failure results in an amount of funds disbursed from the Loan proceeds earlier than the date on which such funds were scheduled to have been disbursed pursuant to the disbursement schedule set forth in Exhibit C hereof, that, in the aggregate, represents twenty-five percent (25%) of the original principal amount of the Loan, then the Borrower shall provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower providing a revised disbursement schedule, in a form similar to Exhibit C hereto and approved by the Department. Any reference to Exhibit C in Section 3.01, Section 3.02 and
Section 3.03A hereof shall mean Exhibit C as such exhibit may have been revised from time to time pursuant to the provisions of the preceding sentence.

SECTION 3.03. Amounts Payable.

(a) The Borrower shall repay the Loan in installments payable to the Trust as follows:

(i) the principal of the Loan shall be repaid annually on the Principal Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof;

(ii) the Interest Portion described in clause (i) of the definition thereof shall be paid semiannually on the Interest Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof; and

(iii) the Interest Portion described in clause (ii) of the definition thereof shall be paid upon the date of any prepayment or acceleration.

The obligations of the Borrower under the Borrower Bond shall be deemed to be amounts payable under this Section 3.03. Each Loan Repayment shall be deemed to be a credit against the corresponding obligation of the Borrower under this Section 3.03 and shall fulfill the Borrower’s obligation to pay such amount hereunder and under the Borrower Bond. Each payment made to the Trust pursuant to this Section 3.03 shall be applied first to the Interest Portion then due and payable, second to the principal of the Loan then due and payable, third to the payment of the Administrative Fee, and finally to the payment of any late charges hereunder.

(b) The Interest on the Loan described in clause (iii) of the definition thereof shall (i) consist of a late charge for any principal Loan Repayment that is received by the Trust later than its due date and (ii) be payable immediately thereafter in an amount equal to the greater of twelve percent (12%) per annum or the Prime Rate plus one half of one percent per annum on such late payment from its due date to the date it is actually paid; provided, however, that the rate of Interest on the Loan, including, without limitation, any late payment charges incurred hereunder, shall not exceed the maximum interest rate permitted by law.

(c) Reserved.

(d) Reserved.

(e) The Interest on the Loan described in clause (ii) of the definition thereof shall be paid by the Borrower in the amount of one-half of the Administrative Fee, if any, to the Trust semiannually on each February 1 and August 1, commencing August 1, 2017.

(f) The Borrower hereby agrees to pay to the Trust at the Loan Closing a “Security Review Fee” in the amount necessary to reimburse the Trust for all of its costs and expenses incurred in connection with reviewing the additional security securing the Trust Loan as set forth in Exhibit F hereto, if any, including without limitation the fees and expenses of any professional advisers hired by the Trust in connection therewith.

-15-
(g) Upon thirty (30) days prior written notice to the Borrower, an Authorized Officer of the Trust may, in the sole discretion of such Authorized Officer, prescribe the particular method by which payments pursuant to, and in satisfaction of, this Section 3.03 shall be made by the Borrower. In the absence of any such written notice to the Borrower by an Authorized Officer of the Trust pursuant to this subsection (g), the payments required pursuant to, and in satisfaction of, this Section 3.03 shall be implemented via the automatic debit by the Trust of the respective amounts of such payments, as required by this Section 3.03, from an account that shall be identified by the Borrower in writing and recorded on file with the Trust.

SECTION 3.03A. Amounts on Deposit in Project Loan Account After Completion of Project Draws.

(a) If, on the date which is thirty (30) days following the final date for which a disbursement of Loan proceeds is scheduled to be made pursuant to Exhibit C hereto, any Loan proceeds remain undisbursed, the Borrower shall provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a revised disbursement schedule, in a form similar to Exhibit C hereto and approved by the Department.

(b) If, on the date which is thirty (30) days following the final date for which a disbursement of Loan proceeds is scheduled to be made pursuant to the revised disbursement schedule certified to the Trust and the Department in accordance with Section 3.03A(a) hereof, any Loan proceeds remain undisbursed, the Borrower shall provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a further revised disbursement schedule, in a form similar to Exhibit C hereto and approved by the Department.

(c) If, on the date which the Borrower has completed the Project, any Loan proceeds remain undisbursed, the Borrower must within thirty (30) days following such date provide to the Trust and the Department a certificate (i) stating that the Project is complete and (ii) setting forth the remaining costs, if any, of the Project for which a disbursement of Loan will be required.

(d) If (i) the Borrower fails to provide the certificate described in paragraphs (a), (b) or (c) of this Section 3.03A, when due, or (ii) a certificate provided pursuant to paragraphs (a), (b) or (c) of this Section 3.03A states that the Borrower does not require all or any portion of the Loan proceeds for completion of the Project, or (iii) on the date which is thirty (30) days following the final date on which a disbursement of Loan proceeds is scheduled to be made pursuant to a further revised disbursement schedule certified to the Trust and the Department in accordance with Section 3.03A(b) hereof, any Loan proceeds remain undisbursed, then such undisbursed Loan proceeds, which are amounts that have not been certified by an Authorized Officer of the Borrower as being required to complete the Project (“Excess Project Funds”), shall be applied as follows:
(i) If the Excess Project Funds are less than or equal to the greater of (1) $250,000 or (2) the amount of Loan Repayments due from the Borrower to the Trust in the next succeeding calendar year, the Excess Project Funds shall be applied by the Trust toward the Borrower’s obligation to make the Loan Repayments next coming due; or

(ii) If the Excess Project Funds are greater than the greater of (1) $250,000 or (2) the amount of Loan Repayments due from the Borrower to the Trust in the next succeeding calendar year, the Excess Project Funds shall be applied by the Trust as a prepayment of the Borrower’s Loan Repayments, and shall be applied to the principal payments (including, premium, if any) on the Loan in inverse order of their maturity.

SECTION 3.04. Unconditional Obligations. The obligation of the Borrower to make the Loan Repayments and all other payments required hereunder and the obligation to perform and observe the other duties, covenants, obligations and agreements on its part contained herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever while any Loan Repayments remain unpaid, for any reason, regardless of any contingency, act of God, event or cause whatsoever, including (without limitation) any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or damage to the Project or Environmental Infrastructure System, commercial frustration of the purpose, any change in the laws of the United States of America or of the State or any political subdivision of either or in the rules or regulations of any governmental authority, any failure of the Trust to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Project, this Loan Agreement, or any rights of set-off, recoupment, abatement or counterclaim that the Borrower might otherwise have against the Trust or any other party or parties; provided, however, that payments hereunder shall not constitute a waiver of any such rights.

The Loan has been funded from available monies of the Trust and not from the Trust Bonds issued under the Bond Resolution, as is the case with the other Borrowers under their Loan Agreements. Therefore, the Borrower shall not be obligated to make any payments required to be made by any other Borrowers under separate Loan Agreements or the Bond Resolution./

SECTION 3.05. Loan Agreement to Survive Loan. The Borrower acknowledges that its duties, covenants, obligations and agreements set forth in Sections 3.06(a) and (b) hereof shall survive the payment in full of the Loan

SECTION 3.06. Disclaimer of Warranties and Indemnification.

(a) The Borrower acknowledges and agrees that (i) the Trust makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the Environmental Infrastructure System or the Project or any portions thereof or any other warranty or representation with respect thereto; (ii) in no event shall the Trust or its respective agents be liable or responsible for any incidental, indirect, special or consequential damages in connection with or arising out of this Loan
Agreement or the Project or the existence, furnishing, functioning or use of the Environmental Infrastructure System or the Project or any item or products or services provided for in this Loan Agreement; and (iii) during the term of this Loan Agreement and to the fullest extent permitted by law, the Borrower shall indemnify and hold the Trust harmless against, and the Borrower shall pay any and all, liability, loss, cost, damage, claim, judgment or expense of any and all kinds or nature and however arising and imposed by law, which the Trust may sustain, be subject to or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, or upon or arising out of contracts entered into by the Borrower, the Borrower’s ownership of the Environmental Infrastructure System or the Project, or the acquisition, construction or installation of the Project.

(b) It is mutually agreed by the Borrower and the Trust that the Trust and its officers, agents, servants or employees shall not be liable for, and shall be indemnified and saved harmless by the Borrower in any event from, any action performed under this Loan Agreement and any claim or suit of whatsoever nature, except in the event of loss or damage resulting from their own negligence or willful misconduct.

(c) The Borrower and the Trust agree that all claims shall be subject to and governed by the provisions of the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. (except for N.J.S.A. 59:13-9 thereof), although such Act by its express terms does not apply to claims arising under contract with the Trust.

(d) In connection with its obligation to provide the insurance required under Section 2.02(j) hereof: (i) the Borrower shall include, or cause to be included, the Trust and its directors, employees and officers as additional “named insureds” on (A) any certificate of liability insurance procured by the Borrower (or other similar document evidencing the liability insurance coverage procured by the Borrower) and (B) any certificate of liability insurance procured by any contractor or subcontractor for the Project, and from the later of the date of the Loan Closing or the date of the initiation of construction of the Project until the date the Borrower receives the written certificate of Project completion from the Trust, the Borrower shall maintain said liability insurance covering the Trust and said directors, employees and officers in good standing; and (ii) the Borrower shall include the Trust as an additional “named insured” on any certificate of insurance providing against risk of direct physical loss, damage or destruction of the Environmental Infrastructure System, and during the Loan Term the Borrower shall maintain said insurance covering the Trust in good standing.

The Borrower shall provide the Trust with a copy of each of any such original, supplemental, amendatory or reissued certificates of insurance (or other similar documents evidencing the insurance coverage) required pursuant to this Section 3.06(d).

SECTION 3.07. Option to Prepay Loan Repayments. The Borrower may prepay the principal Loan Repayments, in whole or in part, upon prior written notice to the Trust not less than ninety (90) days from the date of prepayment, and upon payment by the Borrower to the Trust of amounts that, together with investment earnings thereon, will be sufficient to pay the principal amount of the Loan Repayments to be prepaid plus the Interest Portion described in clause (ii) of the definition thereof on any such date; provided, however, that any such full or partial prepayment may only be made (i) if the Borrower is not then in arrears on its Fund Loan,
(ii) upon the prior written approval of the Trust, and (iii) provided that the Borrower shall agree to pay all costs and expenses of the Trust in connection with such prepayment, including, without limitation, the fees of Bond Counsel to the Trust and any other professional advisors to the Trust. Prepayments shall be applied first to the Interest Portion that accrues on the portion of the Loan to be prepaid until such prepayment date as described in clause (ii) of the definition thereof and then to principal payments (including premium, if any) on the Loan in inverse order of their maturity.

SECTION 3.08. Priority of Loan and Fund Loan.

(a) The Borrower hereby acknowledges that, to the extent allowed by law or the Borrower Bond Resolution, any Loan Repayments then due and payable on the Loans shall be satisfied by the Trust before any loan repayments on the Borrower’s Fund Loan shall be satisfied by the Trust. The Borrower agrees not to interfere with any such action by the Trust.

(b) Reserved.

SECTION 3.09. Approval of the New Jersey State Treasurer. The Borrower and the Trust hereby acknowledge that prior to or simultaneously with the Loan Closing the New Jersey State Treasurer, in satisfaction of the requirements of Section 9a of the Act, issued the “Certificate of the New Jersey State Treasurer Regarding the Approval of the Trust Loan and the Fund Loan” (the “Treasurer’s Certificate”). Pursuant to the terms of the Treasurer’s Certificate, the New Jersey State Treasurer approved the Loan and the terms and conditions thereof as established by the provisions of this Loan Agreement.

SECTION 4.01. Assignment and Transfer by Trust.

(a) The Trust’s right, title and interest in, to and under this Loan Agreement shall not be assigned without the express written consent of the Borrower.

The Trust shall retain the right to compel or otherwise enforce observance and performance by the Borrower of its duties, covenants, obligations and agreements under Section 2.02(d)(ii) hereof; provided, however, that in no event shall the Trust have the right to accelerate the Borrower Bond in connection with the enforcement of Section 2.02(d)(ii) hereof.

SECTION 4.02. Assignment by Borrower. Neither this Loan Agreement nor the Borrower Bond may be assigned by the Borrower for any reason, unless the following conditions shall be satisfied: (i) the Trust shall have approved said assignment in writing; (ii) the assignee shall have expressly assumed in writing the full and faithful observance and performance of the Borrower’s duties, covenants, obligations and agreements under this Loan Agreement and, to the extent permitted under applicable law, the Borrower Bond; and (iii) immediately after such assignment, the assignee shall not be in default in the observance or performance of any duties, covenants, obligations or agreements of the Borrower under this Loan Agreement or the Borrower Bond.
ARTICLE V

(b) failure by the Borrower to make, or cause to be made, any required payments of principal, redemption premium, if any, and interest on any bonds, notes or other obligations of the Borrower issued under the Borrower Bond Resolution (other than the Loan and the Borrower Bond) or otherwise secured by all or a portion of the property pledged under the Borrower Bond Resolution, after giving effect to the applicable grace period;

(c) failure by the Borrower to pay, or cause to be paid, the Administrative Fee or any late charges incurred hereunder or any portion thereof when due or to observe and perform any duty, covenant, obligation or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in subsection (a) of this Section 5.01 or other than the obligations of the Borrower contained in Section 2.02(d)(ii) hereof and in Exhibit F hereto, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower by the Trust, unless the Trust shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in such notice is correctable but cannot be corrected within the applicable period, the Trust may not unreasonably withhold its consent to an extension of such time up to 120 days from the delivery of the written notice referred to above if corrective action is instituted by the Borrower within the applicable period and diligently pursued until the Event of Default is corrected;

(d) any representation made by or on behalf of the Borrower contained in this Loan Agreement, or in any instrument furnished in compliance with or with reference to this Loan Agreement or the Loan, is false or misleading in any material respect;

(e) a petition is filed by or against the Borrower under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Loan Agreement or thereafter enacted, unless in the case of any such petition filed against the Borrower such petition shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal; or the Borrower shall become insolvent or bankrupt or shall make an assignment for the benefit of its creditors; or a custodian (including, without limitation, a receiver, liquidator or trustee of the Borrower or any of its property) shall be appointed by court order or take possession of the Borrower or its property or assets if such order remains in effect or such possession continues for more than thirty (30) days;

(f) the Borrower shall generally fail to pay its debts as such debts become due; and
(g) failure of the Borrower to observe or perform such additional duties, covenants, obligations, agreements or conditions as are required by the Trust and specified in Exhibit F attached hereto and made a part hereof.

SECTION 5.02. Notice of Default. The Borrower shall give the Trust prompt telephonic notice of the occurrence of any Event of Default referred to in Section 5.01(d) or (e) hereof and of the occurrence of any other event or condition that constitutes an Event of Default at such time as any senior administrative or financial officer of the Borrower becomes aware of the existence thereof.

SECTION 5.03. Remedies on Default. Whenever an Event of Default referred to in Section 5.01 hereof shall have occurred and be continuing, the Borrower acknowledges the rights of the Trust to take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce the observance and performance of any duty, covenant, obligation or agreement of the Borrower hereunder.

In addition, if an Event of Default referred to in Section 5.01(a) hereof shall have occurred and be continuing, the Trust shall, to the extent allowed by applicable law, have the right to declare all Loan Repayments and all other amounts due hereunder (including, without limitation, payments under the Borrower Bond) to be immediately due and payable, and upon notice to the Borrower the same shall become due and payable without further notice or demand.

SECTION 5.06. No Remedy Exclusive; Waiver; Notice. No remedy herein conferred upon or reserved to the Trust is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any Event of Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the
Trust or the Trustee to exercise any remedy reserved to it in this Article V, it shall not be necessary to give any notice other than such notice as may be required in this Article V.

SECTION 5.07. Retention of Trust’s Rights. Notwithstanding any assignment or transfer of this Loan Agreement pursuant to the provisions hereof, or anything else to the contrary contained herein, the Trust shall have the right upon the occurrence of an Event of Default to take any action, including (without limitation) bringing an action against the Borrower at law or in equity, as the Trust may, in its discretion, deem necessary to enforce the obligations of the Borrower to the Trust pursuant to Section 5.03 hereof.

[Date of Loan Closing]

New Jersey Environmental Infrastructure Trust
3131 Princeton Pike
Building 4, Suite 216
Lawrenceville, New Jersey 08648-2201

Ladies and Gentlemen:

We have acted as counsel to [Name of Borrower], a corporation duly organized and validly existing under the laws of the State of New Jersey (the “Borrower”), which has entered into a Loan Agreement (as hereinafter defined) with the New Jersey Environmental Infrastructure Trust (the “Trust”), and have acted as such in connection with the authorization, execution, attestation and delivery by the Borrower of its Loan Agreement and Borrower Bond (as hereinafter defined) pursuant to the New Jersey Business Corporation Act, P.L. 1968, c. 263, as amended (the “Business Corporation Law”), and a [bond resolution] [indenture] of the Borrower [adopted on] [dated] [DATE] and entitled “TITLE” as amended and supplemented, including by a supplemental [resolution] [indenture] [adopted on] [dated] [DATE] and entitled “[TITLE]” such [resolutions] [indentures] shall be collectively referred to herein as the "Resolution"). All capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Loan Agreement.

