powers of the United States of America and may state that no opinion is being rendered as to the availability of any particular remedy, but that such limitations do not make the rights and remedies of the Bondholders, taken as a whole, inadequate for the practical realization of the benefits of the Loan Agreements.

SECTION 2.04. Refunding Bonds.

1. One or more Series of Refunding Bonds may be issued at any time to refund any Outstanding Bond or Bonds of a particular Series or all of the Bonds of one or more Series. Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make the deposits in the funds and accounts under this Bond Resolution required by the provisions of the Supplemental Resolution authorizing such Bonds. Refunding Bonds shall be on a parity with and, except as otherwise provided in the Applicable Supplemental Resolution for such Refunding Bonds, shall be entitled to the same benefit and security of this Bond Resolution including the pledge of the Trust Estate as the Bonds of the Series of Bonds which are being refunded.

2. Refunding Bonds of each Series shall be authenticated and delivered by the Trustee only upon receipt by the Trustee (in addition to the documents required by Section 2.02) of:

(a) Instructions to the Trustee, satisfactory to it, to give due notice of redemption, if applicable, of all the Bonds to be refunded on a redemption date or dates specified in such instructions, subject to the provisions of Section 12.01;

(b) If the Bonds to be refunded are not by their terms subject to redemption within the next succeeding sixty (60) days, instructions to the Trustee, satisfactory to it, to mail the notice provided for in Section 12.01 to the Holders of the Bonds being refunded;

(d) A Certificate of an Authorized Officer of the Trust demonstrating that the Trust Bond Loan Repayments to become due in each Bond Year during which such Refunding Bonds shall be Outstanding shall be sufficient to pay when due the principal or Redemption Price of, and interest on, all Bonds Outstanding upon the authentication and delivery of such Series of Refunding Bonds;

(e) A verification report of an independent nationally recognized certified public accountant addressed to the Trust and the Trustee with respect to the matters set forth in (c) and (d) hereof; and

(f) In the event that a forward supply contract is employed in connection with the matters set forth in (c) and (d) hereof, (i) the verification report required by (e) hereof shall expressly state that the adequacy of the irrevocable trust described in (c) hereof to accomplish the issuance of Refunding Bonds relies solely on the initial investments and the maturing principal thereof and interest income thereon and does not assume performance under or compliance with the forward supply contract, and (ii) the escrow agreement entered into by the Trust pursuant to (c) hereof shall provide that in the event of any discrepancy...
or differences between the terms of the forward supply contract and the escrow agreement, the terms of the escrow agreement shall be controlling.

3. The proceeds, including accrued interest, of the Refunding Bonds of each Series shall be applied simultaneously with the delivery of such Refunding Bonds for the purposes of making deposits, if any, in such Funds and Accounts as shall be provided by the Supplemental Resolution authorizing such Series of Refunding Bonds and shall be applied to the refunding purposes thereof in the manner provided in said Supplemental Resolution.

SECTION 2.05. Book-Entry-Only System.

1. Except as provided in subparagraph 3 of this Section 2.05, the registered Holder of all of the Series 2017B-1 Bonds shall be, and the Series 2017B-1 Bonds shall be registered in the name of, Cede & Co. as nominee of DTC. Payment of semiannual interest for any Series 2017B-1 Bond shall be made by wire transfer to the account of Cede & Co. on the Interest Payment Date for the Series 2017B-1 Bonds at the address indicated for Cede & Co. in the registry books of the Trust kept by the Trustee.

2. The Series 2017B-1 Bonds shall be issued initially in the form of a separate single fully registered Bond in the amount of the aggregate principal amount of each separate stated maturity of the Series 2017B-1 Bonds. Upon initial issuance, the ownership of each such Series 2017B-1 Bond shall be registered in the registry books of the Trust kept by the Trustee in the name of Cede & Co., as nominee of DTC. With respect to Series 2017B-1 Bonds registered in the registry books kept by the Trustee in the name of Cede & Co., as nominee of DTC, the Trust and any Fiduciary shall have no responsibility or obligation to any participant or to any beneficial owner of such Series 2017B-1 Bonds. Without limiting the immediately preceding sentence, the Trust and any Fiduciary shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any participant with respect to any beneficial ownership interest in the Series 2017B-1 Bonds, (ii) the delivery to any participant, any beneficial owner or any other person, other than DTC, of any notice with respect to the Series 2017B-1 Bonds, including any notice of redemption, or (iii) the payment to any participant, any beneficial owner or any other person, other than DTC, of any amount with respect to the principal or Redemption Price of, or interest on, the Series 2017B-1 Bonds. The Trust and any Fiduciary may treat as, and deem DTC to be, the absolute owner of each Series 2017B-1 Bond for the purpose of making payments of principal or Redemption Price of, and interest on, each such Series 2017B-1 Bond, for the purpose of giving notices of redemption and other matters with respect to such Series 2017B-1 Bonds, for the purpose of registering transfers with respect to such Series 2017B-1 Bonds and for all other purposes whatsoever. The Paying Agent shall pay all principal or Redemption Price of, and interest on, the Series 2017B-1 Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Trust’s obligations with respect to the principal or Redemption Price of, and interest on, the Series 2017B-1 Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive a Series 2017B-1 Bond evidencing the obligation of the Trust to make payments of principal or Redemption Price of, and interest on, the Series 2017B-1 Bonds pursuant to this Bond Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the term “Cede & Co.” in this Bond Resolution shall refer to such new nominee of DTC.

3. (a) DTC may determine to discontinue providing its services with respect to the Series 2017B-1 Bonds at any time by giving written notice to the Trust and the Fiduciaries and discharging its responsibilities with respect thereto under applicable law.

(b) The Trust, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2017B-1 Bonds if the Trust so determines, and
shall terminate the services of DTC with respect to the Series 2017B-1 Bonds upon receipt by the Trust and the Fiduciaries of written notice from DTC to the effect that DTC has received written notice from participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Series 2017B-1 Bonds to the effect that: (i) DTC is unable to discharge its responsibilities with respect to the Series 2017B-1 Bonds; or (ii) a continuation of the requirement that all of the Outstanding Series 2017B-1 Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2017B-1 Bonds.

(c) Upon the termination of the services of DTC with respect to the Series 2017B-1 Bonds pursuant to subsection 2.05(3)(b)(ii) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Series 2017B-1 Bonds pursuant to subsection 2.05(3)(a) or subsection 2.05(3)(b)(i) hereof after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Trust, is willing and able to undertake such functions upon reasonable and customary terms, the Series 2017B-1 Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co. as nominee of DTC, but may be registered in whatever name or names Bondholders transferring or exchanging Series 2017B-1 Bonds shall designate, in accordance with the provisions of Article II hereof.

4. Notwithstanding any other provision of this Bond Resolution to the contrary, so long as any Series 2017B-1 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal or Redemption Price of, and interest on, such Series 2017B-1 Bond and all notices with respect to such Series 2017B-1 Bond shall be made and given, respectively, to DTC as provided in the representation letter of the Trust and the Trustee addressed to DTC with respect to the Series 2017B-1 Bonds.

5. In connection with any notice or other communication to be provided to Bondholders pursuant to this Bond Resolution by the Trust or the Trustee with respect to any consent or other action to be taken by Bondholders, the Trust or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.
ARTICLE III

GENERAL TERMS AND PROVISIONS OF BONDS

SECTION 3.01. Medium of Payment; Form and Date; Letters and Numbers.

1. The Bonds shall be payable, with respect to interest and principal or Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

2. The Bonds of each Series shall be issued only in the form of fully registered Bonds without coupons in denominations of, subject to the denominations required by Section 2.03(3) and 2.05(2) hereof with regard to the initial denominations of the Series 2017B-1 Bonds, $5,000 or any whole multiple thereof. The Bonds of each Series shall be in substantially the form set forth in Section 14.01 or substantially in the form set forth in the Supplemental Resolution authorizing such Series.

3. Each Bond shall be lettered and numbered as provided in this Bond Resolution or the Supplemental Resolution providing for the issuance of the Series of which such Bond is a part and so as to be distinguished from every other Bond.

Bonds of each Series issued on the date of original issuance shall be dated and bear interest from the date set forth in this Bond Resolution or the Supplemental Resolution authorizing such Series of Bonds. Bonds of each Series issued after the date of original issuance shall be dated as of the date of authentication thereof by the Trustee. Interest on each Bond shall be payable from the most recent Interest Payment Date next preceding the date of authentication of such Bond to which interest has been paid, unless the date of authentication of such Bond is an Interest Payment Date to which interest has been paid, in which case interest shall be payable from such Interest Payment Date, or unless the date of such Bond is prior to the first Interest Payment Date on the Bonds, in which case interest shall be payable from the earliest date on which interest shall have accrued on the Bonds, or unless the date of such Bond is between the Record Date and the next succeeding Interest Payment Date, in which case interest shall be payable from such Interest Payment Date.

4. The interest on, and principal or Redemption Price, if any, of, each Series of Bonds shall be payable as provided in this Bond Resolution or Supplemental Resolution relating to such Series of Bonds.

SECTION 3.02. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Bond Resolution as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, the Act, or otherwise, as may be determined by the Trust prior to the authentication and delivery thereof.

SECTION 3.03. Execution and Authentication.

1. The Bonds shall be executed in the name of the Trust by the manual or facsimile signature of the Chairman or other Authorized Officer of the Trust, and its corporate seal (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced thereon and attested by the manual or facsimile signature of the Secretary or Assistant Secretary or other Authorized Officer of the Trust, or in such other manner as may be required or permitted by law. In case any one or more of the Authorized Officers of the Trust who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been authenticated and delivered by the Trustee, such Bonds may,
nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond of a Series may be signed and sealed on behalf of the Trust by such persons who at the time of the execution of such Bonds shall be duly authorized or shall hold the proper office in the Trust, although at the date borne by the Bonds of such Series such persons may not have been so authorized or have held such office.

2. The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in this Bond Resolution or in the Supplemental Resolution authorizing such Series of Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under this Bond Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Trust shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under this Bond Resolution and that the Holder thereof is entitled to the benefits of this Bond Resolution.

SECTION 3.04. Transfer and Registry.

1. Each Bond shall be transferable only upon the books of the Trust, which shall be kept for that purpose at the Principal Office of the Trustee, by the Holder thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Holder or his duly authorized attorney. Upon the transfer of any such Bond the Trust shall issue in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and Series and maturity as the surrendered Bond.

2. The Trust and each Fiduciary may deem and treat the person in whose name any Bond shall be registered upon the books of the Trust as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, and interest on, such Bond and for all other purposes, and all such payments so made to any such Holder or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Trust nor any Fiduciary shall be affected by any notice to the contrary. The Trust agrees to indemnify and save each Fiduciary harmless from and against any and all loss, cost, charge, expense (including legal fees), judgment or liability incurred by it, acting in good faith and without negligence under this Bond Resolution, in so treating such Holder, and that such indemnity shall survive the payment of the Bonds and the discharge of this Bond Resolution.

SECTION 3.05. Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Trust shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Bond Resolution. All Bonds surrendered in any such exchange or transfer shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the Trust or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer. Neither the Trust nor the Trustee shall be required (a) to transfer or exchange Bonds for a period beginning on the Record Date next preceding an Interest Payment Date for the Bonds and ending on such Interest Payment Date, or for a period of fifteen (15) days (or such lesser period as may be specified in a Supplemental Resolution for a particular Series of Bonds) next preceding the date (as determined by the Trustee) of any selection of Bonds to be redeemed or thereafter until after the mailing of any notice of redemption; or (b) to transfer or exchange any Bonds called or tendered for redemption.

SECTION 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Trust shall execute, and thereupon the Trustee shall authenticate
and deliver, a new Bond of like Series, maturity and principal amount as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence satisfactory to the Trust and the Trustee that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Trust and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Trust and the Trustee may prescribe and paying such expenses as the Trust and Trustee may incur. All mutilated Bonds so surrendered to the Trustee shall be canceled by it. Any such new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Trust, whether or not the Bonds so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by, and entitled to equal and proportionate benefits with all other Bonds issued under this Bond Resolution in, any moneys or securities held by the Trust or any Fiduciary for the benefit of the Bondholders.

SECTION 3.07. Temporary Bonds.

1. Until the definitive Bonds of any Series are prepared, the Trust may execute, in the same manner as is provided in Section 3.03, and upon the request of the Trust, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Trust at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds, the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, definitive Bonds of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to this Bond Resolution.

2. All temporary Bonds surrendered in exchange either for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

SECTION 3.08. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with all Bonds purchased by the Trustee, shall thereupon be promptly canceled. Bonds so canceled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be filed with the Trust and the other executed certificate shall be retained by the Trustee.
ARTICLE IV

REDEMPTION OF BONDS PRIOR TO MATURITY

SECTION 4.01. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to this Bond Resolution shall be redeemable, upon notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms in addition to the terms contained in this Article IV as may be specified in this Bond Resolution and the Supplemental Resolution authorizing such Series of Bonds. In order to redeem prior to maturity Bonds which are registered in the name of Cede & Co., the Redemption Price plus accrued interest thereon shall be deposited with the Trustee in immediately available funds not later than 11:00 a.m., New York City time, on the redemption date.

SECTION 4.02. Optional and Mandatory Sinking Fund Redemption.

1. The Series 2017B-1 Bonds shall be subject to optional redemption and mandatory sinking fund redemption in accordance with the provisions of this Bond Resolution, including, without limitation, Sections 2.03(5) and (6), respectively, hereof.

2. In the case of any redemption of Bonds at the election or direction of the Trust, the Trust shall give written notice to the Trustee of its election or direction to so redeem, of the redemption date, and of the principal amounts of the Bonds of each maturity to be redeemed (which maturities and principal amounts thereof to be redeemed shall be determined by the Trust in its sole discretion, subject to any limitations with respect thereto contained in this Bond Resolution). Such notice shall be given at least fifty (50) days prior to the redemption date or such shorter period as shall be agreed to in writing by the Trustee. In the event notice of redemption shall have been given as provided in Section 4.05, the Trust shall pay or require the Applicable Borrower to pay to the Trustee on or prior to the redemption date an amount in cash which, in addition to other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, all of the Bonds to be redeemed.

SECTION 4.03. Redemption Otherwise than at Trust’s Election or Direction. Whenever by the terms of this Bond Resolution the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the Trust, the Trustee shall select the Bonds to be redeemed, give the notice of redemption as provided in Section 4.05 and pay out of moneys available therefor the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, to the Paying Agent in accordance with the terms of this Article IV and, to the extent applicable, Article V hereof.

SECTION 4.04. Selection of Bonds to Be Redeemed. If less than all of the Bonds of like maturity shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee shall determine; provided, however, that the portion of any Bond of a denomination of more than $5,000 to be redeemed shall be in the principal amount of $5,000 or an integral multiple thereof, and that, in selecting Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by the minimum denomination in which Bonds of such Series are authorized to be outstanding after the redemption date.

SECTION 4.05. Notice of Redemption. When Bonds of a Series have been selected for redemption pursuant to any provision of this Bond Resolution, the Trustee shall give written notice of the redemption of such Bonds in the name of the Trust at the times specified in the second paragraph of this Section, which notice shall set forth: (i) the Series of the Bonds to be redeemed, (ii) the date fixed for redemption, (iii) the Redemption Price to be paid, (iv) that such Bonds will be redeemed at the Principal
Office of the Paying Agent, (v) if less than all of such Bonds shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed, (vi) in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed, and (vii) except with respect to a mandatory sinking fund redemption, that such redemption is conditioned upon there being on deposit with the Trustee on the date designated for redemption moneys sufficient for the payment of the Redemption Price and the accrued interest to the redemption date. Such notice shall further state that on the redemption date there shall become due and payable the Redemption Price of all Bonds to be redeemed, together with interest accrued to the redemption date, and that, from and after such date, interest thereon shall cease to accrue. In case any Bond is to be redeemed in part only, the notice of redemption that relates to such Bond shall state also that on or after the redemption date, upon surrender of such Bond, the Holder thereof shall be entitled to a new Bond or Bonds of the same Series, bearing interest at the same rate and in aggregate principal amount equal to the unredeemed portion of such Bond.

The notice required to be given by the Trustee pursuant to this Section shall be sent by first class mail to the registered owners of the Bonds to be redeemed, at their addresses as they appear on the Bond registration books of the Trust, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date. The failure to give notice of the redemption of any Bond or portion thereof to the registered owner of such Bond as herein provided shall not affect the validity of the proceedings for the redemption of any Bonds for which notice of redemption has been given in accordance with the provisions of this Section.

SECTION 4.06. Payment of Redeemed Bonds. On the date designated for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions of Bonds called for redemption shall become and be due and payable at the Redemption Price provided for redemption of such Bonds or such portions thereof on such date and, if upon presentation and surrender moneys for the payment of the Redemption Price and the accrued interest to the redemption date are held in a separate account by the Trustee in trust for the holders of such Bonds, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof shall cease to be entitled to any benefit or security under this Bond Resolution and the Holders of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of the Redemption Price thereof and the accrued interest thereon and, to the extent provided in Section 4.07 hereof, to receive Bonds for any unredeemed portions of Bonds.

SECTION 4.07. Redemption of Portions of Bonds. In case part but not all of an Outstanding Bond shall be selected for redemption, upon presentation and surrender of such Bond to the Paying Agent for payment of the principal amount thereof so called for redemption and accrued interest thereon on or after the redemption date, the Trust shall execute and the Trustee shall authenticate and deliver to or upon the order of the registered owner thereof or his attorney or legal representative, without charge therefor, a Bond or Bonds of the same Series bearing interest at the same rate and of any denomination or denominations authorized by this Bond Resolution in aggregate principal amount equal to the unredeemed portion of such Bond.

4. The Trustee shall deposit in the Administrative Fee Account the Administrative Fees received by the Trustee on behalf of the Trust pursuant to the Loan Agreements. The Trust shall utilize moneys on deposit in the Administrative Fee Account from time to time to pay the operating expenses of the Trust; provided, however, that in any Bond Year the moneys on deposit in the Administrative Fee Account shall be applied by the Trust in satisfaction of the operating expenses of the Trust arising under this Bond Resolution in such Bond Year before such moneys may be applied in satisfaction of the other operating expenses of the Trust arising in such Bond Year.

SECTION 5.04. Revenues. The Trustee shall, as agent for the Trust and the State, perform the following duties and services:

1. The Trustee shall collect from each Borrower all required Trust Bond Loan Repayments, State Loan Repayments, Administrative Fee payments and State Administrative Fee payments, when due, in the amounts and at the times established by the Trust in a Certificate of an Authorized Officer of the Trust. The Trust shall use its best efforts to provide such Certificate to the Trustee no less than sixty (60) days prior to the date on which any such payments are due and payable. In collecting such payments from each Borrower, the Trustee shall rely exclusively upon such Certificate of an Authorized Officer of the Trust. To the extent the Trustee deems it necessary or appropriate, the Trustee may, and is hereby authorized to, establish a Clearing Account for the purpose of administering the collection of such payments. The Trustee hereby acknowledges that (a) all amounts so collected shall be collected by the Trustee on behalf of, and for the benefit of, the Trust and the State, to the extent of their respective interests therein, (b) in making such collections, the Trustee shall act as an agent for the Trust and the State, to the extent of their respective interests therein, (c) all amounts so collected by the Trustee shall be the property of the Trust and the State, to the extent of their respective interests therein, and not of the Trustee, (d) all such amounts, when received by the Trustee, shall be deemed to be received by the Trust and the State, to the extent of their respective interests therein, as determined in accordance with paragraph (3) below, and (e) the amounts deemed received by the Trust as Trust Bond Loan Repayments and by the State as State Loan Repayments pursuant to the terms hereof, immediately upon receipt by the Trustee, shall be deemed to be Revenues, and shall be included in the Trust Estate established and pledged as security for the Bonds under this Bond Resolution.
2. Promptly after collection of each Trust Bond Loan Repayment, State Loan Repayment, Administrative Fee payment, State Administrative Fee payment or other required payment from a Borrower, the Trustee shall credit such Borrower with each of the respective sums collected. Moneys received from each Borrower with respect to a particular payment date shall be credited, first, to the payment then due (other than the Administrative Fee payment) under the Loan Agreement, second, to the Administrative Fee payment then due under the Loan Agreement, third, to the payment then due (other than the State Administrative Fee payment, if any) under the State Loan Agreement, and, fourth, to the State Administrative Fee payment, if any, then due under the State Loan Agreement.

3. Promptly after crediting each Borrower pursuant to the order of priority established under paragraph (2) above for the moneys received from each Borrower with respect to a particular payment date, the Trustee shall deposit the sums collected in the accounts established for such payments in the following order of priority of such deposits and the required amounts of such deposits:

   (a) First, (i) into the Trust Bond Loan Repayments Account within the Revenue Fund established under this Bond Resolution, a sum or sums from moneys credited as Trust Bond Loan Repayments equal to the amount required for the next immediate debt service payment date for the Bonds, and (ii) into the State Loan Repayments Account within the Revenue Fund established under this Bond Resolution, all moneys credited as State Loan Repayments;

   (b) Upon depositing the required amounts pursuant to paragraph (3)(a) above, into the Administrative Fee Account in the Operating Expense Fund established under this Bond Resolution, all moneys credited as Administrative Fee payments only then due to the Trust from each Borrower pursuant to its respective Loan Agreement;

   (c) (i) If, upon depositing the required amounts pursuant to paragraphs (3)(a) and (3)(b), above, the amounts on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund are not sufficient to make all of the payments due with respect to the Bonds on the next immediate debt service payment date for such Bonds, then the Trustee shall transfer from the State Loan Repayments Account within the Revenue Fund to the Trust Bond Loan Repayments Account within the Revenue Fund an amount equal to the difference between the amount on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund and the amount required to make all of the payments due on the next immediate debt service payment date for the Bonds;

       (ii) If, upon depositing the required amounts pursuant to paragraphs (3)(a) and (3)(b), above, and after giving effect to any transfers required by paragraph 3(c)(i), above, the amounts on deposit in the Trust Bond Loan Repayments Account within the Revenue Fund are sufficient to make all of the payments due with respect to the Bonds on such date, then the Trustee shall transfer immediately to the Master Program Trustee for deposit in the Master Program Trust Account from moneys on deposit in the State Loan Repayments Account within the Revenue Fund and credited as State Loan Repayments only corresponding to the next immediate debt service payment date for the Bonds, for deposit and disbursement in accordance with the terms and conditions of the Master Program Trust Agreement;

   (d) Upon depositing and/or transferring the required amounts pursuant to paragraphs (3)(a), (3)(b) and (3)(c), above, to the State all moneys credited as State Administrative Fee payments only, if any, then due to the State from each Borrower pursuant to its respective State Loan Agreement; and
(e) Upon depositing the required amounts pursuant to paragraphs (3)(a), (3)(b), (3)(c) and (3)(d), above, into the applicable Account within the Revenue Fund all remaining moneys, if any, credited as Loan Repayments, to be applied in satisfaction of the amounts next required to be disbursed as provided under this paragraph (3) in the sequence and manner established pursuant to this paragraph (3).

In making the deposits required by the provisions of this subsection (3), the Trustee shall rely exclusively upon a Certificate of an Authorized Officer of the Trust, which Certificate shall be provided to the Trustee by the Trust simultaneously with the provision by the Trust to the Trustee of the Certificate required by the provision of subsection (1) of this Section 5.04.

4. If a payment of amounts due under a Loan Agreement or a State Loan Agreement is not received on or before the required payment date, the Trustee shall notify the Trust and the State in writing on the first Business Day after such payment date that the payment is past due. Promptly following receipt of such notice from the Trustee, the Trust shall notify the Borrower and, if applicable, the trustee under the Borrower Bond Resolution (as such term is defined in the Loan Agreement) in writing that such payment is past due. If a payment is not received from the Borrower within ten days of the date when such payment is due, the Trustee shall promptly notify the Trust and the State in writing.

5. The Trustee shall promptly notify the Trust, the Borrower and, if applicable, the trustee under the Borrower Bond Resolution in writing if the moneys received from the Borrower pursuant to paragraph (2) of this Section 5.04 with respect to a particular payment date are insufficient to satisfy in full the Trust Bond Loan Repayments and Administrative Fee payments then due under the Loan Agreement. The Trustee shall promptly notify the Trust, the State, the Borrower and, if applicable, the trustee under the Borrower Bond Resolution in writing if the moneys received from the Borrower pursuant to paragraph (2) of this Section 5.04 with respect to a particular payment date are insufficient to satisfy in full the State Loan Repayments and State Administrative Fee payments then due under the State Loan Agreement. The Trustee, pursuant to Section 5.07(2) of this Bond Resolution, shall also notify the Trust and the State that a Trust Bond Loan Repayment deficiency cannot be satisfied from Loan Repayments deposited pursuant to Section 5.04(3)(a) hereof.

