   (a) a Certificate of the Chairman, Executive Director or other Authorized Officer of the Trust, pursuant to Section 148 of the Code, setting forth the expectations of the Trust on the date of such authentication and delivery as to future events and such certification shall set forth the facts and estimates on which such expectations are based and shall state that to the best of the knowledge and belief of such officer of the Trust, the Trust’s expectations are reasonable;

   (b) an opinion of Bond Counsel to the effect that under existing law (i) interest on the Series 2016A-2 Bonds is excluded from gross income for federal income tax purposes, and (ii) interest on the Series 2016A-2 Bonds and any gain on the sale thereof are excluded from gross income under the New Jersey Gross Income Tax Act; and

Refunding Bonds shall be on a parity with and, except as otherwise provided in the Applicable Supplemental Resolution for such Refunding Bonds, shall be entitled to the same benefit and security of this Bond Resolution including the pledge of the Trust Estate as the Bonds of the Series of Bonds which are being refunded.

2. Refunding Bonds of each Series shall be authenticated and delivered by the Trustee only upon receipt by the Trustee (in addition to the documents required by Section 2.02) of:

   (a) Instructions to the Trustee, satisfactory to it, to give due notice of redemption, if applicable, of all the Bonds to be refunded on a redemption date or dates specified in such instructions, subject to the provisions of Section 12.01;
(b) If the Bonds to be refunded are not by their terms subject to redemption within the next succeeding sixty (60) days, instructions to the Trustee, satisfactory to it, to mail the notice provided for in Section 12.01 to the Holders of the Bonds being refunded;

(c) Either (i) moneys in an amount sufficient to effect payment at the applicable Redemption Price of the Bonds to be refunded together with accrued interest on such Bonds to the redemption date or dates, which moneys shall be held by the Trustee or any one or more of the Paying Agents in a separate account irrevocably in trust for and assigned to the respective Holders of the Bonds to be refunded, or (ii) qualifying Investment Securities in such principal amounts of such maturities, bearing such interest and otherwise having such terms and qualifications and any moneys as shall be necessary to comply with the provisions of subsection 2 of Section 12.01, which Investment Securities and moneys shall be held in trust and used only as provided in said subsection 2 of Section 12.01;

(d) A Certificate of an Authorized Officer of the Trust demonstrating that the Trust Bond Loan Repayments to become due in each Bond Year during which such Refunding Bonds shall be Outstanding shall be sufficient to pay when due the principal or Redemption Price of, and interest on, all Bonds Outstanding upon the authentication and delivery of such Series of Refunding Bonds;

(e) A verification report of an independent nationally recognized certified public accountant addressed to the Trust and the Trustee with respect to the matters set forth in (c) and (d) hereof; and

(f) In the event that a forward supply contract is employed in connection with the matters set forth in (c) and (d) hereof, (i) the verification report required by (e) hereof shall expressly state that the adequacy of the irrevocable trust described in (c) hereof to accomplish the issuance of Refunding Bonds relies solely on the initial investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the escrow agreement entered into by the Trust pursuant to (c) hereof shall provide that in the event of any discrepancy or differences between the terms of the forward supply contract and the escrow agreement, the terms of the escrow agreement shall be controlling.

3. The proceeds, including accrued interest, of the Refunding Bonds of each Series shall be applied simultaneously with the delivery of such Refunding Bonds for the purposes of making deposits, if any, in such Funds and Accounts as shall be provided by the Supplemental Resolution authorizing such Series of Refunding Bonds and shall be applied to the refunding purposes thereof in the manner provided in said Supplemental Resolution.

SECTION 2.05. Book-Entry-Only System.

1. Except as provided in subparagraph 3 of this Section 2.05, the registered Holder of all of the Series 2016A-2 Bonds shall be, and the Series 2016A-2 Bonds shall be registered in the name of, Cede & Co. as nominee of DTC. Payment of semiannual interest for any Series 2016A-2 Bond shall be made by wire transfer to the account of Cede & Co. on the Interest Payment Date for the Series 2016A-2 Bonds at the address indicated for Cede & Co. in the registry books of the Trust kept by the Trustee.

2. The Series 2016A-2 Bonds shall be issued initially in the form of a separate single fully registered Bond in the amount of the aggregate principal amount of each separate stated maturity of the Series 2016A-2 Bonds. Upon initial issuance, the ownership of each such Series 2016A-2 Bond shall be registered in the registry books of the Trust kept by the Trustee in the name of Cede & Co., as nominee of DTC. With respect to Series 2016A-2 Bonds registered in the registry books kept by the Trustee in the name of Cede & Co., as nominee of DTC, the Trust and any Fiduciary shall have no responsibility or
obligation to any participant or to any beneficial owner of such Series 2016A-2 Bonds. Without limiting
the immediately preceding sentence, the Trust and any Fiduciary shall have no responsibility or obligation
with respect to (i) the accuracy of the records of DTC, Cede & Co. or any participant with respect to any
beneficial ownership interest in the Series 2016A-2 Bonds, (ii) the delivery to any participant, any beneficial
owner or any other person, other than DTC, of any notice with respect to the Series 2016A-2 Bonds,
including any notice of redemption, or (iii) the payment to any participant, any beneficial owner or any
other person, other than DTC, of any amount with respect to the principal or Redemption Price of, or interest
on, the Series 2016A-2 Bonds. The Trust and any Fiduciary may treat as, and deem DTC to be, the absolute
owner of each Series 2016A-2 Bond for the purpose of payment of the principal or Redemption Price of,
and interest on, each such Series 2016A-2 Bond, for the purpose of giving notices of redemption and other
matters with respect to such Series 2016A-2 Bonds, for the purpose of registering transfers with respect to
such Series 2016A-2 Bonds and for all other purposes whatsoever. The Paying Agent shall pay all principal
or Redemption Price of, and interest on, the Series 2016A-2 Bonds only to or upon the order of DTC, and
all such payments shall be valid and effective to fully satisfy and discharge the Trust’s obligations with
respect to the principal or Redemption Price of, and interest on, the Series 2016A-2 Bonds to the extent of
the sum or sums so paid. No person other than DTC shall receive a Series 2016A-2 Bond evidencing the
obligation of the Trust to make payments of principal or Redemption Price of, and interest on, the Series
2016A-2 Bonds pursuant to this Bond Resolution. Upon delivery by DTC to the Trustee of written notice
to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to
the transfer provisions hereof, the term “Cede & Co.” in this Bond Resolution shall refer to such new
nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to the Series
2016A-2 Bonds at any time by giving written notice to the Trust and the Fiduciaries and discharging its
responsibilities with respect thereto under applicable law.

(b) The Trust, in its sole discretion and without the consent of any other person, may
terminate the services of DTC with respect to the Series 2016A-2 Bonds if the Trust so determines, and
shall terminate the services of DTC with respect to the Series 2016A-2 Bonds upon receipt by the Trust and
the Fiduciaries of written notice from DTC to the effect that DTC has received written notice from
participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less
than fifty percent (50%) of the aggregate principal amount of the then Outstanding Series 2016A-2 Bonds
to the effect that: (i) DTC is unable to discharge its responsibilities with respect to the Series 2016A-2
Bonds; or (ii) a continuation of the requirement that all of the Outstanding Series 2016A-2 Bonds be
registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is
not in the best interest of the beneficial owners of the Series 2016A-2 Bonds.

(c) Upon the termination of the services of DTC with respect to the Series 2016A-2
Bonds pursuant to subsection 2.05(3)(b)(ii) hereof, or upon the discontinuance or termination of the services
of DTC with respect to the Series 2016A-2 Bonds pursuant to subsection 2.05(3)(a) or subsection
2.05(3)(b)(i) hereof after which no substitute securities depository willing to undertake the functions of
DTC hereunder can be found which, in the opinion of the Trust, is willing and able to undertake such
functions upon reasonable and customary terms, the Series 2016A-2 Bonds shall no longer be restricted to
being registered in the registration books kept by the Trustee in the name of Cede & Co. as nominee of
DTC, but may be registered in whatever name or names Bondholders transferring or exchanging Series
2016A-2 Bonds shall designate, in accordance with the provisions of Article II hereof.

4. Notwithstanding any other provision of this Bond Resolution to the contrary, so long as
any Series 2016A-2 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with
respect to the principal or Redemption Price of, and interest on, such Series 2016A-2 Bond and all notices
with respect to such Series 2016A-2 Bond shall be made and given, respectively, to DTC as provided in the
representation letter of the Trust and the Trustee addressed to DTC with respect to the Series 2016A-2 Bonds.

5. In connection with any notice or other communication to be provided to Bondholders pursuant to this Bond Resolution by the Trust or the Trustee with respect to any consent or other action to be taken by Bondholders, the Trust or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.
ARTICLE III

GENERAL TERMS AND PROVISIONS OF BONDS

SECTION 3.01. Medium of Payment; Form and Date; Letters and Numbers.

1. The Bonds shall be payable, with respect to interest and principal or Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

2. The Bonds of each Series shall be issued only in the form of fully registered Bonds without coupons in denominations of, subject to the denominations required by Section 2.03(3) and 2.05(2) hereof with regard to the initial denominations of the Series 2016A-2 Bonds, $5,000 or any whole multiple thereof. The Bonds of each Series shall be in substantially the form set forth in Section 14.01 or substantially in the form set forth in the Supplemental Resolution authorizing such Series.

3. Each Bond shall be lettered and numbered as provided in this Bond Resolution or the Supplemental Resolution providing for the issuance of the Series of which such Bond is a part and so as to be distinguished from every other Bond.

Bonds of each Series issued on the date of original issuance shall be dated and bear interest from the date set forth in this Bond Resolution or the Supplemental Resolution authorizing such Series of Bonds. Bonds of each Series issued after the date of original issuance shall be dated as of the date of authentication thereof by the Trustee. Interest on each Bond shall be payable from the most recent Interest Payment Date next preceding the date of authentication of such Bond to which interest has been paid, unless the date of authentication of such Bond is an Interest Payment Date to which interest has been paid, in which case interest shall be payable from such Interest Payment Date, or unless the date of such Bond is prior to the first Interest Payment Date on the Bonds, in which case interest shall be payable from the earliest date on which interest shall have accrued on the Bonds, or unless the date of such Bond is between the Record Date and the next succeeding Interest Payment Date, in which case interest shall be payable from such Interest Payment Date.

4. The interest on, and principal or Redemption Price, if any, of, each Series of Bonds shall be payable as provided in this Bond Resolution or Supplemental Resolution relating to such Series of Bonds.

SECTION 3.02. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Bond Resolution as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, the Act, or otherwise, as may be determined by the Trust prior to the authentication and delivery thereof.

SECTION 3.03. Execution and Authentication.

1. The Bonds shall be executed in the name of the Trust by the manual or facsimile signature of the Chairman or other Authorized Officer of the Trust, and its corporate seal (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced thereon and attested by the manual or facsimile signature of the Secretary or Assistant Secretary or other Authorized Officer of the Trust, or in such other manner as may be required or permitted by law. In case any one or more of the Authorized Officers of the Trust who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been authenticated and delivered by the Trustee, such Bonds may,
nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond of a Series may be signed and sealed on behalf of the Trust by such persons who at the time of the execution of such Bonds shall be duly authorized or shall hold the proper office in the Trust, although at the date borne by the Bonds of such Series such persons may not have been so authorized or have held such office.

2. The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in this Bond Resolution or in the Supplemental Resolution authorizing such Series of Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under this Bond Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Trust shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under this Bond Resolution and that the Holder thereof is entitled to the benefits of this Bond Resolution.

SECTION 3.04. Transfer and Registry.

1. Each Bond shall be transferable only upon the books of the Trust, which shall be kept for that purpose at the Principal Office of the Trustee, by the Holder thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Holder or his duly authorized attorney. Upon the transfer of any such Bond the Trust shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and Series and maturity as the surrendered Bond.

2. The Trust and each Fiduciary may deem and treat the person in whose name any Bond shall be registered upon the books of the Trust as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on, such Bond and for all other purposes, and all such payments so made to any such Holder or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Trust nor any Fiduciary shall be affected by any notice to the contrary. The Trust agrees to indemnify and save each Fiduciary harmless from and against any and all loss, cost, charge, expense (including legal fees), judgment or liability incurred by it, acting in good faith and without negligence under this Bond Resolution, in so treating such Holder, and that such indemnity shall survive the payment of the Bonds and the discharge of this Bond Resolution.

SECTION 3.05. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Trust shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Bond Resolution. All Bonds surrendered in any such exchange or transfer shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the Trust or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer. Neither the Trust nor the Trustee shall be required (a) to transfer or exchange Bonds for a period beginning on the Record Date next preceding an Interest Payment Date for the Bonds and ending on such Interest Payment Date, or for a period of fifteen (15) days (or such lesser period as may be specified in a Supplemental Resolution for a particular Series of Bonds) next preceding the date (as determined by the Trustee) of any selection of Bonds to be redeemed or thereafter until after the mailing of any notice of redemption; or (b) to transfer or exchange any Bonds called or tendered for redemption.

SECTION 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Trust shall execute, and thereupon the Trustee shall authenticate
and deliver, a new Bond of like Series, maturity and principal amount as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence satisfactory to the Trust and the Trustee that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Trust and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Trust and the Trustee may prescribe and paying such expenses as the Trust and Trustee may incur. All mutilated Bonds so surrendered to the Trustee shall be canceled by it. Any such new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Trust, whether or not the Bonds so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by, and entitled to equal and proportionate benefits with all other Bonds issued under this Bond Resolution in, any moneys or securities held by the Trust or any Fiduciary for the benefit of the Bondholders.

SECTION 3.07. Temporary Bonds.

1. Until the definitive Bonds of any Series are prepared, the Trust may execute, in the same manner as is provided in Section 3.03, and upon the request of the Trust, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Trust at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds, the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, definitive Bonds of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to this Bond Resolution.

2. All temporary Bonds surrendered in exchange either for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

SECTION 3.08. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with all Bonds purchased by the Trustee, shall thereupon be promptly canceled. Bonds so canceled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be filed with the Trust and the other executed certificate shall be retained by the Trustee.
ARTICLE IV
REDEMPTION OF BONDS PRIOR TO MATURITY

SECTION 4.01. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to this Bond Resolution shall be redeemable, upon notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms in addition to the terms contained in this Article IV as may be specified in this Bond Resolution and the Supplemental Resolution authorizing such Series of Bonds. In order to redeem prior to maturity Bonds which are registered in the name of Cede & Co., the Redemption Price plus accrued interest thereon shall be deposited with the Trustee in immediately available funds not later than 11:00 a.m., New York City time, on the redemption date.

SECTION 4.02. Optional and Mandatory Sinking Fund Redemption.

1. The Series 2016A-2 Bonds shall be subject to optional redemption and mandatory sinking fund redemption in accordance with the provisions of this Bond Resolution, including, without limitation, Sections 2.03(5) and (6), respectively, hereof.

2. In the case of any redemption of Bonds at the election or direction of the Trust, the Trust shall give written notice to the Trustee of its election or direction to so redeem, of the redemption date, and of the principal amounts of the Bonds of each maturity to be redeemed (which maturities and principal amounts thereof to be redeemed shall be determined by the Trust in its sole discretion, subject to any limitations with respect thereto contained in this Bond Resolution). Such notice shall be given at least fifty (50) days prior to the redemption date or such shorter period as shall be agreed to in writing by the Trustee. In the event notice of redemption shall have been given as provided in Section 4.05, the Trust shall pay or require the Applicable Borrower to pay to the Trustee on or prior to the redemption date an amount in cash which, in addition to other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, all of the Bonds to be redeemed.

SECTION 4.03. Redemption Otherwise than at Trust’s Election or Direction. Whenever by the terms of this Bond Resolution the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the Trust, the Trustee shall select the Bonds to be redeemed, give the notice of redemption as provided in Section 4.05 and pay out of moneys available therefor the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, to the Paying Agent in accordance with the terms of this Article IV and, to the extent applicable, Article V hereof.

SECTION 4.04. Selection of Bonds to Be Redeemed. If less than all of the Bonds of like maturity shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee shall determine; provided, however, that the portion of any Bond of a denomination of more than $5,000 to be redeemed shall be in the principal amount of $5,000 or an integral multiple thereof, and that, in selecting Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by the minimum denomination in which Bonds of such Series are authorized to be outstanding after the redemption date.

SECTION 4.05. Notice of Redemption. When Bonds of a Series have been selected for redemption pursuant to any provision of this Bond Resolution, the Trustee shall give written notice of the redemption of such Bonds in the name of the Trust at the times specified in the second paragraph of this Section, which notice shall set forth: (i) the Series of the Bonds to be redeemed, (ii) the date fixed for redemption, (iii) the Redemption Price to be paid, (iv) that such Bonds will be redeemed at the Principal
Office of the Paying Agent, (v) if less than all of such Bonds shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed, (vi) in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed, and (vii) except with respect to a mandatory sinking fund redemption, that such redemption is conditioned upon there being on deposit with the Trustee on the date designated for redemption moneys sufficient for the payment of the Redemption Price and the accrued interest to the redemption date. Such notice shall further state that on the redemption date there shall become due and payable the Redemption Price of all Bonds to be redeemed, together with interest accrued to the redemption date, and that, from and after such date, interest thereon shall cease to accrue. In case any Bond is to be redeemed in part only, the notice of redemption that relates to such Bond shall state also that on or after the redemption date, upon surrender of such Bond, the Holder thereof shall be entitled to a new Bond or Bonds of the same Series, bearing interest at the same rate and in aggregate principal amount equal to the unredeemed portion of such Bond.

The notice required to be given by the Trustee pursuant to this Section shall be sent by first class mail to the registered owners of the Bonds to be redeemed, at their addresses as they appear on the Bond registration books of the Trust, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date. The failure to give notice of the redemption of any Bond or portion thereof to the registered owner of such Bond as herein provided shall not affect the validity of the proceedings for the redemption of any Bonds for which notice of redemption has been given in accordance with the provisions of this Section.

SECTION 4.06. Payment of Redeemed Bonds. On the date designated for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions of Bonds called for redemption shall become and be due and payable at the Redemption Price provided for redemption of such Bonds or such portions thereof on such date and, if upon presentation and surrender moneys for the payment of the Redemption Price and the accrued interest to the redemption date are held in a separate account by the Trustee in trust for the holders of such Bonds, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof shall cease to be entitled to any benefit or security under this Bond Resolution and the Holders of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of the Redemption Price thereof and the accrued interest thereon and, to the extent provided in Section 4.07 hereof, to receive Bonds for any unredeemed portions of Bonds.

SECTION 4.07. Redemption of Portions of Bonds. In case part but not all of an Outstanding Bond shall be selected for redemption, upon presentation and surrender of such Bond to the Paying Agent for payment of the principal amount thereof so called for redemption and accrued interest thereon on or after the redemption date, the Trust shall execute and the Trustee shall authenticate and deliver to or upon the order of the registered owner thereof or his attorney or legal representative, without charge therefor, a Bond or Bonds of the same Series bearing interest at the same rate and of any denomination or denominations authorized by this Bond Resolution in aggregate principal amount equal to the unredeemed portion of such Bond.

SECTION 5.02. Project Fund.

1. There shall be established within the Project Fund a separate Project Loan Account in favor of each Borrower to which a Loan is to be made pursuant to a Loan Agreement.

2. Such Certificate shall also state (X) that the proceeds of the Loan have been fully disbursed to the extent allowed by the Regulations, (Y) if any moneys remain on deposit in the Project Loan Account, set forth a schedule indicating when and how much of the remaining moneys are to be transferred to the Debt Service Fund and applied as a credit against and considered as Trust Bond Loan Repayments due from the respective Borrower in whose favor the Project Loan Account was established, and (Z) with respect to clause (B) above, and notwithstanding the provisions hereof to the contrary, whether the Trust shall implement a redemption of Bonds pursuant to the terms hereof, which redemption shall be implemented to the extent provided by the terms of Section 3.03A and/or Section 3.07 of the Applicable Borrower’s respective Loan Agreement.

If any moneys that constitute Net Earnings in the Project Loan Account remain on deposit in the Project Loan Account after such initial transfer to the Debt Service Fund, such Certificate shall also set forth a schedule indicating when and how much of the remaining moneys that constitute Net Earnings in the Project Loan Account are to be transferred to the Debt Service Fund and applied as a credit against and considered as Trust Bond Loan Repayments due from the respective Borrower in whose favor the Project Loan Account was established.

(iii) The Trust shall file the Certificate ordering the transfer referred to in Section 5.02(4)(c) above when the Trust has been notified that (A) all of the contracts for completion of the respective Borrower’s Project must have been awarded, (B) the low bid building cost must have been established by the Department and any dispute between the Department and the Borrower regarding same must be settled, (C) the Project must be sufficiently completed such that the Department has authorized the Borrower to commence operation of the Borrower’s Project and (D) the last date of the original draw schedule set forth in Exhibit C to the Borrower’s Loan Agreement has passed. If any moneys that constitute all or a portion of the original principal amount deposited in any such Project Loan Account in accordance with Section 2.03(7)(e) hereof remain on deposit in the Project Loan Account, such Certificate shall also set forth a schedule indicating when and how much of the remaining moneys that constitute all or a portion of the original principal amount deposited in any such Project Loan Account in accordance with Section 2.03(7)(e) hereof are to be transferred to the Debt Service Fund and applied as a credit against and considered as Trust Bond Loan Repayments due from the respective Borrower in whose favor the Project Loan Account was established.

(iv) The Trustee shall transfer from the Project Loan Accounts to the SRF Account or the non-SRF Account of the Debt Service Fund, as applicable, the amounts contained in any such Certificate of the Trust at the times indicated therein.

5. No disbursement from the respective Project Loan Account shall be made by the Trustee unless the Borrower has complied with each provision of Section 3.02 of the respective Loan Agreement.

SECTION 5.03. Operating Expense Fund.

1. There shall be established within the Operating Expense Fund a Costs of Issuance Account and an Administrative Fee Account.

2. In addition to the amounts deposited in the Costs of Issuance Account from the proceeds of the Series 2016A-2 Bonds pursuant to Section 2.03(7)(b), there shall be deposited in the Costs of Issuance Account from the proceeds of each Series of Refunding Bonds, the amounts set forth for deposit therein pursuant to the Supplemental Resolutions authorizing the issuance of each such Series of Refunding Bonds.

3. The Trust shall make payments from the Costs of Issuance Account and, if necessary, from its funds and accounts not subject to the pledge and lien of this Bond Resolution, in the amounts, at the times, in the manner and on the other terms and conditions as the Trust shall determine to be fair and reasonable in the payment of the particular items of the Costs of Issuance relating to the issuance of a particular Series of Bonds and, in the case of the Series 2016A-2 Bonds, in accordance with the provisions of the Tax Certificate. Upon the payment of all Costs of Issuance as evidenced by a Certificate of an Authorized Officer of the Trust to such effect, the amounts remaining in the Costs of Issuance Account, if any, shall be transferred (i) to the Debt Service Fund and deposited into the Interest Account thereof to pay
the interest and to the extent available therefor, deposited in the Principal Account thereof to pay the principal of the Bonds due and owing on the immediately succeeding Interest Payment Date, in which case such amounts shall be credited to the Trust Bond Loan Repayments of Borrowers in the percentages set forth on Schedule I-B attached hereto, or (ii) as otherwise set forth in a Certificate of an Authorized Officer of the Trust.