In so acting, we have examined the Constitution and laws of the State of New Jersey, including, without limitation, the Business Corporation Law, and the certificate of incorporation and by-laws of the Borrower. We have also examined originals, or copies certified or otherwise identified to our satisfaction, of the following:

(a) the Loan Agreement dated as of [Date of Loan Closing] (the “Loan Agreement”) by and between the Trust and the Borrower;

(b) the proceedings of the board of directors of the Borrower relating to the approval of the Loan Agreement and the execution, attestation and delivery thereof on behalf of the Borrower and the authorization of the undertaking and completion of the Project;

(c) the Borrower Bond dated [Date of Loan Closing] (the “Borrower Bond”) issued by the Borrower to the Trust to evidence the Loan; and

(d) the proceedings (together with the proceedings referred to in clause (c) above and Section 5 below, the “Proceedings”) of the board of directors of the Borrower, including, without limitation, the Resolution, relating to the authorization of the Borrower Bond and the sale, execution, attestation, authentication and delivery thereof to the Trust (the Loan Agreement and the Borrower Bond are referred to herein collectively as the “Loan Documents”).
We have also examined and relied upon originals, or copies certified or otherwise authenticated to our satisfaction, of such other records, documents, certificates and other instruments, and have made such investigation of law as in our judgment we have deemed necessary or appropriate, to enable us to render the opinions expressed below.

We are of the opinion that:

1. The Borrower is a corporation duly created and validly existing under and pursuant to the Constitution and statutes of the State of New Jersey, including the Borrower Enabling Act, with the legal right to carry on the Business Corporation Law, with the legal right to carry on the business of its Environmental Infrastructure System as currently being conducted and as proposed to be conducted.

2. The Borrower has full legal right and authority to execute, attest and deliver the Loan Documents, to sell the Borrower Bond to the Trust, to cause the authentication of the Borrower Bond, to observe and perform its duties, covenants, obligations and agreements under the Loan Documents and to undertake and complete the Project.

3. The acting officers of the Borrower who are contemporaneously herewith performing or have previously performed any action contemplated in the Loan Agreement are, and at the time any such action was performed were, the duly appointed or elected officers of the Borrower empowered by applicable New Jersey law and authorized by resolution of the Borrower to perform such actions.

4. In accordance with the terms of the Resolution and to the extent provided in the Resolution, the Borrower has unconditionally and irrevocably promised to make the Loan Repayments and pay all other amounts due under the Loan Documents.

5. Please Label Proposals with Firm’s Name and
“Proposal for Software Component Outsourcing RFP”
I. OBJECTIVE
The New Jersey Environmental Infrastructure Trust (NJEIT) will retain the services of a software development firm for the purposes of assisting the NJEIT with the integration of feature enhancements to its internal enterprise application, H2LOans, which is deployed for use by the NJEIT, NJDEP, and the public. The selected firm must be capable of providing consultancy services on an as-needed basis for the term of the contract.

The following paragraphs describe in more detail the mission of the NJEIT, its activities, the scope of services being requested in this RFP, and the information to be provided by interested firms.

II. BACKGROUND

b. Purpose
Since 1987, the DEP and the NJEIT have partnered to offer funding through the Environmental Infrastructure Financing Program (Program). The Program provides loans to local government units and public water utilities in New Jersey for the construction and maintenance of sanitary sewer and drinking water related projects, as well as projects having a water quality benefit such as land acquisition, storm-water control, landfill closure, and remediation (Environmental Infrastructure Projects). NJEIT sells issues of bonds on behalf of pools of borrowers reducing underwriting and interest costs inherent in a small issue.

The New Jersey Environmental Infrastructure Trust, in partnership with the NJ Department of Environmental Protection (DEP) has been creating and developing H2LOans, its enterprise application software, to assist in tracking and managing loan applications for water infrastructure projects within the state of New Jersey. The application also assists with tracking and managing funds. These funds are sourced from a number of different Federal, State and private sources that are, in turn, issued to a number of different recipients. H2LOans ultimately serves as a tool to assist the financing program in making it more efficient and transparent to better serve the state of New Jersey.
The software development team utilizes the Zend Studio IDE for all software development purposes. The code repository is housed with a cloud provider and the production technology stack is the Zend Server stack. The architecture and infrastructure of H2LOans leverages the resources and infrastructure of AWS (Amazon Web Services) to run. This provides the application with the necessary scalability, redundancy, and resiliency needed to ensure a high quality of service for its end users. H2LOans is hosted with AWS EC2 services. It is configured as a cluster with load balancing and auto-scaling groups. The database server is hosted on the AWS RDS service. User uploaded files are stored within the AWS S3 service. Static files and application libraries are served through AWS CloudFront for fast response and loading.

The objective of the requested work is to develop system features that can integrate with the existing system. Users have often requested features that would assist in helping them complete their work faster or find information more easily. The tasks outlined in the scope of work have been the most commonly requested features from users.

c. Definitions

- **API** - An application programming interface (API) is a set of subroutine definitions, protocols, and tools for building software and applications. An API may be for a web-based system, operating system, database system, computer hardware, or software library.
- **CSV** - Comma-separated values (CSV) file stores tabular data (numbers and text) in plain text. Each line of the file is a data record. Each record consists of one or more fields, separated by commas. The use of the comma as a field separator is the source of the name for this file format.
- **Dataset** - A collection of related sets of information that is composed of separate elements but can be manipulated as a unit by a computer.
- **JSON** - JavaScript Object Notation (JSON) is an open-standard format that uses human-readable text to transmit data objects consisting of attribute–value pairs. It is the most common data format used for asynchronous browser/server communication.
- **OCR** - Optical character recognition (optical character reader, OCR) is the mechanical or electronic conversion of images of typed, handwritten or printed text widely used as a form of data entry from printed paper data records. It is a common method of digitizing printed texts so that they can be electronically edited, searched, and stored more compactly.
- **PDF** - Portable Document Format (PDF) is a file format used to present documents in a manner independent of application software, hardware, and operating systems. Each PDF file encapsulates a complete description of a fixed-layout flat document, including the text, fonts, graphics, and other information needed to display it.
- **Scalable/scalability** - The capability of a system, network, or process to handle a growing amount of work, or its potential to be enlarged in order to accommodate that growth. An
example would be the capability of a system to increase its total output under an increased load when resources (typically hardware) are added.

- **SQL - Structured Query Language** is a special-purpose programming language designed for managing data held in a relational database management system (RDBMS), or for stream processing in a relational data stream management system (RDSMS).
- **XML - Extensible Markup Language** (XML) is a markup language that defines a set of rules for encoding documents in a format that is both human-readable and machine-readable. The design of XML focuses on documents, however the language is widely used for the representation of arbitrary data structures such as those used in web services.

### III. Scope of Work (SOW)

1. **Retainer:**

   The winning proposer will be expected to provide software component outsourcing consulting services for the Trust’s H2LOans system. The retainer will be for a period of two (2) years with a one (1) year option to renew for the provision of software component development services. There is no guarantee on the volume of work awarded, despite the award of this RFP and the execution of the contract. Requests for software component development services will be requested by the Trust on a case-by-case basis.

2. **Immediate Project Objectives:**

   The Trust has two identified projects for the retained firm to develop or produce software package(s) that can perform the following functionalities:

   - File Export of Dataset from a Web-generated Report
   - Optical Character Recognition (OCR) of Uploaded Documents

   The functionality will require accessibility by external web applications to run scheduled and manually requested batch jobs. Service Oriented Architecture for the applications is highly recommended and preferred but not required. All source code and documentation must be submitted to the NJEIT and will remain the property of the NJEIT.

   The following are details regarding each feature listed above:

   **i. File Export of Dataset from a Web-generated Report**

   Users consistently manipulate data utilizing Microsoft Excel. Currently, there is no ability to export data from H2LOans into Excel for users to manipulate the information. This application will take a dataset from within the system and allow users to download the dataset to their personal devices.
Minimum Requirements:
An application that meets the following requirements:

- Export a dataset into the following file formats for users to download
  - Office Open XML (.xlsx) Excel 2007 and newer
  - CSV
  - XML
- Input dataset format:
  - JSON
  - SQL Resultset
- API for integration
- Needs to be scalable
  Handle a minimum of 100 requests per second on a cluster of 2 servers with capability to add additional server computing resources to increase processing capability beyond 100 requests per second on 3 or more servers.

ii. **Optical Character Recognition (OCR) of Uploaded Documents**

Program Review staff maintain numerous PDF documents and require the ability to search within the documents. Due to various sources and quality of file uploads, PDF files may not be OCR and searchable. This application will take a PDF document as input and produce an output of an OCR PDF.

Minimum Requirements:

- An application that meets the following requirements:
- Input source PDF (Typically from an Amazon S3 bucket)
- Output of OCR PDF (Typically saved back to the Amazon S3 bucket)
- API for integration
- Needs to be scalable
  Capable of OCR a minimum of 20 documents simultaneously cluster of 2 servers with capability to add additional server computing resources to increase processing capability beyond 20 documents simultaneously on 3 or more servers.
- Performance
  - Needs to be 98% accurate at a minimum scanned quality of 300dpi for Latin based characters and symbols

9. Upon the authentication and delivery of the Series 2016A-2 Bonds, the Trust shall furnish to the Trustee:

   (a) a Certificate of the Chairman, Executive Director or other Authorized Officer of the Trust, pursuant to Section 148 of the Code, setting forth the expectations of the Trust on the date of such authentication and delivery as to future events and such certification shall set forth the facts and estimates on which such expectations are based and shall state that to the best of the knowledge and belief of such officer of the Trust, the Trust’s expectations are reasonable;

   (b) an opinion of Bond Counsel to the effect that under existing law (i) interest on the Series 2016A-2 Bonds is excluded from gross income for federal income tax purposes, and (ii) interest on the Series 2016A-2 Bonds and any gain on the sale thereof are excluded from gross income under the New Jersey Gross Income Tax Act; and

   (c) an opinion of Counsel to the effect that the Trust has the right and power under the Act, as amended, to the date of such opinion, to enter into the Loan Agreements, and the Loan Agreements have been duly and lawfully authorized and executed by the Trust, are in full force and effect and are valid and binding upon the Trust and enforceable in accordance with their terms, and no other authorization for the Loan Agreements is required; provided, that the opinion may take exception as to the effect of, or for restrictions or limitations imposed by or resulting from, bankruptcy, insolvency, debt adjustment, moratorium, reorganization or other similar laws affecting creditors’ rights generally and judicial discretion and the valid exercise of the sovereign police powers of the State of New Jersey and of the constitutional powers of the United States of America and may state that no opinion is being rendered as to the availability of any particular remedy, but that such limitations do not make the rights and remedies of the Bondholders, taken as a whole, inadequate for the practical realization of the benefits of the Loan Agreements.

SECTION 2.04. Refunding Bonds.

1. One or more Series of Refunding Bonds may be issued at any time to refund any Outstanding Bond or Bonds of a particular Series or all of the Bonds of one or more Series. Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make the deposits in the funds and accounts under this Bond Resolution required by the provisions of the Supplemental Resolution authorizing such Bonds. Refunding Bonds shall be on a parity with and, except as otherwise provided in the Applicable Supplemental Resolution for such Refunding Bonds, shall be entitled to the same benefit and security of this Bond Resolution including the pledge of the Trust Estate as the Bonds of the Series of Bonds which are being refunded.

2. Refunding Bonds of each Series shall be authenticated and delivered by the Trustee only upon receipt by the Trustee (in addition to the documents required by Section 2.02) of:

   (a) Instructions to the Trustee, satisfactory to it, to give due notice of redemption, if applicable, of all the Bonds to be refunded on a redemption date or dates specified in such instructions, subject to the provisions of Section 12.01;
(b) If the Bonds to be refunded are not by their terms subject to redemption within the next succeeding sixty (60) days, instructions to the Trustee, satisfactory to it, to mail the notice provided for in Section 12.01 to the Holders of the Bonds being refunded;

(c) Either (i) moneys in an amount sufficient to effect payment at the applicable Redemption Price of the Bonds to be refunded together with accrued interest on such Bonds to the redemption date or dates, which moneys shall be held by the Trustee or any one or more of the Paying Agents in a separate account irrevocably in trust for and assigned to the respective Holders of the Bonds to be refunded, or (ii) qualifying Investment Securities in such principal amounts of such maturities, bearing such interest and otherwise having such terms and qualifications and any moneys as shall be necessary to comply with the provisions of subsection 2 of Section 12.01, which Investment Securities and moneys shall be held in trust and used only as provided in said subsection 2 of Section 12.01;

(d) A Certificate of an Authorized Officer of the Trust demonstrating that the Trust Bond Loan Repayments to become due in each Bond Year during which such Refunding Bonds shall be Outstanding shall be sufficient to pay when due the principal or Redemption Price of, and interest on, all Bonds Outstanding upon the authentication and delivery of such Series of Refunding Bonds;

(e) A verification report of an independent nationally recognized certified public accountant addressed to the Trust and the Trustee with respect to the matters set forth in (c) and (d) hereof; and

(f) In the event that a forward supply contract is employed in connection with the matters set forth in (c) and (d) hereof, (i) the verification report required by (e) hereof shall expressly state that the adequacy of the irrevocable trust described in (c) hereof to accomplish the issuance of Refunding Bonds relies solely on the initial investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the escrow agreement entered into by the Trust pursuant to (c) hereof shall provide that in the event of any discrepancy or differences between the terms of the forward supply contract and the escrow agreement, the terms of the escrow agreement shall be controlling.

3. The proceeds, including accrued interest, of the Refunding Bonds of each Series shall be applied simultaneously with the delivery of such Refunding Bonds for the purposes of making deposits, if any, in such Funds and Accounts as shall be provided by the Supplemental Resolution authorizing such Series of Refunding Bonds and shall be applied to the refunding purposes thereof in the manner provided in said Supplemental Resolution.

SECTION 2.05. Book-Entry-Only System.

1. Except as provided in subparagraph 3 of this Section 2.05, the registered Holder of all of the Series 2016A-2 Bonds shall be, and the Series 2016A-2 Bonds shall be registered in the name of, Cede & Co. as nominee of DTC. Payment of semiannual interest for any Series 2016A-2 Bond shall be made by wire transfer to the account of Cede & Co. on the Interest Payment Date for the Series 2016A-2 Bonds at the address indicated for Cede & Co. in the registry books of the Trust kept by the Trustee.

2. The Series 2016A-2 Bonds shall be issued initially in the form of a separate single fully registered Bond in the amount of the aggregate principal amount of each separate stated maturity of the Series 2016A-2 Bonds. Upon initial issuance, the ownership of each such Series 2016A-2 Bond shall be registered in the registry books of the Trust kept by the Trustee in the name of Cede & Co., as nominee of DTC. With respect to Series 2016A-2 Bonds registered in the registry books kept by the Trustee in the name of Cede & Co., as nominee of DTC, the Trust and any Fiduciary shall have no responsibility or
obligation to any participant or to any beneficial owner of such Series 2016A-2 Bonds. Without limiting the immediately preceding sentence, the Trust and any Fiduciary shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any participant with respect to any beneficial ownership interest in the Series 2016A-2 Bonds, (ii) the delivery to any participant, any beneficial owner or any other person, other than DTC, of any notice with respect to the Series 2016A-2 Bonds, including any notice of redemption, or (iii) the payment to any participant, any beneficial owner or any other person, other than DTC, of any amount with respect to the principal or Redemption Price of, or interest on, the Series 2016A-2 Bonds. The Trust and any Fiduciary may treat as, and deem DTC to be, the absolute owner of each Series 2016A-2 Bond for the purpose of payment of the principal or Redemption Price of, and interest on, each such Series 2016A-2 Bond, for the purpose of giving notices of redemption and other matters with respect to such Series 2016A-2 Bonds, for the purpose of registering transfers with respect to such Series 2016A-2 Bonds and for all other purposes whatsoever. The Paying Agent shall pay all principal or Redemption Price of, and interest on, the Series 2016A-2 Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Trust’s obligations with respect to the principal or Redemption Price of, and interest on, the Series 2016A-2 Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive a Series 2016A-2 Bond evidencing the obligation of the Trust to make payments of principal or Redemption Price of, and interest on, the Series 2016A-2 Bonds pursuant to this Bond Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the term “Cede & Co.” in this Bond Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to the Series 2016A-2 Bonds at any time by giving written notice to the Trust and the Fiduciaries and discharging its responsibilities with respect thereto under applicable law.

(b) The Trust, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2016A-2 Bonds if the Trust so determines, and shall terminate the services of DTC with respect to the Series 2016A-2 Bonds upon receipt by the Trust and the Fiduciaries of written notice from DTC to the effect that DTC has received written notice from participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Series 2016A-2 Bonds to the effect that: (i) DTC is unable to discharge its responsibilities with respect to the Series 2016A-2 Bonds; or (ii) a continuation of the requirement that all of the Outstanding Series 2016A-2 Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2016A-2 Bonds.

(c) Upon the termination of the services of DTC with respect to the Series 2016A-2 Bonds pursuant to subsection 2.05(3)(b)(ii) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Series 2016A-2 Bonds pursuant to subsection 2.05(3)(a) or subsection 2.05(3)(b)(i) hereof after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Trust, is willing and able to undertake such functions upon reasonable and customary terms, the Series 2016A-2 Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co. as nominee of DTC, but may be registered in whatever name or names Bondholders transferring or exchanging Series 2016A-2 Bonds shall designate, in accordance with the provisions of Article II hereof.

