There were no comments or questions.

6. PUBLIC COMMENTS:

Vice Chairman Briant invited comments from the public. There were no comments.

7. UNFINISHED BUSINESS:

A₁. COO Peterson discussed the status of review for Water Bank Loan applications reporting that 24 projects had been certified or received Authorization to Award since July 1, 2019 totaling \$50 million, and an additional 15 projects had received Authorization to Advertise totaling \$262 million.

There were no comments or questions.

- A₂. COO Peterson discussed the status of Transportation Bank Loan applications reporting that 2 projects had received either concurrence of construction award or certification since July 1, 2019 totaling \$10.4 million and an additional 8 projects with a total value of \$43.6 million are under design review.

Mr. Ellis asked if there has been any benefit in having the WISE Act, which requires local government units to get a Fiscal Cost Estimate from the I-Bank prior to bonding for any Water project. Mr. Nolan of McCarter and English responded that any previous data relating to non-participants had been anecdotal and therefore, hard to measure. It is the responsibility of each borrower's Bond Counsel to ensure compliance with the WISE Act. Executive Director Zimmer noted that the WISE Act does not require borrowers to utilize the Water Bank for Financing but provide increased transparency. It was also noted that the WISE Act does not apply to the Transportation Program. There were no additional comments or questions.

- B₁. Mr. Bill Machotka, of the DEP's Municipal Finance and Construction Element, gave the Water Bank Construction status updates stating that there are 294 active projects totaling \$1,677,923,803 and 1,341 closed projects with loans totaling \$6,053,233,139 for a grand total of 1,635 projects at \$7,731,156,942.

There were no comments or questions.

- B₂. COO Peterson next discussed the status of the Transportation Bank Construction process.

A total of nine projects have received funding allocations; four of which are fully certified and in the process of commencing construction and the remaining five are in the process of finalizing and submitting their construction contracts for review and certification.

Executive Director Zimmer congratulated IT Manager Schmidt, the NJIB IT Team and staff at the DOT on an outstanding job rolling out the NJ-Moves electronic project review portal. Executive Director Zimmer also provided an update on the resumes received for the open Transportation Bank COO position and noted that he expects the interviewing process will be completed in early November. There were no additional comments or questions.

- C. Executive Director Zimmer next reported on the status of the Water Bank Construction and SAIL Loan Program noting that the I-Bank received 8 new applications since September 1, 2019 for loans totaling \$73.3 million. The Program received 54 Water Bank Loan applications through September 31, 2019 totaling \$334.1 million. The Water Bank closed no Construction Loans since September 1, 2019 but increased one outstanding loan for an additional phase totaling \$3.3 million. The Program has 151 Construction and SAIL Loan's outstanding to-date totaling \$954.4 million. The Program disbursed \$39.5 million of funds to 34 projects in since September 1, 2019. 148 projects with open Construction and SAIL Loans have received disbursements from the Water Bank through September 31, 2019 totaling \$431.9 million, or approximately 45.25% of the outstanding short-term loan balance.

Executive Director Zimmer next reported on the status of the Transportation Construction Loan Program noting that the Transportation Bank received no new applications for financing since September 1, 2019. The Transportation Bank has a total of 1 Loan application outstanding through September 31, 2019 for \$10.5 million. The Transportation Bank closed no loans since September 1,

2019. The Transportation Bank has 7 closed loans outstanding totaling \$30.6 million. The Transportation Bank disbursed \$254,606 to 2 projects since September 1, 2019. 7 projects with open Construction Loans have received disbursements from the Transportation Bank through September 31, 2019 totaling \$570,981.

There were no comments or questions.

- D. CFO Kaltman reported on SFY2020-Q2 short-term interest rate for the Water and Transportation Bank Program. The rate for the second quarter is set at 1.35%, the same rate as last quarter, CFO Kaltman reaffirmed that, pursuant to Resolution No. 19-09, Water Bank borrowers will not be charged interest on short-term construction loans until such time that the I-Bank utilizes short-term funds from an external source.

There were no comments or questions.

- E. Executive Director Zimmer reported that there were no outstanding Requests for Proposals.

Executive Director Zimmer stated there will be an RFQ that will be issued prior to the next Board Meeting. There were no additional comments or questions.

- F. COO Peterson reported on the Aged Loan Inventory.

There are a total of 13 Aged Loans outstanding from 2015 and earlier. I-Bank and DEP staff are working together with the borrowers to close these remaining loans.

Mr. Briant asked for the top 3 reasons why projects don't close. Executive Director Zimmer responded 1- Litigation, 2- Construction, or 3- A phase needs to be rebid. There were no additional comments or questions.

8. NEW BUSINESS:

- A. Executive Director Zimmer introduced the I-Bank's Comptroller Chris Bruther to present Resolution No. 19-51 accepting the August 2019 Treasurer's Report.

Mr. Bruther asked if there were any comments or questions. Hearing none, Vice Chairman Briant requested a motion for approval.

The resolution was moved for adoption by Mr. Ellis and seconded by Mr. Longo. The motion was carried with all 7 members voting in favor of the motion.