4. The Trustee shall deposit in the Administrative Fee Account the Administrative Fees received by the Trustee on behalf of the Trust pursuant to the Loan Agreements. The Trustee shall deposit in the Administrative Fee Account from time to time to pay the operating expenses of the Trust; provided, however, that in any Bond Year the moneys on deposit in the Administrative Fee Account shall be applied by the Trust in satisfaction of the operating expenses of the Trust arising under this Bond Resolution in such Bond Year before such moneys may be applied in satisfaction of the other operating expenses of the Trust arising in such Bond Year.

SECTION 5.04. Revenues. The Trustee shall, as agent for the Trust and the State, perform the following duties and services:

1. The Trustee shall collect from each Borrower all required Trust Bond Loan Repayments, State Loan Repayments, Administrative Fee payments and State Administrative Fee payments, when due, in the amounts and at the times established by the Trust in a Certificate of an Authorized Officer of the Trust. The Trust shall use its best efforts to provide such Certificate to the Trustee no less than sixty (60) days prior to the date on which any such payments are due and payable. In collecting such payments from each Borrower, the Trustee shall rely exclusively upon such Certificate of an Authorized Officer of the Trust. To the extent the Trustee deems it necessary or appropriate, the Trustee may, and is hereby authorized to, establish a Clearing Account for the purpose of administering the collection of such payments. The Trustee hereby acknowledges that (a) all amounts so collected shall be collected by the Trustee on behalf of, and for the benefit of, the Trust and the State, to the extent of their respective interests therein, (b) in making such collections, the Trustee acts as an agent for the Trust and the State, to the extent of their respective interests therein, (c) all amounts so collected by the Trustee are the property of the Trust and the State, to the extent of their respective interests therein, and not of the Trustee, (d) all such amounts, when received by the Trustee, are deemed to be received by the Trust and the State, to the extent of their respective interests therein, determined in accordance with paragraph (3) below, and (e) the amounts deemed received by the Trust as Trust Bond Loan Repayments and by the State as State Loan Repayments, to the extent deposited in accordance with paragraph (3) below, are, immediately upon deposit therein, deemed to be Revenues, and are included in the Trust Estate established and pledged as security for the Series 2016A-2 Bonds under this Bond Resolution.

2. Promptly after collection of each Trust Bond Loan Repayment, State Loan Repayment, Administrative Fee payment, State Administrative Fee payment or other required payment from a Borrower, the Trustee shall credit such Borrower with each of the respective sums collected. Moneys received from each Borrower with respect to a particular payment date shall be credited, first, to the payment then due (other than the Administrative Fee payment) under the Loan Agreement, second, to the Administrative Fee payment then due under the Loan Agreement, third, to the payment then due (other than the State Administrative Fee payment, if any) under the State Loan Agreement, and, fourth, to the State Administrative Fee payment, if any, then due under the State Loan Agreement.

3. Promptly after crediting each Borrower pursuant to the order of priority established under paragraph (2) above for the moneys received from each Borrower with respect to a particular payment date, the Trustee shall deposit the sums collected in the accounts established for such payments in the following order of priority of such deposits and the required amounts of such deposits:
(a) First, (i) into the Trust Bond Loan Repayments Account within the Revenue Fund established under this Bond Resolution, a sum or sums from moneys credited as Trust Bond Loan Repayments equal to the amount required for the next immediate debt service payment date for the Series 2016A-2 Bonds, and (ii) into the State Loan Repayments Account within the Revenue Fund established under this Bond Resolution, all moneys credited as State Loan Repayments,

(b) Upon depositing the required amounts pursuant to paragraph (3)(a) above, into the Administrative Fee Account in the Operating Expense Fund established under this Bond Resolution, all moneys credited as Administrative Fee payments only then due to the Trust from each Borrower pursuant to its respective Loan Agreement;

(c) (i) If, upon depositing the required amounts pursuant to paragraphs (3)(a) and (3)(b), above, the amounts on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund, and on the date that is three (3) Business Days prior to the next immediate debt service payment date for the Series 2016A-2 Bonds, are not sufficient to make all of the payments due with respect to the Bonds on such date, then the Trustee shall transfer immediately from the State Loan Repayments Account within the Revenue Fund to the Trust Bond Loan Repayments Account within the Revenue Fund an amount equal to the difference between the amount on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund and the amount required to make all of the payments due to the next immediate debt service payment date for the Series 2016A-2 Bonds;

(ii) If, upon depositing the required amounts pursuant to paragraphs (3)(a) and (3)(b), above and after giving effect to any transfers required by paragraph 3(c)(i) above, the amounts on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund are sufficient to make all of the payments due with respect to the Bonds on such date, then the Trustee shall transfer immediately to the Master Program Trustee for deposit in the Master Program Trust Account from moneys on deposit in the State Loan Repayments Account within the Revenue Fund and credited as State Loan Repayments only corresponding to the next immediate debt service payment date for the Series 2016A-2 Bonds, for disbursement in accordance with the terms and conditions of the Master Program Trust Agreement;

(d) Upon depositing and/or transferring the required amounts pursuant to paragraphs (3)(a), (3)(b) and (3)(c), above, to the State all moneys credited as State Administrative Fee payments only, if any, then due to the State from each Borrower pursuant to its respective State Loan Agreement; and

(e) Upon depositing the required amounts pursuant to paragraphs (3)(a), (3)(b), (3)(c) and (3)(d), above, into the applicable Account within the Revenue Fund all remaining moneys, if any, credited as Loan Repayments, to be applied in satisfaction of the amounts next required to be disbursed as provided under this paragraph (3) in the sequence and manner established pursuant to this paragraph (3).

In making the deposits required by the provisions of this subsection (3), the Trustee shall rely exclusively upon a Certificate of an Authorized Officer of the Trust, which Certificate shall be provided to the Trustee by the Trust simultaneously with the provision by the Trust to the Trustee of the Certificate required by the provision of subsection (1) of this Section 5.04.

4. If a payment of amounts due under a Loan Agreement or a State Loan Agreement is not received on or before the required payment date, the Trustee shall notify the Borrower and, if applicable,
the trustee under the Borrower Bond Resolution (as such term is defined in the Loan Agreement) in writing on the first Business Day after such payment date that the payment is past due. A copy of said notice shall be provided at the same time to the Trust and the State. If a payment is not received from the Borrower within ten days of the date when such payment is due, the Trustee shall promptly notify the Trust and the State in writing.

5. The Trustee shall promptly notify the Trust, the Borrower and, if applicable, the trustee under the Borrower Bond Resolution in writing if the moneys received from the Borrower pursuant to paragraph (2) of this Section 5.04 with respect to a particular payment date are insufficient to satisfy in full the Trust Bond Loan Repayments and Administrative Fee payments then due under the Loan Agreement. The Trustee shall promptly notify the Trust, the State, the Borrower and, if applicable, the trustee under the Borrower Bond Resolution in writing if the moneys received from the Borrower pursuant to paragraph (2) of this Section 5.04 with respect to a particular payment date are insufficient to satisfy in full the State Loan Repayments and State Administrative Fee payments then due under the State Loan Agreement. The Trustee, pursuant to Section 5.07(2) of this Bond Resolution, shall also notify the Trust and the State that a Trust Bond Loan Repayment deficiency cannot be satisfied from Loan Repayments deposited pursuant to Section 5.04(3)(a) hereof.

6. In connection with the obligation of the Trustee pursuant to subsections (4) and (5) of this Section 5.04 to provide written notice to a trustee under a Borrower Bond Resolution, the Trust shall use its best efforts to maintain on file with the Trustee a list of such trustees, with relevant address and contact information included in such list. However, the failure of the Trust to provide such list to the Trustee shall not relieve the Trustee of the obligation to provide the written notice to such a trustee pursuant to the provisions of subsections (4) and (5) of this Section 5.04.

SECTION 5.05. Revenue Fund.

1. On or prior to each Interest Payment Date, the Trustee shall transfer from amounts in the SRF Account and the non-SRF Account of the Trust Bond Loan Repayments Account within the Revenue Fund to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund, the amount which, together with the amounts, if any, already on deposit in such subaccounts of the Interest Account (other than Net Earnings on amounts that have been received in the Interest Account since the immediately preceding Interest Payment Date) and the amounts, if any, on deposit in the Capitalized Interest Account and designated for use on such Interest Payment Date pursuant to this Bond Resolution or a Supplemental Resolution, is equal in the aggregate to the interest due and payable on the Bonds on such Interest Payment Date.

3. On or prior to each redemption date, other than a Sinking Fund Installment due date, the Trustee shall transfer from moneys on deposit in the SRF Account and the non-SRF Account of the Trust Bond Loan Repayments Account within the Revenue Fund (i) to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Redemption Account in the Debt Service Fund an amount equal in the aggregate to the Redemption Price due and payable on all Bonds to be redeemed on such redemption date
and (ii) to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund an amount equal in the aggregate to the interest accrued and not paid and to accrue on such Bonds to such redemption date. Money received from a Borrower prior to September 1, 2027 that represents a prepayment of its Loan as allowed under its respective Loan Agreement shall be held in the accounts set forth in a Certificate of an Authorized Officer of the Trust prior to September 1, 2027, the first optional redemption date.

4. All Revenues representing repayments made pursuant to the second paragraph of Section 3.04 of any Loan Agreement for the replenishment of the Debt Service Reserve Fund shall be immediately transferred by the Trustee for deposit to the SRF Account or the non-SRF Account, as applicable, of the Debt Service Reserve Fund.

5. The Trustee shall keep records and accounts with respect to the Revenue Fund. Such records shall be in such format so that all amounts received by the Trustee from the Borrowers under the Loan Agreements can be properly designated as interest or principal payments on the Loans, other than amounts payable under the Loan Agreements or Net Earnings attributable to such amounts.

SECTION 5.06. Debt Service Fund.

1. On each Interest Payment Date and each redemption date, the Trustee shall withdraw from the Capitalized Interest Account, if so designated, and the Interest Account in the Debt Service Fund amounts equal in the aggregate to the interest due on the Bonds on such Interest Payment Date or redemption date, which moneys shall be paid by the Paying Agent in accordance with Section 3.01 hereof.

3. On each redemption date, other than a Sinking Fund Installment due date, the Trustee shall make available to the Paying Agent from moneys in the Redemption Account an amount equal to the Redemption Price of the Bonds to be redeemed on such redemption date, which moneys shall be applied by the Paying Agent to the payment of such Redemption Price.

SECTION 5.07. Debt Service Reserve Fund.

1. Each Rating Agency that has been requested by the Trust to publish a rating for the Series 2016A-2 Bonds has determined that such Rating Agency shall assign to the Series 2016A-2 Bonds, upon the issuance thereof, the highest rating assigned to any such debt instruments by such Rating Agency notwithstanding the fact that the Debt Service Reserve Requirement with respect to the Series 2016A-2 Bonds is equal to $0.00. Therefore, in accordance with the last sentence of the definition of “Debt Service Reserve Requirement” set forth in Section 1.01 of this Resolution, the Debt Service Reserve Requirement with respect to the Series 2016A-2 Bonds pursuant to the terms of this Resolution shall be equal to $0.00 during the entire period during which the Series 2016A-2 Bonds remain Outstanding. To the extent any moneys are on deposit in the Debt Service Reserve Fund, with respect to Refunding Bonds or otherwise, such moneys shall be applied solely as provided in this Section.

2. Whenever a Borrower shall notify the Trust or the Trustee in writing, or whenever the Trust or Trustee shall determine, that a Borrower is deficient in the payment of a Trust Bond Loan Repayment and that such deficiency cannot be satisfied from other Loan Repayments, State Loan Repayments or other amounts payable thereunder that have been transferred to the Revenue Fund or the
Debt Service Fund and that such deficiency cannot be satisfied from amounts payable by the Master Program Trustee from amounts on deposit in the Master Program Trust Account (and all Subaccounts as defined therein) in accordance with the terms of the Master Program Trust Agreement, the Trustee shall transfer from the SRF Account or non-SRF Account, as applicable, of the Debt Service Reserve Fund on the Interest Payment Date or maturity date or Sinking Fund Installment due date, as the case may be, the amount of such deficiency to the appropriate account in the Debt Service Fund; provided, however, that the Trustee may only transfer such amount which, when added to the difference between (i) all prior transfers made from the Debt Service Reserve Fund as a result of deficient Trust Bond Loan Repayments by said Borrower and (ii) all repayments made by, or on behalf of, the Borrower pursuant to the second paragraph of Section 3.04 of the Applicable Loan Agreement, does not exceed said Borrower’s pro rata share of the Debt Service Reserve Fund. A Borrower’s pro rata share of the Debt Service Reserve Fund shall be an amount equal to the product of: (a) the Debt Service Reserve Requirement and (b) said Borrower’s Allocable Share as set forth on Schedule I attached hereto.

3. Whenever the Trustee is notified by the Trust that the amount, if any, in the Debt Service Reserve Fund funded with Bond proceeds and allocable to any Reserve Capacity Borrower, together with the amount in the Debt Service Fund allocable to any such Reserve Capacity Borrower, is sufficient to pay in full all Outstanding Bonds allocable to any such Reserve Capacity Borrower in accordance with their terms (including principal or applicable sinking fund Redemption Price and interest thereon), the Trustee shall transfer such amount on deposit in the Debt Service Reserve Fund funded with Bond proceeds and allocable to any such Reserve Capacity Borrower to the Debt Service Fund to be applied as a credit to the final Trust Bond Loan Repayments of any such Reserve Capacity Borrower.

4. After any transfer made pursuant to Section 5.07(3) herein and upon the cancellation of all Series 2016A-2 Bonds and any Refunding Bonds in accordance with Section 3.08 hereof, the Trustee shall transfer all amounts in the Debt Service Reserve Fund, if any, to the Trust for application by the Trust in accordance with the Act and any other applicable law for any of the Trust’s corporate purposes allowed thereby.

5. (a) Whenever any Reserve Capacity Borrower that is no longer paying the Interest Portion payable by said Reserve Capacity Borrower from the Capitalized Interest Account of the Debt Service Fund that is allocable to said Reserve Capacity Borrower, if applicable, has paid or prepaid its loan in full (less only the portion of the Debt Service Reserve Fund that is funded with Bond proceeds allocable to such Reserve Capacity Borrower) in accordance with all of the terms of its Loan Agreement (including, without limitation, obtaining the Trust’s consent to any such prepayment, where applicable), the Trust shall notify the Trustee (i) of the Trust’s consent to such prepayment, where applicable, and (ii) that the amount in the Debt Service Reserve Fund funded with moneys other than Bond proceeds allocable to any such Reserve Capacity Borrower shall be transferred to the Trust for any of its lawful corporate purposes pursuant to the instructions of a Certificate of an Authorized Officer of the Trust. The portion of the Debt Service Reserve Fund that is funded with Bond proceeds allocable to such Reserve Capacity Borrower shall be transferred (i) to the Debt Service Fund for redemption or payment of the Bonds attributable to such Borrower’s Loan or (ii) in accordance with a Certificate of an Authorized Officer of the Trust to effect the defeasance of Bonds attributable to such Borrower’s Loan in accordance with Article XII hereof, in either case to be applied (along with the Net Earnings thereon) as a credit to the final Trust Bond Loan Repayments of such Reserve Capacity Borrower. Prior to any such transfer described herein, investments held in the Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the transfer described herein.

(b) Whenever any Borrower that is not a Reserve Capacity Borrower and that is no longer paying the Interest Portion payable by said Borrower from the Capitalized Interest Account of the Debt Service Fund that is allocable to said Borrower, if applicable, has paid or prepaid its loan in full in
accordance with all of the terms of its Loan Agreement (including, without limitation, obtaining the Trust’s consent to any such prepayment, where applicable), the Trust shall notify the Trustee (i) of the Trust’s consent to such prepayment, where applicable, and (ii) that the amount in the Debt Service Reserve Fund allocable to any such Borrower shall be transferred to the Trust for any of its lawful corporate purposes pursuant to the instructions of a Certificate of an Authorized Officer of the Trust. Prior to any such transfer described herein, investments held in the Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the transfer described herein.

6. Whenever the Trustee determines that the amount of money in the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement on September 1 on any valuation date, such excess money shall be transferred to the Trust for application by the Trust in accordance with the Act and any other applicable law for any of the Trust’s corporate purposes allowed thereby.

7. Investment of the Debt Service Reserve Fund shall be valued every ten (10) years, at the market value thereof, exclusive of accrued interest. Notwithstanding anything to the contrary in Section 5.10 hereof, if a decline in the market value of securities on deposit in the Debt Service Reserve Fund causes the marked to market amount on deposit in the Debt Service Reserve Fund to be below the Debt Service Reserve Requirement, such deficiency shall be restored by retaining all or a portion of each Borrower’s Allocable Share of Net Earnings thereon until the Debt Service Reserve Requirement has been met. When and to the extent market conditions change thereafter, any such retained Net Earnings (and not the corpus of the Debt Service Reserve Fund) not needed to satisfy the Debt Service Reserve Requirement shall be credited to the Trust Bond Loan Repayments of the Borrowers in accordance with their Allocable Share as set forth in Section 5.10 hereof. Investments purchased with funds on deposit in the Debt Service Reserve Fund shall have a term to maturity of not greater than ten (10) years.

SECTION 5.08. General Fund. On the first day of each Bond Year beginning September 1, 2017, the Trustee shall deposit in the SRF Account and non-SRF Account, as applicable, of the General Fund all moneys then remaining in the Trust Bond Loan Repayments Account within the Revenue Fund except for those moneys identified as credits under Section 5.10 hereof to be transferred to the Interest Account on the second day of such Bond Year; provided, however, that (i) to the extent such date is a valuation date, the moneys then on deposit in the Debt Service Reserve Fund shall be at least equal to the Debt Service Reserve Requirement, (ii) all transfers from the Trust Bond Loan Repayments Account within the Revenue Fund required pursuant to subsections (1), (2), (3) and (4) of Section 5.05 shall have been made, and (iii) all funds required to be on deposit in the Revenue Fund pursuant to Section 5.05(2) are on deposit in the Revenue Fund. Moneys on deposit in the General Fund that shall not be required to be transferred to the Interest Account in the Debt Service Fund pursuant to Section 5.10 may be applied by the Trust, upon written requisition from the Trust to the Trustee, in accordance with the Act and, in the case of proceeds of the Series 2016A-2 Bonds, the Tax Certificate, for any of its corporate purposes. Such requisition shall state that the Trust is requesting such moneys pursuant to the provisions of this Section 5.08.

SECTION 5.09. Moneys to Be Held in Trust. All moneys required to be deposited with or paid to the Trustee or the Paying Agent for the account of any fund or account established under any provision of this Bond Resolution for the Bonds in accordance with this Bond Resolution, other than the Project Loan Account in the Project Fund, the Operating Expense Fund, and the Rebate Fund, shall be held by the Trustee or the Paying Agent, as the case may be, in trust for the Holders of the Bonds and shall constitute part of the Trust Estate while held by the Trustee or the Paying Agent; provided, however, that moneys deposited with or held by the Trustee or the Paying Agent for the redemption of Bonds on or after the redemption date of such Bonds, or for the payment of the Redemption Price of or interest on Bonds on or after the date on which such amounts shall have become due shall be held and applied solely for the redemption or payment of the Redemption Price of or the payment of the interest on such Bonds.
SECTION 5.10. Investments.

1. Generally. All moneys in any of the Funds and Accounts created under this Bond Resolution, other than the Operating Expense Fund and the Accounts established therein, shall be invested by the Trustee as directed by an Authorized Officer of the Trust in writing, subject to the further provisions of this Section. Each such direction, including, without limitation, the establishment and payment of the purchase price of any such investment, shall be consistent with then current procurement and investment policies and procedures of the Trust. The Trustee may conclusively rely upon such written direction of an Authorized Officer of the Trust as to any and all investments and as to the compliance of any investments with the procurement and investment policies and procedures of the Trust. Moneys in the Operating Expense Fund shall be invested by the Trust in accordance with the provisions of this Section.

Moneys in all Funds and Accounts created under this Bond Resolution shall be invested in Investment Securities, the principal of and interest on which are payable not later than the dates on which it is estimated that such moneys will be required hereunder, provided, however, that the Project Fund and the Accounts established therein may be invested in the State of New Jersey Cash Management Fund or other similar common trust fund for which the New Jersey State Treasurer is the custodian, in addition to investment thereof in Investment Securities.

Investment Securities acquired as an investment of moneys in any Fund or Account created under this Bond Resolution shall be credited to such Fund or Account. For the purpose of determining the amount in any Fund or Account at any time in accordance with this Bond Resolution shall be credited to such Fund or Account. For the purpose of determining the amount in any Fund or Account at any time in accordance with this Bond Resolution, all Investment Securities credited to such Fund or Account shall be valued at the lesser of amortized cost (exclusive of accrued interest) or fair market value; provided, however, that the Debt Service Reserve Fund shall be valued in compliance with the provisions of Section 5.07(7) hereof.

The Trustee may act as principal or agent in the acquisition or disposition of any Investment Securities. The Trustee shall exercise its best efforts to sell at the best price obtainable, or present for redemption, any Investment Securities to the credit of any Fund or Account created under this Bond Resolution, other than the Operating Expense Fund, the Accounts established therein and the Rebate Fund, whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from such Fund or Account, and the Trustee shall not be liable for any loss resulting from such necessary sale so made of such investments.

2. Net Earnings on the Debt Service Reserve Fund During the Capitalized Interest Period. Net Earnings from the investment of the Debt Service Reserve Fund during the capitalized interest period (from September 1, 2017 and on each Interest Payment Date through and including September 1, 20__) shall be applied as follows:

(a) **Borrowers that are Capitalizing Interest.** Commencing September 1, 2017 and on each Interest Payment Date thereafter through and including September 1, 20__, the Trustee shall transfer the amounts of Net Earnings from the investment of moneys in the Debt Service Reserve Fund set forth in Section 2.03(7)(a) of this Bond Resolution to the Capitalized Interest Account to be applied to the payment of a portion of the interest due on the Series 2016A-2 Bonds on such Interest Payment Date.