4. Notwithstanding any other provision of this Bond Resolution to the contrary, so long as any Series 2016A-2 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal or Redemption Price of, and interest on, such Series 2016A-2 Bond and all notices with respect to such Series 2016A-2 Bond shall be made and given, respectively, to DTC as provided in the
representation letter of the Trust and the Trustee addressed to DTC with respect to the Series 2016A-2 Bonds.

5. In connection with any notice or other communication to be provided to Bondholders pursuant to this Bond Resolution by the Trust or the Trustee with respect to any consent or other action to be taken by Bondholders, the Trust or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.
ARTICLE III

GENERAL TERMS AND PROVISIONS OF BONDS

SECTION 3.01. Medium of Payment; Form and Date; Letters and Numbers.

1. The Bonds shall be payable, with respect to interest and principal or Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

2. The Bonds of each Series shall be issued only in the form of fully registered Bonds without coupons in denominations of, subject to the denominations required by Section 2.03(3) and 2.05(2) hereof with regard to the initial denominations of the Series 2016A-2 Bonds, $5,000 or any whole multiple thereof. The Bonds of each Series shall be in substantially the form set forth in Section 14.01 or substantially in the form set forth in the Supplemental Resolution authorizing such Series.

3. Each Bond shall be lettered and numbered as provided in this Bond Resolution or the Supplemental Resolution providing for the issuance of the Series of which such Bond is a part and so as to be distinguished from every other Bond.

Bonds of each Series issued on the date of original issuance shall be dated and bear interest from the date set forth in this Bond Resolution or the Supplemental Resolution authorizing such Series of Bonds. Bonds of each Series issued after the date of original issuance shall be dated as of the date of authentication thereof by the Trustee. Interest on each Bond shall be payable from the most recent Interest Payment Date next preceding the date of authentication of such Bond to which interest has been paid, unless the date of authentication of such Bond is an Interest Payment Date to which interest has been paid, in which case interest shall be payable from such Interest Payment Date, or unless the date of such Bond is prior to the first Interest Payment Date on the Bonds, in which case interest shall be payable from the earliest date on which interest shall have accrued on the Bonds, or unless the date of such Bond is between the Record Date and the next succeeding Interest Payment Date, in which case interest shall be payable from such Interest Payment Date.

4. The interest on, and principal or Redemption Price, if any, of, each Series of Bonds shall be payable as provided in this Bond Resolution or Supplemental Resolution relating to such Series of Bonds.

SECTION 3.02. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Bond Resolution as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, the Act, or otherwise, as may be determined by the Trust prior to the authentication and delivery thereof.

SECTION 3.03. Execution and Authentication.

1. The Bonds shall be executed in the name of the Trust by the manual or facsimile signature of the Chairman or other Authorized Officer of the Trust, and its corporate seal (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced thereon and attested by the manual or facsimile signature of the Secretary or Assistant Secretary or other Authorized Officer of the Trust, or in such other manner as may be required or permitted by law. In case any one or more of the Authorized Officers of the Trust who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been authenticated and delivered by the Trustee, such Bonds may,
nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond of a Series may be signed and sealed on behalf of the Trust by such persons who at the time of the execution of such Bonds shall be duly authorized or shall hold the proper office in the Trust, although at the date borne by the Bonds of such Series such persons may not have been so authorized or have held such office.

2. The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in this Bond Resolution or in the Supplemental Resolution authorizing such Series of Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under this Bond Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Trust shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under this Bond Resolution and that the Holder thereof is entitled to the benefits of this Bond Resolution.

SECTION 3.04. Transfer and Registry.

1. Each Bond shall be transferable only upon the books of the Trust, which shall be kept for that purpose at the Principal Office of the Trustee, by the Holder thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Holder or his duly authorized attorney. Upon the transfer of any such Bond the Trust shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and Series and maturity as the surrendered Bond.

2. The Trust and each Fiduciary may deem and treat the person in whose name any Bond shall be registered upon the books of the Trust as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on, such Bond and for all other purposes, and all such payments so made to any such Holder or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Trust nor any Fiduciary shall be affected by any notice to the contrary. The Trust agrees to indemnify and save each Fiduciary harmless from and against any and all loss, cost, charge, expense (including legal fees), judgment or liability incurred by it, acting in good faith and without negligence under this Bond Resolution, in so treating such Holder, and that such indemnity shall survive the payment of the Bonds and the discharge of this Bond Resolution.

SECTION 3.05. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Trust shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Bond Resolution. All Bonds surrendered in any such exchange or transfer shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the Trust or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer. Neither the Trust nor the Trustee shall be required (a) to transfer or exchange Bonds for a period beginning on the Record Date next preceding an Interest Payment Date for the Bonds and ending on such Interest Payment Date, or for a period of fifteen (15) days (or such lesser period as may be specified in a Supplemental Resolution for a particular Series of Bonds) next preceding the date (as determined by the Trustee) of any selection of Bonds to be redeemed or thereafter until after the mailing of any notice of redemption; or (b) to transfer or exchange any Bonds called or tendered for redemption.

SECTION 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Trust shall execute, and thereupon the Trustee shall authenticate
and deliver, a new Bond of like Series, maturity and principal amount as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence satisfactory to the Trust and the Trustee that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Trust and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Trust and the Trustee may prescribe and paying such expenses as the Trust and Trustee may incur. All mutilated Bonds so surrendered to the Trustee shall be canceled by it. Any such new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Trust, whether or not the Bonds so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by, and entitled to equal and proportionate benefits with all other Bonds issued under this Bond Resolution in, any moneys or securities held by the Trust or any Fiduciary for the benefit of the Bondholders.

SECTION 3.07. Temporary Bonds.

1. Until the definitive Bonds of any Series are prepared, the Trust may execute, in the same manner as is provided in Section 3.03, and upon the request of the Trust, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Trust at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds, the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, definitive Bonds of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to this Bond Resolution.

2. All temporary Bonds surrendered in exchange either for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

SECTION 3.08. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with all Bonds purchased by the Trustee, shall thereupon be promptly canceled. Bonds so canceled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be filed with the Trust and the other executed certificate shall be retained by the Trustee.
ARTICLE IV

REDEMPTION OF BONDS PRIOR TO MATURITY

SECTION 4.01. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to this Bond Resolution shall be redeemable, upon notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms in addition to the terms contained in this Article IV as may be specified in this Bond Resolution and the Supplemental Resolution authorizing such Series of Bonds. In order to redeem prior to maturity Bonds which are registered in the name of Cede & Co., the Redemption Price plus accrued interest thereon shall be deposited with the Trustee in immediately available funds not later than 11:00 a.m., New York City time, on the redemption date.

SECTION 4.02. Optional and Mandatory Sinking Fund Redemption.

1. The Series 2016A-2 Bonds shall be subject to optional redemption and mandatory sinking fund redemption in accordance with the provisions of this Bond Resolution, including, without limitation, Sections 2.03(5) and (6), respectively, hereof.

2. In the case of any redemption of Bonds at the election or direction of the Trust, the Trust shall give written notice to the Trustee of its election or direction to so redeem, of the redemption date, and of the principal amounts of the Bonds of each maturity to be redeemed (which maturities and principal amounts thereof to be redeemed shall be determined by the Trust in its sole discretion, subject to any limitations with respect thereto contained in this Bond Resolution). Such notice shall be given at least fifty (50) days prior to the redemption date or such shorter period as shall be agreed to in writing by the Trustee. In the event notice of redemption shall have been given as provided in Section 4.05, the Trust shall pay or require the Applicable Borrower to pay to the Trustee on or prior to the redemption date an amount in cash which, in addition to other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, all of the Bonds to be redeemed.

SECTION 4.03. Redemption Otherwise than at Trust’s Election or Direction. Whenever by the terms of this Bond Resolution the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the Trust, the Trustee shall select the Bonds to be redeemed, give the notice of redemption as provided in Section 4.05 and pay out of moneys available therefor the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, to the Paying Agent in accordance with the terms of this Article IV and, to the extent applicable, Article V hereof.

SECTION 4.04. Selection of Bonds to Be Redeemed. If less than all of the Bonds of like maturity shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee shall determine; provided, however, that the portion of any Bond of a denomination of more than $5,000 to be redeemed shall be in the principal amount of $5,000 or an integral multiple thereof, and that, in selecting Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by the minimum denomination in which Bonds of such Series are authorized to be outstanding after the redemption date.

SECTION 4.05. Notice of Redemption. When Bonds of a Series have been selected for redemption pursuant to any provision of this Bond Resolution, the Trustee shall give written notice of the redemption of such Bonds in the name of the Trust at the times specified in the second paragraph of this Section, which notice shall set forth: (i) the Series of the Bonds to be redeemed, (ii) the date fixed for redemption, (iii) the Redemption Price to be paid, (iv) that such Bonds will be redeemed at the Principal
Office of the Paying Agent, (v) if less than all of such Bonds shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed, (vi) in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed, and (vii) except with respect to a mandatory sinking fund redemption, that such redemption is conditioned upon there being on deposit with the Trustee on the date designated for redemption moneys sufficient for the payment of the Redemption Price and the accrued interest to the redemption date. Such notice shall further state that on the redemption date there shall become due and payable the Redemption Price of all Bonds to be redeemed, together with interest accrued to the redemption date, and that, from and after such date, interest thereon shall cease to accrue. SECTION 4.06. Payment of Redeemed Bonds. On the date designated for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions of Bonds called for redemption shall become and be due and payable at the Redemption Price provided for redemption of such Bonds or such portions thereof on such date and, if upon presentation and surrender moneys for the payment of the Redemption Price and the accrued interest to the redemption date are held in a separate account by the Trustee in trust for the holders of such Bonds, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof shall cease to be entitled to any benefit or security under this Bond Resolution and the Holders of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of the Redemption Price thereof and the accrued interest thereon and, to the extent provided in Section 4.07 hereof, to receive Bonds for any unredeemed portions of Bonds.

1. The Trustee shall collect from each Borrower all required Trust Bond Loan Repayments,

in the amounts and at the times established by the Trust in a Certificate of an Authorized Officer of the
Trust. The Trust shall use its best efforts to provide such Certificate to the Trustee no less than sixty (60)
days prior to the date on which any such payments are due and payable. In collecting such payments from
each Borrower, the Trustee shall rely exclusively upon such Certificate of an Authorized Officer of the
Trust. To the extent the Trustee deems it necessary or appropriate, the Trustee may, and is hereby
authorized to, establish a Clearing Account for the purpose of administering the collection of such
payments. The Trustee hereby acknowledges that (a) all amounts so collected shall be collected by the
Trustee on behalf of, and for the benefit of, the Trust and the State, to the extent of their respective interests
therein, (b) in making such collections, the Trustee acts as an agent for the Trust and the State, to the extent
of their respective interests therein, (c) all amounts so collected by the Trustee are the property of the Trust

when received by the Trustee, are deemed to be received by the Trust and the State, to the extent of their
respective interests therein, determined in accordance with paragraph (3) below, and (e) the amounts
deemed received by the Trust as Trust Bond Loan Repayments and the State as State Loan Repayments,
to the extent deposited in accordance with paragraph (3) below, are, immediately upon deposit therein,
deemed to be Revenues, and are included in the Trust Estate established and pledged as security for the
Series 2016A-2 Bonds under this Bond Resolution.

2. Promptly after collection of each Trust Bond Loan Repayment, State Loan Repayment,
Administrative Fee payment, State Administrative Fee payment or other required payment from a

payment then due (other than the Administrative Fee payment) under the Loan Agreement, second, to the
Administrative Fee payment then due under the Loan Agreement, third, to the payment then due (other than
the State Administrative Fee payment, if any) under the State Loan Agreement, and, fourth, to the State

(b) Upon depositing the required amounts pursuant to paragraph (3)(a) above, into the Administrative Fee Account in the Operating Expense Fund established under this Bond Resolution, all moneys credited as Administrative Fee payments only then due to the Trust from each Borrower pursuant to its respective Loan Agreement;

(c) (i) If, upon depositing the required amounts pursuant to paragraphs (3)(a) and (3)(b), above, the amounts on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund, and on the date that is three (3) Business Days prior to the next immediate debt service payment date for the Series 2016A-2 Bonds, are not sufficient to make all of the payments due with respect to the Bonds on such date, then the Trustee shall transfer immediately from the State Loan Repayments Account within the Revenue Fund to the Trust Bond Loan Repayments Account within the Revenue Fund an amount equal to the difference between the amount on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund and the amount required to make all of the payments due to the next immediate debt service payment date for the Series 2016A-2 Bonds;

(ii) If, upon depositing the required amounts pursuant to paragraphs (3)(a) and (3)(b), above and after giving effect to any transfers required by paragraph 3(c)(i) above, the amounts on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund are sufficient to make all of the payments due with respect to the Bonds on such date, then the Trustee shall transfer immediately to the Master Program Trustee for deposit in the Master Program Trust Account from moneys on deposit in the State Loan Repayments Account within the Revenue Fund and credited as State Loan Repayments only corresponding to the next immediate debt service payment date for the Series 2016A-2 Bonds, for disbursement in accordance with the terms and conditions of the Master Program Trust Agreement;

(d) Upon depositing and/or transferring the required amounts pursuant to paragraphs (3)(a), (3)(b) and (3)(c), above, to the State all moneys credited as State Administrative Fee payments only, if any, then due to the State from each Borrower pursuant to its respective State Loan Agreement; and

(e) Upon depositing the required amounts pursuant to paragraphs (3)(a), (3)(b), (3)(c) and (3)(d), above, into the applicable Account within the Revenue Fund all remaining moneys, if any, credited as Loan Repayments, to be applied in satisfaction of the amounts next required to be disbursed as provided under this paragraph (3) in the sequence and manner established pursuant to this paragraph (3).

In making the deposits required by the provisions of this subsection (3), the Trustee shall rely exclusively upon a Certificate of an Authorized Officer of the Trust, which Certificate shall be provided to the Trustee by the Trust simultaneously with the provision by the Trust to the Trustee of the Certificate required by the provision of subsection (1) of this Section 5.04.

4. If a payment of amounts due under a Loan Agreement or a State Loan Agreement is not received on or before the required payment date, the Trustee shall notify the Borrower and, if applicable,
the trustee under the Borrower Bond Resolution (as such term is defined in the Loan Agreement) in writing on the first Business Day after such payment date that the payment is past due. A copy of said notice shall be provided at the same time to the Trust and the State. If a payment is not received from the Borrower within ten days of the date when such payment is due, the Trustee shall promptly notify the Trust and the State in writing.

5. The Trustee shall promptly notify the Trust, the Borrower and, if applicable, the trustee under the Borrower Bond Resolution in writing if the moneys received from the Borrower pursuant to paragraph (2) of this Section 5.04 with respect to a particular payment date are insufficient to satisfy in full the Trust Bond Loan Repayments and Administrative Fee payments then due under the Loan Agreement. The Trustee shall promptly notify the Trust, the State, the Borrower and, if applicable, the trustee under the Borrower Bond Resolution in writing if the moneys received from the Borrower pursuant to paragraph (2) of this Section 5.04 with respect to a particular payment date are insufficient to satisfy in full the State Loan Repayments and State Administrative Fee payments then due under the State Loan Agreement. The Trustee, pursuant to Section 5.07(2) of this Bond Resolution, shall also notify the Trust and the State that a Trust Bond Loan Repayment deficiency cannot be satisfied from Loan Repayments deposited pursuant to Section 5.04(3)(a) hereof.

6. In connection with the obligation of the Trustee pursuant to subsections (4) and (5) of this Section 5.04 to provide written notice to a trustee under a Borrower Bond Resolution, the Trust shall use its best efforts to maintain on file with the Trustee a list of such trustees, with relevant address and contact information included in such list. However, the failure of the Trust to provide such list to the Trustee shall not relieve the Trustee of the obligation to provide the written notice to such a trustee pursuant to the provisions of subsections (4) and (5) of this Section 5.04.

SECTION 5.05. Revenue Fund.

1. On or prior to each Interest Payment Date, the Trustee shall transfer from amounts in the SRF Account and the non-SRF Account of the Trust Bond Loan Repayments Account within the Revenue Fund to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund, the amount which, together with the amounts, if any, already on deposit in such subaccounts of the Interest Account (other than Net Earnings on amounts that have been received in the Interest Account since the immediately preceding Interest Payment Date) and the amounts, if any, on deposit in the Capitalized Interest Account and designated for use on such Interest Payment Date pursuant to this Bond Resolution or a Supplemental Resolution, is equal in the aggregate to the interest due and payable on the Bonds on such Interest Payment Date.

and (ii) to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund an amount equal in the aggregate to the interest accrued and not paid and to accrue on such Bonds to such redemption date. Money received from a Borrower prior to September 1, 2027 that represents a prepayment of its Loan as allowed under its respective Loan Agreement shall be held in the accounts set forth in a Certificate of an Authorized Officer of the Trust prior to September 1, 2027, the first optional redemption date.

4. All Revenues representing repayments made pursuant to the second paragraph of Section 3.04 of any Loan Agreement for the replenishment of the Debt Service Reserve Fund shall be immediately transferred by the Trustee for deposit to the SRF Account or the non-SRF Account, as applicable, of the Debt Service Reserve Fund.

5. The Trustee shall keep records and accounts with respect to the Revenue Fund. Such records shall be in such format so that all amounts received by the Trustee from the Borrowers under the Loan Agreements can be properly designated as interest or principal payments on the Loans, other than amounts payable under the Loan Agreements or Net Earnings attributable to such amounts.