6. In connection with the obligation of the Trustee pursuant to subsections (4) and (5) of this Section 5.04 to provide written notice to a trustee under a Borrower Bond Resolution, the Trust shall use its best efforts to maintain on file with the Trustee a list of such trustees, with relevant address and contact information included in such list. However, the failure of the Trust to provide such list to the Trustee shall not relieve the Trustee of the obligation to provide the written notice to such a trustee pursuant to the provisions of subsections (4) and (5) of this Section 5.04.

SECTION 5.05. Revenue Fund.

1. On or prior to each Interest Payment Date, the Trustee shall transfer from amounts in the SRF Account and the non-SRF Account of the Trust Bond Loan Repayments Account within the Revenue Fund to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund, the amount which, together with the amounts, if any, already on deposit in such subaccounts of the Interest Account (other than Net Earnings on amounts that have been received in the Interest Account since the immediately preceding Interest Payment Date) and the amounts, if any, on deposit in the Capitalized Interest Account and designated for use on such Interest Payment Date pursuant to this Bond Resolution or a Supplemental Resolution, is equal in the aggregate to the interest due and payable on the Bonds on such Interest Payment Date.

3. On or prior to each redemption date, other than a Sinking Fund Installment due date, the Trustee shall transfer from moneys on deposit in the SRF Account and the non-SRF Account of the Trust Bond Loan Repayments Account within the Revenue Fund (i) to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Redemption Account in the Debt Service Fund an amount equal in the aggregate to the Redemption Price due and payable on all Bonds to be redeemed on such redemption date and (ii) to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund an amount equal in the aggregate to the interest accrued and not paid and to accrue on such Bonds to such redemption date. Money received from a Borrower prior to September 1, 2027 that represents a prepayment of its Loan as allowed under its respective Loan Agreement shall be held in the accounts set forth in a Certificate of an Authorized Officer of the Trust prior to September 1, 2027, the first optional redemption date.

4. All Revenues representing repayments made pursuant to the second paragraph of Section 3.04 of any Loan Agreement for the replenishment of the Debt Service Reserve Fund shall be immediately transferred by the Trustee for deposit to the SRF Account or the non-SRF Account, as applicable, of the Debt Service Reserve Fund.

5. The Trustee shall keep records and accounts with respect to the Revenue Fund. Such records shall be in such format so that all amounts received by the Trustee from the Borrowers under the Loan Agreements can be properly designated as interest or principal payments on the Loans, other than amounts payable under the Loan Agreements or Net Earnings attributable to such amounts.

SECTION 5.06. Debt Service Fund.

1. On each Interest Payment Date and each redemption date, the Trustee shall withdraw from the Capitalized Interest Account, if so designated, and the Interest Account in the Debt Service Fund amounts equal in the aggregate to the interest due on the Bonds on such Interest Payment Date or redemption date, which moneys shall be paid by the Paying Agent in accordance with Section 3.01 hereof.

2. 3. On each redemption date, other than a Sinking Fund Installment due date, the Trustee shall make available to the Paying Agent from moneys in the Redemption Account an amount equal to the Redemption Price of the Bonds to be redeemed on such redemption date, which moneys shall be applied by the Paying Agent to the payment of such Redemption Price.

SECTION 5.07. Debt Service Reserve Fund.
1. Each Rating Agency that has been requested by the Trust to publish a rating for the Series 2017B-1 Bonds has determined that such Rating Agency shall assign to the Series 2017B-1 Bonds, upon the issuance thereof, the highest rating assigned to any such debt instruments by such Rating Agency notwithstanding the fact that the Debt Service Reserve Requirement with respect to the Series 2017B-1 Bonds is equal to $0.00. Therefore, in accordance with the last sentence of the definition of “Debt Service Reserve Requirement” set forth in Section 1.01 of this Resolution, the Debt Service Reserve Requirement with respect to the Series 2017B-1 Bonds pursuant to the terms of this Resolution shall be equal to $0.00 during the entire period during which the Series 2017B-1 Bonds remain Outstanding. Notwithstanding the provisions of the preceding sentence to the contrary, to the extent any moneys are on deposit in the Debt Service Reserve Fund in the future, whether with respect to Refunding Bonds or otherwise, such moneys shall be applied solely as provided in this Section.

2. Whenever a Borrower shall notify the Trust or the Trustee in writing, or whenever the Trust or Trustee shall determine, that a Borrower is deficient in the payment of a Trust Bond Loan Repayment and that such deficiency cannot be satisfied from other Loan Repayments, State Loan Repayments or other amounts payable thereunder that have been transferred to the Revenue Fund or the Debt Service Fund and that such deficiency cannot be satisfied from amounts payable by the Master Program Trustee from amounts on deposit in the Master Program Trust Account (and all Subaccounts as defined therein) in accordance with the terms of the Master Program Trust Agreement, the Trustee shall transfer from the SRF Account or non-SRF Account, as applicable, of the Debt Service Reserve Fund on the Interest Payment Date or maturity date or Sinking Fund Installment due date, as the case may be, the amount of such deficiency to the appropriate account in the Debt Service Fund; provided, however, that the Trustee may only transfer such amount which, when added to the difference between (i) all prior transfers made from the Debt Service Reserve Fund as a result of deficient Trust Bond Loan Repayments by said Borrower and (ii) all repayments made by, or on behalf of, the Borrower pursuant to the second paragraph of Section 3.04 of the Applicable Loan Agreement, does not exceed said Borrower’s pro rata share of the Debt Service Reserve Fund. A Borrower’s pro rata share of the Debt Service Reserve Fund shall be an amount equal to the product of: (a) the Debt Service Reserve Requirement and (b) said Borrower’s Allocable Share as set forth on Schedule I-B attached hereto.

3. Whenever the Trustee is notified by the Trust that the amount, if any, in the Debt Service Reserve Fund funded with Bond proceeds and allocable to any Reserve Capacity Borrower, together with the amount in the Debt Service Fund allocable to any such Reserve Capacity Borrower, is sufficient to pay in full all Outstanding Bonds allocable to any such Reserve Capacity Borrower in accordance with their terms (including principal or applicable sinking fund Redemption Price and interest thereon), the Trustee shall transfer such amount on deposit in the Debt Service Reserve Fund funded with Bond proceeds and allocable to any such Reserve Capacity Borrower to the Debt Service Fund to be applied as a credit to the final Trust Bond Loan Repayments of any such Reserve Capacity Borrower.

4. After any transfer made pursuant to Section 5.07(3) herein and upon the cancellation of all Series 2017B-1 Bonds and any Refunding Bonds in accordance with Section 3.08 hereof, the Trustee shall transfer all amounts in the Debt Service Reserve Fund, if any, to the Trust for application by the Trust in accordance with the Act and any other applicable law for any of the Trust’s corporate purposes allowed thereby.

5. (a) Whenever any Reserve Capacity Borrower that is no longer paying the Interest Portion payable by said Reserve Capacity Borrower from the Capitalized Interest Account of the Debt Service Fund that is allocable to said Reserve Capacity Borrower, if applicable, has paid or prepaid its loan in full (less only the portion of the Debt Service Reserve Fund that is funded with Bond proceeds allocable to such Reserve Capacity Borrower) in accordance with all of the terms of its Loan Agreement (including, without limitation, obtaining the Trust’s consent to any such prepayment, where applicable), the Trust shall
notify the Trustee (i) of the Trust’s consent to such prepayment, where applicable, and (ii) that the amount in the Debt Service Reserve Fund funded with moneys other than Bond proceeds allocable to any such Reserve Capacity Borrower shall be transferred to the Trust for any of its lawful corporate purposes pursuant to the instructions of a Certificate of an Authorized Officer of the Trust. The portion of the Debt Service Reserve Fund that is funded with Bond proceeds allocable to such Reserve Capacity Borrower shall be transferred (i) to the Debt Service Fund for redemption or payment of the Bonds attributable to such Borrower’s Loan or (ii) in accordance with a Certificate of an Authorized Officer of the Trust to effect the defeasance of Bonds attributable to such Borrower’s Loan in accordance with Article XII hereof, in either case to be applied (along with the Net Earnings thereon) as a credit to the final Trust Bond Loan Repayments of such Reserve Capacity Borrower. Prior to any such transfer described herein, investments held in the Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the transfer described herein.

(b) Whenever any Borrower that is not a Reserve Capacity Borrower and that is no longer paying the Interest Portion payable by said Borrower from the Capitalized Interest Account of the Debt Service Fund that is allocable to said Borrower, if applicable, has paid or prepaid its loan in full in accordance with all of the terms of its Loan Agreement (including, without limitation, obtaining the Trust’s consent to any such prepayment, where applicable), the Trust shall notify the Trustee (i) of the Trust’s consent to such prepayment, where applicable, and (ii) that the amount in the Debt Service Reserve Fund allocable to any such Borrower shall be transferred to the Trust for any of its lawful corporate purposes pursuant to the instructions of a Certificate of an Authorized Officer of the Trust. Prior to any such transfer described herein, investments held in the Debt Service Reserve Fund shall be liquidated to the extent necessary in order to provide for the transfer described herein.

6. Whenever the Trustee determines that the amount of money in the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement on September 1 on any valuation date, such excess money shall be transferred to the Trust for application by the Trust in accordance with the Act and any other applicable law for any of the Trust’s corporate purposes allowed thereby.

7. Investment of the Debt Service Reserve Fund shall be valued every ten (10) years, at the market value thereof, exclusive of accrued interest. Notwithstanding anything to the contrary in Section 5.10 hereof, if a decline in the market value of securities on deposit in the Debt Service Reserve Fund causes the marked to market amount on deposit in the Debt Service Reserve Fund to be below the Debt Service Reserve Requirement, such deficiency shall be restored by retaining all or a portion of each Borrower’s Allocable Share of Net Earnings thereon until the Debt Service Reserve Requirement has been met. When and to the extent market conditions change thereafter, any such retained Net Earnings (and not the corpus of the Debt Service Reserve Fund) not needed to satisfy the Debt Service Reserve Requirement shall be credited to the Trust Bond Loan Repayments of the Borrowers in accordance with their Allocable Share as set forth in Section 5.10 hereof. Investments purchased with funds on deposit in the Debt Service Reserve Fund shall have a term to maturity of not greater than ten (10) years.

SECTION 5.08. General Fund. On the first day of each Bond Year beginning September 1, 2018, the Trustee shall deposit in the SRF Account and non-SRF Account, as applicable, of the General Fund all moneys then remaining in the Trust Bond Loan Repayments Account within the Revenue Fund except for those moneys identified as credits under Section 5.10 hereof to be transferred to the Interest Account on the second day of such Bond Year; provided, however, that (i) to the extent such date is a valuation date, the moneys then on deposit in the Debt Service Reserve Fund shall be at least equal to the Debt Service Reserve Requirement, (ii) all transfers from the Trust Bond Loan Repayments Account within the Revenue Fund required pursuant to subsections (1), (2), (3) and (4) of Section 5.05 shall have been made, and (iii) all funds required to be on deposit in the Revenue Fund pursuant to Section 5.05(2) are on deposit in the Revenue Fund. Moneys on deposit in the General Fund that shall not be required to be
transferred to the Interest Account in the Debt Service Fund pursuant to Section 5.10 may be applied by the Trust, upon written requisition from the Trust to the Trustee, in accordance with the Act and, in the case of proceeds of the Series 2017B-1 Bonds, the Tax Certificate, for any of its corporate purposes. Such requisition shall state that the Trust is requesting such moneys pursuant to the provisions of this Section 5.08.

SECTION 5.09. Moneys to Be Held in Trust. All moneys required to be deposited with or paid to the Trustee or the Paying Agent for the account of any fund or account established under any provision of this Bond Resolution for the Bonds in accordance with this Bond Resolution, other than the Project Loan Account in the Project Fund, the Operating Expense Fund, and the Rebate Fund, shall be held by the Trustee or the Paying Agent, as the case may be, in trust for the Holders of the Bonds and shall constitute part of the Trust Estate while held by the Trustee or the Paying Agent; provided, however, that moneys deposited with or held by the Trustee or the Paying Agent for the redemption of Bonds on or after the redemption date of such Bonds, or for the payment of the Redemption Price of or interest on Bonds on or after the date on which such amounts shall have become due shall be held and applied solely for the redemption or payment of the Redemption Price of or the payment of the interest on such Bonds.

SECTION 5.10. Investments.

1. Generally. All moneys in any of the Funds and Accounts created under this Bond Resolution, other than the Operating Expense Fund and the Accounts established therein, shall be invested by the Trustee as directed by an Authorized Officer of the Trust in writing, subject to the further provisions of this Section. The Trustee may conclusively rely upon such written direction of an Authorized Officer of the Trust as to any and all investments and as to the compliance of any investments with the procurement and investment policies and procedures of the Trust. Moneys in the Operating Expense Fund shall be invested by the Trust in accordance with the provisions of this Section.

Moneys in all Funds and Accounts created under this Bond Resolution shall be invested in Investment Securities, the principal of and interest on which are payable not later than the dates on which it is estimated that such moneys will be required hereunder, provided, however, that the Project Fund and the Accounts established therein may be invested in the State of New Jersey Cash Management Fund or other similar common trust fund for which the New Jersey State Treasurer is the custodian, in addition to investment thereof in Investment Securities.

Investment Securities acquired as an investment of moneys in any Fund or Account created under this Bond Resolution shall be credited to such Fund or Account. For the purpose of determining the amount in any Fund or Account at any time in accordance with this Bond Resolution, all Investment Securities credited to such Fund or Account shall be valued at the lesser of amortized cost (exclusive of accrued interest) or fair market value; provided, however, that the Debt Service Reserve Fund shall be valued in compliance with the provisions of Section 5.07(7) hereof.

The Trustee may act as principal or agent in the acquisition or disposition of any Investment Securities. The Trustee shall exercise its best efforts to sell at the best price obtainable, or present for redemption, any Investment Securities to the credit of any Fund or Account created under this Bond Resolution, other than the Operating Expense Fund, the Accounts established therein and the Rebate Fund, whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from such Fund or Account, and the Trustee shall not be liable for any loss resulting from such necessary sale so made of such investments.
2. **Net Earnings on the Debt Service Reserve Fund During the Capitalized Interest Period.** Net Earnings from the investment of the Debt Service Reserve Fund during the capitalized interest period, if applicable, shall be applied as follows:

(a) **Borrowers that are Capitalizing Interest.** The Trustee shall transfer the amounts of Net Earnings from the investment of moneys in the Debt Service Reserve Fund, if and to the extent set forth in Section 2.03(7)(a) of this Bond Resolution, to the Capitalized Interest Account to be applied to the payment of a portion of the interest due on the Series 2017B-1 Bonds on such Interest Payment Date.

(b) **Borrowers that are not or are no Longer Capitalizing Interest.** To the extent applicable, he Trustee shall transfer the balance of the Net Earnings from the investment of moneys in the SRF and non-SRF portions of the Debt Service Reserve Fund respectively, to the SRF Subaccount and the non-SRF Subaccount, as applicable, of the Interest Account in the Debt Service Fund and apply such amounts as credits against the Interest Portion of the Trust Bond Loan Repayment due on any such immediately succeeding Interest Payment Date from those Borrowers (being the Borrowers that are not or are no longer capitalizing interest during the capitalized interest period) in the percentages applicable to the Borrowers set forth on Schedule II-A (for SRF Borrowers) and Schedule II-B (for non-SRF Borrowers) attached hereto; provided, however, that (i) the amount to be applied as a credit for each SRF Borrower as determined in the preceding clause of this sentence shall not exceed the product of the amount of such balance of Net Earnings and a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule II-A) times the Debt Service Reserve Requirement attributable to all SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as of the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all SRF Borrowers, less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such Borrowers which have not been repaid as of the last day of such Bond Year; (ii) the amount to be applied as a credit for each non-SRF Borrower as determined above shall not exceed the product of the amount of such balance of Net Earnings and a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule II-B) times the Debt Service Reserve Requirement attributable to all non-SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as of the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all non-SRF Borrowers, less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such Borrowers which have not been repaid as of the last day of such Bond Year; and (iii) if on any valuation date the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07 (to the extent applicable during the capitalized interest period), the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement. The Trustee, simultaneously with each such transfer, shall notify the Trust in writing of all such Net Earnings so transferred. Such writings shall set forth the Net Earnings for each such fund or account created hereunder.

3. **Net Earnings on all Funds and Accounts Other than the Funds and Accounts not Subject to Transfer and Credit and Other than the Debt Service Reserve Fund During the Capitalized Interest Period.** Except as provided in the immediately preceding paragraph regarding the transfer of Net Earnings from the Debt Service Reserve Fund during the capitalized interest period, (i) all Net Earnings received in the first Bond Year from investment of moneys in any fund or account created hereunder, other than the Operating Expense Fund, the Rebate Fund, the Project Fund and the respective accounts established therein and the Capitalized Interest Account in the Debt Service Fund, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account
in the Debt Service Fund on September 2, 2017; (ii) all Net Earnings received from September 2 through and including March 1 in any Bond Year thereafter from the investment of moneys in any fund or account created under this Bond Resolution, other than the funds and accounts excepted in (i) above, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account in the Debt Service Fund on March 2 of any such Bond Year; and (iii) all Net Earnings received from March 2 through and including September 1 of the next succeeding Bond Year from the investment of moneys in any fund or account created under this Bond Resolution, other than the funds and accounts excepted in (i) and (ii) above, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount as applicable, of the Interest Account in the Debt Service Fund on September 2 of any such next succeeding Bond Year. Notwithstanding the foregoing, to the extent on any valuation date the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07, the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement.

4. **Specific Borrower Credits.** The Trustee, simultaneously with each transfer contemplated by Section 5.10(2) and (3) hereof, shall notify the Trust in writing of all such Net Earnings so transferred. Such writings shall set forth the Net Earnings for each such fund or account created hereunder. The Trust will credit the Interest Portion of the immediately succeeding Trust Bond Loan Repayment due from a Borrower, and to the extent moneys are available therefor, the principal portion of such Trust Bond Loan Repayments, if any, with the Net Earnings allocable to said Borrower and notify the Borrower and the Trustee of such credit. The Net Earnings allocable to a Borrower shall be the sum of: (a) said Borrower’s pro rata share of the Net Earnings derived in accordance with Section 5.10(3) hereof from the SRF or non-SRF Subaccounts or Accounts, as applicable, of the Interest Account, the Principal Account and the Redemption Account in the Debt Service Fund, the General Fund and the Revenue Fund (i.e., all funds and accounts created hereunder other than (i) those funds and accounts listed in Section 5.05 hereof, the Net Earnings on which accounts are not subject to transfer and credit in favor of Borrower Trust Bond Loan Repayments and (ii) the Debt Service Reserve Fund, the Net Earnings on which are subject to transfer and credit during the capitalized interest period in accordance with Sections 5.10(2) and (4)(b) during the capitalized interest period and Sections 5.10(3), 4(c) and 4(d) for all other periods) in any Bond Year commencing on or after September 1, 2018, which pro rata share shall be equal to the product of: (i) such Net Earnings so derived from the SRF or non-SRF accounts of such funds or accounts, as applicable and (ii) said Borrower’s Allocable Share (as determined pursuant to Schedule I-A attached hereto); (b) during the capitalized interest period, to the extent applicable, said Borrower’s Net Earnings derived from the SRF or non-SRF Account, as applicable, of the Debt Service Reserve Fund as set forth in Section 5.10(2) (a) (for Borrowers that are capitalizing interest) and 5.10(2)(b) for Borrowers that are not or are no longer capitalizing interest hereof; (c) after the capitalized interest period for SRF Borrowers, said Borrower’s pro rata share of the Net Earnings derived from the SRF Account of the Debt Service Reserve Fund in any Bond Year, which pro rata share shall be equal to the product of (i) such Net Earnings and (ii) a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule I-A attached hereto) times the Debt Service Reserve Requirement attributable to all SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all SRF Borrowers less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such SRF Borrowers which have not been repaid as of the last day of such Bond Year; and (d) after the capitalized interest period for non-SRF Borrowers, said Borrower’s pro rata share of the Net Earnings derived from the non-SRF Account of the Debt Service Reserve Fund in any Bond Year, which pro rata share shall be equal to the product of (i) such Net Earnings and (ii) a fraction, the numerator of which shall equal the product of the amount of said Borrower’s Allocable Share of the Debt Service Reserve Fund (as determined pursuant to Schedule I-A attached hereto) times the Debt Service Reserve Requirement
attributable to all non-SRF Borrowers, less all transfers made by the Trustee in accordance with the provisions of Section 5.07 as of the last day of such Bond Year attributable to such Borrower, and the denominator of which shall equal the Debt Service Reserve Requirement attributable to all non-SRF Borrowers less the aggregate amount of all transfers from the Debt Service Reserve Fund on behalf of all such non-SRF Borrowers which have not been repaid as of the last day of such Bond Year. Provided, however (with respect to (c) and (d) above), that during any valuation date in which the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement other than as a result of any transfer required under Section 5.07, the Net Earnings on amounts on deposit in the Debt Service Reserve Fund shall be credited to and retained in the Debt Service Reserve Fund until the amount on deposit therein equals the Debt Service Reserve Requirement.

To the extent that an Authorized Officer of the Trust advises the Trustee in writing that the Trust has determined that the aggregate Net Earnings in all Funds and Accounts allocable to any individual Borrower on a given Interest Payment Date, as calculated by the Trust pursuant to this subsection, are less than the lesser of (I) one-twelfth (1/12) of the Trust Bond Loan Repayments due from such Borrower during the immediately preceding Bond Year and (II) $1,000, such Net Earnings shall be retained in the Debt Service Fund, unless directed otherwise by an Authorized Officer of the Trust, and shall be credited to the Trust Bond Loan Repayment of such Borrower in accordance with this paragraph on the next succeeding Interest Payment Date. Furthermore, to the extent that an Authorized Officer of the Trust advises the Trustee in writing, the calculation pursuant to this subsection by the Trust of the aggregate Net Earnings in all Funds and Accounts allocable to any individual Borrower on a given Interest Payment Date need not be performed and, in such case, such Net Earnings shall be retained in the Debt Service Fund, unless directed otherwise by an Authorized Officer of the Trust, and shall be credited to the Trust Bond Loan Repayment of such Borrowers in accordance with this subsection on the next succeeding Interest Payment Date.

5. **Earnings on Funds and Accounts Not Subject to Transfer and Credit.** All Net Earnings from the investment of moneys in the Project Loan Accounts, the Capitalized Interest Account, the Rebate Fund, the Revenue Fund and the Operating Expense Fund shall be retained in and treated as part of such fund or accounts and applied in accordance with the Sections of this Bond Resolution governing such funds or accounts.

6. **Rebate Fund.** The Trust may withdraw and utilize earnings in any fund or account other than the Interest Account and the Principal Account in the Debt Service Fund to pay into the Rebate Fund held by the Trust any amounts desired by the Trust or required pursuant to the Code to be set aside for rebate or to satisfy a yield restriction requirement to the Internal Revenue Service, as outlined in the Tax Certificate or any letter of instructions referred to in Section 8.06(2) hereof; provided, however, that to the extent any such moneys and investment earnings thereon on deposit in the Rebate Fund shall not be needed for such purposes at the times so outlined, all or a portion of such moneys may be transferred by the Trustee to the General Fund upon the Trustee’s receipt of written instructions from the Trust to such effect. The Trust shall submit to the Trustee a certificate specifying the funds or accounts and the amount of earnings to be withdrawn for such purposes, and the Trustee shall be entitled to rely on each such certificate in making payments to the Trust.
ARTICLE VI

LOANS

SECTION 6.01. Terms and Conditions of Loans. The Trust shall make Loans to Borrowers for the purpose of paying a portion of the Costs of the Borrowers’ Projects from moneys available therefor in the applicable Project Loan Accounts in the Project Fund, and shall enter into Loan Agreements, in the manner, on the terms and conditions and upon submission of the documents required by this Article VI, and not otherwise.