(b) **Borrowers that are not or are no Longer Capitalizing Interest.** Commencing September 1, 2017 and on each Interest Payment Date thereafter through and including September 1, 20__, the Trustee shall transfer the balance of the Net Earnings from the investment of moneys in the SRF and non-SRF portions of the Debt Service Reserve Fund respectively, to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund and apply such amounts as
credits against the Interest Portion of the Trust Bond Loan Repayment due on any such immediately succeeding Interest Payment Date from those Borrowers (being the Borrowers that are not or are no longer capitalizing interest during the capitalized interest period) in the percentages applicable to the Borrowers set forth on Schedule II-A (for SRF Borrowers) and Schedule II-B (for non-SRF Borrowers) attached hereto; provided, however, that (i) the amount to be applied as a credit for each SRF Borrower as determined in the preceding clause of this sentence shall not exceed the product of the amount of such balance of Net Earnings and a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule II-A) times the Debt Service Reserve Requirement attributable to all SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as of the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all SRF Borrowers, less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such Borrowers which have not been repaid as of the last day of such Bond Year; (ii) the amount to be applied as a credit for each non-SRF Borrower as determined above shall not exceed the product of the amount of such balance of Net Earnings and a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule II-B) times the Debt Service Reserve Requirement attributable to all non-SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as of the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all non-SRF Borrowers, less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such Borrowers which have not been repaid as of the last day of such Bond Year; and (iii) if on any valuation date the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07 (to the extent applicable during the capitalized interest period), the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement. The Trustee, simultaneously with each such transfer, shall notify the Trust in writing of all such Net Earnings so transferred. Such writings shall set forth the Net Earnings for each such fund or account created hereunder.

3. **Net Earnings on all Funds and Accounts Other than the Funds and Accounts not Subject to Transfer and Credit and Other than the Debt Service Reserve Fund During the Capitalized Interest Period.** Except as provided in the immediately preceding paragraph regarding the transfer of Net Earnings from the Debt Service Reserve Fund during the capitalized interest period, (i) all Net Earnings received in the first Bond Year from investment of moneys in any fund or account created hereunder, other than the Operating Expense Fund, the Rebate Fund, the Project Fund and the respective accounts established therein and the Capitalized Interest Account in the Debt Service Fund, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account in the Debt Service Fund on September 2, 2017; (ii) all Net Earnings received from September 2 through and including March 1 in any Bond Year thereafter from the investment of moneys in any fund or account created under this Bond Resolution, other than the funds and accounts excepted in (i) above, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account in the Debt Service Fund on March 2 of any such Bond Year; and (iii) all Net Earnings received from March 2 through and including September 1 of the next succeeding Bond Year from the investment of moneys in any fund or account created under this Bond Resolution, other than the funds and accounts excepted in (i) and (ii) above, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account in the Debt Service Fund on September 2 of any such next succeeding Bond Year. Notwithstanding the foregoing, to the extent on any valuation date the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07, the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement.
4. **Specific Borrower Credits.** The Trustee, simultaneously with each transfer contemplated by Section 5.10(2) and (3) hereof, shall notify the Trust in writing of all such Net Earnings so transferred. Such writings shall set forth the Net Earnings for each such fund or account created hereunder. The Trust will credit the Interest Portion of the immediately succeeding Trust Bond Loan Repayment due from a Borrower, and to the extent moneys are available therefor, the principal portion of such Trust Bond Loan Repayments, if any, with the Net Earnings allocable to said Borrower and notify the Borrower and the Trustee of such credit. The Net Earnings allocable to a Borrower shall be the sum of: (a) said Borrower’s pro rata share of the Net Earnings derived in accordance with Section 5.10(3) hereof from the SRF or non-SRF Subaccounts or Accounts, as applicable, of the Interest Account, the Principal Account and the Redemption Account in the Debt Service Fund, the General Fund and the Revenue Fund (i.e., all funds and accounts created hereunder other than (i) those funds and accounts listed in Section 5.05 hereof, the Net Earnings on which accounts are not subject to transfer and credit in favor of Borrower Trust Bond Loan Repayments and (ii) the Debt Service Reserve Fund, the Net Earnings on which are subject to transfer and credit during the capitalized interest period in accordance with Sections 5.10(2) and (4)(b) during the capitalized interest period and Sections 5.10(3), 4(c) and 4(d) for all other periods) in any Bond Year commencing on or after September 1, 2017, which pro rata share shall be equal to the product of: (i) such Net Earnings so derived from the SRF or non-SRF accounts of such funds or accounts, as applicable and (ii) said Borrower’s Allocable Share (as determined pursuant to Schedule I-A attached hereto); (b) during the period from the issuance of the Series 2016A-2 Bonds through and including September 1, 20__ (the capitalized interest period), said Borrower’s Net Earnings derived from the SRF or non-SRF Account, as applicable of the Debt Service Reserve Fund as set forth in Section 5.10(2) (a) (for Borrowers that are capitalizing interest) and 5.10(2)(b) for Borrowers that are not or are no longer capitalizing interest hereof; (c) after the capitalized interest period for SRF Borrowers, said Borrower’s pro rata share of the Net Earnings derived from the SRF Account of the Debt Service Reserve Fund in any Bond Year, which pro rata share shall be equal to the product of (i) such Net Earnings and (ii) a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule I-A attached hereto) times the Debt Service Reserve Requirement attributable to all SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all SRF Borrowers less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such SRF Borrowers which have not been repaid as of the last day of such Bond Year; and (d) after the capitalized interest period for non-SRF Borrowers, said Borrower’s pro rata share of the Net Earnings derived from the non-SRF Account of the Debt Service Reserve Fund in any Bond Year, which pro rata share shall be equal to the product of (i) such Net Earnings and (ii) a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule I-A attached hereto) times the Debt Service Reserve Requirement attributable to all non-SRF Borrowers less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all non-SRF Borrowers less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such non-SRF Borrowers which have not been repaid as of the last day of such Bond Year. Provided, however (with respect to (c) and (d) above), that during any valuation date in which the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07, the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement.

To the extent that an Authorized Officer of the Trust advises the Trustee in writing that the Trust has determined that the aggregate Net Earnings in all Funds and Accounts allocable to any individual
Borrower on any Interest Payment Date, as calculated by the Trust pursuant to this paragraph, are less than the lesser of (I) one-twelfth (1/12) of the Trust Bond Loan Repayments due from such Borrower during the immediately preceding Bond Year and (II) $1,000, such Net Earnings shall be retained in the Debt Service Fund unless directed by an Authorized Officer of the Trust to be credited to the Trust Bond Loan Repayment of such Borrower in accordance with this paragraph.

5. **Earnings on Funds and Accounts Not Subject to Transfer and Credit.** All Net Earnings from the investment of moneys in the Project Loan Accounts, the Capitalized Interest Account, the Rebate Fund, the Revenue Fund and the Operating Expense Fund shall be retained in and treated as part of such fund or accounts and applied in accordance with the Sections of this Bond Resolution governing such funds or accounts.

6. **Rebate Fund.** The Trust may withdraw and utilize earnings in any fund or account other than the Interest Account and the Principal Account in the Debt Service Fund to pay into the Rebate Fund held by the Trust any amounts desired by the Trust or required pursuant to the Code to be set aside for rebate or to satisfy a yield restriction requirement to the Internal Revenue Service, as outlined in the Tax Certificate or any letter of instructions referred to in Section 8.06(2) hereof; provided, however, that to the extent any such moneys and investment earnings thereon on deposit in the Rebate Fund shall not be needed for such purposes at the times so outlined, all or a portion of such moneys may be transferred by the Trustee to the General Fund upon the Trustee’s receipt of written instructions from the Trust to such effect. The Trust shall submit to the Trustee a certificate specifying the funds or accounts and the amount of earnings to be withdrawn for such purposes, and the Trustee shall be entitled to rely on each such certificate in making payments to the Trust.
ARTICLE VI

LOANS

SECTION 6.01. Terms and Conditions of Loans. The Trust shall make Loans to Borrowers for the purpose of paying a portion of the Costs of the Borrowers’ Projects from moneys available therefor in the applicable Project Loan Accounts in the Project Fund, and shall enter into Loan Agreements, in the manner, on the terms and conditions and upon submission of the documents required by this Article VI, and not otherwise.

SECTION 6.02. Form of Loan Agreement. The Loan Agreements shall be substantially in the form of Exhibit A, Exhibit B or Exhibit C hereto, as applicable, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust; provided, however, that the Loans and the Loan Agreements shall in any event conform in all material respects to the provisions of this Article VI.

SECTION 6.03. Restrictions on Loans. No Loan may be made to reimburse a Borrower for all or a portion of the Cost of a Borrower’s Project, or to refinance indebtedness or reimburse the Borrower for the repayment of indebtedness previously incurred by such Borrower to finance all or a portion of the Cost of such Borrower’s Project, unless the Borrower shall deliver to the Trust and the Trustee an opinion of Bond Counsel approved by the Trust, in form and substance satisfactory to the Trust, to the effect that such reimbursement or refinancing will not adversely affect the exclusion from gross income for federal income tax purposes of interest paid on the Bonds.

SECTION 6.04. Loan Closing Submissions. Prior to or at each Loan Closing of a Loan, the Trust and the Trustee shall have received the following documents from the Borrower receiving the Loan, failing the receipt of all of which a Borrower shall not be considered a Borrower for purposes of this Bond Resolution:

(a) an opinion or opinions of the Borrower’s Counsel substantially in the form set forth in Exhibit E to the form of Loan Agreement; provided, however, that the Trust may permit variances in such opinion from the form or substance of such Exhibit E, if such variances are not to the material detriment of the interests of the Bondholders;

(b) counterparts of the Loan Agreement executed by the parties thereto designating, among other things, SRF or non-SRF status and any other relevant term contemplated by Section 1.03 hereof;

(c) the bond evidencing the payment obligations of the Borrower under such Loan Agreement, duly executed, authenticated and delivered by such Borrower and endorsed by the Trust to the Trustee;

(d) the opinion required by Section 6.03 hereof, if applicable;

(e) copies of the resolutions or ordinances of the governing body of the Borrower authorizing the execution and delivery of such Loan Agreement and bond, certified by an Authorized Officer of the Borrower;

(f) an opinion of Counsel to the Trust that the Borrower’s Project constitutes a “Project” within the meaning of the Act and that the financing thereof by the Trust is permissible under the Act and Section 6.01 of this Resolution; and
(g) such other certificates, documents, opinions and information as the Trust or the Trustee may require.

All opinions and certificates required under this Section shall be dated the date of the Loan Closing and all such opinions shall be addressed, at a minimum, to the Trust and the Trustee.

SECTION 6.05. Trust Bond Loan Repayments. With respect to the Loans made from the proceeds of any Series of Bonds, the Trust shall establish Trust Bond Loan Repayments under the Applicable Loan Agreements in such amounts which, together with any amounts available and required to be treated as credits under this Bond Resolution, shall be sufficient to pay the principal of, prepayment premium, if any, and interest on such Series of Bonds as the same become due and payable.

SECTION 6.06. Continuing Disclosure. Prior to each Loan Closing of a Loan, the Trust, pursuant to the sole discretion of an Authorized Officer of the Trust, in consultation with Bond Counsel, general counsel and other appropriate advisors to the Trust, shall determine if any Borrower is a material “obligated person” within the meaning and for the purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission (the “SEC”) pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto (“Rule 15c2-12”), based upon the following criteria hereby established as the means of satisfying the meaning and purposes of Rule 15c2-12: Borrowers shall be considered to be material “obligated persons” if their remaining Fund Loan (unless defined in this Section 6.06, capitalized terms not defined in this Bond Resolution and used in this Section 6.06 shall have the respective meanings ascribed to such terms in the Master Program Trust Agreement) repayments in all Coverage Providing Financing Programs, when aggregated with such Borrower’s Trust Loan repayments, if any, in respect of the Bonds, exceed ten percent (10%) of the sum of (i) the aggregate of all remaining Fund Loan repayments from all Borrowers in all Coverage Providing Financing Programs and (ii) the aggregate of all remaining Trust Loan repayments from all Borrowers.

To the extent any Borrowers that have been determined to be material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 have entered into Service Agreements with Underlying Government Units and if any such Underlying Government Units have entered into Service Agreements with Indirect Underlying Government Units (as such terms are defined in the Loan Agreements) whereby annual charges or indirect annual charges, as the case may be, materially secure the Trust Bond Loan Repayments of any such Borrowers, any such Underlying Government Unit and Indirect Underlying Government Unit shall also be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12.

Any Borrower determined to be a material “obligated person” based upon the criteria set forth herein shall be required to enter into a Continuing Disclosure Agreement, with a term as specified therein, by and among such Borrower, the Trust and the Trustee, substantially in the form attached hereto as Exhibit H to Exhibit A and Exhibit B, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust.

The Trust hereby determines that it is not an “obligated person”. Nevertheless, the Trust hereby covenants to provide notice of Bond Disclosure Events (as defined in the Continuing Disclosure Agreement), if material, with respect to the Series 2016A-2 Bonds to each Nationally Recognized Municipal Securities Information Repository recognized by the SEC or to the Municipal Securities Rulemaking Board and the State Information Depository, if any, recognized by the SEC.

The Trust hereby determines that the Series 2016A-2 Financing Program relating to the Series 2016A-2 Bonds is an “obligated person”, and shall be required to enter into a Continuing Disclosure
Agreement, with a term as specified therein, by and among the Trust, the Trustee and the Master Program Trustee, substantially in the form attached hereto as Exhibit E, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust.

Notwithstanding any provision to the contrary in Article XI hereof, the Trust may amend or supplement this Section 6.06 to comply with any amendment, supplement, modification, termination or other change to Rule 15c2-12.

ADDITIONAL PROVISIONS RELATING TO LOANS

SECTION 7.01. Reserved.

SECTION 7.02. Defaults. The Trustee shall notify the Trust of its failure to receive any Trust Bond Loan Repayment, if any, of a Borrower due under any Loan Agreement and of any other event of default under such Loan Agreement known to the Trustee.

The Trustee shall diligently enforce, and take all reasonable steps, actions and proceedings necessary for the enforcement of, all terms and conditions of all Loan Agreements, including (without limitation) the prompt payment of all Trust Bond Loan Repayments and all other amounts due the Trust, and the observance and performance of all duties, covenants, obligations and agreements, thereunder; provided, however, that the Trustee shall not accelerate the payment of amounts due under any Loan Agreement following any event of default thereunder (other than any event of default which shall automatically accelerate such payment under the Loan Agreements), unless the Trustee shall have given the Trust thirty (30) days' written notice of the occurrence of such event of default and shall have afforded the Trust the opportunity to cause such event of default to be cured during the 30-day period following receipt by the Trust of such notice.

The Trustee shall not release the duties, covenants, obligations or agreements of any Borrower under any Loan Agreement and shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the Trust and the Holders under or with respect to each Loan Agreement; provided, however, that this provision shall not be construed to prevent the Trustee (with the written consent of the Trust) from settling a default under any Loan Agreement on such terms as the Trustee shall determine to be in the best interests of the Trust and the Holders. The Trust hereby appoints the Trustee its agent and attorney-in-fact for purposes of enforcing all rights, title and interests of the Trust under the Loan Agreements, except for the enforcement of all rights, title and interests of the Trust relating to the payment by the Borrower of the Administrative Fee and otherwise, subject to the provisions of this Section.

SECTION 7.03. Termination of Loan Agreements. Upon the payment in full of all amounts due under a Loan Agreement, the Trust shall cancel the obligation of the Borrower evidenced by such Loan Agreement and terminate and release all security interests and liens created under such Loan Agreement and the Trust and the Trustee shall take any other action required of the Trust or the Trustee in such Loan Agreement in connection with such cancellation, termination and release, including (without limitation) the execution of all relevant documents in connection with such actions.

SECTION 7.04. Loan Files. After each Loan Closing, the Trustee shall retain all the documents received by it pursuant to Article VI hereof in connection with such Loan Closing or in connection with the Loan made at such Loan Closing in a file pertaining to such Loan, to which file the Trustee shall from time to time add (i) all records and other documents pertaining to disbursements of amounts to the Borrower under the Loan Agreement and to Loan Repayments and other amounts received by the Trustee under such Loan Agreement and (ii) all communications from or received by the Trustee with respect to such Loan. Such file shall be kept at the Principal Office of the Trustee and shall be available for inspection by the Trust and its agents at reasonable times and under reasonable circumstances.

SECTION 7.05. Trustee’s Obligations. The Trustee shall observe and perform all duties, covenants, obligations and agreements of the Trust under each Loan Agreement to the extent specified herein.
ARTICLE VIII

GENERAL COVENANTS

SECTION 8.01. Payment of Bonds. The Trust shall pay or cause to be paid the principal or Redemption Price of and interest on every Bond of each Series on the date, at the place and in the manner provided herein, in the Applicable Supplemental Resolution and in such Bonds, according to the true intent and meaning thereof; provided, however, that the Bonds of each Series are special obligations of the Trust, the principal or Redemption Price of and interest on which are payable by the Trust solely from the Trust Estate.

The Bonds of each Series shall not be payable from the general funds of the Trust and shall not constitute a legal or equitable pledge of, or lien or encumbrance upon, any of the assets or property of the Trust or upon any of its income, receipts or revenues, except as provided in this Bond Resolution. The full faith and credit of the Trust are not pledged, either expressly or by implication, to the payment of the Bonds. The Trust has no taxing power and has no claim on any revenues or receipts of the State of New Jersey or any agency or political subdivision thereof or any Borrower except as expressly provided in a Borrower’s Loan Agreement.

SECTION 8.02. Observance and Performance of Duties, Covenants, Obligations and Agreements; Representations as to Authorization and Validity of Bonds. The Trust shall faithfully observe and perform at all times all of its duties, covenants, obligations and agreements contained in the Loan Agreements or in any Bond executed, authenticated and delivered under this Bond Resolution and any Supplemental Resolution or in any proceedings of the Trust pertaining thereto.

The Trust represents and covenants that: (i) it is duly authorized under the Constitution and laws of the State of New Jersey, particularly the Act, to issue the Bonds of each Series, to enter into the Loan Agreements and the Master Program Trust Agreement and to pledge the Trust Estate in the manner and to the extent set forth in this Bond Resolution and as shall be set forth in any Supplemental Resolution; (ii) all action on its part for the issuance of the Bonds of each Series will be duly and effectively taken; and (iii) the Bonds of each Series in the hands of the Holders thereof will be valid and binding special obligations of the Trust enforceable according to their terms.

SECTION 8.03. Liens, Encumbrances and Charges. The Trust shall not create or cause to be created and shall not suffer to exist, any lien, encumbrance or charge upon the Trust Estate except the pledge, lien and charge created for the security of Holders of the Bonds. To the extent Revenues are received, the Trust will cause to be discharged, or will make adequate provision to satisfy and discharge, within sixty (60) days after the same shall accrue, all lawful claims and demands that if unpaid might by law become a lien upon the Trust Estate; provided, however, that nothing contained in this Section shall require the Trust to pay or cause to be discharged, or make provision for, any such lien, encumbrance or charge so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings.

So long as Bonds of any Series shall be Outstanding, the Trust shall not issue any bonds, notes or other evidences of indebtedness, other than such Bonds, secured by any pledge of or other lien or charge on the Trust Estate. Notwithstanding the foregoing, the Trust may issue future series of bonds, notes or other evidences of indebtedness that have an interest in the Master Program Trust Account to the extent set forth in the Master Program Trust Agreement. Nothing in this Bond Resolution is intended to or shall affect the right of the Trust to issue bonds, notes and other obligations under other resolutions or indentures for any of its other purposes.
**SECTION 8.04. Accounts and Audits.** The Trust shall keep, or cause to be kept, proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Loans, this Bond Resolution and any Supplemental Resolution, which books and accounts (at reasonable hours and subject to the reasonable rules and regulations of the Trust) shall be subject to the inspection of the Trustee and any Holder of any Bonds or their agents or representatives duly authorized in writing. The Trust shall cause such books and accounts to be audited annually by a nationally recognized independent certified public accountant selected by the Trust. Annually, not later than December 1 of each year with respect to the fiscal year of the Trust ended on the immediately preceding June 30, a signed copy of such report shall be furnished by the Trust to the Trustee. Such report shall include at least: (i) a statement of all funds and accounts (including investments thereof) held by the Master Program Trustee pursuant to the provisions of the Master Program Trust Agreement; (ii) a statement of the Revenues, Administrative Fees and State Administrative Fees collected in connection with this Bond Resolution; (iii) a statement whether the balance in the Debt Service Reserve Fund meets the Debt Service Reserve Requirement established under this Bond Resolution; and (iv) a statement that, in making such audit, no knowledge of any default in the fulfillment of any of the terms, covenants or provisions of this Bond Resolution was obtained, or if knowledge of any such default was obtained, a statement thereof.

**SECTION 8.05. Further Assurances.** The Trust will pass, make, do, execute, acknowledge and deliver any and all such further resolutions, indentures, actions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Bond Resolution and for the better assuring and confirming unto the Holders of Bonds the rights and benefits provided in this Bond Resolution, including exercising its State aid intercept powers pursuant to the Act.

**SECTION 8.06. Tax Rebate.**

1. In connection with the issuance of any Series of Bonds an Authorized Officer of the Trust is authorized to execute on behalf of the Trust a Certificate as to arbitrage (including the Tax Certificate), a letter of instructions as to certain requirements of the Code, or any similar documents relating to the characterization of such Series of Bonds as not being “arbitrage bonds” within the meaning of Sections 103(a)(2) and 148 of the Code.

2. Any amounts required to be set aside for rebate or to satisfy a yield restriction requirement to the Internal Revenue Service pursuant to any letter of instructions or certificate as to arbitrage shall be considered a loss for purposes of determining “Net Earnings” pursuant to Section 5.10 hereof.

**SECTION 8.07. Application of Loan Prepayments.** Upon the prepayment, in whole or in part, of any Loan, the Trust shall elect to apply such prepayment proceeds either (i) to the redemption of Bonds on the next succeeding call date in accordance with Article IV, or (ii) to the payment of Bonds in accordance with Section 12.01. The Trust may only consent to Loan prepayments pursuant to the Loan Agreements if it simultaneously delivers to the Trustee (i) a certificate of an independent public accountant demonstrating that the aggregate Trust Bond Loan Repayments due pursuant to the Loan Agreements after such prepayment shall be sufficient to pay when due the principal of and interest on all Bonds outstanding after giving effect to the Trust’s election required in the immediately preceding sentence, and (ii) irrevocable instructions to effectuate such election regarding the application of prepayment proceeds. The Trust shall give notice to Fitch Ratings, Standard & Poor’s Corporation and Moody’s Investors Service, Inc. of any such Loan prepayments and its application of the proceeds thereof. The posting of any such notice to the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board shall constitute notice to Standard & Poor’s Corporation and Moody’s Investors Service, Inc. for purposes of this paragraph.
ARTICLE IX

OF TRUSTEE AND BONDHOLDERS

SECTION 9.01. Defaults; Events of Default. If any of the following events occurs, it is hereby defined as and declared to be and to constitute an “Event of Default” for the Bonds of all Series then Outstanding:

(a) default in the due and punctual payment of any interest on any Bond; or

(b) default in the due and punctual payment of the principal or Redemption Price of any Bond whether at the stated maturity thereof or on any date fixed for the redemption of such Bond; or

(c) if (i) the Trust shall be adjudicated a bankrupt or become subject to an order for relief under federal bankruptcy law, (ii) the Trust shall institute a proceeding seeking an order for relief under federal bankruptcy law or seeking to be adjudicated a bankrupt or insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of it or all of its debts under New Jersey bankruptcy or insolvency law, (iii) with the consent of the Trust, there shall be appointed a receiver, liquidator or similar official for the Trust under federal bankruptcy law or under New Jersey bankruptcy or insolvency law, or (iv) without the application, approval or consent of the Trust, a receiver, trustee, liquidator or similar official shall be appointed for the Trust under federal bankruptcy law or under New Jersey bankruptcy or insolvency law, or a proceeding described in clause (ii) above shall be instituted against the Trust and such appointment continues undischarged or such proceeding continues undischarged or unstayed for a period of sixty (60) consecutive days; or

(d) if (i) the Trust shall make an assignment for the benefit of creditors, (ii) the Trust shall apply for or seek the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any substantial part of its property, (iii) the Trust shall fail to file an answer or other pleading denying the material allegations of any proceeding filed against it described under clause (ii) of paragraph (c) of this Section, (iv) the Trust shall take any action to authorize or implement any of the actions set forth in paragraph (c) or (d) of this Section, (v) the Trust shall fail to contest in good faith any appointment or proceeding described in paragraph (c) or (d) of this Section or (vi) without the application, or approval or consent of the Trust, a receiver, trustee, examiner, liquidator or similar official shall be appointed for any substantial part of the Trust’s property and such appointment shall continue undischarged or such proceedings shall continue undischarged or unstayed for a period of thirty (30) consecutive days; or

(e) the Trust shall default in the performance or observance of any other of the duties, covenants, obligations, agreements or conditions on the part of the Trust to be performed or observed under this Bond Resolution or the Bonds of each Series, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Trust by the Trustee or the Bondholders in accordance with Section 9.10 hereof.