SECTION 5.07. Debt Service Reserve Fund.

1. Each Rating Agency that has been requested by the Trust to publish a rating for the Series 2016A-2 Bonds has determined that such Rating Agency shall assign to the Series 2016A-2 Bonds, upon the issuance thereof, the highest rating assigned to any such debt instruments by such Rating Agency notwithstanding the fact that the Debt Service Reserve Requirement with respect to the Series 2016A-2 Bonds is equal to $0.00. Therefore, in accordance with the last sentence of the definition of “Debt Service Reserve Requirement” set forth in Section 1.01 of this Resolution, the Debt Service Reserve Requirement with respect to the Series 2016A-2 Bonds pursuant to the terms of this Resolution shall be equal to $0.00 during the entire period during which the Series 2016A-2 Bonds remain Outstanding. To the extent any moneys are on deposit in the Debt Service Reserve Fund, with respect to Refunding Bonds or otherwise, such moneys shall be applied solely as provided in this Section.

2. Whenever a Borrower shall notify the Trust or the Trustee in writing, or whenever the Trust or Trustee shall determine, that a Borrower is deficient in the payment of a Trust Bond Loan Repayment and that such deficiency cannot be satisfied from other Loan Repayments, State Loan Repayments or other amounts payable thereunder that have been transferred to the Revenue Fund or the
Debt Service Fund and that such deficiency cannot be satisfied from amounts payable by the Master Program Trustee from amounts on deposit in the Master Program Trust Account (and all Subaccounts as defined therein) in accordance with the terms of the Master Program Trust Agreement, the Trustee shall transfer from the SRF Account or non-SRF Account, as applicable, of the Debt Service Reserve Fund on the Interest Payment Date or maturity date or Sinking Fund Installment due date, as the case may be, the amount of such deficiency to the appropriate account in the Debt Service Fund; provided, however, that the Trustee may only transfer such amount which, when added to the difference between (i) all prior transfers made from the Debt Service Reserve Fund as a result of deficient Trust Bond Loan Repayments by said Borrower and (ii) all repayments made by, or on behalf of, the Borrower pursuant to the second paragraph of Section 3.04 of the Applicable Loan Agreement, does not exceed said Borrower’s pro rata share of the Debt Service Reserve Fund. A Borrower’s pro rata share of the Debt Service Reserve Fund shall be an amount equal to the product of: (a) the Debt Service Reserve Requirement and (b) said Borrower’s Allocable Share as set forth on Schedule I attached hereto.

3. Whenever the Trustee is notified by the Trust that the amount, if any, in the Debt Service Reserve Fund funded with Bond proceeds and allocable to any Reserve Capacity Borrower, together with the amount in the Debt Service Fund allocable to any such Reserve Capacity Borrower, is sufficient to pay in full all Outstanding Bonds allocable to any such Reserve Capacity Borrower in accordance with their terms (including principal or applicable sinking fund Redemption Price and interest thereon), the Trustee shall transfer such amount on deposit in the Debt Service Reserve Fund funded with Bond proceeds and allocable to any such Reserve Capacity Borrower to the Debt Service Fund to be applied as a credit to the final Trust Bond Loan Repayments of any such Reserve Capacity Borrower.

4. After any transfer made pursuant to Section 5.07(3) herein and upon the cancellation of all Series 2016A-2 Bonds and any Refunding Bonds in accordance with Section 3.08 hereof, the Trustee shall transfer all amounts in the Debt Service Reserve Fund, if any, to the Trust for application by the Trust in accordance with the Act and any other applicable law for any of the Trust’s corporate purposes allowed thereby.

5. (a) Whenever any Reserve Capacity Borrower that is no longer paying the Interest Portion payable by said Reserve Capacity Borrower from the Capitalized Interest Account of the Debt Service Fund that is allocable to said Reserve Capacity Borrower, if applicable, has paid or prepaid its loan in full (less only the portion of the Debt Service Reserve Fund that is funded with Bond proceeds allocable to such Reserve Capacity Borrower) in accordance with all of the terms of its Loan Agreement (including, without limitation, obtaining the Trust’s consent to any such prepayment, where applicable), the Trust shall notify the Trustee (i) of the Trust’s consent to such prepayment, where applicable, and (ii) that the amount in the Debt Service Reserve Fund funded with moneys other than Bond proceeds allocable to any such Reserve Capacity Borrower shall be transferred to the Trust for any of its lawful corporate purposes pursuant to the instructions of a Certificate of an Authorized Officer of the Trust. The portion of the Debt Service Reserve Fund that is funded with Bond proceeds allocable to such Reserve Capacity Borrower shall be transferred (i) to the Debt Service Fund for redemption or payment of the Bonds attributable to such Borrower’s Loan or (ii) in accordance with a Certificate of an Authorized Officer of the Trust to effect the defeasance of Bonds attributable to such Borrower’s Loan in accordance with Article XII hereof, in either case to be applied (along with the Net Earnings thereon) as a credit to the final Trust Bond Loan Repayments of such Reserve Capacity Borrower. Prior to any such transfer described herein, investments held in the Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the transfer described herein.

(b) Whenever any Borrower that is not a Reserve Capacity Borrower and that is no longer paying the Interest Portion payable by said Borrower from the Capitalized Interest Account of the Debt Service Fund that is allocable to said Borrower, if applicable, has paid or prepaid its loan in full in
accordance with all of the terms of its Loan Agreement (including, without limitation, obtaining the Trust’s consent to any such prepayment, where applicable), the Trust shall notify the Trustee (i) of the Trust’s consent to such prepayment, where applicable, and (ii) that the amount in the Debt Service Reserve Fund allocable to any such Borrower shall be transferred to the Trust for any of its lawful corporate purposes pursuant to the instructions of a Certificate of an Authorized Officer of the Trust. Prior to any such transfer described herein, investments held in the Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the transfer described herein.

6. Whenever the Trustee determines that the amount of money in the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement on September 1 on any valuation date, such excess money shall be transferred to the Trust for application by the Trust in accordance with the Act and any other applicable law for any of the Trust’s corporate purposes allowed thereby.

7. Investment of the Debt Service Reserve Fund shall be valued every ten (10) years, at the market value thereof, exclusive of accrued interest. Notwithstanding anything to the contrary in Section 5.10 hereof, if a decline in the market value of securities on deposit in the Debt Service Reserve Fund causes the marked to market amount on deposit in the Debt Service Reserve Fund to be below the Debt Service Reserve Requirement, such deficiency shall be restored by retaining all or a portion of each Borrower’s Allocable Share of Net Earnings thereon until the Debt Service Reserve Requirement has been met. When and to the extent market conditions change thereafter, any such retained Net Earnings (and not the corpus of the Debt Service Reserve Fund) not needed to satisfy the Debt Service Reserve Requirement shall be credited to the Trust Bond Loan Repayments of the Borrowers in accordance with their Allocable Share as set forth in Section 5.10 hereof. Investments purchased with funds on deposit in the Debt Service Reserve Fund shall have a term to maturity of not greater than ten (10) years.

SECTION 5.08. General Fund. On the first day of each Bond Year beginning September 1, 2017, the Trustee shall deposit in the SRF Account and non-SRF Account, as applicable, of the General Fund all moneys then remaining in the Trust Bond Loan Repayments Account within the Revenue Fund except for those moneys identified as credits under Section 5.10 hereof to be transferred to the Interest Account on the second day of such Bond Year; provided, however, that (i) to the extent such date is a valuation date, the moneys then on deposit in the Debt Service Reserve Fund shall be at least equal to the Debt Service Reserve Requirement, (ii) all transfers from the Trust Bond Loan Repayments Account within the Revenue Fund required pursuant to subsections (1), (2), (3) and (4) of Section 5.05 shall have been made, and (iii) all funds required to be on deposit in the Revenue Fund pursuant to Section 5.05(2) are on deposit in the Revenue Fund. Moneys on deposit in the General Fund that shall not be required to be transferred to the Interest Account in the Debt Service Fund pursuant to Section 5.10 may be applied by the Trust, upon written requisition from the Trust to the Trustee, in accordance with the Act and, in the case of proceeds of the Series 2016A-2 Bonds, the Tax Certificate, for any of its corporate purposes. Such requisition shall state that the Trust is requesting such moneys pursuant to the provisions of this Section 5.08.

SECTION 5.09. Moneys to Be Held in Trust. All moneys required to be deposited with or paid to the Trustee or the Paying Agent for the account of any fund or account established under any provision of this Bond Resolution for the Bonds in accordance with this Bond Resolution, other than the Project Loan Account in the Project Fund, the Operating Expense Fund, and the Rebate Fund, shall be held by the Trustee or the Paying Agent, as the case may be, in trust for the Holders of the Bonds and shall constitute part of the Trust Estate while held by the Trustee or the Paying Agent; provided, however, that moneys deposited with or held by the Trustee or the Paying Agent for the redemption of Bonds on or after the redemption date of such Bonds, or for the payment of the Redemption Price of or interest on Bonds on or after the date on which such amounts shall have become due shall be held and applied solely for the redemption or payment of the Redemption Price of or the payment of the interest on such Bonds.
SECTION 5.10. Investments.

1. Generally. All moneys in any of the Funds and Accounts created under this Bond Resolution, other than the Operating Expense Fund and the Accounts established therein, shall be invested by the Trustee as directed by an Authorized Officer of the Trust in writing, subject to the further provisions of this Section. Each such direction, including, without limitation, the establishment and payment of the purchase price of any such investment, shall be consistent with then current procurement and investment policies and procedures of the Trust. The Trustee may conclusively rely upon such written direction of an Authorized Officer of the Trust as to any and all investments and as to the compliance of any investments with the procurement and investment policies and procedures of the Trust. Moneys in the Operating Expense Fund shall be invested by the Trust in accordance with the provisions of this Section.

Moneys in all Funds and Accounts created under this Bond Resolution shall be invested in Investment Securities, the principal of and interest on which are payable not later than the dates on which it is estimated that such moneys will be required hereunder, provided, however, that the Project Fund and the Accounts established therein may be invested in the State of New Jersey Cash Management Fund or other similar common trust fund for which the New Jersey State Treasurer is the custodian, in addition to investment thereof in Investment Securities.

Investment Securities acquired as an investment of moneys in any Fund or Account created under this Bond Resolution shall be credited to such Fund or Account. For the purpose of determining the amount in any Fund or Account at any time in accordance with this Bond Resolution, all Investment Securities credited to such Fund or Account shall be valued at the lesser of amortized cost (exclusive of accrued interest) or fair market value; provided, however, that the Debt Service Reserve Fund shall be valued in compliance with the provisions of Section 5.07(7) hereof.

The Trustee may act as principal or agent in the acquisition or disposition of any Investment Securities. The Trustee shall exercise its best efforts to sell at the best price obtainable, or present for redemption, any Investment Securities to the credit of any Fund or Account created under this Bond Resolution, other than the Operating Expense Fund, the Accounts established therein and the Rebate Fund, whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from such Fund or Account, and the Trustee shall not be liable for any loss resulting from such necessary sale so made of such investments.

2. Net Earnings on the Debt Service Reserve Fund During the Capitalized Interest Period. Net Earnings from the investment of the Debt Service Reserve Fund during the capitalized interest period (from September 1, 2017 and on each Interest Payment Date through and including September 1, 20___) shall be applied as follows:

(a) Borrowers that are Capitalizing Interest. Commencing September 1, 2017 and on each Interest Payment Date thereafter through and including September 1, 20___, the Trustee shall transfer the amounts of Net Earnings from the investment of moneys in the Debt Service Reserve Fund set forth in Section 2.03(7)(a) of this Bond Resolution to the Capitalized Interest Account to be applied to the payment of a portion of the interest due on the Series 2016A-2 Bonds on such Interest Payment Date.

(b) Borrowers that are not or are no Longer Capitalizing Interest. Commencing September 1, 2017 and on each Interest Payment Date thereafter through and including September 1, 20___, the Trustee shall transfer the balance of the Net Earnings from the investment of moneys in the SRF and non-SRF portions of the Debt Service Reserve Fund respectively, to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund and apply such amounts as
credits against the Interest Portion of the Trust Bond Loan Repayment due on any such immediately succeeding Interest Payment Date from those Borrowers (being the Borrowers that are not or are no longer capitalizing interest during the capitalized interest period) in the percentages applicable to the Borrowers set forth on Schedule II-A (for SRF Borrowers) and Schedule II-B (for non-SRF Borrowers) attached hereto; provided, however, that (i) the amount to be applied as a credit for each SRF Borrower as determined in the preceding clause of this sentence shall not exceed the product of the amount of such balance of Net Earnings and a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule II-A) times the Debt Service Reserve Requirement attributable to all SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as of the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all SRF Borrowers, less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such Borrowers which have not been repaid as of the last day of such Bond Year; (ii) the amount to be applied as a credit for each non-SRF Borrower as determined above shall not exceed the product of the amount of such balance of Net Earnings and a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule II-B) times the Debt Service Reserve Requirement attributable to all non-SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as of the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all non-SRF Borrowers, less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such Borrowers which have not been repaid as of the last day of such Bond Year; and (iii) if on any valuation date the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07 (to the extent applicable during the capitalized interest period), the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement. The Trustee, simultaneously with each such transfer, shall notify the Trust in writing of all such Net Earnings so transferred. Such writings shall set forth the Net Earnings for each such fund or account created hereunder.

3. Net Earnings on all Funds and Accounts Other than the Funds and Accounts not Subject to Transfer and Credit and Other than the Debt Service Reserve Fund During the Capitalized Interest Period. Except as provided in the immediately preceding paragraph regarding the transfer of Net Earnings from the Debt Service Reserve Fund during the capitalized interest period, (i) all Net Earnings received in the first Bond Year from investment of moneys in any fund or account created hereunder, other than the Operating Expense Fund, the Rebate Fund, the Project Fund and the respective accounts established therein and the Capitalized Interest Account in the Debt Service Fund, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account in the Debt Service Fund on September 2, 2017; (ii) all Net Earnings received from September 2 through and including March 1 in any Bond Year thereafter from the investment of moneys in any fund or account created under this Bond Resolution, other than the funds and accounts excepted in (i) above, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account in the Debt Service Fund on March 2 of any such Bond Year; and (iii) all Net Earnings received from March 2 through and including September 1 of the next succeeding Bond Year from the investment of moneys in any fund or account created under this Bond Resolution, other than the funds and accounts excepted in (i) and (ii) above, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account in the Debt Service Fund on September 2 of any such next succeeding Bond Year. Notwithstanding the foregoing, to the extent on any valuation date the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07, the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement.
4. **Specific Borrower Credits.** The Trustee, simultaneously with each transfer contemplated by Section 5.10(2) and (3) hereof, shall notify the Trust in writing of all such Net Earnings so transferred. Such writings shall set forth the Net Earnings for each such fund or account created hereunder. The Trust will credit the Interest Portion of the immediately succeeding Trust Bond Loan Repayment due from a Borrower, and to the extent moneys are available therefor, the principal portion of such Trust Bond Loan Repayments, if any, with the Net Earnings allocable to said Borrower and notify the Borrower and the Trustee of such credit. The Net Earnings allocable to a Borrower shall be the sum of: (a) said Borrower’s pro rata share of the Net Earnings derived in accordance with Section 5.10(3) hereof from the SRF or non-SRF Subaccounts or Accounts, as applicable, of the Interest Account, the Principal Account and the Redemption Account in the Debt Service Fund, the General Fund and the Revenue Fund (i.e., all funds and accounts created hereunder other than (i) those funds and accounts listed in Section 5.05 hereof, the Net Earnings on which accounts are not subject to transfer and credit in favor of Borrower Trust Bond Loan Repayments and (ii) the Debt Service Reserve Fund, the Net Earnings on which are subject to transfer and credit during the capitalized interest period in accordance with Sections 5.10(2) and (4)(b) during the capitalized interest period and Sections 5.10(3), 4(c) and 4(d) for all other periods) in any Bond Year commencing on or after September 1, 2017, which pro rata share shall be equal to the product of: (i) such Net Earnings so derived from the SRF or non-SRF accounts of such funds or accounts, as applicable and (ii) said Borrower’s Allocable Share (as determined pursuant to Schedule I-A attached hereto); (b) during the period from the issuance of the Series 2016A-2 Bonds through and including September 1, 20___ (the capitalized interest period), said Borrower’s Net Earnings derived from the SRF or non-SRF Account, as applicable of the Debt Service Reserve Fund as set forth in Section 5.10(2) (a) (for Borrowers that are capitalizing interest) and 5.10(2)(b) for Borrowers that are not or are no longer capitalizing interest hereof; (c) after the capitalized interest period for SRF Borrowers, said Borrower’s pro rata share of the Net Earnings derived from the SRF Account of the Debt Service Reserve Fund in any Bond Year, which pro rata share shall be equal to the product of (i) such Net Earnings and (ii) a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule I-A attached hereto) times the Debt Service Reserve Requirement attributable to all SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all SRF Borrowers less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such SRF Borrowers which have not been repaid as of the last day of such Bond Year; and (d) after the capitalized interest period for non-SRF Borrowers, said Borrower’s pro rata share of the Net Earnings derived from the non-SRF Account of the Debt Service Reserve Fund in any Bond Year, which pro rata share shall be equal to the product of (i) such Net Earnings and (ii) a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule I-A attached hereto) times the Debt Service Reserve Requirement attributable to all non-SRF Borrowers less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as of the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all non-SRF Borrowers less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such non-SRF Borrowers which have not been repaid as of the last day of such Bond Year. Provided, however (with respect to (c) and (d) above), that during any valuation date in which the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07, the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement.

