Section 4. The rate of interest to be paid by a Borrower to the Trust with respect to the repayment of a Construction Loan shall be calculated in the following manner (the "Interest Rate Calculation"), so as to achieve an objectively determined rate of interest that is reflective of (i) the policy goals of the Trust as set forth in this Resolution and (ii) the market as of the respective dates on which the Construction Loan is disbursed by the Trust to the Borrower, provided, however, that the portion of the Construction Loan that shall finance the NJDEP loan origination fee that shall be payable as provided in Section 3(c) hereof may be determined by the Authorized Office, at his or her discretion, to bear interest at a rate of 0.00% as an alternative to the rate of interest that otherwise would be applicable to that portion of the Construction Loan pursuant to the provisions of this Section 4:

(or any subsidiary thereof), in any case for the number of years that corresponds to the term consisting of the period from the date of a given

disbursement of proceeds of the Construction Loan to the maturity date of the Construction Loan, rounded up to the nearest year; and

- (d) with respect to any portion of a Construction Loan utilizing funds made available to the Trust pursuant to a Credit Instrument, a rate to be determined by the Trust pursuant to the approval by the Board of any such Credit Instrument as required by Section 13 hereof, which rate shall be commensurate with the cost to the Trust of obtaining funds pursuant to such Credit Instrument for the purpose of making such Construction Loan or portion thereof.

For purposes of determining the term in order to perform the Interest Rate Calculation with respect to a given disbursement of Construction Loan proceeds in connection with a given Construction Loan, as set forth above, the Authorized Officers shall calculate such term as commencing on the date of a given disbursement and continuing to, but not including, the maturity date of such Construction Loan, rounding up to the nearest year.

Section 9. In the event that a portion, but not all, of a Project that is to be the subject of a Construction Loan has been certified for funding by the Commissioner of the NJDEP, as well as by the Trust pursuant to the provisions of Section 8 hereof, the Authorized Officers are hereby severally authorized to extend a Construction Loan to such Borrower for such Project in a stated principal amount that may equal, but shall not exceed, the total estimated allowable costs of such Project (subject to the further limitations set forth in the Act, the applicable Regulations and this Resolution, including, without limitation, Section 6 of this Resolution); provided, however, that the Loan Instruments relating to such Construction Loan shall provide that the Trust shall not disburse to the Borrower any proceeds of such Construction Loan with respect to those costs of the Project that have not been certified by the Commissioner of the NJDEP, and such prohibition upon the disbursement by the Trust to the Borrower of such proceeds of the Construction Loan shall continue to apply until such date as such Project costs have been certified by the Commissioner of the NJDEP, as well as by the Trust pursuant to the provisions of Section 8 hereof.