SECTION 9.02. Acceleration of Bonds; Remedies. If an Event of Default described in Section 9.01 shall occur for any Series of Bonds, the Trustee may, and at the written request of the Holders of a majority in aggregate principal amount of the Outstanding Bonds shall, by telephonic notice to the Trust (promptly confirmed in writing) declare the principal of all Bonds then Outstanding to be due and payable; provided, however, that before making such declaration, the Trustee shall give thirty (30) days’ notice to the Trust. Upon any such declaration, the Trustee shall forthwith give notice thereof to the Borrowers and the Paying Agents.
At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such Event of Default, or before the completion of the enforcement of any other remedy under this Bond Resolution, the Trustee, by written notice to the Trust, may annul such declaration and its consequences if: (i) moneys shall have accumulated in the Interest Account and the Principal Account in the Debt Service Fund sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds (except the interest accrued on such Bonds since the last Interest Payment Date) and the principal then due on all Bonds (except the principal on any such Bonds due solely as a result of any such declaration of acceleration); (ii) moneys shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee; and (iii) every other default known to the Trustee in the observance or performance of any duty, covenant, obligation, condition or agreement contained in the Bonds or in this Bond Resolution, shall have been remedied to the satisfaction of the Trustee; provided, however, that such declaration may be annulled only with the written consent of the Holders of a majority in aggregate principal amount of the Bonds Outstanding and not then due by their terms. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Upon the occurrence of an Event of Default, the Trustee shall also have the following rights and remedies:

(a) the Trustee shall, at the direction of the Holders of a majority in aggregate principal amount of the Outstanding Bonds, and upon being indemnified to its reasonable satisfaction, pursue any available remedy at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds then Outstanding, including (without limitation) the right (to the extent legally enforceable) to, by written notice to the Trust, declare the principal of the bonds then outstanding to be due and payable of any Borrower whose actions have directly or indirectly caused any such Event of Default and including the enforcement of any other rights of the Trust or the Trustee under the Loan Agreements;

(b) the Trustee by action or suit in equity may require the Trust to account as if it were the trustee of an express trust for the Holders of Bonds and may take such action with respect to the Loan Agreements as the Trustee deems necessary or appropriate and in the best interest of the Holders of Bonds, subject to the terms of such Loan Agreements; and

(c) upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Holders of Bonds under this Bond Resolution, the Trustee will be entitled as a matter of right to the appointment of a receiver or receivers of the Trust Estate and the issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

If an Event of Default shall have occurred with respect to any Bonds, and if requested so to do by the Holders of a majority in principal amount of the Bonds then Outstanding, and upon being indemnified to its reasonable satisfaction therefor, the Trustee shall be obligated to exercise such one or more of the rights, remedies and powers conferred by this Section as the Trustee shall deem most expedient in the interests of the Holders of Bonds.

No right or remedy by the terms of this Bond Resolution conferred upon or reserved to the Trustee (or to the Holders of Bonds) is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to Trustee or to such Holders hereunder or now or hereafter existing at law or in equity or by statute other than pursuant to the Act. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.
No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder, whether by the Trustee or by the Holders of any Bonds in default, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

SECTION 9.03. Right of Holders of a Series of Bonds to Direct Proceedings. Anything in this Bond Resolution to the contrary notwithstanding, but subject to Section 9.07 hereof, the Holders of a majority in aggregate principal amount of Bonds in default then Outstanding shall have the right at any time during the continuance of an Event of Default of such Bonds, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Bond Resolution, or for the appointment of a receiver or any other proceedings hereunder; provided, however, that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Resolution.

SECTION 9.04. Reserved.

SECTION 9.05. Application of Moneys. All moneys received by the Trustee pursuant to any right or remedy given or action taken under the provisions of this Article upon any acceleration of the due date for the payment of the principal of and interest on the Bonds in default (including, without limitation, moneys received by virtue of action taken under provisions of any Loan Agreement, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee (including reasonable attorney fees) and any other moneys owed to the Trustee in connection with such Bonds hereunder), shall be applied, first, to the payment of the interest then due and unpaid upon the Bonds in default and, second, to the payment of the principal then due and unpaid upon the Bonds in default, to the persons entitled thereto, without any discrimination or privilege.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond in default until such obligation shall be presented to the Trustee for appropriate endorsement or for cancellation (as the case may be).

SECTION 9.06. Remedies Vested in Trustee. All rights of action (including, without limitation, the right to file proofs of claims) under this Bond Resolution or under any of the Bonds in default may be enforced by the Trustee without possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the equal and ratable benefit of the Holders of all the Outstanding Bonds without the necessary of joining as plaintiffs or defendants any Holders of such Bonds.

SECTION 9.07. Rights and Remedies of Holders of Bonds. No Holder of Bonds then Outstanding in default shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Bond Resolution or for the execution of any trust hereof or for the appointment of
a receiver or any other remedy hereunder, unless (a) an Event of Default shall have occurred, (b) the owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the remedies hereinbefore granted or to institute such action, suit or proceeding in its own name, (c) the Holders shall have offered to the Trustee reasonable indemnity satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, and (d) the Trustee shall have refused, or for sixty (60) days after receipt of such request and offer of indemnification shall have failed to exercise the remedies hereinbefore granted, or to institute such action, suit or proceeding in its own name, and such request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Bond Resolution, and to any action or cause of action for the enforcement of this Bond Resolution, or for the appointment of a receiver or for any other remedy hereunder. It is understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Bond Resolution by his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the Holders of all Bonds then Outstanding; provided, however, that nothing contained in this Bond Resolution shall affect or impair the right of the Holder of any Bond to enforce the payment of the principal or Redemption Price of and interest on such Bond at and after the maturity thereof, or the obligation of the Trust to pay the principal or Redemption Price of and interest on each of the Bonds issued hereunder to the respective Holders thereof at the time and place, from the source and in the manner expressed in the Bonds and in this Bond Resolution and the Applicable Supplemental Resolution.

SECTION 9.08. Termination of Proceedings. In case the Trustee or a Holder of a Bond in default shall have proceeded to enforce any right under this Bond Resolution by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or such Holder, then and in every such case the Trust, the Trustee and the Holders of Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee and the Holders shall continue as if no such proceedings have been taken.

SECTION 9.09. Waivers of Events of Default. The Trustee may and, upon the written request of the Holders of not less than 25% in aggregate principal amount of all Bonds in default then Outstanding, shall waive any Event of Default which in its opinion shall have been remedied before the completion of the enforcement of any remedy under this Bond Resolution; but no such waiver shall extend to any subsequent or other Event of Default, or impair any rights consequent thereon.

SECTION 9.10. Notice of Certain Defaults; Opportunity of Trust to Cure Defaults. Anything herein to the contrary notwithstanding, no Default under Section 9.01(e) hereof shall constitute an Event of Default until actual notice of such Default shall be given to the Trust by registered or certified mail by the Trustee or by the Holders of a majority in aggregate principal amount of all Bonds then Outstanding and the Trust shall not have corrected the Default or caused the Default to be corrected within thirty (30) days following the giving of such notice; provided, however, that if the Default be such that it is correctable but cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the Trust within the applicable period and diligently pursued until the Default is corrected.

The Trust hereby grants to the Trustee full authority for the account of the Trust to observe or perform any duty, covenant, obligation or agreement alleged in any alleged Default concerning which notice is given to the Trust under the provisions of this Section in the name and stead of the Trust with full power to do any and all things and acts to the same extent that the Trust could do and perform any such things and acts and with power of substitution.

FIDUCIARIES

SECTION 10.01. Appointments, Duties, Immunities and Liabilities of Trustee. U.S. Bank National Association and any successors and assigns thereto, has been appointed as Trustee by the Trust. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution and all other agreements with the Trust, including, without limitation, the Master Program Trust Agreement, by executing and delivering to the Trust a written acceptance thereof, and by executing such acceptance the Trustee shall be deemed to have accepted such duties and obligations with respect to all the Bonds thereafter to be validly issued, but only, however, upon the terms and conditions set forth in this Bond Resolution and all other agreements with the Trust, including, without limitation, the Master Program Trust Agreement.

SECTION 10.02. Paying Agents; Appointments.

1. The Trustee is hereby appointed Paying Agent and shall also act as registrar for the Series 2016A-2 Bonds. The Trust shall appoint one or more Paying Agents for the Bonds of each additional Series, and may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 10.13 for a successor Paying Agent. There shall be no limitation upon the ability of the Trust to appoint the Trustee to serve as a Paying Agent, provided that the Trustee otherwise satisfies the qualifications set forth herein (including, without limitation and as applicable, the qualifications set forth in Section 10.13 for a successor Paying Agent) that are applicable to a Paying Agent.

2. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Trust and to the Trustee a written acceptance thereof.

3. Unless otherwise provided, the principal corporate trust offices of the Paying Agents are designated as the respective offices or agencies of the Trust for the payment of the interest on and principal or Redemption Price of the Bonds.

4. The Trust may enter into agreements with any Paying Agent providing for the payment to the Trust of amounts in respect of interest earned on moneys held by such Paying Agent for the payment of principal or Redemption Price of and interest on Bonds. Any such payments to the Trust shall be deposited in the Trust Bond Loan Repayments Account within the Revenue Fund and applied as Revenues.

SECTION 10.03. Responsibilities of Fiduciaries.

1. The recitals of fact contained herein and in the Bonds shall be taken as the statements of the Trust and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representation as to the validity or sufficiency of this Bond Resolution or of any Bonds issued thereunder or as to the security afforded by this Bond Resolution, and no Fiduciary shall incur any liability in respect thereof. The Trustee shall, however, be responsible for its representation contained in its authentication certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to the Trust or to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect thereof, or to advance any of its own moneys, unless properly indemnified to its satisfaction. Subject to the provisions of subsection 2 of this Section 10.03, no Fiduciary shall be liable in connection with the observance and performance of its duties and obligations hereunder except for its own negligence or misconduct.
2. The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and obligations and only such duties and obligations as are specifically set forth in this Bond Resolution. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers invested in it by this Bond Resolution, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provision of this Bond Resolution relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 10.03.

1. Each Fiduciary, upon receipt of any notice, Supplemental Resolution, request, consent, order, certificate, report, opinion, bond or other paper or document furnished to it pursuant to any provision of this Bond Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Bond Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with Counsel, who may or may not be counsel to the Trust, and the opinion of such Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Bond Resolution in good faith and in accordance therewith.

2. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Bond Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of an Authorized Officer of the Trust, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Bond Resolution upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

3. Except as otherwise expressly provided in this Bond Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the Trust to any Fiduciary shall be sufficiently executed in the name of the Trust by an Authorized Officer of the Trust.

SECTION 10.05. Compensation. The Trust shall pay each Fiduciary from time to time reasonable compensation for all services rendered under this Bond Resolution, including in that limitation the services rendered pursuant to Section 12.01, and also all reasonable expenses incurred in and about the performance of their powers and duties under this Bond Resolution and each Fiduciary shall have a lien therefor on any and all funds and accounts at any time held by it under this Bond Resolution, other than the Project Loan Account in the Project Fund. Subject to the provisions of Section 10.03, the Trust further agrees to indemnify and save each Fiduciary harmless against any losses, liabilities and expenses (including reasonable legal fees) which it may incur in the exercise and performance of its powers, duties and obligations hereunder, other than losses, liabilities and expenses (including legal fees) attributable to the negligence, bad faith, breach of contract or misconduct of the Fiduciary, arising out of or as a result of the Fiduciary performing its obligations under this Bond Resolution or undertaking any transaction contemplated by this Bond Resolution; provided, however, that the foregoing is subject to the limitations of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:2-1 et seq. and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq.
Each Fiduciary agrees as follows:

1. The Fiduciary shall give the Trust prompt notice in writing of any actual or potential claim described above and the institution of any suit or action;

2. The Fiduciary shall not adjust, settle or compromise any such claim, suit or action without the approval of Trust; and

3. The Fiduciary shall permit the Trust, if the Trust so chooses, to assume full control of the adjustment settlement, compromise or defense of each such claim, suit or action.

While the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 *et seq.*, is not applicable by its terms to claims arising under contracts with the Trust, each Fiduciary agrees that such statute (except N.J.S.A. 59:13-9) shall be applicable to all claims against the Trust arising under this Section 10.05.

The indemnification provided in this Section 10.05 does not apply or extend to any indemnification given by a Fiduciary to any other person.

**SECTION 10.06. Certain Permitted Acts.** Any Fiduciary may become the Holder of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Bond Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding.

**SECTION 10.07. Resignation of Trustee.** The Trustee may at any time resign and be discharged of the duties and obligations created by this Bond Resolution by giving not less than one hundred twenty (120) days’ written notice to the Trust, and mailing notice thereof of the Holders of the Bonds then Outstanding, specifying the date when such resignation shall take effect, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed by the Trust or the Bondholders as provided in Section 10.09, in which event such resignation shall take effect immediately on the appointment of such successor, or unless a successor shall not have been appointed by the Trust or the Bondholders as provided in Section 10.09 on that date, in which event such resignation shall not take effect until a successor is appointed.

**SECTION 10.08. Removal of Trustee.** The Trustee may be removed at any time: (i) by an instrument or concurrent instruments in writing, filed with the Trustee, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Trust, (ii) so long as no Event of Default, or any event which, with notice or passage of time, or both, would become an Event of Default, shall have occurred and be continuing, for just cause by a resolution of the Trust filed with the Trustee, (iii) upon a determination by the Trust, in its sole discretion, that the compensation charged by the Trustee is excessive for the duties, obligations and other services to be performed by the Trustee pursuant to this Bond Resolution, such determination by the Trust to be establish by a resolution adopted by the Trust and filed with the Trustee no less than 30 days prior to the effective date of such termination, or (iv) for any reason to be determined by the Trust, in its sole discretion, and without any requirement that just cause be demonstrated, such determination by the Trust to be establish by a resolution adopted by the Trust and filed with the Trustee no less than 30 days prior to the effective date of such termination, provided, however, that the provisions of this clause (iv) shall not be implemented by the Trust more frequently than once every fifth year.
Notwithstanding any other provision in this Article X, no removal of the Trustee shall take effect until a successor shall be appointed pursuant to the provisions of Section 10.09.

SECTION 10.09. Appointment of Successor Trustee.

1. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, a successor may be appointed by the Trust by a duly executed written instrument signed by an Authorized Officer of the Trust, but if the Trust does not appoint a successor Trustee within forty-five (45) days then by the Holders of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Trust, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee, notification thereof being given to the Trust and the predecessor Trustee. After such appointment of a successor Trustee, the Trust shall mail notice of any such appointment made by it or the Bondholders to the Holders of the Bonds then Outstanding.

2. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within forty-five (45) days after the Trustee shall have given to the Trust written notice as provided in Section 10.07 or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

3. Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company or national banking association in good standing, qualified to do business in the State of New Jersey, duly authorized to exercise trust powers, subject to examination by federal or state authority, having capital stock and surplus aggregating at least $50,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution.

SECTION 10.10. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Bond Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Trust, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Trust, or of the successor Trustee, execute, acknowledge and deliver such instrument of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Bond Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Trust be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Trust. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.

SECTION 10.11. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or
transfer all or substantially all of its corporate trust business; provided, such company (i) shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and (ii) shall be authorized by law to perform all the duties imposed upon it by this Bond Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

SECTION 10.12. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Bond Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in this Bond Resolution provided that the certificate of the Trustee shall have.

SECTION 10.13. Resignation or Removal of Paying Agent; Appointment of Successor.

1. Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Bond Resolution by giving at least one hundred twenty (120) days written notice to the Trust, the Trustee and the other Paying Agents. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer of the Trust. Any successor Paying Agent shall be appointed by the Trust with the written approval of the Trustee and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having capital stock and surplus aggregating at least $50,000,000, and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all duties imposed upon it by this Bond Resolution.

2. In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.
ARTICLE XI

For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution may be adopted, which, upon (i) the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Trust, (ii) the filing with the Trust of an instrument in writing made by the Trustee consenting thereto, and (iii) the filing with the Trust and the Trustee of an opinion of Bond Counsel to the effect that such Supplemental Resolution will not adversely affect the exclusion from gross income of the interest on the Series 2016A-2 Bonds for federal income tax purposes, shall be fully effective in accordance with its terms:

(d) To make any other modification or amendment of this Bond Resolution which will not have a material adverse effect on the interests of Bondholders.

In making any determination under this Section 11.02, the Trustee may conclusively rely upon an opinion of Bond Counsel.

SECTION 11.03. Supplemental Resolutions Effective With Consent of Bondholders. At any time or from time to time, a Supplemental Resolution may be adopted subject to consent by the Bondholders in accordance with and subject to the provisions of Sections 11.06 and 11.07, which Supplemental Resolution, upon (i) the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Trust, (ii) compliance with the provisions of said Sections 11.06 and 11.07, (iii) the filing with the Trust and the Trustee of an opinion of Bond Counsel to the effect that such Supplemental Resolution will not adversely affect the exclusion from gross income of the interest on the Series 2016A-2 Bonds for federal income tax purposes, shall become fully effective in accordance with its terms as provided in said Section 11.07. Provided, however, that, any Supplemental Resolution which by its terms only affects one or more Series of Bonds may be adopted subject to the consent of the Bondholders of the Series or Series of Bonds so affected.

1. This Bond Resolution shall not be modified or amended in any respect except by Supplemental Resolution as provided in and in accordance with and subject to the provisions of this Article XI. Nothing contained in this Article XI shall affect or limit the right or obligation of the Trust to adopt, make, do, execute, acknowledge or deliver any resolution, act or other instrument pursuant to the provisions of this Bond Resolution or the right or obligation of the Trust to execute and deliver to any Trustee any instrument which elsewhere in this Bond Resolution it is provided shall be delivered to said Trustee.

2. Any Supplemental Resolution referred to and permitted or authorized by Section 11.01 or 11.02 may be adopted by the Trust without the consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. The copy of every Supplemental Resolution when filed with the Trustee shall be accompanied by an opinion of
Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of this Bond Resolution, is authorized or permitted by this Bond Resolution, and is valid and binding upon the Trust in accordance with its terms.

3. The Trustee is hereby authorized to accept the delivery of a certified copy of any Supplemental Resolution referred to and permitted or authorized by Sections 11.01, 11.02 or 11.03 and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of Bond Counsel that such Supplemental Resolution is authorized or permitted by the provisions of this Bond Resolution.

4. No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without their written assent thereto.

SECTION 11.05. Mailing. Any provision in this Article for the mailing of a notice or other paper to Holders of Bonds shall be fully complied with if it is mailed, postage prepaid only, to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of the Trust.

SECTION 11.06. Powers of Amendment by Supplemental Resolution. Unless otherwise permitted under Section 11.01 or Section 11.02, any modification or amendment of this Bond Resolution and of the rights and obligations of the Trust and of the Holders of the Bonds thereunder, in any particular, may be made only by a Supplemental Resolution with the written consent (i) of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any sinking fund installment, of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such obligation, or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Trustee without their written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Bond Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment Bonds of any particular Series or maturity would be affected by any modification or amendment of this Bond Resolution and any such determination shall be binding and conclusive on the Trust and all Holders of Bonds. In taking such action, the Trustee may rely upon the opinion of Bond Counsel. For purposes of this Section, the Holders of any Bonds may include the initial Holders thereof, regardless of whether such Bonds are being held for resale.

SECTION 11.07. Consent of Bondholders. The Trust may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section 11.06 to take effect when and as provided in this Section. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Holders of Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Trust to Holders of Bonds (but
failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this Section provided). Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of the Holders of the percentages of Outstanding Bonds specified in Section 11.06 and (b) an opinion of Bond Counsel addressed to the Trustee stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Trust in accordance with the provisions of this Bond Resolution, is authorized or permitted by this Bond Resolution, and is valid and binding upon the Trust and enforceable in accordance with its terms. It shall not be necessary that the consents of Holders of Bonds approve the particular form of wording of the proposed modification or amendment or of the proposed Supplemental Resolution effecting such modification or amendment, but it shall be sufficient if such consents approve the substance of the proposed amendment or modification. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 12.02. A certificate or certificates executed by the Trustee and filed with the Trust stating that it has examined such proof and that such proof is sufficient in accordance with Section 12.02 shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 12.02 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 11.07 provided for is filed, such revocation and proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 12.02. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trust to the effect that no revocation thereof is on file with the Trustee.

At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Trust a written statement that the Holders of such required percentages of such Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Trust on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 11.07, may be given to Bondholders by the Trust by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section 11.07 provided). The Trust shall file with the Trustee proof of the mailing thereof. A record, consisting of the certificates or statements required or permitted by this Section 11.07 to be made by the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Trust, the Fiduciaries and the Holders of all Bonds at the expiration of forty (40) days after the filing with the Trustee of the proof of the mailings of such last-mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty (40) day period; provided, however, that any Fiduciary and the Trust during such forty (40) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as it may deem expedient.

SECTION 11.08. Modifications or Amendments by Unanimous Consent. The terms and provisions of this Bond Resolution and the rights and obligations of the Trust and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the Trust of a Supplemental Resolution and the consent thereto of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 11.07 except that no notice to Holders of Bonds either by
mailing or publication shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Holders of Bonds.

SECTION 11.09. Exclusion of Bonds. Bonds owned or held by or for the account of the Trust shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI, and the Trust shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the Trust shall furnish to the Trustee a Certificate of an Authorized Officer of the Trust, upon which the Trustee may rely, describing all Bonds so to be excluded.