SECTION 6.02. Form of Loan Agreement. The Loan Agreements shall be substantially in the form of Exhibit A hereto, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust; provided, however, that the Loans and the Loan Agreements shall in any event conform in all material respects to the provisions of this Article VI.

SECTION 6.03. Restrictions on Loans. No Loan may be made to reimburse a Borrower for all or a portion of the Cost of a Borrower’s Project, or to refinance indebtedness or reimburse the Borrower for the repayment of indebtedness previously incurred by such Borrower to finance all or a portion of the Cost of such Borrower’s Project, unless the Borrower shall deliver to the Trust and the Trustee an opinion of Bond Counsel approved by the Trust, in form and substance satisfactory to the Trust, to the effect that such reimbursement or refinancing will not adversely affect the exclusion from gross income for federal income tax purposes of interest paid on the Bonds.

SECTION 6.04. Loan Closing Submissions. Prior to or at each Loan Closing of a Loan, the Trust and the Trustee shall have received the following documents from the Borrower receiving the Loan, failing the receipt of all of which a Borrower shall not be considered a Borrower for purposes of this Bond Resolution:

(a) an opinion or opinions of the Borrower’s Counsel substantially in the form set forth in Exhibit E to the form of Loan Agreement; provided, however, that the Trust may permit variances in such opinion from the form or substance of such Exhibit E, if such variances are not to the material detriment of the interests of the Bondholders;

(b) counterparts of the Loan Agreement executed by the parties thereto designating, among other things, SRF or non-SRF status and any other relevant term contemplated by Section 1.03 hereof;

(c) the bond evidencing the payment obligations of the Borrower under such Loan Agreement, duly executed, authenticated and delivered by such Borrower and endorsed by the Trust to the Trustee;

(d) the opinion required by Section 6.03 hereof, if applicable;

(e) copies of the resolutions or ordinances of the governing body of the Borrower authorizing the execution and delivery of such Loan Agreement and bond, certified by an Authorized Officer of the Borrower;

(f) an opinion of Counsel to the Trust that the Borrower’s Project constitutes a “Project” within the meaning of the Act and that the financing thereof by the Trust is permissible under the Act and Section 6.01 of this Resolution; and
such other certificates, documents, opinions and information as the Trust or the Trustee may require.

All opinions and certificates required under this Section shall be dated the date of the Loan Closing and all such opinions shall be addressed, at a minimum, to the Trust and the Trustee.

**SECTION 6.05. Trust Bond Loan Repayments.** With respect to the Loans made from the proceeds of any Series of Bonds, the Trust shall establish Trust Bond Loan Repayments under the Applicable Loan Agreements in such amounts which, together with any amounts available and required to be treated as credits under this Bond Resolution, shall be sufficient to pay the principal of, prepayment premium, if any, and interest on such Series of Bonds as the same become due and payable.

**SECTION 6.06. Continuing Disclosure.** Prior to each Loan Closing with respect to a Loan, the Trust, pursuant to the sole discretion of an Authorized Officer of the Trust, in consultation with Bond Counsel, general counsel and other appropriate advisors to the Trust, shall determine if any Borrower is a material “obligated person” within the meaning and for the purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission (the “SEC”) pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto (“Rule 15c2-12”), based upon the following criteria hereby established as the means of satisfying the meaning and purposes of Rule 15c2-12: Borrowers shall be considered to be material “obligated persons” if their remaining Fund Loan repayments (unless defined in this Section 6.06, capitalized terms not defined in this Bond Resolution and used in this Section 6.06 shall have the respective meanings ascribed to such terms in the Master Program Trust Agreement) repayments in all Coverage Providing Financing Programs, when aggregated with such Borrower’s Trust Loan repayments, if any, in respect of the Bonds, exceed ten percent (10%) of the sum of (i) the aggregate of all remaining Fund Loan repayments from all Borrowers in all Coverage Providing Financing Programs and (ii) the aggregate of all remaining Trust Loan repayments from all Borrowers.

To the extent any Borrowers that have been determined to be material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 have entered into Service Agreements with Underlying Government Units and if any such Underlying Government Units have entered into Service Agreements with Indirect Underlying Government Units (as such terms are defined in the Loan Agreements) whereby annual charges or indirect annual charges, as the case may be, materially secure the Trust Bond Loan Repayments of any such Borrowers, any such Underlying Government Unit and Indirect Underlying Government Unit shall also be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12.

Any Borrower determined to be a material “obligated person” based upon the criteria set forth herein shall be required to enter into a Continuing Disclosure Agreement, with a term as specified therein, by and among such Borrower, the Trust and the Trustee, substantially in the form attached hereto as Exhibit H to Exhibit A, Exhibit B or Exhibit C, as the case may be, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust.

The Trust hereby determines that it is not an “obligated person”. Nevertheless, the Trust hereby covenants to provide notice of Bond Disclosure Events (as defined in the Continuing Disclosure Agreement), if material, with respect to the Series 2017B-1 Bonds to each Nationally Recognized Municipal Securities Information Repository recognized by the SEC or to the Municipal Securities Rulemaking Board and the State Information Depository, if any, recognized by the SEC.

The Trust hereby determines that the Series 2017B-1 Financing Program relating to the Series 2017B-1 Bonds is an “obligated person”, and shall be required to enter into a Continuing Disclosure Agreement, with a term as specified therein, by and among the Trust, the Trustee and the Master Program
Trustee, substantially in the form attached hereto as Exhibit E, with such changes therein as shall be approved by the Trust, as evidenced by the execution thereof by an Authorized Officer of the Trust.

Notwithstanding any provision to the contrary in Article XI hereof, the Trust may amend or supplement this Section 6.06 to comply with any amendment, supplement, modification, termination or other change to Rule 15c2-12.
ARTICLE VII

ADDITIONAL PROVISIONS RELATING TO LOANS

SECTION 7.01. Reserved.

SECTION 7.02. Defaults. The Trustee shall notify the Trust of its failure to receive any Trust Bond Loan Repayment, if any, of a Borrower due under any Loan Agreement and of any other event of default under such Loan Agreement known to the Trustee.

The Trustee shall diligently enforce, and take all reasonable steps, actions and proceedings necessary for the enforcement of, all terms and conditions of all Loan Agreements, including (without limitation) the prompt payment of all Trust Bond Loan Repayments and all other amounts due the Trust, and the observance and performance of all duties, covenants, obligations and agreements, thereunder; provided, however, that the Trustee shall not accelerate the payment of amounts due under any Loan Agreement following any event of default thereunder (other than any event of default which shall automatically accelerate such payment under the Loan Agreements), unless the Trustee shall have given the Trust thirty (30) days’ written notice of the occurrence of such event of default and shall have afforded the Trust the opportunity to cause such event of default to be cured during the 30-day period following receipt by the Trust of such notice.

The Trustee shall not release the duties, covenants, obligations or agreements of any Borrower under any Loan Agreement and shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the Trust and the Holders under or with respect to each Loan Agreement; provided, however, that this provision shall not be construed to prevent the Trustee (with the written consent of the Trust) from settling a default under any Loan Agreement on such terms as the Trustee shall determine to be in the best interests of the Trust and the Holders. The Trust hereby appoints the Trustee its agent and attorney-in-fact for purposes of enforcing all rights, title and interests of the Trust under the Loan Agreements, except for the enforcement of all rights, title and interests of the Trust relating to the payment by the Borrower of the Administrative Fee and otherwise, subject to the provisions of this Section.

SECTION 7.03. Termination of Loan Agreements. Upon the payment in full of all amounts due under a Loan Agreement, the Trust shall cancel the obligation of the Borrower evidenced by such Loan Agreement and terminate and release all security interests and liens created under such Loan Agreement and the Trust and the Trustee shall take any other action required of the Trust or the Trustee in such Loan Agreement in connection with such cancellation, termination and release, including (without limitation) the execution of all relevant documents in connection with such actions.

SECTION 7.04. Loan Files. After each Loan Closing, the Trustee shall retain all the documents received by it pursuant to Article VI hereof in connection with such Loan Closing or in connection with the Loan made at such Loan Closing in a file pertaining to such Loan, to which file the Trustee shall from time to time add (i) all records and other documents pertaining to disbursements of amounts to the Borrower under the Loan Agreement and to Loan Repayments and other amounts received by the Trustee under such Loan Agreement and (ii) all communications from or received by the Trustee with respect to such Loan. Such file shall be kept at the Principal Office of the Trustee and shall be available for inspection by the Trust and its agents at reasonable times and under reasonable circumstances.

SECTION 7.05. Trustee’s Obligations. The Trustee shall observe and perform all duties, covenants, obligations and agreements of the Trust under each Loan Agreement to the extent specified herein.
ARTICLE VIII

GENERAL COVENANTS

SECTION 8.01. Payment of Bonds. The Trust shall pay or cause to be paid the principal or Redemption Price of and interest on every Bond of each Series on the date, at the place and in the manner provided herein, in the Applicable Supplemental Resolution and in such Bonds, according to the true intent and meaning thereof; provided, however, that the Bonds of each Series are special obligations of the Trust, the principal or Redemption Price of and interest on which are payable by the Trust solely from the Trust Estate.

The Bonds of each Series shall not be payable from the general funds of the Trust and shall not constitute a legal or equitable pledge of, or lien or encumbrance upon, any of the assets or property of the Trust or upon any of its income, receipts or revenues, except as provided in this Bond Resolution. The full faith and credit of the Trust are not pledged, either expressly or by implication, to the payment of the Bonds. The Trust has no taxing power and has no claim on any revenues or receipts of the State of New Jersey or any agency or political subdivision thereof or any Borrower except as expressly provided in a Borrower’s Loan Agreement.

SECTION 8.02. Observance and Performance of Duties, Covenants, Obligations and Agreements; Representations as to Authorization and Validity of Bonds. The Trust shall faithfully observe and perform at all times all of its duties, covenants, obligations and agreements contained in the Loan Agreements or in any Bond executed, authenticated and delivered under this Bond Resolution and any Supplemental Resolution or in any proceedings of the Trust pertaining thereto.

The Trust represents and covenants that: (i) it is duly authorized under the Constitution and laws of the State of New Jersey, particularly the Act, to issue the Bonds of each Series, to enter into the Loan Agreements and the Master Program Trust Agreement and to pledge the Trust Estate in the manner and to the extent set forth in this Bond Resolution and as shall be set forth in any Supplemental Resolution; (ii) all action on its part for the issuance of the Bonds of each Series will be duly and effectively taken; and (iii) the Bonds of each Series in the hands of the Holders thereof will be valid and binding special obligations of the Trust enforceable according to their terms.

SECTION 8.03. Liens, Encumbrances and Charges. The Trust shall not create or cause to be created and shall not suffer to exist, any lien, encumbrance or charge upon the Trust Estate except the pledge, lien and charge created for the security of Holders of the Bonds. To the extent Revenues are received, the Trust will cause to be discharged, or will make adequate provision to satisfy and discharge, within sixty (60) days after the same shall accrue, all lawful claims and demands that if unpaid might by law become a lien upon the Trust Estate; provided, however, that nothing contained in this Section shall require the Trust to pay or cause to be discharged, or make provision for, any such lien, encumbrance or charge so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings.

So long as Bonds of any Series shall be Outstanding, the Trust shall not issue any bonds, notes or other evidences of indebtedness, other than such Bonds, secured by any pledge of or other lien or charge on the Trust Estate. Notwithstanding the foregoing, the Trust may issue future series of bonds, notes or other evidences of indebtedness that have an interest in the Master Program Trust Account to the extent set forth in the Master Program Trust Agreement. Nothing in this Bond Resolution is intended to or shall affect the right of the Trust to issue bonds, notes and other obligations under other resolutions or indentures for any of its other purposes.
SECTION 8.04. Accounts and Audits. The Trust shall keep, or cause to be kept, proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Loans, this Bond Resolution and any Supplemental Resolution, which books and accounts (at reasonable hours and subject to the reasonable rules and regulations of the Trust) shall be subject to the inspection of the Trustee and any Holder of any Bonds or their agents or representatives duly authorized in writing. The Trust shall cause such books and accounts to be audited annually by a nationally recognized independent certified public accountant selected by the Trust. Annually, not later than December 1 of each year with respect to the fiscal year of the Trust ended on the immediately preceding June 30, a signed copy of such report shall be furnished by the Trust to the Trustee. Such report shall include at least: (i) a statement of all funds and accounts (including investments thereof) held by the Master Program Trustee pursuant to the provisions of the Master Program Trust Agreement; (ii) a statement of the Revenues, Administrative Fees and State Administrative Fees collected in connection with this Bond Resolution; and (iii) a statement whether the balance in the Debt Service Reserve Fund meets the Debt Service Reserve Requirement established under this Bond Resolution. The Trustee has no obligation to review the contents of such report, shall not be deemed to have knowledge of its contents, and shall receive and hold such report solely for the convenience of the Holders.

SECTION 8.05. Further Assurances. The Trust will pass, make, do, execute, acknowledge and deliver any and all such further resolutions, indentures, actions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Bond Resolution and for the better assuring and confirming unto the Holders of Bonds the rights and benefits provided in this Bond Resolution, including exercising its State aid intercept powers pursuant to the Act.

SECTION 8.06. Tax Rebate.

1. In connection with the issuance of any Series of Bonds an Authorized Officer of the Trust is authorized to execute on behalf of the Trust a Certificate as to arbitrage (including the Tax Certificate), a letter of instructions as to certain requirements of the Code, or any similar documents relating to the characterization of such Series of Bonds as not being “arbitrage bonds” within the meaning of Sections 103(a)(2) and 148 of the Code.

2. Any amounts required to be set aside for rebate or to satisfy a yield restriction requirement to the Internal Revenue Service pursuant to any letter of instructions or certificate as to arbitrage shall be considered a loss for purposes of determining “Net Earnings” pursuant to Section 5.10 hereof.

SECTION 8.07. Application of Loan Prepayments. Upon the prepayment, in whole or in part, of any Loan, the Trust shall elect to apply such prepayment proceeds either (i) to the redemption of Bonds on the next succeeding call date in accordance with Article IV, or (ii) to the payment of Bonds in accordance with Section 12.01. The Trust may only consent to Loan prepayments pursuant to the Loan Agreements if it simultaneously delivers to the Trustee (i) a certificate of an independent public accountant demonstrating that the aggregate Trust Bond Loan Repayments due pursuant to the Loan Agreements after such prepayment shall be sufficient to pay when due the principal of and interest on all Bonds outstanding after giving effect to the Trust’s election required in the immediately preceding sentence, and (ii) irrevocable instructions to effectuate such election regarding the application of prepayment proceeds. The Trust shall give notice to Fitch Ratings, Standard & Poor’s Corporation and Moody’s Investors Service, Inc. of any such Loan prepayments and its application of the proceeds thereof. The posting of any such notice to the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board shall constitute notice to Fitch Ratings, Standard & Poor’s Corporation and Moody’s Investors Service, Inc. for purposes of this paragraph.
ARTICLE IX

DEFAULT PROVISIONS AND REMEDIES
OF TRUSTEE AND BONDHOLDERS

SECTION 9.01. Defaults; Events of Default. If any of the following events occurs, it is hereby defined as and declared to be and to constitute an “Event of Default” for the Bonds of all Series then Outstanding:

(a) default in the due and punctual payment of any interest on any Bond; or

(b) default in the due and punctual payment of the principal or Redemption Price of any Bond whether at the stated maturity thereof or on any date fixed for the redemption of such Bond; or

(c) if (i) the Trust shall be adjudicated a bankrupt or become subject to an order for relief under federal bankruptcy law, (ii) the Trust shall institute a proceeding seeking an order for relief under federal bankruptcy law or seeking to be adjudicated a bankrupt or insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of it or all of its debts under New Jersey bankruptcy or insolvency law, (iii) with the consent of the Trust, there shall be appointed a receiver, liquidator or similar official for the Trust under federal bankruptcy law or under New Jersey bankruptcy or insolvency law, or (iv) without the application, approval or consent of the Trust, a receiver, trustee, liquidator or similar official shall be appointed for the Trust under federal bankruptcy law or under New Jersey bankruptcy or insolvency law, or a proceeding described in clause (ii) above shall be instituted against the Trust and such appointment continues undischarged or such proceeding continues undismissed or unstayed for a period of sixty (60) consecutive days; or

(d) if (i) the Trust shall make an assignment for the benefit of creditors, (ii) the Trust shall apply for or seek the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any substantial part of its property, (iii) the Trust shall fail to file an answer or other pleading denying the material allegations of any proceeding filed against it described under clause (ii) of paragraph (c) of this Section, (iv) the Trust shall take any action to authorize or implement any of the actions set forth in paragraph (c) or (d) of this Section, (v) the Trust shall fail to contest in good faith any appointment or proceeding described in paragraph (c) or (d) of this Section or (vi) without the application, or approval or consent of the Trust, a receiver, trustee, examiner, liquidator or similar official shall be appointed for any substantial part of the Trust’s property and such appointment shall continue undischarged or such proceedings shall continue undismissed or unstayed for a period of thirty (30) consecutive days; or

(e) the Trust shall default in the performance or observance of any other of the duties, covenants, obligations, agreements or conditions on the part of the Trust to be performed or observed under this Bond Resolution or the Bonds of each Series, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the Trust by the Trustee or the Bondholders in accordance with Section 9.10 hereof.

SECTION 9.02. Acceleration of Bonds; Remedies. If an Event of Default described in Section 9.01 shall occur for any Series of Bonds, the Trustee may, and at the written request of the Holders of a majority in aggregate principal amount of the Outstanding Bonds shall, by telephonic notice to the Trust (promptly confirmed in writing) declare the principal of all Bonds then Outstanding to be due and payable; provided, however, that before making such declaration, the Trustee shall give thirty (30) days’ notice to the Trust. Upon any such declaration, the Trustee shall forthwith give notice thereof to the Borrowers and the Paying Agents.
At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such Event of Default, or before the completion of the enforcement of any other remedy under this Bond Resolution, the Trustee, by written notice to the Trust, may annul such declaration and its consequences if: (i) moneys shall have accumulated in the Interest Account and the Principal Account in the Debt Service Fund sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds (except the interest accrued on such Bonds since the last Interest Payment Date) and the principal then due on all Bonds (except the principal on any such Bonds due solely as a result of any such declaration of acceleration); (ii) moneys shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee; and (iii) every other default known to the Trustee in the observance or performance of any duty, covenant, obligation, condition or agreement contained in the Bonds or in this Bond Resolution, shall have been remedied to the satisfaction of the Trustee; provided, however, that such declaration may be annulled only with the written consent of the Holders of a majority in aggregate principal amount of the Bonds Outstanding and not then due by their terms. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Upon the occurrence of an Event of Default, the Trustee shall also have the following rights and remedies:

(a) the Trustee shall, at the direction of the Holders of a majority in aggregate principal amount of the Outstanding Bonds, and upon being indemnified to its reasonable satisfaction, pursue any available remedy at law or in equity to enforce the payment of the principal of and interest on the Bonds then outstanding, including (without limitation) the right (to the extent legally enforceable) to, by written notice to the Trust, declare the principal of the bonds then outstanding to be due and payable of any Borrower whose actions have directly or indirectly caused any such Event of Default and including the enforcement of any other rights of the Trust or the Trustee under the Loan Agreements;

(b) the Trustee by action or suit in equity may require the Trust to account as if it were the trustee of an express trust for the Holders of Bonds and may take such action with respect to the Loan Agreements as the Trustee deems necessary or appropriate and in the best interest of the Holders of Bonds, subject to the terms of such Loan Agreements; and

(c) upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Holders of Bonds under this Bond Resolution, the Trustee will be entitled as a matter of right to the appointment of a receiver or receivers of the Trust Estate and the issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

If an Event of Default shall have occurred with respect to any Bonds, and if requested so to do by the Holders of a majority in principal amount of the Bonds then Outstanding, and upon being indemnified to its reasonable satisfaction therefor, the Trustee shall be obligated to exercise such one or more of the rights, remedies and powers conferred by this Section as the Trustee shall deem most expedient in the interests of the Holders of Bonds.

No right or remedy by the terms of this Bond Resolution conferred upon or reserved to the Trustee (or to the Holders of Bonds) is intended to be exclusive of any other right or remedy, but each and every such right or remedy shall be cumulative and shall be in addition to any other right or remedy given to Trustee or to such Holders hereunder or now or hereafter existing at law or in equity or by statute other than pursuant to the Act. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.
No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder, whether by the Trustee or by the Holders of any Bonds in default, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

SECTION 9.03. Right of Holders of a Series of Bonds to Direct Proceedings. Anything in this Bond Resolution to the contrary notwithstanding, but subject to Section 9.07 hereof, the Holders of a majority in aggregate principal amount of Bonds in default then Outstanding shall have the right at any time during the continuance of an Event of Default of such Bonds, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Bond Resolution, or for the appointment of a receiver or any other proceedings hereunder; provided, however, that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Resolution.

SECTION 9.04. Reserved.

SECTION 9.05. Application of Moneys. All moneys received by the Trustee pursuant to any right or remedy given or action taken under the provisions of this Article upon any acceleration of the due date for the payment of the principal of and interest on the Bonds in default (including, without limitation, moneys received by virtue of action taken under provisions of any Loan Agreement, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee (including reasonable attorney fees) and any other moneys owed to the Trustee in connection with such Bonds hereunder), shall be applied, first, to the payment of the interest then due and unpaid upon the Bonds in default and, second, to the payment of the principal then due and unpaid upon the Bonds in default, to the persons entitled thereto, without any discrimination or privilege.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond in default until such obligation shall be presented to the Trustee for appropriate endorsement or for cancellation (as the case may be).

SECTION 9.06. Remedies Vested in Trustee. All rights of action (including, without limitation, the right to file proofs of claims) under this Bond Resolution or under any of the Bonds in default may be enforced by the Trustee without possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the equal and ratable benefit of the Holders of all the Outstanding Bonds without the necessary of joining as plaintiffs or defendants any Holders of such Bonds.

SECTION 9.07. Rights and Remedies of Holders of Bonds. No Holder of Bonds then Outstanding in default shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Bond Resolution or for the execution of any trust hereof or for the appointment of
a receiver or any other remedy hereunder, unless (a) an Event of Default shall have occurred, (b) the owners
of a majority in aggregate principal amount of the Bonds then Outstanding shall have made written request
to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the remedies
hereinbefore granted or to institute such action, suit or proceeding in its own name, (c) the Holders shall
have offered to the Trustee reasonable indemnity satisfactory to the Trustee against the costs, expenses and
liabilities to be incurred in compliance with such request, and (d) the Trustee shall have refused, or for sixty
(60) days after receipt of such request and offer of indemnification shall have failed to exercise the remedies
hereinbefore granted, or to institute such action, suit or proceeding in its own name, and such request and
offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent
to the execution of the powers and trusts of this Bond Resolution, and to any action or cause of action for
the enforcement of this Bond Resolution, or for the appointment of a receiver or for any other remedy
hereunder. It is understood and intended that no one or more Holders of the Bonds shall have any right in
any manner whatsoever to affect, disturb or prejudice the lien of this Bond Resolution by his or their action
or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or
in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable
benefit of the Holders of all Bonds then Outstanding; provided, however, that nothing contained in this
Bond Resolution shall affect or impair the right of the Holder of any Bond to enforce the payment of the
principal or Redemption Price of and interest on such Bond at and after the maturity thereof, or the
obligation of the Trust to pay the principal or Redemption Price of and interest on each of the Bonds issued
hereunder to the respective Holders thereof at the time and place, from the source and in the manner
expressed in the Bonds and in this Bond Resolution and the Applicable Supplemental Resolution.

SECTION 9.08. Termination of Proceedings. In case the Trustee or a Holder of a Bond in
default shall have proceeded to enforce any right under this Bond Resolution by the appointment of a
receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or
shall have been determined adversely to the Trustee or such Holder, then and in every such case the Trust,
the Trustee and the Holders of Bonds shall be restored to their former positions and rights hereunder,
respectively, and all rights, remedies and powers of the Trustee and the Holders shall continue as if no such
proceedings have been taken.

SECTION 9.09. Waivers of Events of Default. The Trustee may and, upon the written request
of the Holders of not less than 25% in aggregate principal amount of all Bonds in default then Outstanding,
shall waive any Event of Default which in its opinion shall have been remedied before the completion of
the enforcement of any remedy under this Bond Resolution; but no such waiver shall extend to any
subsequent or other Event of Default, or impair any rights consequent thereon.

