Refunding Bonds, shall be entitled to the same benefit and security of this Indenture including the pledge

2. Refunding Bonds of each Series shall be authenticated and delivered by the Trustee only

Cede & Co. as nominee of DTC.  Payment of semiannual interest for any Series 2019A-1 Bond shall be
made by wire transfer to the account of Cede & Co. on the Interest Payment Date for the Series 2019A-1
Bonds at the address indicated for Cede & Co. in the registry books of the I-Bank kept by the Trustee.

2. The Series 2019A-1 Bonds shall be issued initially in the form of a separate single fully
registered Bond in the amount of the aggregate principal amount of each separate stated maturity of the
Series 2019A-1 Bonds.  Upon initial issuance, the ownership of each such Series 2019A-1 Bond shall be
registered in the registry books of the I-Bank kept by the Trustee in the name of Cede & Co., as nominee
of DTC.  With respect to Series 2019A-1 Bonds registered in the registry books kept by the Trustee in the
name of Cede & Co., as nominee of DTC, the I-Bank and any Fiduciary shall have no responsibility or
obligation to any participant or to any beneficial owner of such Series 2019A-1 Bonds.  Without limiting
the immediately preceding sentence, the I-Bank and any Fiduciary shall have no responsibility or
obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any participant with
respect to any beneficial ownership interest in the Series 2019A-1 Bonds, (ii) the delivery to any
participant, any beneficial owner or any other person, other than DTC, of any notice with respect to the
Series 2019A-1 Bonds, including any notice of redemption, or (iii) the payment to any participant, any
beneficial owner or any other person, other than DTC, of any amount with respect to the principal or
Redemption Price of, or interest on, the Series 2019A-1 Bonds.  The I-Bank and any Fiduciary may treat
as, and deem DTC to be, the absolute owner of each Series 2019A-1 Bond for the purpose of payment of
the principal or Redemption Price of, and interest on, each such Series 2019A-1 Bond, for the purpose of
giving notices of redemption and other matters with respect to such Series 2019A-1 Bonds, for the
purpose of registering transfers with respect to such Series 2019A-1 Bonds and for all other purposes
whatsoever.  The Paying Agent shall pay all principal or Redemption Price of, and interest on, the Series
2019A-1 Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to
fully satisfy and discharge the I-Bank’s obligations with respect to the principal or Redemption Price of,
and interest on, the Series 2019A-1 Bonds to the extent of the sum or sums so paid.  No person other than
DTC shall receive a Series 2019A-1 Bond evidencing the obligation of the I-Bank to make payments of
principal or Redemption Price of, and interest on, the Series 2019A-1 Bonds pursuant to this Indenture.
Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute
a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the term “Cede &
Co.” in this Indenture shall refer to such new nominee of DTC.
3. (a) DTC may determine to discontinue providing its services with respect to the Series 2019A-1 Bonds at any time by giving written notice to the I-Bank and the Fiduciaries and discharging its responsibilities with respect thereto under applicable laws.

(b) The I-Bank, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Series 2019A-1 Bonds if the I-Bank so determines, and shall terminate the services of DTC with respect to the Series 2019A-1 Bonds upon receipt by the I-Bank and the Fiduciaries of written notice from DTC to the effect that DTC has received written notice from participants having interests, as shown in the records of DTC, in an aggregate principal amount of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Series 2019A-1 Bonds to the effect that: (i) DTC is unable to discharge its responsibilities with respect to the Series 2019A-1 Bonds; or (ii) a continuation of the requirement that all of the Outstanding Series 2019A-1 Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2019A-1 Bonds.

(c) Upon the termination of the services of DTC with respect to the Series 2019A-1 Bonds pursuant to subsection 2.05(3)(b)(ii) hereof, or upon the discontinuance or termination of the services of DTC with respect to the Series 2019A-1 Bonds pursuant to subsection 2.05(3)(a) or subsection 2.05(3)(b)(i) hereof after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the I-Bank, is willing and able to undertake such functions upon reasonable and customary terms, the Series 2019A-1 Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co. as nominee of DTC, but may be registered in whatever name or names Bondholders transferring or exchanging Series 2019A-1 Bonds shall designate, in accordance with the provisions of Article II hereof.

4. Notwithstanding any other provision of this Indenture to the contrary, so long as any Series 2019A-1 Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal or Redemption Price of, and interest on, such Series 2019A-1 Bond and all notices with respect to such Series 2019A-1 Bond shall be made and given, respectively, to DTC as provided in the representation letter of the I-Bank and the Trustee addressed to DTC with respect to the Series 2019A-1 Bonds.

5. In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by the I-Bank or the Trustee with respect to any consent or other action to be taken by Bondholders, the I-Bank or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

Any Bond of a Series may be signed and sealed on behalf of the I-Bank by such persons who at the time of the execution of such Bonds shall be duly authorized or shall hold the proper office in the I-Bank, although at the date borne by the Bonds of such Series such persons may not have been so authorized or have held such office.

Such certificate of the Trustee upon any Bond executed on behalf of the I-Bank shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under this Indenture and that the Holder thereof is entitled to the benefits of this Indenture.

2. The I-Bank and each Fiduciary may deem and treat the person in whose name any Bond shall be registered upon the books of the I-Bank as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on, such Bond and for all other purposes, and all such payments so made to any such Holder or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the I-Bank nor any Fiduciary shall be affected by any notice to the contrary. The I-Bank agrees to indemnify and save each Fiduciary harmless from and against any and all loss, cost, charge, expense (including legal fees), judgment or liability incurred by it, acting in good faith and without negligence under this Indenture, in so treating such Holder, and that such indemnity shall survive the payment of the Bonds and the discharge of this Indenture.

SECTION 3.05 Regulations With Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the I-Bank shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such exchange or transfer shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the I-Bank or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer. Neither the I-Bank nor the Trustee shall be required (a) to transfer or exchange Bonds for a period beginning on the Record Date preceding an Interest Payment Date for the Bonds and ending on such Interest Payment Date, or for a period of fifteen (15) days (or such lesser period as may be specified in a Supplemental Indenture for a particular Series of Bonds) preceding the date (as determined by the Trustee) of any selection of Bonds to be redeemed or thereafter until after the mailing of any notice of redemption; or (b) to transfer or exchange any Bonds called or tendered for redemption.
SECTION 3.06 Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the I-Bank shall execute, and thereupon the Trustee shall authenticate and deliver, a new Bond of like Series, maturity and principal amount as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence satisfactory to the I-Bank and the Trustee that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the I-Bank and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the I-Bank and the Trustee may prescribe and paying such expenses as the I-Bank and Trustee may incur. All mutilated Bonds so surrendered to the Trustee shall be canceled by it. Any such new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the I-Bank, whether or not the Bonds so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by, and entitled to equal and proportionate benefits with all other Bonds issued under this Indenture in, any moneys or securities held by the I-Bank or any Fiduciary for the benefit of the Bondholders.

SECTION 3.07 Temporary Bonds.

1. Until the definitive Bonds of any Series are prepared, the I-Bank may execute, in the same manner as is provided in Section 3.03, and upon the request of the I-Bank, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The I-Bank at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds for exchange and the cancellation thereof, deliver in exchange therefor, definitive Bonds of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to this Indenture.

2. All temporary Bonds surrendered in exchange either for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

SECTION 3.08 Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds, together with all Bonds purchased by the Trustee, shall thereupon be promptly canceled. Bonds so canceled may at any time be destroyed by the Trustee, who shall execute a Certificate of destruction in duplicate by the signature of one of its Authorized Officers describing the Bonds so destroyed, and one executed Certificate shall be filed with the I-Bank and the other executed Certificate shall be retained by the Trustee.

SECTION 4.01 Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to this Indenture shall be redeemable, upon notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms in addition to the terms contained in this Article IV as may be specified in this Indenture and the Supplemental Indenture authorizing such Series of Bonds. In order to redeem prior to maturity Bonds which are registered in the name of Cede & Co., the Redemption Price plus accrued interest thereon shall be deposited with the Trustee in immediately available funds not later than 11:00 a.m., New York City time, on the redemption date.

SECTION 4.02 Optional and Mandatory Sinking Fund Redemption.

1. The Series 2019A-1 Bonds shall be subject to optional redemption and mandatory sinking fund redemption in accordance with the provisions of this Indenture, including, without limitation, Sections 2.03(5) and (6), respectively, hereof.

2. In the case of any redemption of Bonds at the election or direction of the I-Bank, the I-Bank shall give written notice to the Trustee of its election or direction to so redeem, of the redemption date, and of the principal amounts of the Bonds of each maturity to be redeemed (which maturities and principal amounts thereof to be redeemed shall be determined by the I-Bank in its sole discretion, subject to any limitations with respect thereto contained in this Indenture). Such notice shall be given at least fifty (50) days prior to the redemption date or such shorter period as shall be agreed to in writing by the Trustee. In the event notice of redemption shall have been given as provided in Section 4.05, the I-Bank shall pay or require the Applicable Borrower to pay to the Trustee on or prior to the redemption date an amount in cash which, in addition to other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, all of the Bonds to be redeemed.

SECTION 4.03 Redemption Otherwise than at I-Bank’s Election or Direction. Whenever by the terms of this Indenture the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the I-Bank, the Trustee shall select the Bonds to be redeemed, give the notice of redemption as provided in Section 4.05 and pay out of moneys available therefor the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, to the Paying Agent in accordance with the terms of this Article IV and, to the extent applicable, Article V hereof.

SECTION 4.04 Selection of Bonds to Be Redeemed. If less than all of the Bonds of like maturity shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee shall determine; provided, however, that the portion of any Bond of a denomination of more than $5,000 to be redeemed shall be in the principal amount of $5,000 or an integral multiple thereof, and that, in selecting Bonds for redemption, the Trustee shall treat each Bond as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by the minimum denomination in which Bonds of such Series are authorized to be outstanding after the redemption date.

SECTION 4.05 Notice of Redemption. When Bonds of a Series have been selected for redemption pursuant to any provision of this Indenture, the Trustee shall give written notice of the
redemption of such Bonds in the name of the I-Bank at the times specified in the second paragraph of this
Section, which notice shall set forth: (i) the Series of the Bonds to be redeemed, (ii) the date fixed for
redemption, (iii) the Redemption Price to be paid, (iv) that such Bonds will be redeemed at the Principal
Office of the Paying Agent, (v) if less than all of such Bonds shall be called for redemption, the
distinctive numbers and letters, if any, of such Bonds to be redeemed, (vi) in the case of Bonds to be
redeemed in part only, the portion of the principal amount thereof to be redeemed, and (vii) except with
respect to a mandatory sinking fund redemption, that such redemption is conditioned upon there being on
deposit with the Trustee on the date designated for redemption moneys sufficient for the payment of the
Redemption Price and the accrued interest to the redemption date. Such notice shall further state that on
the redemption date there shall become due and payable the Redemption Price of all Bonds to be
redeemed, together with interest accrued to the redemption date, and that, from and after such date,
interest thereon shall cease to accrue. In case any Bond is to be redeemed in part only, the notice of
redemption that relates to such Bond shall state also that on or after the redemption date, upon surrender
of such Bond, the Holder thereof shall be entitled to a new Bond or Bonds of the same Series, bearing
interest at the same rate and in aggregate principal amount equal to the unredeemed portion of such Bond.

The notice required to be given by the Trustee pursuant to this Section shall be sent by first class
mail to the registered owners of the Bonds to be redeemed, at their addresses as they appear on the Bond
registration books of the I-Bank, not less than thirty (30) nor more than forty-five (45) days prior to the
redemption date. The failure to give notice of the redemption of any Bond or portion thereof to the
registered owner of such Bond as herein provided shall not affect the validity of the proceedings for the
redemption of any Bonds for which notice of redemption has been given in accordance with the
provisions of this Section.