SECTION 11.10. Notation on Bonds. Bonds authenticated and delivered after the effective date of any Supplemental Resolution pursuant to this Article XI may, and, if the Trust or the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Trust and the Trustee as to any modification or amendment provided for in such Supplemental Resolution and, in that case upon demand of the Holder of any Bond Outstanding and upon presentation of any Bond for such purpose at the Principal Office of the Trustee, a suitable notation shall be made on such Bond. If the Trust or the Trustee shall so determine, new Bonds so modified in form approved by the Trustee and the Trust, to any modification or amendment contained in such Supplemental Resolution, shall be prepared, authenticated and delivered and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series, principal amount, maturity and interest rate then Outstanding, upon surrender of such Bonds. Any action taken as in Article X or this Article XI provided shall be effective and binding upon all Bondholders notwithstanding that the notation is not endorsed on all Bonds.

SECTION 11.11. Effect of Supplemental Resolution. Upon the effective date of any Supplemental Resolution, this Bond Resolution shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, covenants, obligations and agreements under this Bond Resolution of the Trust, the Trustee and all Holders of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Resolution shall be deemed to be part of the terms and conditions of this Bond Resolution for any and all purposes.

SECTION 11.12. Amendment of Loan Agreements. The Trust shall not supplement, amend, modify or terminate any Loan Agreement, or consent to any such supplement, amendment, modification or termination, without the written consent of the Trustee, which consent shall not be unreasonably withheld. The Trustee shall give such written consent only if (a) (i) in the opinion of the Trustee, after such supplement, amendment, modification or termination is effective, such Loan Agreement shall continue to meet the requirements of Article VI of this Bond Resolution or (ii) the Trustee first obtains the written consent of the Holders of a majority in aggregate principal amount of the Outstanding Bonds to such supplement, amendment, modification or termination, such written consent being obtained by the Trustee at the sole expense of the Borrower which is a party to the Loan Agreement which is the subject of the supplement, amendment, modification or termination and (b) the Trustee first obtains an opinion of Bond Counsel to the effect that such supplement, amendment, modification or termination will not adversely affect the exclusion from gross income of the interest on the Series 2016A-2 Bonds for federal income tax purposes. In making any determination under this Section 11.12, the Trustee may conclusively rely upon an opinion of Bond Counsel.
Notwithstanding any other provision in this Section, (a) the Trust may supplement, amend or modify any Loan Agreement without the consent of the Trustee or any Bondholder (i) for the purposes set forth in Section 5.02(5) hereof, (ii) for the purpose of amending, supplementing or modifying Section 2.02(p) of the Loan Agreement and (iii) for the purpose of amending, supplementing or modifying Exhibit H to the Loan Agreement prior to the execution and delivery thereof, and (b) the Trust may terminate any Loan Agreement (subject to the termination provisions thereof) without the consent of the Trustee or any Bondholder in the event that all payment obligations thereunder have been satisfied by the respective Borrower in full.

SECTION 11.13. Notice of Amendments. Promptly after the adoption by the Trust of any Supplemental Resolution, the Trustee shall mail by first class mail, postage prepaid, a notice, setting forth in general terms the substance thereof, to the Bondholders of a Series of Bonds affected by such amendment. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Resolution.
ARTICLE XII

DEFEASANCE

SECTION 12.01. Defeasance of Bonds.

1. If the Trust shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds of any Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in this Bond Resolution, then the pledge of the Trust Estate, and all duties, covenants, agreements and other obligations of the Trust to the Bondholders of such Series, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Trust to be prepared and filed with the Trust and, upon the request of the Trust, shall execute and deliver to the Trust all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the Trust all moneys or securities held by it pursuant to this Bond Resolution which are not required for the payment of principal or Redemption Price, if applicable, and interest due or to become due on Bonds of any Series not theretofore surrendered for such payment or redemption and any amounts owed to any Fiduciary. If the Trust shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of any Outstanding Bonds of any Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Resolution, such Bonds shall cease to be entitled to any lien, benefit or security under this Bond Resolution, and all duties, covenants, agreements and obligations of the Trust to the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Notwithstanding any other provision in this Article XII, all duties, covenants, agreements and obligations of the Trust to the Holders relating to the exclusion of interest from gross income of the Holders of such Bonds for federal income tax purposes shall survive the defeasance of the Bonds.

2. Bonds (which can be an entire series or portion thereof) or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Paying Agents (through deposit by the Trust of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section. Subject to the provisions of subsections (3) through (5) of this Section, Outstanding Bonds of any Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section if (a) in case any of said Bonds are to be redeemed on any date prior to their stated maturities, the Trust shall have given to the Trustee instructions in writing accepted by the Trustee to mail notice of redemption of such Bonds (other than Bonds of a Series which have been purchased by the Trustee at the written direction of the Trust or purchased or otherwise acquired by the Trust and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption) on said date, (b) there shall have been deposited with the Trustee (i) either moneys in an amount which shall be sufficient, or Investment Securities (including any Investment Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on such Series of Bonds on or prior to the redemption date or maturity date thereof, as the case may be, (ii) a defeasance opinion of Bond Counsel, and (iii) a verification report of an independent nationally recognized verification agent as to the matters set forth in clause (i), and (c) in the event such Series of Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Trust shall have given the Trustee in form satisfactory to it instructions to mail, as soon as practicable, a notice to the Holders of such Bonds at their last addresses appearing upon the registry books at the close of business on the last business day of the month preceding the month for which notice is mailed that the deposit required by (b)
above has been made with the Trustee and that such Series of Bonds are deemed to have been paid in accordance with this Section 12.01 and stating such maturity or redemption date upon which moneys are expected, subject to the provisions of subsection (5) of this Section 12.01, to be available for the payment of the principal or Redemption Price, if applicable, of such Series of Bonds (other than Bonds which have been purchased by the Trustee at the direction of the Trust or purchased or otherwise acquired by the Trust and delivered to the Trustee as hereinafter provided prior to the mailing of the notice of redemption referred to in clause (a) hereof). Any notice of redemption mailed pursuant to the preceding sentence with respect to any Series of Bonds which constitutes less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond. The Trustee shall, as and to the extent necessary, apply moneys held by it pursuant to this Section 12.01 to the retirement of said Bonds in amounts equal to the unsatisfied balances of any Sinking Fund Installments with respect to such Bonds, all in the manner provided in this Bond Resolution.

The Trustee shall, if so directed by the Trust (i) prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 12.01 which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) above with respect to any Bonds deemed to have paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Investment Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds and the Trustee shall immediately thereafter cancel all such Bonds so purchased; provided, however, that the moneys and Investment Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due or to become due on all Bonds in respect of which such moneys and Investment Securities are being held by the Trustee on or prior to the redemption date or maturity date thereof, as the case may be. If, at any time (i) prior to the maturity date of Bonds deemed to have been paid in accordance with Section 12.01 which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) above with respect to any Bonds deemed to have been paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, the Trust shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date or redemption date, as the case may be, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by directions from the Trust to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to pay or redeem Bonds deemed paid in accordance with this Section 12.01. The directions given by the Trust to the Trustee referred to in the preceding sentence shall also specify the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 12.01 upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to redeem Bonds deemed paid in accordance with this Section 12.01 on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this Section 12.01 the total amount of moneys and Investment Securities remaining on deposit with the Trustee under this Section 12.01 is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds of such Series in order to satisfy clause (b) of this subsection 2 of Section 12.01, the Trustee shall, if requested by the Trust, pay the amount of such excess to the Trust free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Bond Resolution. Except as otherwise provided in this subsection 2 and in subsection 3 through subsection 5 of this Section 12.01, neither Investment Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, (A) to the extent such cash will not be required at
any time for such purpose, shall be paid over to the Trust as received by the Trustee, free and clear of any
trust, lien or pledge securing said Bonds or otherwise existing under this Bond Resolution, and (B) to the
extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be
reinvested at the direction of the Trust in Investment Securities maturing at times and in amounts sufficient
to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds
on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from
such reinvestments shall be paid over to the Trust, as received by the Trustee, free and clear of any trust,
lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Bond
Resolution.

For the purposes of this Section, Investment Securities shall mean and include only (y) such
securities as are described in clause (a) of the definition of “Investment Securities” in Section 1.01 which
shall not be subject to redemption prior to their maturity other than at the option of the holder thereof or (z)
upon compliance with the provisions of subsection 3 of this Section 12.01, such securities as are described
in clause (a) of the definition of Investment Securities which are subject to redemption prior to maturity at
the option of the issuer thereof on a specified date or dates.

3. Investment Securities described in clause (z) of subsection 2 of Section 12.01 may be
included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of
clause (b) of subsection 2 of Section 12.01 only if, in making the determination as to whether the moneys
and Investment Securities to be deposited with the Trustee would be sufficient to pay when due the principal
or Redemption Price, if applicable, and interest due and to become due on the Bonds which will be deemed
to have been paid as provided in subsection 2 of Section 12.01, such determination is made both (i) on the
assumption that the Investment Securities described in clause (z) were not redeemed at the option of the
issuer prior to the maturity date thereof and (ii) on the assumptions that such Investment Securities were
redeemed by the issuer thereof at its option on each date on which such option could be exercised, that as
of such date or dates interest ceased to accrue on such Investment Securities and that the proceeds of such
redemption were not reinvested by the Trustee.

4. In the event that after compliance with the provisions of subsection 3 of Section 12.01 the
Investment Securities described in clause (z) of subsection 2 of Section 12.01 are included in the Investment
Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of
Section 12.01 and any such Investment Securities are actually redeemed by the issuer thereof prior to their
maturity date, then the Trustee at the written direction of the Trust shall reinvest the proceeds of such
redemption in Investment Securities, provided that the aggregate of the moneys and Investment Securities
to be held by the Trustee, taking into account any changes in redemption dates or instructions to give notice
of redemption given to the Trustee by the Trust in accordance with subsection 5 of Section 12.01, shall at
all times be sufficient to satisfy the requirements of clause (b) of subsection 2 of Section 12.01.

5. In the event that after compliance with the provisions of subsection 3 of Section 12.01 the
Investment Securities described in clause (z) of subsection 2 of Section 12.01 are included in the Investment
Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of
Section 12.01, then any notice of redemption to be published by the Trustee and any set of instructions
relating to a notice of redemption given to the Trustee may provide, at the option of the Trust, that any
redemption date or dates in respect of all of any portion of the Bonds to be redeemed on such date or dates
may at the option of the Trust be changed to any other permissible redemption date or dates and that
redemption dates may be established for any Bonds deemed to have been paid in accordance with this
Section 12.01 upon their maturity date or dates at any time prior to the actual mailing of any applicable
notice of redemption in the event that all or any portion of any Investment Securities described in clause
(z) of subsection 2 of this Section 12.01 have been called for redemption pursuant to an irrevocable notice
of redemption or have been redeemed by the issuer thereof prior to the maturity date thereof; no such change
of redemption date or dates or establishment of redemption date or dates may be made unless, taking into account such changed redemption date or dates or newly established redemption date or dates, the moneys and Investment Securities on deposit with the Trustee (including any Investment Securities deposited with the Trustee in connection with any reinvestment of redemption proceeds in accordance with subsection 5 of Section 12.01) pursuant to clause (b) of subsection 2 of Section 12.01 would be sufficient to pay when due the principal and Redemption Price, if applicable, and interest on all Bonds deemed to have been paid in accordance with subsection 2 of Section 12.01.

6. Anything in this Bond Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six years after the later of (i) the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption or (ii) the date of deposit of such moneys, shall at the written request of the Trust be repaid by the Fiduciary to the Trust as its absolute property and free from the Trust Estate, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Trust for the payment of such Bonds; provided, however, that before being required to make any such payment to the Trust, the Fiduciary shall, at the expense of the Trust, cause to be published at least twice, at an interval of not less than seven (7) days between publications, in the Authorized Newspapers, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the Trust.

Notwithstanding any other provision in Article XII of this Bond Resolution, all duties, covenants, agreements and obligations of the Trust to the Holders relating to the exclusion of interest from gross income of the Holders of the Series 2016A-2 Bonds for federal income tax purposes shall survive the defeasance of the Series 2016A-2 Bonds.

SECTION 12.02. Evidence of Signatures and Ownership of Bonds.

1. Any request, consent, revocation of consent or other instrument which this Bond Resolution or any Supplemental Resolution may require or permit to be signed and executed by the Holders of Bonds of any Series may be in one or more instruments of similar tenor and shall be signed or executed by such Holders of Bonds in person or by their attorneys appointed in writing. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, shall be sufficient for any purpose of this Bond Resolution or any Supplemental Resolution (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable. The fact and date of the execution by any Holder of any Bond or his attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of his authority.

2. The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books maintained by the Trustee.

3. Any request or consent by the Holder of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Trust or any Trustee in accordance therewith.
SECTION 12.03. Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of the interest, principal or Redemption Price due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto.

SECTION 14.04. Waiver of Notice. Whenever in this Bond Resolution the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 14.05. Destruction of Bonds. Whenever in this Bond Resolution provision is made for the cancellation by the Trustee and the delivery to the Trust of any Bonds, unless otherwise requested in writing the Trustee shall destroy such Bonds (in the presence of an officer of the Trust, if the Trust shall so require), and deliver a certificate of such destruction to the Trust.

SECTION 14.06. Severability of Invalid Provisions. If any one or more of the provisions contained in this Bond Resolution or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Bond Resolution or in the Bonds and such invalidity, illegality or unenforceability shall not affect any other provision of this Bond Resolution, and this Bond Resolution shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The Trust hereby declares that it would have entered into this Bond Resolution and each and every section, paragraph, sentence, clause or phrase hereof and authorized the issuance of the Bonds pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Bond Resolution may be held illegal, invalid or unenforceable.

SECTION 14.11. Trust Protected in Acting in Good Faith. In the exercise of the powers of the Trust and its members, officers, employees and agents under this Bond Resolution, the Loan Agreements or any other document executed in connection with the Bonds, the Trust shall not be accountable to any Borrower, the Trustee, the Paying Agent, or any Holder for any action taken or omitted by it or its members, officers, employees and agents in good faith and believed by it or them to be authorized or within the discretion or rights or powers conferred.

However, so long as the Series 2016A-2 Bonds (as hereinafter defined) are held in book-entry-only form pursuant to the Resolution (as hereinafter defined), the provisions of the Resolution governing such book-entry-only form shall govern repayment of the principal or Redemption Price, if any, of and interest on the Series 2016A-2 Bonds.

This bond is one of a duly authorized Series of Bonds of the Trust designated “Environmental Infrastructure Bonds, Series 2016A-2” (herein called the “Series 2016A-2 Bonds”), and issued in the aggregate principal amount of $___,____,000 under and in full compliance with the Constitution and statutes of the State of New Jersey, including, without limitation, the “New Jersey Environmental Infrastructure Trust Act”, constituting chapter 334 of the Pamphlet Laws of 1985 of the State of New Jersey, as amended and supplemented (herein called the “Act”), and under and pursuant to a resolution authorizing the Series 2016A-2 Bonds adopted by the Trust on November 10, 2016 and entitled “Environmental Infrastructure Bond Resolution, Series 2016A-2”, as the same may be amended or supplemented from time to time in accordance with its terms (herein called the “Resolution”).

-74-
All capitalized terms used but not defined herein shall have the meanings set forth in the Resolution as if fully set forth herein.

As provided in the Resolution, the Series 2016A-2 Bonds and all other bonds issued on a parity basis with the Series 2016A-2 Bonds under the Resolution (herein collectively called the “Bonds”) are direct and special obligations of the Trust payable solely, subject to the following sentence, from and secured (as to payment of principal or Redemption Price, if any, of and interest on) by the Trust Estate, all in accordance with their terms and the terms and conditions of the Resolution, subject only to the provisions of the Resolution permitting the application of the Trust Estate for the purposes and upon the terms and conditions set forth in the Resolution. The principal or Redemption Price, if any, of and interest on the Series 2016A-2 Bonds are additionally secured by moneys held by the Master Program Trustee in the Master Program Trust Account to the extent set forth in the Master Program Trust Agreement. The Trust Estate under the Resolution includes the Loan Agreements (with certain exceptions set forth in the Resolution), any other Revenues and all other funds and accounts established under the Resolution (other than the Operating Expense Fund, the Project Fund, and the Rebate Fund), including Investment Securities, as applicable, held in any such Fund thereunder, together with all proceeds and revenues of the foregoing, all of the Trust’s right, title and interest in and to the foregoing and all other moneys, securities or funds pledged for the payment of the principal or Redemption Price, if any, of and interest on the Bonds in accordance with the terms and provisions of the Resolution. Copies of the Resolution are on file at the office of the Trust and at the above-mentioned office of the Trustee. Reference is hereby made to the Act and the Resolution and any and all supplements thereto and modifications and amendments thereof for a description of the pledge and assignment and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the holders of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued and may be issued thereunder, the terms and provisions upon which this bond shall cease to be entitled to any lien, benefit or security under the Resolution and for all of the other terms and provisions thereof. All duties, covenants, agreements and obligations of the Trust under the Resolution may be discharged and satisfied at or prior to the maturity or redemption, if any, of this bond if moneys or certain specified securities shall have been deposited with the Trustee, all in accordance with the terms and provisions of the Resolution.

As provided in the Resolution, Bonds may be issued from time to time pursuant to Supplemental Resolutions in one or more Series in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Resolution provided. Although the aggregate principal amount of Bonds that may be issued under the Resolution is not limited, and all Bonds issued and to be issued under the Resolution are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Resolution, the aggregate amount of bonds that may be issued by the Trust is currently limited by the Act. The Trust makes no representation as to whether this limitation on the aggregate principal amount of bonds issued by the Trust under the Act will continue to restrict the future issuance of bonds by the Trust under the Act.

To the extent and in the manner permitted by the terms of the Resolution, the provisions of the Resolution or any resolution amendatory thereof or supplemental thereto may be modified or amended by the Trust with the written consent of the holders of at least two-thirds (2/3) in aggregate principal amount of the Bonds Outstanding under the Resolution at the time such consent is given, and, in case less than all of the several Series of Bonds then Outstanding are affected thereby, with such consent of at least two-thirds (2/3) in aggregate principal amount of the Bonds of each Series so affected and Outstanding; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding under the Resolution, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of the calculation of Outstanding Bonds. No such modification or amendment shall permit a change in the terms of redemption, if any (including Sinking Fund Installments), or maturity of the principal.
of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price, if any, thereof or in the rate of interest thereon without the consent of the holder of such Bond, nor shall it reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, nor shall it change or modify any of the rights or obligations of the Trustee or of the Paying Agent without its written assent thereto.

This bond is transferable, as provided in the Resolution, only upon the books of the Trust kept for that purpose at the above-mentioned office of the Trustee, as bond registrar, by the Registered Owner hereof in person, or by such Registered Owner’s attorney duly authorized in writing, upon surrender of this bond together with a written instrument of transfer satisfactory to the bond registrar duly executed by the Registered Owner or such Registered Owner’s duly authorized attorney, and thereupon a new fully registered bond or bonds in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon payment of the charges therein prescribed. The Trust, the Trustee and the Paying Agent may deem and treat the Registered Owner as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if any, hereof and the interest due hereon and for all other purposes.

The Series 2016A-2 Bonds maturing on or before September 1, [2027] shall not be subject to redemption prior to their respective stated maturity dates. The Series 2016A-2 Bonds maturing on or after September 1, [2028] shall be subject to redemption prior to their respective stated maturity dates on or after September 1, [2027], at the option of the Trust, upon the terms set forth in the Resolution.

The Series 2016A-2 Bonds are payable upon redemption at the above-mentioned office of the Paying Agent. Notice of redemption, setting forth the place of payment, shall be mailed by the Trustee via first class mail, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date, to the registered owners of any Series 2016A-2 Bonds or portions thereof to be redeemed at their last addresses, if any, appearing upon the Trust’s registry books, all in the manner and upon the terms and conditions set forth in the Resolution. If notice of redemption shall have been mailed as aforesaid, the Series 2016A-2 Bonds or portions thereof specified in said notice shall become due and payable on the redemption date therein fixed, and if, on the redemption date, moneys for the redemption of all of the Series 2016A-2 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, then from and after the redemption date interest on such Series 2016A-2 Bonds or portions thereof so called for redemption shall cease to accrue and be payable. Failure of the registered owner of any Series 2016A-2 Bonds to be redeemed to receive any such notice shall not affect the validity of the proceedings for the redemption of such Series 2016A-2 Bonds.

The principal or Redemption Price, if any, of and interest on the Series 2016A-2 Bonds are payable by the Trust solely from the Trust Estate, and neither the State of New Jersey nor any political subdivision thereof, other than the Trust (but solely to the extent of the Trust Estate), is obligated to pay the principal or Redemption Price, if any, of or interest on this bond and the issue of which it is one, and neither the full faith and credit nor the taxing power of the State of New Jersey or any political subdivision thereof is pledged to the payment of the principal or Redemption Price, if any, of or interest on this bond or the issue of which it is one.

It is hereby certified and recited that all conditions, acts and things required by law and the Resolution to exist, to have happened and to have been performed precedent to and in the issuance of this bond exist, have happened and have been performed, and the Series of Bonds of which this is one, together with all other indebtedness of the Trust, comply in all respects with the applicable laws of the State of New Jersey, including, without limitation, the Act.
This bond shall not be entitled to any benefit under the Resolution or be valid or become obligatory for any purpose until this bond shall have been authenticated by the execution by the Trustee of the Trustee’s Certificate of Authentication hereon.

IN WITNESS WHEREOF, NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST has caused this bond to be executed in its name and on its behalf by the manual or facsimile signature of its Chairman or Vice-Chairman and its seal to be impressed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Secretary or Assistant Secretary, all as of the Dated Date hereof.

AUTHORIZATION AND DETAILS OF SERIES 2016A-R3 REFUNDING BONDS

SECTION 2.01.  [Reserved].

SECTION 2.02. Issuance of Series 2016A-R3 Refunding Bonds; Parity Nature of Bonds; Savings.

(A) The Trust hereby declares the issuance of the Series 2016A-R3 Refunding Bonds to be an authorized undertaking of the Trust pursuant to the Act and Section 2.04(1) of the Original Series 2009A Bond Resolution, as amended and supplemented, and hereby authorizes and directs an Authorized Officer to execute and deliver all documents necessary or desirable in connection therewith.

(B) In accordance with the terms of the Series 2009A Bond Resolution, upon the issuance of the Series 2016A-R3 Refunding Bonds pursuant to the terms hereof, the Holders of the Series 2016A-R3 Refunding Bonds will be equally and ratably entitled to the benefit of the pledge of the Trust Estate under the Series 2009A Bond Resolution with the Holders of the Series 2009A Bonds that shall remain Outstanding (the “Outstanding Series 2009A Bonds”) and any other Series of Bonds to be issued pursuant to the Series 2009A Bond Resolution, including, without limitation, the moneys and securities in the Debt Service Fund and the rights to the Loan Repayments. Accordingly, each Series of Bonds that is Outstanding pursuant to the terms of the Series 2009A Bond Resolution shall be of equal rank without preference, priority or distinction as to lien or otherwise, except as may be expressly provided in the Series 2009A Bond Resolution.