SECTION 9.10. Notice of Certain Defaults; Opportunity of Trust to Cure Defaults. Anything
herein to the contrary notwithstanding, no Default under Section 9.01(e) hereof shall constitute an Event of
Default until actual notice of such Default shall be given to the Trust by registered or certified mail by the
Trustee or by the Holders of a majority in aggregate principal amount of all Bonds then Outstanding and
the Trust shall not have corrected the Default or caused the Default to be corrected within thirty (30) days
following the giving of such notice; provided, however, that if the Default be such that it is correctable but
cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective
action is instituted by the Trust within the applicable period and diligently pursued until the Default is
corrected.

The Trust hereby grants to the Trustee full authority for the account of the Trust to observe or
perform any duty, covenant, obligation or agreement alleged in any alleged Default concerning which
notice is given to the Trust under the provisions of this Section in the name and stead of the Trust with full
power to do any and all things and acts to the same extent that the Trust could do and perform any such
things and acts and with power of substitution.
ARTICLE X

FIDUCIARIES

SECTION 10.01. Appointments, Duties, Immunities and Liabilities of Trustee. Zions Bank, a Division of ZB, National Association and any successors and assigns thereto, has been appointed as Trustee by the Trust. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution and all other agreements with the Trust, including, without limitation, the Master Program Trust Agreement, by executing and delivering to the Trust a written acceptance thereof, and by executing such acceptance the Trustee shall be deemed to have accepted such duties and obligations with respect to all the Bonds thereafter to be validly issued, but only, however, upon the terms and conditions set forth in this Bond Resolution and all other agreements with the Trust, including, without limitation, the Master Program Trust Agreement.

SECTION 10.02. Paying Agents; Appointments.

1. The Trustee is hereby appointed Paying Agent and shall also act as registrar for the Series 2017B-1 Bonds. The Trust shall appoint one or more Paying Agents for the Bonds of each additional Series, and may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 10.13 for a successor Paying Agent. There shall be no limitation upon the ability of the Trust to appoint the Trustee to serve as a Paying Agent, provided that the Trustee otherwise satisfies the qualifications set forth herein (including, without limitation and as applicable, the qualifications set forth in Section 10.13 for a successor Paying Agent) that are applicable to a Paying Agent.

2. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Trust and to the Trustee a written acceptance thereof.

3. Unless otherwise provided, the principal corporate trust offices of the Paying Agents are designated as the respective offices or agencies of the Trust for the payment of the interest on and principal or Redemption Price of the Bonds.

4. The Trust may enter into agreements with any Paying Agent providing for the payment to the Trust of amounts in respect of interest earned on moneys held by such Paying Agent for the payment of principal or Redemption Price of and interest on Bonds. Any such payments to the Trust shall be deposited in the Trust Bond Loan Repayments Account within the Revenue Fund and applied as Revenues.

SECTION 10.03. Responsibilities of Fiduciaries.

1. The recitals of fact contained herein and in the Bonds shall be taken as the statements of the Trust and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representation as to the validity or sufficiency of this Bond Resolution or of any Bonds issued thereunder or as to the security afforded by this Bond Resolution, and no Fiduciary shall incur any liability in respect thereof. The Trustee shall, however, be responsible for its representation contained in its authentication certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to the Trust or to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect thereof, or to advance any of its own moneys, unless properly indemnified to its satisfaction. Subject to the provisions of subsection 2 of this Section 10.03, no Fiduciary shall be liable in connection with the observance and performance of its duties and obligations hereunder except for its own negligence or misconduct.
2. The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and obligations and only such duties and obligations as are specifically set forth in this Bond Resolution. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers invested in it by this Bond Resolution, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provision of this Bond Resolution relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 10.03.

1. Each Fiduciary, upon receipt of any notice, Supplemental Resolution, request, consent, order, certificate, report, opinion, bond or other paper or document furnished to it pursuant to any provision of this Bond Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Bond Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with Counsel, who may or may not be counsel to the Trust, and the opinion of such Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Bond Resolution in good faith and in accordance therewith.

2. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Bond Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of an Authorized Officer of the Trust, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Bond Resolution upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

3. Except as otherwise expressly provided in this Bond Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the Trust to any Fiduciary shall be sufficiently executed in the name of the Trust by an Authorized Officer of the Trust.

SECTION 10.05. Compensation. The Trust shall pay each Fiduciary from time to time reasonable compensation for all services rendered under this Bond Resolution, including in that limitation the services rendered pursuant to Section 12.01, and also all reasonable expenses incurred in and about the performance of their powers and duties under this Bond Resolution and each Fiduciary shall have a lien therefor on any and all funds and accounts at any time held by it under this Bond Resolution, other than the Project Loan Account in the Project Fund. Subject to the provisions of Section 10.03, the Trust further agrees to indemnify and save each Fiduciary harmless against any losses, liabilities and expenses (including reasonable legal fees) which it may incur in the exercise and performance of its powers, duties and obligations hereunder, other than losses, liabilities and expenses (including legal fees) attributable to the negligence, bad faith, breach of contract or misconduct of the Fiduciary, arising out of or as a result of the Fiduciary performing its obligations under this Bond Resolution or undertaking any transaction contemplated by this Bond Resolution; provided, however, that the foregoing is subject to the limitations of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:2-1 et seq. and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq.
Each Fiduciary agrees as follows:

1. The Fiduciary shall give the Trust prompt notice in writing of any actual or potential claim described above and the institution of any suit or action;

2. The Fiduciary shall not adjust, settle or compromise any such claim, suit or action without the approval of Trust; and

3. The Fiduciary shall permit the Trust, if the Trust so chooses, to assume full control of the adjustment settlement, compromise or defense of each such claim, suit or action.

While the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., is not applicable by its terms to claims arising under contracts with the Trust, each Fiduciary agrees that such statute (except N.J.S.A. 59:13-9) shall be applicable to all claims against the Trust arising under this Section 10.05.

The indemnification provided in this Section 10.05 does not apply or extend to any indemnification given by a Fiduciary to any other person.

SECTION 10.06. Certain Permitted Acts. Any Fiduciary may become the Holder of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Bond Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding.

SECTION 10.07. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations created by this Bond Resolution by giving not less than one hundred twenty (120) days’ written notice to the Trust, and mailing notice thereof to the Holders of the Bonds then Outstanding, specifying the date when such resignation shall take effect, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed by the Trust or the Bondholders as provided in Section 10.09, in which event such resignation shall take effect immediately upon the appointment of such successor, or unless a successor shall not have been appointed by the Trust or the Bondholders as provided in Section 10.09 on that date, in which event such resignation shall not take effect until a successor is appointed.

SECTION 10.08. Removal of Trustee. The Trustee may be removed at any time: (i) by an instrument or concurrent instruments in writing, filed with the Trustee, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Trust, (ii) so long as no Event of Default, or any event which, with notice or passage of time, or both, would become an Event of Default, shall have occurred and be continuing, for just cause by a resolution of the Trust filed with the Trustee, (iii) upon a determination by the Trust, in its sole discretion, that the compensation charged by the Trustee is excessive for the duties, obligations and other services to be performed by the Trustee pursuant to this Bond Resolution, such determination by the Trust to be establish by a resolution adopted by the Trust and filed with the Trustee no less than 30 days prior to the effective date of such termination, or (iv) for any reason to be determined by the Trust, in its sole discretion, and without any requirement that just cause be demonstrated, such determination by the Trust to be establish by a resolution adopted by the Trust and filed with the Trustee no less than 30 days prior to the effective date of such termination, provided, however, that the provisions of this clause (iv) shall not be implemented by the Trust more frequently than once every fifth year.
Notwithstanding any other provision in this Article X, no removal of the Trustee shall take effect until a successor shall be appointed pursuant to the provisions of Section 10.09.

SECTION 10.09. Appointment of Successor Trustee.

1. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, a successor may be appointed by the Trust by a duly executed written instrument signed by an Authorized Officer of the Trust, but if the Trust does not appoint a successor Trustee within forty-five (45) days then by the Holders of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Trust, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee, notification thereof being given to the Trust and the predecessor Trustee. After such appointment of a successor Trustee, the Trust shall mail notice of any such appointment made by it or the Bondholders to the Holders of the Bonds then Outstanding.

2. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within forty-five (45) days after the Trustee shall have given to the Trust written notice as provided in Section 10.07 or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

3. Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company or national banking association in good standing, qualified to do business in the State of New Jersey (to the extent such requirement is applicable to such Trustee), duly authorized to exercise trust powers, subject to examination by federal or state authority, having capital stock and surplus aggregating at least $50,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution.

SECTION 10.10. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Bond Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Trust, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Trust, or of the successor Trustee, execute, acknowledge and deliver such instrument of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under this Bond Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Trust be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Trust. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.

SECTION 10.11. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger,
conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business; provided, such company (i) shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and (ii) shall be authorized by law to perform all the duties imposed upon it by this Bond Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

SECTION 10.12. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Bond Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in this Bond Resolution provided that the certificate of the Trustee shall have.

SECTION 10.13. Resignation or Removal of Paying Agent; Appointment of Successor.

1. Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Bond Resolution by giving at least one hundred twenty (120) days written notice to the Trust, the Trustee and the other Paying Agents. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer of the Trust. Any successor Paying Agent shall be appointed by the Trust with the written approval of the Trustee and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having capital stock and surplus aggregating at least $50,000,000, and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all duties imposed upon it by this Bond Resolution.

2. In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.
ARTICLE XI

(d) To make any other modification or amendment of this Bond Resolution which will not have a material adverse effect on the interests of Bondholders.

In making any determination under this Section 11.02, the Trustee may conclusively rely upon an opinion of Bond Counsel.

At any time or from time to time, a Supplemental Resolution may be adopted subject to consent by the Bondholders in accordance with and subject to the provisions of Sections 11.06 and 11.07, which Supplemental Resolution, upon (i) the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Trust, (ii) compliance with the provisions of said Sections 11.06 and 11.07, (iii) the filing with the Trust and the Trustee of an opinion of Bond Counsel to the effect that such Supplemental Resolution will not adversely affect the exclusion from gross income of the interest on the Series 2017B-1 Bonds for federal income tax purposes, shall become fully effective in accordance with its terms as provided in said Section 11.07. Provided, however, that, any Supplemental Resolution which by its terms only affects one or more Series of Bonds may be adopted subject to the consent of the Bondholders of the Series or Series of Bonds so affected.

1. This Bond Resolution shall not be modified or amended in any respect except by Supplemental Resolution as provided in and in accordance with and subject to the provisions of this Article XI. Nothing contained in this Article XI shall affect or limit the right or obligation of the Trust to adopt, make, do, execute, acknowledge or deliver any resolution, act or other instrument pursuant to the provisions of this Bond Resolution or the right or obligation of the Trust to execute and deliver to any Trustee any instrument which elsewhere in this Bond Resolution it is provided shall be delivered to said Trustee.

2. Any Supplemental Resolution referred to and permitted or authorized by Section 11.01 or 11.02 may be adopted by the Trust without the consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. The copy of every Supplemental Resolution when filed with the Trustee shall be accompanied by an opinion of
Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of this Bond Resolution, is authorized or permitted by this Bond Resolution, and is valid and binding upon the Trust in accordance with its terms.

3. The Trustee is hereby authorized to accept the delivery of a certified copy of any Supplemental Resolution referred to and permitted or authorized by Sections 11.01, 11.02 or 11.03 and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of Bond Counsel that such Supplemental Resolution is authorized or permitted by the provisions of this Bond Resolution.

4. No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without their written assent thereto.

SECTION 11.05. Mailing. Any provision in this Article for the mailing of a notice or other paper to Holders of Bonds shall be fully complied with if it is mailed, postage prepaid only, to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of the Trust.

SECTION 11.06. Powers of Amendment by Supplemental Resolution. Unless otherwise permitted under Section 11.01 or Section 11.02, any modification or amendment of this Bond Resolution and of the rights and obligations of the Trust and of the Holders of the Bonds thereunder, in any particular, may be made only by a Supplemental Resolution with the written consent (i) of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any sinking fund installment, of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such obligation, or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Trustee without their written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Bond Resolution if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment Bonds of any particular Series or maturity would be affected by any modification or amendment of this Bond Resolution and any such determination shall be binding and conclusive on the Trust and all Holders of Bonds. In taking such action, the Trustee may rely upon the opinion of Bond Counsel. For purposes of this Section, the Holders of any Bonds may include the initial Holders thereof, regardless of whether such Bonds are being held for resale.

SECTION 11.07. Consent of Bondholders. The Trust may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section 11.06 to take effect when and as provided in this Section. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Holders of Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Trust to Holders of Bonds (but
failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this Section provided). Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of the Holders of the percentages of Outstanding Bonds specified in Section 11.06 and (b) an opinion of Bond Counsel addressed to the Trustee stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Trust in accordance with the provisions of this Bond Resolution, is authorized or permitted by this Bond Resolution, and is valid and binding upon the Trust and enforceable in accordance with its terms. It shall not be necessary that the consents of Holders of Bonds approve the particular form of wording of the proposed modification or amendment or of the proposed Supplemental Resolution effecting such modification or amendment, but it shall be sufficient if such consents approve the substance of the proposed amendment or modification. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 12.02. A certificate or certificates executed by the Trustee and filed with the Trust stating that it has examined such proof and that such proof is sufficient in accordance with Section 12.02 shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 12.02 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 11.07 provided for is filed, such revocation and proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 12.02. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trust to the effect that no revocation thereof is on file with the Trustee.

At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Trust a written statement that the Holders of such required percentages of such Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Trust on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 11.07, may be given to Bondholders by the Trust by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section 11.07 provided). The Trust shall file with the Trustee proof of the mailing thereof. A record, consisting of the certificates or statements required or permitted by this Section 11.07 to be made by the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Trust, the Fiduciaries and the Holders of all Bonds at the expiration of forty (40) days after the filing with the Trustee of the proof of the mailings of such last-mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty (40) day period; provided, however, that any Fiduciary and the Trust during such forty (40) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as it may deem expedient.

**SECTION 11.08. Modifications or Amendments by Unanimous Consent.** The terms and provisions of this Bond Resolution and the rights and obligations of the Trust and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the Trust of a Supplemental Resolution and the consent thereto of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 11.07 except that no notice to Holders of Bonds either by
mailing or publication shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Holders of Bonds.

SECTION 11.09. Exclusion of Bonds. Bonds owned or held by or for the account of the Trust shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI, and the Trust shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the Trust shall furnish to the Trustee a Certificate of an Authorized Officer of the Trust, upon which the Trustee may rely, describing all Bonds so to be excluded.

SECTION 11.10. Notation on Bonds. Bonds authenticated and delivered after the effective date of any Supplemental Resolution pursuant to this Article XI may, and, if the Trust or the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Trust and the Trustee as to any modification or amendment provided for in such Supplemental Resolution and, in that case upon demand of the Holder of any Bond Outstanding and upon presentation of any Bond for such purpose at the Principal Office of the Trustee, a suitable notation shall be made on such Bond. If the Trust or the Trustee shall so determine, new Bonds so modified as to conform, in the opinion of the Trustee and the Trust, to any modification or amendment contained in such Supplemental Resolution, shall be prepared, authenticated and delivered and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series, principal amount, maturity and interest rate then Outstanding, upon surrender of such Bonds. Any action taken as in Article X or this Article XI provided shall be effective and binding upon all Bondholders notwithstanding that the notation is not endorsed on all Bonds.

SECTION 11.11. Effect of Supplemental Resolution. Upon the effective date of any Supplemental Resolution, this Bond Resolution shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, covenants, obligations and agreements under this Bond Resolution of the Trust, the Trustee and all Holders of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Resolution shall be deemed to be part of the terms and conditions of this Bond Resolution for any and all purposes.

SECTION 11.12. Amendment of Loan Agreements. The Trust shall not supplement, amend, modify or terminate any Loan Agreement, or consent to any such supplement, amendment, modification or termination, without the written consent of the Trustee, which consent shall not be unreasonably withheld. The Trustee shall give such written consent only if (a) (i) in the opinion of the Trustee, after such supplement, amendment, modification or termination is effective, such Loan Agreement shall continue to meet the requirements of Article VI of this Bond Resolution or (ii) the Trustee first obtains the written consent of the Holders of a majority in aggregate principal amount of the Outstanding Bonds to such supplement, amendment, modification or termination, such written consent being obtained by the Trustee at the sole expense of the Borrower which is a party to the Loan Agreement which is the subject of the supplement, amendment, modification or termination and (b) the Trustee first obtains an opinion of Bond Counsel to the effect that such supplement, amendment, modification or termination will not adversely affect the exclusion from gross income of the interest on the Series 2017B-1 Bonds for federal income tax purposes. In making any determination under this Section 11.12, the Trustee may conclusively rely upon an opinion of Bond Counsel.
Notwithstanding any other provision in this Section, (a) the Trust may supplement, amend or modify any Loan Agreement without the consent of the Trustee or any Bondholder (i) for the purposes set forth in Section 5.02 hereof, including, without limitation, for the purposes of revising or substituting Exhibit C to the Loan Agreement for the reasons set forth in Section 3.03A of the Loan Agreement and Section 5.02 hereof, (ii) for the purpose of amending, supplementing or modifying Section 2.02(p) of the Loan Agreement and (iii) for the purpose of amending, supplementing or modifying Exhibit H to the Loan Agreement prior to the execution and delivery thereof, and (b) the Trust may terminate any Loan Agreement (subject to the termination provisions thereof) without the consent of the Trustee or any Bondholder in the event that all payment obligations thereunder have been satisfied by the respective Borrower in full.

SECTION 11.13. Notice of Amendments. Promptly after the adoption by the Trust of any Supplemental Resolution, the Trustee shall mail by first class mail, postage prepaid, a notice, setting forth in general terms the substance thereof, to the Bondholders of a Series of Bonds affected by such amendment. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Resolution.
ARTICLE XII

DEFEASANCE

SECTION 12.01. Defeasance of Bonds.

1. If the Trust shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds of any Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in this Bond Resolution, then the pledge of the Trust Estate, and all duties, covenants, agreements and other obligations of the Trust to the Bondholders of such Series, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Trust to be prepared and filed with the Trust and, upon the request of the Trust, shall execute and deliver to the Trust all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the Trust all moneys or securities held by it pursuant to this Bond Resolution which are not required for the payment of principal or Redemption Price, if applicable, and interest due or to become due on Bonds of any Series not theretofore surrendered for such payment or redemption and any amounts owed to any Fiduciary. If the Trust shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of any Outstanding Bonds of any Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Resolution, such Bonds shall cease to be entitled to any lien, benefit or security under this Bond Resolution, and all duties, covenants, agreements and obligations of the Trust to the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Notwithstanding any other provision in this Article XII, all duties, covenants, agreements and obligations of the Trust to the Holders relating to the exclusion of interest from gross income of the Holders of such Bonds for federal income tax purposes shall survive the defeasance of the Bonds.

2. Bonds (which can be an entire series or portion thereof) or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Paying Agents (through deposit by the Trust of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section. Subject to the provisions of subsections (3) through (5) of this Section, Outstanding Bonds of any Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section if (a) in case any of said Bonds are to be redeemed on any date prior to their stated maturities, the Trust shall have given to the Trustee instructions in writing accepted by the Trustee to mail notice of redemption of such Bonds (other than Bonds of a Series which have been purchased by the Trustee at the written direction of the Trust or purchased or otherwise acquired by the Trust and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption) on said date, (b) there shall have been deposited with the Trustee (i) moneys in an amount which shall be sufficient, or Investment Securities (including any Investment Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on such Series of Bonds on or prior to the redemption date or maturity date thereof, as the case may be, (ii) a defeasance opinion of Bond Counsel, and (iii) a verification report of an independent nationally recognized verification agent as to the matters set forth in clause (i), and (c) in the event such Series of Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Trust shall have given the Trustee in form satisfactory to it instructions to mail, as soon as practicable, a notice to the Holders of such Bonds at their last addresses appearing upon the registry books at the close of business on the last business day of the month preceding the month for which notice is mailed that the deposit required by (b)
above has been made with the Trustee and that such Series of Bonds are deemed to have been paid in accordance with this Section 12.01 and stating such maturity or redemption date upon which moneys are expected, subject to the provisions of subsection (5) of this Section 12.01, to be available for the payment of the principal or Redemption Price, if applicable, of such Series of Bonds (other than Bonds which have been purchased by the Trustee at the direction of the Trust or purchased or otherwise acquired by the Trust and delivered to the Trustee as hereinafter provided prior to the mailing of the notice of redemption referred to in clause (a) hereof). Any notice of redemption mailed pursuant to the preceding sentence with respect to any Series of Bonds which constitutes less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond. The Trustee shall, as and to the extent necessary, apply moneys held by it pursuant to this Section 12.01 to the retirement of said Bonds in amounts equal to the unsatisfied balances of any Sinking Fund Installments with respect to such Bonds, all in the manner provided in this Bond Resolution.

The Trustee shall, if so directed by the Trust (i) prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 12.01 which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) above with respect to any Bonds deemed to have paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Investment Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds and the Trustee shall immediately thereafter cancel all such Bonds so purchased; provided, however, that the moneys and Investment Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due or to become due on all Bonds in respect of which such moneys and Investment Securities are being held by the Trustee on or prior to the redemption date or maturity date thereof, as the case may be. If, at any time (i) prior to the maturity date of Bonds deemed to have been paid in accordance with Section 12.01 which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) with respect to any Bonds deemed to have been paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, the Trust shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date or redemption date, as the case may be, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by directions from the Trust to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to pay or redeem Bonds deemed paid in accordance with this Section 12.01. The directions given by the Trust to the Trustee referred to in the preceding sentence shall also specify the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 12.01 upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to redeem Bonds deemed paid in accordance with this Section 12.01 on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this Section 12.01 the total amount of moneys and Investment Securities remaining on deposit with the Trustee under this Section 12.01 is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds of such Series in order to satisfy clause (b) of this subsection 2 of Section 12.01, the Trustee shall, if requested by the Trust, pay the amount of such excess to the Trust free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Bond Resolution. Except as otherwise provided in this subsection 2 and in subsection 3 through subsection 5 of this Section 12.01, neither Investment Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, (A) to the extent such cash will not be required at
any time for such purpose, shall be paid over to the Trust as received by the Trustee, free and clear of any trust, lien or pledge securing said Bonds or otherwise existing under this Bond Resolution, and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested at the direction of the Trust in Investment Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Trust, as received by the Trustee, free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Bond Resolution.

For the purposes of this Section, Investment Securities shall mean and include only (y) such securities as are described in clause (a) of the definition of “Investment Securities” in Section 1.01 which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof or (z) upon compliance with the provisions of subsection 3 of this Section 12.01, such securities as are described in clause (a) of the definition of Investment Securities which are subject to redemption prior to maturity at the option of the issuer thereof on a specified date or dates.

3. Investment Securities described in clause (z) of subsection 2 of Section 12.01 may be included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01 only if, in making the determination as to whether the moneys and Investment Securities to be deposited with the Trustee would be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on the Bonds which will be deemed to have been paid as provided in subsection 2 of Section 12.01, such determination is made both (i) on the assumption that the Investment Securities described in clause (z) were not redeemed at the option of the issuer prior to the maturity date thereof and (ii) on the assumptions that such Investment Securities were redeemed by the issuer thereof at its option on each date on which such option could be exercised, that as of such date or dates interest ceased to accrue on such Investment Securities and that the proceeds of such redemption were not reinvested by the Trustee.

4. In the event that after compliance with the provisions of subsection 3 of Section 12.01 the Investment Securities described in clause (z) of subsection 2 of Section 12.01 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01 and any such Investment Securities are actually redeemed by the issuer thereof prior to their maturity date, then the Trustee at the written direction of the Trust shall reinvest the proceeds of such redemption in Investment Securities, provided that the aggregate of the moneys and Investment Securities to be held by the Trustee, taking into account any changes in redemption dates or instructions to give notice of redemption given to the Trustee by the Trust in accordance with subsection 5 of Section 12.01, shall at all times be sufficient to satisfy the requirements of clause (b) of subsection 2 of Section 12.01.