To the extent that an Authorized Officer of the Trust advises the Trustee in writing that the Trust has determined that the aggregate Net Earnings in all Funds and Accounts allocable to any individual...
Borrower on any Interest Payment Date, as calculated by the Trust pursuant to this paragraph, are less than the lesser of (I) one-twelfth (1/12) of the Trust Bond Loan Repayments due from such Borrower during the immediately preceding Bond Year and (II) $1,000, such Net Earnings shall be retained in the Debt Service Fund unless directed by an Authorized Officer of the Trust to be credited to the Trust Bond Loan Repayment of such Borrower in accordance with this paragraph.

5. **Earnings on Funds and Accounts Not Subject to Transfer and Credit.** All Net Earnings from the investment of moneys in the Project Loan Accounts, the Capitalized Interest Account, the Rebate Fund, the Revenue Fund and the Operating Expense Fund shall be retained in and treated as part of such fund or accounts and applied in accordance with the Sections of this Bond Resolution governing such funds or accounts.

6. **Rebate Fund.** The Trust may withdraw and utilize earnings in any fund or account other than the Interest Account and the Principal Account in the Debt Service Fund to pay into the Rebate Fund held by the Trust any amounts desired by the Trust or required pursuant to the Code to be set aside for rebate or to satisfy a yield restriction requirement to the Internal Revenue Service, as outlined in the Tax Certificate or any letter of instructions referred to in Section 8.06(2) hereof; provided, however, that to the extent any such moneys and investment earnings thereon on deposit in the Rebate Fund shall not be needed for such purposes at the times so outlined, all or a portion of such moneys may be transferred by the Trustee to the General Fund upon the Trustee’s receipt of written instructions from the Trust to such effect. The Trust shall submit to the Trustee a certificate specifying the funds or accounts and the amount of earnings to be withdrawn for such purposes, and the Trustee shall be entitled to rely on each such certificate in making payments to the Trust.
ARTICLE VI

LOANS

SECTION 6.01. Terms and Conditions of Loans. The Trust shall make Loans to Borrowers for the purpose of paying a portion of the Costs of the Borrowers’ Projects from moneys available therefor in the applicable Project Loan Accounts in the Project Fund, and shall enter into Loan Agreements, in the manner, on the terms and conditions and upon submission of the documents required by this Article VI, and not otherwise.

SECTION 6.02. Form of Loan Agreement. The Loan Agreements shall be substantially in the form of Exhibit A, Exhibit B or Exhibit C hereto, as applicable, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust; provided, however, that the Loans and the Loan Agreements shall in any event conform in all material respects to the provisions of this Article VI.

SECTION 6.03. Restrictions on Loans. No Loan may be made to reimburse a Borrower for all or a portion of the Cost of a Borrower’s Project, or to refinance indebtedness or reimburse the Borrower for the repayment of indebtedness previously incurred by such Borrower to finance all or a portion of the Cost of such Borrower’s Project, unless the Borrower shall deliver to the Trust and the Trustee an opinion of Bond Counsel approved by the Trust, in form and substance satisfactory to the Trust, to the effect that such reimbursement or refinancing will not adversely affect the exclusion from gross income for federal income tax purposes of interest paid on the Bonds.

SECTION 6.04. Loan Closing Submissions. Prior to or at each Loan Closing of a Loan, the Trust and the Trustee shall have received the following documents from the Borrower receiving the Loan, failing the receipt of all of which a Borrower shall not be considered a Borrower for purposes of this Bond Resolution:

(a) an opinion or opinions of the Borrower’s Counsel substantially in the form set forth in Exhibit E to the form of Loan Agreement; provided, however, that the Trust may permit variances in such opinion from the form or substance of such Exhibit E, if such variances are not to the material detriment of the interests of the Bondholders;

(b) counterparts of the Loan Agreement executed by the parties thereto designating, among other things, SRF or non-SRF status and any other relevant term contemplated by Section 1.03 hereof;

(c) the bond evidencing the payment obligations of the Borrower under such Loan Agreement, duly executed, authenticated and delivered by such Borrower and endorsed by the Trust to the Trustee;

(d) the opinion required by Section 6.03 hereof, if applicable;

(e) copies of the resolutions or ordinances of the governing body of the Borrower authorizing the execution and delivery of such Loan Agreement and bond, certified by an Authorized Officer of the Borrower;

(f) an opinion of Counsel to the Trust that the Borrower’s Project constitutes a “Project” within the meaning of the Act and that the financing thereof by the Trust is permissible under the Act and Section 6.01 of this Resolution; and
such other certificates, documents, opinions and information as the Trust or the Trustee may require.

All opinions and certificates required under this Section shall be dated the date of the Loan Closing and all such opinions shall be addressed, at a minimum, to the Trust and the Trustee.

SECTION 6.05. Trust Bond Loan Repayments. With respect to the Loans made from the proceeds of any Series of Bonds, the Trust shall establish Trust Bond Loan Repayments under the Applicable Loan Agreements in such amounts which, together with any amounts available and required to be treated as credits under this Bond Resolution, shall be sufficient to pay the principal of, prepayment premium, if any, and interest on such Series of Bonds as the same become due and payable.

SECTION 6.06. Continuing Disclosure. Prior to each Loan Closing of a Loan, the Trust, pursuant to the sole discretion of an Authorized Officer of the Trust, in consultation with Bond Counsel, general counsel and other appropriate advisors to the Trust, shall determine if any Borrower is a material “obligated person” within the meaning and for the purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission (the “SEC”) pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto (“Rule 15c2-12”), based upon the following criteria hereby established as the means of satisfying the meaning and purposes of Rule 15c2-12: Borrowers shall be considered to be material “obligated persons” if their remaining Fund Loan repayments, if any, in respect of the Bonds, exceed ten percent (10%) of the sum of (i) the aggregate of all remaining Fund Loan repayments from all Borrowers and (ii) the aggregate of all remaining Trust Loan repayments from all Borrowers.

To the extent any Borrowers that have been determined to be material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 have entered into Service Agreements with Underlying Government Units and if any such Underlying Government Units have entered into Service Agreements with Indirect Underlying Government Units (as such terms are defined in the Loan Agreements) whereby annual charges or indirect annual charges, as the case may be, materially secure the Trust Bond Loan Repayments of any such Borrowers, any such Underlying Government Unit and Indirect Underlying Government Unit shall also be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12.

Any Borrower determined to be a material “obligated person” based upon the criteria set forth herein shall be required to enter into a Continuing Disclosure Agreement, with a term as specified therein, by and among such Borrower, the Trust and the Trustee, substantially in the form attached hereto as Exhibit H to Exhibit A and Exhibit B, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust.

The Trust hereby determines that it is not an “obligated person”. Nevertheless, the Trust hereby covenants to provide notice of Bond Disclosure Events (as defined in the Continuing Disclosure Agreement), if material, with respect to the Series 2016A-2 Bonds to each Nationally Recognized Municipal Securities Information Repository recognized by the SEC or to the Municipal Securities Rulemaking Board and the State Information Depository, if any, recognized by the SEC.

The Trust hereby determines that the Series 2016A-2 Financing Program relating to the Series 2016A-2 Bonds is an “obligated person”, and shall be required to enter into a Continuing Disclosure
Agreement, with a term as specified therein, by and among the Trust, the Trustee and the Master Program Trustee, substantially in the form attached hereto as Exhibit E, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust.

Notwithstanding any provision to the contrary in Article XI hereof, the Trust may amend or supplement this Section 6.06 to comply with any amendment, supplement, modification, termination or other change to Rule 15c2-12.
ARTICLE VII

ADDITIONAL PROVISIONS RELATING TO LOANS

SECTION 7.01. Reserved.

SECTION 7.02. Defaults. The Trustee shall notify the Trust of its failure to receive any Trust Bond Loan Repayment, if any, of a Borrower due under any Loan Agreement and of any other event of default under such Loan Agreement known to the Trustee.

The Trustee shall diligently enforce, and take all reasonable steps, actions and proceedings necessary for the enforcement of, all terms and conditions of all Loan Agreements, including (without limitation) the prompt payment of all Trust Bond Loan Repayments and all other amounts due the Trust, and the observance and performance of all duties, covenants, obligations and agreements, thereunder; provided, however, that the Trustee shall not accelerate the payment of amounts due under any Loan Agreement following any event of default thereunder (other than any event of default which shall automatically accelerate such payment under the Loan Agreements), unless the Trustee shall have given the Trust thirty (30) days' written notice of the occurrence of such event of default and shall have afforded the Trust the opportunity to cause such event of default to be cured during the 30-day period following receipt by the Trust of such notice.

The Trustee shall not release the duties, covenants, obligations or agreements of any Borrower under any Loan Agreement and shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the Trust and the Holders under or with respect to each Loan Agreement; provided, however, that this provision shall not be construed to prevent the Trustee (with the written consent of the Trust) from settling a default under any Loan Agreement on such terms as the Trustee shall determine to be in the best interests of the Trust and the Holders. The Trust hereby appoints the Trustee its agent and attorney-in-fact for purposes of enforcing all rights, title and interests of the Trust under the Loan Agreements, except for the enforcement of all rights, title and interests of the Trust relating to the payment by the Borrower of the Administrative Fee and otherwise, subject to the provisions of this Section.

SECTION 7.03. Termination of Loan Agreements. Upon the payment in full of all amounts due under a Loan Agreement, the Trust shall cancel the obligation of the Borrower evidenced by such Loan Agreement and terminate and release all security interests and liens created under such Loan Agreement and the Trust and the Trustee shall take any other action required of the Trust or the Trustee in such Loan Agreement in connection with such cancellation, termination and release, including (without limitation) the execution of all relevant documents in connection with such actions.

SECTION 7.04. Loan Files. After each Loan Closing, the Trustee shall retain all the documents received by it pursuant to Article VI hereof in connection with such Loan Closing or in connection with the Loan made at such Loan Closing in a file pertaining to such Loan, to which file the Trustee shall from time to time add (i) all records and other documents pertaining to disbursements of amounts to the Borrower under the Loan Agreement and to Loan Repayments and other amounts received by the Trustee under such Loan Agreement and (ii) all communications from or received by the Trustee with respect to such Loan. Such file shall be kept at the Principal Office of the Trustee and shall be available for inspection by the Trust and its agents at reasonable times and under reasonable circumstances.

SECTION 7.05. Trustee’s Obligations. The Trustee shall observe and perform all duties, covenants, obligations and agreements of the Trust under each Loan Agreement to the extent specified herein.
ARTICLE VIII

GENERAL COVENANTS

SECTION 8.01. Payment of Bonds. The Trust shall pay or cause to be paid the principal or Redemption Price of and interest on every Bond of each Series on the date, at the place and in the manner provided herein, in the Applicable Supplemental Resolution and in such Bonds, according to the true intent and meaning thereof; provided, however, that the Bonds of each Series are special obligations of the Trust, the principal or Redemption Price of and interest on which are payable by the Trust solely from the Trust Estate.

The Bonds of each Series shall not be payable from the general funds of the Trust and shall not constitute a legal or equitable pledge of, or lien or encumbrance upon, any of the assets or property of the Trust or upon any of its income, receipts or revenues, except as provided in this Bond Resolution. The full faith and credit of the Trust are not pledged, either expressly or by implication, to the payment of the Bonds. The Trust has no taxing power and has no claim on any revenues or receipts of the State of New Jersey or any agency or political subdivision thereof or any Borrower except as expressly provided in a Borrower’s Loan Agreement.

SECTION 8.02. Observance and Performance of Duties, Covenants, Obligations and Agreements; Representations as to Authorization and Validity of Bonds. The Trust shall faithfully observe and perform at all times all of its duties, covenants, obligations and agreements contained in the Loan Agreements or in any Bond executed, authenticated and delivered under this Bond Resolution and any Supplemental Resolution or in any proceedings of the Trust pertaining thereto.

The Trust represents and covenants that: (i) it is duly authorized under the Constitution and laws of the State of New Jersey, particularly the Act, to issue the Bonds of each Series, to enter into the Loan Agreements and the Master Program Trust Agreement and to pledge the Trust Estate in the manner and to the extent set forth in this Bond Resolution and as shall be set forth in any Supplemental Resolution; (ii) all action on its part for the issuance of the Bonds of each Series will be duly and effectively taken; and (iii) the Bonds of each Series in the hands of the Holders thereof will be valid and binding special obligations of the Trust enforceable according to their terms.

SECTION 8.03. Liens, Encumbrances and Charges. The Trust shall not create or cause to be created and shall not suffer to exist, any lien, encumbrance or charge upon the Trust Estate except the pledge, lien and charge created for the security of Holders of the Bonds. To the extent Revenues are received, the Trust will cause to be discharged, or will make adequate provision to satisfy and discharge, within sixty (60) days after the same shall accrue, all lawful claims and demands that if unpaid might by law become a lien upon the Trust Estate; provided, however, that nothing contained in this Section shall require the Trust to pay or cause to be discharged, or make provision for, any such lien, encumbrance or charge so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings.

So long as Bonds of any Series shall be Outstanding, the Trust shall not issue any bonds, notes or other evidences of indebtedness, other than such Bonds, secured by any pledge of or other lien or charge on the Trust Estate. Notwithstanding the foregoing, the Trust may issue future series of bonds, notes or other evidences of indebtedness that have an interest in the Master Program Trust Account to the extent set forth in the Master Program Trust Agreement. Nothing in this Bond Resolution is intended to or shall affect the right of the Trust to issue bonds, notes and other obligations under other resolutions or indentures for any of its other purposes.
SECTION 8.04. Accounts and Audits. The Trust shall keep, or cause to be kept, proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Loans, this Bond Resolution and any Supplemental Resolution, which books and accounts (at reasonable hours and subject to the reasonable rules and regulations of the Trust) shall be subject to the inspection of the Trustee and any Holder of any Bonds or their agents or representatives duly authorized in writing. The Trust shall cause such books and accounts to be audited annually by a nationally recognized independent certified public accountant selected by the Trust. Annually, not later than December 1 of each year with respect to the fiscal year of the Trust ended on the immediately preceding June 30, a signed copy of such report shall be furnished by the Trust to the Trustee. Such report shall include at least: (i) a statement of all funds and accounts (including investments thereof) held by the Master Program Trustee pursuant to the provisions of the Master Program Trust Agreement; (ii) a statement of the Revenues, Administrative Fees and State Administrative Fees collected in connection with this Bond Resolution; (iii) a statement whether the balance in the Debt Service Reserve Fund meets the Debt Service Reserve Requirement established under this Bond Resolution; and (iv) a statement that, in making such audit, no knowledge of any default in the fulfillment of any of the terms, covenants or provisions of this Bond Resolution was obtained, or if knowledge of any such default was obtained, a statement thereof.

SECTION 8.05. Further Assurances. The Trust will pass, make, do, execute, acknowledge and deliver any and all such further resolutions, indentures, actions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Bond Resolution and for the better assuring and confirming unto the Holders of Bonds the rights and benefits provided in this Bond Resolution, including exercising its State aid intercept powers pursuant to the Act.

SECTION 8.06. Tax Rebate.

1. In connection with the issuance of any Series of Bonds an Authorized Officer of the Trust is authorized to execute on behalf of the Trust a Certificate as to arbitrage (including the Tax Certificate), a letter of instructions as to certain requirements of the Code, or any similar documents relating to the characterization of such Series of Bonds as not being “arbitrage bonds” within the meaning of Sections 103(a)(2) and 148 of the Code.

2. Any amounts required to be set aside for rebate or to satisfy a yield restriction requirement to the Internal Revenue Service pursuant to any letter of instructions or certificate as to arbitrage shall be considered a loss for purposes of determining “Net Earnings” pursuant to Section 5.10 hereof.