SECTION 4.06 Payment of Redeemed Bonds. On the date designated for redemption,
otice having been given in the manner and under the conditions hereinabove provided, the Bonds or
portions of Bonds called for redemption shall become and be due and payable at the Redemption Price
provided for redemption of such Bonds or such portions thereof on such date and, if upon presentation
and surrender moneys for the payment of the Redemption Price and the accrued interest to the redemption
date are held in a separate account by the Trustee in trust for the holders of such Bonds, interest on such
Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such
portions thereof shall cease to be entitled to any benefit or security under this Indenture and the Holders
of such Bonds or portions of Bonds shall have no rights in respect thereof except to receive payment of
the Redemption Price thereof and the accrued interest thereon and, to the extent provided in Section 4.07
hereof, to receive Bonds for any unredeemed portions of Bonds.

SECTION 4.07 Redemption of Portions of Bonds. In case part but not all of an
Outstanding Bond shall be selected for redemption, upon presentation and surrender of such Bond to the
Paying Agent for payment of the principal amount thereof so called for redemption and accrued interest
thereon or after the redemption date, the I-Bank shall execute and the Trustee shall authenticate and
deliver to or upon the order of the registered owner thereof or his attorney or legal representative, without
charge therefor, a Bond or Bonds of the same Series bearing interest at the same rate and of any
denomination or denominations authorized by this Indenture in aggregate principal amount equal to the
unredeemed portion of such Bond.

1. There shall be established within the Project Fund a separate Project Loan Account in favor of each Borrower to which a Loan is to be made pursuant to a Loan Agreement.

2. There shall be deposited into each Project Loan Account from the proceeds of the Series 2019A-1 Bonds the respective amounts set forth in the Certificate of an Authorized Officer of the I-Bank delivered to the Trustee pursuant to Section 2.03(7)(f) hereof, which Certificate shall also designate each such Project Loan Account as either a “Clean Water SRF Project Loan Account”, a “Drinking Water SRF Project Loan Account”, a “Clean Water non-SRF Project Loan Account” or a “Drinking Water non-SRF Project Loan Account”.

Such Certificate shall (X) state that the proceeds of the Loan have been fully disbursed to the extent allowed by the Regulations, and either (Y) set forth a schedule indicating when and how much of the remaining moneys are to be transferred to the Debt Service Fund (and the appropriate Account and Subaccount therein) and applied as a credit against and considered as I-Bank Bond Loan Repayments due from the respective Borrower in whose favor the Project Loan Account was established, or (Z) state that such moneys remaining in such Project Loan Account shall be allocated to the implementation of a redemption of Bonds pursuant to the terms of this Indenture to the extent provided by the terms of Section 3.03A of the Applicable Borrower’s respective Loan Agreement. The Trustee shall transfer from any such Project Loan Account to the appropriate Account within the Debt Service Fund (as determined by the application of clause (X) and clause (Y) or clause (Z), above) and within such Account either the SRF Subaccount or the non-SRF Subaccount, and

3. The I-Bank shall make payments from the Costs of Issuance Account and, to the extent necessary, from its funds and accounts not subject to the pledge and lien of this Indenture, in the amounts, at the times, in the manner and on the other terms and conditions as the I-Bank shall determine to be fair and reasonable in the payment of the particular items of the Costs of Issuance relating to the issuance of a particular Series of Bonds and, in the case of the Series 2019A-1 Bonds, in accordance with the provisions of the Tax Certificate. Upon the payment of all Costs of Issuance as evidenced by a Certificate of an Authorized Officer of the I-Bank to such effect, the amounts remaining in the Costs of Issuance Account, if any, shall be transferred as shall be set forth in such Certificate of an Authorized Officer of the I-Bank and, in the case of the Series 2019A-1 Bonds, in accordance with the provisions of the Tax Certificate.

4. The Trustee shall deposit, in the Administrative Fee Account, the Administrative Fees received by the Trustee on behalf of the I-Bank pursuant to the Loan Agreements. The I-Bank shall utilize moneys on deposit in the Administrative Fee Account from time to time to pay the operating expenses of the I-Bank, as well as to pay for any other corporate purposes of the I-Bank that are permitted by the Act; provided, however, that in any Bond Year the moneys on deposit in the Administrative Fee Account shall be applied by the I-Bank in satisfaction of the operating expenses of the I-Bank arising under this Indenture in such Bond Year before such moneys may be applied in satisfaction of either (i) the other operating expenses of the I-Bank arising in such Bond Year or (ii) any other corporate purposes of the I-Bank arising in such Bond Year that are permitted by the Act.

SECTION 5.04 Revenues. The Trustee shall, as agent for the I-Bank and the State, perform the following duties and services:

1. The Trustee shall collect from each Borrower all required I-Bank Bond Loan payments, when due, in the amounts and at the times established by the I-Bank in a Certificate of an Authorized Officer of the I-Bank. The I-Bank shall use its best efforts to provide such Certificate to the Trustee no less than sixty (60) days prior to the date on which any such payments are due and payable. In collecting such payments from each Borrower, the Trustee shall rely exclusively upon such Certificate of an Authorized Officer of the I-Bank. To the extent the Trustee deems it necessary or appropriate, the Trustee may, and is hereby authorized to, establish a Clearing Account for the purpose of administering the collection of such payments. The Trustee hereby acknowledges that (a) all amounts so collected shall be collected by the Trustee on behalf of, and for the benefit of, the I-Bank and the State, to the extent of their respective interests therein, (b) in making such collections, the Trustee shall act as an agent for the I-Bank and the State, to the extent of their respective interests therein, (c) all amounts so collected by the Trustee shall be the property of the I-Bank and the State, to the extent of their respective interests therein, and not of the Trustee, (d) all such amounts, when received by the Trustee, shall be deemed to be received
by the I-Bank and the State, to the extent of their respective interests therein, as determined in accordance with paragraph (3) below, and (e) the amounts deemed received by the I-Bank as I-Bank Bond Loan Repayments and by the State as State Loan Repayments pursuant to the terms hereof, immediately upon receipt by the Trustee, shall be deemed to be Revenues, and shall be included in the Trust Estate established and pledged as security for the Bonds under this Indenture.

2. Promptly after collection of each I-Bank Bond Loan Repayment, State Loan Repayment, Administrative Fee payment, State Administrative Fee payment or other required payment from a Borrower, the Trustee shall credit such Borrower with each of the respective sums collected. Moneys received from each Borrower with respect to a particular payment date shall be credited, first, to the payment then due (other than the Administrative Fee payment) under the Loan Agreement, second, to the Administrative Fee payment then due under the Loan Agreement, third, to the payment then due (other than the State Administrative Fee payment, if any) under the State Loan Agreement, and, fourth, to the State Administrative Fee payment, if any, then due under the State Loan Agreement.

3. Promptly after crediting each Borrower pursuant to the order of priority established under paragraph (2) above for the moneys received from each Borrower with respect to a particular payment date, the Trustee shall deposit the sums collected in the accounts established for such payments in the following order of priority of such deposits and the required amounts of such deposits:

(a) First, (i) into the I-Bank Bond Loan Repayments Account within the Revenue Fund established under this Indenture, a sum or sums from moneys credited as I-Bank Bond Loan Repayments equal to the amount required for the next immediate debt service payment date for the Bonds, and (ii) into the State Loan Repayments Account within the Revenue Fund established under this Indenture, all moneys credited as State Loan Repayments;

(b) Upon depositing the required amounts pursuant to paragraph (3)(a) above, into the Administrative Fee Account in the Operating Expense Fund established under this Indenture, all moneys credited as Administrative Fee payments only then due to the I-Bank from each Borrower pursuant to its respective Loan Agreement;

(c) (i) If, upon depositing the required amounts pursuant to paragraphs (3)(a) and (3)(b), above, the amounts on deposit in the I-Bank Bond Loan Repayments Account within the Revenue Fund are not sufficient to make all of the payments due with respect to the Bonds on the next immediate debt service payment date for such Bonds, then the Trustee shall transfer from the State Loan Repayments Account within the Revenue Fund to the I-Bank Bond Loan Repayments Account within the Revenue Fund an amount equal to the difference between the amount on deposit in the I-Bank Bond Loan Repayments Account within the Revenue Fund and the amount required to make all of the payments due on the next immediate debt service payment date for the Bonds;

(ii) If, upon depositing the required amounts pursuant to paragraphs (3)(a) and (3)(b), above, and after giving effect to any transfers required by paragraph 3(c)(i), above, the amounts on deposit in the I-Bank Bond Loan Repayments Account within the Revenue Fund are sufficient to make all of the payments due with respect to the Bonds on such date, then the Trustee shall transfer immediately to the Master Program Trustee for deposit in the Master Program Trust Account from moneys on deposit in the State Loan Repayments Account within the Revenue Fund and credited as State Loan Repayments only corresponding to the next immediate debt service payment date for the Bonds, for deposit and disbursement in accordance with the terms and conditions of the Master Program Trust Agreement;
(d) Upon depositing and/or transferring the required amounts pursuant to paragraphs (3)(a), (3)(b) and (3)(c), above, to the State all moneys credited as State Administrative Fee payments only, if any, then due to the State from each Borrower pursuant to its respective State Loan Agreement; and

(e) Upon depositing the required amounts pursuant to paragraphs (3)(a), (3)(b), (3)(c) and (3)(d), above, into the applicable Account within the Revenue Fund all remaining moneys, if any, credited as Loan Repayments, to be applied in satisfaction of the amounts next required to be disbursed as provided under this paragraph (3) in the sequence and manner established pursuant to this paragraph (3).

In making the deposits required by the provisions of this subsection (3), the Trustee shall rely exclusively upon a Certificate of an Authorized Officer of the I-Bank, which Certificate shall be provided to the Trustee by the I-Bank simultaneously with the provision by the I-Bank to the Trustee of the Certificate required by the provision of subsection (1) of this Section 5.04.

4. If a payment of amounts due under a Loan Agreement or a State Loan Agreement is not received on or before the required payment date, the Trustee shall notify the I-Bank and the State in writing on the first Business Day after such payment date that the payment is past due. Promptly following receipt of such notice from the Trustee, the I-Bank shall notify the Borrower and, if applicable, the trustee under the Borrower Bond Resolution (as such term is defined in the Loan Agreement) in writing that such payment is past due. If a payment is not received from the Borrower within ten days of the date when such payment is due, the Trustee shall promptly notify the I-Bank and the State in writing.

5. The Trustee shall promptly notify the I-Bank, the Borrower and, if applicable, the trustee under the Borrower Bond Resolution in writing on the first Business Day after a payment date if the moneys received from the Borrower pursuant to paragraph (2) of this Section 5.04 with respect to such payment date are insufficient to satisfy in full the I-Bank Bond Loan Repayments and Administrative Fee payments then due under the Loan Agreement. The Trustee shall promptly notify the I-Bank, the State, the Borrower and, if applicable, the trustee under the Borrower Bond Resolution in writing on the first Business Day after a payment date if the moneys received from the Borrower pursuant to paragraph (2) of this Section 5.04 with respect to such payment date are insufficient to satisfy in full the State Loan Repayments and State Administrative Fee payments then due under the State Loan Agreement. The Trustee shall also notify the I-Bank and the State that an I-Bank Bond Loan Repayment deficiency cannot be satisfied from Loan Repayments deposited pursuant to Section 5.04(3)(a) hereof.

6. In connection with the obligation of the Trustee pursuant to subsections (4) and (5) of this Section 5.04 to provide written notice to a trustee under a Borrower Bond Resolution, the I-Bank shall use its best efforts to maintain on file with the Trustee a list of such trustees, with relevant address and contact information included in such list. However, the failure of the I-Bank to provide such list to the Trustee shall not relieve the Trustee of the obligation to provide the written notice to such a trustee pursuant to the provisions of subsections (4) and (5) of this Section 5.04.

SECTION 5.05 Revenue Fund.