5. In the event that after compliance with the provisions of subsection 3 of Section 12.01 the Investment Securities described in clause (z) of subsection 2 of Section 12.01 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01, then any notice of redemption to be published by the Trustee and any set of instructions relating to a notice of redemption given to the Trustee may provide, at the option of the Trust, that any redemption date or dates in respect of all of any portion of the Bonds to be redeemed on such date or dates may at the option of the Trust be changed to any other permissible redemption date or dates and that redemption dates may be established for any Bonds deemed to have been paid in accordance with this Section 12.01 upon their maturity date or dates at any time prior to the actual mailing of any applicable notice of redemption in the event that all or any portion of any Investment Securities described in clause (z) of subsection 2 of this Section 12.01 have been called for redemption pursuant to an irrevocable notice of redemption or have been redeemed by the issuer thereof prior to the maturity date thereof; no such change
of redemption date or dates or establishment of redemption date or dates may be made unless, taking into account such changed redemption date or dates or newly established redemption date or dates, the moneys and Investment Securities on deposit with the Trustee (including any Investment Securities deposited with the Trustee in connection with any reinvestment of redemption proceeds in accordance with subsection 5 of Section 12.01) pursuant to clause (b) of subsection 2 of Section 12.01 would be sufficient to pay when due the principal and Redemption Price, if applicable, and interest on all Bonds deemed to have been paid in accordance with subsection 2 of Section 12.01.

6. Anything in this Bond Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six years after the later of (i) the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption or (ii) the date of deposit of such moneys, shall at the written request of the Trust be repaid by the Fiduciary to the Trust as its absolute property and free from the Trust Estate, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Trust for the payment of such Bonds; provided, however, that before being required to make any such payment to the Trust, the Fiduciary shall, at the expense of the Trust, cause to be published at least twice, at an interval of not less than seven (7) days between publications, in the Authorized Newspapers, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the Trust.

Notwithstanding any other provision in Article XII of this Bond Resolution, all duties, covenants, agreements and obligations of the Trust to the Holders relating to the exclusion of interest from gross income of the Holders of the Series 2017B-1 Bonds for federal income tax purposes shall survive the defeasance of the Series 2017B-1 Bonds.

SECTION 12.02. Evidence of Signatures and Ownership of Bonds.

1. Any request, consent, revocation of consent or other instrument which this Bond Resolution or any Supplemental Resolution may require or permit to be signed and executed by the Holders of Bonds of any Series may be in one or more instruments of similar tenor and shall be signed or executed by such Holders of Bonds in person or by their attorneys appointed in writing. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, shall be sufficient for any purpose of this Bond Resolution or any Supplemental Resolution (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable. The fact and date of the execution by any Holder of any Bond or his attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of his authority.

2. The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books maintained by the Trustee.

3. Any request or consent by the Holder of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Trust or any Trustee in accordance therewith.
SECTION 12.03. Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of the interest, principal or Redemption Price due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto.
ARTICLE XIII

SECTION 13.02. Official Statement. The Authorized Officers of the Trust are hereby severally authorized and directed to execute and deliver a final official statement relating to the Series 2017B-1 Bonds (the “Official Statement”), in substantially similar form to the Preliminary Official Statement, with such changes thereto as shall be necessary or desirable to reflect the final pricing of the Series 2017B-1 Bonds, as set forth in any documents relating to the sale of the Series 2017B-1 Bonds, and to reflect any other changes required pursuant to any statutes, regulations, rules or other procedures of the SEC, the Municipal Securities Rulemaking Board or any state securities entity, including, without limitation, Rule 15c2-12, as the Authorized Officer of the Trust, after consultation with Bond Counsel and any other appropriate professional advisors to the Trust, deems in his sole discretion to be necessary or desirable to effect the issuance of the Series 2017B-1 Bonds and the transactions contemplated by the Official Statement, which delivery thereof by the Authorized Officer of the Trust shall conclusively evidence his consent to the provisions thereof.

SECTION 13.03. Sale of the Series 2017B-1 Bonds.

1. The Authorized Officers of the Trust are hereby severally authorized and directed to cause to be published and disseminated in connection with the marketing and sale of the Series 2017B-1 Bonds a notice of sale with respect to the Series 2017B-1 Bonds (the “Notice of Sale”), which Notice of Sale shall set forth, inter alia, the following terms and provisions, which terms and provisions shall be determined by the Authorized Officer of the Trust after consultation with Bond Counsel and other appropriate professional advisors to the Trust: (i) a summary of the terms of the Series 2017B-1 Bonds; (ii) the criteria pursuant to which the award of the Series 2017B-1 Bonds shall be made by the Trust; (iii) the date and time at which proposals for the purchase of the Series 2017B-1 Bonds shall be accepted by the Trust; and (iv) the method

3. On the date and time established therefore in the Notice of Sale, the Proposals for Bonds shall be received and accepted by the Authorized Officer of the Trust. Upon receipt and acceptance of the Proposals for Bonds, the Authorized Officers of the Trust are hereby severally authorized and directed to open such Proposals for Bonds and, after consultation with Bond Counsel and other appropriate professional advisors to the Trust, accept the successful Proposal for Bonds, such Proposal for Bonds to be determined based upon compliance with the terms of the Notice of Sale relating to the award of the Series 2017B-1 Bonds and after consultation with Bond Counsel and other appropriate professional advisors to the Trust.

SECTION 14.04. Waiver of Notice. Whenever in this Bond Resolution the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST (the “Trust”), a public body corporate and politic and an instrumentality of the State of New Jersey created and existing under the laws of the State of New Jersey, hereby acknowledges itself indebted to, and for value received hereby promises to pay to, the Registered Owner stated hereon or its registered assigns, on the Maturity Date stated hereon, but solely from the funds pledged therefor, upon presentation and surrender of this bond at the Principal Office of Zions Bank, a Division of ZB, National Association (such bank and any successors thereto being herein called the “Trustee” and “Paying Agent”), the Principal Sum stated hereon in any coin or currency of the United States of America that at the time of payment is legal tender for the payment of public and private debts, and to pay from such pledged funds on March 1 and September 1 in each year, commencing September 1, 2018, until the Trust’s obligation with respect to the payment of such Principal Sum shall be discharged to the Registered Owner hereof, interest from the Dated Date hereof on such Principal Sum by check or draft of the Trustee mailed to such Registered Owner who shall appear as of the fifteenth (15th) day (whether or not such day shall be a Business Day) of the month immediately preceding such interest payment date on the books of the Trust maintained by the Trustee. However, so long as the Series 2017B-1 Bonds (as hereinafter defined) are held in book-entry-only form pursuant to the Resolution (as hereinafter defined), the provisions of the Resolution governing such book-entry-only form shall govern repayment of the principal or Redemption Price, if any, of and interest on the Series 2017B-1 Bonds.

This bond is one of a duly authorized Series of Bonds of the Trust designated “Environmental Infrastructure Bonds, Series 2017B-1 (AMT)” (herein called the “Series 2017B-1 Bonds”), and issued in the aggregate principal amount of $___,___,___, under and in full compliance with the Constitution and statutes of the State of New Jersey, including, without limitation, the “New Jersey Environmental Infrastructure Trust Act”, constituting chapter 334 of the Pamphlet Laws of 1985 of the State of New Jersey, as amended and supplemented (herein called the “Act”), and under and pursuant to a resolution authorizing the Series 2017B-1 Bonds adopted by the Trust on October 12, 2017 and entitled “Environmental Infrastructure Bond Resolution, Series 2017B-1”, as the same may be amended or supplemented from time to time in accordance with its terms (herein called the “Resolution”).

-72-
All capitalized terms used but not defined herein shall have the meanings set forth in the Resolution as if fully set forth herein.

As provided in the Resolution, the Series 2017B-1 Bonds and all other bonds issued on a parity basis with the Series 2017B-1 Bonds under the Resolution (herein collectively called the “Bonds”) are direct and special obligations of the Trust payable solely, subject to the following sentence, from and secured (as to payment of principal or Redemption Price, if any, of and interest on) by the Trust Estate, all in accordance with their terms and the terms and conditions of the Resolution, subject only to the provisions of the Resolution permitting the application of the Trust Estate for the purposes and upon the terms and conditions set forth in the Resolution. The principal or Redemption Price, if any, of and interest on the Series 2017B-1 Bonds are additionally secured by moneys held by the Master Program Trustee in the Master Program Trust Account to the extent set forth in the Master Program Trust Agreement. The Trust Estate under the Resolution includes the Loan Agreements (with certain exceptions set forth in the Resolution), any other Revenues and all other funds and accounts established under the Resolution (other than the Operating Expense Fund, the Project Fund, and the Rebate Fund), including Investment Securities, as applicable, held in any such Fund thereunder, together with all proceeds and revenues of the foregoing, all of the Trust’s right, title and interest in and to the foregoing and all other moneys, securities or funds pledged for the payment of the principal or Redemption Price, if any, of and interest on the Bonds in accordance with the terms and provisions of the Resolution. Copies of the Resolution are on file at the office of the Trust and at the above-mentioned office of the Trustee. Reference is hereby made to the Act and to the Resolution and any and all supplements thereto and modifications and amendments thereof for a description of the pledge and assignment and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the holders of the Bonds with respect thereto, the terms and conditions upon which the Bonds are issued and may be issued thereunder, the terms and provisions upon which this bond shall cease to be entitled to any lien, benefit or security under the Resolution and for all of the other terms and provisions thereof. All duties, covenants, agreements and obligations of the Trust under the Resolution may be discharged and satisfied at or prior to the maturity or redemption, if any, of this bond if moneys or certain specified securities shall have been deposited with the Trustee, all in accordance with the terms and provisions of the Resolution.

As provided in the Resolution, Bonds may be issued from time to time pursuant to Supplemental Resolutions in one or more Series in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Resolution provided. Although the aggregate principal amount of Bonds that may be issued under the Resolution is not limited, and all Bonds issued and to be issued under the Resolution are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Resolution, the aggregate amount of bonds that may be issued by the Trust is currently limited by the Act. The Trust makes no representation as to whether this limitation on the aggregate principal amount of bonds issued by the Trust under the Act will continue to restrict the future issuance of bonds by the Trust under the Act.

To the extent and in the manner permitted by the terms of the Resolution, the provisions of the Resolution or any resolution amendatory thereof or supplemental thereto may be modified or amended by the Trust with the written consent of the holders of at least two-thirds (2/3) in aggregate principal amount of the Bonds Outstanding under the Resolution at the time such consent is given, and, in case less than all of the several Series of Bonds then Outstanding are affected thereby, with such consent of at least two-thirds (2/3) in aggregate principal amount of the Bonds of each Series so affected and Outstanding; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding under the Resolution, the consent of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of the calculation of Outstanding Bonds. No such modification or amendment shall permit a change in the terms of redemption, if any (including Sinking Fund Installments), or maturity of the principal
of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price, if any, thereof or in the rate of interest thereon without the consent of the holder of such Bond, nor shall it reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, nor shall it change or modify any of the rights or obligations of the Trustee or of the Paying Agent without its written assent thereto.

This bond is transferable, as provided in the Resolution, only upon the books of the Trust kept for that purpose at the above-mentioned office of the Trustee, as bond registrar, by the Registered Owner hereof in person, or by such Registered Owner’s attorney duly authorized in writing, upon surrender of this bond together with a written instrument of transfer satisfactory to the bond registrar duly executed by the Registered Owner or such Registered Owner’s duly authorized attorney, and thereupon a new fully registered bond or bonds in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon payment of the charges therein prescribed. The Trust, the Trustee and the Paying Agent may deem and treat the Registered Owner as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if any, hereof and the interest due hereon and for all other purposes.

[The Series 2017B-1 Bonds maturing on or before September 1, 2027 shall not be subject to redemption prior to their respective stated maturity dates. The Series 2017B-1 Bonds maturing on or after September 1, 2028 shall be subject to redemption prior to their respective stated maturity dates on or after September 1, 2027, at the option of the Trust, upon the terms set forth in the Resolution.]

[The Series 2017B-1 Bonds due September 1, 20__, September 1, 20__ and September 1, 20__ are subject to mandatory sinking fund redemption prior to their stated maturity, upon the surrender thereof and through selection by lot by the Trustee and upon the giving of notice as provided in the Resolution, by payment of the following “Sinking Fund Installments”, on September 1, in each year set forth below, at a Redemption Price which is equal to 100% of the principal amount thereof plus interest accrued to the redemption date, in the following aggregate principal amounts in the following years:

The Series 2017B-1 Bonds are payable upon redemption at the above-mentioned office of the Paying Agent. Notice of redemption, setting forth the place of payment, shall be mailed by the Trustee via first class mail, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date, to the registered owners of any Series 2017B-1 Bonds or portions thereof to be redeemed at their last addresses, if any, appearing upon the Trust’s registry books, all in the manner and upon the terms and conditions set forth in the Resolution. If notice of redemption shall have been mailed as aforesaid, the Series 2017B-1 Bonds or portions thereof specified in said notice shall become due and payable on the redemption date therein fixed, and if, on the redemption date, moneys for the redemption of all of the Series
2017B-1 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, then from and after the redemption date interest on such Series 2017B-1 Bonds or portions thereof so called for redemption shall cease to accrue and be payable. Failure of the registered owner of any Series 2017B-1 Bonds to be redeemed to receive any such notice shall not affect the validity of the proceedings for the redemption of such Series 2017B-1 Bonds.

The principal or Redemption Price, if any, of and interest on the Series 2017B-1 Bonds are payable by the Trust solely from the Trust Estate, and neither the State of New Jersey nor any political subdivision thereof, other than the Trust (but solely to the extent of the Trust Estate), is obligated to pay the principal or Redemption Price, if any, of or interest on this bond and the issue of which it is one, and neither the full faith and credit nor the taxing power of the State of New Jersey or any political subdivision thereof is pledged to the payment of the principal or Redemption Price, if any, of or interest on this bond or the issue of which it is one.

It is hereby certified and recited that all conditions, acts and things required by law and the Resolution to exist, to have happened and to have been performed precedent to and in the issuance of this bond exist, have happened and have been performed, and the Series of Bonds of which this is one, together with all other indebtedness of the Trust, comply in all respects with the applicable laws of the State of New Jersey, including, without limitation, the Act.

This bond shall not be entitled to any benefit under the Resolution or be valid or become obligatory for any purpose until this bond shall have been authenticated by the execution by the Trustee of the Trustee’s Certificate of Authentication hereon.

IN WITNESS WHEREOF, NEW JERSEY ENVIRONMENTAL INFRASTRUCTURE TRUST has caused this bond to be executed in its name and on its behalf by the manual or facsimile signature of its Chairman or Vice-Chairman and its seal to be impressed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of its Secretary or Assistant Secretary, all as of the Dated Date hereof.

   (iv) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to pay the principal of or the interest or redemption premium on or any other amount in connection with the retirement or redemption of any issue of state or local governmental obligations (“refinancing of indebtedness”), unless the Borrower shall (A) establish to the satisfaction of the Trust, prior to the issuance of the Trust Bonds, that such refinancing of indebtedness will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds, and (B) provide to the Trust an opinion of Bond Counsel to that effect in form and substance satisfactory to the Trust.

   (v) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to reimburse the Borrower for an expenditure with respect to a Costs of the Borrower’s Project paid by the Borrower prior to the issuance of the Trust Bonds, unless (A) the allocation by the Borrower of the proceeds of the Trust Bonds to reimburse such expenditure complies with the requirements of Treasury Regulations
§1.150-2 necessary to enable the reimbursement allocation to be treated as an expenditure of the proceeds of the Trust Bonds for purposes of applying Sections 103 and 141-150, inclusive, of the Code, or (B) such proceeds of the Trust Bonds will be used for refinancing of indebtedness that was used to pay Costs of the Borrower’s Project or to reimburse the Borrower for expenditures with respect to Costs of the Borrower’s Project paid by the Borrower prior to the issuance of such indebtedness in accordance with a reimbursement allocation for such expenditures that complies with the requirements of Treasury Regulations §1.150-2.

(vi) The Borrower shall not directly or indirectly use or permit the use of any proceeds of the Trust Bonds to pay any costs which are not Costs of the Borrower’s Project that constitute a “capital expenditure” within the meaning of Treasury Regulations §1.150-1.

(vii) The Borrower shall not use the proceeds of the Trust Bonds (assuming solely for this purpose that the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Trust Bonds) in any manner that would cause the Trust Bonds to be considered “federally guaranteed” within the meaning of Section 149(b) of the Code or “hedge bonds” within the meaning of Section 149(g) of the Code.

(viii) The Borrower shall not issue any debt obligations that (A) are sold at substantially the same time as the Trust Bonds and finance or refinance the Loan made to the Borrower, (B) are sold pursuant to the same plan of financing as the Trust Bonds and finance or refinance the Loan made to the Borrower, and (C) are reasonably expected to be paid out of substantially the same source of funds as the Trust Bonds and finance or refinance the Loan made to the Borrower.

(ix) Neither the Borrower nor any “related party” (within the meaning of Treasury Regulations §1.150-1) shall purchase Trust Bonds in an amount related to the amount of the Loan.

(x) The Borrower will not issue or permit to be issued obligations that will constitute an “advance refunding” of the Borrower Bond within the meaning of Section 149(d)(5) of the Code without the express written consent of the Trust, which consent may only be delivered by the Trust after the Trust has received notice from the Borrower of such contemplated action no later than sixty (60) days prior to any such contemplated action, and which consent is in the sole discretion of the Trust.

(xi) See Section 2.02(f)(xi) as set forth in Schedule A attached hereto, made a part hereof and incorporated in this Section 2.02(f)(xi) by reference as if set forth in full herein.

(xii) No “gross proceeds” of the Trust Bonds held by the Borrower (other than amounts in a “bona fide debt service fund”) will be held in a “commingled fund” (as such terms are defined in Treasury Regulations §1.148-1(b)).

(xiii) Based upon all of the objective facts and circumstances in existence on the date of issuance of the Trust Bonds used to finance the Project, (A) within six months of
the date of issuance of the Trust Bonds used to finance the Project, the Borrower will incur a substantial binding obligation to a third party to expend on the Project at least five percent (5%) of the “net sale proceeds” (within the meaning of Treasury Regulations §1.148-1) of the Loan used to finance the Project (treating an obligation as not being binding if it is subject to contingencies within the control of the Borrower, the Trust or a “related party” (within the meaning of Treasury Regulations §1.150-1)), (B) completion of the Project and the allocation to expenditures of the “net sale proceeds” of the Loan used to finance the Project will proceed with due diligence, and (C) all of the proceeds of the Loan used to finance the Project (other than amounts deposited into the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution) allocable to that portion of the Loan used to finance reserve capacity, if any) and investment earnings thereon will be spent prior to the period ending three (3) years subsequent to the date of issuance of the Trust Bonds used to finance the Project. Accordingly, the proceeds of the Loan deposited in the Project Loan Account used to finance the Project will be eligible for the 3-year arbitrage temporary period since the expenditure test, time test and due diligence test, as set forth in Treasury Regulations §1.148-2(e)(2), will be satisfied.

(xiv) The weighted average maturity of the Loan does not exceed 120% of the average reasonably expected economic life of the Project financed or refinanced with the Loan, determined in the same manner as under Section 147(b) of the Code. Accordingly, the term of the Loan will not be longer than is reasonably necessary for the governmental purposes of the Loan within the meaning of Treasury Regulations §1.148-1(c)(4).

(xv) The Borrower shall, within thirty (30) days of date the Borrower concludes that no additional proceeds of the Loan will be required to pay costs of the Project, provide to the Trust a certificate of the Borrower evidencing such conclusion.

For purposes of this subsection and subsection (h) of this Section 2.02, quoted terms not otherwise defined, shall have the meanings given thereto by Sections 148 and 150 of the Code, including, particularly, Treasury Regulations §§1.148-1 through 1.148-11, inclusive, and Treasury Regulations §1.150-(1) and (2), and any successor Treasury Regulations applicable to the Trust Bonds.

(g) Operation and Maintenance of Environmental Infrastructure System. The Borrower covenants and agrees that it shall, in accordance with prudent environmental infrastructure utility practice, (i) at all times operate the properties of its Environmental Infrastructure System and any business in connection therewith in an efficient manner, (ii) maintain its Environmental Infrastructure System in good repair, working order and operating condition, and (iii) from time to time make all necessary and proper repairs, renewals, replacements, additions, betterments and improvements with respect to its Environmental Infrastructure System so that at all times the business carried on in connection therewith shall be properly and advantageously conducted.

(h) Records and Accounts.
(i) The Borrower shall keep accurate records and accounts for its Environmental Infrastructure System (the “System Records”) separate and distinct from its other records and accounts (the “General Records”). Such System Records shall be audited annually by an independent certified public accountant, which may be part of the annual audit of the General Records of the Borrower. Such System Records and General Records shall be made available for inspection by the Trust at any reasonable time upon prior written notice, and a copy of such annual audit(s) therefor, including all written comments and recommendations of such accountant, shall be furnished to the Trust within 150 days of the close of the fiscal year being so audited or, with the consent of the Trust, such additional period as may be provided by law.

(ii) Within thirty (30) days following receipt of any Loan proceeds, including without limitation the “Allowance for Administrative Costs” or the “Allowance for Planning and Design” set forth in Exhibit B hereto, the Borrower shall allocate such proceeds to expenditures in a manner that satisfies the requirements of Treasury Regulation §1.148-6(d) and transmit a copy of each such allocation to the Trust. No portion of the Allowance for Administrative Costs will be allocated to a cost other than a cost described in N.J.A.C. 7:22-5.11(a) 3, 4 or 6. No portion of the Allowance for Planning and Design will be allocated to a cost other than a cost described N.J.A.C. 7:22-5.12, or other costs of the Borrower’s Environmental Infrastructure System which are “capital expenditures,” within the meaning of Treasury Regulations §1.150-1. The Borrower shall retain records of such allocations for at least until the date that is three years after the scheduled maturity date of the Trust Bonds. The Borrower shall make such records available to the Trust within 15 days of any request by the Trust.

(iii) Unless otherwise advised in writing by the Trust, in furtherance of the covenant of the Borrower contained in subsection (f) of this Section 2.02 not to cause the Trust Bonds to be arbitrage bonds, the Borrower shall keep, or cause to be kept, accurate records of each investment it makes in any “nonpurpose investment” acquired with, or otherwise allocated to, “gross proceeds” of the Trust Bonds not held by the Trustee and each “expenditure” it makes allocated to “gross proceeds” of the Trust Bonds. Such records shall include the purchase price, including any constructive “payments” (or in the case of a “payment” constituting a deemed acquisition of a “nonpurpose investment” (e.g., a “nonpurpose investment” first allocated to “gross proceeds” of the Trust Bonds after it is actually acquired because it is deposited in a sinking fund for the Trust Bonds), the “fair market value” of the “nonpurpose investment” on the date first allocated to the “gross proceeds” of the Trust Bonds, nominal interest rate, dated date, maturity date, type of property, frequency of periodic payments, period of compounding, yield to maturity, amount actually or constructively received on disposition (or in the case of a “receipt” constituting a deemed disposition of a “nonpurpose investment” (e.g., a “nonpurpose investment” that ceases to be allocated to the “gross proceeds” of the Trust Bonds because it is removed from a sinking fund for the Trust Bonds)), the “fair market value” of the “nonpurpose investment” on the date it ceases to be allocated to the “gross proceeds” of the Trust Bonds, the purchase date and disposition date (or deemed purchase or disposition date) for each such “nonpurpose investment”. The purchase date, disposition date and the date of determination of “fair
market value” shall be the date on which a contract to purchase or sell the “nonpurpose investment” becomes binding, i.e., the trade date rather than the settlement date. For purposes of the calculation of purchase price and disposition price, brokerage or selling commissions, administrative expenses or similar expenses shall not increase the purchase price of an item and shall not reduce the amount actually or constructively received upon disposition of an item, except to the extent such costs constitute “qualified administrative costs”.

(iv) Within thirty (30) days of the last day of the fifth and each succeeding fifth “bond year” (which, unless otherwise advised by the Trust, shall be the five-year period ending on the date five years subsequent to the date immediately preceding the date of issuance of the Trust Bonds and each succeeding fifth “bond year”) and within thirty (30) days of the date the last bond that is part of the Trust Bonds is discharged (or on any other periodic basis requested in writing by the Trust), the Borrower shall (A) calculate, or cause to be calculated, the “rebate amount” as of the “computation date” or “final computation date” attributable to any “nonpurpose investment” made by the Borrower and (B) remit the following to the Trust: (1) an amount of money that when added to the “future value” as of the “computation date” of any previous payments made to the Trust on account of rebate equals the “rebate amount”, (2) the calculations supporting the “rebate amount” attributable to any “nonpurpose investment” made by the Borrower allocated to “gross proceeds” of the Trust Bonds, and (3) any other information requested by the Trust relating to compliance with Section 148 of the Code (e.g., information related to any “nonpurpose investment” of the Borrower for purposes of application of the “universal cap”).