SECTION 8.07. Application of Loan Prepayments. Upon the prepayment, in whole or in part, of any Loan, the Trust shall elect to apply such prepayment proceeds either (i) to the redemption of Bonds on the next succeeding call date in accordance with Article IV, or (ii) to the payment of Bonds in accordance with Section 12.01. The Trust may only consent to Loan prepayments pursuant to the Loan Agreements if it simultaneously delivers to the Trustee (i) a certificate of an independent public accountant demonstrating that the aggregate Trust Bond Loan Repayments due pursuant to the Loan Agreements after such prepayment shall be sufficient to pay when due the principal of and interest on all Bonds outstanding after giving effect to the Trust’s election required in the immediately preceding sentence, and (ii) irrevocable instructions to effectuate such election regarding the application of prepayment proceeds. The Trust shall give notice to Fitch Ratings, Standard & Poor’s Corporation and Moody’s Investors Service, Inc. of any such Loan prepayments and its application of the proceeds thereof. The posting of any such notice to the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board shall constitute notice to Standard & Poor’s Corporation and Moody’s Investors Service, Inc. for purposes of this paragraph.
ARTICLE IX
DEFAULT PROVISIONS AND REMEDIES
OF TRUSTEE AND BONDHOLDERS

SECTION 9.01. Defaults; Events of Default. If any of the following events occurs, it is hereby defined as and declared to be and to constitute an “Event of Default” for the Bonds of all Series then Outstanding:

(a) default in the due and punctual payment of any interest on any Bond; or

(b) default in the due and punctual payment of the principal or Redemption Price of any Bond whether at the stated maturity thereof or on any date fixed for the redemption of such Bond; or

(c) if (i) the Trust shall be adjudicated a bankrupt or become subject to an order for relief under federal bankruptcy law, (ii) the Trust shall institute a proceeding seeking an order for relief under federal bankruptcy law or seeking to be adjudicated a bankrupt or insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of it or all of its debts under New Jersey bankruptcy or insolvency law, (iii) with the consent of the Trust, there shall be appointed a receiver, liquidator or similar official for the Trust under federal bankruptcy law or under New Jersey bankruptcy or insolvency law, or (iv) without the application, approval or consent of the Trust, a receiver, trustee, liquidator or similar official shall be appointed for the Trust under federal bankruptcy law or under New Jersey bankruptcy or insolvency law, or a proceeding described in clause (ii) above shall be instituted against the Trust and such appointment continues undischarged or such proceeding continues undismissed or unstayed for a period of sixty (60) consecutive days; or

(d) if (i) the Trust shall make an assignment for the benefit of creditors, (ii) the Trust shall apply for or seek the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any substantial part of its property, (iii) the Trust shall fail to file an answer or other pleading denying the material allegations of any proceeding filed against it described under clause (ii) of paragraph (c) of this Section, (iv) the Trust shall take any action to authorize or implement any of the actions set forth in paragraph (c) or (d) of this Section, (v) the Trust shall fail to contest in good faith any appointment or proceeding described in paragraph (c) or (d) of this Section or (vi) without the application, or approval or consent of the Trust, a receiver, trustee, examiner, liquidator or similar official shall be appointed for any substantial part of the Trust’s property and such appointment shall continue undischarged or such proceedings shall continue undischarged or unstayed for a period of thirty (30) consecutive days; or

(e) the Trust shall default in the performance or observance of any other of the duties, covenants, obligations, agreements or conditions on the part of the Trust to be performed or observed under this Bond Resolution or the Bonds of each Series, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Trust by the Trustee or the Bondholders in accordance with Section 9.10 hereof.

SECTION 9.02. Acceleration of Bonds; Remedies. If an Event of Default described in Section 9.01 shall occur for any Series of Bonds, the Trustee may, and at the written request of the Holders of a majority in aggregate principal amount of the Outstanding Bonds shall, by telephonic notice to the Trust (promptly confirmed in writing) declare the principal of all Bonds then Outstanding to be due and payable; provided, however, that before making such declaration, the Trustee shall give thirty (30) days’ notice to the Trust. Upon any such declaration, the Trustee shall forthwith give notice thereof to the Borrowers and the Paying Agents.
At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such Event of Default, or before the completion of the enforcement of any other remedy under this Bond Resolution, the Trustee, by written notice to the Trust, may annul such declaration and its consequences if: (i) moneys shall have accumulated in the Interest Account and the Principal Account in the Debt Service Fund sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds (except the interest accrued on such Bonds since the last Interest Payment Date) and the principal then due on all Bonds (except the principal on any such Bonds due solely as a result of any such declaration of acceleration); (ii) moneys shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee; and (iii) every other default known to the Trustee in the observance or performance of any duty, covenant, obligation, condition or agreement contained in the Bonds or in this Bond Resolution, shall have been remedied to the satisfaction of the Trustee; provided, however, that such declaration may be annulled only with the written consent of the Holders of a majority in aggregate principal amount of the Bonds Outstanding and not then due by their terms. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Upon the occurrence of an Event of Default, the Trustee shall also have the following rights and remedies:

(a) the Trustee shall, at the direction of the Holders of a majority in aggregate principal amount of the Outstanding Bonds, and upon being indemnified to its reasonable satisfaction, pursue any available remedy at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds then Outstanding, including (without limitation) the right (to the extent legally enforceable) to, by written notice to the Trust, declare the principal of the bonds then outstanding to be due and payable of any Borrower whose actions have directly or indirectly caused any such Event of Default and including the enforcement of any other rights of the Trust or the Trustee under the Loan Agreements;

(b) the Trustee by action or suit in equity may require the Trust to account as if it were the trustee of an express trust for the Holders of Bonds and may take such action with respect to the Loan Agreements as the Trustee deems necessary or appropriate and in the best interest of the Holders of Bonds, subject to the terms of such Loan Agreements; and

(c) upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Holders of Bonds under this Bond Resolution, the Trustee will be entitled as a matter of right to the appointment of a receiver or receivers of the Trust Estate and the issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

If an Event of Default shall have occurred with respect to any Bonds, and if requested so to do by the Holders of a majority in principal amount of the Bonds then Outstanding, and upon being indemnified to its reasonable satisfaction therefor, the Trustee shall be obligated to exercise such one or more of the rights, remedies and powers conferred by this Section as the Trustee shall deem most expedient in the interests of the Holders of Bonds.

No right or remedy by the terms of this Bond Resolution conferred upon or reserved to the Trustee (or to the Holders of Bonds) is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to Trustee or to such Holders hereunder or now or hereafter existing at law or in equity or by statute other than pursuant to the Act. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.
No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder, whether by the Trustee or by the Holders of any Bonds in default, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

SECTION 9.03. Right of Holders of a Series of Bonds to Direct Proceedings. Anything in this Bond Resolution to the contrary notwithstanding, but subject to Section 9.07 hereof, the Holders of a majority in aggregate principal amount of Bonds in default then Outstanding shall have the right at any time during the continuance of an Event of Default of such Bonds, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Bond Resolution, or for the appointment of a receiver or any other proceedings hereunder; provided, however, that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Resolution.

SECTION 9.04. Reserved.

SECTION 9.05. Application of Moneys. All moneys received by the Trustee pursuant to any right or remedy given or action taken under the provisions of this Article upon any acceleration of the due date for the payment of the principal of and interest on the Bonds in default (including, without limitation, moneys received by virtue of action taken under provisions of any Loan Agreement, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee (including reasonable attorney fees) and any other moneys owed to the Trustee in connection with such Bonds hereunder), shall be applied, first, to the payment of the interest then due and unpaid upon the Bonds in default and, second, to the payment of the principal then due and unpaid upon the Bonds in default, to the persons entitled thereto, without any discrimination or privilege.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond in default until such obligation shall be presented to the Trustee for appropriate endorsement or for cancellation (as the case may be).

SECTION 9.06. Remedies Vested in Trustee. All rights of action (including, without limitation, the right to file proofs of claims) under this Bond Resolution or under any of the Bonds in default may be enforced by the Trustee without possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the equal and ratable benefit of the Holders of all the Outstanding Bonds without the necessary of joining as plaintiffs or defendants any Holders of such Bonds.

SECTION 9.07. Rights and Remedies of Holders of Bonds. No Holder of Bonds then Outstanding in default shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Bond Resolution or for the execution of any trust hereof or for the appointment of
a receiver or any other remedy hereunder, unless (a) an Event of Default shall have occurred, (b) the owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the remedies hereinbefore granted or to institute such action, suit or proceeding in its own name, (c) the Holders shall have offered to the Trustee reasonable indemnity satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, and (d) the Trustee shall have refused, or for sixty (60) days after receipt of such request and offer of indemnification shall have failed to exercise the remedies hereinbefore granted, or to institute such action, suit or proceeding in its own name, and such request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Bond Resolution, and to any action or cause of action for the enforcement of this Bond Resolution, or for the appointment of a receiver or for any other remedy hereunder. It is understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Bond Resolution by his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the Holders of all Bonds then Outstanding; provided, however, that nothing contained in this Bond Resolution shall affect or impair the right of the Holder of any Bond to enforce the payment of the principal or Redemption Price of and interest on such Bond at and after the maturity thereof, or the obligation of the Trust to pay the principal or Redemption Price of and interest on each of the Bonds issued hereunder to the respective Holders thereof at the time and place, from the source and in the manner expressed in the Bonds and in this Bond Resolution and the Applicable Supplemental Resolution.

SECTION 9.08. Termination of Proceedings. In case the Trustee or a Holder of a Bond in default shall have proceeded to enforce any right under this Bond Resolution by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or such Holder, then and in every such case the Trust, the Trustee and the Holders of Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee and the Holders shall continue as if no such proceedings have been taken.

SECTION 9.09. Waivers of Events of Default. The Trustee may and, upon the written request of the Holders of not less than 25% in aggregate principal amount of all Bonds in default then Outstanding, shall waive any Event of Default which in its opinion shall have been remedied before the completion of the enforcement of any remedy under this Bond Resolution; but no such waiver shall extend to any subsequent or other Event of Default, or impair any rights consequent thereon.

SECTION 9.10. Notice of Certain Defaults; Opportunity of Trust to Cure Defaults. Anything herein to the contrary notwithstanding, no Default under Section 9.01(e) hereof shall constitute an Event of Default until actual notice of such Default shall be given to the Trust by registered or certified mail by the Trustee or by the Holders of a majority in aggregate principal amount of all Bonds then Outstanding and the Trust shall not have corrected the Default or caused the Default to be corrected within thirty (30) days following the giving of such notice; provided, however, that if the Default be such that it is correctable but cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Trust within the applicable period and diligently pursued until the Default is corrected.

The Trust hereby grants to the Trustee full authority for the account of the Trust to observe or perform any duty, covenant, obligation or agreement alleged in any alleged Default concerning which notice is given to the Trust under the provisions of this Section in the name and stead of the Trust with full power to do any and all things and acts to the same extent that the Trust could do and perform any such things and acts and with power of substitution.

FIDUCIARIES

SECTION 10.01. Appointments, Duties, Immunities and Liabilities of Trustee. U.S. Bank National Association and any successors and assigns thereto, has been appointed as Trustee by the Trust. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution and all other agreements with the Trust, including, without limitation, the Master Program Trust Agreement, by executing and delivering to the Trust a written acceptance thereof, and by executing such acceptance the Trustee shall be deemed to have accepted such duties and obligations with respect to all the Bonds thereafter to be validly issued, but only, however, upon the terms and conditions set forth in this Bond Resolution and all other agreements with the Trust, including, without limitation, the Master Program Trust Agreement.

SECTION 10.02. Paying Agents; Appointments.

1. The Trustee is hereby appointed Paying Agent and shall also act as registrar for the Series 2016A-2 Bonds. The Trust shall appoint one or more Paying Agents for the Bonds of each additional Series, and may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 10.13 for a successor Paying Agent. There shall be no limitation upon the ability of the Trust to appoint the Trustee to serve as a Paying Agent, provided that the Trustee otherwise satisfies the qualifications set forth herein (including, without limitation and as applicable, the qualifications set forth in Section 10.13 for a successor Paying Agent) that are applicable to a Paying Agent.

2. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Trust and to the Trustee a written acceptance thereof.

3. Unless otherwise provided, the principal corporate trust offices of the Paying Agents are designated as the respective offices or agencies of the Trust for the payment of the interest on and principal or Redemption Price of the Bonds.

4. The Trust may enter into agreements with any Paying Agent providing for the payment to the Trust of amounts in respect of interest earned on moneys held by such Paying Agent for the payment of principal or Redemption Price of and interest on Bonds. Any such payments to the Trust shall be deposited in the Trust Bond Loan Repayments Account within the Revenue Fund and applied as Revenues.

SECTION 10.03. Responsibilities of Fiduciaries.

1. The recitals of fact contained herein and in the Bonds shall be taken as the statements of the Trust and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representation as to the validity or sufficiency of this Bond Resolution or of any Bonds issued thereunder or as to the security afforded by this Bond Resolution, and no Fiduciary shall incur any liability in respect thereof. The Trustee shall, however, be responsible for its representation contained in its authentication certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to the Trust or to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect thereof, or to advance any of its own moneys, unless properly indemnified to its satisfaction. Subject to the provisions of subsection 2 of this Section 10.03, no Fiduciary shall be liable in connection with the observance and performance of its duties and obligations hereunder except for its own negligence or misconduct.
2. The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and obligations and only such duties and obligations as are specifically set forth in this Bond Resolution. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers invested in it by this Bond Resolution, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provision of this Bond Resolution relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 10.03.

1. Each Fiduciary, upon receipt of any notice, Supplemental Resolution, request, consent, order, certificate, report, opinion, bond or other paper or document furnished to it pursuant to any provision of this Bond Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Bond Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with Counsel, who may or may not be counsel to the Trust, and the opinion of such Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Bond Resolution in good faith and in accordance therewith.

2. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Bond Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of an Authorized Officer of the Trust, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Bond Resolution upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

3. Except as otherwise expressly provided in this Bond Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the Trust to any Fiduciary shall be sufficiently executed in the name of the Trust by an Authorized Officer of the Trust.

SECTION 10.05. Compensation. The Trust shall pay each Fiduciary from time to time reasonable compensation for all services rendered under this Bond Resolution, including in that limitation the services rendered pursuant to Section 12.01, and also all reasonable expenses incurred in and about the performance of their powers and duties under this Bond Resolution and each Fiduciary shall have a lien therefor on any and all funds and accounts at any time held by it under this Bond Resolution, other than the Project Loan Account in the Project Fund. Subject to the provisions of Section 10.03, the Trust further agrees to indemnify and save each Fiduciary harmless against any losses, liabilities and expenses (including reasonable legal fees) which it may incur in the exercise and performance of its powers, duties and obligations hereunder, other than losses, liabilities and expenses (including legal fees) attributable to the negligence, bad faith, breach of contract or misconduct of the Fiduciary, arising out of or as a result of the Fiduciary performing its obligations under this Bond Resolution or undertaking any transaction contemplated by this Bond Resolution; provided, however, that the foregoing is subject to the limitations of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:2-1 et seq. and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq.
Each Fiduciary agrees as follows:

1. The Fiduciary shall give the Trust prompt notice in writing of any actual or potential claim described above and the institution of any suit or action;

2. The Fiduciary shall not adjust, settle or compromise any such claim, suit or action without the approval of Trust; and

3. The Fiduciary shall permit the Trust, if the Trust so chooses, to assume full control of the adjustment settlement, compromise or defense of each such claim, suit or action.

While the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., is not applicable by its terms to claims arising under contracts with the Trust, each Fiduciary agrees that such statute (except N.J.S.A. 59:13-9) shall be applicable to all claims against the Trust arising under this Section 10.05.

The indemnification provided in this Section 10.05 does not apply or extend to any indemnification given by a Fiduciary to any other person.

**SECTION 10.06. Certain Permitted Acts.** Any Fiduciary may become the Holder of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Bond Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding.

**SECTION 10.07. Resignation of Trustee.** The Trustee may at any time resign and be discharged of the duties and obligations created by this Bond Resolution by giving not less than one hundred twenty (120) days’ written notice to the Trust, and mailing notice thereof of the Holders of the Bonds then Outstanding, specifying the date when such resignation shall take effect, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed by the Trust or the Bondholders as provided in Section 10.09, in which event such resignation shall take effect immediately on the appointment of such successor, or unless a successor shall not have been appointed by the Trust or the Bondholders as provided in Section 10.09 on that date, in which event such resignation shall not take effect until a successor is appointed.

**SECTION 10.08. Removal of Trustee.** The Trustee may be removed at any time: (i) by an instrument or concurrent instruments in writing, filed with the Trustee, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Trust, (ii) so long as no Event of Default, or any event which, with notice or passage of time, or both, would become an Event of Default, shall have occurred and be continuing, for just cause by a resolution of the Trust filed with the Trustee, (iii) upon a determination by the Trust, in its sole discretion, that the compensation charged by the Trustee is excessive for the duties, obligations and other services to be performed by the Trustee pursuant to this Bond Resolution, such determination by the Trust to be establish by a resolution adopted by the Trust and filed with the Trustee no less than 30 days prior to the effective date of such termination, or (iv) for any reason to be determined by the Trust, in its sole discretion, and without any requirement that just cause be demonstrated, such determination by the Trust to be establish by a resolution adopted by the Trust and filed with the Trustee no less than 30 days prior to the effective date of such termination, provided, however, that the provisions of this clause (iv) shall not be implemented by the Trust more frequently than once every fifth year.
Notwithstanding any other provision in this Article X, no removal of the Trustee shall take effect until a successor shall be appointed pursuant to the provisions of Section 10.09.

SECTION 10.09. Appointment of Successor Trustee.

1. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, a successor may be appointed by the Trust by a duly executed written instrument signed by an Authorized Officer of the Trust, but if the Trust does not appoint a successor Trustee within forty-five (45) days then by the Holders of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Trust, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee, notification thereof being given to the Trust and the predecessor Trustee. After such appointment of a successor Trustee, the Trust shall mail notice of any such appointment made by it or the Bondholders to the Holders of the Bonds then Outstanding.

2. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within forty-five (45) days after the Trustee shall have given to the Trust written notice as provided in Section 10.07 or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

3. Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company or national banking association in good standing, qualified to do business in the State of New Jersey, duly authorized to exercise trust powers, subject to examination by federal or state authority, having capital stock and surplus aggregating at least $50,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution.

SECTION 10.10. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Bond Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Trust, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Trust, or of the successor Trustee, execute, acknowledge and deliver such instrument of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Bond Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Trust be required by such successor Trustee for more fully and certainly vesting and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Trust. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.