1. On or prior to each Interest Payment Date, the Trustee shall transfer from amounts in the SRF Subaccount and the non-SRF Subaccount (and the applicable Subaccounts therein) of the I-Bank Bond Loan Repayments Account within the Revenue Fund to the SRF Subaccount and the non-SRF Subaccount (and the applicable Subaccounts therein), as applicable, of the Interest Account in the Debt Service Fund, the amount which, together with the amounts, if any, already on deposit in such Subaccounts of the Interest Account (other than Net Earnings on amounts that have been received in the Interest Account since the immediately preceding Interest Payment Date) and the amounts, if any, on deposit in the Capitalized Interest Account and designated for use on such Interest Payment Date pursuant

any, due and payable on the Bonds on such September 1.

3. On or prior to each redemption date, other than a Sinking Fund Installment due date, the
Trustee shall transfer from moneys on deposit in the SRF Account and the non-SRF Account (and the
applicable Subaccounts therein) of the I-Bank Bond Loan Repayments Account within the Revenue Fund
(i) to the SRF Subaccount and the non-SRF Subaccount (and the applicable Subaccounts therein), as
applicable, of the Redemption Account in the Debt Service Fund an amount equal in the aggregate to the
Redemption Price due and payable on all Bonds to be redeemed on such redemption date and (ii) to the
SRF Subaccount and the non-SRF Subaccount (and the applicable Subaccounts therein), as applicable, of
the Interest Account in the Debt Service Fund an amount equal in the aggregate to the interest accrued
and not paid and to accrue on such Bonds to such redemption date. Money received from a Borrower
prior to September 1, [2028] that represents a prepayment of its Loan as allowed pursuant to its respective

or principal payments on the Loans, or other than amounts payable pursuant to the Loan Agreements or
Net Earnings attributable to such amounts, and (ii) all amounts received by the Trustee from the
Borrowers pursuant to the State Loan Agreements can be properly designated, pursuant to Section 5.04

hereof.

2. On the maturity or Sinking Fund Installment due date of any Bonds, the Trustee shall
make available to the Paying Agent from moneys in the Principal Account in the Debt Service Fund an
amount equal to the principal or Redemption Price of the Bonds due on such date, which moneys shall be
applied by the Paying Agent to the payment of such principal or Redemption Price.

3. On each redemption date, other than a Sinking Fund Installment due date, the Trustee

SECTION 5.07  Reserved.

SECTION 5.08  General Fund. On the first day of each Bond Year beginning September 1, 2019, the Trustee shall deposit in the SRF Account and non- SRF Account (and the applicable Subaccounts therein), as applicable, of the General Fund all moneys then remaining in the I-Bank Bond Loan Repayments Account within the Revenue Fund except for those moneys identified as credits under Section 5.10 hereof to be transferred to the Interest Account on the second day of such Bond Year; provided, however, that (i) all transfers from the I-Bank Bond Loan Repayments Account within the Revenue Fund required pursuant to subsections (1), (2), (3) and (4) of Section 5.05 shall have been made, and (ii) all funds required to be on deposit in the Revenue Fund pursuant to Section 5.05(2) are on deposit in the Revenue Fund. Moneys on deposit in the General Fund that shall not be required to be transferred to the Interest Account in the Debt Service Fund pursuant to Section 5.10 may be applied by the I-Bank, upon written requisition from the I-Bank to the Trustee, in accordance with the Act and, in the case of proceeds of the Series 2019A-1 Bonds, the Tax Certificate, for any of its corporate purposes. Such requisition shall state that the I-Bank is requesting such moneys pursuant to the provisions of this Section 5.08.

SECTION 5.09  Moneys to Be Held in I-Bank. All moneys required to be deposited with or paid to the Trustee or the Paying Agent for the account of any Fund or Account established pursuant to any provision of this Indenture for the Bonds in accordance with this Indenture, other than the Project Fund, the Operating Expense Fund and the Rebate Fund, shall be held by the Trustee or the Paying Agent, as the case may be, in trust for the Holders of the Bonds and shall constitute part of the Trust Estate while held by the Trustee or the Paying Agent; provided, however, that moneys deposited with and held by the Trustee or the Paying Agent for the redemption of Bonds on or after the redemption date of such Bonds, or for the payment of the Redemption Price of or interest on Bonds on or after the date on which such amounts shall have become due, shall be held and applied solely for the redemption or payment of the Redemption Price of or the payment of the interest on such Bonds.

SECTION 5.10  Investments.

1.  Generally. All moneys in any of the Funds and Accounts created pursuant to this Indenture, other than the Operating Expense Fund and the Accounts established therein, shall be invested by the Trustee as directed by an Authorized Officer of the I-Bank in writing, subject to the further provisions of this Section. The Trustee may conclusively rely upon such written direction of an Authorized Officer of the I-Bank as to any and all investments and as to the compliance of any investments with the procurement and investment policies and procedures of the I-Bank. Moneys in the Operating Expense Fund shall be invested by the I-Bank in accordance with the provisions of this Section.

Moneys in all Funds and Accounts created pursuant to this Indenture shall be invested in Investment Securities, the principal of and interest on which are payable not later than the dates on which it is estimated that such moneys will be required hereunder; provided, however, that the Project Fund and the Project Loan Accounts established therein may be invested in the State of New Jersey Cash Management Fund or other similar common trust fund for which the New Jersey State Treasurer is the custodian, in addition to investment thereof in Investment Securities.

Investment Securities acquired as an investment of moneys in any Fund or Account created pursuant to this Indenture shall be credited to such Fund or Account. For the purpose of
determining the amount in any Fund or Account at any time in accordance with this Indenture, all Investment Securities credited to such Fund or Account shall be valued at the lesser of amortized cost (exclusive of accrued interest) or fair market value.

The Trustee may act as principal or agent in the acquisition or disposition of any Investment Securities. The Trustee shall exercise its best efforts to sell at the best price obtainable, or present for redemption, any Investment Securities to the credit of any Fund or Account created pursuant to this Indenture, other than the Operating Expense Fund and the Rebate Fund (and the respective Accounts therein), whenever it shall be necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from such Fund or Account, and the Trustee shall not be liable for any loss resulting from such necessary sale so made of such Investment Securities.

2. Reserved.

3. **Net Earnings on all Funds and Accounts Subject to Transfer and Credit.** (i) All Net Earnings received in the first Bond Year from the investment of moneys in any Fund, Account or Subaccount created hereunder, other than the Operating Expense Fund, the Rebate Fund, the Project Fund, and the respective Accounts established therein, and the Capitalized Interest Account (and the Subaccounts therein) in the Debt Service Fund, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount (and the applicable Subaccounts therein), as applicable, of the Interest Account in the Debt Service Fund on September 2, 2019; (ii) all Net Earnings received from September 2 through and including March 1 in any Bond Year thereafter from the investment of moneys in any Fund, Account or Subaccount created pursuant to this Indenture, other than the Funds, Accounts and Subaccounts excepted in (i) above, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount (and the applicable Subaccounts therein), as applicable, of the Interest Account in the Debt Service Fund on March 2 of any such Bond Year; and (iii) all Net Earnings received from March 2 through and including September 1 in any Bond Year thereafter from the investment of moneys in any Fund, Account or Subaccount created pursuant to this Indenture, other than the Funds, Accounts and Subaccounts excepted in (i) and (ii) above, shall be deposited or retained in the SRF Subaccount and non-SRF Subaccount (and the applicable Subaccounts therein), as applicable, of the Interest Account in the Debt Service Fund on September 2 of any such Bond Year.

4. **Specific Borrower Credits.** The Trustee, simultaneously with each transfer contemplated by Section 5.10(3) hereof, shall notify the I-Bank in writing of all such Net Earnings so transferred. Such writings shall set forth the Net Earnings derived from each such Fund, Account or Subaccount created hereunder. The I-Bank will credit the Interest Portion of the immediately succeeding I-Bank Bond Loan Repayment due from a Borrower, and to the extent moneys are available therefor, the principal portion of such I-Bank Bond Loan Repayments, if any, with the Allocable Share of the Net Earnings allocable to said Borrower and notify the Borrower and the Trustee of such credit. The Allocable Share of the Net Earnings allocable to a Borrower shall be the sum of said Borrower’s pro rata share of the Net Earnings derived in accordance with Section 5.10(3) hereof from the SRF or non-SRF Subaccounts or Accounts (and any Subaccounts therein), as applicable, of the Interest Account, the Principal Account and the Redemption Account in the Debt Service Fund, the General Fund and the Revenue Fund (i.e., all Funds, Accounts and Subaccounts created hereunder other than those Funds, Accounts and Subaccounts listed in Section 5.10(3) hereof, the Net Earnings on which are not subject to transfer and credit in favor of Borrower I-Bank Bond Loan Repayments) in any Bond Year commencing on or after September 1, 2019, which pro rata share shall be equal to the product of: (i) such Net Earnings so derived from the SRF or non-SRF Subaccounts and Accounts (and any Subaccounts therein) of such Funds or Accounts, as applicable, and (ii) said Borrower’s Allocable Share.
To the extent that an Authorized Officer of the I-Bank advises the Trustee in writing (which writing may be via electronic mail) that the I-Bank has determined that the aggregate Net Earnings in all Funds, Accounts and Subaccounts allocable to any individual Borrower on a given Interest Payment Date, as calculated by the I-Bank pursuant to this subsection, are less than the lesser of (I) one-twelfth (1/12) of the I-Bank Bond Loan Repayments due from such Borrower during the immediately preceding Bond Year, and (II) $1,000, such Net Earnings shall be retained in the Debt Service Fund, unless directed otherwise by an Authorized Officer of the I-Bank, and shall be credited to the I-Bank Bond Loan Repayment of such Borrower in accordance with this paragraph on the next succeeding Interest Payment Date. Furthermore, to the extent that an Authorized Officer of the I-Bank advises the Trustee in writing (which writing may be via electronic mail), the calculation pursuant to this subsection by the I-Bank of the aggregate Net Earnings in all Funds, Accounts and Subaccounts allocable to any individual Borrower on a given Interest Payment Date need not be performed and, in such case, such Net Earnings shall be retained in the Debt Service Fund, unless directed otherwise by an Authorized Officer of the I-Bank, and shall be credited to the I-Bank Bond Loan Repayment of such Borrowers in accordance with this subsection on the next succeeding Interest Payment Date.

5. **Earnings on Funds and Accounts Not Subject to Transfer and Credit.** All Net Earnings from the investment of moneys in the Project Fund, the Capitalized Interest Account within the Debt Service Fund, the Rebate Fund and the Operating Expense Fund (and each of the respective Accounts and Subaccounts therein) shall be retained in and treated as part of such respective Fund, Accounts and Subaccounts, and applied in accordance with the Sections of this Indenture governing such Funds, Accounts and Subaccounts.

6. **Rebate Fund.** The I-Bank may withdraw and utilize earnings in any Fund, Account or Subaccount, other than the Interest Account and the Principal Account (and the respective Subaccounts therein) in the Debt Service Fund, to pay into the Rebate Fund any amounts desired by the I-Bank or required pursuant to the Code to be set aside for rebate or to satisfy a yield restriction requirement to the Internal Revenue Service, as outlined in the Tax Certificate or any letter of instructions referred to in Section 8.06(2) hereof; provided, however, that to the extent any such moneys and investment earnings thereon on deposit in the Rebate Fund shall not be needed for such purposes at the times so outlined, all or a portion of such moneys may be transferred by the Trustee to the General Fund upon the Trustee’s receipt of written instructions from an Authorized Officer of the I-Bank to such effect. The Authorized Officer of the I-Bank shall submit to the Trustee a Certificate specifying the Funds, Accounts and/or Subaccounts and the amount of earnings to be withdrawn for such purposes, and the Trustee shall be entitled to rely on each such Certificate in making payments to the I-Bank.