(v) The Borrower covenants and agrees that it will account for “gross proceeds” of the Trust Bonds, investments allocable to the Trust Bonds and expenditures of “gross proceeds” of the Trust Bonds in accordance with Treasury Regulations §1.148-6. All allocations of “gross proceeds” of the Trust Bonds to expenditures will be recorded on the books of the Borrower kept in connection with the Trust Bonds no later than 18 months after the later of the date the particular Costs of the Borrower’s Project is paid or the date the portion of the project financed by the Trust Bonds is placed in service. All allocations of proceeds of the Trust Bonds to expenditures will be made no later than the date that is 60 days after the fifth anniversary of the date the Trust Bonds are issued or the date 60 days after the retirement of the Trust Bonds, if earlier. Such records and accounts will include the particular Costs paid, the date of the payment and the party to whom the payment was made.

(vi) From time to time as directed by the Trust, the Borrower shall provide to the Trust a written report demonstrating compliance by the Borrower with the provisions of Section 2.02(f) of this Loan Agreement, each such written report to be submitted by the Borrower to the Trust in the form of a full and complete written response to a questionnaire provided by the Trust to the Borrower. Each such questionnaire shall be provided by the Trust to the Borrower not less than fourteen (14) days prior to the date established by the Trust for receipt from the Borrower of the full and complete written response to the questionnaire.
(i) **Inspections; Information.** The Borrower shall permit the Trust and the Trustee and any party designated by any of such parties, at any and all reasonable times during construction of the Project and thereafter upon prior written notice, to examine, visit and inspect the property, if any, constituting the Project and to inspect and make copies of any accounts, books and records, including (without limitation) its records regarding receipts, disbursements, contracts, investments and any other matters relating thereto and to its financial standing, and shall supply such reports and information as the Trust and the Trustee may reasonably require in connection therewith.

(j) **Insurance.** The Borrower shall maintain or cause to be maintained, in force, insurance policies with responsible insurers or self-insurance programs providing against risk of direct physical loss, damage or destruction of its Environmental Infrastructure System at least to the extent that similar insurance is usually carried by utilities constructing, operating and maintaining Environmental Infrastructure Facilities of the nature of the Borrower’s Environmental Infrastructure System, including liability coverage, all to the extent available at reasonable cost but in no case less than will satisfy all applicable regulatory requirements.

(k) **Costs of Project.** The Borrower certifies that the building cost of the Project, as listed in Exhibit B hereto and made a part hereof, is a reasonable and accurate estimation thereof, and it will supply to the Trust a certificate from a licensed professional engineer authorized to practice in the State stating that such building cost is a reasonable and accurate estimation and that the useful life of the Project exceeds the maturity date of the Borrower Bond.

(l) **Delivery of Documents.** Concurrently with the delivery of this Loan Agreement (as previously authorized, executed and attested) at the Loan Closing, the Borrower will cause to be delivered to the Trust and the Trustee each of the following items:

   (i) an opinion of the Borrower’s bond counsel substantially in the form of Exhibit E hereto; provided, however, that the Trust may permit portions of such opinion to be rendered by general counsel to the Borrower and may permit variances in such opinion from the form set forth in Exhibit E if, in the opinion of the Trust, such variances are not to the material detriment of the interests of the holders of the Trust Bonds;

   (ii) counterparts of this Loan Agreement as previously executed and attested by the parties hereto;

   (iii) copies of those resolutions finally adopted by the board of directors of the Borrower and requested by the Trust, including, without limitation, (A) the resolution of the Borrower authorizing the execution, attestation and delivery of this Loan Agreement, (B) the Borrower Bond Resolution, as amended and supplemented as of the date of the Loan Closing, authorizing the execution, attestation, authentication, sale and delivery of the Borrower Bond to the Trust, (C) the resolution of the Borrower, if any, confirming the details of the sale of the Borrower Bond to the Trust, (D) the resolution of the Borrower, if any, declaring its official intent to reimburse expenditures for the Costs of the Project from the proceeds of the Trust Bonds, each of said resolutions of the Borrower being certified by an Authorized Officer of the Borrower as of the date of the Loan Closing, (E) the resolution of the BPU approving the issuance by the Borrower of the Borrower Bond to
the Trust and setting forth any other approvals required therefor by the BPU, if applicable, and (F) any other Proceedings;

(iv) if the Loan is being made to reimburse the Borrower for all or a portion of the Costs of the Borrower’s Project or to refinance indebtedness or reimburse the Borrower for the repayment of indebtedness previously incurred by the Borrower to finance all or a portion of the Costs of the Borrower’s Project, an opinion of Bond Counsel, in form and substance satisfactory to the Trust, to the effect that such reimbursement or refinancing will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds; and

(v) the certificates of insurance coverage as required pursuant to the terms of Section 3.06(d) hereof and such other certificates, documents, opinions and information as the Trust may require in Exhibit F hereto, if any.

(m) **Execution and Delivery of Borrower Bond.** Concurrently with the delivery of this Loan Agreement at the Loan Closing, the Borrower shall also deliver to the Trust the Borrower Bond, as previously executed, attested and, if applicable, authenticated, upon the receipt of a written certification of the Trust that a portion of the net proceeds of the Trust Bonds shall be deposited in the Project Loan Account simultaneously with the delivery of the Borrower Bond.

(n) **Notice of Material Adverse Change.** The Borrower shall promptly notify the Trust of any material adverse change in the properties, activities, prospects or condition (financial or otherwise) of the Borrower or its Environmental Infrastructure System, or in the ability of the Borrower to make all Loan Repayments and otherwise to observe and perform its duties, covenants, obligations and agreements under this Loan Agreement and the Borrower Bond.

(o) **Continuing Representations.** The representations of the Borrower contained herein shall be true at the time of the execution of this Loan Agreement and at all times during the term of this Loan Agreement.

(p) **Continuing Disclosure Covenant.** To the extent that the Trust, in its sole discretion, determines, at any time prior to the termination of the Loan Term, that the Borrower is a material “obligated person”, as the term “obligated person” is defined in Rule 15c2-12, with materiality being determined by the Trust pursuant to criteria established, from time to time, by the Trust in its sole discretion and set forth in a bond resolution or official statement of the Trust, the Borrower hereby covenants that it will authorize and provide to the Trust, for inclusion in any preliminary official statement or official statement of the Trust, all statements and information relating to the Borrower deemed material by the Trust for the purpose of satisfying Rule 15c2-12 as well as Rule 10b-5 promulgated pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto (“Rule 10b-5”), including certificates and written representations of the Borrower evidencing its compliance with Rule 15c2-12 and Rule 10b-5; and the Borrower hereby further covenants that the Borrower shall execute and deliver the Continuing Disclosure Agreement, in substantially the form attached hereto as Exhibit H, with such revisions thereto prior to execution and delivery thereof as the Trust shall determine to be necessary, desirable or convenient, in its sole discretion, for the purpose of satisfying Rule 15c2-12 and the purposes and intent thereof, as Rule 15c2-12, its purposes and intent may hereafter be
interpreted from time to time by the SEC or any court of competent jurisdiction; and pursuant to
the terms and provisions of the Continuing Disclosure Agreement, the Borrower shall thereafter
provide on-going disclosure with respect to all statements and information relating to the Borrower
in satisfaction of the requirements set forth in Rule 15c2-12 and Rule 10b-5, including, without
limitation, the provision of certificates and written representations of the Borrower evidencing its
compliance with Rule 15c2-12 and Rule 10b-5.

(q) Additional Covenants and Requirements. (i) No later than the Loan Closing and,
if necessary, in connection with the Trust’s issuance of the Trust Bonds or the making of the Loan,
additional covenants and requirements have been included in Exhibit F hereto and made a part
hereof. Such covenants and requirements may include, but need not be limited to the maintenance
of specified levels of Environmental Infrastructure System rates, the issuance of additional debt of
the Borrower, the use by or on behalf of the Borrower of certain proceeds of the Trust Bonds as
such use relates to the exclusion from gross income for federal income tax purposes of the interest
on any Trust Bonds, the transfer of revenues and receipts from the Borrower’s Environmental
Infrastructure System, compliance with Rule 15c2-12, Rule 10b-5 and any other applicable federal
or state securities laws, and matters in connection with the appointment of the Trustee under the
Bond Resolution and any successors thereto. The Borrower hereby agrees to observe and comply
with each such additional covenant and requirement, if any, included in Exhibit F hereto as if the
same were set forth herein in its entirety. (ii) Additional defined terms, covenants, representations
and requirements have been included in Schedule A attached hereto and made a part hereof. Such
additional defined terms, covenants, representations and requirements are incorporated in this
Loan Agreement by reference thereto as if set forth in full herein and the Borrower hereby agrees
to observe and comply with each such additional term, covenant, representation and requirement
included in Schedule A as if the same were set forth in its entirety where reference thereto is made
in this Loan Agreement.
ARTICLE III

LOAN TO BORROWER; AMOUNTS PAYABLE; GENERAL AGREEMENTS

SECTION 3.01. Loan; Loan Term.

(a) The Trust hereby agrees (i) to make the Loan, as described in Exhibit A-2 attached hereto and made a part hereof, to the Borrower, and (ii) to disburse the proceeds of the Loan to the Borrower in accordance with Section 3.02 and Exhibit C hereof. The Borrower hereby agrees to borrow and accept the Loan from the Trust upon the terms set forth in Exhibit A-2 attached hereto and made a part hereof. The Borrower agrees that the amount actually deposited in the Project Loan Account at the Loan Closing plus the Borrower’s allocable share of (i) certain costs of issuance and underwriter’s discount for all Trust Bonds issued to finance the Loan; (ii) capitalized interest during the Project construction period, if applicable; and (iii) that portion of the Debt Service Reserve Fund (to the extent the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution) attributable to the cost of funding reserve capacity for the Project, if applicable, shall constitute the initial principal amount of the Loan (as the same may be adjusted downward in accordance with the definition thereof), and neither the Trust nor the Trustee shall have any obligation thereafter to loan any additional amounts to the Borrower.

(b) Notwithstanding the provisions of subsection (a) of this Section 3.01 to the contrary, the Trust shall be under no obligation (i) to make the Loan to the Borrower if (1) at the Loan Closing, the Borrower does not deliver to the Trust a Borrower Bond and such other documents as are required pursuant to Section 2.02(l) hereof, or (2) an Event of Default has occurred and is continuing pursuant to, and as defined in, the Bond Resolution or pursuant to this Loan Agreement, or (ii) to disburse the proceeds of the Loan to the Borrower in accordance with Section 3.02 and Exhibit C hereof, unless each of the conditions precedent to such disbursement, as set forth in Section 3.02 hereof, have been satisfied in full. The Trust intends to disburse the proceeds of the Loan to the Borrower at the times and in the amounts set forth in Exhibit C hereof in order to pay a portion of the Costs of the Project, subject to compliance by the Borrower with the procedures for disbursement as set forth in Section 3.02 hereof; nevertheless, due to unforeseen circumstances, there may not be a sufficient amount on deposit in the Project Loan Account on a given disbursement date in order for the Trust to make the disbursement in the amount indicated in Exhibit C hereof so as to satisfy a Loan disbursement request by the Borrower pursuant to the provisions of Section 3.02 hereof, in which case (1) the Trust shall have no obligation hereunder to make such disbursement until such time as sufficient funds are on deposit in the Project Loan Account, and (2) the obligations of the Borrower hereunder shall not be affected.

(c) The Borrower shall use the proceeds of the Loan strictly in compliance with the provisions of Section 2.01(h) hereof.

(d) The payment obligations of the Borrower created pursuant to the terms of this Loan Agreement and the obligations of the Borrower to pay the principal of the Borrower Bond, Interest on the Borrower Bond and other amounts due under the Borrower Bond are direct, general, irrevocable and unconditional obligations of the Borrower payable from any source legally available to the Borrower in accordance with the terms of and to the extent provided in the Borrower Bond Resolution.
SECTION 3.02. Disbursement of Loan Proceeds.

(a) The Trustee, as the agent of the Trust, shall disburse the amounts on deposit in the Project Loan Account to the Borrower upon (i) receipt of a requisition executed by an Authorized Officer of the Borrower, and approved by the Trust, in a form satisfying the requirements of Section 5.02(3) of the Bond Resolution, and (ii) consistent with the schedule for disbursement as set forth in Exhibit C hereof.

(b) The Trust and the Trustee shall not be required to disburse any Loan proceeds to the Borrower pursuant to this Loan Agreement, unless:

   (i) the proceeds of the Trust Bonds shall be available for disbursement, as determined by the Trust in its sole and absolute discretion;

   (ii) in accordance with the Bond Act, and the Regulations, the Borrower shall have timely applied for, shall have been awarded and, prior to or simultaneously with the Loan Closing, shall have closed, a Fund Loan for a portion of the Allowable Costs (as defined in such Regulations) of the Project;

   (iii) the Borrower shall have on hand moneys to pay for the greater of (A) that portion of the total Costs of the Project that is not eligible to be funded from the Fund Loan or the Loan, or (B) that portion of the total Costs of the Project that exceeds the actual amounts of the loan commitments made by the State and the Trust, respectively, for the Fund Loan and the Loan; and

   (iv) no Event of Default nor any event that, with the passage of time or service of notice or both, would constitute an Event of Default shall have occurred and be continuing hereunder.

(c) Notwithstanding any provision of this Loan Agreement to the contrary, the Trust and the Trustee, at the request of the Borrower but at the sole discretion of the Trust, may disburse Loan proceeds to the Borrower from the Project Loan Account either prior to or subsequent to the scheduled date for disbursement thereof as such scheduled date is identified in the disbursement schedule set forth in Exhibit C hereof, provided that (A) the Borrower has otherwise satisfied the requirements of this Section 3.02, and (B) such disbursement, in a manner that is inconsistent with the disbursement schedule as set forth in Exhibit C hereof, does not conflict with any restrictions set forth in the Regulations.

In the event that, in the submission of its requisition(s), the Borrower fails to comply with the disbursement schedule as set forth in Exhibit C hereof, and such non-compliance by the Borrower consists of (i) a failure to timely seek disbursement of Loan proceeds which failure results in an amount of non-disbursed funds remaining on deposit in the Project Loan Account, subsequent to the date on which such funds should have been disbursed pursuant to the disbursement schedule set forth in Exhibit C hereof, that, in the aggregate, represents twenty-five percent (25%) of the original deposit to such Project Loan Account, or (ii) a failure to timely seek disbursement of Loan proceeds which failure results in an amount of funds disbursed from the Project Loan Account earlier than the date on which such funds were scheduled to have been disbursed pursuant to the disbursement schedule set forth in Exhibit C hereof, that, in the
aggregate, represents twenty-five percent (25%) of the original deposit to such Project Loan Account, then the Borrower shall provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower providing a revised disbursement schedule, in a form similar to Exhibit C hereto and approved by the Department. Any reference to Exhibit C in Section 3.01, Section 3.02 and Section 3.03A hereof shall mean Exhibit C as such exhibit may have been revised from time to time pursuant to the provisions of the preceding sentence.

SECTION 3.03. Amounts Payable.

(a) The Borrower shall repay the Loan in installments payable to the Trustee as follows:

(i) the principal of the Loan shall be repaid annually on the Principal Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof, as the same may be amended or modified by any credits applicable to the Borrower as set forth in the Bond Resolution;

(ii) the Interest Portion described in clause (i) of the definition thereof shall be paid semiannually on the Interest Payment Dates, in accordance with the schedule set forth in Exhibit A-2 attached hereto and made a part hereof, as the same may be amended or modified by any credits applicable to the Borrower as set forth in the Bond Resolution; and

(iii) the Interest Portion described in clause (ii) of the definition thereof shall be paid upon the date of optional redemption or acceleration, as the case may be, of the Trust Bonds allocable to any prepaid or accelerated Trust Bond Loan Repayment.

The obligations of the Borrower under the Borrower Bond shall be deemed to be amounts payable under this Section 3.03. Each Loan Repayment, whether satisfied through a direct payment by the Borrower to the Trustee or (with respect to the Interest Portion) through the use of Trust Bond proceeds and income thereon on deposit in the Interest Account (as defined in the Bond Resolution) to pay interest on the Trust Bonds, shall be deemed to be a credit against the corresponding obligation of the Borrower under this Section 3.03 and shall fulfill the Borrower’s obligation to pay such amount hereunder and under the Borrower Bond. Each payment made to the Trustee pursuant to this Section 3.03 shall be applied first to the Interest Portion then due and payable, second to the principal of the Loan then due and payable, third to the payment of the Administrative Fee, and finally to the payment of any late charges hereunder.

(b) The Interest on the Loan described in clause (iii) of the definition thereof shall (i) consist of a late charge for any Trust Bond Loan Repayment that is received by the Trustee later than its due date and (ii) be payable immediately thereafter in an amount equal to the greater of twelve percent (12%) per annum or the Prime Rate plus one half of one percent per annum on such late payment from its due date to the date it is actually paid; provided, however, that the rate of Interest on the Loan, including, without limitation, any late payment charges incurred hereunder, shall not exceed the maximum interest rate permitted by law.

(c) The Borrower shall receive, as a credit against its semiannual payment obligations of the Interest Portion, the amounts, if any, certified by the Trust pursuant to Section 5.10 of the
Bond Resolution. Such amounts shall represent the Borrower’s allocable share of the interest earnings on certain funds and accounts established under the Bond Resolution, as calculated and determined in accordance with Section 5.10 of the Bond Resolution.

(d) In accordance with the provisions of the Bond Resolution, the Borrower shall receive, as a credit against its Trust Bond Loan Repayments, the amounts, if any, set forth in the certificate of the Trust filed with the Trustee pursuant to Section 5.02(4) of the Bond Resolution.

(e) The Interest on the Loan described in clause (ii) of the definition thereof shall be paid by the Borrower in the amount of one-half of the Administrative Fee, if any, to the Trustee semiannually on each February 1 and August 1, commencing August 1, 2018.

(f) The “DEP Loan Surcharge or Loan Origination Fee” as defined in Section 8 of Exhibit B attached hereto and made a part hereof, as additionally identified in Exhibit A-2 attached hereto and made a part hereof, (the “DEP Fee”) shall be paid by the Borrower to the Trustee on the date indicated therein in satisfaction of the payment obligation of the Borrower to the Department, and the obligation of the Borrower with respect to the payment of such DEP Fee shall be an obligation of the Borrower under the Borrower Bond and an amount payable pursuant to this Section 3.03. For purposes of crediting and applying the payment by the Borrower of the DEP Fee upon receipt thereof as provided hereby, the Trustee shall credit and apply such payment of the DEP Fee pursuant to the terms and provisions of the Bond Resolution that relate to the payment, crediting and application of the State Administrative Fee (as defined in the Bond Resolution), notwithstanding that fact that (i) the DEP Fee and the State Administrative Fee are separate and distinct fee payment obligations to be satisfied by the Borrower, and (ii) as of the date hereof, there is no State Administrative Fee due and payable by the Borrower. The Trustee, as assignee hereof, hereby agrees to the credit and application of the DEP Fee upon payment thereof as provided hereby.

(g) The Borrower hereby agrees to pay to the Trust at the Loan Closing a “Security Review Fee” in the amount necessary to reimburse the Trust for all of its costs and expenses incurred in connection with reviewing the additional security securing the Trust Loan as set forth in Exhibit F hereto, if any, including without limitation the fees and expenses of any professional advisers hired by the Trust in connection therewith.

(h) Upon thirty (30) days prior written notice to the Borrower, an Authorized Officer of the Trust may, in the sole discretion of such Authorized Officer, prescribe the particular method by which payments pursuant to, and in satisfaction of, this Section 3.03 shall be made by the Borrower. Such method as prescribed by an Authorized Officer of the Trust may include, without limitation, the automatic debit by the Trust or the Trustee of the respective amounts of such payments, as required by this Section 3.03, from an account that shall be identified by the Borrower in writing and record on file with the Trust and the Trustee. In the absence of any such written notice to the Borrower by an Authorized Officer of the Trust pursuant to this subsection (g), the Borrower shall implement the payments required pursuant to, and in satisfaction of, this Section 3.03 either via electronic transfer of immediately available funds or via check.

SECTION 3.03A. Amounts on Deposit in Project Loan Account After Completion of Project Draws.
(a) If, on the date which is thirty (30) days following the final date on which a disbursement of Loan proceeds is scheduled to be made pursuant to the disbursement schedule contained in Exhibit C hereto, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower shall provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a revised disbursement schedule, in a form similar to Exhibit C hereto and approved by the Department.

(b) If, on the date which is thirty (30) days following the final date on which a disbursement of Loan proceeds is scheduled to be made pursuant to the revised disbursement schedule certified to the Trust and the Department in accordance with Section 3.03A(a) hereof, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower shall provide to the Trust and the Department a certificate of an Authorized Officer of the Borrower (i) stating that the Borrower has not yet completed the Project, (ii) stating that the Borrower intends to complete the Project, (iii) setting forth the amount of remaining Loan Proceeds required to complete the Project, and (iv) providing a further revised disbursement schedule, in a form similar to Exhibit C hereto and approved by the Department.

(c) If, on the date which the Borrower has completed the Project, any amounts remain on deposit in the Borrower’s Project Loan Account, the Borrower must within thirty (30) days following such date provide to the Trust and the Department a certificate (i) stating that the Project is complete and (ii) setting forth the remaining costs, if any, of the Project for which a disbursement of Loan will be required.

(d) If (i) the Borrower fails to provide the certificate described in paragraphs (a), (b) or (c) of this Section 3.03A, when due, or (ii) a certificate provided pursuant to paragraphs (a), (b) or (c) of this Section 3.03A states that the Borrower does not require all or any portion of the amount on deposit in the Project Loan Account for completion of the Project, or (iii) on the date which is thirty (30) days following the final date on which a disbursement of Loan proceeds is scheduled to be made pursuant to a further revised disbursement schedule certified to the Trust and the Department in accordance with Section 3.03A(b) hereof, any amounts remain on deposit in the Borrower’s Project Loan Account, then such amounts on deposit in the Project Loan Account, which are amounts that have not been certified by an Authorized Officer of the Borrower as being required to complete the Project (“Excess Project Funds”), shall be applied as follows:

(i) If Trust Bonds can be redeemed within sixty (60) days of the date the Borrower is required to provide the certificate described in paragraphs (a), (b) or (c) of this Section 3.03A, the Excess Project Funds shall be used by the Trust within such sixty (60) day period to redeem Trust Bonds, including payment of the premium, if any, associated with such redemption. The Trust Bonds shall be redeemed in inverse order of their maturity. The amount of any maturity redeemed shall not exceed the same proportion as the Loan bears to all Loans made from proceeds of the Trust Bonds rounded down to whole denominations or any integral multiple. The aggregate amount of Trust Bonds so redeemed shall not be less than the amount of nonqualified bonds allocable to the Borrower under Treasury Regulations §1.142-12. The Excess Project Funds used to redeem Trust Bonds shall be applied by the Trust as a prepayment of the Borrower’s Loan Repayments with
respect to the redeemed bonds. Any excess shall be held by Trust invested at a yield which
does not exceed the yield on the Trust Bonds.

(ii) If Trust Bonds cannot be redeemed within sixty (60) days of the date the
Borrower is required to provide the certificate described in paragraphs (a), (b) or (c) of this
Section 3.03A, the Trust shall, within such sixty (60) day period, (A) deposit all of the
Excess Project Funds in a defeasance escrow established to defease Trust Bonds in inverse
order of their maturity, in the same proportion as the Loan bears to all Loans made from
proceeds of the Trust Bonds, (B) provide the notice to the Internal Revenue Service
required pursuant to Treasury Regulations §1.142-2(c)(2), or any successor income tax
regulations, and (C) apply the Excess Project Funds as a prepayment of the Borrower’s
Loan Repayments (including the premium, if any, associated with any optional or
mandatory redemption of Trust Bonds) for the defeased Trust Bonds. The aggregate
amount of Trust Bonds so defeased shall not be less than the amount of nonqualified bonds
allocable to the Borrower under Treasury Regulations §1.142-12.