- B. Executive Director Zimmer introduced Chief Financial Officer Kaltman to present Resolution No. 19-52 approving the SFY2019 Audit Report.

Chief Financial Officer Kaltman thanked Maria Andujar and the entire Accounting Staff on an outstanding job done preparing the Audit Report for auditors Clifton Larson Allen. Audit Committee Chair Briant presented the Audit Report to the Board on behalf of the Audit Committee. Mr. Briant

noted that the audit was a clean report and then presented the Board with the financial highlights of the year. There were no additional comments or questions. Vice Chairman Briant requested a motion for approval.

The resolution was moved for adoption by Mr. Longo and seconded by Mr. Ellis.
The motion was carried with all 7 members voting in favor of the motion.

- C. Executive Director Zimmer introduced COO Peterson to present Resolution No. 19-53 Ms. Peterson advised that the Resolution authorizes two SFY2020 NJEIFP Construction Financing Program (CLP) Loans to (i) Bergen County Utilities Authority for Project No. S340386-23 for Sludge digester improvements in an amount not to exceed \$18.7 million; and (ii) North Hudson Sewer Authority for Project No. S340952-33 for Phase 1 of the construction of sewer management elements in an amount not to exceed \$22.5 million.

COO Peterson asked if there were any comments or questions. Hearing none, Vice Chairman Briant requested a motion for approval.

The resolution was moved for adoption by Mr. Russo and seconded by Ms. Holmes.
The motion was carried with all 7 members voting in favor of the motion.

- D. Executive Director Zimmer introduced IT Manager Schmidt to present Resolution No. 19-54. Mr. Schmidt advised that the Resolution authorizes the I-Bank to contract to upgrade its Microsoft's Office 365 software to version E5. The E5 plan will increase the I-Bank's cybersecurity capabilities helping to address increased security threats. The upgrade includes new security and compliance feature sets, such as advanced threat protection, mobile device management, better reporting and analytics for the Office 365 platform, and Azure Active Directory and Voicemail environments with an additional annual cost of approximately \$2,800.

IT Manager Schmidt asked if there were any comments or questions. Hearing none, Vice Chairman Briant requested a motion for approval

The resolution was moved for adoption by Ms. Holmes and seconded by Mr. Russo.
The motion was carried with all 7 members voting in favor of the motion.

9. EXECUTIVE SESSION:

RESOLUTION NO. 19-53

RESOLUTION OF THE NEW JERSEY INFRASTRUCTURE BANK APPROVING CONSTRUCTION LOANS TO BERGEN COUNTY UTILITIES AUTHORITY AND NORTH HUDSON SEWER AUTHORITY

WHEREAS, the New Jersey Infrastructure Bank (the “I-Bank”), in accordance with (i) the “New Jersey Infrastructure Trust Act”, constituting Chapter 334 of the Pamphlet Laws of 1985 of the State of New Jersey (codified at N.J.S.A. 58:11B-1 et seq.), as the same may from time to time be amended and supplemented (the “Act”), and (ii) the regulations promulgated pursuant to the Act (N.J.A.C. 7:22-2.1 et seq.), as the same may from time to time be amended and supplemented (the “Regulations”), is authorized, pursuant to an interim financing program (the “Interim Financing Program”), to make loans (each, an “Interim Loan”) to eligible project sponsors (each, a “Borrower”) for the purpose of financing the allowable costs of environmental infrastructure projects, provided that each such Interim Loan satisfies the requirements of the Regulations, including, without limitation, N.J.A.C. 7:22-4.47; and

WHEREAS, pursuant to the provisions of N.J.A.C. 7:22-4.47, a proposed project sponsor is eligible to be a Borrower for an Interim Loan pursuant to the Interim Financing Program, provided all of the following conditions are satisfied in full: (i) the projects are listed on the project priority list developed in accordance with N.J.A.C. 7:22-4.8(a); (ii) the proposed project sponsors have submitted a complete application for the project in accordance with N.J.A.C. 7:22-4.11; (iii) the projects have been certified for funding by the I-Bank in accordance with N.J.A.C. 7:22-4.13; (iv) the projects are in the fundable range in the forthcoming funding cycle given the projects’ rank and the anticipated availability of Department of Environmental Protection (the “Department”) and I-Bank monies; and (v) the proposed project sponsors have not previously received an Interim Loan through the Interim Financing Program for the same project scope; and

WHEREAS, the I-Bank duly adopted Resolution No. 19-09 on February 14, 2019 entitled “Resolution of the New Jersey Infrastructure Bank Authorizing the Water Bank Construction Financing Program for State Fiscal Year 2020” (the “Authorizing Resolution”) to provide funding for the implementation of the Interim Financing Program during State Fiscal Year 2020 including the “Construction Financing Program” (the “Construction Loan Program”); and

WHEREAS, it is the desire of the Board to authorize Construction Loan Program loans (the “Construction Loans”) pursuant to the Construction Loan Program for Construction Loan closings occurring in SFY2020; and