LOANS

SECTION 6.01 Terms and Conditions of Loans. The I-Bank shall make Loans to Borrowers for the purpose of paying a portion of the Costs of the Borrowers’ Projects from moneys available therefor in the applicable Project Loan Accounts in the Project Fund, and shall enter into Loan Agreements, in the manner, on the terms and conditions and upon submission of the documents required by this Article VI, and not otherwise.

SECTION 6.02 Form of Loan Agreement. The Loan Agreements shall be substantially in the form as determined by the I-Bank, with such changes therein as shall be approved by the I-Bank, as evidenced by the execution thereof by an Authorized Officer of the I-Bank; provided, however, that the Loans and the Loan Agreements shall in any event conform in all material respects to the provisions of this Article VI.

SECTION 6.03 Restrictions on Loans. No Loan may be made to reimburse a Borrower for all or a portion of the Cost of a Borrower’s Project, or to refinance indebtedness or reimburse the Borrower for the repayment of indebtedness previously incurred by such Borrower to finance all or a portion of the Cost of such Borrower’s Project, unless the Borrower shall deliver to the I-Bank and the Trustee an opinion of Bond Counsel approved by the I-Bank, in form and substance satisfactory to the I-Bank, to the effect that such reimbursement or refinancing will not adversely affect the exclusion from gross income for federal income tax purposes of interest paid on the Bonds.

SECTION 6.04 Loan Closing Submissions. Prior to or at each Loan Closing of a Loan, the I-Bank and the Trustee shall have received the following documents from the Borrower receiving the Loan, failing the receipt of all of which a Borrower shall not be considered a Borrower for purposes of this Indenture:

(a) an opinion or opinions of the Borrower’s Counsel substantially in the form set forth in Exhibit E to the form of Loan Agreement; provided, however, that the I-Bank may permit variances in such opinion from the form or substance of such Exhibit E, if such variances are not to the material detriment of the interests of the Bondholders;

(b) counterparts of the Loan Agreement executed by the parties thereto designating, among other things, SRF or non-SRF status and any other relevant term contemplated herein;

(c) the bond evidencing the payment obligations of the Borrower under such Loan Agreement, duly executed, authenticated and delivered by such Borrower and endorsed by the I-Bank to the Trustee;

(d) the opinion required by Section 6.03 hereof, if applicable;

(e) copies of the resolutions or ordinances of the governing body of the Borrower authorizing the execution and delivery of such Loan Agreement and bond, certified by an Authorized Officer of the Borrower;

36
(f) an opinion of Counsel to the I-Bank that the Borrower’s Project constitutes a “Project” within the meaning of the Act and that the financing thereof by the I-Bank is permissible under the Act and Section 6.01 of this Resolution; and

(g) such other certificates, documents, opinions and information as the I-Bank or the Trustee may require.

All opinions and certificates required under this Section shall be dated the date of the Loan Closing and all such opinions shall be addressed, at a minimum, to the I-Bank and the Trustee.

SECTION 6.05 I-Bank Bond Loan Repayments. With respect to the Loans made from the proceeds of any Series of Bonds, the I-Bank shall establish I-Bank Bond Loan Repayments under the Applicable Loan Agreements in such amounts which, together with any amounts available and required to be treated as credits under this Indenture, shall be sufficient to pay the principal of, prepayment premium, if any, and interest on such Series of Bonds as the same become due and payable.

SECTION 6.06 Continuing Disclosure. Prior to each Loan Closing with respect to a Loan, the I-Bank, pursuant to the sole discretion of an Authorized Officer of the I-Bank, in consultation with Bond Counsel, general counsel and other appropriate advisors to the I-Bank, shall determine if any Borrower is a material “obligated person” within the meaning and for the purposes of Rule 15c2-12 promulgated by the Securities and Exchange Commission (the “SEC”) pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto (“Rule 15c2-12”), based upon the following criteria hereby established as the means of satisfying the meaning and purposes of Rule 15c2-12: Borrowers shall be considered to be material “obligated persons” if their remaining Fund Loan (unless defined in this Section 6.06, capitalized terms not defined in this Indenture and used in this Section 6.06 shall have the respective meanings ascribed to such terms in the Master Program Trust Agreement) repayments in all Coverage Providing Financing Programs, when aggregated with such Borrower’s I-Bank Loan repayments, if any, in respect of the Bonds, exceed ten percent (10%) of the sum of (i) the aggregate of all remaining Fund Loan repayments from all Borrowers in all Coverage Providing Financing Programs and (ii) the aggregate of all remaining I-Bank Loan repayments from all Borrowers.

To the extent any Borrowers that have been determined to be material “obligated persons” within the meaning and for the purposes of Rule 15c2-12 have entered into Service Agreements with Underlying Government Units and if any such Underlying Government Units have entered into Service Agreements with Indirect Underlying Government Units (as such terms are defined in the Loan Agreements) whereby annual charges or indirect annual charges, as the case may be, materially secure the I-Bank Bond Loan Repayments of any such Borrowers, any such Underlying Government Unit and Indirect Underlying Government Unit shall also be considered material “obligated persons” within the meaning and for the purposes of Rule 15c2-12.

Any Borrower determined to be a material “obligated person” based upon the criteria set forth herein shall be required to enter into a Continuing Disclosure Agreement, with a term as specified therein, by and among such Borrower, the I-Bank and the Trustee, substantially in the form attached as Exhibit H to such Borrower’s Loan Agreement, with such changes therein as shall be approved by the I-Bank, as evidenced by the execution thereof by an Authorized Officer of the I-Bank.

The I-Bank hereby determines that it is not an “obligated person”. Nevertheless, the I-Bank hereby covenants to provide notice of Bond Disclosure Events (as defined in the Continuing Disclosure Agreement), if material, with respect to the Series 2019A-1 Bonds to each Nationally Recognized
Municipal Securities Information Repository recognized by the SEC or to the Municipal Securities Rulemaking Board and the State Information Depository, if any, recognized by the SEC.

The I-Bank hereby determines that the Series 2019A-1 Financing Program relating to the Series 2019A-1 Bonds is an “obligated person”, and shall be required to enter into a Continuing Disclosure Agreement, with a term as specified therein, by and among the I-Bank, the Trustee and the Master Program Trustee, substantially in the form attached hereto as Exhibit B, with such changes therein as shall be approved by the I-Bank, as evidenced by the execution thereof by an Authorized Officer of the I-Bank.

Notwithstanding any provision to the contrary in Article XI hereof, the I-Bank may amend or supplement this Section 6.06 to comply with any amendment, supplement, modification, termination or other change to Rule 15c2-12.

SECTION 7.02 Defaults. The Trustee shall notify the I-Bank of its failure to receive any I-Bank Bond Loan Repayment, if any, of a Borrower due under any Loan Agreement and of any other event of default under such Loan Agreement known to the Trustee.

The Trustee shall diligently enforce, and take all reasonable steps, actions and proceedings necessary for the enforcement of, all terms and conditions of all Loan Agreements, including (without limitation) the prompt payment of all I-Bank Bond Loan Repayments and all other amounts due the I-Bank, and the observance and performance of all duties, covenants, obligations and agreements, thereunder; provided, however, that the Trustee shall not accelerate the payment of amounts due under any Loan Agreement following any event of default thereunder (other than any event of default which shall automatically accelerate such payment under the Loan Agreements), unless the Trustee shall have given the I-Bank thirty (30) days’ written notice of the occurrence of such event of default and shall have afforded the I-Bank the opportunity to cause such event of default to be cured during the 30-day period following receipt by the I-Bank of such notice.

The Trustee shall not release the duties, covenants, obligations or agreements of any Borrower under any Loan Agreement and shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the I-Bank and the Holders under or with respect to each Loan Agreement; provided, however, that this provision shall not be construed to prevent the Trustee (with the written consent of the I-Bank) from settling a default under any Loan Agreement on such terms as the Trustee shall determine to be in the best interests of the I-Bank and the Holders. The I-Bank hereby appoints the Trustee its agent and attorney-in-fact for purposes of enforcing all rights, title and interests of the I-Bank under the Loan Agreements, except for the enforcement of all rights, title and interests of the I-Bank relating to the payment by the Borrower of the Administrative Fee and otherwise, subject to the provisions of this Section.

SECTION 7.03 Termination of Loan Agreements. Upon the payment in full of all amounts due under a Loan Agreement, the I-Bank shall cancel the obligation of the Borrower evidenced by such Loan Agreement and terminate and release all security interests and liens created under such Loan Agreement and the I-Bank and the Trustee shall take any other action required of the I-Bank or the Trustee in such Loan Agreement in connection with such cancellation, termination and release, including (without limitation) the execution of all relevant documents in connection with such actions.

SECTION 7.04 Loan Files. After each Loan Closing, the Trustee shall retain all the documents received by it pursuant to Article VI hereof in connection with such Loan Closing or in connection with the Loan made at such Loan Closing in a file pertaining to such Loan, to which file the Trustee shall from time to time add (i) all records and other documents pertaining to disbursements of amounts to the Borrower under the Loan Agreement and to Loan Repayments and other amounts received by the Trustee under such Loan Agreement and (ii) all communications from or received by the Trustee with respect to such Loan. Such file shall be kept at the Principal Office of the Trustee and shall be available for inspection by the I-Bank and its agents at reasonable times and under reasonable circumstances.
SECTION 7.05  Trustee’s Obligations. The Trustee shall observe and perform all duties, covenants, obligations and agreements of the I-Bank under each Loan Agreement to the extent specified herein. [THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

GENERAL COVENANTS

SECTION 8.01  Payment of Bonds. The I-Bank shall pay or cause to be paid the principal or Redemption Price of and interest on every Bond of each Series on the date, at the place and in the manner provided herein, in the Applicable Supplemental Indenture and in such Bonds, according to the true intent and meaning thereof; provided, however, that the Bonds of each Series are special obligations of the I-Bank, the principal or Redemption Price of and interest on which are payable by the I-Bank solely from the Trust Estate.

The Bonds of each Series shall not be payable from the general funds of the I-Bank and shall not constitute a legal or equitable pledge of, or lien or encumbrance upon, any of the assets or property of the I-Bank or upon any of its income, receipts or revenues, except as provided in this Indenture. The full faith and credit of the I-Bank are not pledged, either expressly or by implication, to the payment of the Bonds. The I-Bank has no taxing power and has no claim on any revenues or receipts of the State of New Jersey or any agency or political subdivision thereof or any Borrower except as expressly provided in a Borrower’s Loan Agreement.

SECTION 8.02  Observance and Performance of Duties, Covenants, Obligations and Agreements; Representations as to Authorization and Validity of Bonds. The I-Bank shall faithfully observe and perform at all times all of its duties, covenants, obligations and agreements contained in the Loan Agreements or in any Bond executed, authenticated and delivered under this Indenture and any Supplemental Indenture or in any proceedings of the I-Bank pertaining thereto.

The I-Bank represents and covenants that: (i) it is duly authorized under the Constitution and laws of the State of New Jersey, particularly the Act, to issue the Bonds of each Series, to enter into the Loan Agreements and the Master Program Trust Agreement and to pledge the Trust Estate in the manner and to the extent set forth in this Indenture and as shall be set forth in any Supplemental Indenture; (ii) all action on its part for the issuance of the Bonds of each Series will be duly and effectively taken; and (iii) the Bonds of each Series in the hands of the Holders thereof will be valid and binding special obligations of the I-Bank enforceable according to their terms.

SECTION 8.03  Liens, Encumbrances and Charges. The I-Bank shall not create or cause to be created and shall not suffer to exist, any lien, encumbrance or charge upon the Trust Estate except the pledge, lien and charge created for the security of Holders of the Bonds. To the extent Revenues are received, the I-Bank will cause to be discharged, or will make adequate provision to satisfy and discharge, within sixty (60) days after the same shall accrue, all lawful claims and demands that if unpaid might by law become a lien upon the Trust Estate; provided, however, that nothing contained in this Section shall require the I-Bank to pay or cause to be discharged, or make provision for, any such lien, encumbrance or charge so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings.