SECTION 3.04. Unconditional Obligations. The obligation of the Borrower to
make the Loan Repayments and all other payments required hereunder and the obligation to
perform and observe the other duties, covenants, obligations and agreements on its part contained
herein shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced,
abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to
any extent whatsoever while any Trust Bonds remain outstanding or any Loan Repayments remain
unpaid, for any reason, regardless of any contingency, act of God, event or cause whatsoever,
including (without limitation) any acts or circumstances that may constitute failure of
consideration, eviction or constructive eviction, the taking by eminent domain or destruction of or
damage to the Project or Environmental Infrastructure System, commercial frustration of the
purpose, any change in the laws of the United States of America or of the State or any political
subdivision of either or in the rules or regulations of any governmental authority, any failure of
the Trust or the Trustee to perform and observe any agreement, whether express or implied, or any
duty, liability or obligation arising out of or connected with the Project, this Loan Agreement or
the Bond Resolution, or any rights of set-off, recoupment, abatement or counterclaim that the
Borrower might otherwise have against the Trust, the Trustee or any other party or parties;
provided, however, that payments hereunder shall not constitute a waiver of any such rights. The
Borrower shall not be obligated to make any payments required to be made by any other Borrowers
under separate Loan Agreements or the Bond Resolution.

The Borrower acknowledges that payment of the Trust Bonds by the Trust, including
payment from moneys drawn by the Trustee from the Debt Service Reserve Fund (to the extent
the Trust establishes a Debt Service Reserve Fund pursuant to the Bond Resolution), does not
constitute payment of the amounts due under this Loan Agreement and the Borrower Bond. If at
any time the amount in the Debt Service Reserve Fund shall be less than the Debt Service Reserve
Requirement as the result of any transfer of moneys from the Debt Service Reserve Fund to the
Debt Service Fund (as all such terms are defined in the Bond Resolution) as the result of a failure
by the Borrower to make any Trust Bond Loan Repayments required hereunder, the Borrower
agrees to replenish (i) such moneys so transferred and (ii) any deficiency arising from losses
incurred in making such transfer as the result of the liquidation by the Trust of Investment
Securities (as defined in the Bond Resolution) acquired as an investment of moneys in the Debt
Service Reserve Fund, by making payments to the Trust in equal monthly installments for the lesser of six (6) months or the remaining term of the Loan at an interest rate to be determined by the Trust necessary to make up any loss caused by such deficiency.

The Borrower acknowledges that payment of the Trust Bonds from moneys that were originally received by the Trustee from repayments by the Borrowers of loans made to the Borrowers by the State, acting by and through the Department, pursuant to loan agreements dated as of November 1, 2017 by and between the Borrowers and the State, acting by and through the Department, to finance or refinance a portion of the Costs of the Environmental Infrastructure Facilities of the Borrowers, and which moneys were upon such receipt by the Trustee deposited in the Trust Bonds Security Account (as defined in the Bond Resolution) does not constitute payment of the amounts due under this Loan Agreement and the Borrower Bond.

SECTION 3.05. Loan Agreement to Survive Bond Resolution and Trust Bonds.
The Borrower acknowledges that its duties, covenants, obligations and agreements hereunder shall survive the discharge of the Bond Resolution applicable to the Trust Bonds and shall survive the payment of the principal and redemption premium, if any, of and the interest on the Trust Bonds until the Borrower can take no action or fail to take any action that could adversely affect the exclusion from gross income of the interest on the Trust Bonds for purposes of federal income taxation, at which time such duties, covenants, obligations and agreements hereunder shall, except for those set forth in Sections 3.06(a) and (b) hereof, terminate.

SECTION 3.06. Disclaimer of Warranties and Indemnification.

(a) The Borrower acknowledges and agrees that (i) neither the Trust nor the Trustee makes any warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for particular purpose or fitness for any use of the Environmental Infrastructure System or the Project or any portions thereof or any other warranty or representation with respect thereto; (ii) in no event shall the Trust or the Trustee or their respective agents be liable or responsible for any incidental, indirect, special or consequential damages in connection with or arising out of this Loan Agreement or the Project or the existence, furnishing, functioning or use of the Environmental Infrastructure System or the Project or any item or products or services provided for in this Loan Agreement; and (iii) to the fullest extent permitted by law, the Borrower shall indemnify and hold the Trust and the Trustee harmless against, and the Borrower shall pay any and all, liability, loss, cost, damage, claim, judgment or expense of any and all kinds or nature and however arising and imposed by law, which the Trust and the Trustee may sustain, be subject to or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, or upon or arising out of contracts entered into by the Borrower, the Borrower’s ownership of the Environmental Infrastructure System or the Project, or the acquisition, construction or installation of the Project.

(b) It is mutually agreed by the Borrower, the Trust and the Trustee that the Trust and its officers, agents, servants or employees shall not be liable for, and shall be indemnified and saved harmless by the Borrower in any event from, any action performed under this Loan Agreement and any claim or suit of whatsoever nature, except in the event of loss or damage resulting from their own negligence or willful misconduct. It is further agreed that the Trustee and its directors, officers, agents, servants or employees shall not be liable for, and shall be indemnified
and saved harmless by the Borrower in any event from, any action performed pursuant to this Loan Agreement, except in the event of loss or damage resulting from their own negligence or willful misconduct.

(c) The Borrower and the Trust agree that all claims shall be subject to and governed by the provisions of the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. (except for N.J.S.A. 59:13-9 thereof), although such Act by its express terms does not apply to claims arising under contract with the Trust.

(d) In connection with its obligation to provide the insurance required under Section 2.02(j) hereof: (i) the Borrower shall include, or cause to be included, the Trust and its directors, employees and officers as additional “named insureds” on (A) any certificate of liability insurance procured by the Borrower (or other similar document evidencing the liability insurance coverage procured by the Borrower) and (B) any certificate of liability insurance procured by any contractor or subcontractor for the Project, and from the later of the date of the Loan Closing or the date of the initiation of construction of the Project until the date the Borrower receives the written certificate of Project completion from the Trust, the Borrower shall maintain said liability insurance covering the Trust and said directors, employees and officers in good standing; and (ii) the Borrower shall include the Trust as an additional “named insured” on any certificate of insurance providing against risk of direct physical loss, damage or destruction of the Environmental Infrastructure System, and during the Loan Term the Borrower shall maintain said insurance covering the Trust in good standing.

The Borrower shall provide the Trust with a copy of each of any such original, supplemental, amendatory or reissued certificates of insurance (or other similar documents evidencing the insurance coverage) required pursuant to this Section 3.06(d).

SECTION 3.07. Option to Prepay Loan Repayments. The Borrower may prepay the Trust Bond Loan Repayments, in whole or in part (but if in part, in the amount of $100,000 or any integral multiple thereof), upon prior written notice to the Trust and the Trustee not less than ninety (90) days in addition to the number of days’ advance notice to the Trustee required for any optional redemption of the Trust Bonds, and upon payment by the Borrower to the Trustee of amounts that, together with investment earnings thereon, will be sufficient to pay the principal amount of the Trust Bond Loan Repayments to be prepaid plus the Interest Portion described in clause (ii) of the definition thereof on any such date of redemption; provided, however, that, with respect to any prepayment other than those required by Section 3.03A hereof, any such full or partial prepayment may only be made (i) if the Borrower is not then in arrears on its Fund Loan, (ii) if the Borrower is contemporaneously making a full or partial prepayment of the Fund Loan such that, after the prepayment of the Loan and the Fund Loan, the Trust, in its sole discretion, determines that the interests of the owners of the Trust Bonds are not adversely affected by such prepayments, (iii) upon the prior written approval of the Trust, and (iv) provided that the Borrower shall agree to pay all costs and expenses of the Trust in connection with such prepayment, including, without limitation, the fees of Bond Counsel to the Trust and any other professional advisors to the Trust. In addition, if at the time of such prepayment the Trust Bonds may only be redeemed at the option of the Trust upon payment of a premium, the Borrower shall add to its prepayment of Trust Bond Loan Repayments an amount, as determined by the Trust, equal to such premium allocable to the Trust Bonds to be redeemed as a result of the Borrower’s prepayment.
Prepayments shall be applied first to the Interest Portion that accrues on the portion of the Loan to be prepaid until such prepayment date as described in clause (ii) of the definition thereof and then to principal payments (including premium, if any) on the Loan in inverse order of their maturity.

SECTION 3.08. Priority of Loan and Fund Loan.

(a) The Borrower hereby acknowledges that, to the extent allowed by law or the Borrower Bond Resolution, any Loan Repayments then due and payable on the Loan shall be satisfied by the Trustee before any loan repayments on the Borrower’s Fund Loan shall be satisfied by the Trustee. The Borrower agrees not to interfere with any such action by the Trustee.

(b) The Borrower hereby acknowledges that in the event the Borrower fails or is unable to pay promptly to the Trust in full any Trust Bond Loan Repayments under this Loan Agreement when due, then any (i) Administrative Fee paid hereunder, (ii) late charges paid hereunder, and (iii) loan repayments paid by the Borrower on its Fund Loan under the related loan agreement therefor, any of which payments shall be received by the Trustee during the time of any such Trust Bond Loan Repayment deficiency, shall be applied by the Trustee first to satisfy such Trust Bond Loan Repayment deficiency as a credit against the obligations of the Borrower to make payments of the Interest Portion under the Loan and the Borrower Bond, second, to the extent available, to make Trust Bond Loan Repayments of principal hereunder and payments of principal under the Borrower Bond, third, to the extent available, to pay the Administrative Fee, fourth, to the extent available, to pay any late charges hereunder, fifth, to the extent available, to satisfy the repayment of the Borrower’s Fund Loan under its related loan agreement therefor, and finally, to the extent available, to satisfy the repayment of the administrative fee under any such related loan agreement.

(c) The Borrower hereby further acknowledges that any loan repayments paid by the Borrower on its Fund Loan under the related loan agreement therefor shall be applied according to the provisions of the Master Program Trust Agreement.

SECTION 3.09. Approval of the New Jersey State Treasurer. The Borrower and the Trust hereby acknowledge that prior to or simultaneously with the Loan Closing the New Jersey State Treasurer, in satisfaction of the requirements of Section 9a of the Act, issued the “Certificate of the New Jersey State Treasurer Regarding the Approval of the Trust Loan and the Fund Loan” (the “Treasurer’s Certificate”). Pursuant to the terms of the Treasurer’s Certificate, the New Jersey State Treasurer approved the Loan and the terms and conditions thereof as established by the provisions of this Loan Agreement.
ARTICLE IV

ASSIGNMENT OF LOAN AGREEMENT AND BORROWER BOND

SECTION 4.01. Assignment and Transfer by Trust.

(a) The Borrower hereby expressly acknowledges that, other than the provisions of Section 2.02(d)(ii) hereof, the Trust’s right, title and interest in, to and under this Loan Agreement and the Borrower Bond have been assigned to the Trustee as security for the Trust Bonds as provided in the Bond Resolution, and that if any Event of Default shall occur, the Trustee or any Bond Insurer (as such term may be defined in the Bond Resolution), if applicable, pursuant to the Bond Resolution, shall be entitled to act hereunder in the place and stead of the Trust. The Borrower hereby acknowledges the requirements of the Bond Resolution applicable to the Trust Bonds and consents to such assignment and appointment. This Loan Agreement and the Borrower Bond, including, without limitation, the right to receive payments required to be made by the Borrower hereunder and to compel or otherwise enforce observance and performance by the Borrower of its other duties, covenants, obligations and agreements hereunder, may be further transferred, assigned and reassigned in whole or in part to one or more assignees or subassignees by the Trustee at any time subsequent to their execution without the necessity of obtaining the consent of, but after giving prior written notice to, the Borrower.

The Trust shall retain the right to compel or otherwise enforce observance and performance by the Borrower of its duties, covenants, obligations and agreements under Section 2.02(d)(ii) hereof; provided, however, that in no event shall the Trust have the right to accelerate the Borrower Bond in connection with the enforcement of Section 2.02(d)(ii) hereof.

(b) The Borrower hereby approves and consents to any assignment or transfer of this Loan Agreement and the Borrower Bond that the Trust deems to be necessary in connection with any refunding of the Trust Bonds or the issuance of additional bonds under the Bond Resolution or otherwise, all in connection with the pooled loan program of the Trust.

SECTION 4.02. Assignment by Borrower. Neither this Loan Agreement nor the Borrower Bond may be assigned by the Borrower for any reason, unless the following conditions shall be satisfied: (i) the Trust and the Trustee shall have approved said assignment in writing; (ii) the assignee shall have expressly assumed in writing the full and faithful observance and performance of the Borrower’s duties, covenants, obligations and agreements under this Loan Agreement and, to the extent permitted under applicable law, the Borrower Bond; (iii) immediately after such assignment, the assignee shall not be in default in the observance or performance of any duties, covenants, obligations or agreements of the Borrower under this Loan Agreement or the Borrower Bond; and (iv) the Trust shall have received an opinion of Bond Counsel to the effect that such assignment will not adversely affect the security of the holders of the Trust Bonds or the exclusion of the interest on the Trust Bonds from gross income for purposes of federal income taxation under Section 103(a) of the Code.
ARTICLE V
EVENTS OF DEFAULT AND REMEDIES

SECTION 5.01. Events of Default. If any of the following events occur, it is hereby defined as and declared to be and to constitute an “Event of Default”:

(a) failure by the Borrower to pay, or cause to be paid, any Trust Bond Loan Repayment required to be paid hereunder when due, which failure shall continue for a period of fifteen (15) days;

(b) failure by the Borrower to make, or cause to be made, any required payments of principal, redemption premium, if any, and interest on any bonds, notes or other obligations of the Borrower issued under the Borrower Bond Resolution (other than the Loan and the Borrower Bond) or otherwise secured by all or a portion of the property pledged under the Borrower Bond Resolution, after giving effect to the applicable grace period;

(c) failure by the Borrower to pay, or cause to be paid, the Administrative Fee or any late charges incurred hereunder or any portion thereof when due or to observe and perform any duty, covenant, obligation or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in subsection (a) of this Section 5.01 or other than the obligations of the Borrower contained in Section 2.02(d)(ii) hereof and in Exhibit F hereto, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Borrower by the Trustee, unless the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, that if the failure stated in such notice is correctable but cannot be corrected within the applicable period, the Trustee may not unreasonably withhold its consent to an extension of such time up to 120 days from the delivery of the written notice referred to above if corrective action is instituted by the Borrower within the applicable period and diligently pursued until the Event of Default is corrected;

(d) any representation made by or on behalf of the Borrower contained in this Loan Agreement, or in any instrument furnished in compliance with or with reference to this Loan Agreement or the Loan, is false or misleading in any material respect;

(e) a petition is filed by or against the Borrower under any federal or state bankruptcy or insolvency law or other similar law in effect on the date of this Loan Agreement or thereafter enacted, and/or any proceeding with respect to such petition and/or pursuant to any such law shall occur or be pending (including, without limitation, the operation and administration of the Borrower pursuant to any plan of reorganization approved and implemented under any such law), unless in the case of any such petition filed against the Borrower or any such proceeding such petition and such proceeding shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal or the further jurisdiction of any court; or the Borrower shall become insolvent or bankrupt or shall make an assignment for the benefit of its creditors; or a custodian (including, without limitation, a receiver, liquidator or trustee of the Borrower or any of its property) shall be appointed by court order or take possession of the
Borrower or its property or assets if such order remains in effect or such possession continues for more than thirty (30) days;

(f) the Borrower shall generally fail to pay its debts as such debts become due; and

(g) failure of the Borrower to observe or perform such additional duties, covenants, obligations, agreements or conditions as are required by the Trust and specified in Exhibit F attached hereto and made a part hereof.

SECTION 5.02. Notice of Default. The Borrower shall give the Trustee and the Trust prompt telephonic notice of the occurrence of any Event of Default referred to in Section 5.01(d) or (e) hereof and of the occurrence of any other event or condition that constitutes an Event of Default at such time as any senior administrative or financial officer of the Borrower becomes aware of the existence thereof.

SECTION 5.03. Remedies on Default. Whenever an Event of Default referred to in Section 5.01 hereof shall have occurred and be continuing, the Borrower acknowledges the rights of the Trustee and of any Bond Insurer to direct any and all remedies in accordance with the terms of the Bond Resolution, and the Borrower also acknowledges that the Trust shall have the right to take, or to direct the Trustee to take, any action permitted or required pursuant to the Bond Resolution and to take whatever other action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce the observance and performance of any duty, covenant, obligation or agreement of the Borrower hereunder.

In addition, if an Event of Default referred to in Section 5.01(a) hereof shall have occurred and be continuing, the Trust shall, to the extent allowed by applicable law and to the extent and in the manner set forth in the Bond Resolution, have the right to declare, or to direct the Trustee to declare, all Loan Repayments and all other amounts due hereunder (including, without limitation, payments under the Borrower Bond) together with the prepayment premium, if any, calculated pursuant to Section 3.07 hereof to be immediately due and payable, and upon notice to the Borrower the same shall become due and payable without further notice or demand.

SECTION 5.04. Attorneys’ Fees and Other Expenses. The Borrower shall on demand pay to the Trust or the Trustee the reasonable fees and expenses of attorneys and other reasonable expenses (including, without limitation, the reasonably allocated costs of in-house counsel and legal staff) incurred by either of them in the collection of Trust Bond Loan Repayments or any other sum due hereunder or in the enforcement of the observation or performance of any other duties, covenants, obligations or agreements of the Borrower upon an Event of Default.

SECTION 5.05. Application of Moneys. Any moneys collected by the Trust or the Trustee pursuant to Section 5.03 hereof shall be applied (a) first to pay any attorneys’ fees or other fees and expenses owed by the Borrower pursuant to Section 5.04 hereof, (b) second, to the extent available, to pay the Interest Portion then due and payable, (c) third, to the extent available, to pay the principal due and payable on the Loan, (d) fourth, to the extent available, to pay the Administrative Fee, any late charges incurred hereunder or any other amounts due and payable
under this Loan Agreement, and (e) fifth, to the extent available, to pay the Interest Portion and the principal on the Loan and other amounts payable hereunder as such amounts become due and payable.

SECTION 5.06. No Remedy Exclusive; Waiver; Notice. No remedy herein conferred upon or reserved to the Trust or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any Event of Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trust or the Trustee to exercise any remedy reserved to it in this Article V, it shall not be necessary to give any notice other than such notice as may be required in this Article V.

SECTION 5.07. Retention of Trust’s Rights. Notwithstanding any assignment or transfer of this Loan Agreement pursuant to the provisions hereof or of the Bond Resolution, or anything else to the contrary contained herein, the Trust shall have the right upon the occurrence of an Event of Default to take any action, including (without limitation) bringing an action against the Borrower at law or in equity, as the Trust may, in its discretion, deem necessary to enforce the obligations of the Borrower to the Trust pursuant to Section 5.03 hereof.

Specimen Borrower Bond
(Except for assignment page, to be supplied by Borrower’s bond counsel in substantially the following form)

**IMPORTANT NOTE:** The next three pages set forth the form of the Borrower Bond prepared by the Trust’s Bond Counsel for municipal/county Borrowers. Although the Trust recognizes that each corporate Borrower has its own bond form as required pursuant to its Borrower Bond Resolution, please incorporate in the bond form the pertinent information from this municipal/county bond form (e.g., amounts payable under the Borrower Bond set forth in the first paragraph, assignment in the second paragraph, disbursement language in the third paragraph, unconditional obligation in the fourth paragraph, optional prepayment provisions in the fifth paragraph and the date of the Borrower Bond). To the extent that you do not have an existing Bond Resolution, the pledge under your Bond Resolution should be drafted to constitute a general obligation pledge of (i) all the gross revenues of the company and (ii) any specific property (e.g. mortgage) or other security pledged for this transaction (e.g. letter of credit).
FOR VALUE RECEIVED, [the] [NAME OF BORROWER], a corporation duly created and validly existing under the Constitution and laws of the State (the “Borrower”), hereby promises to pay to the order of the New Jersey Environmental Infrastructure Trust (the “Trust”) (i) the principal amount of __________________________ Dollars ($__________), or such lesser amount as shall be determined in accordance with Section 3.01 of the Loan Agreement (as hereinafter defined), at the times and in the amounts determined as provided in the Loan Agreement, together with (ii) Interest on the Loan constituting the Interest Portion, the Administrative Fee and any late charges incurred under the Loan Agreement (as such terms are defined in the Loan Agreement) in the amount calculated as provided in the Loan Agreement, payable on the days and in the amounts and as provided in the Loan Agreement, which principal amount and Interest Portion of the Interest on the Loan shall, unless otherwise provided in the Loan Agreement, be payable on the days and in the amounts as also set forth in Exhibit A attached hereto under the column headings respectively entitled “Principal” and “Interest”, plus (iii) any other amounts due and owing under the Loan Agreement at the times and in the amounts as provided therein. Attention: Corporate Trust Department

Ladies and Gentlemen:

We have acted as counsel to [the] [Name of Borrower], a corporation duly organized and validly existing under the laws of the State of New Jersey (the “Borrower”), which has entered into a Loan Agreement (as hereinafter defined) with the New Jersey Environmental Infrastructure Trust (the “Trust”), and have acted as such in connection with the authorization, execution, attestation and delivery by the Borrower of its Loan Agreement and Borrower Bond (as hereinafter defined) pursuant to the New Jersey Business Corporation Act, P.L. 1968, c. 263, as amended (the “Business Corporation Law”), and a [bond resolution] [indenture] of the Borrower [adopted on] [dated] [DATE] and entitled “[TITLE]” as amended and supplemented, including by a supplemental [resolution] [indenture] [adopted on] [dated] [DATE] and entitled “[TITLE]” such [resolutions] [indentures] shall be collectively referred to herein as the “Resolution”). All capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Loan Agreement.

In so acting, we have examined the Constitution and laws of the State of New Jersey, including, without limitation, the Business Corporation Law, and the certificate of incorporation and by-laws of the Borrower. We have also examined originals, or copies certified or otherwise identified to our satisfaction, of the following:

(a) the Trust’s “Environmental Infrastructure Bond Resolution, Series 2017[ ]” adopted by the Board of Directors of the Trust on ________________, 2017;

(b) the Loan Agreement dated as of November 1, 2017 (the “Loan Agreement”) by and between the Trust and the Borrower;

(c) the proceedings of the board of directors of the Borrower relating to the approval of the Loan Agreement and the execution, attestation and delivery thereof on behalf of the Borrower and the authorization of the undertaking and completion of the Project;

(d) the Borrower Bond dated November 21, 2017 (the “Borrower Bond”) issued by the Borrower to the Trust to evidence the Loan; and
We are of the opinion that:

1. The Borrower is a corporation duly created and validly existing under and pursuant to the Constitution and statutes of the State of New Jersey, including the Borrower Enabling Act, with the legal right to carry on the Business Corporation Law, with the legal right to carry on the business of its Environmental Infrastructure System as currently being conducted and as proposed to be conducted.

2. The Borrower has full legal right and authority to execute, attest and deliver the Loan Documents, to sell the Borrower Bond to the Trust, to cause the authentication of the Borrower Bond, to observe and perform its duties, covenants, obligations and agreements under the Loan Documents and to undertake and complete the Project.

3. The acting officers of the Borrower who are contemporaneously herewith performing or have previously performed any action contemplated in the Loan Agreement are, and at the time any such action was performed were, the duly appointed or elected officers of the Borrower empowered by applicable New Jersey law and authorized by resolution of the Borrower to perform such actions.

4. In accordance with the terms of the Resolution and to the extent provided in the Resolution, the Borrower has unconditionally and irrevocably promised to make the Loan Repayments and pay all other amounts due under the Loan Documents.

5. The proceedings of the Borrower’s board of directors (i) approving the Loan Documents, (ii) authorizing their execution, attestation and delivery on behalf of the Borrower, (iii) with respect to the Borrower Bond only, authorizing its sale by the Borrower to the Trust and authorizing its authentication on behalf of the Borrower, (iv) authorizing the Borrower to consummate the transactions contemplated by the Loan Documents, (v) authorizing the Borrower to undertake and complete the Project, [(vi) authorizing the approval of the inclusion in the Official Statement of the Borrower Appendices,] and (vi) [(vii)] authorizing the execution and delivery of all other certificates, agreements, documents and instruments in connection with the execution, attestation and delivery of the Loan Documents, [including, without limitation, the designation of the Borrower Appendices portion of the Preliminary Official Statement as “deemed final” for the purposes and within the meaning of Rule 15c2-12(b)(1) of the Securities Exchange Act of 1934,
as amended, as promulgated by the Securities and Exchange Commission,] have each been duly and lawfully adopted and authorized in accordance with applicable law and applicable resolutions of the Borrower, including, without limitation, the Resolution, the other Proceedings, and the Business Corporation Law, which Proceedings constitute all of the actions necessary to be taken by the Borrower to authorize its actions contemplated by clauses (i) through (vi) [(vii)] above and which Proceedings, including, without limitation, the Resolution, were duly adopted in accordance with applicable New Jersey law at a meeting or meetings duly called and held in accordance with applicable New Jersey law and at which quorums were present and acting throughout.