WHEREAS, pursuant to the terms and definitions of the Authorizing Resolution, the Authorized Officers are each severally authorized, after consultation with Bond Counsel to the I-Bank and the Office of the Attorney General of the State, to approve the participation of a Borrower in the Construction Loan Program, provided that such Borrower qualifies for such participation pursuant to the provisions of the Act and the Regulations and the terms of the Authorizing Resolution; and

WHEREAS, pursuant to Section 3 of the Authorizing Resolution, any Construction Loan approved by the Authorized Officers, following the requisite consultations, and made by the I-Bank to a Borrower as part of the Construction Loan Program shall not exceed \$15 million in

principal amount (the “Construction Loan Limitation”) unless a higher principal amount thereof is authorized by official action of the Board; and

WHEREAS, pursuant to Section 2 of the Authorizing Resolution, revisions and modifications may be made to terms and provisions of the Construction Loan Program pursuant to further official action in the form of the adoption of a resolution by the Board of Directors of the I-Bank; and

WHEREAS, Bergen County Utilities Authority (“BCUA”) has requested from the I-Bank a construction loan, in anticipation of a long-term loan from each of the I-Bank and the Department, to finance the planning, design and construction of Project #S340386-23, for sludge digester improvements (the “BCUA Project”); and

WHEREAS, North Hudson Sewer Authority (“NHSA”) has requested from the I-Bank a construction loan, in anticipation of a long-term loan from each of the I-Bank and the Department, to finance the planning, design and construction of Project #S340952-33, for Phase 1 of the construction of a pumping station, a mechanical and electrical controls building, vortex grit separators and connection points for a force main and gravity influent sewer (the “NHSA Project”); and

WHEREAS, pursuant to the BCUA Project and NHSA Project construction schedules, Construction Loans not to exceed two years for planning and design, and three full fiscal years for construction will be made to fund the BCUA Project and the NHSA Project, all or a portion of which will be completed prior to each borrower’s receipt of I-Bank and Department long-term New Jersey Environmental Infrastructure Financing Program loans, thereby resulting in BCUA’s request for a Construction Loan in an amount not to exceed \$18,700,000, and NHSA’s request for a Construction Loan in an amount not to exceed \$22,500,000; and

WHEREAS, with respect to the Authorizing Resolution’s Construction Loan Limitation providing that any Construction Loan approved by any of the Authorized Officers, following the requisite consultations, and made by the I-Bank to a Borrower as part of the Construction Loan Program shall not exceed \$15 million in principal amount, subject to further official action in the form of the adoption of a resolution by the Board of Directors of the I-Bank, the I-Bank now desires, given the facts and circumstances set forth in the recitals hereto, to create as an exception to such limitation upon Construction Loans, as part of the Construction Loan Program, and approve the aforementioned Construction Loans to BCUA and NHSA in an amount not to exceed the amount stated for the purpose of completing the BCUA Project and the NHSA Project; and

WHEREAS, it is the desire of the I-Bank that, other than the Authorizing Resolution’s Construction Loan Limitation described in the immediately preceding recital, BCUA and NHSA shall comply with (i) all other requirements of the Authorizing Resolution, (ii) all applicable requirements of the Act, and (iii) all applicable requirements of the Regulations.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the New Jersey Infrastructure Bank, as follows:

Section 1. Notwithstanding the Authorizing Resolution’s Construction Loan

Limitation providing that all Construction Loans approved by the Authorized Officers, following the requisite consultations, and made by the I-Bank to Borrowers as part of the Construction Loan Program, shall not exceed \$15 million in principal amount, the Board of Directors of the I-Bank, given the facts and circumstances set forth in the recitals hereto, hereby authorizes, as an exception to the Construction Loan Limitation, a Construction Loan, as part of the Construction SFY2020 Loan Program, to following project sponsors for the stated projects in an amount not to exceed the amount stated for the purpose of completing the projects.

Project Sponsor	Project #	Description	Total Authorized Loan Amount
Bergen County Utilities Authority	S340386-23	Sludge digester improvements	\$18,700,000
North Hudson Sewer Authority	S340952-33	Phase 1 of construction of sewer management elements	\$22,500,000

Section 2. Notwithstanding the stated Construction Loan amounts of \$18,700,000 to BCUA and \$22,500,000 to NHSA, the Construction Financing Program funding commitment for each Construction Loan shall be limited to the operable segments certified, in amounts set forth in the Department’s allowable cost determination for each such operable segment, and such funding commitment shall arise at the time of loan closing of the first such operable segment, and upon the Department’s allowable cost determination for each subsequent operable segment certified thereafter, recognizing that the terms and conditions of the long-term New Jersey Environmental Infrastructure Financing Program loans for the BCUA Project and the NHSA Project shall reflect the terms and conditions of the financing program year in which each construction operable segment is certified.

Section 3. Other than the exceptions created by the provisions of Section 1 of this Resolution, the Construction Loans made BCUA and NHSA as part of the Construction Loan Program shall comply fully with (i) each of the terms, provisions and conditions precedent set forth in the Authorizing Resolution, (ii) all applicable requirements of the Act, and (iii) all applicable requirements of the Regulations.