So long as Bonds of any Series shall be Outstanding, the I-Bank shall not issue any bonds, notes or other evidences of indebtedness, other than such Bonds, secured by any pledge of or other lien or charge on the Trust Estate. Notwithstanding the foregoing, the I-Bank may issue future series of bonds, notes or other evidences of indebtedness that have an interest in the Master Program Trust Account to the extent set forth in the Master Program Trust Agreement. Nothing in this Indenture is intended to or shall affect the right of the I-Bank to issue bonds, notes and other obligations under other resolutions or indentures for any of its other purposes.
SECTION 8.04  Accounts and Audits. The I-Bank shall keep, or cause to be kept, proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Loans, this Indenture and any Supplemental Indenture, which books and accounts (at reasonable hours and subject to the reasonable rules and regulations of the I-Bank) shall be subject to the inspection of the Trustee and any Holder of any Bonds or their agents or representatives duly authorized in writing. The I-Bank shall cause such books and accounts to be audited annually by a nationally recognized independent certified public accountant selected by the I-Bank. Annually, not later than December 1 of each year with respect to the fiscal year of the I-Bank ended on the immediately preceding June 30, a signed copy of such report shall be furnished by the I-Bank to the Trustee. Such report shall include at least: (i) a statement of all funds and accounts (including investments thereof) held by the Master Program Trustee pursuant to the provisions of the Master Program Trust Agreement; and (ii) a statement of the Revenues, Administrative Fees and State Administrative Fees collected in connection with this Indenture. The Trustee has no obligation to review the contents of such report, shall not be deemed to have knowledge of its contents, and shall receive and hold such report solely for the convenience of the Holders.

SECTION 8.05  Further Assurances. The I-Bank will pass, make, do, execute, acknowledge and deliver any and all such further resolutions, indentures, actions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Holders of Bonds the rights and benefits provided in this Indenture, including exercising its State aid intercept powers pursuant to the Act.

SECTION 8.06  Tax Rebate.

1. In connection with the issuance of any Series of Bonds an Authorized Officer of the I-Bank is authorized to execute on behalf of the I-Bank a Certificate as to arbitrage (including the Tax Certificate), a letter of instructions as to certain requirements of the Code, or any similar documents relating to the characterization of such Series of Bonds as not being “arbitrage bonds” within the meaning of Sections 103(a)(2) and 148 of the Code.

2. Any amounts required to be set aside for rebate or to satisfy a yield restriction requirement to the Internal Revenue Service pursuant to any letter of instructions or certificate as to arbitrage shall be considered a loss for purposes of determining “Net Earnings” pursuant to Section 5.10 hereof.

SECTION 8.07  Application of Loan Prepayments. Upon the prepayment, in whole or in part, of any Loan, the I-Bank shall elect to apply such prepayment proceeds either (i) to the redemption of Bonds on the next succeeding call date in accordance with Article IV, or (ii) to the payment of Bonds in accordance with Section 12.01. The I-Bank may only consent to Loan prepayments pursuant to the Loan Agreements if it simultaneously delivers to the Trustee (i) a certificate of an independent public accountant demonstrating that the aggregate I-Bank Bond Loan Repayments due pursuant to the Loan Agreements after such prepayment shall be sufficient to pay when due the principal of and interest on all Bonds outstanding after giving effect to the I-Bank’s election required in the immediately preceding sentence, and (ii) irrevocable instructions to effectuate such election regarding the application of prepayment proceeds. The I-Bank shall give notice to Fitch Ratings, Inc., Standard & Poor’s Corporation and Moody’s Investors Service, Inc. of any such Loan prepayments and its application of the proceeds thereof. The posting of any such notice to the Electronic Municipal Market Access system of the Municipal Securities Rulemaking Board shall constitute notice to Fitch Ratings, Inc., Standard & Poor’s Corporation and Moody’s Investors Service, Inc. for purposes of this paragraph.

(a) default in the due and punctual payment of any interest on any Bond; or

(b) default in the due and punctual payment of the principal or Redemption Price of any Bond whether at the stated maturity thereof or on any date fixed for the redemption of such Bond; or

(c) if (i) the I-Bank shall be adjudicated a bankrupt or become subject to an order for relief under federal bankruptcy law, (ii) the I-Bank shall institute a proceeding seeking an order for relief under federal bankruptcy law or seeking to be adjudicated a bankrupt or insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of it or all of its debts under New Jersey bankruptcy or insolvency law, (iii) with the consent of the I-Bank, there shall be appointed a receiver, liquidator or similar official for the I-Bank under federal bankruptcy law or under New Jersey bankruptcy or insolvency law, or (iv) without the application, approval or consent of the I-Bank, a receiver, trustee, liquidator or similar official shall be appointed for the I-Bank under federal bankruptcy law or under New Jersey bankruptcy or insolvency law, or a proceeding described in clause (ii) above shall be instituted against the I-Bank and such appointment continues undischarged or such proceeding continues undismissed or unstayed for a period of sixty (60) consecutive days; or

(e) the I-Bank shall default in the performance or observance of any other of the duties, covenants, obligations, agreements or conditions on the part of the I-Bank to be performed or observed under this Indenture or the Bonds of each Series, which default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall be given to the I-Bank by the Trustee or the Bondholders in accordance with Section 9.10 hereof.

SECTION 9.02 Acceleration of Bonds; Remedies. If an Event of Default described in Section 9.01 shall occur for any Series of Bonds, the Trustee may, and at the written request of the Holders of a majority in aggregate principal amount of the Outstanding Bonds shall, by telephonic notice to the I-Bank (promptly confirmed in writing) declare the principal of all Bonds then Outstanding to be due and payable; provided, however, that before making such declaration, the Trustee shall give thirty
(30) days’ notice to the I-Bank. Upon any such declaration, the Trustee shall forthwith give notice thereof to the Borrowers and the Paying Agents.

At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such Event of Default, or before the completion of the enforcement of any other remedy under this Indenture, the Trustee, by written notice to the I-Bank, may annul such declaration and its consequences if: (i) moneys shall have accumulated in the Interest Account and the Principal Account in the Debt Service Fund sufficient to pay all arrears of interest, if any, upon all of the Outstanding Bonds (except the interest accrued on such Bonds since the last Interest Payment Date) and the principal then due on all Bonds (except the principal on any such Bonds due solely as a result of any such declaration of acceleration); (ii) moneys shall have accumulated and be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Trustee; and (iii) every other default known to the Trustee in the observance or performance of any duty, covenant, obligation, condition or agreement contained in the Bonds or in this Indenture, shall have been remedied to the satisfaction of the Trustee; provided, however, that such declaration may be annulled only with the written consent of the Holders of a majority in aggregate principal amount of the Bonds Outstanding and not then due by their terms. No such annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Upon the occurrence of an Event of Default, the Trustee shall also have the following rights and remedies:

(a) the Trustee shall, at the direction of the Holders of a majority in aggregate principal amount of the Outstanding Bonds, and upon being indemnified to its reasonable satisfaction, pursue any available remedy at law or in equity or by statute to enforce the payment of the principal of and interest on the Bonds then Outstanding, including (without limitation) the right (to the extent legally enforceable) to, by written notice to the I-Bank, declare the principal of the bonds then outstanding to be due and payable of any Borrower whose actions have directly or indirectly caused any such Event of Default and including the enforcement of any other rights of the I-Bank or the Trustee under the Loan Agreements;

(b) the Trustee by action or suit in equity may require the I-Bank to account as if it were the trustee of an express trust for the Holders of Bonds and may take such action with respect to the Loan Agreements as the Trustee deems necessary or appropriate and in the best interest of the Holders of Bonds, subject to the terms of such Loan Agreements; and

(c) upon the filing of a suit or other commencement of judicial proceedings to enforce any rights of the Trustee and of the Holders of Bonds under this Indenture, the Trustee will be entitled as a matter of right to the appointment of a receiver or receivers of the Trust Estate and the issues, earnings, income, products and profits thereof, pending such proceedings, with such powers as the court making such appointment shall confer.

If an Event of Default shall have occurred with respect to any Bonds, and if requested so to do by the Holders of a majority in principal amount of the Bonds then Outstanding, and upon being indemnified to its reasonable satisfaction therefor, the Trustee shall be obligated to exercise such one or more of the rights, remedies and powers conferred by this Section as the Trustee shall deem most expedient in the interests of the Holders of Bonds.

No right or remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Holders of Bonds) is intended to be exclusive of any other right or remedy, but each and every such
right or remedy shall be cumulative and shall be in addition to any other right or remedy given to Trustee or to such Holders hereunder or now or hereafter existing at law or in equity or by statute other than pursuant to the Act. The assertion or employment of any right or remedy shall not prevent the concurrent or subsequent assertion or employment of any other right or remedy.

No delay or omission to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right or remedy may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder, whether by the Trustee or by the Holders of any Bonds in default, shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

SECTION 9.03 Right of Holders of a Series of Bonds to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, but subject to Section 9.07 hereof, the Holders of a majority in aggregate principal amount of Bonds in default then Outstanding shall have the right at any time during the continuance of an Event of Default of such Bonds, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, however, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

SECTION 9.04 Reserved.

SECTION 9.05 Application of Moneys. All moneys received by the Trustee pursuant to any right or remedy given or action taken under the provisions of this Article upon any acceleration of the due date for the payment of the principal of and interest on the Bonds in default (including, without limitation, moneys received by virtue of action taken under provisions of any Loan Agreement, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee (including reasonable attorney fees) and any other moneys owed to the Trustee in connection with such Bonds hereunder), shall be applied, first, to the payment of the interest then due and unpaid upon the Bonds in default and, second, to the payment of the principal then due and unpaid upon the Bonds in default, to the persons entitled thereto, without any discrimination or privilege.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond in default until such obligation shall be presented to the Trustee for appropriate endorsement or for cancellation (as the case may be).

SECTION 9.06 Remedies Vested in Trustee. All rights of action (including, without limitation, the right to file proofs of claims) under this Indenture or under any of the Bonds in default may be enforced by the Trustee without possession of any of the Bonds or the production thereof in any trial or other proceeding related thereto and any such suit or proceeding instituted by the Trustee shall be brought
in its name as Trustee for the equal and ratable benefit of the Holders of all the Outstanding Bonds without the necessary of joining as plaintiffs or defendants any Holders of such Bonds.

SECTION 9.07 Rights and Remedies of Holders of Bonds. No Holder of Bonds then Outstanding in default shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust hereof or for the appointment of a receiver or any other remedy hereunder, unless (a) an Event of Default shall have occurred, (b) the owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the remedies hereinbefore granted or to institute such action, suit or proceeding in its own name, (c) the Holders shall have offered to the Trustee reasonable indemnity satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, and (d) the Trustee shall have refused, or for sixty (60) days after receipt of such request and offer of indemnification shall have failed to exercise the remedies hereinbefore granted, or to institute such action, suit or proceeding in its own name, and such request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder. It is understood and intended that no one or more Holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal and ratable benefit of the Holders of all Bonds then Outstanding; provided, however, that nothing contained in this Indenture shall affect or impair the right of the Holder of any Bond to enforce the payment of the principal or Redemption Price of and interest on such Bond at and after the maturity thereof, or the obligation of the I-Bank to pay the principal or Redemption Price of and interest on each of the Bonds issued hereunder to the respective Holders thereof at the time and place, from the source and in the manner expressed in the Bonds and in this Indenture and the Applicable Supplemental Indenture.

SECTION 9.08 Termination of Proceedings. In case the Trustee or a Holder of a Bond in default shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or such Holder, then and in every such case the I-Bank, the Trustee and the Holders of Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee and the Holders shall continue as if no such proceedings have been taken.