6. The Loan Documents have been duly authorized, executed, attested and delivered by the Authorized Officers of the Borrower, the Borrower Bond has been duly sold by the Borrower to the Trust, and the Borrower Bond has been duly authenticated by the trustee or paying agent under the Resolution, if applicable; and assuming in the case of the Loan Agreement that the Trust has the requisite power and authority to authorize, execute, attest and deliver, and has duly authorized, executed, attested and delivered, the Loan Agreement, the Loan Documents constitute the legal, valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms, subject, however, to the effect of, and to restrictions and limitations imposed by or resulting from, bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors’ rights generally. No opinion is rendered as to the availability of any particular remedy.

7. The authorization, execution, attestation and delivery of the Loan Documents by the Borrower and, in the case of the Borrower Bond only, the authentication thereof by the trustee or paying agent under the Resolution and the sale thereof to the Trust, the observation and performance by the Borrower of its duties, covenants, obligations and agreements thereunder, the consummation of the transactions contemplated therein, and the undertaking and completion of the Project do not and will not (i) result in any breach of any of the terms, conditions or provisions of, or (ii) constitute a default under, any existing resolution, outstanding debt or lease obligation, trust agreement, indenture, mortgage, deed of trust, loan agreement or other instrument to which the Borrower is a party or by which the Borrower, its Environmental Infrastructure System or any of its properties or assets may be bound, nor will such action result in any violation of the provisions of the charter or other document pursuant to which the Borrower was established or any laws, ordinances, injunctions, judgments, decrees, rules, regulations or existing orders of any court or governmental or administrative agency, authority or person to which the Borrower, its Environmental Infrastructure System or its properties or operations is subject.

8. All approvals, consents or authorizations of, or registrations of or filings with, any governmental or public agency, authority or person required to date on the part of the Borrower in connection with the authorization, execution, attestation, delivery and performance of the Loan Documents, the sale of the Borrower Bond and the undertaking and completion of the Project have been obtained or made.

9. There is no litigation or other proceeding pending or, to our knowledge, after due inquiry, threatened in any court or other tribunal of competent jurisdiction (either state or federal) (i) questioning the creation, organization or existence of the Borrower, (ii) questioning the validity,
legality or enforceability of the Resolution, the Loan or the Loan Documents, (iii) questioning the undertaking or completion of the Project, (iv) otherwise challenging the Borrower's ability to consummate the transactions contemplated by the Loan or the Loan Documents, or (v) that, if adversely decided, would have a materially adverse impact on the financial condition of the Borrower.

10. The Borrower has no bonds, notes or other debt obligations outstanding that are superior or senior to the Borrower Bond as to lien on, and source and security for payment thereof from, the revenues of the Borrower.

11. To the best of our knowledge, upon due inquiry, (i) all representations made by the Borrower contained within subsections (f) and (h) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement are true, accurate and complete, and (ii) all expectations contained therein are reasonable, and we know of no reason why the Borrower would be unable to comply on a continuing basis with the covenants contained within subsections (f) and (h) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement.

12. Assuming that (i) the Borrower complies on a continuing basis with the covenants contained in subsections (f) and (h) of Section 2.02 and, if applicable, Exhibit F of the Loan Agreement, (ii) interest on the Trust Bonds is otherwise excluded from gross income of the holders thereof for federal income tax purposes under the Internal Revenue Code of 1986, as amended, and (iii) the proceeds of the Trust Bonds loaned to the Borrower represent all of the proceeds of the Trust Bonds, the application of the proceeds of the Loan for their intended purposes will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Trust Bonds.

We hereby authorize McCarter & English, LLP, acting as bond counsel to the Trust, and the Attorney General of the State of New Jersey, acting as general counsel to the Trust, to rely on this opinion as if we had addressed this opinion to them in addition to you.

Very truly yours,

THE SUCCESSFUL BIDDERS MAY NOT WITHDRAW OR MODIFY THEIR RESPECTIVE BIDS ONCE SUBMITTED TO THE TRUST FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, AS A RESULT OF ANY INCREASE OR DECREASE IN THE FINAL PRINCIPAL AMOUNTS AND THE AGGREGATE PURCHASE PRICES OF THE RESPECTIVE SERIES OF THE BONDS.

With respect to the Series 2017B-1 Bonds, if the Term Bond Option is selected with respect to one or more term bond maturities, the Final Principal Amounts with respect to the Series 2017B-1 Bonds due on September 1 in any year from 20_ through and including 20_ may be designated by a bidder as consecutive sinking fund installments due on the designated years with the balance due on the respective term bond maturity date with respect to such term bond. Bidders selecting the Term Bond Option for the Series 2017B-1 Bonds shall adhere to the instructions set forth in PARITY with respect to their selection (within the parameters set forth herein) of the Term Bond Option.

Each term bond maturity designated using the instructions set forth in PARITY shall include all consecutive sinking fund installments therefor and shall be equal in aggregate Preliminary Principal Amount to, and with amortization requirements corresponding to, the corresponding consecutive serial bond maturities with respect to such Series as set forth in PARITY.

Bidders with respect to each Series of the Bonds shall adhere to the instructions set forth in PARITY with respect to the submission of the prices at which each such Successful Bidder intends that each stated maturity of its applicable Series of the Bonds shall initially be offered to the public, which for this purpose excludes bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers (the “Initial Public Offering Prices”). All Proposals for Bonds must be submitted in accordance with the procedures set forth herein under the heading “Procedures Regarding Electronic Bidding”. ALL BIDS MUST BE SUBMITTED BY AN AUTHORIZED REPRESENTATIVE OF THE BIDDER. The Trust reserves the right to (i) reject, at its sole discretion, any or all Proposals for Bonds received on the Bid Date for any reason, including, without limitation, (a) the prevailing interest rate and other market conditions that exist on the Bid Date and (b) any non-compliance with or non-responsiveness to the terms hereof, (ii) so far as permitted by law and pursuant to its sole discretion, (a) waive any irregularities or informalities in Proposals for Bonds received on the Bid Date and/or (b) make any adjustments to Proposals for Bonds received on the Bid Date as provided in this Notice of Sale, and (iii) generally take such action, at its sole discretion, as it deems will best serve the interests of the Trust, the Borrowers, the Financing Programs or any other public interest. All bids that are submitted electronically via PARITY pursuant to the procedures described below shall be deemed to incorporate by reference all of the terms and conditions of this Notice of Sale.

For purposes of submitting Proposals for Bonds, the time as maintained on PARITY shall constitute the official time.

4. Each bidder shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid electronically in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Trust nor PARITY shall have any duty or obligation to provide or assure access to PARITY for any bidder, and neither the Trust nor PARITY shall be

**Basis of Award.** Unless all Proposals for Bonds applicable to a particular Series of the Bonds are
rejected, such Series of the Bonds will be preliminarily awarded by the Executive Director, subject to adjustment
in accordance with the section of this Notice of Sale entitled “Adjustment of Bonds After Award”, no later than
approximately 1:00 p.m., New Jersey time, on the Bid Date at the Administrative Offices, with each Series of
the Bonds being awarded to the bidder offering such interest rate or rates and purchase price that will produce
the lowest true interest cost to the Trust over the life of each of the Series 2017A-2 Bonds (the “Series 2017A-2
Successful Bidder”) and the Series 2017B-1 Bonds (the “Series 2017B-1 Successful Bidder”; the Series 2017A-
2 Successful Bidder and the Series 2017B-1 Successful Bidder shall be referred to collectively herein as the
“Successful Bidders”), respectively.

interest rate being twice that factor or discount rate, compounded semiannually, that, when applied against each
semiannual debt service payment (interest or principal and/or sinking fund installment and interest, as due) for
such Series of the Bonds, will equate the sum of such discounted semiannual payments to the bid price. The
true interest cost for each Series of the Bonds shall be calculated from the dated date (November 21, 2017, unless
changed as described herein) and shall be based upon (i) the Preliminary Principal Amounts thereof and (ii) the
purchase price set forth in the respective Proposal for Bonds. In the case of a tie for a Series of the Bonds, the
Trust may select the Successful Bidder applicable to such Series of the Bonds by lot. It is requested that each
Proposal for Bonds be accompanied by a computation of such true interest cost to the Trust under the terms of
such Proposal for Bonds in accordance with the instructions set forth in PARITY, but such computation is not
to be considered as part of such Proposal for Bonds.

WHEREAS, the Trust is not an "obligated person" in connection with the Bonds, as the term "obligated person" is defined in Rule 15c2-12;

(b) In case the Trustee or any Bondholder shall have proceeded to enforce its rights under this Agreement and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Bondholder, as the case may be, then and in every such case the Trust, the Trustee and any Bondholder, as the case may be, shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Trust, the Trustee and any Bondholder shall continue as though no such proceeding had been taken.

ARTICLE 4

MISCELLANEOUS

Section 4.1. Purposes of Agreement. This Agreement is being executed and delivered by the Trust, the Trustee and the Master Program Trustee for the benefit of the Bondholders and in order to assist the Participating Underwriter in complying with clause (b)(5) of Rule 15c2-12.

Section 4.2. Trust and Bondholders. Each Bondholder is hereby recognized as being a third-party beneficiary hereunder, and each may enforce, for the equal benefit and protection of all Bondholders similarly situated, any such right, remedy or claim conferred, given or granted hereunder in favor of the Trustee, to the extent permitted in Section 3.1(a) hereof.

Section 4.3. Obligations of Trust Hereunder; Indemnified Parties. The Trust agrees to indemnify and hold harmless the Trustee and the Master Program Trustee, and any member, officer, official, employee, counsel, consultant and agent of the Trustee and the Master Program Trustee (collectively, the "Indemnified Parties"), against any and all losses, claims, damages, liabilities or expenses whatsoever caused by the Trust's failure, or a Dissemination Agent's failure, to perform or observe any of the Trust's obligations, agreements or covenants under the terms of this Agreement, but only if and insofar as such losses, claims, damages, liabilities or expenses are caused directly or indirectly by any such failure of the Trust or the Dissemination Agent to perform. In case any action shall be brought against the Indemnified Parties based upon this Agreement and in respect of which indemnity may be sought against the Trust, the Indemnified Parties shall promptly notify the Trust in writing. Upon receipt of such notification, the Trust shall promptly assume the defense of such action, including the retention of counsel, the payment of all expenses in connection with such action and the right to negotiate and settle any such action on behalf of such party to the extent allowed by law. Any Indemnified Party shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party, unless the employment of such counsel has been specifically authorized by the Trust or unless by reason of conflict of interest (determined by the written opinion of counsel to any such party) it is advisable for such party to be represented by separate counsel to be retained by the Trust, in which case the fees and expenses of such separate counsel shall be borne by the Trust. The Trust shall not be liable for any settlement of any such action effected without its written consent, but if settled with the written consent of the Trust or if there be a final judgment for the plaintiff in any such action with or without written consent, the Trust agrees to indemnify and hold harmless the Indemnified Parties from and against any loss or liability by reason of such settlement or judgment. Nothing in this Section 4.3 shall require or obligate the Trust to indemnify or hold harmless the Indemnified Parties from or against any loss, claim, damage, liability or expense caused by any negligence, recklessness or intentional misconduct of the Indemnified Parties in connection with the Trust's performance of its obligations, agreements and covenants under this Agreement.
Section 4.4. Additional Information. Nothing in this Agreement shall be deemed to prevent the Trust (a) from disseminating any other information using the means of dissemination set forth in this Agreement or any other means of communication, or (b) from including, in addition to that which is required by this Agreement, any other information in any Annual Report or any Bond Disclosure Event Notice. If the Trust chooses to include any information in any Annual Report or any Bond Disclosure Event Notice in addition to that which is specifically required by this Agreement, the Trust shall not have any obligation under this Agreement to update such information or to include it in any future Annual Report or Bond Disclosure Event Notice, as the case may be.

Section 4.5. Notices. All notices required to be given or authorized to be given by each party pursuant to this Agreement shall be in writing and shall be sent by registered or certified mail (as well as by facsimile, in the case of the Trustee) addressed to, in the case of the Trust, P.O. Box 440, Trenton, New Jersey 08625 (Attention: Executive Director); in the case of the Trustee, its Corporate Trust Department at 21 South Street, Morristown, New Jersey 07960 (facsimile: (973) 682-4540); and in the case of the Master Program Trustee, its Corporate Trust Department at 100 Wall Street, Suite 1600, New York, New York 10005.

Section 4.6. Assignments. This Agreement may not be assigned by any party without the consent of the others and, as a condition to any such assignment, only upon the assumption in writing of all of the obligations imposed upon such party by this Agreement.

Section 4.7. Severability. If any provision of this Agreement shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatsoever.

Section 4.8. Execution in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. Each party hereto may sign the same counterpart or each party hereto may sign a separate counterpart.

Section 4.9. Amendments, Changes and Modifications. (a) Except as otherwise provided in this Agreement, subsequent to the initial issuance of the Bonds and prior to their payment in full (or provision for payment thereof having been made in accordance with the provisions of the Resolution), this Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the parties hereto.

(b) Without the consent of any Bondholders, the Trust, the Trustee and the Master Program Trustee at any time and from time to time may enter into any amendments or modifications to this Agreement for any of the following purposes:

(i) to add to the covenants and agreements of the Trust hereunder for the benefit of the Bondholders, or to surrender any right or power conferred upon the Trust by this Agreement;
(ii) to modify the contents, presentation and format of the Annual Report from time to time to conform to changes in accounting or disclosure principles or practices or legal requirements followed by or applicable to the Trust or the Program, to reflect changes in the identity, nature or status of the Trust or the Program or in the business, structure or operations of the Trust or the Program, or to reflect any mergers, consolidations, acquisitions or dispositions made by or affecting the Trust or the Program; provided, that any such modification shall not be in contravention of Rule 15c2-12 as then in effect at the time of such modification; or

(iii) to cure any ambiguity herein, to correct or supplement any provision hereof that may be inconsistent with any other provision hereof, or to include any other provisions with respect to matters or questions arising under this Agreement, any of which, in each case, would have complied with the requirements of Rule 15c2-12 at the time of the primary offering, after taking into account any amendments or interpretations of Rule 15c2-12 as well as any changes in circumstances;

provided, that prior to approving any such amendment or modification, the Trustee, in reliance upon an opinion of Bond Counsel (as defined in the Resolution) to the Trust, determines that such amendment or modification does not adversely affect the interests of the Bondholders in any material respect.

(c) Upon entering into any amendment or modification required or permitted by this Agreement that materially affects the interests of the Bondholders, the Trust shall deliver to each of the Repositories written notice of any such amendment or modification.

(d) The Trust, the Trustee and the Master Program Trustee shall be entitled to rely exclusively upon an opinion of Bond Counsel to the Trust to the effect that such amendments or modifications comply with the conditions and provisions of this Section 4.9.

Section 4.10. Amendments Required by Rule 15c2-12. The Trust, the Trustee and the Master Program Trustee each recognize that the provisions of this Agreement are intended to enable compliance with Rule 15c2-12. If, as a result of a change in Rule 15c2-12 or in the interpretation thereof or the promulgation of a successor rule, statute or regulation thereto, a change in this Agreement shall be permitted or necessary to assure continued compliance with Rule 15c2-12 and upon delivery of an opinion of Bond Counsel to the Trust addressed to the Trust, the Trustee and the Master Program Trustee to the effect that such amendments shall be permitted or necessary to assure continued compliance with Rule 15c2-12 as so amended or interpreted, then the Trust, the Trustee and the Master Program Trustee shall amend this Agreement to comply with and be bound by any such amendment to the extent necessary or desirable to assure compliance with the provisions of Rule 15c2-12 and shall provide written notice of such amendment as required by Section 4.9(c) hereof.

Section 4.11. Governing Law. This Agreement shall be governed exclusively by and construed in accordance with the laws of the State and the laws of the United States of America, as applicable.
Section 4.12. Commencement and Termination of Continuing Disclosure Obligations. The obligations of the Trust and the Trustee hereunder and the consent of the Master Program Trustee set forth in Section 2.6 hereof shall be in full force and effect from the date of issuance of the Bonds, and shall continue in effect until the date either (i) the Bonds are no longer outstanding in accordance with the terms of the Resolution or (ii) the Program no longer remains a material "obligated person" (as the term "obligated person" is defined in Rule 15c2-12) as a result of an interpretation of Rule 15c2-12, and in either event only after the Trust delivers written notice to such effect to each National Repository or to the MSRB and the State Depository, if any.

Section 4.13. Prior Undertakings. Other than as disclosed in the Official Statement, the Trust has not failed to comply in any material respect with any prior continuing disclosure undertaking made by the Trust in accordance with Rule 15c2-12.

OBJECTIVE CRITERIA AS SET FORTH IN THE FINAL OFFICIAL STATEMENT

SECONDARY MARKET DISCLOSURE

In connection with the provisions of Rule 15c2-12, as amended, supplemented and officially interpreted from time to time, or any successor provision thereto, promulgated by the Securities and Exchange Commission (the “SEC”) pursuant to the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), the Trust has determined that, with regard to the Bonds, it is not an “obligated person”, as defined therein.

Furthermore, the Trust has determined in the Resolution that those Borrowers (from any Financing Program) whose remaining Fund Loan repayments in all Coverage Providing Financing Programs, when aggregated with their Trust Loan repayments, if any, exceed ten percent (10%) of the sum of (i) the aggregate of all remaining Fund Loan repayments from all Borrowers in all Coverage Providing Financing Programs and (ii) the aggregate of all remaining Trust Loan repayments from all Borrowers, shall be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds. To the extent any such Borrowers have entered into Borrower Service Agreements with Participants and any such Participants have entered into Indirect Borrower Service Agreements with Indirect Participants whereby Annual Charges or Indirect Annual Charges, as the case may be, materially secure such Loan repayments of any such Borrower, any such Participants and Indirect Participants also shall be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds.

Each Borrower has covenanted in its Trust Loan Agreement, for the benefit of the respective Bondholders, to enter into a Borrower Continuing Disclosure Agreement (the “Borrower Continuing Disclosure Agreement”) should it meet, at any time during the term of its respective Trust Loan, the material “obligated persons” test referred to above. Such Borrower Continuing Disclosure Agreement obligates any such Borrower to provide (i) certain financial information and operating data relating to such Borrower and the Participants and Indirect Participants, if any, of such Borrower, including, without limitation, audited financial statements, within 225 days after the end of each fiscal year for which any such Borrower Continuing Disclosure Agreement is in effect (the “Annual Report”), and (ii) notice to the Trust of the occurrence of certain enumerated events, if material. The specific nature of the information to be contained in the Annual Report and the notices of material events is summarized in Appendix F to the Final Official Statement – “SUMMARY OF THE SERIES 20__ TRUST LOAN AGREEMENTS (INCLUDING THE CONTINUING DISCLOSURE AGREEMENTS FOR THE SERIES 20__ BORROWERS), THE SERIES 20__ FUND LOAN AGREEMENTS AND THE OTHER COVERAGE PROVIDING FUND LOAN AGREEMENTS.”

The Borrower Continuing Disclosure Agreement further requires that the Annual Report shall be delivered by or on behalf of such Borrower to each Nationally Recognized Municipal Securities Information Repository recognized by the SEC (each a “NRMSIR”) and to the State Information Depository recognized by the SEC (the “SID”), if any. Notices of material events
relating to the Trust Loan Bonds of such Borrower will be filed by such Borrower with the Trust, and the notices of material events relating to the Series 20__ Bonds will be filed directly by the Trust with each NRMSIR or with the Municipal Securities Rulemaking Board (the “MSRB”) and the SID, if any. As of the date of this Official Statement, the filing of any information with the Electronic Municipal Market Access facility for municipal securities disclosure of the MSRB shall satisfy the requirement to file such information with each NRMSIR. The obligations under the Borrower Continuing Disclosure Agreement shall continue through final maturity (stated or otherwise) of the Bonds, but shall terminate when any such material “obligated persons” shall no longer meet the material “obligated persons” test with respect to the Bonds. The Trust shall have no liability to the Bondholders or to any other person with respect to the secondary market disclosure of any such material “obligated persons.” See Appendix F to the Final Official Statement – “SUMMARY OF THE SERIES 20__ TRUST LOAN AGREEMENTS (INCLUDING THE CONTINUING DISCLOSURE AGREEMENTS FOR THE SERIES 20__ BORROWERS), THE SERIES 20__ FUND LOAN AGREEMENTS AND THE OTHER COVERAGE PROVIDING FUND LOAN AGREEMENTS”.

In light of the additional security provided for each series of the Bonds as a Coverage Receiving Financing Program (along with the current and all future Coverage Receiving Financing Programs) through certain Fund Loan repayments in Coverage Providing Financing Programs, the Trust has determined that only the Borrowers, Participants and Indirect Participants identified in the immediately succeeding paragraph (if any) will be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 for the Bonds. With respect to all other Borrowers, Participants and Indirect Participants, the Trust has determined that no financial or operating data is material to any decision to purchase, hold or sell the Bonds, and the Trust will not itself provide or cause any such Borrowers, Participants and Indirect Participants to provide any such information with respect to any such Borrowers, Participants and Indirect Participants.

As of the date of issuance of the Bonds, there are no Borrowers that meet this material “obligated persons” test for the Bonds. In addition, as of such issuance, no Participants or Indirect Participants meet this test with respect to the Bonds.

Based upon official interpretations of Rule 15c2-12, the Trust has determined that, in connection with the Bonds, the Series 20__ Financing Program relating to the Bonds is an “obligated person”, as defined in Rule 15c2-12. In addition, on the date of delivery of the Bonds, the Trust will enter into a Trust Continuing Disclosure Agreement (the “Trust Continuing Disclosure Agreement”; the Borrower Continuing Disclosure Agreement and the Trust Continuing Disclosure Agreement shall be referred to collectively herein as the “Continuing Disclosure Agreements”), for the benefit of the beneficial owners of the Bonds, pursuant to which the Trust will agree to comply on a continual basis with the disclosure requirements of Rule 15c2-12 relating to the Bonds. Specifically, the Trust will covenant to provide certain financial information relating to the Series 20__ Financing Program relating to the Bonds, which financial information will be similar to that provided herein in Note 7 to Appendix A to the Final Official Statement, relating to each existing and future Coverage Providing Financing Program (the “Financing Program Annual Report”) to each NRMSIR and the SID, if any. In addition, the Trust will covenant to provide notices of the occurrence of certain enumerated events, if material, relating to the Bonds to each NRMSIR or to the MSRB and the SID, if any. As of the date of this Official Statement, the filing of any information with the Electronic Municipal Market Access facility for municipal securities
disclosure of the MSRB shall satisfy the requirement to file such information with each NRMSIR. The specific nature of the information to be contained in the Annual Report and the notices of material events is summarized in Appendix E to the Final Official Statement – “SUMMARY OF THE SERIES 20__ BOND RESOLUTIONS, THE MASTER PROGRAM TRUST AGREEMENT AND THE TRUST CONTINUING DISCLOSURE AGREEMENT.”

The sole and exclusive remedy for breach of or default under the Continuing Disclosure Agreements to provide continuing disclosure as described above is an action to compel specific performance of the Continuing Disclosure Agreements by the parties thereto, and no person, including any holder of the Bonds, may recover monetary damages thereunder under any circumstances. In addition, if all or any part of Rule 15c2-12 ceases to be in effect for any reason, then the information required to be provided under the Continuing Disclosure Agreements, insofar as the provision of Rule 15c2-12 no longer in effect required the providing of such information, shall no longer be required to be provided. The Continuing Disclosure Agreements also may be amended or modified without the consent of the holders of the Bonds under certain circumstances set forth therein. Copies of the Continuing Disclosure Agreements when executed by the parties thereto upon the delivery of the Bonds will be on file at the office of the Trustee.