SECTION 10.11. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or
transfer all or substantially all of its corporate trust business; provided, such company (i) shall be a bank or
trust company organized under the laws of any state of the United States or a national banking association
and (ii) shall be authorized by law to perform all the duties imposed upon it by this Bond Resolution, shall
be the successor to such Fiduciary without the execution or filing of any paper or the performance of any
further act.

SECTION 10.12. Adoption of Authentication. In case any of the Bonds contemplated to be
issued under this Bond Resolution shall have been authenticated but not delivered, any successor Trustee
may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and
deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated,
any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in the name
of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere
in said Bonds or in this Bond Resolution provided that the certificate of the Trustee shall have.

SECTION 10.13. Resignation or Removal of Paying Agent; Appointment of Successor.

1. Any Paying Agent may at any time resign and be discharged of the duties and obligations
created by this Bond Resolution by giving at least one hundred twenty (120) days written notice to the
Trust, the Trustee and the other Paying Agents. Any Paying Agent may be removed at any time by an
instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer of the Trust.
Any successor Paying Agent shall be appointed by the Trust with the written approval of the Trustee and
shall be a bank or trust company organized under the laws of any state of the United States or a national
banking association, having capital stock and surplus aggregating at least $50,000,000, and willing and able
to accept the office on reasonable and customary terms and authorized by law to perform all duties imposed
upon it by this Bond Resolution.

2. In the event of the resignation or removal of any Paying Agent, such Paying Agent shall
pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no
successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any
Paying Agent, the Trustee shall act as such Paying Agent.

(b) To insert such provisions clarifying matters or questions arising under this Bond Resolution as are necessary or desirable and are not contrary to or inconsistent with this Bond Resolution as theretofore in effect;

(c) In connection with the appointment by the Trust of a fiduciary other than the Trustee to perform any of the duties and/or services to be performed by the Trustee pursuant to Section 5.04 hereof, to the extent such modification or amendment of this Bond Resolution which will not have a material adverse effect on the interests of Bondholders;

(d) To make any other modification or amendment of this Bond Resolution which will not have a material adverse effect on the interests of Bondholders.

In making any determination under this Section 11.02, the Trustee may conclusively rely upon an opinion of Bond Counsel.

SECTION 11.03. Supplemental Resolutions Effective With Consent of Bondholders. At any time or from time to time, a Supplemental Resolution may be adopted subject to consent by the Bondholders in accordance with and subject to the provisions of Sections 11.06 and 11.07, which Supplemental Resolution, upon (i) the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Trust, (ii) compliance with the provisions of said Sections 11.06 and 11.07, (iii) the filing with the Trust and the Trustee of an opinion of Bond Counsel to the effect that such Supplemental Resolution will not adversely affect the exclusion from gross income of the interest on the Series 2016A-2 Bonds for federal income tax purposes, shall become fully effective in accordance with its terms as provided in said Section 11.07. Provided, however, that, any Supplemental Resolution which by its terms only affects one or more Series of Bonds may be adopted subject to the consent of the Bondholders of the Series or Series of Bonds so affected.

1. This Bond Resolution shall not be modified or amended in any respect except by Supplemental Resolution as provided in and in accordance with and subject to the provisions of this Article XI. Nothing contained in this Article XI shall affect or limit the right or obligation of the Trust to adopt, make, do, execute, acknowledge or deliver any resolution, act or other instrument pursuant to the provisions of this Bond Resolution or the right or obligation of the Trust to execute and deliver to any Trustee any instrument which elsewhere in this Bond Resolution it is provided shall be delivered to said Trustee.

2. Any Supplemental Resolution referred to and permitted or authorized by Section 11.01 or 11.02 may be adopted by the Trust without the consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. The copy of every Supplemental Resolution when filed with the Trustee shall be accompanied by an opinion of
Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of this Bond Resolution, is authorized or permitted by this Bond Resolution, and is valid and binding upon the Trust in accordance with its terms.

3. The Trustee is hereby authorized to accept the delivery of a certified copy of any Supplemental Resolution referred to and permitted or authorized by Sections 11.01, 11.02 or 11.03 and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of Bond Counsel that such Supplemental Resolution is authorized or permitted by the provisions of this Bond Resolution.

4. No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without their written assent thereto.

SECTION 11.05. Mailing. Any provision in this Article for the mailing of a notice or other paper to Holders of Bonds shall be fully complied with if it is mailed, postage prepaid only, to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of the Trust.

SECTION 11.06. Powers of Amendment by Supplemental Resolution. Unless otherwise permitted under Section 11.01 or Section 11.02, any modification or amendment of this Bond Resolution and of the rights and obligations of the Trust and of the Holders of the Bonds thereunder, in any particular, may be made only by a Supplemental Resolution with the written consent (i) of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any sinking fund installment, of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such obligation, or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Trustee without their written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Bond Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment Bonds of any particular Series or maturity would be affected by any modification or amendment of this Bond Resolution and any such determination shall be binding and conclusive on the Trust and all Holders of Bonds. In taking such action, the Trustee may rely upon the opinion of Bond Counsel. For purposes of this Section, the Holders of any Bonds may include the initial Holders thereof, regardless of whether such Bonds are being held for resale.

SECTION 11.07. Consent of Bondholders. The Trust may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section 11.06 to take effect when and as provided in this Section. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Holders of Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Trust to Holders of Bonds (but
failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this Section provided). Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of the Holders of the percentages of Outstanding Bonds specified in Section 11.06 and (b) an opinion of Bond Counsel addressed to the Trustee stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Trust in accordance with the provisions of this Bond Resolution, is authorized or permitted by this Bond Resolution, and is valid and binding upon the Trust and enforceable in accordance with its terms. It shall not be necessary that the consents of Holders of Bonds approve the particular form of wording of the proposed modification or amendment or of the proposed Supplemental Resolution effecting such modification or amendment, but it shall be sufficient if such consents approve the substance of the proposed amendment or modification. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 12.02. A certificate or certificates executed by the Trustee and filed with the Trust stating that it has examined such proof and that such proof is sufficient in accordance with Section 12.02 shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 12.02 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 11.07 provided for is filed, such revocation and proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 12.02. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trust to the effect that no revocation thereof is on file with the Trustee.

At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Trust a written statement that the Holders of such required percentages of such Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Trust on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 11.07, may be given to Bondholders by the Trust by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section 11.07 provided). The Trust shall file with the Trustee proof of the mailing thereof. A record, consisting of the certificates or statements required or permitted by this Section 11.07 to be made by the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Trust, the Fiduciaries and the Holders of all Bonds at the expiration of forty (40) days after the filing with the Trustee of the proof of the mailings of such last-mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty (40) day period; provided, however, that any Fiduciary and the Trust during such forty (40) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as it may deem expedient.

**SECTION 11.08. Modifications or Amendments by Unanimous Consent.** The terms and provisions of this Bond Resolution and the rights and obligations of the Trust and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the Trust of a Supplemental Resolution and the consent thereto of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 11.07 except that no notice to Holders of Bonds either by
mailing or publication shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Holders of Bonds.

SECTION 11.09. Exclusion of Bonds. Bonds owned or held by or for the account of the Trust shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI, and the Trust shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the Trust shall furnish to the Trustee a Certificate of an Authorized Officer of the Trust, upon which the Trustee may rely, describing all Bonds so to be excluded.

SECTION 11.10. Notation on Bonds. Bonds authenticated and delivered after the effective date of any Supplemental Resolution pursuant to this Article XI may, and, if the Trust or the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Trust and the Trustee as to any modification or amendment provided for in such Supplemental Resolution and, in that case upon demand of the Holder of any Bond Outstanding and upon presentation of any Bond for such purpose at the Principal Office of the Trustee, a suitable notation shall be made on such Bond. If the Trust or the Trustee shall so determine, new Bonds so modified as to conform, in the opinion of the Trustee and the Trust, to any modification or amendment contained in such Supplemental Resolution, shall be prepared, authenticated and delivered and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series, principal amount, maturity and interest rate then Outstanding, upon surrender of such Bonds. Any action taken as in Article X or this Article XI provided shall be effective and binding upon all Bondholders notwithstanding that the notation is not endorsed on all Bonds.

SECTION 11.11. Effect of Supplemental Resolution. Upon the effective date of any Supplemental Resolution, this Bond Resolution shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, covenants, obligations and agreements under this Bond Resolution of the Trust, the Trustee and all Holders of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Resolution shall be deemed to be part of the terms and conditions of this Bond Resolution for any and all purposes.

SECTION 11.12. Amendment of Loan Agreements. The Trust shall not supplement, amend, modify or terminate any Loan Agreement, or consent to any such supplement, amendment, modification or termination, without the written consent of the Trustee, which consent shall not be unreasonably withheld. The Trustee shall give such written consent only if (a) (i) in the opinion of the Trustee, after such supplement, amendment, modification or termination is effective, such Loan Agreement shall continue to meet the requirements of Article VI of this Bond Resolution or (ii) the Trustee first obtains the written consent of the Holders of a majority in aggregate principal amount of the Outstanding Bonds to such supplement, amendment, modification or termination, such written consent being obtained by the Trustee at the sole expense of the Borrower which is a party to the Loan Agreement which is the subject of the supplement, amendment, modification or termination and (b) the Trustee first obtains an opinion of Bond Counsel to the effect that such supplement, amendment, modification or termination will not adversely affect the exclusion from gross income of the interest on the Series 2016A-2 Bonds for federal income tax purposes. In making any determination under this Section 11.12, the Trustee may conclusively rely upon an opinion of Bond Counsel.
Notwithstanding any other provision in this Section, (a) the Trust may supplement, amend or modify any Loan Agreement without the consent of the Trustee or any Bondholder (i) for the purposes set forth in Section 5.02(5) hereof, (ii) for the purpose of amending, supplementing or modifying Section 2.02(p) of the Loan Agreement and (iii) for the purpose of amending, supplementing or modifying Exhibit H to the Loan Agreement prior to the execution and delivery thereof, and (b) the Trust may terminate any Loan Agreement (subject to the termination provisions thereof) without the consent of the Trustee or any Bondholder in the event that all payment obligations thereunder have been satisfied by the respective Borrower in full.

SECTION 11.13. Notice of Amendments. Promptly after the adoption by the Trust of any Supplemental Resolution, the Trustee shall mail by first class mail, postage prepaid, a notice, setting forth in general terms the substance thereof, to the Bondholders of a Series of Bonds affected by such amendment. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Resolution.
ARTICLE XII

DEFEASANCE

SECTION 12.01. Defeasance of Bonds.

1. If the Trust shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds of any Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in this Bond Resolution, then the pledge of the Trust Estate, and all duties, covenants, agreements and other obligations of the Trust to the Bondholders of such Series, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Trust to be prepared and filed with the Trust and, upon the request of the Trust, shall execute and deliver to the Trust all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the Trust all moneys or securities held by it pursuant to this Bond Resolution which are not required for the payment of principal or Redemption Price, if applicable, and interest due or to become due on Bonds of any Series not theretofore surrendered for such payment or redemption and any amounts owed to any Fiduciary. If the Trust shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of any Outstanding Bonds of any Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Resolution, such Bonds shall cease to be entitled to any lien, benefit or security under this Bond Resolution, and all duties, covenants, agreements and obligations of the Trust to the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Notwithstanding any other provision in this Article XII, all duties, covenants, agreements and obligations of the Trust to the Holders relating to the exclusion of interest from gross income of the Holders of such Bonds for federal income tax purposes shall survive the defeasance of the Bonds.

2. Bonds (which can be an entire series or portion thereof) or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Paying Agents (through deposit by the Trust of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section. Subject to the provisions of subsections (3) through (5) of this Section, Outstanding Bonds of any Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section if (a) in case any of said Bonds are to be redeemed on any date prior to their stated maturities, the Trust shall have given to the Trustee instructions in writing accepted by the Trustee to mail notice of redemption of such Bonds (other than Bonds of a Series which have been purchased by the Trustee at the written direction of the Trust or purchased or otherwise acquired by the Trust and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption) on said date, (b) there shall have been deposited with the Trustee (i) either moneys in an amount which shall be sufficient, or Investment Securities (including any Investment Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on such Series of Bonds on or prior to the redemption date or maturity date thereof, as the case may be, (ii) a defeasance opinion of Bond Counsel, and (iii) a verification report of an independent nationally recognized verification agent as to the matters set forth in clause (i), and (c) in the event such Series of Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Trust shall have given the Trustee in form satisfactory to it instructions to mail, as soon as practicable, a notice to the Holders of such Bonds at their last addresses appearing upon the registry books at the close of business on the last business day of the month preceding the month for which notice is mailed that the deposit required by (b)
above has been made with the Trustee and that such Series of Bonds are deemed to have been paid in accordance with this Section 12.01 and stating such maturity or redemption date upon which moneys are expected, subject to the provisions of subsection (5) of this Section 12.01, to be available for the payment of the principal or Redemption Price, if applicable, of such Series of Bonds (other than Bonds which have been purchased by the Trustee at the direction of the Trust or purchased or otherwise acquired by the Trust and delivered to the Trustee as hereinafter provided prior to the mailing of the notice of redemption referred to in clause (a) hereof). Any notice of redemption mailed pursuant to the preceding sentence with respect to any Series of Bonds which constitutes less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond. The Trustee shall, as and to the extent necessary, apply moneys held by it pursuant to this Section 12.01 to the retirement of said Bonds in amounts equal to the unsatisfied balances of any Sinking Fund Installments with respect to such Bonds, all in the manner provided in this Bond Resolution.

The Trustee shall, if so directed by the Trust (i) prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 12.01 which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) above with respect to any Bonds deemed to have been paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Investment Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds and the Trustee shall immediately thereafter cancel all such Bonds so purchased; provided, however, that the moneys and Investment Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due or to become due on all Bonds in respect of which such moneys and Investment Securities are being held by the Trustee or prior to the redemption date or maturity date thereof, as the case may be. If, at any time (i) prior to the maturity date of Bonds deemed to have been paid in accordance with Section 12.01 which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) with respect to any Bonds deemed to have been paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, the Trust shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date or redemption date, as the case may be, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by directions from the Trust to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to pay or redeem Bonds deemed paid in accordance with this Section 12.01. The directions given by the Trust to the Trustee referred to in the preceding sentence shall also specify the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 12.01 upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to redeem Bonds deemed paid in accordance with this Section 12.01 on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this Section 12.01 the total amount of moneys and Investment Securities remaining on deposit with the Trustee under this Section 12.01 is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds of such Series in order to satisfy clause (b) of this subsection 2 of Section 12.01, the Trustee shall, if requested by the Trust, pay the amount of such excess to the Trust free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Bond Resolution. Except as otherwise provided in this subsection 2 and in subsection 3 through subsection 5 of this Section 12.01, neither Investment Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, (A) to the extent such cash will not be required at
any time for such purpose, shall be paid over to the Trust as received by the Trustee, free and clear of any trust, lien or pledge securing said Bonds or otherwise existing under this Bond Resolution, and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested at the direction of the Trust in Investment Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Trust, as received by the Trustee, free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Bond Resolution.

For the purposes of this Section, Investment Securities shall mean and include only (y) such securities as are described in clause (a) of the definition of “Investment Securities” in Section 1.01 which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof or (z) upon compliance with the provisions of subsection 3 of this Section 12.01, such securities as are described in clause (a) of the definition of Investment Securities which are subject to redemption prior to maturity at the option of the issuer thereof on a specified date or dates.

3. Investment Securities described in clause (z) of subsection 2 of Section 12.01 may be included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01 only if, in making the determination as to whether the moneys and Investment Securities to be deposited with the Trustee would be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on the Bonds which will be deemed to have been paid as provided in subsection 2 of Section 12.01, such determination is made both (i) on the assumption that the Investment Securities described in clause (z) were not redeemed at the option of the issuer prior to the maturity date thereof and (ii) on the assumptions that such Investment Securities were redeemed by the issuer thereof at its option on each date on which such option could be exercised, that as of such date or dates interest ceased to accrue on such Investment Securities and that the proceeds of such redemption were not reinvested by the Trustee.

4. In the event that after compliance with the provisions of subsection 3 of Section 12.01 the Investment Securities described in clause (z) of subsection 2 of Section 12.01 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01 and any such Investment Securities are actually redeemed by the issuer thereof prior to their maturity date, then the Trustee at the written direction of the Trust shall reinvest the proceeds of such redemption in Investment Securities, provided that the aggregate of the moneys and Investment Securities to be held by the Trustee, taking into account any changes in redemption dates or instructions to give notice of redemption given to the Trustee by the Trust in accordance with subsection 5 of Section 12.01, shall at all times be sufficient to satisfy the requirements of clause (b) of subsection 2 of Section 12.01.

5. In the event that after compliance with the provisions of subsection 3 of Section 12.01 the Investment Securities described in clause (z) of subsection 2 of Section 12.01 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01, then any notice of redemption to be published by the Trustee and any set of instructions relating to a notice of redemption given to the Trustee may provide, at the option of the Trust, that any redemption date or dates in respect of all of any portion of the Bonds to be redeemed on such date or dates may at the option of the Trust be changed to any other permissible redemption date or dates and that redemption dates may be established for any Bonds deemed to have been paid in accordance with this Section 12.01 upon their maturity date or dates at any time prior to the actual mailing of any applicable notice of redemption in the event that all or any portion of any Investment Securities described in clause (z) of subsection 2 of this Section 12.01 have been called for redemption pursuant to an irrevocable notice of redemption or have been redeemed by the issuer thereof prior to the maturity date thereof; no such change
of redemption date or dates or establishment of redemption date or dates may be made unless, taking into account such changed redemption date or dates or newly established redemption date or dates, the moneys and Investment Securities on deposit with the Trustee (including any Investment Securities deposited with the Trustee in connection with any reinvestment of redemption proceeds in accordance with subsection 5 of Section 12.01) pursuant to clause (b) of subsection 2 of Section 12.01 would be sufficient to pay when due the principal and Redemption Price, if applicable, and interest on all Bonds deemed to have been paid in accordance with subsection 2 of Section 12.01.