SECTION 9.09 Waivers of Events of Default. The Trustee may and, upon the written request of the Holders of not less than 25% in aggregate principal amount of all Bonds in default then Outstanding, shall waive any Event of Default which in its opinion shall have been remedied before the completion of the enforcement of any remedy under this Indenture; but no such waiver shall extend to any subsequent or other Event of Default, or impair any rights consequent thereon.

SECTION 9.10 Notice of Certain Defaults; Opportunity of I-Bank to Cure Defaults. Anything herein to the contrary notwithstanding, no Default under Section 9.01(e) hereof shall constitute an Event of Default until actual notice of such Default shall be given to the I-Bank by registered or certified mail by the Trustee or by the Holders of a majority in aggregate principal amount of all Bonds then Outstanding and the I-Bank shall not have corrected the Default or caused the Default to be corrected within thirty (30) days following the giving of such notice; provided, however, that if the Default be such that it is correctable but cannot be corrected within the applicable period, it shall not constitute an Event of Default if corrective action is instituted by the I-Bank within the applicable period and diligently pursued until the Default is corrected.
The I-Bank hereby grants to the Trustee full authority for the account of the I-Bank to observe or perform any duty, covenant, obligation or agreement alleged in any alleged Default concerning which notice is given to the I-Bank under the provisions of this Section in the name and stead of the I-Bank with full power to do any and all things and acts to the same extent that the I-Bank could do and perform any such things and acts and with power of substitution.

SECTION 10.01  Appointments, Duties, Immunities and Liabilities of Trustee.  The Trustee is hereby appointed and does hereby accept and agree to execute the trusts created under this Indenture and all other agreements with the I-Bank, including, without limitation, the Master Program Trust Agreement, but only upon the additional terms set forth in this Article, to all of which the Bondholders agree by their acceptance of delivery of any of the Bonds.  The obligations and duties of the Trustee shall be determined solely by reference to this Indenture and all other agreements with the I-Bank, including, without limitation, the Master Program Trust Agreement.

SECTION 10.02  Paying Agents; Appointments.

1.  The Trustee is hereby appointed Paying Agent and shall also act as registrar for the Series 2019A-1 Bonds.  The I-Bank shall appoint one or more Paying Agents for the Bonds of each additional Series, and may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 10.13 for a successor Paying Agent.  There shall be no limitation upon the ability of the I-Bank to appoint the Trustee to serve as a Paying Agent, provided that the Trustee otherwise satisfies the qualifications set forth herein (including, without limitation and as applicable, the qualifications set forth in Section 10.13 for a successor Paying Agent) that are applicable to a Paying Agent.

2.  The Trustee hereby accepts its appointment as Paying Agent and as registrar for the Series 2019A-1 Bonds.

3.  Unless otherwise provided, the principal corporate trust offices of the Paying Agents are designated as the respective offices or agencies of the I-Bank for the payment of the interest on and principal or Redemption Price of the Bonds.

4.  The I-Bank may enter into agreements with any Paying Agent providing for the payment to the I-Bank of amounts in respect of interest earned on moneys held by such Paying Agent for the payment of principal or Redemption Price of and interest on Bonds.  Any such payments to the I-Bank shall be deposited in the I-Bank Bond Loan Repayments Account within the Revenue Fund and applied as Revenues.

SECTION 10.03  Responsibilities of Fiduciaries.

1.  The recitals of fact contained herein and in the Bonds shall be taken as the statements of the I-Bank and no Fiduciary assumes any responsibility for the correctness of the same.  No Fiduciary makes any representation as to the validity or sufficiency of this Indenture or of any Bonds issued thereunder or as to the security afforded by this Indenture, and no Fiduciary shall incur any liability in respect thereof.  The Trustee shall, however, be responsible for its representation contained in its authentication certificate on the Bonds.  No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to the I-Bank or to any other Fiduciary.  No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect thereof, or to advance any of its own moneys, unless properly indemnified to its satisfaction.  Subject to the provisions of subsection 2 of this Section 10.03, no
Fiduciary shall be liable in connection with the observance and performance of its duties and obligations hereunder except for its own negligence or misconduct.

2. The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and obligations and only such duties and obligations as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers invested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provision of this Indenture relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 10.03.

SECTION 10.04 Evidence Upon Which Fiduciaries May Act.

1. Each Fiduciary, upon receipt of any notice, Supplemental Indenture, request, consent, order, certificate, report, opinion, bond or other paper or document furnished to it pursuant to any provision of this Indenture, shall examine such instrument to determine whether it conforms to the requirements of this Indenture and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with Counsel, who may or may not be counsel to the I-Bank, and the opinion of such Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Indenture in good faith and in accordance therewith.

2. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of an Authorized Officer of the I-Bank, and such Certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Indenture upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

3. Except as otherwise expressly provided in this Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision thereof by the I-Bank to any Fiduciary shall be sufficiently executed in the name of the I-Bank by an Authorized Officer of the I-Bank.

SECTION 10.05 Compensation. The I-Bank shall pay each Fiduciary from time to time reasonable compensation for all services rendered under this Indenture, including in that limitation the services rendered pursuant to Section 12.01, and also all reasonable expenses incurred in and about the performance of their powers and duties under this Indenture and each Fiduciary shall have a lien therefor on any and all funds and accounts at any time held by it under this Indenture, other than the Project Loan Account in the Project Fund. Subject to the provisions of Section 10.03, the I-Bank further agrees to indemnify and save each Fiduciary harmless against any losses, liabilities and expenses (including reasonable legal fees) which it may incur in the exercise and performance of its powers, duties and obligations hereunder, other than losses, liabilities and expenses (including legal fees) attributable to the negligence, bad faith, breach of contract or misconduct of the Fiduciary, arising out of or as a result of the Fiduciary performing its obligations under this Indenture or undertaking any transaction contemplated by this Indenture; provided, however, that the foregoing is subject to the limitations of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:2-1 et seq. and the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq.
Each Fiduciary agrees as follows:

1. The Fiduciary shall give the I-Bank prompt notice in writing of any actual or potential claim described above and the institution of any suit or action;

2. The Fiduciary shall not adjust, settle or compromise any such claim, suit or action without the approval of I-Bank; and

3. The Fiduciary shall permit the I-Bank, if the I-Bank so chooses, to assume full control of the adjustment settlement, compromise or defense of each such claim, suit or action.

While the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq., is not applicable by its terms to claims arising under contracts with the I-Bank, each Fiduciary agrees that such statute (except N.J.S.A. 59:13-9) shall be applicable to all claims against the I-Bank arising under this Section 10.05.

The indemnification provided in this Section 10.05 does not apply or extend to any indemnification given by a Fiduciary to any other person.

**SECTION 10.06 Certain Permitted Acts.** Any Fiduciary may become the Holder of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding.

**SECTION 10.07 Resignation of Trustee.** The Trustee may at any time resign and be discharged of the duties and obligations created by this Indenture by giving not less than one hundred twenty (120) days’ written notice to the I-Bank, and mailing notice thereof to the Holders of the Bonds then Outstanding, specifying the date when such resignation shall take effect, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed by the I-Bank or the Bondholders as provided in Section 10.09, in which event such resignation shall take effect immediately on the appointment of such successor, or unless a successor shall not have been appointed by the I-Bank or the Bondholders as provided in Section 10.09 on that date, in which event such resignation shall not take effect until a successor is appointed.

**SECTION 10.08 Removal of Trustee.** The Trustee may be removed at any time: (i) by an instrument or concurrent instruments in writing, filed with the Trustee, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the I-Bank, (ii) so long as no Event of Default, or any event which, with notice or passage of time, or both, would become an Event of Default, shall have occurred and be continuing, for just cause by a resolution of the I-Bank filed with the Trustee, (iii) upon a determination by the I-Bank, in its sole discretion, that the compensation charged by the Trustee is excessive for the duties, obligations and other services to be performed by the Trustee pursuant to this Indenture, such determination by the I-Bank to be establish by a resolution adopted by the I-Bank and filed with the Trustee no less than 30 days prior to the effective date of such termination, or (iv) for any reason to be determined by the I-Bank, in its sole discretion, and without any requirement that just cause be demonstrated, such determination by the I-Bank to be establish by a resolution adopted by the I-Bank and filed with the Trustee no less than 30 days prior to the effective date of such termination, provided, however, that the provisions of this clause (iv) shall not be implemented by the I-Bank more frequently
than once every fifth year. Notwithstanding any other provision in this Article X, no removal of the Trustee shall take effect until a successor shall be appointed pursuant to the provisions of Section 10.09.

SECTION 10.09 Appointment of Successor Trustee.

1. After such appointment of a successor Trustee, the I-Bank shall mail notice of any such appointment made by it or the Bondholders to the Holders of the Bonds then Outstanding.

2. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within forty-five (45) days after the Trustee shall have given to the I-Bank written notice as provided in Section 10.07 or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Should any deed, conveyance or instrument in writing from the I-Bank be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the I-Bank. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.
SECTION 10.11 Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business; provided, such company (i) shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and (ii) shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

SECTION 10.12 Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in this Indenture provided that the certificate of the Trustee shall have.

SECTION 10.13 Resignation or Removal of Paying Agent; Appointment of Successor.

1. Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least one hundred twenty (120) days written notice to the I-Bank, the Trustee and the other Paying Agents. Any provision in this Article for the mailing of a notice or other paper to Holders of Bonds shall be fully complied with if it is mailed, postage prepaid only, to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of the I-Bank.

SECTION 11.06 Powers of Amendment by Supplemental Indenture. Unless otherwise permitted under Section 11.01 or Section 11.02, any modification or amendment of this Indenture and of the rights and obligations of the I-Bank and of the Holders of the Bonds thereunder, in any particular, may be made only by a Supplemental Indenture with the written consent (i) of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds Outstanding at the time such consent is given, (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any sinking fund installment, of the Holders of not less than two-thirds (2/3) in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such obligation, or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Trustee without their written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment Bonds of any particular Series or maturity would be affected by any modification or amendment of this Indenture and any such determination shall be binding and conclusive on the I-Bank and all Holders of Bonds. In taking such action, the Trustee may rely upon the opinion of Bond Counsel. For purposes of this Section, the Holders of any Bonds may include the initial Holders thereof, regardless of whether such Bonds are being held for resale.

SECTION 11.07 Consent of Bondholders. The I-Bank may at any time adopt a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 11.06 to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Holders of Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed by the I-
Bank to Holders of Bonds (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as in this Section provided). Such Supplemental Indenture shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of the Holders of the percentages of Outstanding Bonds specified in Section 11.06 and (b) an opinion of Bond Counsel addressed to the Trustee stating that such Supplemental Indenture has been duly and lawfully adopted and filed by the I-Bank in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and is valid and binding upon the I-Bank and enforcible in accordance with its terms. It shall not be necessary that the consents of Holders of Bonds approve the particular form of wording of the proposed modification or amendment or of the proposed Supplemental Indenture effecting such modification or amendment, but it shall be sufficient if such consents approve the substance of the proposed amendment or modification. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 12.02. A Certificate or Certificates executed by the Trustee and filed with the I-Bank stating that it has examined such proof and that such proof is sufficient in accordance with Section 12.02 shall be conclusive that the consents have been given by the Holders of the Bonds described in such Certificate or Certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 12.02 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 11.07 provided for is filed, such revocation and proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 12.02. The fact that a consent has not been revoked may likewise be proved by a Certificate of the Trustee filed with the I-Bank to the effect that no revocation thereof is on file with the Trustee.

