**TO:** Honorable Members of the New Jersey State Legislature  
**FROM:** Roger Ellis, *Vice-Chairperon, New Jersey Infrastructure Bank*  
**SUBJECT:** State Fiscal Year ("FY") 2021 First Amended Interim Transportation Financing Program  
Project Priority List ("FY2021 1<sup>st</sup> Amended PPL")

---

The New Jersey Infrastructure Bank (the "I-Bank") and the New Jersey Department of Transportation, are pleased to present the FY2021 1st Amended PPL to the New Jersey State Legislature pursuant to the New Jersey Infrastructure Trust Act N.J.S.A. 58:11 B-1 et seq. ("the Act"). The I-Bank is obligated, pursuant to the Act, to publish the Transportation Infrastructure Bank Priority System (TIBPS) and Transportation Infrastructure Project Priority List (TIPPL) for the ensuing fiscal year.

The Act established the New Jersey Transportation Infrastructure Bank (the "Transportation Bank") to make low interest loans for local transportation infrastructure projects with a mission of reducing the cost of financing for New Jersey counties and municipalities' critical transportation projects.

The FY2021 1<sup>st</sup> Amended PPL, set forth in Appendix A, consists of 24 projects with an estimated value of \$112 million. This project list identifies all Transportation Bank loan applicants for which an application for an eligible project was submitted on or before June 30, 2020. Of these projects, 14 have been allocated funds totaling \$63.8 million in prior quarters up through the end of Fiscal Year 2020 and are currently undergoing engineering design or construction activities.

The new funding allocations for the 1<sup>st</sup> quarter of FY2021 are limited to projects demonstrating a high likelihood of awarding construction on or before June 30, 2021 (June 30, 2022 for Bridge Assets). This project list identifies three (3) such projects, with an estimated value of \$12.4 million.

Thank you for your continued support of our Programs.