(C) The Trust shall create two Loan Repayment schedules for each of the Series 2009A Trust Loans (collectively, the “Loan Repayment Schedules”): (i) the first, reflecting the Loan Repayments that are allocable to the Series 2016A-R3 Refunding Bonds until the maturity thereof; and (ii) the second, reflecting the Loan Repayments that are allocable to the Outstanding Series 2009A Bonds until the maturity thereof. At its election, the Trust may present such Loan Repayment Schedules in a consolidated format. In addition, the Trust shall prepare a consolidated schedule (the “Savings Credit Schedules”) that reflects the Savings to be realized by each Borrower with respect to its Series 2009A Trust Loan through the implementation of the 2016 Refunding of the Series 2009A Bonds to be Refunded. The Loan Repayment Schedules and the Savings Credit Schedule shall be provided by the Trust to each Borrower promptly following the issuance by the Trust of the Series 2016A-R3 Refunding Bonds. The Loan Repayments to be made by the Borrowers shall be allocated by the Trustee on a pro rata basis to the respective Accounts within the Revenue Fund relating to each Series of Bonds; thereafter, disbursements shall be made by the Trustee to the respective Accounts within the Debt Service Fund for each Series of Bonds for payment of the principal and redemption premium, if any, of and the interest on each such Series of Bonds.

Any Borrower determined to be a material “obligated person” based upon the criteria set forth herein shall be required to enter into a Series 2016A-R3 Borrower Continuing Disclosure Agreement with respect to the obligation of such Borrower and any Underlying Government Unit or Indirect Underlying Government Unit, if applicable, with a term as specified therein, by and among such Borrower, the Trust and the Trustee, substantially in the form attached hereto as

(b) In accordance with the terms of a Certificate of an Authorized Officer of the Trust delivered pursuant to Section 3.02(B) of the Series 2016A-R_ Refunding Supplemental Bond Resolution, simultaneously with the execution and delivery hereof, the Trustee has received from the purchasers of the Series 2016A-R_ Refunding Bonds in immediately available funds for immediate transfer to the Defeased Series ____ Bond Escrow Agent for deposit in the Defeased Series ____ Bond Escrow Fund the sum of $___________ as required by such Certificate. The Defeased Series ____ Bond Escrow Agent hereby acknowledges receipt on __________, 2016 of such moneys from the Trustee.

(c) Accordingly, on __________, 2016, the Defeased Series ____ Bond Escrow Agent hereby acknowledges the collective receipt of $____________ for immediate transfer to or deposit in the Defeased Series ____ Bond Escrow Fund, all as required by a Certificate of an Authorized Officer of the Trust delivered pursuant to Section 3.02(B) of the Series 2016A-R_ Refunding Supplemental Bond Resolution.

SECTION 4. Deposit of Funds and Purchase of Defeasance Securities.

(a) Immediately upon the Defeased Series ____ Bond Escrow Agent's receipt of the moneys referred to in Sections 3(a), (b) and (c) above in the aggregate amount of $____________, the Defeased Series ____ Bond Escrow Agent shall immediately deposit same in the Defeased Series ____ Bond Escrow Fund.

(b) The Defeased Series ____ Bond Escrow Agent is hereby authorized and directed by the Trust to apply $____________ from the amounts so deposited in the Defeased Series ____ Bond Escrow Fund in accordance with Section 3 above to the purchase of the Investment Securities ("Investment Securities"), identified on the attached Exhibit A hereto (the "Defeasance Securities"), leaving the balance of such deposit in the amount of $____ to remain uninvested in cash until applied in accordance with the terms hereof.
(d) The Defeasance Securities are direct, noncallable obligations of the United States of America, and are Investment Securities as described in clause (i) of the definition of "Investment Securities" in Section 1.01 of the Original Series Bond Resolution, as amended and supplemented, and in accordance with the requirements of Article XII of the Original Series Bond Resolution, as amended and supplemented. In reliance on the Verification Report of ____________, dated __________, 2016, attached hereto as Exhibit B, the receipt of which is acknowledged by the parties hereto, the Trust represents that the amounts so deposited in the Defeased Series Bond Escrow Fund, together with income from the investments therefrom to be retained therein pursuant to this Defeased Series Bond Escrow Deposit Agreement, will provide sufficient funds to pay (i) all of the interest due from March 1, 2017 through the Redemption Date on the Series Bonds to be Refunded, (ii) all of the principal of the Series Bonds to be Refunded on the Redemption Date, and (iii) the redemption premium, if any, applicable to redeeming all of the Series Bonds to be Refunded on the Redemption Date.

(a) The Defeased Series Bond Escrow Agent agrees that the amounts deposited in the Defeased Series Bond Escrow Fund pursuant to Section 4 hereof and the interest income to be earned thereon and any other moneys and investments deposited in the Defeased Series Bond Escrow Fund will be held in trust solely for the benefit of the holders of the Series Bonds to be Refunded. The Trust hereby irrevocably instructs the Defeased Series Bond Escrow Agent to apply the principal of and interest earned on the Defeasance Securities through and including the Redemption Date to the payment of (i) all of the interest due from March 1, 2017 through and including the Redemption Date on all of the Series Bonds to be Refunded, (ii) all of the principal of all of the Series Bonds to be Refunded on the Redemption Date, and (iii) the redemption premium, if any, applicable to redeeming all of the Series Bonds to be Refunded on the Redemption Date.

Notices of defeasance and redemption of the Series Bonds to be Refunded shall be given by the Defeased Series Bond Escrow Agent in accordance with Section 7 hereof. The Defeased Series Bond Escrow Agent shall have no liability for the payment of the principal and redemption premium of and the interest on the Series Bonds to be Refunded pursuant to this Section 5 and the Series Bond Resolution, including, without limitation, any deficiencies in the amount of moneys available therefor, except for the application of moneys and obligations available for such purposes in the Defeased Series Bond Escrow Fund. The Defeased Series Bond Escrow Agent shall not be liable for any loss resulting from any investment made in accordance with the provisions of this Defeased Series Bond Escrow Deposit Agreement or from any error in the numerical calculations set forth in the Exhibits attached hereto.

(b) Any portions of the principal of and interest earned on the Defeasance Securities maturing and not needed at that time to make the aforesaid payments on the Series Bonds to be Refunded shall remain in trust for the benefit of the holders of the Series Bonds to be Refunded. Any amounts in excess of such amounts shall remain uninvested until applied as aforesaid. For the purposes of the immediately preceding sentence, "uninvested" shall mean either: (A) the purchase,
at the written direction of the Trust, of additional Investment Securities bearing interest at the rate of
0% per annum, if such Investment Securities are available; (B) held as cash; or (C) such other use of
funds as directed by the Trust and as (I) may be authorized by an approving opinion of nationally
recognized bond counsel to the effect that such use of funds will not cause the Series 2016A-R__
Refunding Bonds to be "arbitrage bonds" within the meaning of Section 148(a) (or any successor
provision) of the Code and (II) are not needed by the Defeased Series ____ Bond Escrow Agent to
fulfill the obligations under Section 5(a) hereof. The Trust shall prepare and deliver to the Defeased
Series ____ Bond Escrow Agent or cause the Defeased Series ____ Bond Escrow Agent to prepare
and deliver the completed Investment Securities forms necessary to permit the Defeased Series ____
Bond Escrow Agent to make any reinvestments in Investment Securities in the time and manner
required by this paragraph (b). All reinvestments must be in Defeasance Securities that mature in
amounts at least equal to the purchase price on or before the next debt service payment date, as advised
to the Escrow Agent by the Trust.

(c) Investments in mutual funds or unit investment trusts are prohibited for any
investments made in accordance with this Section 5 or Section 6 hereof.

(a) Except as provided in Sections 4, 5 and 6 hereof, the Defeased Series ____ Bond
Escrow Agent shall have no power or duty to invest any funds held under this Defeased Series ____
Bond Escrow Deposit Agreement or to sell, transfer or otherwise dispose of or make substitutions of
the Defeasance Securities.

(b) (i) At the written request of the Trust not less than three (3) business days prior to the
settlement of any such transaction hereunder and upon compliance with the conditions hereinafter
stated, the Defeased Series ____ Bond Escrow Agent shall sell, transfer or otherwise dispose of or
request the redemption of the Defeasance Securities and shall substitute for such Defeasance
Securities direct obligations of the United States of America ("United States Obligations"), which
may or may not permit the redemption thereof at the option of the holder thereof, but not at the option
of the issuer of such United States Obligations. The Trust hereby covenants and agrees that it will
not request the Defeased Series ____ Bond Escrow Agent to exercise any of the powers described in
the preceding sentence in any manner that would cause the Series 2016A-R__ Refunding Bonds to be
arbitrage bonds within the meaning of Section 148(a) (or any successor provision) of the Code and
the regulations thereunder on the date of such request and applicable to obligations issued on
the issue date of the Series 2016A-R__ Refunding Bonds. The Defeased Series ____ Bond Escrow
Agent shall purchase such substituted United States Obligations with the proceeds derived from the
sale, transfer, disposition or redemption of the Defeasance Securities.
(ii) The amounts realized from the disposition of Defeasance Securities and the purchase of substitute United States Obligations together with earnings on such substitute United States Obligations not required by the Defeased Series ____ Bond Escrow Agent to fulfill its obligations under Section 5 hereof shall be transferred to the Trustee for deposit in such funds and accounts under the Series ____ Bond Resolution as the Trust shall direct in writing, and for the application therefrom, at the written direction of the Trust, to the purchase or redemption of the Series 2016A-R__ Refunding Bonds or, if the Series 2016A-R__ Refunding Bonds are no longer Outstanding, in such manner as the Trustee may be advised in writing by the Trust for any corporate purpose of the Trust.

(iii) The transactions referred to in the first sentence of Section 6(b)(i) hereof may be effected only if the Trust delivers to the Defeased Series ____ Bond Escrow Agent not less than three (3) business days prior to the settlement of any such transaction hereunder (A) a certificate of an Authorized Officer of the Trust to the effect that the principal amount of the United States Obligations to be substituted, and the interest income to be earned thereon, will be sufficient without further investment to permit the Defeased Series ____ Bond Escrow Agent to fulfill the obligations set forth under Section 5 hereof, (B) an unqualified opinion of nationally recognized bond counsel to the effect that the disposition and substitution or purchase of such securities will not cause the Series 2016A-R__ Refunding Bonds to be "arbitrage bonds" within the meaning of Section 148(a) (or any successor provision) of the Code, and (C) such additional documents and exhibits revising Exhibits A and B hereto. The Trust hereby covenants that no part of the moneys or funds at any time in the Defeased Series ____ Bond Escrow Fund shall be used directly or indirectly to acquire any investment property, the acquisition of which would cause any Series 2016A-R__ Refunding Bonds to be "arbitrage bonds" as defined in Section 148(a) (or any successor provision) of the Code as then in effect.

(c) Neither the Trust nor the Defeased Series ____ Bond Escrow Agent shall enter into any forward purchase, float or assignment agreement or any direction letter in connection therewith providing for the investment and reinvestment of funds not then needed for one or more days to make debt service payments on the Series ____ Bonds to be Refunded.

SECTION 7. Receipt, Notice and Publication.

The Defeased Series ____ Bond Escrow Agent acknowledges receipt of the Series 2016A-R__ Refunding Supplemental Bond Resolution in which the 2016 Refunding of the Series ____ Bonds to be Refunded is authorized and approved. The Defeased Series ____ Bond Escrow Agent is hereby further irrevocably instructed and agrees also to mail (via registered mail or overnight courier) (i) as soon as practicable after the issuance of the Series 2016A-R__ Refunding Bonds, in the manner prescribed by Article XII of the Original Series ____ Bond Resolution, a notice to the holders of the Series ____ Bonds to be Refunded, substantially in the form of Exhibit D attached to this Defeased Series ____ Bond Escrow Deposit Agreement, that the deposit has been made with the Defeased Series ____ Bond Escrow Agent and that the Series ____ Bonds to be Refunded are deemed to have been paid in accordance with Article XII of the Original Series ____ Bond Resolution and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, on the Series ____ Bonds to be Refunded; and (ii) a notice of redemption, in substantially the form attached hereto as Exhibit E, no
later than August 1, 20__, which is at least thirty (30) days but not more than forty-five (45) days prior to the Redemption Date, to all registered owners of the Series ____ Bonds to be Refunded to be redeemed in accordance with the requirements of Article IV and other redemption provisions of the Original Series ____ Bond Resolution, as amended and supplemented. Such instruction satisfies the requirements of Section 2.04(2)(a) of the Original Series ____ Bond Resolution.

SECTION 8. Transfer of Balance in Defeased Series ____ Bond Escrow Fund after payment of the Series ____ Bonds to be Refunded on the Redemption Date.

On the Redemption Date, but in any event, notwithstanding any other provision herein to the contrary, not until AFTER payment in full of the principal and redemption premium of and the interest on all of the Series ____ Bonds to be Refunded, all remaining moneys and securities in the Defeased Series ____ Bond Escrow Fund shall be transferred by the Defeased Series ____ Bond Escrow Agent to the Trustee for deposit in such funds and accounts under the Series ____ Bond Resolution as the Trust shall direct in writing, and for the application therefrom, at the written direction of the Trust, to the purchase or redemption of the Series 2016A-R_ Refunding Bonds or, if the Series 2016A-R_ Refunding Bonds are no longer Outstanding, in such manner as the Trustee may be advised in writing by the Trust for any corporate purpose of the Trust.

SECTION 9. Interest of holders of Series ____ Bonds to be Refunded in the Defeased Series ____ Bond Escrow Fund.

The Defeased Series ____ Bond Escrow Fund created hereby shall be irrevocable, and the holders of the Series ____ Bonds to be Refunded shall have an express lien on and security interest in all amounts deposited in the Defeased Series ____ Bond Escrow Fund, including all amounts representing principal of and all amounts representing interest on the Defeasance Securities in the Defeased Series ____ Bond Escrow Fund until used and applied in accordance herewith. The Trust hereby authorizes the Trustee to cause financing and continuation statements to be signed and filed on behalf of the Trust with respect to this Defeased Series ____ Bond Escrow Deposit Agreement in such manner and in such places as may be required by law to protect fully the security of the holders of the Series ____ Bonds to be Refunded and the right, title and interest of the Defeased Series ____ Bond Escrow Agent to all amounts deposited in the Defeased Series ____ Bond Escrow Fund and the principal and interest with respect to the Defeasance Securities, and shall take or cause to be taken all action necessary to preserve the aforesaid security interest so long as any of the Series ____ Bonds to be Refunded remain unpaid.
SECTION 10. Defeased Series ____ Bond Escrow Agent.

(a) Unless otherwise provided by contract, the Defeased Series ____ Bond Escrow Agent shall be compensated for its reasonable fees, expenses and disbursements, including reasonable legal fees, incurred with respect to services rendered hereunder, based upon itemized invoices submitted to the Trust for payment, all in accordance with that certain fee letter dated ________ __, 2016. This right to receive compensation notwithstanding, the Defeased Series ____ Bond Escrow Agent hereby acknowledges that it shall not assert a lien or right of set-off on moneys in the Trust Estate (as defined in the Series ____ Bond Resolution) for any such payment, and that it shall not assert a lien or right of set-off on the moneys in the Defeased Series ____ Bond Escrow Fund for any such payment.

(b) The recitals of fact in this Defeased Series ____ Bond Escrow Deposit Agreement shall be taken as the statements of the Trust, and the Defeased Series ____ Bond Escrow Agent does not assume any responsibility for the correctness of the same. The Defeased Series ____ Bond Escrow Agent shall not be under any obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any suit in respect of this Defeased Series ____ Bond Escrow Deposit Agreement or to advance any of its own moneys unless properly indemnified to its satisfaction. The Defeased Series ____ Bond Escrow Agent shall not be liable in connection with the performance of its respective duties hereunder except for its own gross negligence or willful misconduct.

(c) The Defeased Series ____ Bond Escrow Agent shall be entitled to rely and act upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document reasonably believed by it to be genuine, and to have been signed and presented by the proper party or parties, and may consult with counsel, who may not be counsel to the Trust, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith. Whenever the Defeased Series ____ Bond Escrow Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Defeased Series ____ Bond Escrow Deposit Agreement, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by an Authorized Officer of the Trust (as defined in the Series ____ Bond Resolution), and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Defeased Series ____ Bond Escrow Deposit Agreement, but in its discretion the Defeased Series ____ Bond Escrow Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by the Trust to the Defeased Series ____ Bond Escrow Agent shall be sufficiently executed if executed in the name of the Trust by an Authorized Officer thereof.

(d) The Trust, subject to the limitation of its liability under the Series ____ Bond Resolution and applicable New Jersey law, and only out of the Trust Estate (as defined in the Series ____ Bond Resolution), shall indemnify and save harmless the Defeased Series ____ Bond Escrow Agent against any loss, liability or expense, including legal fees, that the Defeased Series ____ Bond Escrow Agent may incur in the exercise and performance of its powers and duties hereunder and that are not due to its own gross negligence or willful misconduct. The indemnification of the Defeased
Series ____ Bond Escrow Agent provided for in this Section 10(d) shall survive termination of this
Defeased Series ____ Bond Escrow Deposit Agreement pursuant to Section 11 hereof and the
resignation or removal of the Defeased Series ____ Bond Escrow Agent.

(e) The Defeased Series ____ Bond Escrow Agent may resign at any time and be
discharged of its duties hereunder, provided that (i) it has given not less than sixty (60) days written
notice to the Trust; (ii) it has mailed a notice of resignation as required by Section 10.07 of the Original
Series ____ Bond Resolution, as amended and supplemented; (iii) the Defeased Series ____ Bond
Escrow Agent has received an instrument of acceptance executed by the successor to the Defeased
Series ____ Bond Escrow Agent hereunder; and (iv) the Defeased Series ____ Bond Escrow Agent
has delivered to its successor hereunder all of the escrow documents, Defeasance Securities, moneys
and investments held by the Defeased Series ____ Bond Escrow Agent in the Defeased Series ____
Bond Escrow Fund. Such resignation shall take effect only upon the occurrence of all of the events
listed in clauses (i) through (iv) of this paragraph (e). Upon receipt by the Trust of the written notice
described in clause (i) above, the Trust shall use its best efforts to obtain a successor to the Defeased
Series ____ Bond Escrow Agent hereunder as soon as possible. If no appointment of a successor to
the Defeased Series ____ Bond Escrow Agent is made within forty-five (45) days after receipt by the
Trust of the aforementioned notice, the Defeased Series ____ Bond Escrow Agent may apply to any
court of competent jurisdiction to appoint a successor thereto.

(f) The Defeased Series ____ Bond Escrow Agent may be removed at any time by the
Trust by an instrument in writing signed and acknowledged by the Trust. A copy of such instrument
shall be delivered by the Trust to the Defeased Series ____ Bond Escrow Agent at least thirty (30)
days prior to the effective date of the removal of such Defeased Series ____ Bond Escrow Agent.
Upon such effective date, the Defeased Series ____ Bond Escrow Agent shall deliver to the Defeased
Series ____ Bond Escrow Agent's successor (at the direction of the Trust) all documents, instruments
and moneys listed in clause (iv) of paragraph (e) of Section 10 above.

(g) Notwithstanding any other provision herein to the contrary, the rights, duties and
obligations of Defeased Series ____ Bond Escrow Agent set forth herein shall be automatically
assumed by any successor organization to _____________________, on the date any such successor
organization agrees to assume such rights, duties and obligations and without any further action. Any
such successor organization shall notify the other parties hereto of the occurrence of any such
succession.

SECTION 11. Termination.

Except as provided in Section 10(d) hereof, this Defeased Series ____ Bond Escrow Deposit
Agreement shall terminate when the obligations to make payment of the principal and redemption
premium of and the interest on the Series ____ Bonds to be Refunded as set forth in Section 5(a)
hereof have been fully satisfied; provided, that moneys held by the Defeased Series ____ Bond
Escrow Agent in the Defeased Series ____ Bond Escrow Fund for the payment and discharge of any
of the Series ____ Bonds to be Refunded, which moneys remain unclaimed after the Redemption
Date shall be applied in accordance with the escheat laws of the State.

SECTION 12. Amendments.
This Defeased Series ____ Bond Escrow Deposit Agreement shall not be repealed, revoked, rescinded, altered, amended or supplemented in whole or in part by the parties hereto without the written consent of the holders of at least one hundred percent (100%) in aggregate principal amount of the unpaid Series ____ Bonds to be Refunded at the time such election is made; provided, however, that the Trust and the Defeased Series ____ Bond Escrow Agent may, without the consent of or notice to the holders of the unpaid Series ____ Bonds to be Refunded, enter into such agreements supplemental to this Defeased Series ____ Bond Escrow Deposit Agreement as shall not adversely affect the rights of such holders, and shall not be inconsistent with the terms and provisions of this Defeased Series ____ Bond Escrow Deposit Agreement, for any one or more of the following purposes:

(a) to cure any ambiguity or formal defect or omission in this Defeased Series ____ Bond Escrow Deposit Agreement; or

(b) to grant to or confer upon the Defeased Series ____ Bond Escrow Agent for the benefit of the holders of the Series ____ Bonds to be Refunded any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Defeased Series ____ Bond Escrow Agent.

The Defeased Series ____ Bond Escrow Agent shall be entitled to rely exclusively upon an unqualified opinion of nationally recognized bond counsel with respect to the matters provided for in this Section 12, including the extent, if any, to which any change, modification, addition or elimination affects the rights of holders of the Series ____ Bonds to be Refunded or that any instrument executed hereunder complies with the conditions or provisions of this Section 12. Notwithstanding anything in this paragraph to the contrary, no change shall be made to any provision of this Defeased Series ____ Bond Escrow Deposit Agreement regarding the investment or other use of the proceeds of the Series 2016A-R_ Refunding Bonds without an unqualified opinion of nationally recognized bond counsel to the effect that such change and the investment or other use of the proceeds of the Series 2016A-R_ Refunding Bonds in accordance with such change will not adversely affect the exclusion of interest on the Series 2016A-R_ Refunding Bonds from the gross income of the holders thereof for Federal income tax purposes provided under Section 103 (or any successor provision) of the Code.

The Trust shall deliver to Moody's Investors Service at the following address (or at such other address as delivered to the Trust in writing) copies of any proposed amendments to this Defeased Series ____ Bond Escrow Deposit Agreement prior to its execution and delivery thereof:

(b) In case the Trustee or any Bondholder shall have proceeded to enforce its rights under this Agreement and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Bondholder, as the case may be, then and in every such case the Trust, the Trustee and any Bondholder, as the case may be, shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Trust, the Trustee and any Bondholder shall continue as though no such proceeding had been taken.

ARTICLE 4

MISCELLANEOUS

Section 4.1. Purposes of Agreement. This Agreement is being executed and delivered by the Trust, the Trustee and the Master Program Trustee for the benefit of the Bondholders and in order to assist the Participating Underwriter in complying with clause (b)(5) of Rule 15c2-12.

Section 4.2. Trust and Bondholders. Each Bondholder is hereby recognized as being a third-party beneficiary hereunder, and each may enforce, for the equal benefit and protection of all Bondholders similarly situated, any such right, remedy or claim conferred, given or granted hereunder in favor of the Trustee, to the extent permitted in Section 3.1(a) hereof.