At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the I-Bank a written statement that the Holders of such required percentages of such Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture adopted by the I-Bank on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 11.07, may be given to Bondholders by the I-Bank by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as in this Section 11.07 provided). The I-Bank shall file with the Trustee proof of the mailing thereof. A record, consisting of the certificates or statements required or permitted by this Section 11.07 to be made by the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the I-Bank, the Fiduciaries and the Holders of all Bonds at the expiration of forty (40) days after the filing with the Trustee of the proof of the mailings of such last-mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such forty (40) day period; provided, however, that any Fiduciary and the I-Bank during such forty (40) day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as it may deem expedient.

SECTION 11.08 Modifications or Amendments by Unanimous Consent. The terms and provisions of this Indenture and the rights and obligations of the I-Bank and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the I-Bank of a Supplemental Indenture and the consent thereto of the Holders of all of the Bonds then Outstanding, such
consent to be given as provided in Section 11.07 except that no notice to Holders of Bonds either by mailing or publication shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary in addition to the consent of the Holders of Bonds.

SECTION 11.09 Exclusion of Bonds. Bonds owned or held by or for the account of the I-Bank shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI, and the I-Bank shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the I-Bank shall furnish to the Trustee a Certificate of an Authorized Officer of the I-Bank, upon which the Trustee may rely, describing all Bonds so to be excluded.

SECTION 11.10 Notation on Bonds. Bonds authenticated and delivered after the effective date of any Supplemental Indenture pursuant to this Article XI may, and, if the I-Bank or the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the I-Bank and the Trustee as to any modification or amendment provided for in such Supplemental Indenture and, in that case upon demand of the Holder of any Bond Outstanding and upon presentation of any Bond for such purpose at the Principal Office of the Trustee, a suitable notation shall be made on such Bond. If the I-Bank or the Trustee shall so determine, new Bonds so modified as to conform, in the opinion of the Trustee and the I-Bank, to any modification or amendment contained in such Supplemental Indenture, shall be prepared, authenticated and delivered and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series, principal amount, maturity and interest rate then Outstanding, upon surrender of such Bonds. Any action taken as in Article X or this Article XI provided shall be effective and binding upon all Bondholders notwithstanding that the notation is not endorsed on all Bonds.

SECTION 11.11 Effect of Supplemental Indenture. Upon the effective date of any Supplemental Indenture, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, covenants, obligations and agreements under this Indenture of the I-Bank, the Trustee and all Holders of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 11.12 Amendment of Loan Agreements. The I-Bank shall not supplement, amend, modify or terminate any Loan Agreement, or consent to any such supplement, amendment, modification or termination, without the written consent of the Trustee, which consent shall not be unreasonably withheld. The Trustee shall give such written consent only if (a) (i) in the opinion of the Trustee, after such supplement, amendment, modification or termination is effective, such Loan Agreement shall continue to meet the requirements of Article VI of this Indenture or (ii) the Trustee first obtains the written consent of the Holders of a majority in aggregate principal amount of the Outstanding Bonds to such supplement, amendment, modification or termination, such written consent being obtained by the Trustee at the sole expense of the Borrower which is a party to the Loan Agreement which is the subject of the supplement, amendment, modification or termination and (b) the Trustee first obtains an opinion of Bond Counsel to the effect that such supplement, amendment, modification or termination will not adversely affect the exclusion from gross income of the interest on the Series 2019A-1 Bonds for federal income tax purposes. In making any determination under this Section 11.12, the Trustee may conclusively rely upon an opinion of Bond Counsel.
Notwithstanding any other provision in this Section, (a) the I-Bank may supplement, amend or modify any Loan Agreement without the consent of the Trustee or any Bondholder (i) for the purposes set forth in Section 5.02 hereof, including, without limitation, for the purposes of revising or substituting Exhibit C to the Loan Agreement for the reasons set forth in Section 3.03A of the Loan Agreement and Section 5.02 hereof, (ii) for the purpose of amending, supplementing or modifying Section 2.02(p) of the Loan Agreement, and (iii) for the purpose of amending, supplementing or modifying Exhibit H to the Loan Agreement prior to the execution and delivery thereof, and (b) the I-Bank may terminate any Loan Agreement (subject to the termination provisions thereof) without the consent of the Trustee or any Bondholder in the event that all payment obligations thereunder have been satisfied by the respective Borrower in full.

SECTION 11.13 Notice of Amendments. Promptly after the adoption by the I-Bank of any Supplemental Indenture, the Trustee shall mail by first class mail, postage prepaid, a notice, setting forth in general terms the substance thereof, to the Bondholders of a Series of Bonds affected by such amendment. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Indenture.

DEFEASANCE

SECTION 12.01  Defeasance of Bonds.

1. If the I-Bank shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds of any Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in this Indenture, then the pledge of the Trust Estate, and all duties, covenants, agreements and other obligations of the I-Bank to the Bondholders of such Series, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the I-Bank to be prepared and filed with the I-Bank and, upon the request of the I-Bank, shall execute and deliver to the I-Bank all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the I-Bank all moneys or securities held by it pursuant to this Indenture which are not required for the payment of principal or Redemption Price, if applicable, and interest due or to become due on Bonds of any Series thereby surrendered for such payment or redemption and any amounts owed to any Fiduciary. If the I-Bank shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of any Outstanding Bonds of any Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Indenture, and all duties, covenants, agreements and obligations of the I-Bank to the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Notwithstanding any other provision in this Article XII, all duties, covenants, agreements and obligations of the I-Bank relating to the exclusion of interest from gross income of the Holders of such Bonds for federal income tax purposes shall survive the defeasance of the Bonds.

2. Bonds (which can be an entire series or portion thereof) or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Paying Agents (through deposit by the I-Bank of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section. Subject to the provisions of subsections (3) through (5) of this Section, Outstanding Bonds of any Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section if (a) in case any of said Bonds are to be redeemed on any date prior to their stated maturities, the I-Bank shall have given to the Trustee instructions in writing accepted by the Trustee to mail notice of redemption of such Bonds (other than Bonds of a Series which have been purchased by the Trustee at the written direction of the I-Bank or purchased or otherwise acquired by the I-Bank and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption) on said date, (b) there shall have been deposited with the Trustee (i) either moneys in an amount which shall be sufficient, or Investment Securities (including any Investment Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on such Series of Bonds on or prior to the redemption date or maturity date thereof, as the case may be, (ii) a defeasance opinion of Bond Counsel, and (iii) a verification report of an independent nationally recognized verification agent as to the matters set forth in clause (i), and (c) in the event such Series of Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the I-Bank shall have given the Trustee in form satisfactory to it instructions to mail, as soon as practicable, a notice to the Holders of such Bonds at their last addresses appearing upon the registry books at the close of business on the last business day of the month preceding the month for
which notice is mailed that the deposit required by (b) above has been made with the Trustee and that such Series of Bonds are deemed to have been paid in accordance with this Section 12.01 and stating such maturity or redemption date upon which moneys are expected, subject to the provisions of subsection (5) of this Section 12.01, to be available for the payment of the principal or Redemption Price, if applicable, of such Series of Bonds (other than Bonds which have been purchased by the Trustee at the direction of the I-Bank or purchased or otherwise acquired by the I-Bank and delivered to the Trustee as hereinafter provided prior to the mailing of the notice of redemption referred to in clause (a) hereof). Any notice of redemption mailed pursuant to the preceding sentence with respect to any Series of Bonds which constitutes less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond. The Trustee shall, as to the extent necessary, apply moneys held by it pursuant to this Section 12.01 to the retirement of said Bonds in amounts equal to the unsatisfied balances of any Sinking Fund Installments with respect to such Bonds, all in the manner provided in this Indenture.

The Trustee shall, if so directed by the I-Bank (i) prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 12.01 which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) above with respect to any Bonds deemed to have been paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Investment Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds and the Trustee shall immediately thereafter cancel all such Bonds so purchased; provided, however, that the moneys and Investment Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due or to become due on all Bonds in respect of which such moneys and Investment Securities are being held by the Trustee on or prior to the redemption date or maturity date thereof, as the case may be. If, at any time (i) prior to the maturity date of Bonds deemed to have been paid in accordance with Section 12.01 which are not to be redeemed prior to their maturity date or (ii) prior to the mailing of the notice of redemption referred to in clause (a) with respect to any Bonds deemed to have been paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, the I-Bank shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date or redemption date, as the case may be, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by directions from the I-Bank to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to pay or redeem Bonds deemed paid in accordance with this Section 12.01. The directions given by the I-Bank to the Trustee referred to in the preceding sentence shall also specify the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 12.01 upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to redeem Bonds deemed paid in accordance with this Section 12.01 on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this Section 12.01 the total amount of moneys and Investment Securities remaining on deposit with the Trustee under this Section 12.01 is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds of such Series in order to satisfy clause (b) of this subsection 2 of Section 12.01, the Trustee shall, if requested by the I-Bank, pay the amount of such excess to the I-Bank free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Indenture. Except as otherwise provided in this subsection 2 and in subsection 3 through subsection 5 of this Section 12.01, neither Investment Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on said Bonds; provided that
any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the I-Bank as received by the Trustee, free and clear of any trust, lien or pledge securing said Bonds or otherwise existing under this Indenture, and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested at the direction of the I-Bank in Investment Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the I-Bank, as received by the Trustee, free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Indenture.

For the purposes of this Section, Investment Securities shall mean and include only (y) such securities as are described in clause (a) of the definition of “Investment Securities” in Section 1.01 which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof or (z) upon compliance with the provisions of subsection 3 of this Section 12.01, such securities as are described in clause (a) of the definition of Investment Securities which are subject to redemption prior to maturity at the option of the issuer thereof on a specified date or dates.

3. Investment Securities described in clause (z) of subsection 2 of Section 12.01 may be included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01 only if, in making the determination as to whether the moneys and Investment Securities to be deposited with the Trustee would be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on the Bonds which will be deemed to have been paid as provided in subsection 2 of Section 12.01, such determination is made both (i) on the assumption that the Investment Securities described in clause (z) were not redeemed at the option of the issuer prior to the maturity date thereof and (ii) on the assumptions that such Investment Securities were redeemed by the issuer thereof at its option on each date on which such option could be exercised, that as of such date or dates interest ceased to accrue on such Investment Securities and that the proceeds of such redemption were not reinvested by the Trustee.

4. In the event that after compliance with the provisions of subsection 3 of Section 12.01 the Investment Securities described in clause (z) of subsection 2 of Section 12.01 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01 and any such Investment Securities are actually redeemed by the issuer thereof prior to their maturity date, then the Trustee at the written direction of the I-Bank shall reinvest the proceeds of such redemption in Investment Securities, provided that the aggregate of the moneys and Investment Securities to be held by the Trustee, taking into account any changes in redemption dates or instructions to give notice of redemption given to the Trustee by the I-Bank in accordance with subsection 5 of Section 12.01, shall at all times be sufficient to satisfy the requirements of clause (b) of subsection 2 of Section 12.01.

5. In the event that after compliance with the provisions of subsection 3 of Section 12.01 the Investment Securities described in clause (z) of subsection 2 of Section 12.01 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of clause (b) of subsection 2 of Section 12.01, then any notice of redemption to be published by the Trustee and any set of instructions relating to a notice of redemption given to the Trustee may provide, at the option of the I-Bank, that any redemption date or dates in respect of all of any portion of the Bonds to be redeemed on such date or dates may at the option of the I-Bank be changed to any other permissible redemption date or dates and that redemption dates may be established for any Bonds deemed to have been paid in accordance with this Section 12.01 upon their maturity date or dates at any time prior to the actual mailing of any applicable notice of redemption in the event that all or any portion of any Investment
Securities described in clause (z) of subsection 2 of this Section 12.01 have been called for redemption pursuant to an irrevocable notice of redemption or have been redeemed by the issuer thereof prior to the maturity date thereof; no such change of redemption date or dates or establishment of redemption date or dates may be made unless, taking into account such changed redemption date or dates or newly established redemption date or dates, the moneys and Investment Securities on deposit with the Trustee (including any Investment Securities deposited with the Trustee in connection with any reinvestment of redemption proceeds in accordance with subsection 5 of Section 12.01) pursuant to clause (b) of subsection 2 of Section 12.01 would be sufficient to pay when due the principal and Redemption Price, if applicable, and interest on all Bonds deemed to have been paid in accordance with subsection 2 of Section 12.01.

