August 10, 2018

TO: Honorable Members of the New Jersey State Legislature
FROM: Robert A. Briant, Jr., *Vice-Chairman, New Jersey Infrastructure Bank*
SUBJECT: State Fiscal Year 2019 (FY2019) 1st-Amended Interim Transportation Financing Program Project Priority List

The New Jersey Infrastructure Bank (the “I-Bank” or “NJIB”) and the New Jersey Department of Transportation (the “Department” or “DOT”), are pleased to present the 1st-Amended State Fiscal Year 2019 (“FY2019”) Interim Financing Program Project Priority List to the New Jersey State Legislature pursuant to the New Jersey Infrastructure Trust Act N.J.S.A. 58:11 B-1 et seq. (“the Act”). The I-Bank is obligated, pursuant to the Act, to publish the Transportation Infrastructure Bank Priority System (TIBPS) and Transportation Infrastructure Project Priority List (TIPPL) for the ensuing fiscal year.

The Act established the New Jersey Transportation Infrastructure Bank (the “Transportation Bank”) to make low interest loans for local transportation infrastructure projects with a mission of reducing the cost of financing for New Jersey counties and municipalities’ critical transportation projects. FY2019 is the Transportation Bank’s inaugural year as the operating funds were appropriated on January 16, 2018 pursuant to P.L.2017, c.327.

The FY2019 1st-Amended Interim Financing Program Project Priority List, set forth in Appendix A, consists of 138 projects with an estimated value of \$317.7 million. This Project Priority List continues to include projects seeking Department Local Aid grants as well as projects that are the subject of formal Transportation Bank loan applications and, as such, is admittedly broad in scope. The 2nd-Amended Project Priority List to be published in the fall of 2018 will be limited to projects for which Transportation Bank loan applications have been received.

The I-Bank and the Department are committed to developing the Transportation Bank as an effective vehicle to reduce the cost of transportation projects throughout the State. Thank you for your continued support of our Programs.