6. Anything in this Bond Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six years after the later of (i) the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption or (ii) the date of deposit of such moneys, shall at the written request of the Trust be repaid by the Fiduciary to the Trust as its absolute property and free from the Trust Estate, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Trust for the payment of such Bonds; provided, however, that before being required to make any such payment to the Trust, the Fiduciary shall, at the expense of the Trust, cause to be published at least twice, at an interval of not less than seven (7) days between publications, in the Authorized Newspapers, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the Trust.

Notwithstanding any other provision in Article XII of this Bond Resolution, all duties, covenants, agreements and obligations of the Trust to the Holders relating to the exclusion of interest from gross income of the Holders of the Series 2016A-2 Bonds for federal income tax purposes shall survive the defeasance of the Series 2016A-2 Bonds.

SECTION 12.02. Evidence of Signatures and Ownership of Bonds.

1. Any request, consent, revocation of consent or other instrument which this Bond Resolution or any Supplemental Resolution may require or permit to be signed and executed by the Holders of Bonds of any Series may be in one or more instruments of similar tenor and shall be signed or executed by such Holders of Bonds in person or by their attorneys appointed in writing. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, shall be sufficient for any purpose of this Bond Resolution or any Supplemental Resolution (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable. The fact and date of the execution by any Holder of any Bond or his attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of his authority.

2. The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books maintained by the Trustee.

3. Any request or consent by the Holder of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Trust or any Trustee in accordance therewith.
SECTION 12.03. Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of the interest, principal or Redemption Price due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto.
ARTICLE XIII
MARKETING AND SALE OF THE BONDS

SECTION 13.01. Preliminary Official Statement.

1. The Authorized Officers of the Trust are hereby severally authorized and directed to prepare a preliminary official statement relating to the Series 2016A-2 Bonds (the “Preliminary Official Statement”), which Preliminary Official Statement shall be in the form, and shall include such provisions, as the Authorized Officer of the Trust, after consultation with Bond Counsel and other appropriate professional advisors to the Trust, deems in his sole discretion to be necessary or desirable, the delivery thereof by the Authorized Officer of the Trust being conclusive evidence of his consent to the provisions thereof.

2. The Authorized Officers of the Trust are hereby severally authorized and directed, upon the satisfaction of all of the legal conditions precedent to the delivery of the Preliminary Official Statement by the Trust, as determined by the Authorized Officer of the Trust in consultation with Bond Counsel, to “deem final” the Preliminary Official Statement, in accordance with the provisions of Rule 15c2-12, and to deliver the Preliminary Official Statement in the form established by the provisions of subsection (1) hereof.

3. The Authorized Officers of the Trust are hereby severally authorized and directed to execute any certificate or document and to take such other actions as may be necessary, relating to any statutes, regulations, rules or other procedures of the SEC, the Municipal Securities Rulemaking Board or any state securities entity, including, without limitation, Rule 15c2-12, that the Authorized Officer of the Trust, after consultation with Bond Counsel, deems necessary or desirable to effect the issuance, marketing and sale of the Series 2016A-2 Bonds, and the transactions contemplated by the Preliminary Official Statement.

SECTION 13.02. Official Statement. NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST (the “Trust”), a public body corporate and politic and an instrumentality of the State of New Jersey created and existing under the laws of the State of New Jersey, hereby acknowledges itself indebted to, and for value received hereby promises to pay to, the Registered Owner stated hereon or its registered assigns, on the Maturity Date stated hereon, but solely from the funds pledged therefor, upon presentation and surrender of this bond at the Principal Office of U.S. Bank National Association (such bank and any successors thereto being herein called the “Trustee” and “Paying Agent”), the Principal Sum stated hereon in any coin or currency of the United States of America that at the time of payment is legal tender for the payment of public and private debts, and to pay from such pledged funds on March 1 and September 1 in each year, commencing September 1, 2017, until the Trust’s obligation with respect to the payment of such Principal Sum shall be discharged to the Registered Owner hereof, interest from the Dated Date hereof on such Principal Sum by check or draft of the Trustee mailed to such Registered Owner who shall appear as of the fifteenth (15th) day (whether or not such day shall be a Business Day) of the month immediately preceding such interest payment date on the books of the Trust maintained by the Trustee. However, so long as the Series 2016A-2 Bonds (as hereinafter defined) are held in book-entry-only form pursuant to the Resolution (as hereinafter defined), the provisions of the Resolution governing such book-entry-only form shall govern repayment of the principal or Redemption Price, if any, of and interest on the Series 2016A-2 Bonds.

This bond is one of a duly authorized Series of Bonds of the Trust designated “Environmental Infrastructure Bonds, Series 2016A-2” (herein called the “Series 2016A-2 Bonds”), and issued in the aggregate principal amount of $__,____,000 under and in full compliance with the Constitution and statutes of the State of New Jersey, including, without limitation, the “New Jersey Environmental Infrastructure Trust Act”, constituting chapter 334 of the Pamphlet Laws of 1985 of the State of New Jersey, as amended and supplemented (herein called the “Act”), and under and pursuant to a resolution authorizing the Series 2016A-2 Bonds adopted by the Trust on November 10, 2016 and entitled “Environmental Infrastructure Bond Resolution, Series 2016A-2”, as the same may be amended or supplemented from time to time in accordance with its terms (herein called the “Resolution”).
All capitalized terms used but not defined herein shall have the meanings set forth in the Resolution as if fully set forth herein.

As provided in the Resolution, the Series 2016A-2 Bonds and all other bonds issued on a parity basis with the Series 2016A-2 Bonds under the Resolution (herein collectively called the “Bonds”) are direct and special obligations of the Trust payable solely, subject to the following sentence, from and secured (as to payment of principal or Redemption Price, if any, of and interest on) by the Trust Estate, all in accordance with their terms and the terms and conditions of the Resolution, subject only to the provisions of the Resolution permitting the application of the Trust Estate for the purposes and upon the terms and conditions set forth in the Resolution. The principal or Redemption Price, if any, of and interest on the Series 2016A-2 Bonds are additionally secured by moneys held by the Master Program Trustee in the Master Program Trust Account to the extent set forth in the Master Program Trust Agreement. The Trust Estate under the Resolution includes the Loan Agreements (with certain exceptions set forth in the Resolution), any other Revenues and all other funds and accounts established under the Resolution (other than the Operating Expense Fund, the Project Fund, and the Rebate Fund), including Investment Securities, as applicable, held in any such Fund thereunder, together with all proceeds and revenues of the foregoing, all of the Trust’s right, title and interest in and to the foregoing and all other moneys, securities or funds pledged for the payment of the principal or Redemption Price, if any, of and interest on the Bonds in accordance with the terms and provisions of the Resolution. Copies of the Resolution are on file at the office of the Trust and at the above-mentioned office of the Trustee. Reference is hereby made to the Act and to the Resolution and any and all supplements thereto and modifications and amendments thereof for a description of the pledge and assignment and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the holders of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued and may be issued thereunder, the terms and provisions upon which this bond shall cease to be entitled to any lien, benefit or security under the Resolution and for all of the other terms and provisions thereof. All duties, covenants, agreements and obligations of the Trust under the Resolution may be discharged and satisfied at or prior to the maturity or redemption, if any, of this bond if moneys or certain specified securities shall have been deposited with the Trustee, all in accordance with the terms and provisions of the Resolution.

As provided in the Resolution, Bonds may be issued from time to time pursuant to Supplemental Resolutions in one or more Series in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Resolution provided. Although the aggregate principal amount of Bonds that may be issued under the Resolution is not limited, and all Bonds issued and to be issued under the Resolution are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Resolution, the aggregate amount of bonds that may be issued by the Trust is currently limited by the Act. The Trust makes no representation as to whether this limitation on the aggregate principal amount of bonds issued by the Trust under the Act will continue to restrict the future issuance of bonds by the Trust under the Act.

To the extent and in the manner permitted by the terms of the Resolution, the provisions of the Resolution or any resolution amendatory thereof or supplemental thereto may be modified or amended by the Trust with the written consent of the holders of at least two-thirds (2/3) in aggregate principal amount of the Bonds Outstanding under the Resolution at the time such consent is given, and, in case less than all of the several Series of Bonds then Outstanding are affected thereby, with such consent of at least two-thirds (2/3) in aggregate principal amount of the Bonds of each Series so affected and Outstanding; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding under the Resolution, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of the calculation of Outstanding Bonds. No such modification or amendment shall permit a change in the terms of redemption, if any (including Sinking Fund Installments), or maturity of the principal.
of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price, if any, thereof or in the rate of interest thereon without the consent of the holder of such Bond, nor shall it reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, nor shall it change or modify any of the rights or obligations of the Trustee or of the Paying Agent without its written assent thereto.

This bond is transferable, as provided in the Resolution, only upon the books of the Trust kept for that purpose at the above-mentioned office of the Trustee, as bond registrar, by the Registered Owner hereof in person, or by such Registered Owner’s attorney duly authorized in writing, upon surrender of this bond together with a written instrument of transfer satisfactory to the bond registrar duly executed by the Registered Owner or such Registered Owner’s duly authorized attorney, and thereupon a new fully registered bond or bonds in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon payment of the charges therein prescribed. The Trust, the Trustee and the Paying Agent may deem and treat the Registered Owner as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if any, hereof and the interest due hereon and for all other purposes.

The Series 2016A-2 Bonds maturing on or before September 1, [2027] shall not be subject to redemption prior to their respective stated maturity dates. The Series 2016A-2 Bonds maturing on or after September 1, [2028] shall be subject to redemption prior to their respective stated maturity dates on or after September 1, [2027], at the option of the Trust, upon the terms set forth in the Resolution.

The Series 2016A-2 Bonds are payable upon redemption at the above-mentioned office of the Paying Agent. Notice of redemption, setting forth the place of payment, shall be mailed by the Trustee via first class mail, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date, to the registered owners of any Series 2016A-2 Bonds or portions thereof to be redeemed at their last addresses, if any, appearing upon the Trust’s registry books, all in the manner and upon the terms and conditions set forth in the Resolution. If notice of redemption shall have been mailed as aforesaid, the Series 2016A-2 Bonds or portions thereof specified in said notice shall become due and payable on the redemption date therein fixed, and if, on the redemption date, moneys for the redemption of all of the Series 2016A-2 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, then from and after the redemption date interest on such Series 2016A-2 Bonds or portions thereof so called for redemption shall cease to accrue and be payable. Failure of the registered owner of any Series 2016A-2 Bonds to be redeemed to receive any such notice shall not affect the validity of the proceedings for the redemption of such Series 2016A-2 Bonds.

The principal or Redemption Price, if any, of and interest on the Series 2016A-2 Bonds are payable by the Trust solely from the Trust Estate, and neither the State of New Jersey nor any political subdivision thereof, other than the Trust (but solely to the extent of the Trust Estate), is obligated to pay the principal or Redemption Price, if any, of interest on this bond and the issue of which it is one, and neither the full faith and credit nor the taxing power of the State of New Jersey or any political subdivision thereof is pledged to the payment of the principal or Redemption Price, if any, of interest on this bond or the issue of which it is one.

It is hereby certified and recited that all conditions, acts and things required by law and the Resolution to exist, to have happened and to have been performed precedent to and in the issuance of this bond exist, have happened and have been performed, and the Series of Bonds of which this is one, together with all other indebtedness of the Trust, comply in all respects with the applicable laws of the State of New Jersey, including, without limitation, the Act.
This bond shall not be entitled to any benefit under the Resolution or be valid or become obligatory for any purpose until this bond shall have been authenticated by the execution by the Trustee of the Trustee’s Certificate of Authentication hereon.

IN WITNESS WHEREOF, NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST has caused this bond to be executed in its name and on its behalf by the manual or facsimile signature of its Chairman or Vice-Chairman and its seal to be impressed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Secretary or Assistant Secretary, all as of the Dated Date hereof.

SECTION 2.01. [Reserved].

SECTION 2.02. Issuance of Series 2016A-R3 Refunding Bonds; Parity Nature of Bonds; Savings.

(A) The Trust hereby declares the issuance of the Series 2016A-R3 Refunding Bonds to be an authorized undertaking of the Trust pursuant to the Act and Section 2.04(1) of the Original Series 2009A Bond Resolution, as amended and supplemented, and hereby authorizes and directs an Authorized Officer to execute and deliver all documents necessary or desirable in connection therewith.

(B) In accordance with the terms of the Series 2009A Bond Resolution, upon the issuance of the Series 2016A-R3 Refunding Bonds pursuant to the terms hereof, the Holders of the Series 2016A-R3 Refunding Bonds will be equally and ratably entitled to the benefit of the pledge of the Trust Estate under the Series 2009A Bond Resolution with the Holders of the Series 2009A Bonds that shall remain Outstanding (the “Outstanding Series 2009A Bonds”) and any other Series of Bonds to be issued pursuant to the Series 2009A Bond Resolution, including, without limitation, the moneys and securities in the Debt Service Fund and the rights to the Loan Repayments. (C) The Trust shall create two Loan Repayment schedules for each of the Series 2009A Trust Loans (collectively, the “Loan Repayment Schedules”): (i) the first, reflecting the Loan Repayments that are allocable to the Series 2016A-R3 Refunding Bonds until the maturity thereof; and (ii) the second, reflecting the Loan Repayments that are allocable to the Outstanding Series 2009A Bonds until the maturity thereof. At its election, the Trust may present such Loan Repayment Schedules in a consolidated format. In addition, the Trust shall prepare a consolidated schedule (the “Savings Credit Schedules”) that reflects the Savings to be realized by each Borrower with respect to its Series 2009A Trust Loan through the implementation of the 2016 Refunding of the Series 2009A Bonds to be Refunded. The Loan Repayment Schedules and the Savings Credit Schedule shall be provided by the Trust to each Borrower promptly following the issuance by the Trust of the Series 2016A-R3 Refunding Bonds. Any Borrower determined to be a material “obligated person” based upon the criteria set forth herein shall be required to enter into a Series 2016A-R3 Borrower Continuing Disclosure Agreement with respect to the obligation of such Borrower and any Underlying Government Unit or Indirect Underlying Government Unit, if applicable, with a term as specified therein, by and among such Borrower, the Trust and the Trustee, substantially in the form attached hereto as

SECTION 2.01. [Reserved].

SECTION 2.02. Issuance of Series 2016A-R4 Refunding Bonds; Parity Nature of Bonds; Savings.

(A) The Trust hereby declares the issuance of the Series 2016A-R4 Refunding Bonds to be an authorized undertaking of the Trust pursuant to the Act and Section 2.04(1) of the Original Series 2010A Bond Resolution, as amended and supplemented, and hereby authorizes and directs an Authorized Officer to execute and deliver all documents necessary or desirable in connection therewith.

(B) In accordance with the terms of the Series 2010A Bond Resolution, upon the issuance of the Series 2016A-R4 Refunding Bonds pursuant to the terms hereof, the Holders of the Series 2016A-R4 Refunding Bonds will be equally and ratably entitled to the benefit of the pledge of the Trust Estate under the Series 2010A Bond Resolution with the Holders of the Series 2010A Bonds that shall remain Outstanding (the “Outstanding Series 2010A Bonds”) and any other Series of Bonds to be issued pursuant to the Series 2010A Bond Resolution, including, without limitation, the moneys and securities in the Debt Service Fund and the rights to the Loan Repayments. Accordingly, each Series of Bonds that is Outstanding pursuant to the terms of the Series 2010A Bond Resolution shall be of equal rank without preference, priority or distinction as to lien or otherwise, except as may be expressly provided in the Series 2010A Bond Resolution.

(C) The Trust shall create two Loan Repayment schedules for each of the Series 2010A Trust Loans (collectively, the “Loan Repayment Schedules”): (i) the first, reflecting the Loan Repayments that are allocable to the Series 2016A-R4 Refunding Bonds until the maturity thereof; and (ii) the second, reflecting the Loan Repayments that are allocable to the Outstanding Series 2010A Bonds until the maturity thereof. At its election, the Trust may present such Loan Repayment Schedules in a consolidated format. In addition, the Trust shall prepare a consolidated schedule (the “Savings Credit Schedules”) that reflects the Savings to be realized by each Borrower with respect to its Series 2010A Trust Loan through the implementation of the 2016 Refunding of the Series 2010A Bonds to be Refunded. The Loan Repayment Schedules and the Savings Credit Schedule shall be provided by the Trust to each Borrower promptly following the issuance by the Trust of the Series 2016A-R4 Refunding Bonds. The Loan Repayments to be made by the Borrowers shall be allocated by the Trustee on a pro rata basis to the respective Accounts within the Revenue Fund relating to each Series of Bonds; thereafter, disbursements shall be made by the Trustee to the respective Accounts within the Debt Service Fund for each Series of Bonds for payment of the principal and redemption premium, if any, of and the interest on each such Series of Bonds.