6. Anything in this Indenture to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for six years after the later of (i) the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption or (ii) the date of deposit of such moneys, shall at the written request of the I-Bank be repaid by the Fiduciary to the I-Bank as its absolute property and free from the Trust Estate, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the I-Bank for the payment of such Bonds; provided, however, that before being required to make any such payment to the I-Bank, the Fiduciary shall, at the expense of the I-Bank, cause to be published at least twice, at an interval of not less than seven (7) days between publications, in the Authorized Newspapers, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the I-Bank.

Notwithstanding any other provision in Article XII of this Indenture, all duties, covenants, agreements and obligations of the I-Bank to the Holders relating to the exclusion of interest from gross income of the Holders of the Series 2019A-1 Bonds for federal income tax purposes shall survive the defeasance of the Series 2019A-1 Bonds.

SECTION 12.02  Evidence of Signatures and Ownership of Bonds.

1. Any request, consent, revocation of consent or other instrument which this Indenture or any Supplemental Indenture may require or permit to be signed and executed by the Holders of Bonds of any Series may be in one or more instruments of similar tenor and shall be signed or executed by such Holders of Bonds in person or by their attorneys appointed in writing. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, shall be sufficient for any purpose of this Indenture or any Supplemental Indenture (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable. The fact and date of the execution by any Holder of any Bond or his attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of his authority.

2. The ownership of Bonds and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books maintained by the Trustee.
3. Any request or consent by the Holder of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the I-Bank or any Trustee in accordance therewith.

SECTION 12.03 Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of the interest, principal or Redemption Price due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto.

indirectly controlling or controlled by, or under direct or indirect common control with, the I-Bank or any
Borrower or any other primary or secondary obligor on any Loan Agreement, shall be disregarded and
deemed not to be Outstanding for the purpose of any such determination. Bonds so owned that have been
pledged in good faith may be regarded as Outstanding for the purpose of this Section if the pledgee shall

not a person directly or indirectly controlling or controlled by, or under direct or indirect common control
with, the I-Bank or any Borrower or any other primary or secondary obligor on any Loan Agreement. In
case of a dispute as to such right, any decision by the Trustee taken upon the advice of Counsel shall be

Bank.
SECTION 13.10 Waiver of Personal Liability. In the exercise of the powers of the I-Bank and its members, officers, employees and agents under this Indenture, the Loan Agreements or any other document executed in connection with the Bonds, the I-Bank shall not be accountable to any Borrower, the Trustee, the Paying Agent, or any Holder for any action taken or omitted by it or its members, officers, employees and agents in good faith and believed by it or them to be authorized or within the discretion or rights or powers conferred.

Except as otherwise specifically provided herein, if any date specified herein for the payment of any Bond or the performance of any act shall not be a Business Day at the place of payment or performance, such payment or performance shall be made on the next succeeding Business Day with the same effect as if made on such date, and in case any payment of the principal or Redemption Price of or interest on any Bond shall be due on a date that is not a Business Day, interest on such principal amount shall cease to accrue on the date on which such payment was due if such payment is made on the immediately succeeding Business Day.

NEW JERSEY INFRASTRUCTURE BANK (the “I-Bank”), a public body corporate and politic and an instrumentality of the State of New Jersey created and existing under the laws of the State of New Jersey, hereby acknowledges itself indebted to, and for value received hereby promises to pay to, the Registered Owner stated hereon or its registered assigns, on the Maturity Date stated hereon, but solely from the funds pledged therefor, upon presentation and surrender of this bond at the Principal Office of Zions Bancorporation, National Association d/b/a Zions Bank (such bank and any successors thereto being herein called the “Trustee” and “Paying Agent”), the Principal Sum stated hereon in any coin or currency of the United States of America that at the time of payment is legal tender for the payment of public and private debts, and to pay from such pledged funds on March 1 and September 1 in each year, commencing September 1, 201_, until the I-Bank’s obligation with respect to the payment of such Principal Sum shall be discharged to the Registered Owner hereof, interest from the Dated Date hereof on such Principal Sum by check or draft of the Trustee mailed to such Registered Owner who shall appear as of the fifteenth (15th) day (whether or not such day shall be a Business Day) of the month immediately preceding such interest payment date on the books of the I-Bank maintained by the Trustee. However, so long as the Series 2019A-1 Bonds (as hereinafter defined) are held in book-entry-only form pursuant to the Resolution (as hereinafter defined), the provisions of the Resolution governing such book-entry-only form shall govern repayment of the principal or Redemption Price, if any, of and interest on the Series 2019A-1 Bonds.

This bond is one of a duly authorized Series of Bonds of the I-Bank designated “Environmental Infrastructure Bonds, Series 2019A-1 (Green Bonds)” (herein called the “Series 2019A-1 Bonds”), and issued in the aggregate principal amount of $_______ under and in full compliance with the Constitution and statutes of the State of New Jersey, including, without limitation, the “New Jersey Infrastructure Trust Act”, constituting chapter 334 of the Pamphlet Laws of 1985 of the State of New Jersey, as amended and supplemented (herein called the “Act”), and under and pursuant to a resolution authorizing the Series 2019A-1 Bonds adopted by the I-Bank on ____, 2019 and entitled “Environmental Infrastructure Bond Resolution, Series 2019A-1”, as the same may be amended or supplemented from time to time in accordance with its terms (herein called the “Resolution”).
All capitalized terms used but not defined herein shall have the meanings set forth in the [Resolution/Indenture] as if fully set forth herein.

As provided in the Resolution, the Series 2019A-1 Bonds and all other bonds issued on a parity basis with the Series 2019A-1 Bonds under the Resolution (herein collectively called the “Bonds”) are direct and special obligations of the I-Bank payable solely, subject to the following sentence, from and secured (as to payment of principal or Redemption Price, if any, of and interest on) by the Trust Estate, all in accordance with their terms and the terms and conditions of the Resolution, subject only to the provisions of the Resolution permitting the application of the Trust Estate for the purposes and upon the terms and conditions set forth in the Resolution. The principal or Redemption Price, if any, of and interest on the Series 2019A-1 Bonds are additionally secured by moneys held by the Master Program Trustee in the Master Program Trust Account to the extent set forth in the Master Program Trust Agreement.

As provided in the Resolution, Bonds may be issued from time to time pursuant to Supplemental Indentures in one or more Series in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise vary as in the Resolution provided. Although the aggregate principal amount of Bonds that may be issued under the Resolution is not limited, and all Bonds issued and to be issued under the Resolution are and will be equally secured by the pledge and covenants made therein, except as otherwise expressly provided or permitted in the Resolution, the aggregate amount of bonds that may be issued by the I-Bank is currently limited by the Act. The I-Bank makes no representation as to whether this limitation on the aggregate principal amount of bonds issued by the I-Bank under the Act will continue to restrict the future issuance of bonds by the I-Bank under the Act.

To the extent and in the manner permitted by the terms of the Resolution, the provisions of the Resolution or any resolution amendatory thereof or supplemental thereto may be modified or amended by the I-Bank with the written consent of the holders of at least two-thirds (2/3) in aggregate principal amount of the Bonds Outstanding under the Resolution at the time such consent is given, and, in case less than all of the several Series of Bonds then Outstanding are affected thereby, with such consent of at least two-thirds (2/3) in aggregate principal amount of the Bonds of each Series so affected and Outstanding; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding under the Resolution, the consent
of the holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of the calculation of Outstanding Bonds. No such modification or amendment shall permit a change in the terms of redemption, if any (including Sinking Fund Installments), or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or Redemption Price, if any, thereof or in the rate of interest thereon without the consent of the holder of such Bond, nor shall it reduce the percentages or otherwise affect the classes of Bonds the consent of the holders of which is required to effect any such modification or amendment, nor shall it change or modify any of the rights or obligations of the Trustee or of the Paying Agent without its written assent thereto.

This bond is transferable, as provided in the Resolution, only upon the books of the I-Bank kept for that purpose at the above-mentioned office of the Trustee, as bond registrar, by the Registered Owner hereof in person, or by such Registered Owner’s attorney duly authorized in writing, upon surrender of this bond together with a written instrument of transfer satisfactory to the bond registrar duly executed by the Registered Owner or such Registered Owner’s duly authorized attorney, and thereupon a new fully registered bond or bonds in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon payment of the charges therein prescribed. The I-Bank, the Trustee and the Paying Agent may deem and treat the Registered Owner as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if any, hereof and the interest due hereon and for all other purposes.

The Series 2019A-1 Bonds maturing on or before September 1, ____ shall not be subject to redemption prior to their respective stated maturity dates. The Series 2019A-1 Bonds maturing on or after September 1, ____ shall be subject to redemption prior to their respective stated maturity dates, on or after September 1, ____, at the option of the I-Bank, upon the terms set forth in the Resolution, either in whole or in part, and if in part by lot within any maturity or maturities determined by the I-Bank, on any date, upon the payment of 100% of the principal amount thereof and accrued interest thereon to the date fixed for redemption.

[The Series 2019A-1 Bonds due September 1, ____ and September 1, ____ are subject to mandatory sinking fund redemption prior to their respective stated maturities, upon the surrender thereof and through selection by lot by the Trustee and upon the giving of notice as provided in the Resolution, by payment of the following “Sinking Fund Installments”, on September 1, in each year set forth below, at a Redemption Price which is equal to 100% of the principal amount thereof plus interest accrued to the redemption date, in the following aggregate principal amounts in the following years:

[The Series 2019A-1 Bonds shall not be subject to mandatory sinking fund redemption prior to their respective stated maturities.]

The Series 2019A-1 Bonds are payable upon redemption at the above-mentioned office of the Paying Agent. Notice of redemption, setting forth the place of payment, shall be mailed by the Trustee via first class mail, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the redemption date, to the registered owners of any Series 2019A-1 Bonds or portions thereof to be redeemed at their last addresses, if any, appearing upon the I-Bank’s registry books, all in the manner and
upon the terms and conditions set forth in the Resolution. If notice of redemption shall have been mailed as aforesaid, the Series 2019A-1 Bonds or portions thereof specified in said notice shall become due and payable on the redemption date therein fixed, and if, on the redemption date, moneys for the redemption of all of the Series 2019A-1 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, then from and after the redemption date interest on such Series 2019A-1 Bonds or portions thereof so called for redemption shall cease to accrue and be payable. Failure of the registered owner of any Series 2019A-1 Bonds to be redeemed to receive any such notice shall not affect the validity of the proceedings for the redemption of such Series 2019A-1 Bonds.

The principal or Redemption Price, if any, of and interest on the Series 2019A-1 Bonds are payable by the I-Bank solely from the Trust Estate, and neither the State of New Jersey nor any political subdivision thereof, other than the I-Bank (but solely to the extent of the Trust Estate), is obligated to pay the principal or Redemption Price, if any, of or interest on this bond and the issue of which it is one, and neither the full faith and credit nor the taxing power of the State of New Jersey or any political subdivision thereof is pledged to the payment of the principal or Redemption Price, if any, of or interest on this bond or the issue of which it is one.

It is hereby certified and recited that all conditions, acts and things required by law and the Resolution to exist, to have happened and to have been performed precedent to and in the issuance of this bond exist, have happened and have been performed, and the Series of Bonds of which this is one, together with all other indebtedness of the I-Bank, comply in all respects with the applicable laws of the State of New Jersey, including, without limitation, the Act.

This bond shall not be entitled to any benefit under the Resolution or be valid or become obligatory for any purpose until this bond shall have been authenticated by the execution by the Trustee of the Trustee’s Certificate of Authentication hereon.