Section 4.3. Obligations of Trust Hereunder; Indemnified Parties. The Trust agrees to indemnify and hold harmless the Trustee and the Master Program Trustee, and any member, officer, official, employee, counsel, consultant and agent of the Trustee and the Master Program Trustee (collectively, the "Indemnified Parties"), against any and all losses, claims, damages, liabilities or expenses whatsoever caused by the Trust's failure, or a Dissemination Agent's failure, to perform or observe any of the Trust's obligations, agreements or covenants under the terms of this Agreement, but only if and insofar as such losses, claims, damages, liabilities or expenses are caused directly or indirectly by any such failure of the Trust or the Dissemination Agent to perform. In case any action shall be brought against the Indemnified Parties based upon this Agreement and in respect of which indemnity may be sought against the Trust, the Indemnified Parties shall promptly notify the Trust in writing. Upon receipt of such notification, the Trust shall promptly assume the defense of such action, including the retention of counsel, the payment of all expenses in connection with such action and the right to negotiate and settle any such action on behalf of such party to the extent allowed by law. Any Indemnified Party shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party, unless the employment of such counsel has been specifically authorized by the Trust or unless by reason of conflict of interest (determined by the written opinion of counsel to any such party) it is advisable for such party to be represented by separate counsel to be retained by the Trust, in which case the fees and expenses of such separate counsel shall be borne by the Trust. The Trust shall not be liable for any settlement of any such action effected without its written consent, but if settled with the written consent of the Trust or if there be a final judgment for the plaintiff in any such action with or without written consent, the Trust agrees to indemnify and hold harmless the Indemnified Parties from and against any loss or liability by reason of such settlement or judgment. Nothing in this Section 4.3 shall require or obligate the Trust to indemnify or hold harmless the Indemnified Parties from or against any loss, claim, damage, liability or expense caused by any negligence, recklessness or intentional misconduct of the Indemnified Parties in connection with the Trust's performance of its obligations, agreements and covenants under this Agreement.
Section 4.4. Additional Information. Nothing in this Agreement shall be deemed to prevent the Trust (a) from disseminating any other information using the means of dissemination set forth in this Agreement or any other means of communication, or (b) from including, in addition to that which is required by this Agreement, any other information in any Annual Report or any Bond Disclosure Event Notice. If the Trust chooses to include any information in any Annual Report or any Bond Disclosure Event Notice in addition to that which is specifically required by this Agreement, the Trust shall not have any obligation under this Agreement to update such information or to include it in any future Annual Report or Bond Disclosure Event Notice, as the case may be.

Section 4.5. Notices. All notices required to be given or authorized to be given by each party pursuant to this Agreement shall be in writing and shall be sent by registered or certified mail (as well as by facsimile, in the case of the Trustee) addressed to, in the case of the Trust, P.O. Box 440, Trenton, New Jersey 08625 (Attention: Executive Director); in the case of the Trustee, its Corporate Trust Department at 21 South Street, Morristown, New Jersey 07960 (facsimile: (973) 682-4540); and in the case of the Master Program Trustee, its Corporate Trust Department at 100 Wall Street, Suite 1600, New York, New York 10005.

Section 4.6. Assignments. This Agreement may not be assigned by any party without the consent of the others and, as a condition to any such assignment, only upon the assumption in writing of all of the obligations imposed upon such party by this Agreement.

Section 4.7. Severability. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatsoever.

Section 4.8. Execution in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. Each party hereto may sign the same counterpart or each party hereto may sign a separate counterpart.

Section 4.9. Amendments, Changes and Modifications. (a) Except as otherwise provided in this Agreement, subsequent to the initial issuance of the Bonds and prior to their payment in full (or provision for payment thereof having been made in accordance with the provisions of the Resolution), this Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the parties hereto.

(b) Without the consent of any Bondholders, the Trust, the Trustee and the Master Program Trustee at any time and from time to time may enter into any amendments or modifications to this Agreement for any of the following purposes:

(i) to add to the covenants and agreements of the Trust hereunder for the benefit of the Bondholders, or to surrender any right or power conferred upon the Trust by this Agreement;
(ii) to modify the contents, presentation and format of the Annual Report from time to time to conform to changes in accounting or disclosure principles or practices or legal requirements followed by or applicable to the Trust or the Program, to reflect changes in the identity, nature or status of the Trust or the Program or in the business, structure or operations of the Trust or the Program, or to reflect any mergers, consolidations, acquisitions or dispositions made by or affecting the Trust or the Program; provided, that any such modification shall not be in contravention of Rule 15c2-12 as then in effect at the time of such modification; or

(iii) to cure any ambiguity herein, to correct or supplement any provision hereof that may be inconsistent with any other provision hereof, or to include any other provisions with respect to matters or questions arising under this Agreement, any of which, in each case, would have complied with the requirements of Rule 15c2-12 at the time of the primary offering, after taking into account any amendments or interpretations of Rule 15c2-12 as well as any changes in circumstances;

provided, that prior to approving any such amendment or modification, the Trustee, in reliance upon an opinion of Bond Counsel (as defined in the Resolution) to the Trust, determines that such amendment or modification does not adversely affect the interests of the Bondholders in any material respect.

(c) Upon entering into any amendment or modification required or permitted by this Agreement that materially affects the interests of the Bondholders, the Trust shall deliver to each of the Repositories written notice of any such amendment or modification.

(d) The Trust, the Trustee and the Master Program Trustee shall be entitled to rely exclusively upon an opinion of Bond Counsel to the Trust to the effect that such amendments or modifications comply with the conditions and provisions of this Section 4.9.

Section 4.10. Amendments Required by Rule 15c2-12. The Trust, the Trustee and the Master Program Trustee each recognize that the provisions of this Agreement are intended to enable compliance with Rule 15c2-12. If, as a result of a change in Rule 15c2-12 or in the interpretation thereof or the promulgation of a successor rule, statute or regulation thereto, a change in this Agreement shall be permitted or necessary to assure continued compliance with Rule 15c2-12 and upon delivery of an opinion of Bond Counsel to the Trust addressed to the Trust, the Trustee and the Master Program Trustee to the effect that such amendments shall be permitted or necessary to assure continued compliance with Rule 15c2-12 as so amended or interpreted, then the Trust, the Trustee and the Master Program Trustee shall amend this Agreement to comply with and be bound by any such amendment to the extent necessary or desirable to assure compliance with the provisions of Rule 15c2-12 and shall provide written notice of such amendment as required by Section 4.9(c) hereof.

Section 4.11. Governing Law. This Agreement shall be governed exclusively by and construed in accordance with the laws of the State and the laws of the United States of America, as applicable.
Section 4.12. Commencement and Termination of Continuing Disclosure Obligations. The obligations of the Trust and the Trustee hereunder and the consent of the Master Program Trustee set forth in Section 2.6 hereof shall be in full force and effect from the date of issuance of the Bonds, and shall continue in effect until the date either (i) the Bonds are no longer outstanding in accordance with the terms of the Resolution or (ii) the Program no longer remains a material "obligated person" (as the term "obligated person" is defined in Rule 15c2-12) as a result of an interpretation of Rule 15c2-12, and in either event only after the Trust delivers written notice to such effect to each National Repository or to the MSRB and the State Depository, if any.

OBJECTIVE CRITERIA AS SET FORTH IN THE FINAL OFFICIAL STATEMENT

SECONDARY MARKET DISCLOSURE

In connection with the provisions of Rule 15c2-12, as amended, supplemented and officially interpreted from time to time, or any successor provision thereto, promulgated by the Securities and Exchange Commission (the “SEC”) pursuant to the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), the Trust has determined that, with regard to the Bonds, it is not an “obligated person”, as defined therein.

Furthermore, the Trust has determined in the Resolution that those Borrowers (from any Financing Program) whose remaining Fund Loan repayments in all Coverage Providing Financing Programs, when aggregated with their Trust Loan repayments, if any, exceed ten percent (10%) of the sum of (i) the aggregate of all remaining Fund Loan repayments from all Borrowers in all Coverage Providing Financing Programs and (ii) the aggregate of all remaining Trust Loan repayments from all Borrowers, shall be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds. To the extent any such Borrowers have entered into Borrower Service Agreements with Participants and any such Participants have entered into Indirect Borrower Service Agreements with Indirect Participants whereby Annual Charges or Indirect Annual Charges, as the case may be, materially secure such Loan repayments of any such Borrower, any such Participants and Indirect Participants also shall be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds.

Each Borrower has covenanted in its Trust Loan Agreement, for the benefit of the respective Bondholders, to enter into a Borrower Continuing Disclosure Agreement (the “Borrower Continuing Disclosure Agreement”) should it meet, at any time during the term of its respective Trust Loan, the material “obligated persons” test referred to above. Such Borrower Continuing Disclosure Agreement obligates any such Borrower to provide (i) certain financial information and operating data relating to such Borrower and the Participants and Indirect Participants, if any, of such Borrower, including, without limitation, audited financial statements, within 225 days after the end of each fiscal year for which any such Borrower Continuing Disclosure Agreement is in effect (the “Annual Report”), and (ii) notice to the Trust of the occurrence of certain enumerated events, if material. The specific nature of the information to be contained in the Annual Report and the notices of material events is summarized in Appendix F to the Final Official Statement – “SUMMARY OF THE SERIES 20__ TRUST LOAN AGREEMENTS (INCLUDING THE CONTINUING DISCLOSURE AGREEMENTS FOR THE SERIES 20__ BORROWERS), THE SERIES 20__ FUND LOAN AGREEMENTS AND THE OTHER COVERAGE PROVIDING FUND LOAN AGREEMENTS.”

The Borrower Continuing Disclosure Agreement further requires that the Annual Report shall be delivered by or on behalf of such Borrower to each Nationally Recognized Municipal Securities Information Repository recognized by the SEC (each a “NRMSIR”) and to the State Information Depository recognized by the SEC (the “SID”), if any. Notices of material events
relating to the Trust Loan Bonds of such Borrower will be filed by such Borrower with the Trust, and the notices of material events relating to the Series 20__ Bonds will be filed directly by the Trust with each NRMSIR or with the Municipal Securities Rulemaking Board (the “MSRB”) and the SID, if any. As of the date of this Official Statement, the filing of any information with the Electronic Municipal Market Access facility for municipal securities disclosure of the MSRB shall satisfy the requirement to file such information with each NRMSIR. The obligations under the Borrower Continuing Disclosure Agreement shall continue through final maturity (stated or otherwise) of the Bonds, but shall terminate when any such material “obligated persons” shall no longer meet the material “obligated persons” test with respect to the Bonds. The Trust shall have no liability to the Bondholders or to any other person with respect to the secondary market disclosure of any such material “obligated persons.” See Appendix F to the Final Official Statement – “SUMMARY OF THE SERIES 20__ TRUST LOAN AGREEMENTS (INCLUDING THE CONTINUING DISCLOSURE AGREEMENTS FOR THE SERIES 20__ BORROWERS), THE SERIES 20__ FUND LOAN AGREEMENTS AND THE OTHER COVERAGE PROVIDING FUND LOAN AGREEMENTS”.

In light of the additional security provided for each series of the Bonds as a Coverage Receiving Financing Program (along with the current and all future Coverage Receiving Financing Programs) through certain Fund Loan repayments in Coverage Providing Financing Programs, the Trust has determined that only the Borrowers, Participants and Indirect Participants identified in the immediately succeeding paragraph (if any) will be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds. With respect to all other Borrowers, Participants and Indirect Participants, the Trust has determined that no financial or operating data is material to any decision to purchase, hold or sell the Bonds, and the Trust will not itself provide or cause any such Borrowers, Participants and Indirect Participants to provide any such information with respect to any such Borrowers, Participants and Indirect Participants.

As of the date of issuance of the Bonds, there are no Borrowers that meet this material “obligated persons” test for the Bonds. In addition, as of such issuance, no Participants or Indirect Participants meet this test with respect to the Bonds.

Based upon official interpretations of Rule 15c2-12, the Trust has determined that, in connection with the Bonds, the Series 20__ Financing Program relating to the Bonds is an “obligated person”, as defined in Rule 15c2-12. In addition, on the date of delivery of the Bonds, the Trust will enter into a Trust Continuing Disclosure Agreement (the “Trust Continuing Disclosure Agreement”; the Borrower Continuing Disclosure Agreement and the Trust Continuing Disclosure Agreement shall be referred to collectively herein as the “Continuing Disclosure Agreements”), for the benefit of the beneficial owners of the Bonds, pursuant to which the Trust will agree to comply on a continual basis with the disclosure requirements of Rule 15c2-12 relating to the Bonds. Specifically, the Trust will covenant to provide certain financial information relating to the Series 20__ Financing Program relating to the Bonds, which financial information will be similar to that provided herein in Note 7 to Appendix A to the Final Official Statement, relating to each existing and future Coverage Providing Financing Program (the “Financing Program Annual Report”) to each NRMSIR and the SID, if any. In addition, the Trust will covenant to provide notices of the occurrence of certain enumerated events, if material, relating to the Bonds to each NRMSIR or to the MSRB and the SID, if any. As of the date of this Official Statement, the filing of any information with the Electronic Municipal Market Access facility for municipal securities...
disclosure of the MSRB shall satisfy the requirement to file such information with each NRMSIR. The specific nature of the information to be contained in the Annual Report and the notices of material events is summarized in Appendix E to the Final Official Statement – “SUMMARY OF THE SERIES 20__ BOND RESOLUTIONS, THE MASTER PROGRAM TRUST AGREEMENT AND THE TRUST CONTINUING DISCLOSURE AGREEMENT.”

The sole and exclusive remedy for breach of or default under the Continuing Disclosure Agreements to provide continuing disclosure as described above is an action to compel specific performance of the Continuing Disclosure Agreements by the parties thereto, and no person, including any holder of the Bonds, may recover monetary damages thereunder under any circumstances. In addition, if all or any part of Rule 15c2-12 ceases to be in effect for any reason, then the information required to be provided under the Continuing Disclosure Agreements, insofar as the provision of Rule 15c2-12 no longer in effect required the providing of such information, shall no longer be required to be provided. The Continuing Disclosure Agreements also may be amended or modified without the consent of the holders of the Bonds under certain circumstances set forth therein. Copies of the Continuing Disclosure Agreements when executed by the parties thereto upon the delivery of the Bonds will be on file at the office of the Trustee.

AUTHORIZATION AND DETAILS OF SERIES 2016A-R4 REFUNDING BONDS

SECTION 2.01. [Reserved].

SECTION 2.02. Issuance of Series 2016A-R4 Refunding Bonds; Parity Nature of Bonds; Savings.

(A) The Trust hereby declares the issuance of the Series 2016A-R4 Refunding Bonds to be an authorized undertaking of the Trust pursuant to the Act and Section 2.04(1) of the Original Series 2010A Bond Resolution, as amended and supplemented, and hereby authorizes and directs an Authorized Officer to execute and deliver all documents necessary or desirable in connection therewith.

(B) In accordance with the terms of the Series 2010A Bond Resolution, upon the issuance of the Series 2016A-R4 Refunding Bonds pursuant to the terms hereof, the Holders of the Series 2016A-R4 Refunding Bonds will be equally and ratably entitled to the benefit of the pledge of the Trust Estate under the Series 2010A Bond Resolution with the Holders of the Series 2010A Bonds that shall remain Outstanding (the “Outstanding Series 2010A Bonds”) and any other Series of Bonds to be issued pursuant to the Series 2010A Bond Resolution, including, without limitation, the moneys and securities in the Debt Service Fund and the rights to the Loan Repayments. Accordingly, each Series of Bonds that is Outstanding pursuant to the terms of the Series 2010A Bond Resolution shall be of equal rank without preference, priority or distinction as to lien or otherwise, except as may be expressly provided in the Series 2010A Bond Resolution.

(C) The Trust shall create two Loan Repayment schedules for each of the Series 2010A Trust Loans (collectively, the “Loan Repayment Schedules”): (i) the first, reflecting the Loan Repayments that are allocable to the Series 2016A-R4 Refunding Bonds until the maturity thereof; and (ii) the second, reflecting the Loan Repayments that are allocable to the Outstanding Series 2010A Bonds until the maturity thereof. At its election, the Trust may present such Loan Repayment Schedules in a consolidated format. In addition, the Trust shall prepare a consolidated schedule (the “Savings Credit Schedules”) that reflects the Savings to be realized by each Borrower with respect to its Series 2010A Trust Loan through the implementation of the 2016 Refunding of the Series 2010A Bonds to be Refunded. The Loan Repayment Schedules and the Savings Credit Schedule shall be provided by the Trust to each Borrower promptly following the issuance by the Trust of the Series 2016A-R4 Refunding Bonds. The Loan Repayments to be made by the Borrowers shall be allocated by the Trustee on a pro rata basis to the respective Accounts within the Revenue Fund relating to each Series of Bonds; thereafter, disbursements shall be made by the Trustee to the respective Accounts within the Debt Service Fund for each Series of Bonds for payment of the principal and redemption premium, if any, of and the interest on each such Series of Bonds.

Notwithstanding any provision to the contrary in the Series 2010A Bond Resolution and in light of the foregoing provisions of this subsection (D), to the extent there is an acceleration of the then Outstanding Bonds, the Trustee might receive Loan Repayments earmarked to pay the principal amount of the accelerated Outstanding Bonds in excess of said Outstanding Bonds. In such case, any such excess amount shall be deposited by the Trustee in the General Fund to be used by the Trust free and clear of any lien created under the Series 2010A Bond Resolution for any corporate purpose of the Trust.

(E) The Trustee shall take into account as a credit to the Loan Repayments otherwise due from the Borrower on each such Loan Repayment date the Savings, other than the Withheld Savings, if any, specified in such the Savings Credit Schedule.

(F) On the date that is no more than 180 days after the date of issuance of the Series 2016A-R4 Refunding Bonds, any moneys remaining in the Costs of Issuance Account in the Operating Expense Fund shall be paid by the Trust to the Trustee for deposit in the Debt Service Fund to be used to pay interest on the Series 2016A-R4 Refunding Bonds on the first available Interest Payment Date.

(c) Accordingly, on ________, 2016, the Defeased Series ____ Bond Escrow Agent hereby acknowledges the collective receipt of $______________ for immediate transfer to or deposit in the Defeased Series ____ Bond Escrow Fund, all as required by a Certificate of an Authorized Officer of the Trust delivered pursuant to Section 3.02(B) of the Series 2016A-R_ Refunding Supplemental Bond Resolution.

SECTION 4. Deposit of Funds and Purchase of Defeasance Securities.

(a) Immediately upon the Defeased Series ____ Bond Escrow Agent's receipt of the moneys referred to in Sections 3(a), (b) and (c) above in the aggregate amount of $______________, the Defeased Series ____ Bond Escrow Agent shall immediately deposit same in the Defeased Series ____ Bond Escrow Fund.

(b) The Defeased Series ____ Bond Escrow Agent is hereby authorized and directed by the Trust to apply $______________ from the amounts so deposited in the Defeased Series ____ Bond Escrow Fund in accordance with Section 3 above to the purchase of the Investment Securities ("Investment Securities"), identified on the attached Exhibit A hereto (the "Defeasance Securities"), leaving the balance of such deposit in the amount of $____ to remain uninvested in cash until applied in accordance with the terms hereof.
(d) The Defeasance Securities are direct, noncallable obligations of the United States of America, and are Investment Securities as described in clause (i) of the definition of "Investment Securities" in Section 1.01 of the Original Series ____ Bond Resolution, as amended and supplemented, and in accordance with the requirements of Article XII of the Original Series ____ Bond Resolution, as amended and supplemented. In reliance on the Verification Report of _________________, dated __________, 2016, attached hereto as Exhibit B, the receipt of which is acknowledged by the parties hereto, the Trust represents that the amounts so deposited in the Defeased Series ____ Bond Escrow Fund, together with income from the investments therefrom to be retained therein pursuant to this Defeased Series ____ Bond Escrow Deposit Agreement, will provide sufficient funds to pay (i) all of the interest due from March 1, 2017 through the Redemption Date on the Series ____ Bonds to be Refunded, (ii) all of the principal of the Series ____ Bonds to be Refunded on the Redemption Date, and (iii) the redemption premium, if any applicable to redeeming all of the Series ____ Bonds to be Refunded on the Redemption Date.

(a) The Defeased Series ____ Bond Escrow Agent agrees that the amounts deposited in the Defeased Series ____ Bond Escrow Fund pursuant to Section 4 hereof and the interest income to be earned thereon and any other moneys and investments deposited in the Defeased Series ____ Bond Escrow Fund will be held in trust solely for the benefit of the holders of the Series ____ Bonds to be Refunded. The Trust hereby irrevocably instructs the Defeased Series ____ Bond Escrow Agent to apply the principal of and interest earned on the Defeasance Securities through and including the Redemption Date to the payment of (i) all of the interest due from March 1, 2017 through and including the Redemption Date on all of the Series ____ Bonds to be Refunded, (ii) all of the principal of all of the Series ____ Bonds to be Refunded on the Redemption Date, and (iii) the redemption premium, if any, applicable to redeeming all of the Series ____ Bonds to be Refunded on the Redemption Date.

Notices of defeasance and redemption of the Series ____ Bonds to be Refunded shall be given by the Defeased Series ____ Bond Escrow Agent in accordance with Section 7 hereof. The Defeased Series ____ Bond Escrow Agent shall have no liability for the payment of the principal and redemption premium of and the interest on the Series ____ Bonds to be Refunded pursuant to this Section 5 and the Series ____ Bond Resolution, including, without limitation, any deficiencies in the amount of moneys available therefor, except for the application of moneys and obligations available for such purposes in the Defeased Series ____ Bond Escrow Fund. The Defeased Series ____ Bond Escrow Agent shall not be liable for any loss resulting from any investment made in accordance with the provisions of this Defeased Series ____ Bond Escrow Deposit Agreement or from any error in the numerical calculations set forth in the Exhibits attached hereto.

(b) Any portions of the principal of and interest earned on the Defeasance Securities maturing and not needed at that time to make the aforesaid payments on the Series ____ Bonds to be Refunded shall remain in trust for the benefit of the holders of the Series ____ Bonds to be Refunded. Any amounts in excess of such amounts shall remain uninvested until applied as aforesaid. For the purposes of the immediately preceding sentence, "uninvested" shall mean either: (A) the purchase,
at the written direction of the Trust, of additional Investment Securities bearing interest at the rate of 0% per annum, if such Investment Securities are available; (B) held as cash; or (C) such other use of funds as directed by the Trust and as (I) may be authorized by an approving opinion of nationally recognized bond counsel to the effect that such use of funds will not cause the Series 2016A-R Refunding Bonds to be "arbitrage bonds" within the meaning of Section 148(a) (or any successor provision) of the Code and (II) are not needed by the Defeased Series Bond Escrow Agent to fulfill the obligations under Section 5(a) hereof. The Trust shall prepare and deliver to the Defeased Series Bond Escrow Agent or cause the Defeased Series Bond Escrow Agent to prepare and deliver the completed Investment Securities forms necessary to permit the Defeased Series Bond Escrow Agent to make any reinvestments in Investment Securities in the time and manner required by this paragraph (b). All reinvestments must be in Defeasance Securities that mature in amounts at least equal to the purchase price on or before the next debt service payment date, as advised to the Escrow Agent by the Trust.

(c) Investments in mutual funds or unit investment trusts are prohibited for any investments made in accordance with this Section 5 or Section 6 hereof.

(a) Except as provided in Sections 4, 5 and 6 hereof, the Defeased Series Bond Escrow Agent shall have no power or duty to invest any funds held under this Defeased Series Bond Escrow Deposit Agreement or to sell, transfer or otherwise dispose of or make substitutions of the Defeasance Securities.

(b) (i) At the written request of the Trust not less than three (3) business days prior to the settlement of any such transaction hereunder and upon compliance with the conditions hereinafter stated, the Defeased Series Bond Escrow Agent shall sell, transfer or otherwise dispose of or request the redemption of the Defeasance Securities and shall substitute for such Defeasance Securities direct obligations of the United States of America ("United States Obligations"), which may or may not permit the redemption thereof at the option of the holder thereof, but not at the option of the issuer of such United States Obligations. The Trust hereby covenants and agrees that it will not request the Defeased Series Bond Escrow Agent to exercise any of the powers described in the preceding sentence in any manner that would cause the Series 2016A-R Refunding Bonds to be arbitrage bonds within the meaning of Section 148(a) (or any successor provision) of the Code and the regulations thereunder on the date of such request and applicable to obligations issued on the issue date of the Series 2016A-R Refunding Bonds. The Defeased Series Bond Escrow Agent shall purchase such substituted United States Obligations with the proceeds derived from the sale, transfer, disposition or redemption of the Defeasance Securities.
(ii) The amounts realized from the disposition of Defeasance Securities and the purchase of substitute United States Obligations together with earnings on such substitute United States Obligations not required by the Defeased Series ____ Bond Escrow Agent to fulfill its obligations under Section 5 hereof shall be transferred to the Trustee for deposit in such funds and accounts under the Series ____ Bond Resolution as the Trust shall direct in writing, and for the application therefrom, at the written direction of the Trust, to the purchase or redemption of the Series 2016A-R Refunding Bonds or, if the Series 2016A-R Refunding Bonds are no longer Outstanding, in such manner as the Trustee may be advised in writing by the Trust for any corporate purpose of the Trust.

(iii) The transactions referred to in the first sentence of Section 6(b)(i) hereof may be effected only if the Trust delivers to the Defeased Series ____ Bond Escrow Agent not less than three (3) business days prior to the settlement of any such transaction hereunder (A) a certificate of an Authorized Officer of the Trust to the effect that the principal amount of the United States Obligations to be substituted, and the interest income to be earned thereon, will be sufficient without further investment to permit the Defeased Series ____ Bond Escrow Agent to fulfill the obligations set forth under Section 5 hereof, (B) an unqualified opinion of nationally recognized bond counsel to the effect that the disposition and substitution or purchase of such securities will not cause the Series 2016A-R Refunding Bonds to be "arbitrage bonds" within the meaning of Section 148(a) (or any successor provision) of the Code, and (C) such additional documents and exhibits revising Exhibits A and B hereto. The Trust hereby covenants that no part of the moneys or funds at any time in the Defeased Series ____ Bond Escrow Fund shall be used directly or indirectly to acquire any investment property, the acquisition of which would cause any Series 2016A-R Refunding Bonds to be "arbitrage bonds" as defined in Section 148(a) (or any successor provision) of the Code as then in effect.

(c) Neither the Trust nor the Defeased Series ____ Bond Escrow Agent shall enter into any forward purchase, float or assignment agreement or any direction letter in connection therewith providing for the investment and reinvestment of funds not then needed for one or more days to make debt service payments on the Series ____ Bonds to be Refunded.

SECTION 7. Receipt, Notice and Publication.

The Defeased Series ____ Bond Escrow Agent acknowledges receipt of the Series 2016A-R Refunding Supplemental Bond Resolution in which the 2016 Refunding of the Series ____ Bonds to be Refunded is authorized and approved. The Defeased Series ____ Bond Escrow Agent is hereby further irrevocably instructed and agrees also to mail (via registered mail or overnight courier) (i) as soon as practicable after the issuance of the Series 2016A-R Refunding Bonds, in the manner prescribed by Article XII of the Original Series ____ Bond Resolution, a notice to the holders of the Series ____ Bonds to be Refunded, substantially in the form of Exhibit D attached to this Defeased Series ____ Bond Escrow Deposit Agreement, that the deposit has been made with the Defeased Series ____ Bond Escrow Agent and that the Series ____ Bonds to be Refunded are deemed to have been paid in accordance with Article XII of the Original Series ____ Bond Resolution and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, on the Series ____ Bonds to be Refunded; and (ii) a notice of redemption, in substantially the form attached hereto as Exhibit E, no
later than August 1, 20__, which is at least thirty (30) days but not more than forty-five (45) days prior to the Redemption Date, to all registered owners of the Series ____ Bonds to be Refunded to be redeemed in accordance with the requirements of Article IV and other redemption provisions of the Original Series ____ Bond Resolution, as amended and supplemented. Such instruction satisfies the requirements of Section 2.04(2)(a) of the Original Series ____ Bond Resolution.

SECTION 8. Transfer of Balance in Deceased Series ____ Bond Escrow Fund after payment of the Series ____ Bonds to be Refunded on the Redemption Date.

On the Redemption Date, but in any event, notwithstanding any other provision herein to the contrary, not until AFTER payment in full of the principal and redemption premium of and the interest on all of the Series ____ Bonds to be Refunded, all remaining moneys and securities in the Deceased Series ____ Bond Escrow Fund shall be transferred by the Deceased Series ____ Bond Escrow Agent to the Trustee for deposit in such funds and accounts under the Series ____ Bond Resolution as the Trust shall direct in writing, and for the application therefrom, at the written direction of the Trust, to the purchase or redemption of the Series 2016A-R__ Refunding Bonds or, if the Series 2016A-R__ Refunding Bonds are no longer Outstanding, in such manner as the Trustee may be advised in writing by the Trust for any corporate purpose of the Trust.

SECTION 9. Interest of holders of Series ____ Bonds to be Refunded in the Deceased Series ____ Bond Escrow Fund.

The Deceased Series ____ Bond Escrow Fund created hereby shall be irrevocable, and the holders of the Series ____ Bonds to be Refunded shall have an express lien on and security interest in all amounts deposited in the Deceased Series ____ Bond Escrow Fund, including all amounts representing principal of and all amounts representing interest on the Defeasance Securities in the Deceased Series ____ Bond Escrow Fund until used and applied in accordance herewith. The Trust hereby authorizes the Trustee to cause financing and continuation statements to be signed and filed on behalf of the Trust with respect to this Deceased Series ____ Bond Escrow Deposit Agreement in such manner and in such places as may be required by law to protect fully the security of the holders of the Series ____ Bonds to be Refunded and the right, title and interest of the Deceased Series ____ Bond Escrow Agent to all amounts deposited in the Deceased Series ____ Bond Escrow Fund and the principal and interest with respect to the Defeasance Securities, and shall take or cause to be taken all action necessary to preserve the aforesaid security interest so long as any of the Series ____ Bonds to be Refunded remain unpaid.
SECTION 10. Defeased Series ____ Bond Escrow Agent.

(a) Unless otherwise provided by contract, the Defeased Series ____ Bond Escrow Agent shall be compensated for its reasonable fees, expenses and disbursements, including reasonable legal fees, incurred with respect to services rendered hereunder, based upon itemized invoices submitted to the Trust for payment, all in accordance with that certain fee letter dated __________, 2016. This right to receive compensation notwithstanding, the Defeased Series ____ Bond Escrow Agent hereby acknowledges that it shall not assert a lien or right of set-off on moneys in the Trust Estate (as defined in the Series ____ Bond Resolution) for any such payment, and that it shall not assert a lien or right of set-off on the moneys in the Defeased Series ____ Bond Escrow Fund for any such payment.

(b) The recitals of fact in this Defeased Series ____ Bond Escrow Deposit Agreement shall be taken as the statements of the Trust, and the Defeased Series ____ Bond Escrow Agent does not assume any responsibility for the correctness of the same. The Defeased Series ____ Bond Escrow Agent shall not be under any obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any suit in respect of this Defeased Series ____ Bond Escrow Deposit Agreement or to advance any of its own moneys unless properly indemnified to its satisfaction. Whenever the Defeased Series ____ Bond Escrow Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Defeased Series ____ Bond Escrow Deposit Agreement, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by an Authorized Officer of the Trust (as defined in the Series ____ Bond Resolution), and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Defeased Series ____ Bond Escrow Deposit Agreement, but in its discretion the Defeased Series ____ Bond Escrow Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by the Trust to the Defeased Series ____ Bond Escrow Agent shall be sufficiently executed if executed in the name of the Trust by an Authorized Officer thereof.

(d) The Trust, subject to the limitation of its liability under the Series ____ Bond Resolution and applicable New Jersey law, and only out of the Trust Estate (as defined in the Series ____ Bond Resolution), shall indemnify and save harmless the Defeased Series ____ Bond Escrow Agent against any loss, liability or expense, including legal fees, that the Defeased Series ____ Bond Escrow Agent may incur in the exercise and performance of its powers and duties hereunder and that are not due to its own gross negligence or willful misconduct. The indemnification of the Defeased...

Any such successor organization shall notify the other parties hereto of the occurrence of any such succession.

Upon receipt of such notification, the Trust shall promptly assume the defense of such action, including the retention of counsel, the payment of all expenses in connection with such action and the right to negotiate and settle any such action on behalf of such party to the extent allowed by law. Any Indemnified Party shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party, unless the employment of such counsel has been specifically authorized by the Trust or unless by reason of conflict of interest (determined by the written opinion of counsel to any such party) it is advisable for such party to be represented by separate counsel to be retained by the Trust, in which case the fees and expenses of such separate counsel shall be borne by the Trust. The Trust shall not be liable for any settlement of any such action effected without its written consent, but if settled with the written consent of the Trust or if there be a final judgment for the plaintiff in any such action with or without written consent, the Trust agrees to indemnify and hold harmless the Indemnified Parties from and against any loss or liability by reason of such settlement or judgment. Nothing in this Section 4.3 shall require or obligate the Trust to indemnify or hold harmless the Indemnified Parties from or against any loss, claim, damage, liability or expense caused by any negligence, recklessness or intentional misconduct of the Indemnified Parties in connection with the Trust's performance of its obligations, agreements and covenants under this Agreement.
Section 4.4. Additional Information. Nothing in this Agreement shall be deemed to prevent the Trust (a) from disseminating any other information using the means of dissemination set forth in this Agreement or any other means of communication, or (b) from including, in addition to that which is required by this Agreement, any other information in any Annual Report or any Bond Disclosure Event Notice. If the Trust chooses to include any information in any Annual Report or any Bond Disclosure Event Notice in addition to that which is specifically required by this Agreement, the Trust shall not have any obligation under this Agreement to update such information or to include it in any future Annual Report or Bond Disclosure Event Notice, as the case may be.

Section 4.5. Notices. All notices required to be given or authorized to be given by each party pursuant to this Agreement shall be in writing and shall be sent by registered or certified mail (as well as by facsimile, in the case of the Trustee) addressed to, in the case of the Trust, P.O. Box 440, Trenton, New Jersey 08625 (Attention: Executive Director); in the case of the Trustee, its Corporate Trust Department at 21 South Street, Morristown, New Jersey 07960 (facsimile: (973) 682-4540); and in the case of the Master Program Trustee, its Corporate Trust Department at 100 Wall Street, Suite 1600, New York, New York 10005.

Section 4.6. Assignments. This Agreement may not be assigned by any party without the consent of the others and, as a condition to any such assignment, only upon the assumption in writing of all of the obligations imposed upon such party by this Agreement.

Section 4.7. Severability. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatsoever.

Section 4.8. Execution in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. Each party hereto may sign the same counterpart or each party hereto may sign a separate counterpart.

Section 4.9. Amendments, Changes and Modifications. (a) Except as otherwise provided in this Agreement, subsequent to the initial issuance of the Bonds and prior to their payment in full (or provision for payment thereof having been made in accordance with the provisions of the Resolution), this Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the parties hereto.

(b) Without the consent of any Bondholders, the Trust, the Trustee and the Master Program Trustee at any time and from time to time may enter into any amendments or modifications to this Agreement for any of the following purposes:

(i) to add to the covenants and agreements of the Trust hereunder for the benefit of the Bondholders, or to surrender any right or power conferred upon the Trust by this Agreement;
(ii) to modify the contents, presentation and format of the Annual Report from time to time to conform to changes in accounting or disclosure principles or practices or legal requirements followed by or applicable to the Trust or the Program, to reflect changes in the identity, nature or status of the Trust or the Program or in the business, structure or operations of the Trust or the Program, or to reflect any mergers, consolidations, acquisitions or dispositions made by or affecting the Trust or the Program; provided, that any such modification shall not be in contravention of Rule 15c2-12 as then in effect at the time of such modification; or

(iii) to cure any ambiguity herein, to correct or supplement any provision hereof that may be inconsistent with any other provision hereof, or to include any other provisions with respect to matters or questions arising under this Agreement, any of which, in each case, would have complied with the requirements of Rule 15c2-12 at the time of the primary offering, after taking into account any amendments or interpretations of Rule 15c2-12 as well as any changes in circumstances;

provided, that prior to approving any such amendment or modification, the Trustee, in reliance upon an opinion of Bond Counsel (as defined in the Resolution) to the Trust, determines that such amendment or modification does not adversely affect the interests of the Bondholders in any material respect.

(c) Upon entering into any amendment or modification required or permitted by this Agreement that materially affects the interests of the Bondholders, the Trust shall deliver to each of the Repositories written notice of any such amendment or modification.

(d) The Trust, the Trustee and the Master Program Trustee shall be entitled to rely exclusively upon an opinion of Bond Counsel to the Trust to the effect that such amendments or modifications comply with the conditions and provisions of this Section 4.9.

Section 4.10. Amendments Required by Rule 15c2-12. The Trust, the Trustee and the Master Program Trustee each recognize that the provisions of this Agreement are intended to enable compliance with Rule 15c2-12. If, as a result of a change in Rule 15c2-12 or in the interpretation thereof or the promulgation of a successor rule, statute or regulation thereto, a change in this Agreement shall be permitted or necessary to assure continued compliance with Rule 15c2-12 and upon delivery of an opinion of Bond Counsel to the Trust addressed to the Trust, the Trustee and the Master Program Trustee to the effect that such amendments shall be permitted or necessary to assure continued compliance with Rule 15c2-12 as so amended or interpreted, then the Trust, the Trustee and the Master Program Trustee shall amend this Agreement to comply with and be bound by any such amendment to the extent necessary or desirable to assure compliance with the provisions of Rule 15c2-12 and shall provide written notice of such amendment as required by Section 4.9(c) hereof.

Section 4.11. Governing Law. This Agreement shall be governed exclusively by and construed in accordance with the laws of the State and the laws of the United States of America, as applicable.
Section 4.12. Commencement and Termination of Continuing Disclosure Obligations. The obligations of the Trust and the Trustee hereunder and the consent of the Master Program Trustee set forth in Section 2.6 hereof shall be in full force and effect from the date of issuance of the Bonds, and shall continue in effect until the date either (i) the Bonds are no longer outstanding in accordance with the terms of the Resolution or (ii) the Program no longer remains a material "obligated person" (as the term "obligated person" is defined in Rule 15c2-12) as a result of an interpretation of Rule 15c2-12, and in either event only after the Trust delivers written notice to such effect to each National Repository or to the MSRB and the State Depository, if any.

Section 4.13. Prior Undertakings. Other than as disclosed in the Official Statement, the Trust has not failed to comply in any material respect with any prior continuing disclosure undertaking made by the Trust in accordance with Rule 15c2-12.

OBJECTIVE CRITERIA AS SET FORTH IN THE FINAL OFFICIAL STATEMENT

SECONDARY MARKET DISCLOSURE

In connection with the provisions of Rule 15c2-12, as amended, supplemented and officially interpreted from time to time, or any successor provision thereto, promulgated by the Securities and Exchange Commission (the “SEC”) pursuant to the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), the Trust has determined that, with regard to the Bonds, it is not an “obligated person”, as defined therein.

Furthermore, the Trust has determined in the Resolution that those Borrowers (from any Financing Program) whose remaining Fund Loan repayments in all Coverage Providing Financing Programs, when aggregated with their Trust Loan repayments, if any, exceed ten percent (10%) of the sum of (i) the aggregate of all remaining Fund Loan repayments from all Borrowers in all Coverage Providing Financing Programs and (ii) the aggregate of all remaining Trust Loan repayments from all Borrowers, shall be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds. To the extent any such Borrowers have entered into Borrower Service Agreements with Participants and any such Participants have entered into Indirect Borrower Service Agreements with Indirect Participants whereby Annual Charges or Indirect Annual Charges, as the case may be, materially secure such Loan repayments of any such Borrower, any such Participants and Indirect Participants also shall be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds.

Each Borrower has covenanted in its Trust Loan Agreement, for the benefit of the respective Bondholders, to enter into a Borrower Continuing Disclosure Agreement (the “Borrower Continuing Disclosure Agreement”) should it meet, at any time during the term of its respective Trust Loan, the material “obligated persons” test referred to above. Such Borrower Continuing Disclosure Agreement obligates any such Borrower to provide (i) certain financial information and operating data relating to such Borrower and the Participants and Indirect Participants, if any, of such Borrower, including, without limitation, audited financial statements, within 225 days after the end of each fiscal year for which any such Borrower Continuing Disclosure Agreement is in effect (the “Annual Report”), and (ii) notice to the Trust of the occurrence of certain enumerated events, if material. The specific nature of the information to be contained in the Annual Report and the notices of material events is summarized in Appendix F to the Final Official Statement – “SUMMARY OF THE SERIES 20__ TRUST LOAN AGREEMENTS (INCLUDING THE CONTINUING DISCLOSURE AGREEMENTS FOR THE SERIES 20__ BORROWERS), THE SERIES 20__ FUND LOAN AGREEMENTS AND THE OTHER COVERAGE PROVIDING FUND LOAN AGREEMENTS.”

The Borrower Continuing Disclosure Agreement further requires that the Annual Report shall be delivered by or on behalf of such Borrower to each Nationally Recognized Municipal Securities Information Repository recognized by the SEC (each a “NRMSIR”) and to the State Information Depository recognized by the SEC (the “SID”), if any. Notices of material events
relating to the Trust Loan Bonds of such Borrower will be filed by such Borrower with the Trust, and the notices of material events relating to the Series 20__ Bonds will be filed directly by the Trust with each NRMSIR or with the Municipal Securities Rulemaking Board (the “MSRB”) and the SID, if any. As of the date of this Official Statement, the filing of any information with the Electronic Municipal Market Access facility for municipal securities disclosure of the MSRB shall satisfy the requirement to file such information with each NRMSIR. The obligations under the Borrower Continuing Disclosure Agreement shall continue through final maturity (stated or otherwise) of the Bonds, but shall terminate when any such material “obligated persons” shall no longer meet the material “obligated persons” test with respect to the Bonds. The Trust shall have no liability to the Bondholders or to any other person with respect to the secondary market disclosure of any such material “obligated persons.” See Appendix F to the Final Official Statement – “SUMMARY OF THE SERIES 20__ TRUST LOAN AGREEMENTS (INCLUDING THE CONTINUING DISCLOSURE AGREEMENTS FOR THE SERIES 20__ BORROWERS), THE SERIES 20__ FUND LOAN AGREEMENTS AND THE OTHER COVERAGE PROVIDING FUND LOAN AGREEMENTS”.

In light of the additional security provided for each series of the Bonds as a Coverage Receiving Financing Program (along with the current and all future Coverage Receiving Financing Programs) through certain Fund Loan repayments in Coverage Providing Financing Programs, the Trust has determined that only the Borrowers, Participants and Indirect Participants identified in the immediately succeeding paragraph (if any) will be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds. With respect to all other Borrowers, Participants and Indirect Participants, the Trust has determined that no financial or operating data is material to any decision to purchase, hold or sell the Bonds, and the Trust will not itself provide or cause any such Borrowers, Participants and Indirect Participants to provide any such information with respect to any such Borrowers, Participants and Indirect Participants.

As of the date of issuance of the Bonds, there are no Borrowers that meet this material “obligated persons” test for the Bonds. In addition, as of such issuance, no Participants or Indirect Participants meet this test with respect to the Bonds.

Based upon official interpretations of Rule 15c2-12, the Trust has determined that, in connection with the Bonds, the Series 20__ Financing Program relating to the Bonds is an “obligated person”, as defined in Rule 15c2-12. In addition, on the date of delivery of the Bonds, the Trust will enter into a Trust Continuing Disclosure Agreement (the “Trust Continuing Disclosure Agreement”; the Borrower Continuing Disclosure Agreement and the Trust Continuing Disclosure Agreement shall be referred to collectively herein as the “Continuing Disclosure Agreements”), for the benefit of the beneficial owners of the Bonds, pursuant to which the Trust will agree to comply on a continual basis with the disclosure requirements of Rule 15c2-12 relating to the Bonds. Specifically, the Trust will covenant to provide certain financial information relating to the Series 20__ Financing Program relating to the Bonds, which financial information will be similar to that provided herein in Note 7 to Appendix A to the Final Official Statement, relating to each existing and future Coverage Providing Financing Program (the “Financing Program Annual Report”) to each NRMSIR and the SID, if any. In addition, the Trust will covenant to provide notices of the occurrence of certain enumerated events, if material, relating to the Bonds to each NRMSIR or to the MSRB and the SID, if any. As of the date of this Official Statement, the filing of any information with the Electronic Municipal Market Access facility for municipal securities...
disclosure of the MSRB shall satisfy the requirement to file such information with each NRMSIR. The specific nature of the information to be contained in the Annual Report and the notices of material events is summarized in Appendix E to the Final Official Statement – “SUMMARY OF THE SERIES 20__ BOND RESOLUTIONS, THE MASTER PROGRAM TRUST AGREEMENT AND THE TRUST CONTINUING DISCLOSURE AGREEMENT.”

The sole and exclusive remedy for breach of or default under the Continuing Disclosure Agreements to provide continuing disclosure as described above is an action to compel specific performance of the Continuing Disclosure Agreements by the parties thereto, and no person, including any holder of the Bonds, may recover monetary damages thereunder under any circumstances. In addition, if all or any part of Rule 15c2-12 ceases to be in effect for any reason, then the information required to be provided under the Continuing Disclosure Agreements, insofar as the provision of Rule 15c2-12 no longer in effect required the providing of such information, shall no longer be required to be provided. The Continuing Disclosure Agreements also may be amended or modified without the consent of the holders of the Bonds under certain circumstances set forth therein. Copies of the Continuing Disclosure Agreements when executed by the parties thereto upon the delivery of the Bonds will be on file at the office of the Trustee.
